Už se to stalo a děje se to znovu.

Mezi vůdci Bílého klobouku, kteří podporují prezidenta Donalda J. Trumpa, a těmi, kteří říkají, že Trumpův čas vypršel a že guvernér Floridy Ron DeSantis nyní představuje budoucnost amerického konzervatismu, se otevřela další propast. Jak bylo uvedeno dříve, důstojníci pod velením generála Davida H. Bergera se opakovaně dohadovali, komu couvnout, přičemž napůl naříkali nad tím, že

generál Trump neochvějně podporuje. A minulý týden tři vysoce postavení Bílé klobouky přeběhli do Deep State po krádeži v polovině období.

"Poraženectví je ve vzduchu." Jsou mezi námi tací, kteří cítí, že Deep State je nepřekonatelný, že jsme zapojeni do nevyhratelné války, že nemáme pracovní sílu, abychom ovlivnili změnu, takže skákalí z lodi a plavou k tomu, co si myslí, že bude vítězný tým. To je opak toho, co jsme viděli před dvěma lety, po krádeži v roce 2020, kdy důstojníci a poddůstojníci nahoře a dole v představenstvu volali generálu Bergerovi a říkali 'dostaňte mě do tohoto boje'. Je to problematické," řekl zdroj z kanceláře generála Bergera Real Raw News.

Řekl také, že nedostatek politické podpory vrhá pochybnosti na to, zda mohou Bílé klobouky obnovit v Republice pořádek.

„V roce 2021 jsme měli symbiotické spojení s mnoha konzervativními zákonodárci. I když nám otevřeně nefandili, pomohli nám na backendu. Tato podpora se značně zmenšila, protože se zdá, že se obávají, že spojení s námi zmaří jejich politickou kariéru. A náhlá nenávisť konzervativních médií k Trumpovi nepomáhá věci generála Bergera," řekl náš zdroj.

Řekl, že karikatura Donalda Trumpa jako Humpty Dumpty sedícího na zdi v New York Post rozrušila generála Bergera, ale vyvolala bouřlivý smích u White Hats, kteří považují Trumpa za „poškozené zboží“. Zdá se, že i Newsmax se obrátil na Trumpa: Když Trumpův spojenec Mike Lindell šel do vysílání předložit důkazy o volebním podvodu, moderátor Newsmax John Iadarola ho umlčel a řekl, že ani on, ani Newsmax nebyli schopni ověřit tvrzení o podvodu ve volbách v polovině období.

"Nevíme, co by jim Lindell dal, protože neměl dovoleno mluvit." Ale když máme důkaz o podvodu, sdílíme ho s konzervativními médii a ta ho bez výjimky odmítají vysílat, protože mají z FCC hrůzu. Existuje

přímá korelace mezi zlomeninou v hnutí Bílý klobouk a zlomeninou v Republikánské straně,“ vysvětlil náš zdroj.

Rozpor, dodal, byl umocněn opakovanými Trumpovými útoky na guvernéry DeSantis a Youngkina, oba považováni za potenciální rivaly v primárkách v roce 2024.

„Víme, že Trump je otevřený a má za sebou historii přiřazování oponentů pejorativními přezdívkami. V minulosti to fungovalo v jeho prospěch, ale nyní má pocit, že jeho nerozvážné údery napáchají více škody než užitku. Generál Berger ho dokonce požádal, aby zmírnil rétoriku, ale Trump je Trump. Udělá to, co bude dělat. Bohužel Trumpova otevřenost, z nedostatku lepšího slova, způsobila, že lidé v našich řadách věřili, že je Deep State a snaží se hnutí zhroutit,“ uvedl náš zdroj.

Ale generál Berger, dodal, neustále připomíná svým podřízeným, že to byl prezident Donald J. Trump, kdo se před svým odchodem z Washingtonu v lednu 2021 dovolával zákona o povstání z roku 1807, který umožňoval americké armádě zaměřovat se, zatýkat, zadržovat a popravovat. Deep Staters, jejichž zrádné činy oslabily národ.

"Gen. Berger bojuje za to, aby Bílým kloboukům vrátil jednotu. Situace je momentálně bouřlivá. Stále vyhodnocujeme hloubku volebního podvodu, který se zdá být rozšířený. Potřebujeme soudržnost, abychom jednou provždy porazili Deep State,“ řekl na závěr.

Jakmile Trump oznámí, že je zpět a zkorumpovaní budou postaveni před soud, pak budou mít bílé klobouky opět navrch.

Where is my post? It's been far more than an hour. I posted right here under Juiie's post. If mistaken I'll apologize.

When I post something I got elsewhere that probably was of interest to Michael he takes note of it and neglects to display it, is my guess.

I want everyone to look at what's being said here. I'm pointing out blatant ignorance here in what was actually said, including by the General.

“The divisiveness, he added, has been amplified by Trump's repeated attacks on Governors DeSantis and Youngkin, both seen as potential rivals in the 2024 primaries.” If General Berger is really this stupid, then there never was any hope. Trump has always acted like this it's one of the things that made him popular, and as has been said before, these Governors are Fake Right or deep treasonous DS. To people aware of what the Uniparty did to the Tea party these are the same old tricks. If the military is this moronic...well? Also, as I said before Ron's wife, I believe has worked for 3 heavily DS companies including Blackrock.

Then there's the “Even Newsmax seems to have turned on Trump:” what's next “Fox has turned on Trump?” Both has been fighting for the goons for a while now The 2 brothers running Fox are ardent Commies. Just outlining how ignorant any of these people would

have to be to believe any of this. Where is military intelligence. Why isn't anybody looking into Uniparty tricks, and how they operate, as it's really simple with the slightest check.

And this, "We need cohesiveness to once and for all beat the Deep State" No, we don't need cohesiveness with DS plants. More, "Why can't we all get along?" glaring idiocy. Just asinine!

Add-on:

I wasn't even part of the Tea Party, but it only took me a couple days research to discover how the Uniparty DS Club used their tricks to infiltrate it and destroy it. And, using the the exact same tricks they're using here.

When I was Very Young 12-13 years Old I would Go Out in The Big woods around our farms and enjoy long walks.

No Maps or directions Just Travel. One time It was getting late in the evening and I didn't have any lighting with me.

and was about a mile north from one of our most northern farms.

And I knew there was a large lake surrounded by a Bog. And with Daylight being Short I found the Edge of the Lake and instead of going around it I decided to cut straight through it.

Right in the Middle of this lake that had Tall Marsh Grass that was about twice the Height of my self. I smelled A bear.

It was very close and I had to Think about my Choices.

Go Back from where I walked From Or Step Forward a Few Feet and See it The Bear was close to Me. I walked about three Steps and was clear of this Bear. And continued out across the Marsh Back to our farm.

Today I am 64 Years Old and How Different Is the World around Me Compared to When IT Was Back Then.

Are We Brave enough To Take That Three Steps Forward.

Or Do We Want To Step Go Back While The Sun Is Falling And Be in the Darkness of Night.

“We don’t know what Lindell would’ve given them because he wasn’t allowed to speak. But when we have proof of fraud, we share it with conservative media, and without exception, they refuse to air it, because they’re terrified of the FCC. **There is a direct correlation between the fracture in the White Hat movement and the fracture in the Republican party,**” our source explained.

To The U.S. Army Cyber Command From The Commander Of The Territory of Michigan.

Please Investigate the Elements and all the players In Michigan That Have Failed to Represent Their Constituents.

Elements that prove?

***THE STATE of MICHIGAN Inc.*** is a **Racketeer Influenced and Corrupt Organizations**

## **And Has Waged War Against these People of The United States for America!**

Under the leadership of **Speaker Jason Wentworth**  
A Republican The Speaker of the House.

I live in **Arenac County** and have two farms there one in Sims township  
and the other in Whitney Township.

State Rep. Jason Wentworth was first elected in November 2016 to  
the Michigan House to represent the residents of Clare,  
Gladwin, **Arenac** and part of Osceola County.

And I met him in Arenac County at The Au Gres Library once.  
And His Office Was where I Did all of my correspondences with.  
He Refused to Talk to Me about **My Remonstrance**.

**The Democrats' plot Succeeds**  
**follow the time line and how they kept my remonstrance**  
**from getting in the hands of**  
**True Followers of the Constitution.**

Some are mention in the red highlighted names below

Late in the day on Tuesday, the MI House Republican Caucus, under  
**the leadership of Speaker Jason Wentworth and House**  
**Caucus Chair Matt Hall, has expelled the popular**  
**conservative MI State Representative Matt Maddock.**

Maddock's most serious crime, however, might be his happy  
marriage to the intelligent, outspoken, conservative, and beautiful  
MI GOP Co-chair Meshawn Maddock, **who has never wavered in**  
**her steadfast support for President Trump.**

On Saturday, Michigan establishment Republican lawmakers were  
humiliated when 2,000 GOP delegates voted at the state convention  
to choose Kristina Karamo as their secretary of state candidate  
and Constitutional Attorney Matt DePerno as their candidate to run

in the general election. Both are grassroots candidates, and with a few exceptions, like Rep. Matt Maddock, **they got no support from members of the GOP majority Republican House.**

The majority of House and Senate Republicans in Michigan fought hard to convince delegates to support DePerno's strongest opponent, Tom Leonard, for the AG spot. Leonard is a fellow establishment Republican who ran for AG in 2018 and lost to Dana Nessel, giving Michigan America's most lawless attorney general.

Michigan GOP delegates, who've openly expressed their frustration with Republican leadership in Lansing for refusing to conduct a forensic audit of the 2020 election, rebuffed attempts by establishment Republicans, and overwhelmingly chose the Trump, and Meshawn Maddock endorsed candidates, leaving GOP leadership in Lansing with egg on their faces.

The MI GOP Caucus meets three days a week before they go onto the floor to discuss legislation. Every elected GOP Rep. is a member of the caucus. Being excluded from the caucus means you are alienated from discussing or debating bills with members of your own party before voting, essentially stripping members of the ability to better understand bills they're voting for or against. In the very rare case that a lawmaker is expelled from the caucus, they are expected to simply show up and vote.

Maddock's expulsion from the House Caucus means he can no longer communicate with other members of the MI GOP about upcoming bills or any other issues on a private caucus thread. Maddock's name was also removed from the MI GOP House website. What that means is that spiteful MI lawmakers have made it impossible for Maddock's taxpaying constituents to locate him on the MI GOP House website.

Saw some neat wordplay in your comment: we are now in the “T” party; the MAGA party with Trump at the lead. The Tea Party was foreshadowing? (Doubly so!)

I’m beginning to think this article is more optics/theater. I believe MB reported it exactly as given but it’s my observation that many credible truthers have been given disinformation. What better way to confuse the enemy?

PS – Anyone who wants what is probably the best explanation for all of this out there, go to Rumble and find the video/interview with SGAnon and Delor Cannon. I’ve been at this for almost a decade, it’s in my top 3 and was just recorded last week.

Boss Lady,

I agree that it’s likely disinfo, but not for SGAnon’s or X22’s reasons. They both say it’s to “wake people up,” but close to 80% of the population was unhappy with the Biden fake administration. You cannot get any higher than 80%. In AZ main county only 16.9% actually voted Dem (the others were/are fake). So waking more people up is BS, but I don’t know why the White Hats figure we need a NDE scare... that is what they’re doing, and some Truthers said this was going to happen. Perhaps the majority of the population being just unhappy is not strong enough.

Yet, me, I want the Truth, not BS.

The XR is S and B, CB, Dave is just Cont OP. Please just do internet search and read up on their Logo

Interesting you mention “NDE scare”. Have been exploring an NDE channel on YouTube. This one I saw recently was very interesting, a pilot ended up in “the impossible now between the past and the future,” and made some repairs to his future.

I’m doing similar, since watching it, just not as dramatically visually. Very neat.

Yes, I think we would all benefit from witnessing the NDE experience, whether personally or as described by others.

It is making me a better person. I am making different decisions. It’s quite interesting to watch this old guy change.

<https://www.youtube.com/watch?v=O1wOrYE3398>

Thank you. I saw the below last night: this man sat in a room with others, and watched a screen on which was shown a display where the military was working on the election theft in real time. He had no way to control it, was just watching the mouse move on the screen, and different parts of the screen were highlighted as the action went on.

He saw the theft. As did others in the room; and, the military who had invited them to be witnesses.

So, whether we actually did gather any data in 2020, now doesn’t matter! They have the crooks continuing their theft, meaning, “statute of limitations” hasn’t run out on their earlier crime because the clock resets as they keep committing crimes (i.e., it’s “time from the most recent crime” not “time from when the conspiracy started”).

(Could he be lying? Perhaps. Use discernment with everything, always.)

If you want to know about military intelligence look up Kay Griggs on youtube. I'm wondering just how much "good" guys we have left in the military.

My Companion mother makes 50 bucks an hour on the PC(Personal PC). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal PC) for 9 hours per day.

2 years is no time at all considering the corruption that is within. Go sell your pessimism somewhere else. Only Traitors believe you troll's bullshit. Go sell it somewhere else.

I would be saying HALLELUJAH! Only GOD can get us out of this mess. He has told the prophets that He will defend America and when that happens, the wishy-washy white hats will be back on board again. They should think CLOSELY about going against GOD! I am reminded that FAITH drives out FEAR!

The true Prophets have also said that it all will be in God's timing and only when He alone Get's ALL the Glory...NOT man.

I admit that it sure seems like a long haul and I can get weary and I realize many others are also so I just have to pray more and restore The Joy of The Lord within me..That takes away the weariness, refocuses me and restores my faith..

Elijah Streams on Rumble is a platform for the most popular prophets. Jule Green on Rumble has a podcast weekdays at 7am. Hank Kunnerman, Robin on the Eleventh Hour, Amanda Grace has a program, Ark of Grace, Kent Christmas, Johnny Inlow, Mario Murillo, Timothy Dixon, can be found on YT. Most are on multiple platforms (Rumble, Bitchute,etc) 2/3 of the Bible was written by

Prophets. Prophecy is being fulfilled every day. We walk by faith, not by sight. MSM is 100% deceptive propaganda. God sends his messengers to warn, comfort, and encourage us.

We have all been duped yet again. The hopium overload on this site is ridiculous. No watermarked ballots, no big sting operation, no court decision, no “fraud vitiates everything”, no mass arrests. Only the most free and fair elections of all time.

What you are seeing in the US is what happened in California where only 25% voted this year with 22.5 million ballots mailed out. 80% in 2020.

Do you think they didn't vote or the ballots went missing?

Time for state militia and ordinary citizens to organize a defense and volunteer for service for General Berger or just bypass Berger all together but time for action was 6 to 30 years ago.

WHAT WILL WE SAY:???

( Do You Have Any Last Words To Say To Your Creator. )

Just before you get a rope for Xmas.

This has been a fight against evil for thousands of years, just to give a little perspective. We're doing great, & ready for a Big Revealing.

I was just reminded that it's always darkest before the dawn. Right now I feel we are in a very dark moment with election fraud, but I also believe we had to get to this point because there are STILL some people that need awakening and this should do it. It's blatant! After this, gas and food prices will skyrocket beyond belief and that is when the majority will finally see what's been going on. It's coming I swear! BUT it's time also for MAGA to climb out from under the rocks and be heard finally! We've been silent so far at the behest of the pundits, but it is now time to rise up and take back this country.

The only reason why ANYBODY feels depressed is doing so because their TV sets TOLD THEM TO IN **THEIR LIES ABOUT THE 2022 MIDTERM ELECTIONS! We won 219 Republican wins**

**and ONLY 16 wins for the Democrats!!! WAKE UP WAKE UP WAKE UP!!!**

We accomplished our tsunami! 219 to 16! We should have been dancing in the streets instead of listening to the **DEEP STATE TELL US ABOUT THE ELECTION. THEY LIED AGAIN AND YOU HAVE LISTENED TO THEIR LIES AND BELIEVED THEM AGAIN! QUIT IT!!!! You are crying for nothing!**

Are talking about the Candidates supposed to have been endorsed by Trump? Can you add that qualifier in your comment?

Lol no, she has no clue what she's talking about. That's clearly what Trump meant (which is also a lie btw, he endorsed way more losing candidates than 16) but Rose thinks there are only 235 elections that happen on midterm election day apparently

I believe he's on the Salem News Podcast and Rumble. Also he comes on a 7pm EDT on Sirius XM Radio station 125.

Try the Mark Levin TV YouTube channel for Sunday, November 13, 2022. Listening to it after I finish here. Cheers

Good speech on Fox over the weekend.... how bad the demonrats really are for following the Clinton Obama Biden marxism fascism KM Bull crap

GOOD , thats right were the onus should be , they are DECEIVERS , Righteous Republicans , PATRIOTS , AMERICAN CITIZENS should ABSOLUTELY, direct their angst , vitriol , everything negative at McConnell and McCarthy as well as other establishment controlled Republican TRAITORS, YES they are TRAITORS, THEY ARE CRIMINALS, THEY ARE 100 PERCENT NFG. NO FUCKING GOOD. They should be removed post haste.

Rose. This is absolute nonsense. Dems won hundreds of races in the midterms. Not 16. Do you understand how midterms work? All 435 seats in the House are up for election. Thousand more elections

when you include Senate, governors, state legislatures, etc etc.

No way they won hundreds. They may have stolen that many, but they certainly didn't win. You did see the cheating in 2020, right?

You are right. The House and Senate is ours but until the Gaslighting stops and things start happening with either the Military Martial Law, EBS or even taking Covid Death Shots off of the Market, out of Pharmacies ect just something to show us and give us hope and show they are in Control. I know when we lost New Mexico....again, through blatant Fraud and Ronchettie Conceded not even questioning it....again, I had a Karen moment melt down and that was the last straw for me. 43 year Republican now I will go Independent and the Republicans I won't forget what they allowed to happen to my State, Family and fellow New Mexican's.

I feel your frustration about the Establishment Republican Party. I ditched the Republican Party back in 1980 and have been a nonpartisan independent ever since. Best political decision I have ever made, honestly. Regards

I un-regis-terd from the GOP 5 yrs ago. I do not want to be part of the corrupt slave system. And it has nothing to do with "party all the time party all the time party all the time"

Again.... Screw the parties, two wings of the same bird called a turkey. They are both sides and no choice. Did you ever realize ...you have no choice, this is a head game

They need to TURN OFF the MSM, owned or controlled by five MAJOR dem supporting corporations to push an dem agenda. 95% of the MSM is owned or CONTROLLED by them. Take away their mouthpiece and things will begin to get more manageable!

This guy that calls himself sgt on rumble do a search for "the election that never happen" ... said according to military law there can't be and election with a foreign occupier controlling the country. That

election means absolutely nothing according to military law.

You didn't win anything ... you were allowed to win so you will forget about the fraud that takes place. Are you willing to leave the voting machines in place along with the people that stole the elections? Are you willing to forget about 2020 because you think you can win in 2024 and because you think you win 2022?

SPOT -ON Rose , turn those mind control set off , un plug them if you have to. FOX, NEWSMAX, are just like the other crap, they too are zionist jew , CIA CONTROLLED

Adversity weeds out the weak. It's like a fire that purifies and strengthens the movement. Stay strong and do not waver...

Adversity either makes people STRONGER or culls out the goats. We have to NOW declare what side we are on! Do we want to be on the side of God or Satan. The parties' agendas are CLEAR!

The democrats ran constant ads on TV about an Amendment, never saw anything refuting their ads from the Republican side. But the "evening before" the election we received a land line phone call telling us to vote NO, from one of our Republican officials. Republicans need to get their fight on if they want to win anything.

November 13 edition of Mark Levin on YT explains where that money to run ads comes from, and who makes the decisions on where it is spent. McTurtle is the issue. I suspect his CCP handlers courtesy of his Chinese wife factor into his decision making process.

DeSatanis 100% DS as seen by his money handlers. His wife has worked for Blackrock and you can't get any more DS of a company than they are.

MB, you've stepped over a red line with this nonsense, as no one paying any attention would fall for the Fake Right DS governors. . I doubt everything your sources say now, and I don't care if it's promoted by DS or White Hats. Enough is enough.

One obvious point is that Newsmax has always been 100% DS run also, and everyone paying any attention knows that. Presenting them as on the Right is so Fake it's absurd.

Stop with the lying crap! I'm disappointed in you and this whole sh\*t show.

I heard on alternative online news that the realization that a sizeable portion of America will never wake up to reality, has been admitted, and those who remain asleep will have to be left behind.

Only about 17% of the votes were actual D votes in this last election the rest were Fake votes.

An honest poll suggested 79% of the population were at least upset with the way the Biden administration was handling things.

Called collateral damage in war....and we are in a war....time to move on and win this war GENERAL BERGER....CALLING OUT FROM THE BACK OF THE ROOM.....CAN YOU HEAR THE AMERICAN PEOPLE NOW BERGER?

Sad, but probably true..... At some point, maybe NOW, the Patriots are going to have to act without them.....

I no longer care if those idiots are still asleep, if the high gas, high food prices, high crime won't wake them up then they are a lost caused. Time to start arresting these traitors, all of them. Forget these losers too much time has been wasted, as for Durman he drag his feet, 3 years of investigation to come to nothing!

Enough is enough our country may not have two more years with this Trojan Horse Joe and his bad, failed policies.

The election fraud was blatant back in 2020 ... did the people wake up then? And tell us what if the people who are asleep don't regain consciousness after this? We just let this BS continue until they do? Really?

The wh are out of time ... they either put up or STFU. No more carrot on a stick. If they continue to do nothing they are in clear violation of the Constitution.

I hope that's not what he's announcing because most people already have figured that he's going to run, I hope that he is announcing that they rigged the election once again as Phil Godlewski said that he and others watched it on their computers explaining how it was done in the link below

<https://rumble.com/v1tsbx8-phil-godlewski-military-is-the-only-way.html>

Yes. Why doesn't Pres Trump put all the fraud information on his own site for everyone to view?

But they sure dont know how to cheat without being caught! Its time to move, Im tired of "we need people to wake up"! If they arent by now, tough shit. They are comatose. Pour out ALL the truth. That will wake them!

Too many boosters makes one brainwashed eternally. MK Ultra anyone? Guess what...It works swimmingly with those that have been jabbed repeatedly....now for the others.

I agree ... all they would have to do is shut down the corporate media turn on the EBS and present the evidence to the people, that will wake up most. But the military won't do it because it would work.

What does the deep state knowing how to read have to do with putting up the fraud info?

Guest ask a very good question.

When law enforcement is trying to catch criminals, they don't put on their site WHO they expect did something—they will want to follow up with everyone they are connected to. Don't quit your day job to be a crime fighter!

Law enforcement is not suppose to wait for public approval before going after someone that has committed a crime.

I don't follow him,I have a friend that does,but I watched the video and everything he said coincides with what's going on as he talked about treason and executions

Hi Stacy, did you know that Phil Godlewski pled guilty to repeatedly having sex with a 15-year-old from a high school baseball team he was coaching in 2010? I was under the impression that you guys don't really like pedophiles and groomers

“In 2010, Godlewski was indicted for statutory sexual assault, aggravated indecent assault, and a host of other crimes after allegedly carrying on a sexual relationship with a 15-year-old girl while he was 28 and working as a high-school baseball coach.

Godlewski ultimately avoided the most serious charges over the alleged relationship by pleading guilty to a misdemeanor charge for corruption of a minor.”

NoI didn't,I will check it out,perv better not be lying about the elections,Thanks Lloyd

I had heard he was dirty and had been involved in a sex-with-a-minor case but I did not know the details. I just didn't like him on a visceral level.

If people like this guy Phil can see something like that then why isn't the military able to see it? Why the investigation of the obvious? Stalling for time?

Considering past Trump announcements I figure tomorrows big announcement will be another nothing burger ... remember the 7 day countdown back in Sept.?

If tomorrow is a big nothing burger I'm throwing in the onion rings, and I'm not talking about him running in 2024 because we all know he's going to run, him announcing that he is running in 2024 will have me thinking that he's involved because he has said that we won't have a country in 2024 many times...I want to hear that all of the deep staters have been executed or that he is still president....those are announcements

DT is a FM and part of CB. Please just look into him. I been into this junk for about 40 years and he had me conned for a year. I quit all a year ago and just read comments like these keep thinking there may be some real WH that don't work with DT.

If Trump's important message is that he's going to run in 2024 then he's just pacifying us. The patriotic spirit and trust will hit rock bottom. Wasn't the military monitoring all states in this election. If even the most minor evidence of fraud occurred they should have shut the election down immediately and sounded the EBS!

Last edited 8 hours ago by Jennifer

No idea what he is going to say but I can tell you he is CB, please just look into him lots of videos that can SHOW you. This alone should prove it DT uses FM gestures a lot, hmmm isn't that just weird

I pray for the God-Given Right To Live With Peace & Freedom for all Americans, that you are right, Mr. Williams.

I listened to an interview on beforeitsnew.com with SG Anon and Obama and Michael Robinson is going to be done as a televised Tribunal... Please check it out, there was some other very nice nuggets in it..

They have already been defeated and sent home to Hell. Obama today is a plant. The real Hussein is DOA.

We might NOT be able to do it alone, but God can do the impossible and He has told the prophets that He will! With God on our side, it wouldn't matter if there were only ONE White Hat against them all. Unfortunately for some, God will be taking notes about who was NOT standing on His side.

HAHAHAHA. Thanks for the good laugh. Being gullible is a disease... you and so many other lost souls will follow this crap to the grave. Glad I woke up from the qtard mess a while back and realized it was all a ruse. There still time to save your sanity but if you continue down the real raw (hopium) news track you will be lead off a cliff.

I disagree. If Trump announces he's standing in 2024 that's the worst thing he can do. It will mean that he conceded he lost in 2020. He should never concede. Btw he wouldn't win anyway, it will just be another fraudulent Election.

And if Trump doesn't make the announcement you expect what then? What happened to "we have it all" and "the patriots are in control"? Does this report give an indication that they are in control? I willing to bet the big Trump announcement tomorrow is going to be another nothing burger.

Instead of activating the EBS and hopping on the election fraud with arrest they are ONCE AGAIN are making excuses why they don't take action. Which means they are in violation of the Constitution.

People we are being PLAYED ... surely you can see that!

Oh hum bug. Just start shooting them. Pick away at the pile and it will soon be gone.

Then that needs to be exposed. The white hats have control of the Emergency Broadcast System. They need to take advantage of that. White hats need to publicize the mass arrests and the crimes of the guilty. Unless and until that happens, the American public will go on believing whatever the mainstream media tells them.

The dead would be replaced with clones who are prepared to hit the ground running without missing a beat.

Little babies cannot take the wind and need papas to shade them from harm...

Sorry this is not how I was told The Military was  
Maybe someone just make his place after all...

Newsmax never was conservative they were the one who gave 1 million to Clinton foundation & just that alone speak for itself

Lindell speak a lot but never got to any fixing of 2020, so is Flynn and Byrne who was telling everyone that Arizona would be the 1st domino to fall... and was just another NOTHING burgher...

None of them ever worked to remove & ban voting machines while Trump always targetted the machines...

Nonetheless, I prefer to have them all exposed so we can get rid of them all

I do NOT want in The Military people with NO SPINE who turn with the wind direction.

Thanks To Gen. H. Berger to stand firm !

I Stand with Trump since day one and until the end.

I don't think I will be disappointed... but I can't say for those who don't.

I can't stand with wind turning people who just think about themselves and cannot see the bigger pictures or do their own research to find out... if they would have they would know who Trump is and who DeSantis is

Your choices are yours to make

I hope you will choose wisely

It will not have a 2nd chance on that

I believed that Pres. Donald Trump and Ron DeSantis would be a great team in 2024.

After the incident of thieving bastard FEMA intel, broke into evacuated homes to loot them!

DeSantis DID NOTHING, FOR FLORIDA, except bargained Florida Hurricane Ian Victims, for

” Joe Biden’s Donation \$\$\$\$\$\$\$\$\$. ”

I believe that DeSantis Is A Deep State Informant.

\* It’s a bit concerning for me, of WHY? Ron DeSantis was ” visiting GITMO 3 months ago.

I don’t think we will see DeSantis & Trump on the same side...

DeSantis is linked with too much lefties crap and even helping them to go away with it.

His wife Casey, I suspect struck a deal with her “cancer” story who did not even last 1 week...

I’m to believe she is the informant you are talking about and I’m not so sure DeSantis has not been replaced with a clone/double since Surfside when he called MOSSAD to come to the rescue while doing NOTHING such for IAN but letting FEMA make their law on the land

It,s difficult to try to figure out who is who and who is a character and which side he is playing.

Some are complaing about hearing about a “movie”... complaint as much as you want but this is INFORMATION WAR using PsyOPs which is totally legal when INSURRECTION do happen like November 03rd 2020 which Trump made it official with the signing of Act of 1807

We People are just pawn trying to figure out a much larger operation we do not control or understand.

Knowing Trump life of work, I prefer to let him do the way he wants... if he does it it is in the best interest of everyone

If you would be in his shoes you too you would have to make a decision among 2 bad because there is NO good one and it will have consequences anyway and of course your opponents (or the fake Patriots) will use it against you to throw you away.

This is war and in all war it has consequences.

Movie???

Reality-Movie would be more appropriate as consequences are real

DeSantis need to be fully exposed so those who called out Trump will look funny & irrelevant and linked with a POS

Think Durham... a huge NOTHING Burger who went nowhere after 6 years in hiding... People needed to see by themselves he was a nothing Burger

Have it all???

Yes, But Trump has it all

Why do you think they try so hard to get him out???

Oh! maybe because he is one on them like some say to try to be relevant...

Trump did not leave a success business to come to be deamed as man in a political circus

He came to take down the house of Card of The Deep state CABAL.

He put front & center the men & women he want you to find out about them... he won't tell you, he can't, he is The President

You must read between the lines

Draw your own conclusion

Great Beacue I don't care what you think

Lick Biden diaper commie !!

GFY !!

I stand with Trump because GOD stands with Trump. Fear not appears in the Bible 365 times, enough to remember it once a day. FAITH drives out FEAR! Decide which SIDE you are on.

The ALL they have is enough to convict EVERYONE of the Deep State criminals and traitors. They also have \$34.7 quadrillion in gold, artifacts and cash that belonged to the cabal and the WEF.

yea, the Qtards are still trusting the plan. Part of the trusted plan is to erase the sw border such that we can deluge america with 3rd world brown skinned shit-birds.

You will see who the Qtards are. God has a GOOD memory of who supported HIS agenda.

Trump is lying to you Rose. By your logic there were only 235 races in the midterms. This is complete nonsense. Dems won hundreds or races and they held Senate control.

EVERYONE in the Congress isn't up for election at the same time. Read your civics books! Also those elections would not be counting the governors, who appoint open seats that I expect will be occurring in the Congress shortly as the traitors are arrested.

Every House seat is up for reelection every two years. Senate terms are 6 years. Read YOUR civics books, lol. There are 435 House seats so that alone is way way over Rose's belief that there are only 235 races in the midterms. Far more when you include Senate, governors, secretaries of state, etc etc

The Patriots are in control. They have every video & audio of everything done or said. This is not some pansy ass planning. The plan was begun after JFK was shot in Dallas. It has been in place, studied and tweaked many times before the public became aware.

Only weak minded people will believe your and other trolls bullshit. This is a war of information as well as misinformation. Your ass is blowing in the wind.

I am beginning to think the ONLY Patriots are We The People....everyone else is just capitalizing on the propaganda just like the DS media. Time the whole country rise up and take this war in our hands....there IS NO FOOD OR GAS SHORTAGE IT IS ALL A CONTROLLED ILLUSION. At the expense of US.

Well yeah Michael Baxter is scamming the hell out of you guys with this bullshit

'White Hat' credibility is on the line. The 2020 election fraud should have been resolved before now. The testimony in an Italian court alone should have been enough. So we have been teased with 'Gitmo' trials that look more and more unlikely, when you see presumed executed people in public like Alec Baldwin. No one could wear a mask or have a robot perform with voice and mannerisms equal to his disgusting style. Please prove me wrong. Give us a tour of the 'empty' White House for starters. That would win my support.

Enjoy the show, remember what the WH's said? yea man, remember euro trash simon parkes and charlie ward kept saying we should kick back and enjoy the show!

Eww, I really detest those two men and I think the time for enjoying the show is over. Think about what those guys say? They're never never correct.

Now we are being double and triple teamed by Trolls. Soros money, hell it is probably our own tax money, goes far and wide. I abhor traitors and so does Almighty God. You don't have to believe in Him to suffer His displeasure. You Soros-pawns are not going to like hellfire for eternity. That is your fate unless you come to the Lord. Choose wisely.

The SHOW would have been over a LONG TIME ago if folks had been repenting. That is why God told the prophets HE hasn't cleared things up yet. I personally think that God will just have to take some stubborn folks OUT like He did with the flood and Sodom and Gomorrah. God has already told the prophets that the Courts won't fix this and the Congress won't fix this, but it WILL be fixed and when it is everyone will know that only God could have done this!

The show is right on target. We beat the Democrats 219 wins to their measly 16. We whipped them bad and their tv cheerleaders are lying, hoping to convince us of it. You are not fooling this person. 219 to 16 is a definite routing.

OH OH..someones going to get labeled a "troll and "shill" from RRN's faithful followers and believers

Just look at the video's of the outside of the white house. Biden's are "missing" key architectural pieces on the front. Deep fakes can be done instead of masks and they look and sound "amazingly real". I do agree that it seems that no one has the B\*\*\*S to do anything in our Military even though evidence stares you in the face. (More ballots than the population of many counties). Also,... (EXACT same number of votes and vote ratio's) in many counties also. Complete DUPLICATES of each other. Everyone really knows that there is only 1 way out of this mess.

Two very important things recently happened: 1) Evelyn Rothschild was put to death. (A VERY BIG DEAL); 2) The Democrat money laundering operation in Ukraine vis a vis FTX was exposed and lots of people have lost tons of money. They're going to be very, very angry when they find out they're broke. Not enough attention is being given to these things in the MSM. BTW, Evelyn R's death is being reported as "natural". It wasn't. The Rockefellers in the U.S. need to be next. The media needs to be taken over. No one can win a war if the media is working against them.

well said re Rothschild and FTX Ukraine money laundering.  
However, regarding winning the war ... yes media need checking ...  
but the key thing is, even with everything apparently against you, and  
the msm lying their asses off, nothing can prevail if God is with you.

Your credibility is NIL. You try to make the weak believe your  
misinformation. Take your lies and go to Hell, spawn of Satan.

Yes, it should have been resolved! Had the Italian been the ONLY  
ONE who did the fraud, it would have been. Unfortunately, there  
were multiple facets and much Deep State dirt. America's enemies  
are foreign AND domestic, and citizens are paying the paychecks of  
SOME of these traitors with tax dollars.

The movie industry has used doubles and CGI  
for the longest time.

They don't talk about it much.

They don't want to spoil the magic of movies.

Not surprising there's turmoil when they're letting the Republic be  
destroyed and its citizens grievously injured and killed.

ye of little faith!

don't you know illegal aliens raping 9year old girls in border towns is  
part of the Q plan? Just trust the plan man! Kick back and enjoy the  
show!

lolololololol. The Black Hats are the ones leaving the borders wide  
open. They are the ones that want to create chaos. Evil thrives on  
chaos, evil rapes and kills. Evil pays people to spread misinformation  
to cause doubters to doubt. Evil is ever present and always working  
to point to others and blame them for their evils doings. You Julie  
are evil and just one of Legions.

just more nonsense in the endless Red vs Blue saga of Black Sun and Order of the Dragon. They ALL need to go. The fake white hats along with them.

one day you will realize its all on big con and there are no white hats.

why would they? the us military has been controlled by the satanists for 100 years.

Jan, do you not know that your thoughts are being swayed by these Evil ones?

If I am not mistaken, long ago Jim Stone ( voterig dawt komm ) called Newsmax 'Newsvox' because they were 'pro jab' during the Plandemic. Who knows, perhaps long ago the paymasters were able to infiltrate the truther movement and independent news media outlets to 'flip' them into 'sleeper agents' to be activated at the appropriate time. Mr. Lindell being silenced on the Newsmax show is proof of that which leads to their fear of the FCC which doesn't exist anymore since 'USA, INC.' is officially kaput per RRN and various other online truther sources. I sincerely hope General Berger gets the help he needs stay in the fight to help liberate the USA from the paymasters.

the people had a chance to do something about it on jan 6th and the deep state leader drump told them to remain peaceful. no bloodshed.

Bro none of this is true. There is no secret faction of the military. You're reading bullshit some loser made up to scam gullible people out of money.

General Patton would be really disappointed. There are 100 million patriots just in the US alone that support President Trump, not to mention the other millions and millions worldwide. We are pissed off at what happened with the elections. We trusted you when you told

us “we got this” . The military needs to get it together and put this to an end right now before it’s taken to the streets by WE THE PEOPLE. THE TIME IS NOW!

Does pretending to be some kind of brave freedom fighter on the internet give your life meaning?

Are you and idiot? Why attack her? She’s right. Right is might. Right will prevail. And people that know the truth must stand in it and not waiver.

I’m fucking in! Tell patriots when and where?!! Where are the retired military? You swore an oath.. period! All we need is to be organized. Would be most well-armed and largest army in the history of the world. Shit... tell us what to do if the military has no spine to do it! I know... your pension, something you should disregard as you won’t need it in a destroyed America!

I do not believe Patton would be disappointed. I believe Trump has still got it right, and that, to those who can see, the spirit of Patton shines bright and clear through Trump. Things had to come to this point. Q said “Military is the only way” for a reason. Q also said disinformation is necessary. Think carefully about that.

At this point, it doesn’t matter if the whole military hates Trump. Their job is to uphold the Constitution and stop and prosecute treason.

By the way this is from a whistleblower who got the green light to say that.

It may just to poke us about how we will react  
How are we standing with President Trump  
Who are the infiltrator fake Patriot who are in fact commies

Nothing happens for nothing

Last edited 15 hours ago by WindGhost

No more damn games! My kids play those! We are adults... let us decide once you share the truth with us.... Assuming it exists! There are millions that will not wait much longer, myself included! Enough of the optics, movie, or even if it is real shit! Let's go!

an by the way you did played the Deep State games for ALL your freaking life...

Let's not forget about that

My gun safe begs to differ! That is the problem with Americans.. we "pay" people to do things for us! We need to help ourselves! Get off our lazy, stupid, self-absorbed, fast food eating, social media loving, crying closet/safe space needing asses and take charge! Google or Uber or Facebook or Twitter or instagram or tok tok or utube will not fix this for us! WE HAVE TOO! Can we find one retired military to start?! Probably not!

Now maybe you do understand why Trump wanted to wait until after the mid-term

He knew it would have a cheat again

Now he wants to know who stand with him & against him

Let's the commies expose themselves and take side with DeCommie... I means DeSantis...

The White Hats have to do something of real substance in front of everyone RIGHT NOW! If those in the know in your own ranks are defecting, how can you expect the rest of us to hold on to hope?

If there is bloodshed, so be it. If you are waiting for the masses to get it, it'll never happen. I know it's been an intricate plan, but somewhere in the plan must be something SUBSTANTIAL that can be done NOW!

This is unadulterated horseshit. The government of the US is totally and irrevocably corrupt. These stories about military being some savior of the American people is equally corrupt. As other have said,

the military takes an oath upon joining to defend the constitution against all enemies foreign and domestic. They don't take an oath to a President, Congress or a political party. With what's happening to this country the fact they do nothing as they are required to do to save the Constitution shows they are as corrupt as the rest of the Government. At this point the only way out is for people to rise up and rid this country of the criminals like they did in France in the French Revolution when things were so bad there was no other option but we are not holding our breath waiting for it to happen.

Yes.. anyone if say colonel or the equivalent in any other branch of the military is a POLITICAL APPOINTEE.. period! They answer to their congressional masters! Wake up fools!

Clowns like you want to start another Civil War.

Exactly what we do NOT need.

A lack of intelligence,  
combined with an armed mob,  
is a formula for DISASTER.

““Defeatism is in the air. There are those among us who feel the Deep State is unbeatable, that we're engaged in an unwinnable war, that we don't have the manpower to affect change, so they're jumping ship and swimming to what they think will be the winning team. This is opposite of what we saw two years ago, after the 2020 steal, when officers and NCOs up and down the board were calling Gen. Berger and saying 'get me in this fight.' It's problematic,” a source in Gen. Berger's office told Real Raw News.”

““We don't know what Lindell would've given them because he wasn't allowed to speak. But when we have proof of fraud, we share it with conservative media, and without exception, they refuse to air it, because they're terrified of the FCC. There is a direct correlation between the fracture in the White Hat movement and the fracture in the Republican party,” our source explained.”

There is division and hatred and defeatism all around. BUT I WILL NOT BOW TO THE DEEP STATE JUST BECAUSE CONSERVATIVES ARE TERRIFIED OF THEIR DEEP STATE BOSSES PAYING THEIR BILLS. None of us should ever bow to the enemy and say. “here we give up, have at us, kill us all,” like they are calling on people to kill themselves in Canada. And eventually those who refused will be forcibly suicided or killed for the NWO brought to you by Lucifer & Hell co.

WE WILL NEVER EVER EVER GIVE UP.

Thanks for the report, Mike, we all have some serious war waging in high places to do.

For the kingdom of God is not in word, but in power.

“In 2010, Godlewski was indicted for statutory sexual assault, aggravated indecent assault, and a host of other crimes after allegedly carrying on a sexual relationship with a 15-year-old girl while he was 28 and working as a high-school baseball coach.

Godlewski ultimately avoided the most serious charges over the alleged relationship by pleading guilty to a misdemeanor charge for corruption of a minor.”

[thedailybeast.com/qanon-conspiracy-theorist-admitted-to-corrupting-minor](http://thedailybeast.com/qanon-conspiracy-theorist-admitted-to-corrupting-minor)

Defeatism is in the air for losers.

Patriots do not listen to trash and propaganda.

Patriots do not listen to the weak and fearful.

Trump did not invoke the insurrection act. Also, if Berger lead the white hats, the idiot and thief, could and would sack Berger in a New York minute.

I remember believing the articles here at first, but nothing happened as predicted. Stories were even removed, if you have been following this site since the beginning.

Chris, please elaborate on the evidence you have that the Insurrection Act was enacted by Trump. And as far as stories being removed, you would know if you paid attention but more specifically the ones I recall are when he stated trump would be back on July 4th of 2021 and that he would be back in March of 2020 just to name 2.

I'm hoping this is false news they are giving you Michael. Going with the deep state so they could be on winning side is not someone you'd want on your side anyway.

Sounds like a false flag! Unless everyone has given up..... this is disinformation designed to confuse and perhaps reveal loyalties.....which may be what is needed to route out the infiltrators..... WWG1WGA

The military under Trump also began targeting individuals in bars who were outspoken against the government and the Covid sham. People refusing to mask and speaking out about not getting vaccinated were made fools of and "leaned on" myself included. It all makes sense now in hindsight but at the time was very confusing to comprehend.

The Q folks are rolling over backwards with this RRN piece. "IF"...the biggest little word in the dictionary.....but, let's use it...if, the "military" was in control....this would have been solved 2 yrs ago..... any good theories out there as to "why" "they" would stay silently on the sidelines as all the unconstitutional acts are piling up ??????

They have been infiltrated by Khazarian agents. Trump may not even be Trump. RRN even wrote an article on one double agent that they arrested. Surely, they realize that there is more than one. Get, 'Trump's,' DNA and compare it to previously gathered samples. Then they would know. Clarity of purpose, and will to act, ARE being

eroded. We must, ALL of us, if we really do care, become active at our local grassroots level, to get rid of the machines that count our votes with weighted percentages, and pass laws giving authority to randomly selected, and then trained, armed citizen oversight of the counting of the votes, and video records of chain-of-custody archived and viewable online by any American. WE, have to get involved. WE, have to pass the law, effecting this change. WE, have to do it. Sitting on our asses and armchair quarterbacking, just makes us the do nothing bitches. It's going to be HARD, no doubt, but is there something else you're (us collectively) doing that is more important? All the best to you!

This is not helping Mr Baxter! The truth I suspect is that what Epstein revealed was much worse than imagined and has delayed! But consider that certainly Hollywood is empty , Washington is empty , the noose is working and here in UK the royals are mostly gone and others are obviously doubles! QFS is we are told trading and Brics countries are certainly moving together ... things are happening ... not sure I believe a word of this ! Other sources indicate a closed door of information at present ! If military doesn't do the job , militia will and underground !

The appearance of power is just as important and effective as actual power. If all their tentacles are still moving then it is assumed that the Octopus is not dead yet even though it has been stabbed in its three hearts and bleeding out slowly.

lmao.... maybe the vax pimp drump wasnt the right man for the job. Next time pick a non cuck coward who isnt afraid of the satanic media and the satanists themselves.

Bolsanaro in brazil is pulling a 2020 trump. He's letting the communist be president in a sting op so that the worldwide WH's can scoop up the BH's! It's going on all over the world! We're saved!

Just trust the Qfuck's plan man!

We want Trump! Period. ALL the Anons are talking about it. They say Desantis can be President at a later date but we NEED Trump now. And Newsmax has been a turncoat for a while now. None of us watch them and have not for a LONG time. They turned on Trump when he was still visibly President. I am completely discouraged from the cheating. Michigan cheated again and because they were smoother at it, no one thinks they cheated. Gateway Pundit realizes it though and have several articles on just the Michigan cheat.

Looks like RRN and its faithful followers has its out when none of this stuff that supposedly happened or going to happen, doesn't pan out.

Um, maybe people have lost faith because nothing has happened. Literally nothing. No arrests, Durham, tunnel children, safeguarded elections, EBS, boom days, boom weeks, trials, executions, etc etc etc.

Now, for those that will say 'they've all happened, we just haven't seen it yet!', Why haven't we seen anything? Does it make more sense that nothing has happened, or hundreds of people have been arrested and executed, and been replaced by clones? That no children were pulled from tunnels, or 350 million Americans (all with phones and cameras), were unable to snap a single picture?

And what kind of genius makes a 'plan' to let your opponents win for years and years? That would be like a boxer not throwing a punch for 11 1/2 rounds, hoping to land one knockout punch with 10 seconds left, and be pissed when people don't bet on him to win. Either all of this crap is completely fake, or the plan has failed because it's the dumbest plan in the history of the world. There is literally no other option.

Regardless, I'll keep reading here because it's entertaining. But as far as there being a great plan to save humanity? I'm out

There is no media coverage that will tell you what is truthfully going on. They are FAKE. Isn't that why you seek out sites like this one for the real information? If this site wasn't giving us insight into what is going on that the media won't tell us, then tell me why Michael Baxter hasn't been arrested by the military generals whom he has given us great detail about.

You really seem to have no idea of the scale of what we are fighting, nor of the hidden help we've been getting. You need to study Truth 101 a lot more carefully and respectfully. That is where God works.

No matter how high up in the ranks, human beings are subject to losing faith. It's the only thing that will save us. Not man, not elections, but God and having faith that He will right the wrong that has been done to His nation. We are soldiers of Christ... or we are not. Choosing seems to be very difficult for some...especially the powerful.

It seems obvious now that only an Exodus II worldwide will take out the deep state heads. That is what is prophesied by Julie Green and others.

The death angels will take care of the problem. Many of them are of nephilim DNA, they say there are too many humans.

God will do to them what he did to their ancestors at the Flood.

Julie Green has given the people a lot of hopium about God's people winning on all fronts. The red wave was inflated with hot air and deflated at the election. WH/GOP is so powerless that even a dead candidate won a seat! Nobody should believe her anymore.

One thing for sure would end the deep state would be a public execution of John Brennan or Hussein to THE world. It seems like even Berger is compromised too.

Dear Mr. Baxter: I'd like to encourage you to draw a comic strip. I think you might be happier. Seriously, after you and the boys get done half-assing us into our ascension into higher consciousness,

how's about you and me sitting down to write your story up? PS: In the meantime, there's all kinds of story ideas on those old Three Stooges movies. Your friend and fellow traveler, WrongWayCorrigan. BTW, Episode 30 publishes by the end of the afternoon.

General Burger is right, President Trump invoked the insurrection act of 1807. President Trump had everything why would he put himself and his Family thru this? Love of God, Country and Family.

DeSantis allowed Fema to come into Florida and shoot citizens on their rooftops who were trying to escape the water. Seven people were killed by Fema that we know of. Others had their homes looted and all the guns were taken. He sounds like Hitler to me and if people vote for him woe to them. He is a snake in the grass. When he disallowed alot of covid restrictions it was just to set himself up as a good guy. Can't anyone play life straight anymore??? Strap them on Trump.

Those who are defecting have been successfully divided by the Deep State and are showing their true colors now, as are many others. It's all a show.

Revelation 13:4

And they worshiped the dragon which gave power unto the beast, and they worshiped the beast, saying, "Who is like unto the beast? Who is able to make war with him?"

Where is this biblical you have been talking about. I haven't seen any thing biblical. If you've seen something biblical, reply here.

"they're jumping ship and swimming to what they think will be the winning team"

Yep, that's the easy thing to do. Trouble is, what I see happening outside of the US and the UK, is there is a growing movement away from the US and UK (banking system) because more and more leaders see what is coming. With so many pundits calling for a collapse of the European banking system, these leaders have to be VERY worried about what will unfold next year. There is also a growing recognition in the UK as to who is responsible for all these problems, and it increasingly looks like the people will be the ones to deal with it.

This defection nonsense can be summed up in one word: Fetterman.

The idea that we can have not one, but two apparent vegetables now occupying political office should end all debate. Looking forward to the end of this charade.

Well, the so called white hats did nothing after 2020 election was stolen. Only God can help America now.

I sincerely believe this was The Sting, Part 2, for the benefit of our dear Normies who are a little slow on the uptake. Even a dog will stop pooping in the house if you rub their nose in it a couple times.

Further proof is [President] Trump's strange optimism in spite of everything....especially that delightful smirk. Ya gotta love it! He knows something we don't. Everything is going to plan.

Therefore, I think His Big Announcement will be that

**WE GOT EM, FOLKS.**

**WE GOT EVERYTHING!!**

Trump can never be the one to announce the election fraud, pedophiles, satanic Hollywood, and Deep State evilness. Civilian Democrats and some Republicans hate him and already think he is a control freak. This must come from the military, who most people would believe over Trump. The military must also include in their

announcement the sheer psychopathic actions of Hillary, Bushes, Obamas, Podesta, Comey, Gates, etc, as well as how Trump fought child and human trafficking and the NWO agenda.

Well, being first is not a good place right now. We are in a land of confusion. Albeit maybe it is being done purposefully. Just as everything we see, what we are taught/indoctrinated into for millenia... is fake. That story can go either way. I believe not to believe everything or anything. If the time line of our earth is off by 1000-1250 year as discovered by russian mathematician Anatoly Fomenko, there is the possibility of the dark ages were the golden age and the short period of time that satan is loosed is happening right now. We really dont know, we have been indoctrinated with lies and told they are the truth. The dark ages being the 1000 yr reign of Christ on earth, covered up by the parasites running the show. Most if not all of our indoctrinated li(V)es we have lived are lies. The possibility still remains as this... is this all a big lie or what? Quantum computer generated psyop to overcome the masses. So far of what I listened to on this audio I can relate to is striking my curiosity level take a listen [Play recording: The Moonchild, The Election, and the Coming Beast System \(twitter.com\)](#)

Those who think DeSantis is the future of the Republican Party should see who are the people propping him up to be their candidate for the 2024 presidential election. I thought these military high ranking personnel are intelligent and have critical thinking skills and common sense. Now we know who are the real patriots in the MAGA movement.

DeSantis they can control but not President Trump.

The two Mc's are traitors to the American people. I can understand the Democrat but the Republicans are truly wimps!

The DS will let DeSantis win as he is their Trojan horse. Of course, people will point to his achievements.

Excuses, excuses once again for the military not fixing this election, just like in 2020..and the borders. Military only helps and protects other countries, not America...they stand down and do pretty much nothing-worthless...losing respect for the US military. Who the hell would want to join this military that does not protect America. Those white hats that are turning against Trump are saying that's it's OK to cheat and steal elections. No sense in ever voting again..

Can't blame them can you. We're all at the end of our waiting and wishing and hoping. Whoever Trump is listening to is leading us to destruction. Gen. Flynn? His daughter? He's sure not listening to us. I know that he's happy not being harassed by the communist news networks but is that any reason to leave us behind? OH COME ON! I don't even want to hear about politics any more!

After winning the war, Mao asked people for suggestions for improvements. Then came the cultural revolution and the people who made suggestions (still not indoctrinated enough) were killed.

Vůbec nechápu, jak Trump vyřeší problém krádeže voleb bez podpory armády, která musí zachovávat ústavu a zákony, když bílé klobouky řekly, že budou studovat volby a v několika státech tam byly problémy, jsou videa a nedošlo k žádnému zatčení nebo chtěli, aby ho Trump šel zatknout, neobviňujte Trumpa z neštěstí, které máme
