Zatímco většina Američanů seděla večer 8. listopadu přilepená k televizorům a elektronickým zařízením, v ústředí Federálního rezervního systému ve Washingtonu DC se odehrála zuřivá přestřelka mezi americkými mariňáky oddanými obnovení pořádku v

Republice a federálními agenty loajálními zločinnému Bidenovu režimu, s mariňáky, kteří utrpěli zdrcující porážku, mohou nyní Real Raw News informovat.

Přestože RRN nemá radost z upozorňování na ztráty White Hat, máme povinnost je hlásit, stejně jako děláme jejich triumfy.

Ráno 8. listopadu generál David H. Berger zapálil zelenou operaci k převzetí kontroly nad Federální rezervní bankou poté, co se dozvěděl, že zločinecký Bidenův režim posiluje bezpečnost budovy 10' vysokou obvodovou zdí, aby zabránil vnějšímu světu. od zjištění, že zločinci uvnitř razili miliardy a miliardy dolarů – nekrytou měnu nekrytou zlatem –, které se měly dostat do rukou ukrajinského prezidenta Volodymyra Zelenského.

Zdroje z kanceláře generála Bergera řekly RRN, že generál mluvil jak s prezidentem Trumpem, tak s Trumpovými poradci, než se odhodlal k náletu. Dodal, že shoda panovala v tom, že Fed bude tmavý a většinou prázdný, protože je den voleb, přičemž šestipatrovou ocelovou trámovou konstrukci bude střežit pouze malý kontingent pokladních agentů.

Generál Berger, dodaly zdroje, ručně vybral dvě čtyři Marine Scout-Sniper složené z 24 mužů, aby splnily misi, jejíž cíle zahrnovaly sledování budovy, eliminaci nebo potlačení opozice a zničení ryteckých a tiskařských strojů. Mariňáci dorazili k Fedu asi v 1:00 a využili mezeru ve zdi, která byla stále ve výstavbě. Zatímco odstřelovači zajišťovali dohled, ostatní mariňáci se pokradmu přiblížili k předním dveřím – pak se rozpoutalo peklo.

Dveře se rozlétly a agenti pokladny vybavení NVG a vyzbrojení automatickými puškami vypustili na mariňáky falangu kulek, zasáhli a zabili čtyři mariňáky, když se pokusili vyrazit dveřmi. Odstřelovači námořní pěchoty palbu opětovali a sestřelili tři agenty státní pokladny, zatímco mariňáci na nádvoří se vrhli do úkrytu a stříleli do dveří ze svých vlastních pušek M27. Tři další mariňáci byli sraženi,

když se přesunuli ke dveřím, a pak se v oknech horního patra objevili odstřelovači IRS, kteří stříleli v hlavním směru odstřelovacích jednotek námořní pěchoty. Jeden odstřelovač IRS střelil do hlavy a byl poražen, ale mariňáci si rychle uvědomili, že jsou přemoženi a přemoženi, když exteriér osvětlily reflektory a ozval se hlas: „Vstoupili jste do pasti a jste kryti z vyvýšené pozice. Odhodte zbraně a vzdejte se.

The Marines began a tactical retreat, laying down suppressive fire as they withdrew two-by-two through the gap in the wall from whence they came. The Marine snipers plunked at the windows and doorway while the men on the ground evaded a hailstorm of gunfire. Another Marine was wounded during the egress, and the remaining Marines escaped unharmed.

“This was a loss,” a source in Gen. Berger’s office later told Real Raw News. “They obviously knew we were coming; we don’t know how. That place is printing money hand over fist and sending it overseas. We meant to stop it. Matters are worse now, but we’ll find a way.”

There are obviously one or more traitors in the White Hat movement. First the Osprey incident, and now this. The mole needs to be found...

Yeah, "Trust the Plan" ! Oh, wait a minute could all of this be a psychology CIA plan! That's for the Satanic Deepstate One World Government Plan ! Obviously, everyone should know by now! Satan, is the author of lies an his worshippers are all about lies an deception! So, what have we actually seen an know is true! Ever since, we've been told to Trust the Plan ! What's Real or not ! I know it's kinda rubbing some people Raw ! But, that's the cold hard facts an News worthy! Sometimes the Truth is a hard pill to take! Think about it ! Then wake up because Jesus Christ ,Our, Lord and Savior is our only True Hope that we have!

This popcorn is old, tasteless, an making me sick ! Worse Horror movie, I've ever watched! Hopefully, it doesn't keep playing ! Because, the nightmare after would be to much for me ! God help us, because Satan won't !

Will this BS ever end? Like riding a rollercoaster. Stomach in knots. And they say it is going to get worse

Revelation ,says it will get a lot worse! An until someone can show me anything differently ! Then ,that's what I will believe also! Another thing we know is the One World Government agenda ! Makes it clear on their beliefs for depopulation an control at any cost ! Over 90% of the world's population most die for their strick control! In reality Satan doesn't want anything that God, Our Heavenly Father created! So, Satan won't be happy till everyone an everything is destroyed from the creator of creation! Satan is the author of lies, an comes to kill , steal, and destroy ! Meanwhile, we know Our, Heavenly Father is the author of Truth ! For ,that reason we can trust him in everything ! And have peace about it all ! Because, we know Our, God got this ! One way or the other we will be okay ! That's if we forgive others an ask forgiveness for all our sins through his son

Jesus Christ ,Our Lord and Savior! (John 3:16 !) Heaven or Hell, Our free choice! Choose wisely, eternity awaits us all ! Best way to have peace an it doesn't cost anything! That's because Jesus Christ already paid the price on the cross for all who believes!

From what i've heard, the NWO was already 90% in place, when we & the white hats & Trump began really fighting back, fighting for our freedom. I believe we have averted certainly some of that terrible story, spinning it into a far better future. Yet, we've a lot of heartbreak ahead unless there are real answers & solutions & soon. I continue to pray & believe.

Well go support biden , I am not giving up because of a ruff patch.
MAGA WWG1WGA

How about dropping something on the building from a drone? Bomb comes to mind. Or a short range air to ground missile? D.C. is not in the United States – it is a separate foreign entity and those people in that building are traitors – deep state, satan worshippers. Go Berger! Drop the building!

My Companion mother makes 50 bucks an hour on the PC(Personal PC). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal PC) for 9 hours per day.

As I write this, 973 people have viewed this article. If this is a giant psy-op, it's not exactly convincing the masses, is it?

Have you ever wondered why no one's talking about the Bilderburg Group who plan's every war, disaster, disease aren't being arrested ! Or , the CIA who oversees the plan for those un-winnable wars an disaster ! Who use the Mult-Trillion dollar, worldwide, crime drug

cartels funding an assassination thugs! To carry out death and destruction for the Bilderberg Group, One World Government Satanic plan! Yet, you hear nothing about them being eliminated for those crimes against humanity! Kinda like you don't hear anything about Worldwide Tribunal for the Covid, sterilization, maiming, death shots! That they are Doctor, politicians, president, pushed on their civilians! Thank about it!

Because it's not a massive psy-op, it's a small scale scam to trick dumb qanon believers into sending MB donation money for these fake stories he makes up

"Trust The Plan" means to focus on yourself and develop a healthy spiritual relationship with nature. It doesn't mean to sit back with blind expectations and do nothing.

I COUNTED 7 DEAD MARINES BY SCUM INSIDE OUR OWN FKN GOVERNMENT. HANG ALL THESE MTHR FKN TRAITORS!!! PROBABLY ALL CIA & TREASURY TURNCOATS. AND THEIR EXCUSE IS "I DON'T LIKE TRUMP"???? WTF? THESE BASTERDS MUST ALSO BE SATAN WORSHIPPERS. & PEE-DO-FILES!

On the brighter side,
the privately owned Federal Reserve Bank System
is now controlled by the US Government.
It is no longer part of the Bank of England.

So, the Federal Reserve can be AUDITED
for the first time in history,
and all of the traitors EXPOSED.

They know it, and are acting like maniacs
to avoid justice.

They will fail.
Big time.

All the wars and catastrophes since 1913 are their fault, and the whole world will see what they have done.

No place to hide.

Just one thing, Ed: The Federal Reserve and the IRS are not part of our government. They are part of a foreign entity.

Sure did. There's been a lot of that here lately. Filthy traitors. They will swing from a rope. Please Lord destroy the enemy and heal this land called America. Physically and spiritually. Thank you. In Jesus name I pray amen.

"WWG1WGA", maybe it's just me! But, it's starting to sound more and more, like the "ONE WORLD GOVERNMENT"! Kinda, makes me wonder about "TRUST THE PLAN" and who or whom is actually behind it! People better be praying like their eternity is behind it! Instead of going through life like tomorrow guaranteed for them! (John 3:16, Lord's Prayer, 10 commandments, revelations, everyone needs to spend more time in God's word and Less time, in the world!) Read and Pray, about everything! Then try being thankful for what you do have! Instead of what you don't have!

Oh, no, no, no! I'm also thankful for some things I DON'T have, like herpes, AIDS, etc...

I tried to post all the Q post where they claimed they were in control, but I don't think it will be posted. It is awaiting approval ... yeah right. I showed at least 8 drops where they claimed they were in control. Apparently they are not in control at all.

I thought you laughed that off the other day. Sad to think that anyone would support this criminal regime and be happy over the deaths of our Marines. You J Bill are NOT a true American, you are a traitor.

Air force , Navy, Space force, apparently as reported on this site have pledge allegiance to the fake Biden Deep State Satanic Club !
(Enemies within!)(A House decided will fall !)

Just curious, How's the Bilderburg Group doing now days! My guess ,very wealthy being they make money on every war ,disaster, disease, vaccines every created ! Being, they plan everything bad to depopulate the world for their One World Government control!
There's a reason why they don't use the best technology to win wars ! That's because they start them an never want to end them ! Now, I know why the WWG1WGA , "Trust the Plan" that was supposedly in the making for years is reported as failing! Because, someone never wanted it to win in the first place! That explains why the military has defection within their ranks ! Think about it! Something ,has been wrong with this David an Goliath story! With the Marines against everyone! When was the rest of the World military supposed to be part of this whole plan to destroy evil ! I'm not saying David can't destroy Goliath, it just takes the right stone in the right hands ! Like Jesus Christ, Our Lord and Savior! Sometimes, if you appear weak then you are at your strongest!Hopefully, that's the case here!
Because, it's not looking that way from what is being reported here ! God Help us, because Satan won't! Oh, by the way we know the bilderburg group met in Washington DC last! Does anyone know who attended an what hotel they stayed in ! I wonder who owns those hotels ? An what the charge them for staying in them !
Research and Question, everything!

IF U BELIEVE THAT TO BE TRUE U R A FKN IDIOT....EVER HEAR OF SUN TZU??? AND THOSE GENERALS GOING OVER TO THE OTHER SIDE??? PLEEAASSEEE!!!!IF THATS NOT A WHITE HAT MOVE THAN NOTHING IS!!! WE R WATCHING A MOVIE FOLKS BUT I SURE AS HELL HOPE THAT 7 MARINES DID NOT DIE.AS FOR THE TREASURY AGENTS.... FK THEM!!!

Marines die so that they can introduce our enemies to their maker.
That's what they sign on for.

THAT WOULD HAVE BEEN A PERFECT RESPONSE—-- BLOW THEIR DFOORS IN & DESTROY THE ENTIRE BUILDING!!!! IT'S THE CABAL'S \$\$\$\$MAKER MACHINE. IF THEY HURRIED UP WITH THIS FKN NESARA CRAP THE \$\$\$\$ WOULD BE WORTHLESS ANYWAY!!!

God KNOWS! God SHOWS! Ask him for help! Humble yourselves before God, REPENT and turn from your evil ways and God will heal our land! For those who REFUSE to repent, God has the option of removing them and I think it may well come to that.

And I'm sure they call on Him for help when fighting and defeating and apprehending these traitors. God hates traitors even more than we do, so He will answer His sons' and daughters' calls for help in the fight. He did it for Israel, He will do it for us.

God , I hope one day that the Bilderburg Group , CIA, FBI, and Multi- Trillion dollar, Worldwide Criminial ,Drug Cartels ! Will be eliminated or held accountable for their crimes! Along with the Doctors, Politicians, Presidents, Judges ,! Who pushed the Covid sterilization, maming, death , depopulation shots ! Nuremberg trials, for worldwide crimes against humanity is way past over do !

So what is your "White man's god" going to do? Is he going to make a show in his hippy garb and throw a pickup over a fence as a show of force? What a illusion.....

g

well its been thousands of years and nothing. a reasonable and rational person might say a god any of color isnt going to do shit.

More like "all the moles will eventually need to be found". There isn't ONE mole. There's a lot of them.

YES , and then that money gets laundered thru FTX Crypto Currency , then sent back to Democrats and establishment controlled Republicans in the US were they subvert the US elections and election process as reported in the TGP. YES this election was once again FRAUDULENT , RIGGED AND RIPPED -OFF. And now you have the information that the Federal Reserve is NOW PRINTING US DOLLARS , to bolster their fiat currency scam and CRIMINAL EMPIRE. ONLY the US TREASURY HAS THE POWER AND AUTHORITY TO PRINT US CURRENCY. And again these lowlifes, Deep State, establishment controlled politicians Dems and Reps are subverting and destroying the UNITED STATES of AMERICA THE REPUBLIC and the AMERICAN PEOPLE. THIS WILL NOT STAND, WE ARE AT WAR, LETS GET IT ON! BANG THE GONG, TIME TO FIGHT, THERE WILL BE VIOLENCE , COUNT ON IT! This story is letting YOU ALL KNOW THE REALITY. PICK A SIDE , THERE IS NO FENCE TO SQUAT ON. THOSE COMMITTING TREASON WILL BE ENDED , PERIOD.

Yes and if you know history about The Nazis or KGB that IS exactly what they are!

YOU should have all known when the bill was passed by the CRIMINALS in the US Congress to hire 87,000 ARMED IRS agents, what this was all about, FUCKING WAR , MORONS! WAKE THE FUCK UP! WAKE UP! ENOUGH WAFFLING! WTF!

Do you think half of those “agents” would even know how to use a firearm?

Last edited 8 hours ago by jimbo

They should schedule a nice all-hands meeting for them at a secret location to give them their new assignment. Then MOAB the fucks.

There are no innocents in there they are all traitors and demons and must be destroyed with extreme prejudice! Until we stop the FED there will be no peace! They have fomented every war since 1914!

Space Force, Air Force , Navy , has apparently pledge allegiance to the fake Biden Satan worshipping deep state ! As reported on this site ! So, Jesus Christ, Our Lord and Savior is the only true hope we have!

And while they're at it go grab the Biden regime and stand them in front of the building when you bomb. One and done!!

“They obviously knew we were coming.”

Yep, no question about this. And its stunning as to how out of control and brazen these criminals are. Apparently, they are desperate for funds for some reason. Everything has been corrupted because of them. So many tens of millions have died in recent history because of them. They wanted to kill off something like 90% of humanity, and could still easily do it (if allowed to) via the illicit bio-weapons research they have been funding. Am I alone or are there others that also feel we are in a surreal psycho world?

That money is being laundered by the Ukrainians and sent back to the dim party to oppose the MAGA supporters and White Hats.

lmao at them needing money to defeat the drumpers. the satanists control the voting machines. they can steal 10000 million votes if needed.

Of course it is surreal. Now all the demented people want “Covid Amnesty” and want everyone to forgive and forget because they were too ignorant to do smart research and learn that the media is not a friend of the truth.

The criminals are out of control and brazen, because their syndicate is falling apart, and they are soon to be dust.

They know it,
and panic,
like a drowning victim.

For all the naysayers who think nothing is going on in the background! So sorry for your losses! I think this has dragged on so long that they are more prepared now which makes my blood boil. I still stand behind Trump and the white hat military. You're now dealing with a much bigger monster. Hence the guns Biden ordered for the "IRS."

Two other very telling remarks, the "DARK WINTER" and the "WE HAVE THE LARGEST VOTER FRAUD ORGANIZATION IN THE COUNTRY'S HISTORY" ... I think it is NOW "RODS OF GOD" time... These people have to tell us before they do anything and we weren't A WAKE to do anything about it...

And all the chemtrails they're spraying world wide is killing the creatures on earth as they lie and say it's climate change.

Climate change is a FARCE. AL Gore was the first to make over a million dollars in "instructing" people that it is real. Too many yoyo's fell for the LIES and this includes "Miss Smarty Pants" who screamed at everyone at the UN. She should have been in school instead of trying to be a dad-gummed leader. The sight of her chaps me where the Sun does not shine.

Try not to be too mad, she is retarded and very Low IQ and she is being used by her fk-up parents.

Time to start blowing them away....now the IRS is an army.....the White hats waited too long. How can they say we won? More like we fucked up. Should have taken our chance back in 2021 with taking Biden out and risking the two dirty nukes in the USA...is is going to be much harder now to get rid of them

IRS works for the FED and not US Treasury look it up in Title 31 USC, agencies of treasury, not listed. See the Diversified Metals case too.

Which proves the point that we all know that the IRS has this militia. The average citizen questioned why agent would need it. This article shows us why. This is “a war unlike any other”.

What else is going on?

The privately owned Federal Reserve Bank is now taken over by the US Government.
No longer a private bank.

So, it can be AUDITED for the first time,
and all the evidence gathered who the TRAITORS
are. What joy.

It is a treasure trove of skullduggery.

Unless there is a DUMB underneath with children. Better to re analyze next move. And they still have to get the Marines out that were killed.

Thanks for the update. The deep state are really desperate. This has to be the end. Next gunfight it will be 20:1 benefit to marines.

We know just how desperate when we see the Alec Baldwin story going in circles again on the blame game.

You nailed it.

This event was a sniper scout squad,
scoping out the terrain.

Just the beginning . . .

Are they though? Sure sounds like MB has decided the White Hats are losing now

““This was a loss,” a source in Gen. Berger’s office later told Real Raw News. “They obviously knew we were coming; we don’t know how. That place is printing money hand over fist and sending it overseas.

We meant to stop it. Matters are worse now, but we'll find a way.””

There is a mole or a traitor in the Marine ranks. GET THEM, WHITE HATS, DON'T QUIT!!

Thank you Michael, please keep up posted.

Go visit that building and if you see any damages to the concrete barrier or the door just like explained here. Then you know the story was true.. of if you have any friends that live in DC... ask them if they heard loud guns fight at night..

Sounds to me like a couple of Hellfire missiles might be in order. This is really sad news. Send in the Warthogs.

Two waves with guns and rockets blazing! Turn the place into a scrap heap and buzzard food!

The marines should have brought grenades and blown up the whole dirty operation! What do I know...I'm just mad as hell. God speed on the recovery of the wounded and deepest sympathy prayers for the lost. We cannot give up now, more than ever.

Anything you say. If this really happened which we doubt. the Marines should have called in air support with helicopter gunships to take out every window and the criminals behind them. They should have been prepared to storm the building like a Taliban fortress in Afghanistan. The other side is itching for war, give it to them. Instead you have so called White Hats leaders that sacrificed a bunch of good marines for nothing due to a half ass poorly planned operation. That's if any of this true?

You're always on here, chiming in with doubt no matter what the article is. DF troll turd.

Purge the ranks General Berger. You got lots of plants hanging around, ones that talk. God Bless the fallen Marines for their sacrifice. I will pray for them and their families.

WE don't know who is in the loop on these operations. This may very well be a communications exploit that is compromising these operations and not a member of the WH team , you all need to consider this.

Time to go full overt on all fronts. use the emergency broadcast system with the Supreme Court confirming the fraud, announce the criminals on an APB while having already initiated a roundup of all deep staters. Blitzkrieg now!

I agree but we do have Rats in the Supreme court too some are not trustworthy as we have too many RINOs who could have put a stop to the steal of 2020 and they chose to ignore it.

You go that right. Sen. Graham, President Trump #1 traitor, was the most vocal in the Senate on J6 after the Capitol siege when the special forces seized everyone's laptops with damning treasonous information on them, when he said, "Enough's enough" and when he thinly veiled a threat to Pence to "do the right thing, " "do the constitutional thing," to the effect of "people are dying for us to get this right," because Pence's son flies F-35s and his son-in-law flies F-18s. If that's not a threat, then I'm Mrs. Osbourne.

As for Pence he was always a traitor. A few years ago he was at some globalist meeting agreeing with these elites scumbags talking about Climate Change. That was enough for me to realize this POS was no good.

I did my best to give him the benefit of the doubt when he said he was a Christian and I wanted to believe he was a real Patriot but my gut feelings kept saying do not trust him.

Hopefully after the EBS is announced then you'll have 3/4 of the country to help the Marines! Especially those who lost loved ones in 9/11 and the scandemic!! I'm sure there's some retired military and militia up for it!! It's more of us than them.

You just may be right. What if — and this is a big IF_ that people who claim to be on the side of patriots but never give credit to President Trump for all his work in saving the children, said to everyone, “Do not take action, do not join in the fight”? Just putting it out there.

Lol what EBS? MB said it would happen after the midterms yet here we are. And Trump is about to announce his 2024 run tomorrow

No, no its not about EBS its about adding a few more dollars to your EBT Card, relax and calm down you will get it soon at least 5 more dollars, whoopie!

Trust me...if Trump announces ANYTHING about running in 2024 and 2020 hasn't been dealt with, there will be blood amongst his base – THAT'S FOR SURE!!! Half of his base will be gone! The games must end!!!!

there is no ebs. no one is coming to save you. the last 6 years have showed that 100 percent.

Tomorrow's announcement probably will be that the country is now under martial law because of the stolen AGAIN election. If not, Trump won't have a chance in china to come back and win his base. We wait with bated breath.

Wow! The first big loss I have heard about. I'm sure they won't make that mistake twice. Is this Civil War? It sure seems like it. Serious stuff.

no.. its not even war. If a war was taking place the citizens of this planet would be told so they can defend themselves.If not your white hats are no better than the satanists.

when have they ever won? besides murdering poor brown people for the jews?

Don't worry, those people breed faster than maggots in manure so you won't make a dent.

Time for the white hats to educate yourselves in the vices of those who have been practicing dark magic for thousands of years. I get it that many either don't believe or want to keep their minds focused on what's in front of them, and steer clear of anything spiritual related. So to those who do know full well, PRAY. The darkness is NOT more powerful and has weaknesses that are just waiting for the righteous and the upright to exploit. The only valid rule now is to WIN. I would also hope that the WH's would eliminate all rf and elf weapons systems, they have the capability also to listen to conversations.

YES , EXACTLY, THERE IS AN EXPLOIT IN THE White Hats ,Alliance communications network/s, and ELF , ELF weapons and technology have these capabilities to capture electronic signals in numerous ways. This may very well be the PROBLEM and possibly not due to a HUMINT compromise.

we had a chance on jan 6th. drump told his supporters to remain peaceful. that went well. smart call drump.

Makes sense that you'd want to see the Marines fail at this and allow the Fed Reserve to continue printing money, as some of that will likely end up in your troll turd bank account, DF.

has nothing to do with the marines. its very sad they lost and some died. nothing led by the weak coward vax daddy drump will ever win anything. you cant beat an enemy you are deathly scared of. drump is certainly deathly afraid of the satanists. why else did he become the vax pimp?

No asshole not as you said, a inside rat told these criminals that the Marines were coming. I suggest you take your head out of your Ass.

Newly recruited IRS are manipulated more easily by the DS bosses because they don't know what they don't know. These henchmen are simply told to shoot and think they are on the side of good because its the Fed Res.

How about sending more marines? maybe some air support, and armor, try for real instead of this chicken shit secret bull

A definite sign of DS infiltration into the WH army....someone tipped them off and that someone is still among you, unless it was one of the recent turncoats???? Very sad for the losses.

DeSantis.. with everything going on in Florida why did he take a trip to Gitmo to see his old buddies he once worked with?

It is always darkest before the sunrise as they say. First a story on white hat morale and defections and now one on a defeat. As Sun Tzu stated. "Let your enemies feel they are in control and winning." or something like that. There is a psyop in place and a game of cat and mouse. I feel tomorrows announcement is not going to be an announcement of a run for president. How can he yell about election integrity and then state I am going to get in for that same election process again? Only days after seeing another election be stolen. It does not make sense. Hence the reason we should all understand we are now close to stuff breaking.

I heard his speech will be the most important one ever in US history!
(Just what I've heard)

I think your right. Trump will not announce a '24 bid tomorrow. This could be hammer time. Announcing the PEAD. Presidential emergency a

If DJT is the US President, as I do believe this is the reality, he WILL have to inform the AMERICAN PEOPLE, so Tuesday will possibly be the reveal. DJT has to start executing his POWER AS PRESIDENT of the UNITED STATES of AMERICA , THE REPUBLIC, he can no longer operate in the shadows.

Why have a fight if the Fed is broke and is out of business as we have been told. We are back on the gold standard. Something fishy about this story.

I think these stories are meant to discourage patriots ahead of what Trump has to say?! I trust he will bring something substantive to light and no more whining about election fraud! We all know it's happening! Let's get down to brass tacks!

Exactly why this story seems fishy to me. Has the MSM reported it or shown film. This would be right up their alley.

With the Federal Reserve printing US DOLLARS and CURRENCY they are essentially , COUNTERFEITERS at this point , PRINTING UNAUTHORIZED US CURRENCY and UNDERMINING the UNITED STATES TREASURY and THE US GOVERNMENT, BUT WHICH GOVERNMENT? THE CORPORATION or THE REPUBLIC?

ARE YOU getting an idea of HOW SERIOUS THIS IS? I am not referring to the lost of those US Marines lives, that is ABSOLUTELY SERIOUS, and MUST BE AVENGED.

I didn't know that currency is actually printed at the Federal Reserve Bldg. Seems like pretty lax security. Need to verify this. Sounds fishy. Totally.

his name is the vax daddy. the cowardly vax pimp. 6 years and hes still scared to call the satanists out by name. what a weak cuck.

Heres a way. Fire a missile into the building. No ground troops needed. This should have happened as a backup plan in case of resistance.

Sickening really! God Always Wins and don't think for one moment he doesn't! Idk what kind of bull shit lies but for me I need more proof!

Just call me Thomas!

The fact that they knew the Marines were coming and were 20 to 1,tells me there is a inside rat.

increase in metered electrical service; infra red heat imaging, Stinger or Javelin shoulder fired missiles to breach the building especially the air intakes; enter through subfloor areaways or sidewalk hatches; monitor traffic and food deliveries, etc, etc. Mr. Baxter, PLEASE let me help you plot the next one out.

Drop a rod of god on it ? Sending prayers too too the military that lost their lives and wounded God bless you all Amen.

I don't give a shit if they print a zillion dollars!!!! Just make dam good and sure they have NO WAY of getting it out!!!! God Bless the lost and fallen!!!

I'm sure the Federal Reserve has underground tunnels that run for miles. I'm guessing one that leads directly to the airport. Find it and cut them off!!

So the white hats might not win. They can't get unified. If they decide to do nothing again now that the midterms were stolen, what happens? If Trump signed the Insurrection Act and the military is in control, are they just going to hand control "back" to the bad guys because they don't have enough buy in to do anything?

Think this through people. What is the end game? The military is supposedly in control but can't control anything. Do they keep control? Do they just surrender control? We were promised that if the midterms were stolen we'd get the long awaited EBS broadcast and there would be "sweeping arrests" Bullshit. This has been a psyop all along.

kdo f jsme my? 99,9 procenta USA netuší, že se to vůbec děje. kdo konkrétně bude bojovat?
