Oddělení americké armády White Hat v pondělí zatklo bývalého koordinátora reakce na Covid-19 zločineckého Bidenova režimu Jeffa Zientse za velezradu a vraždu související s prosazováním experimentálních a potenciálně smrtících vakcín americké veřejnosti, řekl zdroj JAG Real Raw News.

Jeff Zients, obchodník, jehož životopis postrádá jakékoli lékařské doklady, vystřídal zesnulou Dr. Deborah Birx a od ledna 2021 do dubna 2022 působil jako hlavní koordinátor reakce na koronavirus. Dříve byl zástupcem ředitele Husseina Obamy pro řízení Úřadu pro řízení a rozpočet. .

Armáda s důkazy tvrdí, že Zients byl tvůrcem povinných očkovacích mandátů, přestože věděla, že injekce sraženiny způsobují nevolnost a zabíjejí desítky tisíc občanů, především seniorů a imunokompromitovaných. Zienti měli hory tvrdých důkazů, které ukazují kauzalitu mezi vakcínami a nadměrnou úmrtností, řekl náš zdroj. Zients nicméně argumentoval ve prospěch toho, aby byl každý Američan, nemocný i zdravý, očkovaný, dvojité očkovan a posílen.

JAG říká, že důkaz o Zientsově zločinnosti bude znám, až bude čelit vojenskému soudu.

Náš zdroj uvedl, že vyšetřovatelé JAG zadrželi Zientse, když byl na ranní procházce poblíž svého sídla v části Wesley Heights ve Washingtonu, DC, enklávě bohatých Deep Staterů jako Zients, jejichž čisté jmění se pohybuje na 160 milionech dolarů, částečně díky sraženinám. střílel kopy. Zients vypadal překvapeně, když k němu vyšetřovatelé přistoupili, řekl náš zdroj, a zeptal se: "Kdo... kdo jsi?" Když byl na jeho jméno ukázán vojenský zatykač, Zients údajně pronesl "Ach, ne!" a pokusil se utéct. Ale 56letý, ochablý Zients běžel jen pár stop, než ho vyšetřovatelé zadrželi a spoutali, a pak ho hodili na zadní sedadlo svého vozidla.

"Nechápu, o co tady jde." Nic jsem neudělal. Věřte mi, nic jsem neudělal," protestoval Zients.

"Nevěřil bych vám, kdybyste řekl, že déšť je mokrá," odsekl vyšetřovatel. "A když jsi nic neudělal, proč jsi utíkal?"

"Kam mě to vedeš?" zeptal se Zient.

"GITMO," odpověděl vyšetřovatel.

"A sakra," řekl Zients.

Zients, řekl náš zdroj, byl transportován do zadržovacího zařízení, kde čekal na let do Guantánama.

Je čas nechat minulost za sebou. Budu rád, když všichni ti zabijáci a pervové budou jen špatné vzpomínky.

Metoo, but I will be even MORE glad that they are permanently REMOVED from society so they can't harm anyone else! He may not have had any medical credentials, but EVERYONE who can read understands when they have reports and articles cross his desk saying that people were DYING from the vaccine that it was time to STOP and REASSESS, NOT GO FULL STEAM AHEAD with this!

My Companion mother makes 50 bucks an hour on the PC(Personal Computer). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal Computer) for 9 hours per day. For more detail visit this article..<https://smartbucks1.blogspot.com/>

On the computer, my companion mother earns \$50 per hour (Personal Computer). She has been out of work for a while, but this month she received a cheque for \$11,500 while just working on her own computer for nine hours a day.

Lol! You are no difference then the ghetto who cried racists! Give me a break, for all what he's could be an kazarian mafia ( faked Jew).

The time is coming, but it's not here yet. And we have still to put into place foundations for the future, so that such a level of evil cannot happen again.

Last edited 13 hours ago by Anne Stallybrass

Many people have already gone to one of six tribunal locations. 90% have been executed. See Gitmo.TV

Based on what source? What was said & why was Nuremberg chosen again? Doesn't make sense. So far I don't believe this assertion. We've been having military tribunals in various locations since 2017. I don't see anyone in Germany talking about ramping up trials in Nuremberg & I meet with a guy in Germany every Monday to discuss these issues. Where does this intel come from?

It has been called Nuremburg 2.0 because it has a precedent, & people understand that. The Nuremburg Code, as well as several others, such as the Geneva Convention Code, are Human Rights codes of ethics agreed upon across the planet.

Last edited 8 hours ago by Tracy Reinert

That will never happen until full exposure occurs. If it's not fully exposed then all we've done is prune the evil tree. It must be ripped out by the roots – every last tendril of root must be exposed. Then we put in safeguards & build a new government.

Doctors giving it on request while honoring a “no” still have been rooting out people to job.

How can it be left behind if the death shots and boosters are still being given out and people are still being harmed and set up to be exterminated? It doesn't do any good to arrest these Nazi's until there's a recall and those death shots and boosters are taken off of the market. The poison has to be removed along with those who implemented it for there to be full Justice. Until then how can we rest and have full Justice? When I go into Walgreens, Walmart, Smiths and Albertson's who gives out those death shots and boosters and they have a big FAT Sign saying that the Covid 19 death shots and boosters have been recalled and will no longer be “administered” and hear on the Mockingbird Media that it's been recalled then I will know it's done and that Justice is being served. Until then people are still being allowed to go through the gas and death chamber to their extermination and genocide.

The sheer insanity of someone saying “I'll ONLY believe this when the biggest liars on the planet (MSM) say it's true”.

Does anyone NOT see the fallacy in that position? Does anyone expect the media to suddenly start saying it's true. My position is anyone that thinks the MSM is the only place that is publishing the truth — means that they are currently believing ONLY the MSM — who are ONLY lying.

This my friends is DELUSION — & it perfectly frames what has happened to Americans. I talk to people every day who won't believe any sources OTHER than the MSM. So as long as the MSM lies — these people follow them. If they ACTUALLY started telling the truth — these same people would not believe them — because the truth is what they have hated — & they will continue to hate the truth as long as it contradicts the MSM because the MSM ALSO HATES THE TRUTH.

I believe the MSM will start telling the truth.

My evidence? “All shall be revealed”; and, a short clip from an old Simpson's episode, where Homer had invented a drink that Moe stole from him. Homer started seeing Moe everywhere, then (wearing his robe, outdoors) spun around and fell on the ground, and saw some flowers which turned towards him, each having Moe's face, and they all said “Hiya Homer, what's the matter?”

I expect the MSM will “tell the truth, and ask, what's the matter?”

Simpsons predicted the future in many instances, is backup evidence.

No, am not “doing science”, that's often unrepeatable, kek.

(Oh, and — the “spinning and falling on the ground upset” seems to be a symptom of the jab; so, yet another “Simpson's prediction”! (Going further, who is the simp's son? “Simp sons” indicates more than one; Homer is Grampa's son, and Bart is Homer's son, so there's two; there was in one episode a “No Homer's Club” in which there was one Homer, because, no plural...))

We've been programmed most of our lives until by habit, our reasoning abilities doesn't see the red flags or hear alarm bells. We're conditioned to trust ONLY the familiar and avoid anything 'out of the norm' for us. Sadly, misinformation and falsehoods ARE the normal for most of us. Only an open mind can conceive that there might be another side of the story. Pray for discernment. Jesus is the way, the truth, and the life. He will free us free from this delusion.

So true! My daughter sneers at the lying MSM but when I drop a hint at what's really going on behind the scenes, her response is always, "Why isn't it on the news?" She watches 'the View' and others like it and scoffs at their bias yet, she trusts them, some what. There are people who will stick to 'Name Brand' merchandise and pay a huge price for the brand. That's what's happening here rather than purchase a lesser known brand of the same product. It's indoctrination, which is mind control- pure & simple.

Apparently it works extremely well. People trust the lying news even when they know they are not truthful. They trust them more than they trust themselves.

Thank you. It's so frustrating when people refuse to believe the truth until the liars tell it. Have mercy. You gotta hold your breath for a long time waiting for a liar to tell the truth. Why do people do that? Geez I had to convince myself to stop doing it. It's nonsensical.

But the MSM is owned outright, by the black hats, so they can keep making up lies, lies, lies and more lies, all they want and the chem trailed, fluoridated, dumbed down sheeple will lap up their drivol with a ladel and keep on dying with gusto...!

Twenty years in the future, anaylists in the next generation, cleaned up, rebuilt media will be asking how the population was so stupid into taking poisonous shots like sheep falling off a cliff....

Future generations to come people will look back at these times and shake their heads in disbelief and horror at the mental insanity of humans.

Our nation is subdividing. Why is it taking so long? A relationship is not hard to discard. Our employees are now irrelevant. Why would we remain to keep that foundation in place when DC is now officially a slum and the people working in those gov't owned bldgs have no honor, integrity or even knowledge of what it means to BE American. It's time to simply walk away. It is that simple.

My Companion mother makes 50 bucks an hour on the PC(Personal Computer). She has been out of work for quite some time however last month her check was 11,500 bucks only working on the PC(Personal Computer) for 9 hours per day. For more detail visit this article.. <https://payathome.blogspot.com/>

Someone actually said your reply was “antisemetic”. WHAT!!!  
Seriously?

How's that? Anyway, I totally agree with this comment. I'll be glad when all these killers and pervs are, just say it, executed.

when General Berger picks em up, they are already tried sealed and delivered. Saves time and money.

Never interrupt your enemy when he is making a mistake. Napoleon Bonaparte

1st Mistake Zients tried to run.

He will sing like a Canary

My first thought in being told I was going to GITMO would be “I'm not ever coming out of there”.

He was a dead man before they came to get him. I would have like to see the arrest on cam. Figure that area is heavily recorded all day and night. So he goes out for a walk and they get him, like no cams are helping anymore. They must be throwing each other under the bus or something. Maybe Delta disables all cameras like spaceships turn off cars.

Just like what mysteriously happened to Jeffrey Epstein. All cameras conveniently went dark in the moments he was supposedly killed.  
Blessings,

KNOW Your enemy, communicate/commune with Your enemy.  
LEARN Your enemy. TEACH what You KNOW, LISTEN to Your enemy. Hu, is Your enemy. Literally, each of US, carries OUR enemy.  
LEARN to TRULY READ. Example, Justice, Education, Discipline & Intelligence create the capitalized acronym, given by WAR, to my students, in every era. Do not argue. E-ego-=enemy. The EARTH, is another acronym. And a name for THE MIDDLE. As ABOVE, As BELOW, and in this MIDDLE. Put down or tear down ALL WALLS, within the minds of JERICHO. Think and use positive words if a “set of RUNES”, called words, and break them down. Taking offense to FACTS, and not supporting this bs fiction, does not Teach, Help, Orate, or Respect -THOR the PROBLEM. COLLECTIVE KARMA, not on a good side, is THE PROBLEM. Worlds exist within CRYSTALS, which power STAR SHIPS, and YES, Wi are meant to FLY!!! TRUTH 1000%, or The BLACK KNIGHT, will LEAD THE WHITE SCARS!!! STORM WATCHERS!!!! I AM Hu, better known as DEATH. I like using bats on knee caps, hence “batman”. True story. Mafia slang, “Jew mutha fuckin aliens, goina get an BAT MAN beat down” and I’ll go PRIMAL. But don’t worry, “2 weeks” right??? Another “2 weeks”. Slow as fuckin molasses.

Saw similar feel-good story yesterday: two carjackers block in and then approach a parked car with two women, guy has trouble starting car, puts gun on his lap, lady grabs gun and runs, idiot chases and tackles her, she shoots and kills him.

Sadly she was placed in cuffs when police arrived, but released and not charged.

GITMO. I bet that he's concerned now. He should have known his evil would catch up to him.

God told EVERYONE a long long time ago that our sin would find us and that's why it does no good to run! You can't hide!

Money signs of the late and not great USD were floating in his flabby mind, hes oblivious to everything else

Luke 12:2 – There is nothing concealed that will not be disclosed, and nothing hidden that will not be made known

3: What you have spoken in the dark will be heard in the daylight, and what you have whispered in the inner rooms will be proclaimed from the housetops....

King James Bible

For there is nothing covered, that shall not be revealed; neither hid, that shall not be known.

Will it ever be as many as they killed is the question? We are still sitting in the dark as to how many more will die before the public knows the truth about the boosters, which they are still handing out like candy.

The white hats are arreating people in the dark, the truth still isn't getting out to people that are ignorante to the truth because of MSM.

They are still perpetuating the narrative. Today alone, I heard 1 radio announcement and saw 2 TV commercials for the stupid clot shots. Ironically I was only listening to radio for 10 minutes and watched morning news for 1/2 hour. What is further infuriating is that all stations regardless of persuasion are playing them.

I'm confused by the same thing. The military is not officially telling people by flyer distribution, airplane flyer tickers, bumper stickers, signs, bill boards, no nothing, while these evil to ignorant's trickster

people into jabs. One way I hear is get out of jail offers for getting the jabs. They lie to push that jab on inmates waiting for entrance into rehab.

Because of this the people think RRN is fake news. It's at the least not threatening enough to make people stop but instead they can either GITMO prison or hanging, it's a secret except for the few that read RRN. It's not believable enough to send a cease and desist message to the ignorants, etc.

Nothing is put on the military official websites witantivax news is there? Dark hats still have the power to jab. Even since military smashed up vaxxed blood, at military hospitals, have they smashed it up, or the jabs, at the local hospitals or at jails, prisons, and mental hospitals, boarding or other schools? It still reeks of coercion going on at institutions to get jabbed and is inexcusable.

The places theoretically should have had arrests of their corporate owners to make them all stop mandating this.

Say military just went into UCLA, one hospital place, and confiscated all jabs and someone in charge of jabs decision making and took over the computers and force them to write emergency orders going into the computers to stop all jabs? That would send a message. Maybe they could have sniper laser attacked from planes, jab shipments off the road?

Nobody has attacked the hospital data bases have they? It seems like a logical thing to do along with people being killed to put the jab out there.

The Twitter files are due to release a lot more information, also about covid and the shots. The journalist reporting about it is said to be a liberal, one of "them", the normies. I expect that will have some effect-maybe break through the mind control with some-and that's just the beginning.

JAG needs to start rounding up the MSM creeps, that are still spreading the lies that the sheeple lap up, no matter what....

*“Oh, shit,” Zients said.*

I find that a refreshing alternative to detainees’ usual response that their powerful associates will hold the White Hats accountable.

He will surely lose some, if not most of his flab in GITMO. Blessings,

I’m never the first commenter so I guess this won’t stick. Anyway I am surprised that he was surprised about what was happening to him. I guess the word hasn’t been spread to his part of the Cabal yet. This guy really deserves the death penalty.

I guess with all the clones, doubles, CGI and fake mainstream news, they don’t get it. They keep on like energizer batteries...

No they don’t. But how and why are you so certain of Birx’s demise or disappearance? The tails get taller on down the line.

Faith is: there is no carbon dioxide in the air we all breathe. But what is the oxygen to carbon ratio?

So sure of yourself makes you foolish.

“I don’t know squat, is my best position of power. “

Love your ending! I have no idea what year it is, or day of the week for that matter.

There are no experiments I can perform, to determine either of those.

There’s no way of knowing for sure; I can only agree with the consensus, or perhaps, choose not to.

Like, I think this system reaches only around 7,000 years total, before it dies in a fire. We live eternally though; we get to experience many instances of “this system,” reading many passages through

each choose-your-own-adventure book we're currently in. The ride never ends.

God bless in Jesus name.

I assume that like the military, the many disparate pockets of the deep state organization are (to a greater or lesser extent) compartmentalized; this is largely how (with major help from the controllers of the zeitgeist, the MSM) a few truly evil people can get their goals achieved by mere "useful idiots".

Maybe...Fauci and group convinced him Birks quit, but seriously... this man knew dam well what HE WAS DOING!!!!

He should be first on the gallows. After what he did, after was Biden what Biden did to bring the COVID hoax to the world after Obama and Bat Lady and Fauci did, and he is continuing these forced vaxxes, let him hang.

The word HAS SPREAD, otherwise he wouldn't have said "Oh Shit! they think these things: I will NEVER get caught. OR I can LIE my way out of this! OR My friends are powerful, they will get me out! AND It is Trump's fault! If we get rid of him, all this will STOP! They don't realize that this is WAY BEYOND just Trump anymore.

Don't forget they are also afraid of the DS. "If the left hand don't get ya, the right one will."

Look on the bright side, Mr. Zients. The prison chow served at the GITMO cafeteria will guarantee rapid weight loss. Try the chicken 'n rice surprise. I hear it's a real killer...

Did this idiot really think that by continuing to take the place of The Scarf Lady Deborah Birx was a good idea? We all know that what she did along with Dr Death & his boss Francis Collins got them all the Death Penalty at Camp Delta (GITMO) for Fauci & his boss Collins. Dr Birx got herself shot by The U.S. Military Firing Squad at the Guam High Security Facility Location.

if the white hat operation really wanted to shut down these people pushing this jab they would go right after mainstream media all you hear on mainstream media is them pushing the deadly clot shot why aren't they arresting these weasels. The 700 club is pushing the clot shot get over there and arrest them pieces of shit

That's the biggest shame of all. People have come to Jesus from watching that channel, which is a good thing. But when a Christian channel is promoting this nonsense. Instead of exposing the truth like other truth tellers are doing, there is something wrong. I wonder how many ecumenicals they have in there currently?

Sometimes people who CLAIM to follow Christ are not what they claim. In this day and age we need to be doing our OWN research!

I'm gonna pray that White Hat military go talk to Christian groups like the 700 Club. Remind them that Jesus Himself referred to Truth not Love when (between Gethsemane and Golgotha) He said what His work was (John 18:37). Of course Love is essential, but Truth is the key. And though Truth can sting, it is also the ultimate Healer.

Religion / Re-Legion has been used by the parasites to pacify the masses. Jesus didn't come to start a religion, Followers of Yahushuah were the people of The Way – not Christianity

These folks are followers of the Dary/Scofield Bible and not Christianity. They've been badly misled and indoctrinated. Look up the man Samuel Untemeyer. He's not a Christian and is an enemy of Christianity. He singlehandedly helped to spread this false version of Christianity.

Even channels like that do all kinds of crap for money!! I don't believe for a second they don't know it's wrong!! When they deviate from the word of God, I stop watching them!!

Matt 7:22 American Standard Version

Many will say to me in that day, Lord, Lord, did we not prophesy by thy name, and by thy name, and by thy name cast out demons, and by thy name do many mighty works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.

I assume that most folks here now know that Billy Graham was a HUGE pedophile. Initially, I was reluctant to accept it but too much has come out about it over the past two years. He sure had a lot of people fooled.....

Billy must've studied "Mein Kampf" and learned Hitler's technique of delivering mesmerizing oratory speech with gusto, that just dazzled his followers with fiery brimstone and believable total BS.

I observed people that followed his baloney in the 60's, when he gave a fiery performance at Ratcliff stadium, in Fresno, CA and the followers just floated in the air as if Mr. Christ handed them a penny....Billy would have been an excellent DS clot shot pusher, because he was already a first class pedophile, with god's blessing...

Well Billy Gram had 1.2 billion in his heavenly bank account, plus he had a mansion on top of a hill with armed security and fancy limo's too, and all for the love of the white man's god.....

Yes, indeed. It is shameful How many so-called Christians have messed up things but good. God will not be gentle to them.

Last edited 10 hours ago by Andi Kay

You will not be judged according to the faults of others – only your own.

Matthew 7:1-3

That's a Fact... Makes me ill that operation blessing they probably take in about 10 million and spend \$6,000 on one well oh boy it's a sham they're all a sham

Maybe the only thing that can be done about the media is just to launch that new quantum financial system. All these clowns, all these media outlets will go down and/or be under new management. Sooner the better.

If you understood who actually owns and runs MSM (elites and some governments) then you would know that is is a multistage take down which is what they are currently doing. They have to chip away at it as it is like an iceberg where you only get to see the top part but there is a massive structure below the surface.

One by one, tens of thousands seeing justice so far, the demonic servants of Satan will pay. GOD is waiting for His people to set up the meeting. Vengeance is Mine sayeth the Lord, I will repay.

Tens of thousands? I have been wondering about this. Why don't the congressional reps notice people disappearing? Maybe they think they won't get caught. But I would expect someone to leak something. There are Senate pages, and secretaries and other staff around. And no one says or notices thinning ranks? It doesn't make sense. Watched some of the hearings on TV and saw a lot of empty seats, but don't know if that is normal. And finally: What are they doing with the bodies? Cremation? Gavin Newsome has signed something stating that dead people in California can be composted and used for fertilizer!

There are doubles, and maybe some of the support staff is gone, too! I totally IGNORE the MSM and it's LIES! God has said he will take care of this. Keep the faith!

except it wasn't Gavin Newsome – it seems his lookalike is even worse – you remember Newsome's fate as reported here ...And we know also from here that three have upped sticks and flown away while pretending to be around ... and Washington DC is reported (by those who actually pay attention) as a ghost town ...

But as we know, it's easy to fool people, but very difficult to convince people they've been fooled

Was Newsom really replaced immediately after, or before, execution as the story goes? The double may be more damaging. What about Nancy? WTF? Or Paul? Al Roaker?

Al Roker?? I haven't heard anything about him except for his recent trips to the hospital!!

Shame on Newsom's doppelganger. No respect for the dead. Dead people are still someone's family member or friend.

About a hundred nations belong to the anti-globalist Alliance, many of them also conducting genocide trials for the past 6 years. Tens of thousands may be a low number, plus an unknown number of globalist family members buried in destroyed DUMBs and bunkers. Probably, the bodies are put on ice so later lawsuits can be properly adjudicated with DNA proof of death, along with court files, videos of trials and executions.

With his determination to get everyone vaxxed and boosted to the hilt be sure that he gets plenty of your very highest quality ones (no saline solutions) before he heads for his tribunal and potential execution.

Only the very best for these self-proclaimed perfectionists. If they are so perfect then they need to prove themselves as invincible. LOL!!!

And down, down they go. Like a bunch of bowling pins. Keep it up, get 'em all, and hang 'em high. They've been screwing the American people for a decade or more.

Tens of thousands so far, arranging the meetings with GOD one by one, as His creation is avenged. Vengeance is Mine sayeth the Lord GOD, I will repay. Sheep on His right, goats on His left, GOD Almighty, the Lord JESUS is separating His sheep from Satan's goats. You do not want to be a goat.

The majority of the Tribe of Babylonian Radanites posing as Jews are very proud to be the “chosen” though they haven't been spiritually significant to anyone other than themselves and Lucifer for 2000 years. Since God cut them off and cursed them. He replaced them with the Catholics.

If you had access to a way back time machine from 7 years ago. 2 Esdra 2:10 used to say that God was taking Jerusalem away from Judah and he was giving it to the Catholics his new elect people.

1 and 2 Esdras are not part of the Biblical canon, so it matters not what they say. The Vatican liars kept their Latin from the people; thus their opinion is nothing of importance.

Catholics will have to do much soul searching when the revealing is in full flow for trusting the Pedos in their churches who were maiming the souls of beautiful young children.

Only Israelites, all 12 tribes including Judah and Benjamin, are called GOD's sheep in Holy Scripture. This does not include Jews who are goats, not sheep. Jewish scholars admit in their own writings that they are not descended from Israelites. Beware. Revelation 2:9, 3:9

The Catholics are NOT God's new elect. Where on earth do you get that? Probably from the Lucifer-worshiping Popes. WOW. That is the first time I have ever heard that. Catholicism was formed by Constantine not by God. I pray for the Catholics that do not know the truth. The RCC has lied since its inception. Even to the point of changing the Bible to suit their needs.

Many Catholics do know the truth. A remnant of Catholic Priests both live & preach the truth. But most denominations are steeped in more religion than truth, more tradition than Gospel, & more error than truth. Eventually denominations will disintegrate & all that will be left is light & darkness.

Interesting analysis, Sean. Presumably by “denominations,” you mean sects. “Eventually ... all that will be left” (as you put it), will be His remnant Church gone into the era of peace of which Isaiah wrote. While those people who brawl against said religion, will be forsaken by Him.

WAIT FOR THE WH REVEAL....the hidden books are now out of the Vatican for our true history. Constantine from the line of Caesars (Roman elites )had the Bible written by his Family the Pisos. Read about what they did with the NT bible..

The names in the NT part of the bible are mostly made up...the bible is a code book for the inner workers of the church.

...

[www.DOTbibliotecapleyadesDOTnet/esp\\_sociopol\\_piso.htm](http://www.DOTbibliotecapleyadesDOTnet/esp_sociopol_piso.htm)

...

Find Book on Amazon”

...

from The True Authorship of the New Testament. By Abelard Reuchlin

...

The Piso Family and the Story of The Bible “The New Testament, the Church, and Christianity, were all the creation of the Calpurnius Piso family, who were Roman aristocrats. The New Testament and all the characters in it – Jesus, all the Josephs, all the Marys, all the disciples, apostles, Paul, and John the Baptist – are all fictional.”

Catholicism is just the rebranded Roman Empire and they invented Mr. Jesus to keep the empire operational, when their old business plan ran out of gas after 700 years.

That’s pure BS!! There is no book of Esdra and the Catholics are not God’s chosen people!!

LOL. This is so delusional I’m laughing. If GOD replaced the Jews with the Catholic Church — God then sanctions all the pedophilia & human trafficking that the Catholic Church has been doing for

millenniums?

There are NO denominations in heaven. There is just the Groom & His Bride – the family of heaven.

Whether you're talking Judaism to Catholicism, Sean, not to mention protestant sects springing up from the early 16th century, God never endorses or blesses sin. While all mankind remains weakened from the Original Sin of Adam, his falling vastly afoul of the Commandments of God, as given to Moses for salvific purposes, brings with it the never-ending panoply of great crime reported in these pages.

Whether you're talking Judaism to Catholicism, Sean, not to mention protestant sects springing up from the early 16th century, God will not endorse or bless sin. While all mankind remains weakened from the Original Sin of Adam, his falling vastly afoul of the Commandments of God, as given to Moses for salvific purposes, brings with it all depravity as reported in these pages.

Agree with you up until you said "Catholics." That's another satanic religion mentioned in Revelation 2:9 and 3:9. With an intercessor who is not Jesus Christ (they pray to a man); rituals that involve "killing Jesus over and over" as in, they're saying his one sacrifice wasn't enough; men wearing women's clothing; and lots more.

Robert Breaker has a great sermon, "What I am NOT a Catholic" which has more. I know you might be stuck in your ways, and also saw you called someone anti-semitic today when they were not; but, I still pray that your eyes are opened. Your name has a soft spot in my heart.

God bless in Jesus name.

You are ignorant of history and so full of Sh-t. Go wash out your rumbled mind

You can't shoot these people fast enough? These dogs need to be put down like they have rabies.

Keep these articles of truth coming Michael. We need an early Christmas present.. Can't wait to hear about tomorrow's results (Pel-ochie).

Last edited 15 hours ago by Jennifer

Can't take all those \$millions with you to GITMO Jeff!! They won't buy you anything there, but a cell like everyone else has. Oh shit!!

Big deal even if this was true which it's probably not, why would they be wasting their time hauling in these little fish when the real criminals like Fauci, Birx and most of Washington run free? Pulling in this guy or the Sec. of Education accomplishes nothing. The people above them are criminals that need to be dealt with.

Really, mind showing us photographic proof of any of these people getting executed? Just because someone says it happened doesn't mean it did without proof. Do you believe in Santa Claus? If these people were executed how come no one ever speaks of them going away?

The military is not going to tip its hand until they're ready. I don't believe in Santa Claus, but I do believe in God even though I haven't seen "photographic proof" of His existence.

With respect to the issue of "proof" in the form of photos or videos, the U.S. Military is releasing what they want released, which means no pics or videos for the time being. Why? Because they don't want millions of leftist fucktards mobilizing to protect Deep State turds from the arrests, prosecutions and executions they so richly deserve. In other words, it's a lot easier for the White Hats to continue to exterminate Deep State cockroaches if the Bolsheviks are all wallowing in their normalcy bias, thinking "RRN is just fan-fiction.

This isn't really happening". Just imagine how much more difficult the arrests would be if leftists were setting up sanctuary cities for Deep State criminals.

Lets just say you have not seen them as of late, and don't forget I have personally seen fakes wearing masks.

Hell yeah, I love it when JAG secretly arrests people i have never heard of before in my life

I guess it's a good thing everybody you know of is clean. My guess is this dude is crying like a baby and singing like a bird right now. They always shoot for the bottom of the totem pole first when they really looking to get the higher-ups as the ones you've never heard of will give up their bosses to avoid the noose.

These monsters purpose on our beloved planet is beyond my comprehension. How can anyone believe anything that the horrific MSM says? May Father God lift the veil to his remaining children young and old that still need the eyes that see.

SHUT THE MSM DOWN ALREADY or use it for good for once!

If you ever needed any proof as to why Satan is called the "Prince of the Power of the Air", the MSM is it...

Which is why there was spiritual war for 3 weeks before Daniel finally got his answer....Good old Michael the Archangel had to step in and break up the fight.

CNN should be, "Satan Noose Nutwork", CBS should be, "Satan Bullshitting Nutwork", FNN should be, "Faux Noose Nutwork" and NBC should be, Nutty Bullshitting Nutwork, then.....

These MONSTERS are the MINIONS of Satan. They help him carry out his mission, which is to kill, rob, and destroy.

And we are the Warriors of the Kingdom in full armor as per Ephesians 6-10-18, fighting back evil spirits, calling all angels, putting out BOLOs on the agents of depravity, trapping and apprehending the perps from hell, cursing and binding all occultic assignments, all demonic weapons declared defective as per Isaiah 54:17, no hellish killer will retaliate as per Psalm 109... Even Elijah said there are more of us than there are of them. Greater is He who is in us than he who is in the world. NEVER FORGET THAT!!

Good Job! Seems to me Biden could be charged with the same thing. I suppose if you guys are leaving this “actor” in place there must be a good reason. Does he know he will hang when he gets charged? Saw a recent shot of “Pelosi” and I could tell it wasn’t her. Cheeks too fat.

My mom last night said she thought she saw James Comey on TV. I said it’s difficult to find “a double” who is 6 foot seven inches, and asked if she saw him standing or seated?

She said he was seated, and we both laughed about the double.

Glad she’s mostly on board. Mostly; sadly, she had a flu shot a few months ago, which I’ve been telling her is now contaminated with mRNA. Well, I’ll get her some NAC...

I read where Piglosi’s cloned double started malfunctioning with her wax copy husband at the JFK center, a few weeks back and her dog handlers, had to whisk them away, pronto.....

If these guys even had an ounce of sense, they would realize they would have to run and hide. Don’t they read RRN?

You can run, but you CAN’T hide! Be sure your sin will find you out! With the satellite ability to TRACK everything, these folks are sitting ducks!

The many followers that RRN has, is a miniscule amount compared to US population numbers. Then, there are the ones that do not “believe” unless the info comes from their camp. They do not give

their sheeple full disclosure either.

They put too much trust in the dark overlord himself, that's why. They're untouchable in their own eyes.

WOW!!!! I sure do love it when a PLAN COMES TOGETHER, DON'T YOU? Lets hope this one decides to turn on all the really bad people....

They already HAVE ALL the evidence they need. They just have to sort through it and connect the dots!

I presume the hope is that the relatively small fish like him will crack under pressure to name the big fish?

If they already have 100's of 1,000's of sealed envelopes with 99 indictments per envelope, I think as Trump said, "we know who they are, we have it all!" Obama, Fauci & others were given deals because they sang, they renigged on their deals and got final justice. The military white hats have been collecting their data for decades, long before they approached Trump to run for President.

Those envelopes were part of the basis for the raid on Mar-a-Lago. They thought Trump was foolish enough to keep them at his residence.

He also might have soiled his underwear too, with that huge negative surprise, but no, news outlet would never mention it....., but it would be hilarious, though...!

No, Jeff, you didn't do *anything*. Forcibly maiming and murdering millions of people with the graphene-laden clot shot isn't just *anything*.

They still feel they can innocently and grandly go about their luxurious ill gotten lives. "These people are stupid" The game has changed with new rules and penalties.

Same rules and penalties, just no corruption in the Courts during Military Tribunals and no fancy footwork by attorneys or bribes.

“Where are you taking me?” Zients asked.

“GITMO,” an investigator replied.

“Oh, shit,” Zients said.”

GOTCHA!

Great article! Please continue, Michael!

Need more apprehensions faster. Have a feel good sensation run thru me every time a serial traitor from this cabal gets fitted for a new hemp tie

They aren't volunteering to turn themselves in and their are a limited number of beds at Gitmo. Also they have to prepare the trials, evidence and witnesses BEFORE the Tribunals. NOT as easy as you THINK!

If he's married, his wife sure is wondering what happened to him LOL. Keep her guessing I say. 160 million—how obscene. Hang 'em high!

good thinking.....she spill beans..for spoon of ice cream-plain vanilla- if they got for military....

I maintain that we are witnessing the small dominoes falling. The big ones have already been taken care of. You ask, NP was not a small domino but she was just arrested a week ago? Yes, but imho, her arrest was after the fact. Her arrest was another proof what Q said back in 2017: “The tribunals were over before it began.” God is good and with our patient endurance the evil will be vanquished. Can I get a witness? Blessings,

Can't wait to start rebuilding this country when Trump gets back and after these vermin have been exterminated. Purge the vermin out and bring in new blood and run this country right. Clean up the LGBTQ, clean out the mRNA-injected crops and livestock, clean up

the traffickers and finish that wall, mandatory capital punishment for paedophilia, rape, incest and child sex trafficking. total ban on abortions like Malta has, burn the vaccines, and clean up the corruption from 2020 and 2022. So much work to do.

And get rid of the gestapo CIA, FBI, DHS, CPS, Demonrats and the lesser vermin, also.....

According to Sebastian Gorka a Trump adviser I think, said thus: "Trump does not have to return to the White House/power to fight the DS". He is doing it as we speak. Can I get a witness? Blessings,

I am so happy to see that these monsters who have caused thousands of deaths and maiming of innocent people with their poisonous shots and boosters are being brought to justice. I am so thankful for the White Hats and Donald J. Trump. God we thank you for bringing the truth into the light. There are so many people who are afraid to go outside their homes because of "Covid"!! They believe every word these demons spew out of their mouths. This fat demon knew exactly why they were there for him. He knows what he has done. Of course, like all demons, he will try to blame everyone but himself. Their day is coming too. Lord have mercy on their black hearts and souls!!

Jeff walks warily down the street  
With his brim pulled way down low  
Ain't no sound but the sound of his feet  
Machine guns ready to go  
Are you ready hey are you ready for this?  
Are you hanging on the edge of your seat?  
Out of the doorway the bullets rip  
To the sound of the beat yeah  
Another one bites the dust  
Another one bites the dust  
And another one gone and another one gone

Another one bites the dust  
Hey I'm gonna get you too  
Another one bites the dust

When he accepted the job I guess nobody told him what happened to Birx. Or did they?

“Oh no” & “Oh shit” sound a lot like he knew exactly what happened to Birx & maybe even Fauci.

Someone is deleting posts here. I posted twice to this thread & not only are both my posts gone – a post that I replied to is also gone. That's disturbing.

Join the club. Now I know it's not just me or my computer. I posted several comments to this article that showed up, but the latest one shows “Awaiting for approval”.

Join the club. Now I know it's not just me or my computer. I posted several comments to this article that showed up, but the latest one shows “Awaiting for approval”. Maybe we are crashing RRN's site.

After reading this, I often wonder why the white hat plan has not become known in their circles?! Maybe it's not as big as we think?! Seems like one big cabal player detained/hung/shot would alert every one of them! Well, the IRS is still in operation, so is the Fed Res Bank, the military is still trying to start a war, Ukraine is still being funded, and so is the vaccine industry ( as well as being advertised)! As such, I assume the cabal still runs the US! I think it's that simple. I, however, don't see how the white hats recover from allowing this vax push to continue, more or less letting it happen in the first place. Yes, do your research, but when we have all depended on AMA, ADA, FDA, EPA, NIH, etc, why would we question them now?! I certainly did, but 98% people I know have and will not. I'm am from a family of doctors and they  
Are all in! Fools!! LET THE PLAN THAT BLOWS BE KNOWN SO  
THEY WILL LOOK IN ANOTHER DIRECTION!

Another luciferian corrupt left wing down.

Let's depopulate this world with these criminals, demons and when they're all gone we can stop depopulating and let the God fearing populace live and be happy. MAGA! and make this world great.

Real world population just hit 1 billion. I know they say there's 8 billion but people are stupid. China has about 120 million, India far far far fewer. When you consider that the USA makes up roughly 1/3 of the Earth's population, economics start making sense.

Hmmm. To je zajímavé! Divím se, že tento nápad čekal tak dlouho, než se objevil. Gratuluji, Georgi! Máte pravdu, ekonomika nikdy neměla smysl. Všechno ostatní byla lež, tak proč ne také „světová populace“?
