Lékaři z Womack Army Medical Center, Fort Bragg, v pátek řekli, že klony nelegitimního prezidenta Josepha R. Bidena a Dr. Anthonyho Fauciho jsou nedokonalé, a pokud by nechali své klonovací válce naživu, byly by zjistitelné pod přísnou kontrolou.

Jak bylo oznámeno dříve, americké speciální jednotky našly a zničily klonovací laboratoř Deep State v Missouri Ozarks. Před zhroucením struktury vzali důkazy, včetně neživých klonů Josepha Bidena a Dr. Anthonyho S. Fauciho.

Mrtvé klony byly okamžitě odeslány do Fort Bragg, pevnosti White Hat, k analýze. Lékařský personál tam studoval epidermis klonu Fauci a porovnával jeho kůži s fotografiemi, které o Faucim pořídili zaměstnanci GITMO, když poprvé dorazil na Guantánamo Bay. Všichni zadrženi GITMO jsou vyfotografováni nazí od hlavy až k patě a je jim odebrána krev. Krev je kontrolována na důkazy o očkování proti sraženinám – protože většina Deep Staterů tvrdí, že jsou očkovaní, ale nejsou – a Adrenochrom.

Fauci, který šel do GITMO v dubnu, měl 1” kruhové mateřské znaménko na levém stehně, zatímco klon ne. Měl také mateřské znaménko na pravé lopatce, ale klon ne. Dospělé zuby obou klonů nebyly plně vyvinuty – chyběly jim horní i dolní druhé stoličky; zdravotnický personál nenašel žádné známky extrakce. Navíc klony Biden a Fauci měli ploché nohy, stav, kdy se klenby na vnitřní straně chodidel zplošťují, když je na ně vyvíjen tlak. Měli normální genitálie, řekl zdroj z kanceláře generála Davida H. Bergera Real Raw News.

„Toto je z předběžné zprávy. Ještě nebyly vypreparovány. Je zřejmé, že se jedná o jemné abnormality a člověk by opravdu potřeboval vědět, co má hledat, aby poznal rozdíl mezi klonem a skutečným Mckoyem. Doufáme, že se brzy dozvíme více,“ řekl náš zdroj.

If cloning is real then the body/machine is created but not the Eternal Self that uses the body the relatively short time we are in this life. So how do they do that and who uses it?

Humans are supposed to have a life expectancy of 150 years... far from the 80 years we are used to.

The 80 years is because we are poisoned as soon as we come out to life with injection of all sort and all being done secretly away from prime eyes and this pattern will continue several time during our life time under the guise of “for your health” or “for your protection”.

It is suppose tro exist technologies hidden from us who are capable to fix & restore as new the entire organic system that we are made of. as example, a Military injured at war who loss a leg could see his leg growth back as new and being back to a normal life within a day without any surgery or convalesce needed... all would be made using Energy, Frequencies & Vibration... as simple as it sound but way more complex than it sound.

Great things are coming once the commies, Traitors & sympathizers will be taken out of the current picture...

The truth about everything “government” is a dark comedy, isn't it? The parallel communities that are popping up are attracting my interest. I believe the past is being left behind in order for we normal people to move into the future experiences awaiting our species.

They cannot create the Eternal Self that uses ones body. So IF they clone a body/machine they have nobody to drive it and no means to connect one to it. Even at 150 years that is not that long in the scheme of things in our universe that has been around billions of years or much longer for all we know.

Clones are indeed soulless and/or occupied by once disembodied spirits (demons) that roam the earth.

Wrong, or better said, in correct. Spirits are COLLECTIVES, built by groups of like minded individuals. Individuals have SOULS, the more lives lived, the Individual then builds their own SPIRIT. Now, SPIRITS, as a Collective, say like BIRDS. One RACE, in The 1 Species. The over all, BIRD, has different Races, within the Race, these too, are SPIRITS. The left over ENERGY OF THE LIVING “thing”, or to be RESPECTFUL TO ALL, the LIFE FORM. Expand upon what has been taught, and remember, the machines lie, they’re “programmer” is a liar, so it lies too. Now, if a clone is made, they can invoke/command, the same Soul, to occupy the new body, frequencies are used like locks. Every Self-Aware Atom/SOUL, is UNIQUE!! Now, I “woke up” and MAGNETICALLY, and verbally, STOPPED that process from happening, as it had been. A lot of “Hollywood” are now stuck in their REAL bodies, and can’t do the “alter ego” stolen identity, live action movies anymore. Tough shit!! I Am a REAL SPACE MARINE, a SPARTAN!!! Older than 99.99% of “hoomanity” can comprehend. Full Transparency!!!! Plus, the “alien” scum bags, stealing gene seed, STFB!!!

Much, much, much longer. My personal ANASHIC MEMORIES, predate SELF-AWARE ATOMS, and can only be measured in SYMBOLS, ERAS, EONS, INFINITIES. Think, if a blank sheet of paper (pure white, absence of color-ie... no experience) is written upon by an uncountable number of “hands” or in every HUE, of color, then what’s the “pure” WHITE, become??? Hmmm??? BLACK, the Presence of ALL COLOR. My “origins” as a SOUL, a Self-Aware, SOUL, began as a PARTICLE, not an ATUM!! You spell it now, as Atom, they too, are SELF-AWARE, 33% Are NOT!!! DAH!!! The Past, is listening and LEARNING, is the PRESENT??? Hmmm, The FUTURE is WATCHING!!!! More EYES in EVERY SKY, than “hoomawnz”. More ANTS, GRASS HOPPERS, and YES, BATS, than “hoomawnity”. Continue SUPPRESSING the TRUTH, to WAR

HAMMER, and D&D, it's my TIME LINE, "hooomawnz", I AM a DWARF, my friends are ORC. When did Wi go "extinct"??? Just asking for every WARRIOR, that's NEVER, been "dead"??? Go fight, and come home to pricks, that smoozed up to OUR OMEGAS??? WTF!!!! Continue "thinking" Hell has no "fiery" as the Mother Scorned", You idiot forgot, She married SHIVA, a FUCKING TREANT!!! I KNOW, how SOULS ARE MADE, and I KNOW, how SPIRITS are made, and NO OBE/ONE, is TEACHING THE TRUTH. Stumbling along with 99% bs, and .1% Truth/Faith, and .99% "belief", NATURE DID THIS, since "hooomawnty" is "gaawd" and \$\$\$\$ is the only "pooooower" "gaawd" has. Procrastination, that's all I see. I Know my opinion doesn't "matter", but I OWN ALL MATTER!!! It has the same RIGHTS, as every other SELF-AWARE MATTER!!! Make sense??? DAH!!!

im going on 860 trillion years, in this husk. At least that's what I'm Telepathically being told!!

WindGhost we can actually have a lifespan even longer than that. Do you ever wonder why we grow up, have kids, take care of our parents, die young, just as we are starting to gain in awareness and have some sense? Jabs and pollutants and medical tyranny end our lives just as we are starting to be free and gain awareness and get going. It is all over before it has really begun. Why? Because many technologies have been withheld from us. Technologies that rightfully belong to us and enhance our lives in every way shape and form. Cloning is a drop in the bucket, albeit a big one. This is why we are told we can't handle the truth. The tech is being kept by the opposition. This is why we are told we have to wake up, so we blame each other instead of demanding the life-enhancing technologies...or even being aware of them! Cloning though, is a DS tech that we would never want. Yes, WindGhost we need to get those treacherous buggers out of the picture so we can have quality lives and you are surely right about that. They want us to die young and unaware I am thinking.

Last edited 2 hours ago by Windtalker

Uh, excuse me... the Scripture say man will live up to 120 years. Who came up with the 150 years old thing?

Scripture also says the Earth is only 6,000 years old. Sometimes the Scripture is just wrong. Use your BRAIN.

They say many books of the bible have been kept from us by the Deep State? Cabal. If so, I wonder what we would learn if we were given access to the complete bible.

Psalm 90:10 As for the days of our life, they contain seventy years, Or if due to strength, eighty years, Yet their pride is but labor and sorrow; For soon it is gone and we fly away.

Where did you get the figure 150 years of life? Father Jesus said to Noah that his “progeny” (grandchildren) and all future humans would live to 120 years until the end of time. Father Jesus says HE buried Moses at age 120, and Joshua died prematurely at age 110 years because of an illness, and Elijah did not die, but lifted into the Heavens alive. There are others Father Jesus cites of dying at 120 years of age, too. Just saying, what is your source of information?

Heard they use trauma based compartmentalization where they split a persons consciousness which is then downloaded onto some sort of external device and then uploaded into the duplicate so it has the same life-experiences and personality as the original. I don't know what happens with the original.

I agree – IT's great news to start – Cloning will never show one's life realities.

There will be always different physical attributes but we must also know that there will be mental differences that only living life brings...

Now imagine that the clone will be made into a 3D image and use our great computers of today to use those images as CGI and enhance it

with AI...

The possibilities are endless on a computer screen.

We have taken a person LIVE on TV and morphed into another person live on screen while talking...

Just food for thought...

Gen. Berger & Smith pay attention here – Time to hire the best GEEKS/NERDS in this field...

If research and look up Dave Chappelle cousin, they insist that the comedian was cloned and then killed when he came back from Africa after he fled for some “executives” pressuring him about his show. Research Dave Chappelle cloned. Also, the rapper B.O.B said wait until you find out about the cloning labs. Haven’t heard much from him lately.

Thanks be to God for His one of a kind creations. It is good to know they (clones) are physically detectable. Thanks Michael for all you do.

Even the masked doubles have visible differences. It is interesting how many mismatches there are on the surface, but those things would not normally be seen by anyone in the day to day exposure as they wear clothes in public.... Look forward to hearing how much else they will discover when they do the deeper analysis after the autopsies.

I don’t think it occurs to most people that someone could be a clone, so they wouldn’t even notice visible differences. Or, if so, they might attribute them to lighting, or something else. I know countless numbers of people who haven’t an inkling that “Biden” isn’t Joe Biden, despite the fact that the two men don’t look at all alike.

I had a huge crush on Paul McCartney in 1964. A couple of years later, he just didn’t look that good to me anymore. The reason? He died and was replaced by a double, whose personality was so abrasive to the other Beatles that they broke up.

William Shepherd was a very able musician in his own right, looked quite a lot like the famous Paul, but he was never ever as skilled as Paul McCartney. RIP Paul.

I know, Susan! My sister and I have talked about that in recent years! The replacement Paul ( many call Faul) was just not very appealing.

Susan, you might enjoy the video essay on Episode 34 concerning the Cabal war on American Rock and Roll by the British Invasion. Click on my name.

The real Paul McCartney loved driving fast ... he ran into a truck and died upon impact. It's said the Beatles were created by CIA, so, they replaced Paul. John couldn't tolerate the fake Paul and quit the band. CIA murdered John.

They need to find out how they start if your DNA was taken then you may have a clone somewhere.

Is'nt it crazy ? When will it stop , when will it all be exposed ? I have been researching info for last 8 years or so , found out a lot of things.. It is obvious to me , not the real joe .. My family / friends think I am crazy ,

We need fast action now. Its been over two years this needs resolving in a a few months or the deep state will just manoeuvre and counter

Off subject: The U.S. is a dictatorship now. Confirmed on what happened with the \$1.7 trillion bill that just passed the House. There is provision in the bill hidden of course that allows the feds to take firearms from anyone for no reason. No due-process either.

Republicans are now the controlled opposition.

White hats have to step up the pressure and start mass arrests.

Sure... they can have the end that the bullet comes out! Better bring shovels... many!

what happen to the BANKRUPT United States Corporation to which all these fakes in Congress now report??? Where is the REAL United States Of America that is not beholden to its debtors in Vat, British Throne, Rothies??? Is this all just a BIG LIE.. led by the drooling scoundrel Mitchie CCP and CHOW CHOW btich.

And this is why that filthy, sick, child-raping, child sex-loving, child-porn-watching bribetaking traitor and that drunken lush speaker and the adulterous whore VP S-U-R-R-E-N-D-E-R-E-D our beautiful flag to his fellow paedophile-[roptecting, biolab-protecting, Nazi-loving, drag queen dancing twat!!

I agree. I really dislike this actor's guild, where we've got people playing other people. Enough, already. Believe me, if the sheeple could notice the drama unfolding all around them, we would have been able to get through to them. We could not. They've doubled down on shots & stupid.

I wonder I the military used any satellite imagery or electromagnetic Signature of That site. That might match other cloning sites.

I read that Space Force took over all military Satelite operations and I thought Space Force was under white hat control. Is this not correct?

What do the white hats control? Nothing! IRS..nope, Fed Reserve... nope, military... nope, congress... nope, courts... nope, presidency.. nope, msm... nope, social Media... nope, big tech..nope, big pharma... nope, hospitals and pharmacies... nope.... Into infinity!! The only thing they control is maybe NOPE!

“ All GITMO detainees are photographed nude head to toe, and have their blood drawn. The blood is checked for evidence of clot shot vaccinations—since most Deep Staters claim to be vaccinated but are not—and Adrenochrome.”

Excellent work, Michael, keep it up!!

It never crossed his mind that this sci-fi stuff could be a reality. Many people are like that, thinking it only comes from books and movies and TV. Berger's not bad for thinking that way and neither are they

Wait until he finds out about Jack Pruitts jump rooms at camp hero out in Montauk.

There is still no indication that the clones had informed adult brains. The ones described were dead.

Humans take almost 26 years for their brains to mature, and almost all of that time has been spent 'learning', that is programming the brain to function in a super complex world. It is inconceivable that a brain raised to adulthood in a vat would have any ability to function beyond infant level.

The almost certain probability is that these clones are grown for replacement parts for failing organs in the deep-state host. There is not a chance in hell that these clones could get out of a vat and start operating at high-stakes political levels.

I mentioned earlier about a movie from 2005 called "The Island" and according to Simon Parkes and other geniuses this is the most accurate film about cloning ,in the movie their memories are enhanced that they think they are the real person

Drone a human or a human clone with a VRIL consciousness. The proboscis from the Vril enters the human's eye and attaches to the human's brain. The human soul is then brain dead and the Vril lives on as the parasitic host (if a normal human then they live the entire soulless life; if a human clone, then those wear out much quicker and experience a shortened but preferential life compared to their underground cavern dwelling natural habitat). Vril are more reptilian brained and are like a "stupid" human or an easily controlled human (much lower IQ).

Ever hear of the “black eye” club? The black/blue eye is a result of the Vrils proboscis entering the eye socket and entering the brain. Mitch McConnell is one of them (remember a couple of years ago when his face, lips, hands were all black and blue also including himself in the “black eye” club?). Beaten within an inch of his life if he did not comply. He is not acting on his own. He is being controlled to implement their agenda.

That is how it works. That is how they control more than 70% of the government. Blackmail, extortion, physical mafioso type bullying... and VRIL DRONING (and cloning when the real human is killed off).

Politicians, celebrities, musicians, high net worth financiers in the mammon worshiping world. Once you get past \$10 Million Net Worth they come looking for you to make a deal with the devil to get your blood/DNA so they can clone you and abuse you as they please while you sleep...

Research Vrils droning and Donald Marshall cloning center experience.

Last edited 2 hours ago by Wilkins

Their brains are enhanced with a microchip which carries all of the information from the previous human, which means they would have had to completely scan the brain while the original was alive.

Maybe part of the movie. Maybe one reason for him leaving. I am not sure what to believe anymore.

And just what is it that we “know” about cloning? Is a body/machine the Eternal Self that survives physical death after relatively short time in this life? Who is it that uses a cloned body (if really happens) and how are they “connected” to it?

don't know if it's a clone..heard it is an actor ( maybe more than one ) James Wood ? Stuart Roger ?

This is like being stuck in a bus station during a blizzard and the only things that the public address system advises you of are fleet oil changes, tire rotation, drivers' birthdays, time & temperature. Mr. Baxter's reports had been essential to the picture of the world that I had assembled. Without his reports my situation appears hopeless. But lately, there is just no meat on the bones and I am sucking the thin air of hopium.

Being everyone DNA different such skin, blood, hair , saliva. An everyone has a different bone an muscle structure, finger print, eye retina, Heat body pattern , voice pattern, body electrical frequency unique to themselves. Then , I would assume their could never be a exact duplicate of anything. So, a AI super computer technology could always detect a fake from a real individual . That's, by a simple mathematical, body heat, sound , movement, an other visual an listening observation .

Even how fast the body cells are replaced during the growth pattern . That alone would give it away. But, the best way ,an easily detectable is from body heat patterns .

The Fat content would be different for sure . Plus, The Ears, nose, eyes, lip, chin , forehead would never mathematically line up . Think about it .

Merry Christmas to you, Michael! I'm graters for your reports and very much looking forward to more in 2023.

The cloning discussion is interesting. Wondering how many facilities and clones we'll find, and how many are out there now making decisions and running our world?

And btw, Michael, I sent you a note about advertising on this site but have never heard back from you or your team. Would love to discuss that with someone...

Not sure if that would be a good idea.....leaving locative info might put someone in danger.

I heard there were clones but it's mind blowing how these are created in living form. If these aren't real people, how do they have the persona, look and voice of their, now dead original self?

Tom Hanks is dead, and has been for some time. However new film releases with him as the main star are happening. A new one opens in the New Year. How can a clone act, and act so well, just like the original Hanks. Is clone Hanks a paedophile too? This clone Hanks goes on live interviews. How can this be? Can someone explain this to me please.

Clones have to have handlers. When someone famous is walking and the area is roped off and some prechosen person is asking a prescribed question to give the impression of spontaneity but its not. Does anyone remember Hillarys clone reaction to the unexpected drop of the balloons?

Everything we know about childhood learning tells us that brains learn through experience, starting with learning to recognize mother's face, or toys suspended over their crib. Then how to reach for things, turn over, crawl, stand, walk, etc etc. The next few years are learning to handle the physical body, how to recognize facial expressions, how to learn the alphabet, the number system, the names of things, how to play simple games, then 12 to 20 years of school education.

It is beyond credibility to believe that a brain in a body grown in a vat would just automatically 'know' things. It would take as long, or longer, for the clone to learn everything as it takes a young child.

The only thing that really makes sense is that these clones are grown for replacement parts, for hosts whose organs are failing.

This is all very interesting, but seems to be a great distraction from the real issues of the war we are in.

Judy, regarding Tom Hanks, I wish to refer you to Episode 19 of Fix America entitled: "Was the Matrix a Movie or a Beta-Test? Multiple Actors Switched with the Ones Credited for their Role. Would the Public Notice?" Just click on my name.

Guess an artist/performer clone is expected to come up with new material which it can't do--So they'll need a handler that can create in the style of the original so they can still make the big Hollywood bucks

Guess an artist/performer clone is expected to come up with new material which it can't do--So they'll need a handler that can create in the style of the original so they can still make the big Hollywood bucks

They said they have a brain chip that all the original info is downloaded on--So they act-talk-and know all that the original did--I heard Elon Musk say once that he had a chip in his brain--wonder if he is the original--It would be scary to be so smart--They will steal all his technology then off him like they did Nikola Tesla--He says they are following him and his kids now--They are probably wanting that chip from his head so they can download it somewhere--Yes amazing all what has gone on behind our backs while we were so busy working our whole lives--That's the way they planned it..I heard once that they have been cloning people since 1968

Maybe the chinese got that problem sorted out with robotic parts added to their super soldier clones

OMG...Cloning is a big surprise?????? How damn stupid can ya be?? You pick up someone and they are on tv a day later....Example....pelosi..she is in Gitmo but was seen a few days ago kissing Zelinski ass and giving him a hero flag!!! I always wonder WHY Trump, Berger and military would not pick up the doubles or shoot them on sight????

There are scenarios which the doubles act out to wake up sleepers... much of the ridiculousness will be reversed when Biden is out.

Now we can understand the biblical parable about the wheat and the weeds...

“Did We not plant good seed here? How then these weeds?”

“An enemy has done this....”

Maybe something like ‘bacta’ but that is fictional and was first seen in use in ‘EPISODE V’ (1980), the world famous sci-fi film with the world famous ‘reveal’ near the end of that film.

In real life, that scene was surely shot ‘on the cheap’ with Mark Hamill underwater in a large upright tube wearing a noseclip and a loincloth with a ‘futuristic’ looking SCUBA regulator in his mouth so he could breathe. They probably used waterproof pool-grade lights at the bottom out of ‘frame’ and unseen with colored filters over them (or done ‘right’ and made out of colored glass) to make the water look slightly pinkish. They did a good job to hide the wire harness he was in—he was hauled up at the end of that scene without swimming up in any way. They likely used some SERIOUSLY strong see-through ‘fishing line’ attached to the harness he wore hidden by the loincloth.

The military at Gitmo are now wondering of course whether they have been executing clones or real humans.

But surely it would still take many years to clone someone? Are people understanding the limits here? Even if these clones are built at ten-times the speed of normal human development it would take 7 years someone to look like they are 70 years of age. I really find it hard to believe – it sound to sci-fi – who really knows what is going on, and the possible workings?

It’s fantasy. “Cloning” as described is not possible. Ask any high school biology student

Smokey Stover is a troll turd DF. Only here to sow doubt and be an idiotic PITA to the normal folks on here.

Plus, it can sometimes become the work of a lifetime to develop emotions and to understand them.

This is why we don't have clones of hundreds of people...though I have heard an adult appearing clone now only takes 5 mos to grow.

I have to wonder if any of the cell-line donors has ever visited his, or her, own personal organ bank face to face behind that glass wall. I wonder if they would have mixed emotions about sacrificing their cloned selves, peacefully asleep in a slumber vat, for repair parts. Or perhaps they can do this because of personal lack of empathy.

I have heard there were clones but I've never seen hard proof. How many of us have? I can appreciate the generals reluctance.

I don't agree...Gen. should have researched what he was told by whistle blowers so many times. We might be furthur ahead now.

It is suggested that what you saw in the music video was her clone. Draw your own conclusion. Blessings,

Something , that sadly would probably give them away as a clone . Is the quickly dying, decaying ,tissue giving them bad breath, an terrible gas ( Farts ) !

Okay, bad humor an sadly my guess is it's probably true. Think about the gastrointestinal track .

There was a person who was describing a form of reincarnation that described birthmarks as a mark of some past life trauma. Like Gorbachas big birthmark on his head could have been where he was killed by a blow to the head in a previous life. If true then the clone did not experience that trauma as they are a physical copy with none

of the original's spiritual history and would not generate the birthmarks of the original. At this point with all that has been discussed over the last few years you could almost believe anything.

Wouldn't it be wonderful if our high tech extraterrestrial Space Force Alliance friends could use their technology and shut down/turn off all the clones at once.

Pardon me, Michael for being the Grammar Police, but McCoy is spelled with a capital "C" and not a "K" .

Good to hear that clones are imperfect!

I might know the reason for all these sightings of cryptids. Such as big foot, dog-man, Jersey devil, Lizard-man and all the rest. The three day of darkness, a Catholic prophecy of death and doom for sinners. During this time Catholics are told to stay indoors and close all windows. Everybody caught outside during this time will supposedly be killed. I suggest that is the reason for the proliferation of these cryptids is to take out the sinners, As a judgement from the lord. This is only opinion. But you are forewarned

During this Christmas season . We should have something to be thankful for ,even if it's not much. Because, someone somewhere would give anything for what we take for granted every day . So, don't forget to thank Jesus Christ for his gift of life an example of how to live life . Holy Spirit for the breath of life an his many gifts. Our, Heavenly Father for making everything possible for us as his children . That's through being adopted by his son's sacrifice on the cross for us . Plus, all your brothers an sisters through that act on the cross. I love all of y'all . Especially, the Father, Son, Holy Spirit (Trinity)! Merry Christmas ,an a Happy New Year to one an all ! (John 3:16, Lord's Prayer, Keep the Ten Commandments, Revelation end times, all important to read, mediate on, pray about! )

Thanks and lest we forget the reason for the season, Jesus. Without Christmas, all the Bible prophecies concerning Jesus will not fulfilled. Blessings,

Well, if it is true that they can be identified can we wipe out the ones who are signing 1.7 T spending bills and void everything they've ever done? Compare signatures, fingerprints, etc.  
And how about those dopplegangers?

It doesn't matter how many clones are destroyed or body doubles arrested this feces show continues until the elusive "white hats" do something publically to show the "normies" what is going on. Until that happens it's no better than a fictional novel.

Are we actually getting somewhere? Are we going to get these b\*\*\*\*\*s after all? [wringing hands] Kind of sounds like.

Wow...not surprised at the flaws. They didn't think anyone would look that close. Such evil from the demons!! Fauci is dead. The fake Fauci has trouble answering questions. The DS demons are crafty but their evil lies are coming unraveled!! Who had the "pleasure" of photographing Nancy Pelosi in the raw?? Thank you Lord for opening the eyes of General Berger and President Donald Trump so they will know who and what they are battling!!

Trump has known about all of this from inception. The Military has known. The White Hats are the ones that contacted President Trump asking him to run for President. The plan that is unfolding has been in play since 1963. Many things that are 'taking place today' have already occurred and are just now being revealed. It is important to remember, as Prez45 has stated many times, WE ARE WATCHING A MOVIE. The plan is unfolding as it should.

If you go back and watch Biden's clone in action he can be confused and seems to lose cognitive association to words and how to pronounce them. They also appear to have dead eyes, no real life in

them. The mask must be to hide facial movements that are not accurate, I assume.

It seems pushing them mentally especially with fast conversation or complex topics they are not programmed for can solicit the above behaviors. Abnormal actions on our part can also uncover confusion and improper reactions. They may be remote controlled and provided answers which may give greater responses, but frequency jamming should stop those transmissions, likely WIFI or Blue Tooth. The delayed responses may be more obvious in actions we perform that are out of the norm like inverted hand shakes or fist bumps, even hugs from someone that is suppose to dislike them. The controller will be confused on how to act dropping what should be an appropriate response like disgust.

I am sure others can break this down. Computers are logical and can calculate faster than us, but they are not smarter than us. Once the logic stops the computer fails every time.

For the remote control it is hard to maintain a puppet at a distance. With out instructions I assume the clone simple stops moving waiting for the next instruction set. That means a change of venue would be very troubling.

Poland, an other countries have waken up an took back there countries to stop immigration an satanic people out of power in their countries. Yet, we're waiting on only the marines to do everything for us here in the great USA . I wonder how bad it's got to go before we wake up an take it all back. My personal opinion is each state , county , or province! Needs to evict all illegal immigrants that never been vetted along with their drug Cartels. An leave the union to take back their area if the state of union keeps failing us . With the mass illegals , criminal drug Cartels , an satanic people running our areas an brainwashing our family to blindly follow Satan . If other countries can take their countries back by standing together an kick them criminal ,Satanic people out. Then maybe we need to also. Either by

taking control in small areas then bigger areas . What did they do in biblical days! How many times did they turn their cheeks and do nothing relying on someone else to do it . United we stand or we will fall . Just my opinion if the marines are supposedly the only ones doing anything .Then why can't we help them speed up taking our freedom back. That's before it's all gone waiting for someone else to do something. WWGIWGA !

I'm not in anyway saying we need to act like antifa , BLM, movements. Because we're better than those violent groups that the CIA apparently helped to destroy things, steal, and take life's . Meanwhile, the innocent J6 prisoners went to prison without a trial for basically doing nothing other than their constitutional rights . All I'm saying is other countries stood together and didn't have to result to violence because there's power in numbers! Some of those countries don't own weapons so they stood together to take everything back with numbers as the best non violent weapon , large crowds. Obviously, if the marines are the only ones doing something . That's with apparently primitive weapons and basic intel then maybe they need help from non violent protesters. Not like BLM, or Antifa CIA back violent groups. WWGIWGA !

They should be looking into a guy by the name of Donald Marshall – Donald Marshall Revolution .com – and find out if on the level and where the centre is that he boasts about ????????

Clones are not real. Especially clones coming out of tubes of liquid goo in secret underground labs. Return to reality, people. You can't be this ignorant of basic biology.

They are showing they can grow a human ear on a pig about 10 years ago why can't it be feasible to create clones? The biology we are taught is not the biology they are using. Remember, the deep state

globalists control the politicians, who control the education system, who teach us our biology studies.

Your understanding of 'basic' biology is intentional brainwashing limiting your ability to think outside the box. You only know what they want you to know.

I would bet \$200.00 cash that the individual who recently photographed Nancy Pelosi naked is now under the supervision of the Military psychiatrist and psychologist for "post traumatic naked Nancy disorder."

OWD

How many times in the last few years have we been told we will eventually be able to "download" our memories and personalities into a computer program. If they are telling us about it now then they have had the technology for years. That would explain how a clone could just "walk into" your life as if they were you. If they can download they can upload too. That would explain Hollywood making the movie "The Stepford Wives" back in 1972. Isn't one of the Globalists agendas is to show or tell us what they are doing in order to gain more spiritual power.
