"Je nepravděpodobné, že by zadržovaní v Camp Delta byli klony," uvedl zdroj GITMO pro Real Raw News poté, co lékařský personál prozkoumal Nancy Pelosi, Jim Baker, Miguel Cardona, pět vězňů, jejichž jména nebyla dána RRN, a mrtvolu Jeffa Zientse. pro důkaz klonování.

Jak bylo oznámeno včera, lékařský tým ve Womack Army Medical Center, Fort Bragg, který studoval neživé klony Josepha Bidena a zesnulého Dr. Anthonyho Fauciho, našel abnormality naznačující, že proces klonování Deep State produkuje chybné klony. Nejpozoruhodnější je, že ani jeden klon neměl druhé stoličky.

V pátek večer byla vzteklá Nancy vytažena z klece a převezena do lékařského centra na komplexní vyšetření. Zaměstnanci ji museli uklidnit, řekl náš zdroj, protože se pokusila kousnout do prstů soudního zubaře provádějícího vyšetření. Měla své přirozené zuby, včetně druhých stoliček.

Lékaři také zkontrolovali její chodidla, zda se u ní nevyskytuje onemocnění zvané flatfoot, které bylo přítomno u obou klonů, ale Nancyiny klenby vypadaly normálně. Nakonec porovnali staré veřejně dostupné obrázky Pelosi s fotografiemi, které JAG pořídil, když dorazila na GITMO, protože se nezdá, že by klony dědily mateřská znaménka přítomná na skutečných osobách. Najít nesrovnalosti na Nancyině tváři, řekl náš zdroj, bylo prakticky nemožné, protože podstoupila řadu kosmetických operací.

"Měla požádat o vrácení peněz," vtipkoval náš zdroj. "Podle zdání to vypadá, že lidé, které jsme zkontrolovali, nejsou klony."

Když se ho zeptali, kolik buněk je přesně obsazeno v zálivu Guantánamo, odpověděl mlhavě: „Víc, než vám bylo řečeno, a víc, než si možná myslíte."

Řekl však, že všechny osoby popravené v zálivu Guantánamo jsou drženy u ledu a že JAG bude u zesnulých kontrolovat známky klonování.

LOL Nikdy jsem neviděl Nancy pěnu u úst bez ohledu na to, jak se na tebe našťvala! A Trump byl ten, koho nenáviděla nejvíc!!

“Finding discrepancies on Nancy’s face, our source said, was practically impossible, for she had undergone numerous cosmetic surgeries.”

Nancy Pelosi’s face IS a discrepancy.

Can you say “Dentures”?

Real people have normal teeth. Clones have baby teeth. So they pull them.

I think all clones need finishing off adjustments like implanted teeth. & Gitmo is not discussing finger prints ?????

—

(see RRNews here) The chinese clone protector for VP Pence while on the run and found by military had implanted teeth and no finger prints so he could not be identified.

—

Need more detailed scientific info...we can find more on the decent areas of the internet

Maybe like normal people the teeth fall out and the 2nd teeth come in at some point during the cloning process.

I always thought she had dentures, first because she is constantly shifting them in her mouth and secondly because of her garbled speech.

Then why was she talking that way even years before all this clone/doppelganger stuff came up?  
(Rhetorical)

Judging from her water glasses, i would say she's more of a vodka gal. They say, no smell either.

I'm just reporting what's come to me from GITO from sources I deem highly credible. If you believe otherwise, that's fine.

That's all we can ask. People ALWAYS make better decisions when they have FACTS.

Not when they are in the public eye, and desire to maintain their appearance. Nancy is a drunk, w/o a doubt, but a wealthy one that was determined to be president. Her breasts were enlarged, face lifts, sex with young men, and you think she neglected her teeth?? Wrong!! Personal secretaries set up and keep track of her appointments, not her.

I think we never really saw her sober, so it was less obvious that she was always more or less three sheets to the wind.

Alcohol Cause Slurred Speech. As more alcohol is consume, one will start seeing changes in their speech patterns.

If they had them, why didnt she jump into a med bed? Same with all the other ugly old crows?

I'm reporting what's come to me from GITMO sources I deem highly credible. That's all/

Im not really questioning you. Its just my thought about the secrets they were hiding from us, that you thing old prune face would have owned a med bed to keep her young!(as they claim to be able to do)

I'm thinking, perhaps their technology was not the same as what the military now have?

I personally would like to see a sexy Janet Reno, Ruth Bader Ginsberg and of course Janet Yellen.

There are no med beds, and if they existed they would sell on Amazon for \$2M each.

Does soros choose to look like that ??? all he's missing is a sidekick named cad.

Last edited 4 hours ago by Charlie

I've wondered why the deep staters and all their technology...all look pretty fucking bad at an early age....and don't age well....spots all over them...saggy/droopy parts...cartoonish looks.

Thanks for all the "Christmas gifts" of exciting, surprising, and even shocking news this week as well as all through the year. We appreciate all the hard work you do. Merry Christmas and God bless you and all the RRN folks and subscribers. Cheers!

Her shifting of the mouth/jaw had NOTHING to do with the alignment of her teeth! She was going through alcohol withdrawal. Tremors of the tongue/ lips are common if the biological body is starved of ETOH even for a short duration of time....when you are physically addicted.

ETOH. Ethanol which is alcohol. Alcoholism is a "disease" In reality alcohol lowers your vibrational frequency to dull emotion. Many, many people do this whether it to decrease anxiety or stress. In excess this can lead to suicidal ideation, loss of income depression. Basically it lowers your vibration.

Exactly. In fact, most of these particular beasts in question seem to have unlimited funds. More likely the mouth fidgeting/clucking about is an alcoholic tic of sorts. My husband & I were just discussing this while watching old live performances of fellas like Merle Haggard (NOT in same circles, just an example)~ who could play

guitar perfectly & sing on key, no matter how intoxicated. Yet he always has some mouth fidget going on, as if it may have helped him focus.

That's what I thought. Hunter Biden reportedly spent up to 70,000.00 to repair his messed-up chompers because of meth use and had to repair the crown or veneers or whatever made his teeth look flawless. He should have listened to Nancy Reagan: Just say no to drugs.

Michael, sorry but you'll see a few people here are not buying it. Gitmo seems to be avoiding some real missing details. Please ask Gitmo if they are doing xrays for metal implants on Pelosi and on the clones, what about finger prints? Love and appreciate your work though

Lots of alcoholics suck on their teeth, becomes a habit. With Pelosi, it helped her to slow down, get her bearings. Not easy keeping a lock on Speaker of the House.

Yes~ it seems to help w/focus. Same goes for constant lip licking, or other forms of mouth fidget.

Partial dentures. Regardless, if Pelosi originally had second molars, there would be proof if they had been pulled.

She looks like she has dentures – The way she sometimes moves her mouth. Dentures that don't fit right.

Maybe she had implants or crown or veneers. A lot of things can be done with teeth these days. I've seen people with smiles that literally glitter, and not with gold or diamonds, either.

Maybe they should xray her mouth for implants instead.....they look like normal teeth

She also seemed to not be able to stop her tongue playing with her bottom teeth all the time. The Clones did not do this.

I think that what we always assumed was Nancy Pelosi pulling on her dentures was instead a drunken tic.

Clones are JUST as guilty as the real evildoers. Even if they have been done over with plastic surgery or wearing masks, they are TRAITORS and complicit in upholding the stolen Presidency as well as other Congressional offices.

Duplicates are often way worse than the original because they can be programmed to do absolutely anything.

Clones or doubles does not matter. The originals are gone. And yes there are a lot of others. I was just replying to Linda Hutchison.

Yes. The real Putin evil died of cancer a decade ago. The real Musk has been long gone. This is all CGI, folks...Get it: NOT REAL

Clones are THINGS Linda Hutchison. They have no guilt or innocence. And yes they need to be destroyed.

The clones might be programmed to shout “do you know who I am/” defense like the arrested elites always say when arrested...

First thing I'd look for in a suspected clone is a “Made in China” tag somewhere on the body.

I saw something yesterday, that China has been heavily involved in cloning technology, & that perhaps even whole armies of theirs are look-alike clones. Expendables. Red shirts.

Well if Omnibus was \*dated and signed\* by Speaker of the House Nancy as Gitmo detainee, thereafter offered to Senate, then omnibus introduced by fraud, rendering void on its face.

Maxim: “out of fraud no actions arise”, also, “once a fraud – always a fraud”.

Already null and void since the DC Corporation is defunct, bankrupt, gone for good. The US Military is in charge under the Insurrection Act and real Constitution, Trump the Commander-in-Chief.

Kudos – Well said, Bravo.

US Inc. [DC Corp] currently as Nul Tiel Corporation, could say, in Abatement.

Correct as: Defunct.

Merry Christmas.

Well if that is the case, ALL appropriations enacted and voted upon by the US Congress since Trump invoked the Insurrection Act SHOULD BE NULL AND VOID. This would mean all those Federal paychecks are WORTHLESS.

I get the sense that many in Congress have been replaced with actors, & are playing out the last scenes of their corrupt drama for all to see. Of course, the sheep are still incapable of noticing anything wrong, because they're Democrats.

I'm pretty sure all they ever did was create money out of thin air with their various 'spending bills.'

This article and a few others in here have brought us closer to the truths regarding the collection and storage of non-reusable rubbish. Closer. We are not quite there yet, though. It is like the distant mountains that look quite easy to climb >>> until you are half way up, clinging to a rock-face, searching and groping for the next good grip.

Yo MB! Here's another one for the Deleted Items bin...

P.S. It's one of Bofa's many iterations.

Last edited 12 hours ago by QBall59

How many family members have you told about the White Hats capturing Biden and Fauci clones, Linda?

Ok here's one for you: Trump will never be reinstated and he probably won't win 2024 either. He's out of steam bro

Nah, buzz celebrities taken to Tierra Del Fargo, could ask Rita Wilson, who allegedly was provided Trans Atlantic travel by retro-fitted Hospital Ship during pandemic. FEMA is alleged to retro-fit [recycle] cruise ships too.

Buzz \*Eastern Airlines allegedly providing free celebrity one-way travel, lacking luxury seating to Tierra and elsewhere. Better seating & return trip tickets available for counsel.

There's many pedo celebrities in music & cinema that went missing [disappeared], though not through GITMO.

What I believe, celebrities seen in You Tube short videos were apprehended, published/uploaded by insider, in keeping their physical earthly presence alive in our minds.

Reminds me, Chrissy Teigen was one of those mentioned as being apprehended at Biden's recent bash. Wonder when mention will be made of her by RRN's sources?

Has to be bad in being picked-up by JAG.

Myself would venture into saying: potential child provider, could say, Maxwell protege, also artisan of setting Honey Trap.

Paul Pelosi could have triggered, and asked to testify again.

Suspect Teigen small potatoes in grand scheme, and won't hear anything else concerning her, as example: Elijah Wood.

Merry Christmas.

Merry Christmas John .S.. hows the storm doing over in NY? Over here its pretty much the usual winter blasting away.

Merry Christmas, currently it's a little chilly 10°F.

Waiting on Santa, put out cannolis for him, btw Santa doesn't utilize pronouns, it's still girls & boys with him.

Isn't she pregnant again? Some people don't have to have pregnant women in jail. but this paedo needs to be there.

There is a website "donaldmarshallrevolution.com", written by a fellow who said that he was kept in a cloning center. I don't know how much is true, but it is an amazing read.

AMG- News dot com also quoted the fellow who talked about two or three types/classes of clones. Read it three months ago. Sure was an interesting read. Blessings

If you have the means to take care of your teeth and you do it, teeth certainly can last 80 years. The teeth may not look as pearly white as in younger years, but that can be fixed with veneers, etc. My mother died with her own teeth at age 91. I plan to have mine as well when the time comes.

Agree..my mom died at 98 and her sister died at 93. My dad died at 56, but both his parents lived to be 101 and 100...all still had their own teeth. It's all about the genes, too.

Last edited 11 hours ago by PatriotGal

That's true. I have a condition called Enamel Hypoplasia. I've had tooth issues my whole life. It's definitely hereditary, since my dad had it. I'm sure it goes the other way, too, some people are naturally born with teeth that never develop a single cavity.

Teeth are a reflection of the overall health of the body, they are not separate. Teeth often reflect our outlook on life and each tooth reflects a different aspect of how we see the world. Such as the front bottom teeth that are the first ones a baby gets expresses our zest for life and taking a bite out of life, our enthusiasm. If they are dull and

fragile, perhaps we are afraid to try new things.... Genetic traits always need a trigger to expression, sometimes it's merely that we accept that it is so...

How did people come to know so many obscure things? Must have all come down from when people were wiser, lived longer. Or from angels, like with The Book of Enoch.

This wonderful dentist couldn't ignore that what she was taught was not healing people's teeth. She questioned why some teeth became weakened when others were strong when they were basically subjected to the same conditions. She started to notice patterns in teeth related to feelings, as an example, people whose front teeth were chipped were experiencing similar things in their lives with similar feelings, like fragility. She started to document the patterns, it works much like bio-feedback. She finds that when the person is able to identify and resolve their feelings, the teeth heal themselves. holistic. Pretty amazing.

I still have some of my baby teeth, & missing molars, & i am not a clone. My twin brother had extra teeth pulled. Bad teeth are a bane of my existence. I look forward to new teeth via med beds!

Same thing with my mom. She passed away at 91, with good bright white pearly, sturdy teeth. It was that generation.

Not true. Now if you said, "Don't have ALL their teeth", you might be correct. Details influence credibility.

Diet and heredity are important, but many have most of their teeth into their 90s. Both of my parents did at 79 and 82. My dad had a gold replacement for a tooth knocked out when he was young.

I caught that too. I am wondering if they "zap them alive" Dr. Frankenstein style, and if they have to be programmed.

I have faith in God and in our white hats and Marines. Looks like along with clones, we should be keeping a closer eye on Russia and China. Maybe we are, at least I hope so. If nuclear war happens, I want to end up in Heaven, not battling radiation. Thank you, Mr. Baxter for this update and may you and your family have a Merry Christmas and a happier 2023!

I can only hope. After watching that asshole from the Ukraine begging for more money, I wish Putin would put an end to him and his deep state buddies. Oh yeah, and get rid of congress, too. As my dear old dad used to say, “string ’em up”!

No nation that has nukes cannot set them off. The Galactics that manage earth, monitor ALL nuclear weapons and the detonator switches that operate on magnetics, to detonate are inoperable. They also will not allow atmospheric or underground nuke testing, only computer simulation. Back in the 1950’s, a B-36 was flying over NC and collided with another aircraft and the hydrogen bomb that they were carrying, failed to detonate after dropping to the ground, because of a \$2.50 mag switch failure, but that doesn’t stop nuke nations with nuke threats, though. They can still use nuke saber rattling fear to scare the sheep and they do, though. When a nuke is set off, it screws up the magnetic frequencies throughout the milky way. If the Galactics did not monitor the earth nukes, this planet would by now, be a dead unlivable planet and the galactics are not the earth myth gods either....

I have heard that other clues might be attached earlobes, younger looking skin, missing birthmarks. Regarding Gitmo I have also heard that hospital ships are being used to house prisoners too. There are at least eleven “gitmos” around the world. I believe we have the technology to override or shut off clones.

I have a flyable Clone with a camera attached. Are these types of clones on the shit list too...?

Cut their heads off with those Chanel designed, China manufactured Smart Guillotines. They were in his Obamacare bill, 100k of them.

Last edited 11 hours ago by Sue Grantham

All of those devices were sent to the FEMA Camps. We were 90% of the way toward dystopian hell, folks.

Thank you Michael for all your hard work in reporting the news you give us!! Merry CHRISTmas!!!

Wow, this is so intense! Praying that God's perfect will be done, in Jesus's mighty name!

When they produce a clone, does it function like a robot, or an independent human ? And what about the brain ? Does a clone know everything the original does ? Does knowledge transfer over ? Or does a clone need to be programed ? Would a clone answer questions in an interview like the original would ? I can't believe this is happening !

Just the sort of questions which should be on our minds all the time when grappling with the issue of clones. Shows you're thinking. One more question: are memories passed over from an original into a clone? And considering that big wigs have more than one mansion to dwell in, when the military pay a visit to any one of them, they might be greeted by a clone instead of the real thing. The whole thing's very confusing.

There are actors as well. With masks. I think the Biden we see is an actor wearing a mask

She lost that when she became an adult and married Paulie. Her dad was chummy with the Mafia, and her brother was a gang rapist, sadly for her. Who wouldn't turn nasty with a family like that?

What's weird is this demonic whore monster had 5 or 6 children. Can you imagine having that for a mother?

Hollywood has been telling us what the DS has been doing through their movies...

Total Recall, Blade Runner, Replicas, Oblivion, The Island, The 6th Day, Surrogates, just to name a few...

Something to consider Gitmo is not the only military prison camp having trials. If that earlier reported is correct . There's at least two other prison camp bases where trials are being preformed.( Cuba Gitmo , Mexico coast, Air Force hanger in Guam )( I think ,but,I'm not 100% on Guam! ) Plus, holding cells on the prison ships off shore. My memory not perfect if someone wants to correct me on that. Who knows I might of missed one or more. ( for some reason ,I'm thinking Obama had two of those bases named during his term! That turn into prison camps )

Killery's body had to be sent to Greenland. Too satanically active after death...a few others may need to be sent to Greenland

Her dead body was too satanically active after death? I'm curious Zee and not playing. What did the dead body do? Do they make it speak? Do horrible things happen around the body's location? Not that she deserved to "rest in peace" by any stretch of the imagination.

So is Diego Garcia mil base in the Indian Ocean and Kwajalein army base, that incidently launches supply missiles twice a week to various planet outposts that the SSP operates outside of our solar system....oh, what the 99% don't know...

Guam, Christmas Island, Iceland, Greenland, Argentina, Norway, Diago Garcia, Canada, to name a few.

possibly DC & London.

on ice, Antartica ?

Tiera del Fuega,Patagonia, Greenland, Iceland, Norway, the Azores, Diega Garcia, Crete, Guam, and one or two more.

Maybe after the big reveal. Everyone wants to see those dead bodies. Kinda like it was in the 1940s with the defeat of Nazi Germany and the Nuremberg trials. Everyone wanted to see and know everything.

Now' it becomes increasingly apparent that it was Nancy's Pelosi's Second Molars that damaged Paul Pelosi. After the initial incident' Paul was no longer interested in oral sex. It's a sad story indeed but do your own due diligence and rest assured second molars can be a deal killer.

OWD... Nancy's mouth quivering had nothing to do with molars. She was going through alcohol withdrawal. The tongue, lips and even the nose twitches when the the addicted body goes too long without ETOH ethanol. The central nervous system goes haywire. If you look closely on videos you can also see finger trembling. Obvious alcohol withdrawal.

I do not believe Nancy Pelosi ever exhibited symptoms of tardive dyskinesia or akathisia.

TD is a side effect of antipsychotic meds like haloperidol or olanzapine/zyprexa. Perhaps TD sx. However ETOH withdrawal evident.

Good news, executed are kept on ice for later proofs, later use in determining lawsuits. I would expect, if assuming that Joe Biden is a 'clone', that he would represent the normal quality of 'clone' manufactured by the Globalist Deep-State; barely lucid, incapable of following orders, wandering mindlessly, incapable of reading a prompter, acting demented.

Perhaps a demon is summoned from the Pit beneath Antarctica to give 'soul', some semblance of intelligent life to the Deep-State 'clone'.

I wonder if she was free, how much she would charge to haunt a house....?

Mary of “We the People” I watch on rumble has on many occasions showed clones that would freeze up or start acting weird until their handler snapped them out of it. These clones have no Soul ... they are unable to behave normally for long periods of time ... they must have handlers they can't function alone.

Wellsir ... the “or else” date has come and gone and the deep state hasn't followed through ... all talk no action? ...

Have we even got advanced robots out there? It is at the point where it is nearly impossible to tell.

This is good news. I figured they buried or cremated the bodies. But keeping them on ice will give them an advantage to see if any of them were clones.

Dear Mr. Baxter: As you cast about for subjects for your “local color” news stories, I'd like to suggest a brief White Hat foray into one of the larger Local Television stations. Nothing that might un-nerve the talking-head-traitors, perhaps yourself and a female “M.P.” You might arrive in their lobby, presenting yourselves to the reception desk, and ask for a word with the station manager. The sidearm of the M.P. will add the stamp of seriousness to your presentation. You both then might acquaint the station manager with the fact that all will soon be swept up in the mass arrests and that you've come to make a deal ahead of that stroke of doom. Would they pretend ignorance? Would they feign outrage? Would they break down and cry, sobbing that they knew this day would come? And, Mr. Baxter, take a camera. Such a story must inevitably come to the attention of the Pulitzer committee (after their release from prison). Your devoted reader (and gadfly), WrongWayCorrigan.

MB should get a Pulitzer when this is all over for bravery while writing in dangerous times

if Guantanamo Bay Dentist extracts all of her teeth she won't be biting anyone !

The Bitch has until Tuesday... Then the Neck STrech..

Good thinking – we don't want to see her biting the noose from off her neck with her gnashers.

Fancy that stupid trust. The dentist should have had an inkling it would be no different than putting his hand in a snake's / wolf's mouth. I hope Gitmo gets more satanic education to stop treating these non-humans as fully human.

That's good to know. We all want to make sure the real monsters are executed!!! Thank God for the White Hats and President Trump !!! God is guiding this show!!

I need to know our white hats are true "white" and not stained with pessimism, doubt or fear.

There's several things we know now . One, either the military is not telling us all the facts . Or their ignorant to what they have technology wise . From what's basic info an reported online about what they have. Secondly, why are they losing lives with all the technology we have to save lives from intelligence sources ,an preventive weaponry . Third , why doesn't the right hand know what the left hand is doing ( different branches supposedly not sharing intel relating to the facts.) Forth, wasn't the military supposed to of had new observed election for the commander an chief of the military? Fifth, whose funding this operation is it we the people or the World? Sixth, why would the military not know what was in the Covid shots if the people making the shots was exempt from taking their own poison. Seven, why would military allow citizens an military personnel to be forced to take a so called experimental medicine with a 99% success rate without? Not to include the wearing masks for something supposedly smaller than the fibers of the mask ! That didn't help instead made it unhealthy for the person

wearing it . All by breathing back in their carbon dioxide an causing more strain on the lungs for breathing. I have a lot more questions that don't add up an wish I could get the answers especially relating to any loss of life. For some unknown reasons. Hopefully, someone can make sense out of It all . Meanwhile people are burying their love ones an told to trust the plan. From my eyes it looks like that apparently was the plan all along! Question is why ,an for who ,or what cause !( What's wrong with this whole movie picture!)

I believe they are dropping crumbs for the people to slowly learn. I say release the truth and release Nesara/Gesara. Now. Stop the games/show

Jesus Christ, Jesus Christ, The blood of Jesus Christ Our Lord an Savior. John 3:16 !!! (MERRY CHRISTMAS )! Oh, was that to long for you an did it make you upset again! Then pray about an get help for your problem! I know a great physician JESUS CHRIST ,OUR LORD ,AND SAVIOR ! I won't apologize for my religious believe. But, I can see how you could be upset an maybe that wasn't the right thing to do . I apologize for the fleshy thinking attitude. An all I can say is to pray about it to Jesus Christ Our Lord and savior! Sorry , you have issues with the name of Jesus Christ an I won't say Jesus Christ anymore to you ! Because, I understand why Jesus Christ bothers you internally. So, being you probably won't pray to Jesus Christ I will for both of us . Then I will thank Jesus Christ for not only forgiven me for upsetting you with Jesus Christ name. But, I will thank Jesus Christ for forgiveness for you being your upset with his name above all names JESUS CHRIST, OUR, LORD AND SAVIOR! Love you, Jesus Christ an will always trust an serve you my brother who I'm joint heirs with from God , Our Heavenly Father in Heaven!( As a Kings Kid!)

Last edited 3 hours ago by Mikee

We're being fed what they want us to know. Sun Tzu: appear strong when you are weak, and weak when you are strong. Deception is a vital part of warfare.

Last edited 11 hours ago by Dave Strickland

I am still holding out for we all get to time travel back to like 1970 & not make the same mistakes.

Thank you for these excellent reports, MB! and RRN!!!! Stay safe. God bless you all and Merry Christmas.

I've wondered what they do with the bodies of the executed. I would think that if they buried them, they would run out of ground pretty soon. I thought maybe they would cremate them. I would just load a bunch on a boat and dump them a safe distance from shore, and let the sharks do the rest.

This cloning business has me confounded. I wish more would be revealed to us. Was Pelosi a clone as she "reverently" kissed Zelensky's hand at this infamous meeting?

Very obviously: have you seen the recent pictures of the woman, e.g. the one where she is with Chuck Shumer at a meal table, and the one where she is greeting Zelenskyy with Kamala Harris? Nothing like the real NP, and looking 30 years younger.

Last edited 11 hours ago by Dave Strickland

Obviously a clone !

And totally disgusting...

and what about that vote count for the bill ?

AOC actually votes with the Republicans !

Shocking..

AOC is one of the 'managed' ones. Remember, the DS of Congress have already been arrested, some tried in tribunals. Those that made a deal with WH are booted and manged to do as they are told. Those

that renege are sent to Spas. Obama made an agreement but reneged and he is dead as a doornail.

Ah yes, right before the American flag was surrendered to him who can forget THAT?!

Yes, I guess he was too tall for the regular human sized ice box... guess he holds his head on his privare parts now.

The originals did not have their molars, when the tissue used to clone, was taken. Check dental records and cross exam dates any contact was made. Chain lightning, utilize OSIRIS's network, Ali BABA, bed knobs and broomsticks, ricki ticki pick up dicki! The sticks have fallen, can You pick them up without touching the BLACK ONE?? Hmmm??? To solve the most complicated and diversified PUZZLES, the SIMPLEST and least "liked" answers will SOLVE. Find the COMMON DENOMINATOR, in "modern", it's the lying, cheating, and stealing. You give "them" energy and money, "they" give "entertainment" to enjoy during YOUR CONFINEMENT!!! Please, STOP, stop acting, it does not HELP OTHERS RESPECT UNITED SPACE -HORUS. Just ONE, of an INFINITE number of acronyms, that should be used to help GOVERN YOUR MIND!!!!!! And direct YOUR COURSE of daily actions, re-actions, and counter-actions. If "they" have to "lie", "cheat" or "steal", simply be the OPPOSITE!!! Piece of cake!!!! If RESPECT is not shown, it WILL not be returned, DAH!!! I see others ask "what's the issue, Joseph?", let me state it in plain language. I AM, The Creator, the PARTICLE, that started LIFE ITSELF!!! Yet, since I have always been hidden, behind an IRON MASK, or some other, HELMET, I don't exist, unless it's time to blame "gawd"! I AM not, a movie star, yet watch a lot of my past lives, being stolen and used in movies. Many, together in one, to appear as many others. The Iliad and oddesy were two "stories", I wrote, on a Space Ship, called The MARTYR, Mars Tyr. And I own, The Crimson Wanderer, The DREADNOUGHT, WAR TITAN. It's a machine, not a living being. I send my SOUL, the original KNIGHT, that is within me, to FIGHT, for The IMPERIUM!!! Waking up, time

after time, and seeing that re-incarnation is denied as the FACT, it is, PISSES off the IMPERATOR!! For the common “folk”, I’m not a threat, in anyway, unless You are upon the surface, of the PLANET, I’m about to PURGE!! Get it???! My ROCK, my RULES, my LAW!!! Stone Wall STILL, not Jackson!!!! I KNOW WHO I AM, and I OWN, EVERY FUCKING PIECE OF MATTER!!! And I do not give a flying FUCK, what any OF YOU, “think”, because YOU DON’T!!! Too many other worlds out there, yet this speck in SPACE, starts shit, while hiding in THE WEB WAY!!! I do not HIDE, nor do I consent to playing FUCKING “gawd” games, or “reindeer” games, with ANIMALS THAT FIGHT BACK, TOOTH AND CLAW. Tarzan is a REAL LIFE SAVAGE!!! So stop asking, demanding, or trying to calm me down. I’m simply little RED, and I SIGNED ON to FIGHT, LIVE, and DIE, if needed, to LIBERATE, the very population of heathen scum, that call me the Archenemy. I AM OMICRON, Ark Angel H-HORUS. As a Tech-Priest, my biological body, went beyond the 66% Tech, and is now the “machine Guide”, a digital, personal liaison, between the new me, and my BATTLE STAR. Yes, since the data before BATTLE STAR GALACTICA, The First Ordo/Order. Too many groups, simply forgot where, who, what, why, and too which extent, and many don’t Q-uestion, INTENT. It is only “heresy”, to lie or deny one’s Own Past, then “forbid” others to do the same. Hypocrites, criminals, rapist, etcetera, is the same thing as “heretic”. Van Helsing, a REAL Family, of monster hunting MONSTERS. Fight fire, with fire. Break down every word, they’re acronyms. Capitalizing a letter, means it’s a POSITIVE DECODE. im owed \$\$\$, by “them”, the “things” buying and selling, that which they don’t own.

I got through about a 1/4 of this message. Although crazy, its too much work to read. Moving on. Dude, for the future, think brevity, keep it short and a few of us may read it.

I have noticed a new Zelensky. Not only does he look different but similar, he has the extra “y”.... Look at the original Zelensky and then look at the actor who showed up in D.C. In the photos I first notice the new guy, he even is wearing the same clothes or rather sweatsuit to Congress. Who wears sweats to Congress?.

The “action man,” who else? There’s a war on. Nobody fights the Russians in De Lisi suits. Z-boy normally is a very sharp dresser, but now he is the Banderite/NNz CiC and he has to dress the parts in olive green.

Besides, his wife is benefitting from our laundered tax dollars shopping in posh Paris shops at \$40,000.00 a clip, and she lives in England with the kids.

Meanwhile, Ukrainians are spending their first Christmas in hovels, split up, women and kids in other countries, men in the war zone, no heat, no internet, no water, no electricity, and no food because the NNz are stealing food and medical supplies from their own citizens and killing their own citizens and horsewhipping their own bare-assed citizens for siding with Russia (and rightly so, because who likes mad scientists and paedophiles trafficking kids for the deep state), while the Russians have to help them out.

Yup, can’t do cgi if no pictures to copy Ha Ha & no clone made with a suit to fit his weird shaped body..only his combat stuff.

This is the fourth article in a row that mentions clones.

Clones are a MAJOR concern...

Arrests, MASS arrests and exposure on the MSM MEDIA would make OUR HOLIDAYS

I have a comment which I earlier refrained myself from disclosing out of judgment: How does anyone know for certainty that there are not any Trump clones?

You don't think GOD is capable of protecting His anointed? When Trump gets up before his rallies, do you think there is another person alive who can stir people with such fervor, such energy? Clones are more like ByDone, incapable.

If GOD is not behind saving this planet from the Globalists and Satan, then all is hopeless. Fear not, victory is ours.

I fear not. We are the GOD within. WE are are changing our world. YOU are part of it all. Matters not who is CGI, masked or otherwise. Earth has already transitioned from dark to light. THAT is a fact as we as the collective have now positioned ourselves to receive the truth... and you MB are part of this great awakening. Gratitude.

A v našem Vesmíru nejsou absolutně žádné chyby...pochopíme, když se naučíme vnímat s Láskou Všemohoucího a nepochybovat o této LÁSCE, která je tou nejmocnější silou ze všech.

MRD — Šťastný nový rok
