Ozbrojené síly loajální ke zločinnému Bidenovu režimu zinscenovaly útok ve stylu Zátoky sviní na Štědrý den na záliv Guantánamo, ale byly odraženy Bílými klobouky, kteří opevnili ostrovní pevnost v očekávání stávky Deep State, zdroje z GITMO a v kanceláři generála Bergera řekl Real Raw News.

Když slunce zapadalo a oblohu zaplnilo soumrak, řídicí letového provozu (ATC) na letišti Leeward Point Airfield navázali přerušovaný primární radarový kontakt s neznámým letadlem 20 mil jižně od námořní stanice. Bogey se objevil, zmizel a znovu se objevil a nevysílal režim C, což znamená, že měl neaktivní nebo deaktivovaný transpondér, elektronické zařízení, které produkuje odpověď, když přijme radiofrekvenční dotaz. Letadla mají transpondéry, které jim pomáhají při jejich identifikaci na radaru řízení letového provozu. Jednotky řízení letového provozu používají termín „squawk“, když přidělují letadlu kód odpovídače, např. „Squawk 7421“.

ATC vysílalo na vojenských frekvencích a frekvencích všeobecného letectví a žádalo bogey, aby aktivoval svůj transpondér a identifikoval se, protože se blížil k omezenému vzdušnému prostoru. Jeden kontrolor si udělal legraci a řekl, že Santovy sáně dělaly zastávku GITMO v boxech, ale jeho žoviálnost se vytratila, když se kontakt rozdělil na dva a potom tři jednotlivé kontakty. ATC neobdržela na své dotazy žádnou digitální ani zvukovou odpověď. Kontakty létaly příliš pomalu na to, aby šlo o vojenská letadla nebo komerční letadla; vrtulníky se snažily vyhnout radaru letem nízko nad obzorem. ATC vyhlásilo poplach a po celé základně se rozezněly sirény.

Jinde pozorovatelé na jižním předmostí viděli tři mechanizovaná útočná plavidla, z nichž každé drželo neznámý počet vojáků, jak se k nim řítilo. Na přídi každého plavidla byly dva kulometry ráže .50. Jejich přítomnost znamenala mateřskou loď, s největší pravděpodobností obojživelnou útočnou loď, 840stopé obry schopné nést 2500 mužů a ohromný náklad, tyčící se někde v neviditelné dálce.

Do té doby se zástupce velícího důstojníka GITMO, generálporučík Andrew A. Croft, dozvěděl o blížící se invazi. On a jeho starší zaměstnanci zůstali na základně o vánočních svátcích se stáhli do nedobytného velitelského a řídicího centra a naplánovali protiúder. Čtyři tisíce, pět set bojem zocelených mariňáků zaujalo svá stanoviště, připraveni na útok. Na základně, zapůjčené od US Army

White Hats, byly také dvě čety MANPADS vyzbrojené raketami Stinger země-vzduch odpalovanými z ramene. Bylo jim řečeno, aby se připravili k útoku na tři CH-53 Sea Stalliony, nyní jen pár mil od základny, možná s rozkazy ostřelovat GITMO nebo vylodit jednotky na území Bílého klobouku.

Vedoucí mořský hřebec, stále nad vodou, byl dvakrát zasažen a explodoval v karmínové ohnivé kouli. Rozdrcený kov a rozbitá těla padala do moře. Třetí střela zasáhla druhý vrtulník, zasáhla blízko výfuku a způsobila oddělení stožáru rotoru od draku letadla; ponořila se do vod jižně od zálivu Guantánamo.

Třetí mořský hřebec se dostal pod a dovnitř zásnubní obálky Stingerů. Střelec na dveřích zahájil palbu a zasáhl čtyři příslušníky námořní pěchoty a MANPADS, kteří hledali úkryt, zatímco zaútočil na vrtulník palbou z ručních zbraní. Kulky provrtaly jejich těla a padli mrtví.

Když se pták pokusil natáhnout, aby mohl znovu projít, dvě jednotky námořní pěchoty ho posypaly náboji ze svých pušek a skupinových automatických zbraní. Střelec na dveřích se zhroutil dopředu a spadl z vrtulníku, když se z motoru valily oblaky černého kouře. Dopadlo to neporušené na zem.

Mezitím čety námořní pěchoty zadržely mechanizované výsadkové čluny, které se pokoušely vylodit vojáky u McCall Field, zaniklé přistávací dráhy základny, a pálily zpoza ocelových bariér, skalních stěn a písečných berm. Dva udatní mariňáci se obětovali tím, že se vrhli vpřed a vrhli granáty do jednoho z plavidel. Byli poraženi, ale granáty zasáhly jejich značku; veškerá střelba vycházející z plavidla okamžitě ustala uprostřed volání o pomoc a naříkavých zvuků smrti. Zbývající plavidla obrátila motory a začala ustupovat.

Velitel nařídil všem silám zastavit palbu s tím, že bylo prolito dost krve.

Když se kouř rozplynul, z letiště Leeward Point se vznesl V-22 Osprey s rozkazem najít jakékoli plavidlo, které nasadilo mechanizované přistávací plavidlo. Piloti spatřili svůj cíl, obojživelnou útočnou loď třídy Wasp mířící na jihovýchod k pobřeží Venezuely. Na vojenských frekvencích vydali varování: „Nepřátelská válečná loď, nepřátelská válečná loď, jste varováni, abyste opustili okolí. Máme k dispozici dva, opakuji dva, torpédoborce třídy Arleigh Burke, které dorazí za několik hodin,“ a vrátil se na základnu poté, co se 30 minut potuloval poblíž plavidla.

Zdroj GITMO v pondělí řekl Real Raw News, že navzdory ztrátám na životech si síly základny vedly obdivuhodně a byly úspěšné při odrazení ozbrojeného vpádu.

“I think they hoped to catch us sleeping, you know, since it was Christmas. That our bellies would be full and we’d be languishing around. Well, they were wrong. Our fortifications held.”

GITMO has spent months fortifying itself for an expected attack; personnel began bolstering defenses and increasing manpower after the feds illegally occupied President Donald J. Trump’s Mar-a-Lago estate. They made other improvements in early December, following an ultimatum from the regime’s defense secretary demanding that White Hat officers surrender to him by December 22.

The source said “some” enemy forces survived the third chopper crash and have been taken prisoner.

“Their wounds got treated. They’ll be held as prisoners of war, enemy combatants. We don’t yet have a tally on their dead. If the other Sea Stallions were loaded to capacity, there could’ve been 55 troops on each. Right now, we can say 47 dead, including the disabled ship. We lost seven men, with 14 wounded. Overall, we were hugely successful,” he said

A source in Gen. David H. Berger's office, however, had a different take: he said General Berger, having reviewed the after-action report, called the White Hats efforts an abject failure. The amphibious assault ship, the general said, should have been detected visually and on radar long before helicopters left its flight deck and landing craft emerged from its well deck. The loss of a single Marine was unacceptable.

As an aside, GITMO ought to review its defensibility, as a massive naval bombardment would obliterate it in minutes. The station's personnel have only two means of escape, either by sea or fleeing north over the wall into Cuba, which could incite an international incident.

In closing, Real Raw News wonders whether the limited attack was meant to free Nancy Pelosi, who is scheduled to hang tomorrow.

"Nancy Pelosi will hang tomorrow regardless," a GITMO source said.

Sounds to me like this attack was merely a diversion for something big happening inside the prison. White Hats had better triple check that the Pelosis and other have not suddenly been swapped with clones

I don't know if those are lower level clones and they are not as good as the skilled clone makers, just like anything else in the world. Some things people make are garbage or practice or tests.

Remember Star Wars Clone Wars what did they know back then to make a movie like that?

Rumor has it they didn't use CGI to make that movie. They actually made a real clone army. The movie was made as sort of a smokescreen to disguise the existence of this massive army of real clones.

Anyone still believe the oathbreaking traitor DJT is still Commander in Chief. He waited too long. The military has no faith in him being in control, just like the rest of us, and will fall in line under Pedo Joe Biden. The white hats are TRAITORS and pussies. Anyone who ever votes for DJT in any future election is also a traitor. ALLOWING the past two years to transpire unchecked in INFORGIVEABLE.

Sometimes in life things don't always go the way you plan. But I always believe that God directs our path in life!

You are an angry person aren't you! Maybe you should run the world, sounds like you have it all figured out!

It does strike one that if the clones are meant to simply be swapped in for the real deal, their use as decoys is now discovered and impossible for the low-life's at the helm of their corrupt operation to use... Payback is a real biotch. And justice is coming.

How True ! Sharp ! They're easily spotted also cause they don't look gorgeous like Jan ! Sorry Jan , couldn't help myself Holidays & I'm back to drinking beer A

& W for both of us Nick , NBS

With all the technology the Deep State has, one has to wonder why they don't teleport their people away from there. Could it be that they want these people caught and are only pretending to be concerned?

Only clones can reliably use Deep State teleporters. The teleportation process can cause molecular instability in true organic beings. Especially with repeated use.

The 2003 movie Timeline (based on the Michael Crichton book) talks about that in the first chapters. The molecular reassembly of organic life forms isn't pretty. You get half of your body attached to the wrong half down the middle, etc.

Always? Portals like any tech can be divine natural or technology.

To wipe out GITMO, means to me the enemy hoped to avoid being processed there. I can guess that will likely ramp up what they have to do after being attacked.

Where is their base of operations? Cloning lab 100 feet down ain't squat. Parking garage at the library in Santa Monica, CA goes down that far...What happened at China Lake, CA way out in the Mojave under the AF base when they had that strong quake that rocked us like a boat in coastal side of LA for 20 minutes? I heard space forces wiped out that MK Ultra base underground of China Lake, CA in that quake. MK Ultra is how they create a surface level deep state.

What happened to those operatives running that shallow level cloning lab though? The circumstances of departure? Did they have the tech to port out, beam up, or descend down more in some elevator shaft? Someone got them out of there. and faster than they could pack it all just like the human meat storage in North LA county...

So thankful that China Lake underground MK Ultra labs were destroyed! That was a very evil stronghold of the deep state. They were taken down and their plans are OVER! Hallelujah!

From what I've heard, the White Hats have taken that ability to escape away. That's why we are seeing their desperate moves (trapped rats).

Being , Space Force, Air Force , Navy, Army, Coast Guard, are not part of the military White Hats . I wonder why they haven't nuke Gitmo or used rods of God on the base , yet ? Because maybe they're with the military ? And if that's so . Then, why casualties ? Being obviously ,they would be aware of what's going on . Then would notify Gitmo marines of the situation . If they wouldn't eliminate the threat to Gitmo themselves. Considered both options with them being against or for the white hats ! Why the fairy tale stories that don't add up In the end ? Unless, third option is that none of this is true and we have been lied to about all of it ? Who knows? But, I won't be shock to hear in the next story . That they've gone back to using a stone in a sling . Or a jawbone of a donkey to fight back with . I'm not sayings either of those options wouldn't work in the hands of a master at using those options . Especially, if God is on there side for battle. As we should know if God be with us Who can be against us . Just look how he made that point over an over again in the Bible ! By using the least of these to win wars . That's when he was on their side for battle!

Soon! She is hanging tomorrow or they may have hung her already to ensure it happens without a hitch since we are in a kinetic war now!

The Space Force is part of the White Hats, they have been collecting all of the election and voter fraud information along with International interference from London, China and the Vatican to name a few.

There are only 8 people that know the entire Plan, all others are compartmentalized on a need to know basis. Even Generals are in a need to know basis.

Below, some are suggesting that the attack was due to Pelosi. She's had her run and is now disposable. I believe it for a couple of reasons, taking out the clone lab and testing the firepower of Camp delta. Now they know the defenses of GITMO and their resolve, thus new tactics will be needed. Also, Mr. Baxter specifically left out the nationality of those captured and what branch of the military they belong to. Thus, they could be USA soldiers or not.

The one General that should be arrested, taken into custody right away, relieving him of his command at Fort Carlson, CO as an enemy combatant is Major General David M. Hodne, whom it is known has committed treason to the Republic of the United States of America.

I agree. Nancy is disposable. She already stepped down from her position. This just leaves tactics on the DS next move, since they know part of Camp Delta's defense system.

Wasp-class Amphibious Assault ship, a miniturized aircraft carrier, has a range of 9500 nautical miles and can hold 1600+ troops. The Arleigh Burke-class destroyers are not only guided missiles but built on the Aegis system. Fast in excess of 30knots but half the range of the Wasp-class.

Also we all have to remember that Venezuela is a C_A strong hold.

One little distinction – – Navy amphibs don't carry troops, they carry MARINES (which are under command of the CINC, one Donald J Trump!!

no military expert here , but.. Good point LeeLee.. accurate observation.. I think you are correct.. What do you think ? CIA mercenaries ?

It is true they carry Marines... BUT in this case I'm correct as to people/troops... Marines won't shoot on their own. Plus they hold the Constitution to heart!!

They can carry others besides Marines, too. These are not normal times.

My first thought was that they would find out the weaknesses of White Hats. My second thought was about Cuba. Wouldn't they just love a diversion/crisis there ?!

Has anyone noticed that everything comes out of Venezuela . This attack ship , and the Fema ships ? So, what country has their military ships and people there protecting Venezuela ? Whose funding them to protect them? What's wrong with that picture? Oh, I forgot don't ask questions and research anything! That would mean you could be considered a free thinker . Instead of a ignorant brainwashed person just doing what your told . Basically a human robot without a opinion on anything. Only what your program to think. Communism and Socialism thoughts for a One World Government and a One World Religion called Chrislam . All for the Antichrist to rule you. Yeah no need to research or question anything . Just follow the heard off the mountain top . Just Keep saying everything going to be okay . Because, that's what they told you think and to keep follow the heard just like during Covid with shots, mask out of fear . That only made you sicker and eventually will take your life . Don't question or research anything just believe whatever your told.

Zee are you like Doctor Jekel and mr. Hyde story? Because to me ,I think you have a twin. Who acts like a good brother . I wonder who it could be and maybe it's someone connected to a 3 letter agency? Have you looked in the mirror lately? (Zee are you the troll ? Who also plays Multiple roles of other people that we know. Like for example someone with a code name — — — . You know who I'm talking about don't you Zee . Just admit it . Zee the troll #.. name — — — .) Just admitted ,Troll !

Only ignorant people took the jab...Venezuela is a communist hot spot, Hitler and all his goons went there after the war. So Ya if you do your research you WILL learn something...Plus C*A has is stationed there and the voting machines that stole the election came out of there...GO figure why all the enemies of USA are coming from there. I guess ignorance is bliss, huh?, YOU can say stupid things all day long.

Hmmmm, what “if”, just askin, what “if”, EVERY MYTH, is/was 97% FACT with a 3% “embellishment”? Just Sayin-JS. Some CRITICAL THOUGHT, is required. Very, very few “THINGS”, actually follow “laws of physics”. It’s about WAYS of MANIFESTATION. R.L. STINE, REAL LIFE. Hmmmm??? I can see through things, because ALL MANIFESTED MATTER, REMAINS MATTER. It can be “made” smaller, but does The INTELLIGENCE, “depart”?? Nope. Is there a “WAY” to connect to “the “other” side”??? Yep, yep, and yep. Anywho, not lecturing, or “preaching” simply THINKING. It’s FUN. Anyway, a certain biological “SPECIMEN”, seems “immune” to a LOT, of hmmm, EVERYTHING. GTMO, has, Hmmmm, a LOT, and it does not ALL, Self-RELATE, as Hmmmm, “hoooomawn”. Ants, make amazing INFANTRY. Birds, Bats, and OTHERS, LIVE ON THE WING, and FLY WITH UNCANNY SIGHT. A FEW, 299, to be exact, are only “locked” in any “CAGE”, because they “were” content, and simply waiting. 10,000 years, a nap. Aegis-Atum-Atom, same “thing” Pssst, TY, Mr Baxter.

Caucus mts and many other cavernous areas, utilize extreme caution. Nature has OUR OWN MARINE CORPS, SAME CONSTITUTION. TPS-XXt-50k-3x5x6 fire up THOTH AB CYCLONES, 3 VGL Prosecute. Some of what is factual historical TRUTH, is extremely ANCIENT, yet repeats, since “they” protect a veil of secrecy, I DO NOT.

Don’t forget about FEMA. They have barges in Venezuela, so what else could they have? FEMA in Florida after hurricane, being bad guys? Maybe, fake story to set up DS, or more bad actors showing

up?

I was Navy from October 1985 to March 1999 Army March 1999 to February 28, 2017 a few years (3) with Navy and 3 deployments with Army the rest Reserves but Navy Ships don't leave Port unless they clear the higher ups just saying now the Amphibian ship might of already been underway and asked to be diverted to Gitmo but Biden may had ordered it to Don't know how many on the ship are pro Biden or pro Trump a lot of Questions I know.

I doubt the deep state arm of the military tells all the divisions what the others are doing. Most likely on a need to know basis only. You don't telegraph your intention ahead of time.

Perhaps, but the number of choppers used in the attack, along with the landing craft leads me to believe it was an all out assault on the base, with the objective of actually capturing the base and holding it indefinitely.

As good a guess as any. Hard to believe the assault group was so uninformed as to the strength of Gitmo's defenses and it seems the interlopers may have, should have suffered heavier losses than reported. Without the identity of the attackers speculation is our only recourse. The real threat, in my mind, is a combined land/air attack from within Cuba if the intent is to capture the base. A sea/air assault does not make sense. Any idea of making off with prisoners would have to wait until Black Hats were in full control of Gitmo though and that would be no small task. No, this sounds more like optics with some harassment value.

Depending on who the high value detainees are a mission to capture those makes some sense. An ariel or naval bombardment would level the base and those high value detainees would likely not survive should their survival be important to the Creep State.

Were there to be a land assault, it would result in war btw Cuba and the US—if Cuba allowed it—which I doubt. ! Anyplace a land assault would occur, the Cuban military would either have firefights (in which the WH would help) or such a tightening of readiness would warn ahead of time an incoming invasion.

Or Arkancide??? Gitmo is full of cameras...

Maybe this was a test.

I would have had the V-22 Osprey fire upon the vessel, just to resend the message.

So now we wait to see what the destroyers say & do...

THIS WAS MORE THAN A DIVERSION YOU TROUBLE MAKER....

..

People be more discerning—you're like sheep.

50 of you up'd him????

..

He's Shill #90

..

I have a list of more than these Bots & shills.

Gen. Berger and staff at Gitmo, stay strong and True for yourselves, your Families, your Oath of Office, as well as the preservation of future Human life our Nation, and home, Mother Earth! Stand as men in Honor of your word! Destruction of Humanity and life itself, Is not an option humanity should willingly entertain, when, supposedly, all Americans pay taxes, and their taxes pay for our Government and Military? Secure our Nations Borders, Stop your job, Stop your mass grift 1.7 trillion Now. Mr. Pres. Trump You have sat back and watched the destruction of your own Nation. If you were in charge, something would have been done. You are clearly not in charge, and reluctance to act has cost you the confidence of the American People. We see you clearly Mr. Pres. Trump. Peace.

Larry

DS is crumbling down.

They will make a last attack, when, nobody knows but they will. We have to be prepared.

Give them hell.

Even if they had the codes, the Galactics would not allow nukes to be set off, because all nuke device magnetic switches are monitored using 30 deep orbit satellites, preventing detonation...They will not allow any more destructive world wars using armies or nukes to. Nice guys to have on our side..

They will probably stage Phase I; a fake space invasion using their Dogman developed clones as cheap space invaders attacking humans. Supposedly they bred 10K of these nasty looking things and dispersed them in Nat'l parks and other places, especially in the eastern states it seems...

The deep state isn't exactly made up of viable intellects. It is rather funny when observed. They don't seem to know that there is always someone bigger, better and smarter.

Yes, especially in the spiritual realm. We have for us the King of kings and Lord of lords and most importantly above all.

see fight of DS.....in the UKRAINE.....and your last sentence said it all... they soooooo much underestimate VVP.....

They are narcissist criminal sociopaths , operating through arrogance and ignorance, both of which make a dangerous combination.

Heartbreaking loss of life..... I pray for greater defenses to be created to stem any further possible attacks..... God bless those who fight for our freedoms.

Thank you Michael, for your great and timely reporting. It just makes me so very sad to read of Americans killing Americans!

Its Not Civil yet, not by any stretch of the imagination. Thats what they want though.

yes it is. when Americans are killing Americans that's Civil War. does not matter if they are Civilians or soldiers they are Americans fighting Americans which is Civil War. you need to wake up.

Happening in every city across this country."Americans killing Americans", This is sad because its our military, but the lines were drawn by the DS. Must defend the base. I feel the same way about our Border. WE are being invaded and our military is not permitted to defend our country.

One side was committing treason, so they were no longer US Citizens and had no rights. This article describes Americans killing enemy combatants who were no longer Americans.

The shills and bots & nasty Trolls are doing this... I complained to MB about it.... I put you "UP"

We don't need a public accounting of whome people believe are trolls on the forum. We make that determination. Thank you.

That ZEE is an emotional unstable feeling self made important person. Anyone have to agree with her opinion otherwise she will call opposite person troll

Unworthy person

Do you need to hire a forum babysitter?

Great report MB. Sad it has come to this, but as I keep hearing, "this is just the tip of the iceberg". They have had 2 millennia to get dug in this deep, I don't see getting rid of them in just a few years.

Same here @Leslie @Sandy~ except for possible rank & file who may not have known WHO or what they were working for- or against, as my veteran husband just pointed out. They only need a few in so-

called leadership... I'm having same conversation over here. Sadly, this is often the case- whether under the guise of "their own protection" or more nefarious gain. These people truly are as sick & wrong as it gets. Praying for resolution. #Ephesians5:11

Sources believe they were Americans wearing US Armed Forces uniforms—not Marine, though. I'll give more details when able.

It will be interesting to see what the captured combatants say they were told about the situation. Most likely they were lied to.

There are a LOT of SHEEPLE who STILL think we have free and fair elections in this country and many are GODLESS and don't have the SENSE God gave a GOOSE! Even if you thought you were RIGHT, wouldn't it be good to see WHY the opposition believes what they do?

They're not just sheeple, though. Sheeple, to me, means mindless. Take a look at some Twitter comments regarding Kari's lawsuit getting tossed. There are TONS of nasty people full of so much hatred towards conservatives and President Trump. I actually think voter fraud is perfectly okay with them as long as it keeps liberals in business. Sheeple is like my husband who's in denial. Not these crazies.

I have found examples of people being lied to by the media as far back as the French Revolution. Same thing with the US Civil War. Others have researched WWI and found all sorts of lies about that war. Combatants on every side fought and died over lies. The winners? A small number of rich greedy psychopathic people who profited from the war and were able to remove monarchies everywhere in favor of elections in which they would control who gets elected. They even have had their people take charge of higher education history, so history is written in such a way (ie., more lies)

that hide what really happened. And the general population believes this. Why? Because the History department of University of Oxford said so – so it must be true. I could go on.

You are right and people need to question everything they think they know about history... especially wars! History is written by the victors every time!!!!

Hmmm, fact, I can't "prove", but a fact, GARNEL WASHINGTON, a black skinned male, was the actual FIRST PRESIDENT, the piece of crap "king George" aka, the "evil" faggot, "winston churchill". Reincarnation of the same turd. "Somebody" wasn't hmmm, here, as in the SPACE, that "crap" happened. Telepathy is very REAL. "They" are in an open aired, watch every move, record every thought and action, CELESTIAL COURT ROOM. DARPA, assisted, "them", KNOWING, 1 HIDDEN FACT. There is ALWAYS, a CRAZIER, GRUNT!!! "They" KNOW, and are frantically scrambling. The "things" crawling out in "parks", aren't "things" and are TELEPATHIC, and UNDERSTAND EVERY LANGUAGE. Wi read too.

Just like the possibility that is what happened with the ambush in semi trailer? Military came from Colorado, commander Biden puppet, lied to the troops?

NO way in Hell was this a legitimate operation. Integrated planning doctrines typically have multi-mode attacks, including plenty of operational deception, false fronts, reserve forces, contingency plans, air cover, cruise missile support, in fact, the entire operation was very likely non-existent

And the theory that it was all to take out Nanc before she blabbed to the white hats is equally crazy. Good probability she was taken out a year ago and already processed for any useful info.

Happy New Year, y'all.

The White Hats are good, the others are NOT Americans!!! They are traitors. All of them need to follow Ole Nancy to the gallows!!

Very sad. Didn't the same thing happen on Berger's watch involving the sting of a truck in Colorado? Is that why he resigned?

That still bothers me because we didn't get any update how that happened. I wonder what's still in that area. I wonder why they didn't attack the place some more but maybe they had to make a deal or something.

And there was over 20 US Marines killed on the attempted take down at the Federal Reserve Bank in DC . I one US Marine killed in the truck incident in Colorado.

I think he was made to retire because he kept going back and forth between Trump and DeSantis. We can't have that.

They were probably mercenaries, thinking their operation would be a easy cake walk. Maybe Gitmo needs the "guns of Navarone" for a bigger show of force...

Whom ever the members of this attempted assault at GITMO, they were under the direction and command of the CIA, that carries out the operations for the establishment inbreds and zionist , satanist jews , aka Deep State

At the start of the article, I thought to myself, "wonder if this was to free the traitor Pelosi?" Then you stated the same at the end. If it wasn't about her, the timing is interesting...

I thought the same thing. Much to lose if that bitch swings. Who knows? She may have a lot of dirt on those higher ups and planned to use that info as a safety net in the event she was captured. We can't trust anyone even our military; only God!

There are laptops belonging to other members of the US Congress, members that have not yet been arrested or known to be arrested that are of issue as well.

We can ONLY trust God, but right now WHITE HATS are a part of God's Rmy to protect America. Deep State and Black Hats are Godless and are minions of Satan.

I am sure she already sang about all she knows of her fellow deep state all that needs to happen is tomorrow hang her high.

There is no way Pelosi is that important. She lost speaker of the house, and she like Biden can barely speak a complete sentence. Now the Pelosi residence in CA is emety and needs less security. Fauci is more important than her if they still want to spread disinformation on the covid jabs to be successful to the people. More people will listen to him than her is all I'm saying.

I'm still not sure why GITMO? It's only like 20 miles away and an easy target to get to. Heck if they wanted they could lob missiles at it from the US.

This really doesn't make much sense to me, unless there are targets there we don't know about, which I'm sure there are.

Most of the people of any value have all ready been hung from what we have read.

They can break Epstein out but GITMO Pelosi they can't? Figure they were sent to destroy GITMO if they could. They didn't seem to have what it takes to do this. "They" being the one's left on surface earth not too far down with secret places. Maybe they don't want to be blown up like the cloning center or brought to GITMO, so they aren't on a rescue mission, what they know is GITMO is a threat to deep state surface operatives. I'm surprised Trump isn't accepting Russia's help by now. Anything way underground I guess is protected with nuclear blast doors and however they protect their spaceships. This level of military at GITMO or under Gen. Berger's orders, don't

sound like Supersoldiertalk.com and not know how to get way down under where other action is. James Rink had a really good video out on Disneyland being the Ponce de Leon fountain of youth explained what it really is. I had a navy friend who reached 74 yrs and suicided himself after his people got jabbed and sold the house...they didn't know there wasn't a virus. It was odd because he had just rented a Public Storage in Joplin right down the same road the 44 from that cloning site. All he knew was he wanted to move to the Missouri Ozarks. stinkyperfume at the shouting site.com

The White Hats haven't even scratched the surface on "the people of value".

Fact is we know only what they want us to know. We can't prove any of this.

I heard a guy say "once everything we think we know is a lie, they have won".

I doubt if it was an op with the goal of freeing Nancy. She might have more value as a martyr to the cause, now that she's not the Speaker of the House anymore. Maybe the DS will make her their Joan of Arc.

I'm much more inclined to think this is payback for smoking the cloning lab. That to me is the hugest news to date. Nancy's dispensable. Any one of them is. But you start destroying their clone labs, then you're pulling the weed out by the root. Hope we find every last lab these sickos have built and blow it to smithereens. God hear my prayer.

I read there is a huge cloning lab under Buckingham Palace. Saw pictures of rows and rows of active/occupied tubes, don't know if they were legit.

This day and time, I believe little I see and less that I hear.

I keep searching for the truth. Hopefully, one day I will stumble upon it.

Understand there are 5 more individuals that were taken down along with Nasty Pelosi, that have yet to be identified at RRN. 5 more individuals that are UNKNOWN as of yet. So if this attempted assault was about liberating or eliminating a detainee/s at GITMO, it would likely be one or more of these 5 recent detainees taken at Tyler Parry's White House in or near Atlanta GA. And again this assault could very well have more to do with something else, like testing the Defense capabilities at GITMO facilities, not just in Cuba but other GITMO facilities as well. there are also any number of detainees at GITMO Cuba that may be targeted for liberation or elimination that no one at RRN is aware of just yet. There are other possibilities that I will not discuss.

Now can we act like we are at war and eliminate this regime completely President Trump.. They have proven they must be taken out. No more chess is needed.

You tell us. The movie has done its job. They have everything they need to finish theirs.

All of these SHEEPLE have not yet awakened! I heard they would like to get the believers in the Republic to 80% (that means Biden would have 20% support) to make the final moves. One, we don't have ENOUGH cells to hold all the traitors at once or enough JAG for the Tribunals. We want the duly elected President to be supported once he returns. Otherwise, you will be seeing massive bloodshed in American streets. The AVERAGE American knows NOTHING about the steps to be taken to unseat regimes that don't belong. Sit back and watch and continue to pray!

the masses will never awaken. especially while being compulsively lied to for 6/7 years. You can awaken them or you can preserve their precious feelings but you certainly cannot do both. Tell the masses the truth and lets get on with it bf millions more die from the death jab.

I think the sheeple and the normies are the problem. All this is completely outside their paradigm and doesn't compute. The idea of an American attack on an American military base is more a stretch than they can deal with, and I can sympathize with that mindset. It really is pretty hard to wrap your mind around. We think of civil war as being fairly normal in banana republics, but not in a first tier economic world power like the U.S. Our government doesn't get hijacked by criminals — right? It's just too bizarre and incomprehensible. And that mentality is the biggest thing the DS Cabal has going for them. They know that if the normies wake up, it's all over for them, so they captured the media to hide anything real from the public. Our job is to drag them, kicking and screaming, into reality.

An American attack on a Military base, or secure installation has been done before, this is FACT. One such incident was reported right here at RRN

Apparently they got 80% 2 months ago. Most of those left over are elderly or rely on the MSM and therefore don't ever see any of the "wake" up news. Its should not be our job to be punished for those that won't awaken.

The sheeple are awake. Some blindly follow Biden for the \$\$\$. Some follow Trump. I heard earlier in 2022 that it was up to 75% for Trump and still nothing happened. The goal post keeps getting moved.

You all have forgotten the J6 Appeal decision from SCOTUS from the Brunson Brothers that simply pointed out the failure of Congress to investigate the 100 voter fraud reported. Thereby committing a violation of the Constitution resulting in treason. A favorable verdict means, 2020 and 2022 elections are illegal. The end of the biden presidency, his staff, all the congress individuals will be arrested for TEASON, and President Trump will be re-installed as President of the Republic of the United States of America.

This is the ending of the Deep State and the military on the wrong side will wake up to the truth realizing they have been lied. No civil war, all the “elites, globalist, evil beings” are eliminated and finally this country pieces itself back together and becomes peaceful and wealthy again. That is how the movie ends.

GOD ALWAYS WINS!!

A ruling by SCOTUS may be made but that will not necessarily end the invocation of the Insurrection ACT and the immediate installation of President Trump.

You don't know this! Keep in mind they only have ONCE chance. The most microscopic fuck up could screw us all. Take it easy.

I'm sorry, you are such an asshole that my head might explode. YOU, an absolute nobody who probably couldn't last for two minutes in a grade school debate, knows that a **WORLD-WIDE BIBLICAL WORLD HISTORY EVENT** has **ALL IT NEEDS** to proceed? Your stupidity, alone, should go down in history!

You people are unimaginable fucking morons. Jan's comment means do you not think he realizes that and does not know what he's doing? Do you cat turds not realize the razor thin line President Trump is on and that he can't make one microscopic error or we'll all be fucked? Can you **POSSIBLY** imagine in your pea brains the delicacy entailed in something this worldwide? You're acting like it's a problem in your neighborhood. He's about to **CHANGE THE WORLD** you low IQ idiots!

100%, destroy them before they can do anymore attacks. The destruction they have done to this country is staggering. Time to viscously retaliate and completely purge all these traitors. There are millions of Americans willing and waiting to join the fight ASAP.

It is hard to believe that anyone still supports Biden, but they do. My ex told me that his very liberal, apostate brother, thinks Biden is the right man for the right time in history. What does that mean? Many

people will never wake up. Their minds have become mush no matter how smart they think they are. I can count at least 100 people in my family line that fit this description. I am a voice in the wilderness.

If they have been bleeding heart demon-rats all of their lives and if they denounced the crats, then they would not be seen as “cool”, to their wokeycrat peers! They’d be tossed out of the clan as a turncoat, so they cannot cross their Rockefeller owned party and have to go along with all of their lies....no matter what...they are stuck...

I’m sorry, but, you’re incredibly naive. WHAT did you JUST read above? Eight White hat military personnel murdered. A ship the size of a small country undetected? And THIS means everything is in order???

Sounds like you fell into the DS trap. Fight amongst ourselves and win the war for them.

The military has the constitutional authority and evidence to take out the fake Biden admin today and reverse the elections. Nesara should be really starting to happen but its not. We are the only major country in the world not protesting by the millions so the damage has been contained but Patriots patience is running very low. This is not by design. They expected a wide screen spectacular when R v W was overthrown and it didn’t happen.

According to Judy Byington, supposedly Nesara was released yesterday or today. Tier 4B (us) will be notified some time this week. If so, we will have to execute NDAs. We’re close.

Did you read the part about her posts being their “opinions” and “we think”. MarkZ puts it in his post too. They have been kicking that hopium goalpost farther down the field for months.

Hopefully, somebody will get it right SOON!

Iraq has been playing games with the Dinar value, hoping everyone will get tired of waiting and cash out at the lower rates. We have to wait on them. It has been told that we will be last.

I have to agree with Gen. Berger's assessment of the situation. The military is supposed to have access to top technologies and stay one step ahead. No excuses.

As for Pelosi, I say move the date up and get it done now. It's not like they haven't done that before.

My uneducated advice is to IMMEDIATELY have Pelosi inspected to ensure she is not a clone and IMMEDIATELY take her to the gallows...today!

I feel sorry for whoever had to do that inspection. would be like inspecting the devil himself plus she is about as disgusting a human being as there is. Gag-puke-yuck.

Yeah, they had to sedate her because she tried to bite the person doing the dental exam.

More than likely they were there to shut up Pelosi permanently rather than take any chances she will talk.

Nope. They had already wrapped up everything they needed on the hag. Maybe THAT is why they attacked.

Damn straight! it amazes me how many people here think this is such a huge win! To me, really shoddy.

Nancy Nancy quite contrary, how does you garden grow?

With many hells and many shells,

And jackasses, all in a row.

God ... do unto her as she's done to others.

Not if Baxter has a source there. Not saying he does or doesn't, or that it's not just something being spun at him. Just that if he does, it's not questionable. People need hope with Joe Biden still at large, and leaking this stuff makes a lot of sense from a few perspectives. Whether he knows it or not, Trump needs public support. He can't

just surf on 2016 rhetoric anymore. Berger definitely needs it. Most people don't even know who he is.

I'm skeptical, but there's not really anything here that doesn't make sense to me either. If there is criminal government, some men at arms not going along with it is expected. The criminals trying to hide their setbacks in the media also makes sense. Criminals in power using doubles definitely makes sense, and we've already seen some very suspicious things with Biden. Earlobes changing over night etc. Stalin had many doubles. So did Hitler, Churchill and most of the WWII era politicians. It's not new. And if you want to hide losses, you'd keep those doubles running so the public doesn't catch wind.

The real Joe was dead in 2018. Its probably the reason there were no large election rallies for him for 2020. The "different" looking Joe started appearing near 2020. Thats why Trump always said "Joes hiding in his basement". "Wheres Joe, wheres Joe?" And thats why hes been saying "Joes shot". Hes not talking about mentally shot.

Trump said, "Joe got his shot. He was taken care of". He made it sound like the context of vaccines, but we could read the message loud and clear. Just like he said, "Nancy is already out of the country". Of course, GITMO.

If that's true, then Ashley should be relieved that he is dead and can't molest or rape her, or Hunter, or the grandkids anymore. Or any other kids anymore.

I wonder how much memory survives if any for a clone of it's criminal and other tendencies?

Anyone should be able to see that the resident is not Biden. People are lazy. They are still believing the MSM and the rest of us are supposed to wait until they are red-pilled. The Revolutionary War was fought with a small percentage of the population. Why should this war be any different?

I obviously meant the Royal Joe Biden. Whatever husk is presently pretending to be him. That sort of thing. I just prefer not to spell all of that out every time I talk about the entity formerly known as Joe Biden. I don't care if it's his senile self, a double, a clone or Jim Carrey in a comedy mask. Surface politics is fake and gay. I take that for granted.

One of the Prophets today, Julie Green said God has told HER a Congressman and Senator will be outed!

has anything she has ever said actually taken place? ive listened for a decent while and shes like 0/199388483434.

I read where McConnell was taken to gitmo on 12-7-22, along with Paul Ryan, Lindsey Gramm, Chuck Shumer and twenty others for treason and seditious conspiracy

Hmm! I don't know. Look how long old Paul stayed with that bitch because she'd make his life even more miserable than it already was and blackmail him into oblivion. I wouldn't be a bit surprised if she had some real incriminating dirt on others and threatened to use it if she had to. Her evil knows no bounds.

Not necessarily. He may have actually had a soul and the form of "power" he got from his money broke him. How can a person be happy and be so depraved at the same time? Being in your bathrobe defending a freak at 2 am who ends up bashing your head in wearing only underpants? This makes "dysfunction" look like a child who wet the bed.

PP was already in GITMO when that "attack" allegedly happened. It was smoke & mirrors. Trying to put more blame on Trump & his supporters.

Taxpayers are paying for Nancy's security.

How did a guy get through the gate, past perimeter alarms and past security guards?

The dysfunction is in our so-called government.

Everyone in the “swamp” believe they are above the law. They believe taxpayer dollars is their private piggy bank. Besides, they can always print more money.

At present, she’s a liability – they would prefer her dead. If she was for sure dead, they wouldn’t have any worries as to whether or not she will sing like a crow.

I'm sure the White Hats have gotten everything out of her that they need. Paul also ratted her out during her Gitmo Trial. I look forward to the Great White Throne Judgement. These villians will have no love for their false gods then.

Agreed. That’s why I don’t believe the attack was to get Pelosi. Truthfully I don’t believe there was an attack. Gitmo has the most wanted evil criminals in the world. I guarantee its well guarded. I think this was a White Hats story to pump people up to hopefully get ready for something coming.

She is a Drunk and a bully. She should have been dealt with a long time ago. She doesn’t even look like the real Nancy Pelosi.

“Heading to Venezuela”

They really like COMMUNISM right
and those people are calling themselves Patriots... right?
NO Patriot head hiding in Venezuela

FEMA did the exact same thing with their death barges...

Another group that needs to be destroyed! How dare Austin send troops to fire on other Americans! Hang him.

I think I read sometime ago that Austin isn’t in charge and was arrested. Just keeping up appearances. There is apparently SOME resistance to the Republic, though, as you had that semi with troops in it in Colorado recently. If we identify pockets, we can deal with them and dig deeper to their roots and remove those in power that would be against the republic!

What waiting 1 week to hang them?

Why not doing it the next day?

It would have maybe avoided the strike?

The Deep State is not concerned about the inmates that have already made it to Gitmo, they are worried about who's next and if it will be them. They weren't there to rescue anyone, they want to take over the base. They will probably return with a much bigger force. I bet they were just testing out the defenses with some sacrificial soldiers.

Probably BUT when you do just "test" you also allow the opponents to foirtify and change tactics to better prevent a similar, smaller or bigger kind of attack. as Gen. H. Berger said, they were capable to detect the ship but didn't... you can bet Gitmo and The Marines are already on the work to do just that.

I do also believe they have control from above and can see whatever move happening.

sonar, sensor, mines and tech must be used
as anybody should know the "castle" is always a better target because it cannot move.

What about "dome" like we send to Israel

I do not know but they do know how they can do it

And that ship who fled in Venezuela

Why are we allow them to be there

Where is the "Obama Drone Strike"

I'm sure they can track all vessels leaving from there or anywhere else and make a clear path to where they are going.

But again, they know what they are doing
and I guess not ready yet for International incident.

They're incapable of taking over anything if they actually expected gitmo military personnel to be napping cuz their tummies were stuffed from Christmas dinner.

The bankers took over our government early in the last century, so we would be idiots to not expect them to try again. They love to make innocent faithful Christians feel stupid.

I agree about more attacks might be coming. Michael Baxter mentioned the Arleigh Burke-class destroyers could've been to Gitmo in several hours. Maybe the ARBs should be stationed there until all this is over. IMHO

The wait is reportedly very traumatic and part of the sentence. Dostoyevski had a fake execution done to him before the Czar sent him to Siberia, and he writes about it a lot. He was tied to a pole to be shot when staged drama with a messenger happened. Anyways, he had the wait without the bullet.

I got it
but

In our times we do not have total control on the situation and it can turn against us

We are also told they are many more they do not want to tell who... and I suspect they are people we think were our side which means many face mask are out there to make people believe they are still there while sitting in Gitmo

I have several names that come to mind

That said I wish White Hats to have a better tracking of movements

I expect 2023 to be quite a Roller-Coaster as I think we are heading to a conclusion...

God has told the prophetess Green that the first four months will be Rocky. He has also said the jackal and the Cackle Will be leaving and that all the stolen elections will be corrected and all their legislation and spending will be null and void!

Right after Court pronounces sentence, it should be carried out asap and within minutes if not seconds.

While wanting Pelosi to swing immediately, she surely has a lifetime of information to divulge against the deep state. Wouldn't it seem natural for the interrogators to use a "truth serum" to gather as much additional information as possible regarding the other players? Wouldn't it then make sense to keep valuable assets alive, and talking, as long as necessary before sending them to their just rewards? And could it be advantageous to record those tell-all sessions?

All of which is valuable, not questioning that.

However, I would expect to have it done even prior to make her (or the person) arrest been public (thinking this website is public)

Which I believe is done

Give them a brief window of repentance. Once the REALITY of their situation sets in and the date draws near for their execution, maybe some may tell all!

They should do them all like they did with the ceausescus in Romania. Swift tribunal and immediately taken out back to the firing squad.

This was shown in Adam Curtis' documentary **HYPERNOMALISATION** (2016). Curtis showed them being convicted and tied up and taken out back then skipped to showing their dead bodies on the ground lying in pools of their own blood. That footage was 'crosscut' with other footage while music was playing all the while. Curtis NEVER showed footage of them being

actually shot—that footage either doesn't exist or he wisely left it out.
What he showed got the point across. That sequence is the only thing
I remember clearly from Curtis' excellent film.

I think so
he is a controlled plant
he think that can lead him to The Presidency
he don't know he will be taken out once useless
They are using him like a fiddle
and him is feeding people with candies to keep their support...

Why do you think he gave back all to Disney
because he was told to do it or else...

His wife is higher up in the Cabal chain than him, she's his handler,
and should hang first.

I heard she struck a deal
remember the "cancer" that did not last one month before receding?
That was the cue
Let,s say she is handling DeSantis and everything around her
business

Desantis is SMOKE & MIRROR like a magician he is doing the
distraction while action is made elsewhere
==> The Cover-Up is worst than the crime !

We may have more than we know
Nothing is like it seems

and never forget one thing
once we have news here... its probably just a partial story half true
and half false

We should all know how media has been used to made up and
control things for a wanted outcomes

not everyone here is a Patriot
everyone is watching

everything is thought before being said to Mr. Baxter

and our reply are also monitored by both sides

Cat & Mouse Game !

“Florida lawmakers are mulling plans to reverse a move that would strip Walt Disney Co (DIS.N) of its right to operate a private government around its famous theme-parks, the Financial Times reported on Friday, citing people briefed on the plan.”

Sound to me it was supposed to remove their own governing and decided to give them back as it was

I call this give them back EVERYTHING

Are you own governing yourself???

I AM NOT

and tax payers either

But DISNEY does !!

Is rubber head came to visit himself 1 month ago?

I can't confirm or deny because I do not know

But Casey, I would put my hand in the fire she is working with White Hats and she is the HEAD of the Household

Always be skeptic about a dog who is just barking and beware of the one who is quiet !

I had posted this link here before here it is again. Add the h t t p s also the 3 W's

[.theburningplatform.com/2022/06/26/ron-desantis-savior-or-snake/](https://theburningplatform.com/2022/06/26/ron-desantis-savior-or-snake/)

Yep-Can't trust him!—It needs to be made known to the public that he also is part of the swamp pretending to be a good guy

Easier said than done

Not that I not trying to do so

I have been attacked on all angle just trying to tell to check this or that and his wife past with the Mafia

They like him because he says what they wants to hear

Till he is not caught pants down in the chaos... it won,t be an easy task and he knows it

He walk on eggshells !

Where are you from? I read your comments and I hear an asian kind of accent.

“Not that I not trying to do so” “He walk on eggshells”, ,”everything is thinked, before being said to Mr. Baxter” , etc....

So should she/he wrote like whitey???

Damn you whitey... you can't even speak another language cause you think your English the most use language in the world? Hardly

Theres a been a few planes leaving Venz heading too Miami today. Ones from Cali still sitting on the ground also.

There's also Aruba with an airport and Curacoa has one too.

I do not think they would use civilian planes but still.

I was referring to US warships & FEMA Barges anchored in Venezuela

DeSantis was also the one who praised FEMA during the last hurricane when, in fact, they were vandalizing, threatening, and robbing FL residents. FEMA is corrupt as it can get.

Even worst that that

he told “That was for The Greater Good”

How the heck someone can tell that???

He will fall and will make noise !

If Nancy Pelosi is their idea of a damsel in distress, queen bee, or head witch, do not care. She's gotta go ~asap.

The White Hats with Gen. Berger made sure they had the original. They checked her out thoroughly n declared she was the original thank you Jesus n thank you Gen. David Berger for making sure this evil, wicked Cruella is the real one

Right. And part of that procedure is drawing their blood. I'm sure for testing dna. That's also how we know none of them have been jabbed cuz they're tested for it.

There have long been rumors that Nancy Pelosi is a wasp woman, or perhaps a wasp-human hybrid. Personally I won't believe it without the definitive results of a species DNA test.

I'm going to call my friends in Cuba who live in Caimanera and Boquerón, very close to the Guantánamo Base, to see if they heard anything about explosions because where they live you can see the American base, I imagine that Raul Castro must be very nervous and without understanding that madness,...the Americans killing themselves in Cuban Waters? ..Lol

Please update the rest of us if you get any info.
That would be super appreciated.

Raul knows what's going on, he's somewhat clued in, especially after Christmas incident.

Local residents know too, Gitmo's activities no secret, not directly impacting Cubans perse, though allegedly stimulating portions of local economy.

Cuba not even close to China or North Korea, information flows there too.

Finally! Someone near the area who can confirm or deny. Can they please set up a surveillance camera for future events?

Now we have Americans attacking Americans... These fucking assholes want a civil war, so fucking be it! Lincoln was the first, now its Biden the clone! Fuck England, Nato and all them assholes over there... we will not comply!

But tragically, the fellows being killed are probably good guys too, who think they are patriots protecting their country. It is time for it all to come out.

Time to take out the lying MSM unless there is a purpose for keeping the movie going a bit longer.

Someone said above once you commit treason on the country, you're no longer American. You're just a common enemy.

These guys have to know that attacking Gitmo is treason, but they will gaslight absurd stories. Give the captives strong drugs to get out the truth.

No. We have TRAITORS cleverly disguised as military attacking the Patriots and the White Hats. We ALL know what happens to traitors!

Castro probably already made a call to His Master Putin to tell him that shit...The US Armed Forces are divided, they will be an easy target for Any external enemy ja jaja..

Yes, the former KGB colonel and avowed, life-long Communist who was sworn to the destruction of the United States is now our best friend. Absolutely. Keep believing that.

Two trolls on meth gaslighting out of the rears, but no one here buys it except other trolls.

With all due respect @ Smokey – Putin renounced communism years ago saying it was not a viable path forward. He is also a quiet advocate of the Russian Orthodox church and believes people have a right to worship Jesus. Compare that to Biden...you know – the thing! Putin is 100% in favor of Russia and he is dedicated to advancing his country on the world stage. The US could use a leader who loves the US like Putin loves Russia. Instead we have Satanic communists running the show. Get on a plane and go spend a week in Russia and see for yourself how the people of Russia feel about Putin. I'm not saying he is a saint. I am saying nobody ever effed with him twice in his pursuit of advancing Russian interests. Trump intended to make Putin an ally but like most other things Trump tried, it didn't pan out.

He has pretty much renounced Communism. It was an alien form of “government” in the first place. Never fit Russia, just forced. The current “Putin” has no interest in it.

he is one of those uneducated dumbels who think Russia are still -
COMMIE STATE !!!!!!

If you have followed, you would know Putin and Trump talk. Putin gave Trump the soccer ball, Putin is not the enemy.

If you follow RRN then you know that Putin is against this Biden regime and supports Trump and the White Hats.

I'm glad shark did get their feast of communists for Christmas dinner
!

I wish they would have ALL being served cold & bloody...
Sharks like bloody communists !

These were Americans following orders who were killed. The Deep State communists you speak of who ordered the attack were comfortabling dining and drinking back home.

Look, they would have to be insane stupid to get on-board with the Biden DS Group, so I have no sympathy. If someone believes in the “climate change BS” which is targeted to destroy civilization, then I say mulch their treasonous body to grow trees.

None of Biden clowns are allowed at the Pentagon or the WH. They tried after the fake inauguration, but were not allowed in. There were videos on Rumble at the time, showing it

Just how far do you think sound carries? Most Cubans live about 300 miles away from Gitmo and everything is censored anyway. Who would they tell and how would they tell it?

Caimanera, a town of over 10000, is right on the border of the base. Are you telling me not a single one of them noticed gunfire and burning helicopters falling from the sky? Not a single one was able to call a relative in some other country, or post something on the Internet somewhere? Even the Chinese manage to communicate with the outside world, and they have an incredible Internet censoring infrastructure. You think one of the poorest countries in the world can do better than that?

Sure they did. But again, whom would they tell and how would they tell it with a state controlled media? And particularly this quickly? Cuba has censors in Havana who have to vet this before giving it the inevitable spin, and they might not even want to leak anything at all if they support Biden and his force was repelled.

They would tell anyone they could get in touch with. It's not that hard to talk to people in Cuba. You don't have to talk to the Cuban media to get news out of the country.

The source said "some" enemy forces survived the third chopper crash and have been taken prisoner.

The identity of the mother ship should be known as should the origin and identity of those taken prisoner from the landed Sea Stallion.

Those are the two facts most relevant to this report and are missing.

Michael, I'm sure you will get the information they want us to know to us later as they give that information to you.

Meanwhile, we hope to read of other Deep State criminals being

arrested. Thanks for all you do in getting this information to us...

The question has obvious roots because:

USS Essex, LHD-2, Amphibious assault ship, Wasp class, is the vessel in the photograph and is a Navy ship. The assumption is that if it was the Essex it was a Navy ship which normally transports U.S. Marines.

However; The article states: The Wasp-class Amphibious Assault ship heading southeast toward the coast of Venezuela. Present evidence states LHD-2 is currently a NATO warship sailing under the U.S. Flag which opens up the speculation of just exactly what country or force was involved in this assault on Guantanamo Bay Naval Base? Venezuela? If so at the behest of whom?

Not information they are going to release publicly. I just hope the ones held prisoner are singing like canaries.

This blood is on Trump's hands. He should have moved on the khazarian mafia out in the open long ago. Trump is a pussy.

If this was true, which we doubt since no other proof or corroborating evidence is given why haven't the "Whites Hats" launched a massive counter strike taking out heads of the compromised military branches and heads of the government? Sooner or later the people you name in these stories will be rolled up and will disappear if true. It's a part of military planning to destroy the enemy and it's will to fight before they destroy you. If they do not these attacks will become more frequent and more devastating.

A few ideas:

- 1: The US Marines are in Gitmo. That's the only force America has that is trained and equipped to storm this place, and they're on the inside defending it. It's not easy to crack Gitmo for others.

2: It's hidden but still a war. And you want to keep it hidden to avoid a public stampede of some sort. Target selection needs to be intelligent and careful. Marginals from previous admins first. No one will miss them anyway.

3: It's a game. I realized this while I was a history student reading about WWII. What people say is very close to irrelevant, usually misleading. What they do is not. Trumpeting the demise of Hillary, for example, serves no real purpose, other than maybe to stiffen a few spines in our glorious conspiracy kook community. Doing it and making sure the other criminals know about it is not.

4: Maybe this site is all BS. It wouldn't be the first time BS is presented to me in lieu of facts. But if it isn't, then this is the leak for the grizzled veterans of the conspiracy movement, and if so it'll spread to other patriots from us. I wish there was more details and information, but I'm used to operating in the dark after many decades of this. As long as what I can see looks meaningful, I'm good. Skeptical still, but good.

Cannot see how Nasty Nancy could be worth all that bloodshed. Where the captured men Americans, or foreign mercenaries?

Wowww Although we don't like the thought of losing even 1 battle-hardened Marine to our domestic enemies. The enemy retreated in defeat n if they thought they were gonna free PaLousy. They were sorely mistaken Lloyd should be arrested for treason n I know they're working on that God bless America and our fearless Military who is defending our country against tyranny

Watch the water. Watch the skies. This deep state attack is probably their best military effort, yet our Marines and Army defended against it. We now should go after General Milly and Lloyd Austin and capture them.

Now is the time to go against the deep state as a full military maneuver and take them down. This can be done without it becoming WW 3. We are defending America and standing for the freedom of Americans. We were attacked and we must defend to take back our nation.

So you're telling me that a hundred or so of our supposedly rabid patriotic Marines signed up to attack their own at Gitmo? Color me suspicious. Jarheads are stupid but not that stupid.

Please recall that USA (Pence & SecDef Miller tried to take over venezuela by practicing their mechanisms for urping packet-flows off Cell-phone towers with 10Gbit satellite uplink (RC-12 Dracos).

Does Trump know he is responsible for that marine blood? He is busy bitching and whining about McConnell when he should be smoking these DS scumbags with extreme prejudice. Makes me sick!

I like the fact that he doesn't try to micro-manage the professionals. And optically it's helpful for laying blame for everything bad on "Prezidunt Bidun"

If you are insinuating that the attack didn't happen I agree. Gitmo has a collection of the most wanted , murderous, evil and corrupt criminals in the world. I guarantee its well guarded. This is probably a story to get people riled up for something about to happen. I am sure I will be torn up but think about it.

Our military has 20 aircraft carriers in service the highest of any other nation on the planet. If Gitmo is where thousands of traitors are being warehoused and held as traitors and enemy combatants awaiting military tribunals, why wouldn't we have overwhelmingly military forces ready to pounce if and when needed exactly what an aircraft carrier would deliver? That would leave 19 other aircraft carriers to support the rest of our military and national security

interests. It makes no sense to have such lethal capability unavailable for immediate response to such a high risk target as Gitmo. Discernment of the truth is like trying to pick fly shit out of pepper.

Because it's a civil war and the Marines are the only ones with the training and gear to assault Gitmo. Carriers are outdated. Like battleships in WWII.

Call it as it is

==> it was another attack against Christians beliefs

1st The clone

and now the Birth of Christ on the current calendar

This is an affront to Christ and Christians. They would never attack a Muslim nation on a Muslim holy day.

Whoa! What a night – there and here, too. While Manhattan witnessed gray smoke coming out of four manhole covers following loud explosions in the tunnels beneath; we had our own activity bordering on JBLM and south into Oregon. Our White Hats were busy doing more of what needed to be done from my perspective to secure the DUMBs.

You need to edit more... “Cuba” is misspelt. Side note: General Berger should have thought of this “BEFORE” it happened. Any “failure” by White Hats is the failure of General Berger to think ahead. “Poop falls down hill” but responsibility is ALWAYS on the Officer.

Alliance GET BUSY! “Military is the only way”

They should do to Pelosi like Gates #2..... hang her a day earlier than scheduled. Get it over now with unless yet again this was part of “The plan”.

May God Bless those that gave up their lives defending Gitmo.

The ones in Biden's military... God save their souls. The rest better get out while the getting is good!

We have no way of knowing for certain the identity of those attacking Gitmo.

May GOD Bless these brave Marines and all the military men at this base . Prayers go out for the deceased , they are now martyrs in Heaven . Thank you Mr. Baxter and GOD Bless and keep you and yours .

well its been 60 years since kennedy and 21 since 9/11 and none of the so called white hats have felt the need to speak any truths about those events. based on that timeline maybe around January 8th 3047 one of these so called white hats might mention clones.

Thank you, Michael, for your consistently great and timely reporting. It breaks my heart and makes me so sad to read of Americans killing Americans. God bless our military and their families!!

The question would be: are those attacking actually Americans? We don't know who actually attacked.

Neustále měnili svá vlastní pravidla... z několika týdnů na několik hodin a na několik dní.... mělo by to být hned za větou.
