Prezident Donald J. Trump byl v úterý na Guantánamu, aby byl svědkem poprav Nancy Pelosiové, která se konala v 10:00, řekly zdroje JAG Real Raw News.

Bojovaný prezident údajně dorazil na GITMO na palubě vrtulníku US Marine Sikorsky VH-3D Sea King a byl eskortován na místo popravky přibližně v době, kdy zaměstnanci základny vytáhli Pelosiovou z cely o rozměrech 18 x 9 stop, ve které od té doby žila. 1. prosince dorazí na Guantánamo Bay. Jak bylo uvedeno dříve, Pelosiová patřila k zástupu Deep Staterů zatčených poté, co se zúčastnila miliardové strany financované daňovými poplatníky, která oslavovala socialistu Emmanuela Macrona. Po zdlouhavém vojenském tribunálu usvědčil panel JAG Pelosiovou ze zrady a spiknutí za účelem spáchání vraždy a odsoudil ji k pověšení na krk až do smrti.

Zaměstnanci Camp Delta nazvali Pelosiovou vznětlivým vězněm, druhým po zesnulé Hillary Rodham Clintonové, která shodou okolností bydlela ve stejné cele před jejím oběšením v dubnu 2021. Možná, že Hillaryin poltergeist celu obýval a strašil Pelosiovou a dal jí vědět, co čekal ji posmrtný život věčného zatracení v limbu.

Strážci GITMO řekli, že bojovná Pelosiová strávila první týden ve vězení detoxikací od alkoholu. Pelosi, říkali, by seděla a třásla se v koutě cely zabalená do deky, její nálada se pohybovala mezi melancholií a nestřídmostí – někdy katatonická, ztracená ve vlastních myšlenkách a někdy nezkrotná, křičela v záchvatech nespoutaného vzteku a dokonce močila. podlaha cely.

Ale Pelosiová nemohla křičet a křičet, když ji v úterý ráno vytáhli z klece, protože strážce přidaly její poslední jídlo, vafle a dva kopečky zmrzliny sedativem, které ji nechalo při vědomí, ale utlumilo, řekl náš zdroj. Přesto jí dali roubík a nasadili jí pouta na ruce a kotníky, aby mohla dojet na šibenici.

Sedativa vydržela jen chvíli – Pelosi se snažila osvobodit, když ji mariňáci vytrhli z obrněného Hummeru a odvedli ji k mělkým schodům vedoucím na plošinu, kde uniformovaný voják čekal na rozkaz přepnout vypínač a stál kaplan námořnictva. připraven dát Poslední obřady.

A pak Pelosiová uviděla prezidenta Trumpa. Její oči, řekl náš zdroj, se zúžily a chvěla se apoplektickou zuřivostí, když jí oběšenec nasadil smyčku kolem vypouklého krku.

Vedle Trumpa byli viceadmirál Crandall a vojenský kádr. Trump, řekl náš zdroj, šeptal slova admirálovi do ucha, ale jinak byl stoický a tichý. Viceadmirál Crandall řekl, že se cítí povinen nabídnout odsouzenému konečné prohlášení, a zeptal se Pelosi, zda by se zachovala, kdyby nařídil, aby byl odstraněn její roubík. Varoval Pelosiovou, že prudké výbuchy nezmění její osud.

Nancy přikývla a oběšenec jí na okamžik sundal roubík.

"Do prdele, vy všichni, zvláště vy." Tohle je všechno tvoje práce." Dívala se na prezidenta Trumpa. „Zastupuji skutečného prezidenta. To není Joseph Biden a sakra určitě nejsi ty. Zabij mě a já tě budu pronásledovat až do tvé smrti."

Admirál se zeptal, jestli chce Last Rites.

Nancy se obrátila na kaplana. "F*** ty taky."

"Myslím, že to je 'ne'," řekl admirál.

Nakonec prezident Trump promluvil: „Dobré zbavení se, Nancy.“

Nancy Pelosiová byla prohlášena za mrtvou v 10:07 EST, 27. prosince 2022.

Pro Trumpa musela být její smrt katarzí; plánovala zabít nejen jeho, ale i jeho rodinu, včetně jeho nejmladšího syna Barrona.

Zdroje řekly Real Raw News, že Trump objížděl následky útoku na Štědrý den. Osobně slíbil, že pomůže „zabezpečit GITMO“, ale nevysvětlil, co to obnáší.

Nastal den, o kterém jsme si mysleli, že nikdy nepřijde.

Teď si dáme zbytek těch méně zlých. Ale pořád zlý.

Děkuji armádě.

This was pretty appropriate since I watched The Wizard of Oz last night. Old Nancy makes a striking resemblance to Miss Gulch, the Wicked Witch of the West.

My buddy's mother makes \$50 per hour working on the computer (Personal Computer). She hasn't had a job for a long, yet this month she earned \$11,500 by working just on her computer for 9 hours every day.

She had over 26 days in the hole to think about what she has done, Pelosi had no remorse, when she was giving her last rites. To think the damnation of Eternal hellfires for eternity has not crossed her mind. Anger and rage possessed her. She was a self-absorbed power hungry narcissistic alcoholic drunk! She was her own demised.

Trump should have said “Go to hell, Nancy!” That would be an order from him she would have no choice but to follow.

Interesting, how Nancy made veiled reference to Obama being president? Or was she referring to the devil? Trump nailed it with his words. Good riddance, Nancy.

I bet the hanging of Nancy Pelosi brought great relief to President Trump. The mass of attempts on his life and his family. President Trump can rest a little more peacefully.

YOU think??? \$3,000,000,00 for a failed attempt on his life! I bet he feels much safer knowing that evil BITCH was taken down legally and rightfully met her fate!!!! There is absolutely no hope for those who purposely serve THE DEVIL!!!!!!

If it was Obummer.....he's dead along with his partner Michael, maybe she did not know?

They were in the Iceland location, if I remember correctly. I read Michael threw Obama under the bus.

Remember, these famous last words will live in infamy in the history books for eons...but to add extra zing humor to the sendoff oratory, he could of said, "Nancy, how much would you charge me to haunt a house after your gone" ...!

These evil ones truly believe that as they die their lord lucifer will reward them. Imagine their surprise when they actually leave their bodies and are dragged down to their dungeon cell in Sheol by God's Angels awaiting their final judgement on the day of the "Great White Throne Judgement" where they are condemned to hell for eternity.

They will already have a body prepared for the Great White Throne Judgement which they will be in eternally when they're thrown into the Lake of Fire. Satan(Lucifer) will be in there with them; he won't be in charge of anything.

I was wondering if President Trump would be there like he was for Hillary Clinton. I just could not find it in me that he wouldn't be.

Our burden just got a lot lighter. This is very good news for our nation and people. Who's up next?

Kamala Harris needs to step up to the rope, because she wants to go after the Christians and the Trump supporters and the unvaxxed and kill them all in Obama's concentration camps.

YES , it's very good news for the NATION , so it's time to make that GOOD NEWS PUBLIC . RRN when is JAG and the White Hats going to start public release of GOOD NEWS? This is long over due

some of this stuff has been posted to facebook, but I think they delete or remove it right away .. it has been around twitter and telegram too , I think..

I posted it on Truth. Telegram has site for RRN so I am sure it is being seen there. I am eternally banned from Twit. This site was down earlier tonight.

Zuckerberg does delete, he hates the truth because he sleeps with the deep state CCP. He will not accept links from RRN, vaccine impact dot com, gnews dot org. medical kidnap dot com, thebl dot tv, natural news dot com, infowars/newstarget/bannedvideo, or dailyexpose dot co dot uk. Nor will he accept any criticism that the vaccine mandates are prohibited by the Nuremberg Code and the UN Charter and the Syracuse Protocols even with proof, nor will he accept any criticism of Fauci, the vaxxes, Birx, Tedros, Bill Gates, Noname, Kamala Harris, Hillary, Hunter's hookers and incest victims, or Nancy, even when they are dead, even with proof, because he calls the proof/evidence/witness testimony "false" or "fake".

And he also won't allow you to criticize the Ukrainians or OUN or UPA forces as being worse than the Nazis during WW2, even though history proves in some cases they were. Nor will he allow you to

criticize men who rape and abuse women in domestic violence cases and call them filthy pigs even when they are.

What do you expect, Zuck's a Rockefeller and they are the other half of the cabal...

Alejandro Mayorkas possibly? Ol' Pete Buttigieg? Muriel Bowser (DC Mayor)? The Gretch of Michigan? Press Secretary Psaki? We could go on all day with that question!

“As reported previously, Pelosi was among a bevy of Deep Staters arrested after attending a taxpayer-funded, billion-dollar party honoring socialist Emmanuel Macron”. My gut feeling is that they also got these other big fish; Loyd Austin, Klaus Schwab and other Biden clowns, because after the big bash drunk, the deep stater's demanded that the hand over everyone that they had captured, or else...

I once learned a term that represents the most evil among evil beings from a DJT tweet where he coined the word, “hamberder”; a berder is a being so evil that the devil, himself is fearful of them. Nasty was a berder.

Then Hilary was a “berder” that frightened even Nancy/devil. These berders and devils are born of low intelligence, aren't they? Of all the utterances they could leave behind for history, they choose to leave Earth saying nothing of importance, just expletives! Truly they're “low-brainers.”

OH! I think I saw that a year ago or so. Hard to believe isn't it. That there is something more evil than he who shall not be named.

I'm pretty sure Satan does not fear berders. But is sure puts a spin on the description. I wonder what the 'ham' portion means?

One possibility: Ham was one of the four men (eight people, in total) who were on the Ark built by Noah.

Another was Shem, whose name is the origin of “anti-semetic” (“shemetic”, shortened slightly).

“I represent the real president. That’s not Joseph Biden and it sure as hell isn’t you”

Who did she think is the “real” president?

I thought of that too. He has a bunch of doubles and remember that Egypt that looks just like him. I’m sure they got in to his mummy and made clones too.

Well Barry’s doubles, clones, what – have – you need to be hunted down and EXECUTED on sight.

You think Black people and Maxine Waters went nuts over George Floyd, go public with that, who knows what would happen.

And remember he looks just like the most hated king Akhenaten. Barry could be a clone from the start using that king’s DNA from his mummy. And they’d make plenty more.

Me too. If she represents him, does that mean he was just hung by proxy? LOL

Who. The character playing Barack Obama.

The real one took two bullets to the head.

Remember their ploy “Democracy” of a socialist Communist order.

The hidden secret president game? Hard to say what to think but she made some kinda guessing game on purpose. Whoever ordered the GITMO attack, we wait to find out. IDK and it’s not comfortable having this going on without knowing who exactly is behind it.

Someone gave war on GITMO orders and it’s gotten into some powerful war zone equipment. I wonder if it’s Macron or Zelenskyy or someone from the way underground?

Not Zelensky, he is just a puppet, he was just an actor before they chose him to be the main puppet for Ukraine...zelensky takes orders, he does not give orders. She had to of meant either a demon(not of flesh and blood) or one of the elites(of flesh and blood). If she meant obama, who knows if he's really gone, it may have been one of his clones they got rid of. This is a mystery, now.

She is sure loving the flag-stealing, LGBTQ-loving slut, Zelensky, she kissed him after his address at the Capitol before giving him OUR FLAG and danced down the halls with the autographed Ukrainian flag in her hands.

IDC if she accepts the Ukrainian flag signed by soldiers, but to voluntarily surrender our gorgeous Stars and Stripes to an adversarial globalist WEF leader supporting the New World Order and being an ass-slut for Natty Rothschild fighting a war we are not even fighting yet financing to the tune of \$100,000,000,000.00 taxpayer dollars and COVID stimulus survival funds is a betrayal to the American People who fought and bled for that flag and our freedom.

I SAY NO!!!

Who would have ever thought that draining the swamp was going to be such an ordeal?

In recent months • you have personally changed for the better. This will help immensely going into 2023. Congratulations.

Good Riddance To Nazi Piglosi...God forgive her soul!!!

However, this must be an old news. She must have been hanged years ago, correct me if I'm wrong. This only to awaken the public.

Yeah, what and who to believe. Some say she is in Greenland and was given life, because she has valuable information that may help the white hats in the future. There have been videos of her in the custody of US Marshalls at Pedro Joe's inauguration. There was a pic of her in

the custody of the Marshalls saying it was her arrest and one of female Marshalls looked like the same Marshall at the Capitol. Her arrest was much longer ago than this site reported.

I think she was under house arrest for a period, then stepped over the line and went into hiding, until this arrest.

Covered by masks clones etc, that play her role.

I think she considers Obama, Hitlers grand son the President.

I think only a very small part of the public, those of us who read here, are awakened.

I think you're right. Nancy has looked like an actor wearing a mask for quite some time now. There's an old video that circulated showing female FBI? Agents escorting Nancy out of the capital building.

Certain people do not deserve forgiveness as they lie cheat steal and commit horrid acts upon people and animals. Some souls need to be damned for eternity.

I read an interesting article one time. During our judgment God gives us a chance to view our mistakes and misdeeds. Jesus is the purest of Love. Even the most wretched sinful person can find Redemption if they realize their mistakes during their judgment time. It is up to the individual if they want their soul to be restored.

None of them are LESS evil. They may hide some of their crimes from the world but they're STILL and just evil.

If an Illuminati satanist, paedovore, child sex trafficking, Baphomet-loving sex offender is killing and eating kid ands drinking adrenochrome from their blood, like Hillary and GHWB did, nothing and no one is more evil than that.

So she can "represent the real president" in hell. I'm guessing it's Obama. He'll be there too, sooner or later.

Obama is already dead, the real one at least. I think she was referring to satan as president

Where exactly did Obama die!..I have read every article here on RRN from the beginning, and I don't recall reading that Obama died at GITMO. Maybe he died somewhere else. Please tell me where you got your info about Obama being dead, or is it just hearsay??

SG ANON says he doesn't know if he's dead or alive and that maybe they're saving his execution for something special. I think Nancy's hanging today was very special.

RRN reported he and big Mike are both dead. I'm thinking Soros or Schwab

Don't recall any reporting from RRN in itself that "he" and "big Mike" are both dead.

Seen chatter in blogs, though again, nothing "directly" from RRN.

Obama is Dead Two Shots to the back of the head and his best buddy Michelle which is known as Big Mike got the lethal injection
Traitors to our country.

Oh yes he did. The article titled "Obama Executed by Firing Squad at Gitmo" dated Saturday October 12, 2019.

Most of MB's reporting comes from info concerning GITMO & people attached to GITMO. I have read of multiple military tribunal locations around the world. Tierra del Fuego, Diego Garcia, Guam, GITMO, 2 locations in Iceland(no names mentioned). There are reports of several more, but no names or locations released. I believe MB did report on Brix's execution @ Guam, by firing squad 7/6/21. One of the island locations is said to prefer lethal injection.

I read an article, don't think it was MB's, that said Michael & Barry O was held at one of the Iceland locations & Michael threw Barry under the bus.

Michael supposedly chose lethal injection & Barry got the firing

squad.

I have no proof, just heresy. I do not have a link, this info is from many different sources.

The “real” president is Mammon, and those that control it. Don’t think in terms of politicians, but owners whose ownership includes politicians.

Thanks, LeeLee! You’ve got two of us laughing so hard we’re crying at your Indonesian sock monkey comment.

I heard he got a bullet to the back of the head and Michelle too Michael lethal injection a couple years back—They says all the blood they have tested from the people in Congress never took the jab—but then we knew that! —It was all a big lie—I am glad I never took the jab—so sorry for those that did

I believe they already hung EVIL a Pedo Criminal Gavin Newsome... A few months back there was an account on here (on RRN) of his hanging... where they said when they went to hang him he had a demon inside of him.. look it up in the archives link on here

newsome’s already dead if i’m not mistaken. He was Gitmo’d last year when they busted up in his mansion in CA and found a dungeon next to his office. Also had a laptop with some sick shit on it. His wife/children were there too.

If they only showed pictures of these criminals being hung and people could see what’s happening the whole thing about clones would collapse.

Just knowing Trump was watching her hang was her worst punishment. She got what she wanted for him and most of us. Happy New Year to all the world.

I know right. The picture I keep seeing in my head is that infamous night when Trump was just finishing his State of the Union address and that witch stood there behind our President, and with great

disdainful fanfare, ripped his speech in two. Remember that? I tell ya, no matter how many DS'ers have been arrested, hung, shot, detained, whatever, the thing that all these evil DS'ers have in common is unmitigated ARROGANCE, and it blinds them. That's why Hillary got drunk the night she lost...just couldn't believe it. And that's how it was today (I'd venture to say) for the speech ripping Pelosi. Just never thought the day would come that she'd get her comeuppance. NEVER. Much less with 45 watching!!

Let's hope the season of giving continues to provide this country with incredible gifts such as these

The Black Hats will be sure to get their revenge on POTUS Trump (again). I hope I'm wrong.

With all the compassionate people on this site praying for her and quoting Scripture encouraging forgiveness, I thought she just might do what Loretta Lynch did before she was lynched. Guess I was wrong.

Just wait until she comes before her boss Moloch & he punishes her for failing him. She did not fulfill her duties to him. She will think burning in Hell for eternity would be like a cool, Spring day. Enjoy your underworld adventures Nancy.

Ding-dong! The Witch is dead
Which old Witch? The Wicked Witch!
Ding-dong! The Wicked Witch is dead
Wake up you sleepy head, rub your eyes, get out of bed
Ding-dong! The Wicked Witch is dead!

Oh yes.....The satanic TV MSM stations would surely air it! Are you nuts?

The EBS doesn't require the MSM. I believe we'll see some of these high profile hangings along with proof of their bad deeds.

The only way they could do that is with some new kind of media system. All I hear is telepathy supposed to come back and it can make television and movies obsolete. Human telepathy is said to go around the galaxy but suppressed by the matrix systems.

There used to be a movie called "The Green Beautiful" that was suppressed to almost nothing. They showed how just holding a CD a higher being could hear the music on it. Somehow...

"The new age hope'ers have talked telepathy for a very long time. If they are right and telepathy comes back to humans on earth and they get rid of the RH+ blood the monkey DNA would be a start to evolve back up to what was said was on earth back in the original days 12 million years ago.

The message here is Trump and GITMO and generals involved in white hats, is clearing USA. Who is going to clear Macron or Zelenskyy and Biden puppeteers IDK.

Viking, it's a good idea. With the current, corrupted MSM, it is not going to happen. Perhaps once they are replaced.

I remember hearing that the trials and executions will be televised over long periods of time.....that is AFTER the msm is taken down

Should be, but it will not. The DS knows, they are sweating & pulling out all the stops. They are getting reckless.

I read comments on a post here that Klaus was nabbed the night of Biden's Atlanta party before he got to party. They also hinted that Kissinger off'd himself. I can only wish this were true. "IF" they are gone, is the important thing, not how.

Who knew that Santa would be bringing my Christmas gift from Gitmo this year? It arrived a couple of days late, but I couldn't be happier.

I have a funny feeling that whenever she opens her legs,
Hell's furnace will turn up the fire a few notches to account for the
cold.

Yeah, we'll see how likely this is. Even if it is true, they still put
people in her place and they do just as much damage. I'm trying to
figure out how Trump will win an election when nothing seems to be
able to stop the DS and their illegal votes.... Time will tell.

As long as they aren't creating clones that are capable of making
more clones lol. Eventually we will squelch the source of all this. One
at a time. There should be shoot to kill orders on all clones seen of
criminals who have already been put to death.

Indeed. Treat them like the rabid entities they are. I think God would
forgive us, since he dislikes anything associated with
Satan/Devil/Moloch.

Ding dong the witch is dead! But how many more body doubles or
clones will show up to continue the witchery?

wow! What an article! I believe this is your best piece Michael. I have
wondered about her detox and such and you filled that in nicely. Her
behavior and physical stuff is also what I would have expected having
worked with chemically dependent people for over 20 yrs. Your
description is spot on. Your description of Nancy's facial and body
movements could not be "made up" by a less ethical person IMHO.
In addition your writing brings out a lot of what all those there where
feeling! Pelosi, Trump, Crandal, et. al. Hope you are working on a
book Michael; Your writing skills are superb!! Thank You Thank you
Thank you!!!! Bigley lol

The description of her detox is exactly how it goes and lasts about a
week with shivering, mental fog, occasional outbursts.
I bet Paul will be rejoicing her end.

Lol , I could write this fictional nonsense just as easy. Blows my mind how easily people are manipulated and believe in this .

Hooray, A glorious ending to a very hard year! A huge Thank You to our great Military and President Trump!!! Thank you Michael for a great report as it gives some hope as we embark into a new year with one less evil witch to contend with!!! A new year with some new hope!

All I can say at the reading of her final moments into eternal damnation without Christ is “how sad”

But if you asked her now in Hades of she wants to be in heaven with Jesus, she would respond in the negative.

Satanists don't care about that. They think they'll be officers in hell so they're not afraid of it. Torturing people here, torturing people there: it makes no difference. They love both the same.

They don't realize they will be the ones who are tortured forever. Hell is not a party. it is eternally hot.

Not only hot, but total darkness.....such darkness that one cannot see or feel anything around them. Couple that with the feeling of floating(as in water)–no foundation under the feet.

That's why it's called the Lake of Fire.

And it's eternal.

yeah, no matter how evil, the thought of forever without end , in a burning hell is sad...

His 4 wicked kids are still a problem and will need to be violently removed from the Earth.

Pronounced dead at 10:07 (10+7=17)

Is this supposed to be some kind of embedded comm? I don't believe everything's got secret meaning in it but this one just struck me as an interesting coincidence.

What does the 17 mean? I thought I was familiar with numerology but the person who taught me says you add the last two digits so it would be 8. Someone else recently corrected me on that so I now know I know nothing. Pardon my ignorance.

Well, that pretty much confirms it is BHO operating from his basement calling the shots for the Deep State....obviously someone higher up pulling his strings too. Invite them all to a GITMO party!!!
Soon!

An important one, but it's just one tentacle. The UN needs to be completely dismantled as well. That's where all this comes from. People above that too obviously, but you can't leave that den standing. It has infested all of western civilization and destroyed the nation states. Enough.

Yes, I believe in what you are saying...the UN needs to have their influence severed in all areas and decapitate the function as an organism, end its existence. They are a dangerous to humanity... God take away the evil assignments against humanity, have it come back to them and they meet Jesus there.

I would single out UNESCO, BIS and WHO. If you're ever wondering why American children are being dragged to strip show with disgusting men in dresses, that's UNESCO. Almost every country on the planet gave their ed systems over to UNESCO back in the 70s. BIS is of course used to force particularly smaller countries into mercantilist debt slavery/resource extraction and must be abolished immediately, along with the World "Bank".

The problem with WHO should be obvious after the "covid" circus, but just in case it isn't, we need local decisions, not global ones.

Anyone who ever thought that was a good idea was and is deranged.

Tedros needs to be dealt with. He shut the globe down after 40 cases of the Covid lie. WEF, WHO, UN, NATO, FEMA, RED CROSS, CIA, DS Central Banks, etc, etc. All the lettered organizations, BIG PHARMA, etc. There are 1,000's upon 1,000's of them.

Nancy is no longer part of the system. She is below the system. A take-off from a reference to "Men In Black".

What a way to end one's career of long on going crimes to the world especially to American people – a nasty gangster thug
"CriminalCrazyNancy – CCN" ...

Finally – moving forward to a bright future ... after few more of these DS EVIL sicko Criminals. DONE & OVER

The DS EVIL sicko Criminals outnumber us. They have more money & ways to get what they need to exterminate us. We are fighting legally. They fight illegally and dirty. They are poisoning our water, food, air & passing laws to make growing our own food & raising food animals against the law. Backyard chickens-will be illegal.

Would you ever in your wildest dreams think our American military would shoot & kill each other? I'm not talking GITMO, that info is not yet available. At this point, it's only our speculation running rampant.

The Wicked Witch of DC is dead ... In the merry old land of OZ we can all sleep easier tonight

Pardon my asking but WHICH HILARY was executed in April 2021??? It is my understanding the real one was gone loooong before that date!!! So, are you reporting real facts or just like msm, ENTERTAINMENT?

? What part of that sentence is incorrect. They found several "unalive" clones during the recent lab raid.

Real FACTS. You can tell, because MSN won't touch ANY of this with a ten-foot pole. Can you say, 'media conspiracy to commit treason?' Hundreds more hangings to go...2023 will be 'the year of the rope.'

May this action, taken against incurable evil, bring the USA, the alliances and the rest of the free world, much closer to awareness of what we have become, so that we can commence repairing what has been stolen from us.

She was clearly demon possessed. Let's hope this is all true and the white hats can just get rid of any clones and body doubles of her that exist...tired of seeing her face on TV. Would love to see the Deep State and MSM figure out how to "keep her alive" metaphorically speaking and continue to have her around doing CNN interviews and such.

Literally just saw "Nancy Pelosi" on TV at least 2 or 3 times in the last week. Don't know what to make of it other than she's got a few more clones out there because those aren't body doubles if it's not CGI. They look JUST like her. Kinda creepy when you think about it.

These clones are soul-less beings. Don't think clones can have a soul? Can they?

My gosh, what makes you think that ?? Cloning?? Really?? Where's the proof that we have Cloning?? This site is straw grasping bull shit. I bet most people here stay up late and listen to the fake up all night.

If you go back to Bill Clinton as POTUS, he delivered a speech regarding a BAN on Human Cloning. Here's an excerpt:

06/09/97

"President Clinton announced today that he will send Congress a bill that would outlaw the cloning of humans. Clinton made the announcement immediately after he received a report from his National Bioethics Advisory Commission (NBAC) urging that "Federal legislation should be enacted to prohibit anyone from

attempting, whether in a research or clinical setting, to create a child through somatic cell nuclear transfer cloning.” While such a ban would cover both public and private labs, it apparently would not limit biomedical research now under way...”

Do you actually think this applied to the Military? Do you actually believe this was enforced? Unlikely!

Rules for us, but not for them.

There are several YouTube videos that show some of the cloned celebs. It's kind of creepy when the clones malfunction. Trust me, those are NOT humans “acting”. Do some deep research using freespoke browser (not google, duckduckgo or brave, they're all compromised) and you'll see it's very real and has been going on for a long time.

JanH be nice • unless • you're just • in a crappy mood ??

It would have been so • so • so cool if DJT had been handed a M16 fully automatic weapon (having the once in a lifetime opportunity) to drain 7 pints of blood ..

You will need to explain a lot more details ??

I was working on a engine today – it was not pleasurable .. This didn't fit – that broke ... Then there was extreme compression ..

I don't like second guessing myself ever ..

Engines run and engines blow up hopefully not on the same day ..

The Planets and Stars were favorable for someone else today – not for me ..

This to shall pass ..

Having NOTHING to DO with Nancy Pelosi or a Huge Rain-Storm.

So..... Stephanie • Steph • 369.

Do you remember • What I said about myself??

MOTORCYCLES • MUSIC • GUITAR • KEYBOARDS •

I wrote the song:

•ROCK CONCERT HEAVEN•

(doesn't mean • I'm going there).

• Left Anterior Descending •

() towards the aorta • no owd.

world class cardiologist. Nope...I'm sticking around baby • I'm sticking around.

you may have already seen me at
my worst

OKOWD. You wrote a Song? This is very interesting since I resonate with vocal compassion. Tell me more.

There are Good People here and everywhere that DO care about YOU
...Steph
I am one of them.
Please Hang in there..

Of course we need K and NaCl. We as the human collective have been tortured by the evil that exists. Why do think chem trails exist? Why poison jabs? But they are losing their momentum so quickly and dearly. F the human jab. Please people of this world...don't do it. Only out of love and compassion .Don't inject yourself.

You don't need to tell me that. Haven't taken a "vaccine" since the early 90s, and I don't plan on ever getting one again. They'll have to strap me down.

I'm not trying to tell. Most people have been killed shot since 1921. No body with strap me down. NO BODY.

"I represent the real president. That's not Joseph Biden and it sure as hell isn't you." That's an interesting statement. I wonder whom is she referring to?

She should have been asked who that person was or is. One question leads to another. Should have let her talk about her truth. It's worth even less now.

On repentant to the very end. In spite of her sin God would have shown her mercy if she had.

What wonderful news! I couldn't be happier that Nasty Nancy will be a resident of Hell for all eternity. So glad President Trump was there to witness the demise of this most evil creature. God is good, all the time and all the time, God is good! Enjoy the bar-b-que, Nancy!

Finally! Now it's just Obama- the "real president " she was referring to. He's going to be a slippery one.

Once again, thank you Michael Baxter for staying on top of all these stories; they are the one thing that keeps me going as a patriot in this horrible war. God bless you!

I thought Obama was gone way back. Didn't he throw Michael under the bus? The same with Joe and Hunter. So, who is her referenced "real" President? Any guesses?

The actor posing at Obummer. Most people don't know he's already dead so these fakes follow the orders of the puppeteers who once controlled the Indonesian Sock Monkey BO.

Hitler lost one of his testicles in WW1 and therefore could not produce any kids.
