Zatímco moderátor Fox News Brett Bair v úterním večerním rozhovoru lobboval u ředitele FBI Christophera Wraye softballové otázky a mlčky tleskal jeho imaginárním úspěchům, agenti pod

Wrayovým vedením vedli pomstychtivou finanční válku proti konzervativcům, kteří se stavěli proti zločinnému Bidenovu režimu.

Oddíl Bílého klobouku americké armády uvedl, že FBI – za pomoci místních donucovacích orgánů v rudých státech – se zaměřila na Trumpovy příznivce pomocí praxe zvané „zabavení občanského majetku“, kdy protiústavní zákony umožňují orgánům činným v trestním řízení zabavit majetek, peníze nebo majetek, pokud policie pouze věří, že to souvisí s trestnou činností. Policie nemusí v těchto případech podávat obvinění nebo dokonce prokazovat vinu před zabavením a zadržováním majetku a neexistuje žádné omezení toho, co může policie vzít. Federální zákon o propadnutí majetku dává orgánům činným v trestním řízení velký peněžní zájem na zabavení majetku. V rámci programu spravedlivého sdílení ministerstva spravedlnosti mohou státní a místní orgány činné v trestním řízení, které předají zabavený majetek federální vládě, uložit až 80 procent výnosů z propadnutí majetku. Dodatečně,

Policisté to nazývají cenným nástrojem k omezení obchodu s drogami a zbraněmi. Ústavní právníci na druhou stranu tvrdí, že zákony o zabavení majetku v občanských věcech podporují „legalizovanou krádež“.

"Je to diskriminační policejní práce za účelem zisku," řekl hlavní náčelník Bradley D. Earl z amerického námořnictva JAG Law Program. „Oběť je považována za vinnou a musí prokázat svou nevinu, aby získala zpět majetek a hotovost – vleklé soudní spory, které si průměrný člověk nemůže dovolit. A nyní máme podstatný důkaz, že federálové naverbovali donucovací orgány v konzervativních státech, aby lovili příznivce prezidenta Trumpa.

Dodal, že JAG a Úřad vojenských komisí se dozvěděli o nárůstu zabavení majetku od „pátých sloupců“ FBI, rostoucího počtu agentů, kteří se distancovali od režimu a přísahali, že svrhnou zločinecký

podnik Merricka Garlanda a Christophera Wraye. Velení Master Chief Earl odkázal Real Raw News „pátému sloupku“, který souhlasil s komentářem pod příslibem anonymity.

Vyprávěl o dvou situacích, kdy federálové pomáhali křivým policistům v texaských městech spravovaných Modrou.

5. února řídil 64letý Dilbert Cummings, důchodce, který právě prodal svůj úspěšný instalatérský podnik, svůj Ford F-250 po State Highway 35 – hlavní dopravní tepně – když ho zastavilo auto hlídky Austin Police Dept. porušil texaský zákon o rámu poznávací značky a tvrdil, že jeho zadní štítek byl „zablokován“. Šplouchnutí bahna zakrylo jediné číslo. Důstojníci komentovali samolepky na nárazníky a polepy na okna – Trump 2024, Stojím s Trumpem, Drain the Swamp, Carry Like It's 1776, God Bless America, We the People, You can Py My Rifle from My Cold, Dead Hands atd.— a zeptal se Cummings, zda plánuje v roce 2024 volit Trumpa.

Pan Cummings uplatnil své ústavní právo mlčet a řekl, že neodpovídal na otázky, ačkoli poskytl svou licenci, registraci a doklad o pojištění. Policisté si poté všimli pušky ve stylu AR visící ze zadního okna nákladáku – Texas nemá žádné zákony týkající se nošení dlouhých zbraní (pušek nebo brokovnic) v motorových vozidlech. Policisté ale údajně řekli: „Pokud máte rádi zbraně, musíte milovat Donalda Trumpa,“ a pak se zeptali, zda má pan Cummings ve vozidle nějakou hotovost nebo drogy, a požádali o povolení jej prohledat.

Pan Cummings se dovolával svého práva na 4. dodatek, který údajně chrání občany USA před nepřiměřenými prohlídkami a zabavováním. Jeho ústavní znalost dráždila policisty, kteří ho zadrželi, když přivolali jednotku K-9 ke kontrole vozidla na narkotika. Když pes a psovod dorazili o 20 minut později, nebyli sami. Žlutohnědý sedan s dvojicí zvláštních agentů FBI zaparkovaných za důstojnickým křižníkem K-9. Všichni mluvili tlumeným tónem, než psovod obešel psovoda kolem nákladáku pana Cumminga. Pes samozřejmě zalarmoval, a když federálové stáli v

pozadí, policisté prohledali nákladník a odhodili věci pana Cummingsa na kraj silnice. V jeho odkládací schránce našli nálepku „WWG1WGA“ a zeptali se, zda je jedním z „těch lidí“. Austinská policie pokračovala v mlácení vozidla a našla sedm 1 oz. zlaté cihly ve středové konzole. Ukázali zlato a nálepku federálům, kteří přikývli, ale neřekli nic.

Policisté řekli panu Cummingsovi, že jeho nákladník, puška a zlato budou zabaveny, dokud u soudu neprokáže, že se nepodílel na nákupu a prodeji nelegálních drog. Jeho protest dopadl na hluché uši; řekl, že převedl hotovost na zlato, protože to bylo „bezpečné aktivum“, a přinesl je své dceři do Dallasu, která potřebovala prostředky na uzavření prodeje nového domu.

Zůstal stát na dálnici, když jeho vozidlo odtahoval vrakoviště. Nebyla nalezena žádná narkotika.

"FBI vidí Trumpa jako velkou hrozbu a demoralizace jeho základny je považována za obrovský úspěch," řekl informátor FBI. "Za vším stojí Wray a nenávidí Trumpa tak moc, že půjde po každém, koho může získat, kdo je na Trumpově straně." Je posedlý Trumpem. Je to maniak."

22. února se dvanáct agentů FBI v taktické výstroji a vyzbrojených automatickými puškami sneslo na dům – dvojitý příves na 20 akrech půdy – staršího páru, který vyvěsil transparenty „Dark Brandon“ a „Trump-Lake 2024“. plot obepínající jejich majetek v Houstonu. Despotové FBI strhli anti-Bidenovy a pro-Trumpovy vlajky, než nelegálně vnikli na pozemek a zastřelili psy majitelů domů. Obvinili sedmdesátiletý pár z létání s drony nad federálními budovami a uvedli, že měli pravděpodobný důvod vstoupit do domovského zatykače. Federálové našli a zabavili 63 tisíc dolarů v hotovosti, celoživotní úspory páru, protože manžel a manželka nemohli dokázat, že peníze z prodeje drog neprofitují.

Pár řekl, že nevlastní žádné drony a netuší, o čem FBI mluví, ale na tom nezáleželo. Bylo jim řečeno, aby bojovali u soudu, ale varování, že by je mohli zařadit na „další seznamy“.

Náš zdroj JAG řekl: „Právě teď se to děje široce. Pokud podporujete Trumpa, máte na zádech zaměřovač. Biden to povolil. Jdou po každém, koho najdou – je to nenávistná pomsta vůči komukoli, kdo stále podporuje prezidenta Trumpa. Pracujeme na tom, abychom to zablokovali, ale můžeme být jen na tolika místech současně.“

ATTN: Mr. BAXTER , HERE IT IS AGAIN, this is why I have said repeatedly at this site RRN , the USDOJ and the FBI have to be taken-down and taken-out by the TRUSTED US MILITARY, US SPECIAL FORCES and US SPECIAL OPERATIONS UNITS, using EXTREME FORCE , EXERCISING EXTREME PREJUDICE, this must be done to the ENTIRE USDOJ and FBI and this must be done FUCKING PRONTO , LIKE RIGHT FUCKING NOW. Gen BERGER and TRUMP have SLOW-PLAYED ALL OF THIS, PUTTING THE WHITE HATS , PATRIOTS , TRUSTED US MILITARY , THE ALLIANCE ETC. WAY BEHIND WHERE THINGS SHOULD BE AT THIS POINT. MASS OPERATIONS and ARRESTS SHOULD BE UNDERTAKEN AGAINST THESE ASSHOLES IN THE USDOJ AND FBI , not the piece meal , lame approach that has been going on thus far. WTF Thus far the White Hats have been waiting on whistle blowers and informants that in NO FUCKING WAY can be trusted,

take ALL these ASSHOLES DOWN AT ONCE, If their are good individuals amongst them they may possibly get weeded out after ALL of them have been arrested and behind bars, otherwise FUCK'EM ALL.

approx 35 yrs ago, when there were still a few actual investigative reporters left with integrity and courage, and a few independent newspapers willing to publish the truth, the pittsburgh post-gazette ran a series of articles for five weeks, detailing RICO abuses exactly like this, including some by the washington county barracks of the pennsylvania state troopers, and a few other agencies in southwestern PA. none of the victims were criminals. none ever recovered the property stolen by the pigs thru the courts. how does anyone prove that they didn't do something? it's a logical impossibility.

they were so brazen as to place classified ads in the local papers for sheriff's sales of seized property which SPECIFIED all sales were CASH ONLY. many of the items listed in the notice for the sheriff's sale were big ticket items worth thousands. then the pigs would wait along the road leading to the sheriff's sale and stop cars. anyone carrying a large sum of cash had it seized, because "only drug dealers carry thousands of dollars in cash." hard to believe? you better believe it, 'cause YOU MAY BE NEXT.

this all began just as soon as that senile sock-puppet ronnie raygun pushed the RICO laws thru congress. take a bunch of arrogant assholes who already have guns and badges, and give them a license to steal without any oversight or consequences, and WTAF do you think is going to happen? only a total MORAN thought the RICO act was a good idea. yes, it was used against some high profile big time criminal organizations, but the cumulative abuses against ordinary honest citizens FAR outweighed any so-called "good" that came from this law.

no one wants to hear it. no one wants to believe it. only when it happens to them do they finally admit there is a BIG problem. watch the replies to this post. i have no doubt there will be a fair number from pig worshippers who take umbrage at my description of cops as pigs. perhaps not all cops are bad. but ALL cops know of other cops who ARE bad, and they remain silent. as i understand the law, that makes them accomplices after the fact.

this will continue until we the people demand that legislatures repeal these idiotic laws. instead of writing a triggered knee-jerk reply here to my comment, maybe think about writing your representatives and demanding the repeal of RICO and all such civil asset forfeiture laws. the courts have already proven they will do nothing to stop the blatantly unconstitutional actions of the pigs in blue running hog wild.

It's MORON, not moran. i try not to be angry at cops but after Covid, you can't think that they have ever read the constitution or they just care more about their pensions than the people. And we had political prisoners long before J6

I know personally from Bartlesville Oklahoma FrédéricK Essers 11th Judicial Drug Task Force used very similar tactics in 1999-2000. Kicking doors all over town. Many wrong addresses due to the officers being drug addicts. Additionally it was vindictive tactics to shake down select citizens to support the Judges and DAs cocaine habits.

I have heard horrifying stories like this for years, and for most people until it happens to them or someone they know, they dismiss it as that person must have done something wrong or they are crazy etc.

It is hard to imagine in a civilized society that this insanity goes on – but it does and it is escalating as evil becomes more desperate. This is evil's playground and they have taken over this planet. When people learn the truth about our reality, then they can recognize the hold it has over our society and they can see it everywhere. To win this war, humanity's consciousness needs to be elevated higher, until that time, more bad news will keep coming.

To those of you who have had these experiences, my heart goes out to you. This is not the reality I want for myself or any good people, ever.

The second we awaken en mass and realize that we are one with God/source/divine creator, that is when we create our new reality. It's a good time to go within to find peace, truth and inspiration. Keep your divine spirit in you, be prepared for continued shortages, help others and Godspeed.

Michael, I don't own credit cards, but can I send a donation through paypal or send a check, thanx for your marvelous site reporting the bad Biden crime guys. I'm getting revenge against the Rockefukkars that sent me to my death in Vietnam and dam near succeeded....

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. As a whistle blower I went to prison for 3 years and was never Indicted during Geo. Bush jr's time in office. Seven people went to prison and 7 others were murdered. I only knew one of the others, an ex-secret Service Agent. He was murdered. They took almost 5 million from me. That broke me financially. I was never convicted of a crime.

what were you a whistleblower about, if you can say, vaguely.

how did you know 7 others were murdered? was this about 9/11?

God bless you for your courage.

Why would he bother to tell you people any of his experience? Are you going to investigate his claims? He should not have to prove a fucking thing , even if he could. He just put out his very bad experience, costing him years of his FREEDOM, his life's work and savings , wealth etc. and this heinous shit has happened to tens, hundreds of thousands of Americans and people in this NATION for decades. If you do not believe him, that is your choice, your problem. He has shared his experience , essentially bolstering other reports and stories of other folks. You just take it from there. IF you cannot handle this shit and not believe , nor accept these heinous realities your so-called " institutions " of governments have been perpetrating , FUCK YOU! , YOU ARE MORONS. WAKE THE FUCK UP!

LAW ENFORCEMENT have been putting cases on innocent individuals for over 2 DECADES, this to cover-up the criminal activity and RACKETS that law enforcement , politicians and bureaucrats are ACTIVELY INVOLVED IN , PRISONS FOR PROFIT SCHEMES and for law enforcement receiving ILL-GOTTEN GAINS, BEING CASH PAY OUTS FOR PUTTING CASES and INJECTING INNOCENT CITIZENS and INDIVIDUALS INTO THE CRIMINAL JUSTICE RACKET, THUS PROVIDING more income for the lawyers and attorney RACKETEERING CRIMINAL RACKETS that have been operating for DECADES. This is FACT and most Americans have given a BLIND EYE to this heinous shit as long as it does not affect them personally. NOW YOU FUCKING PEOPLE UNDERSTAND THERE IS A WHOLE LOT MORE TO " DEFUNDING THE POLICE " TIME TO WAKE -UP MORONS, AMERICANS IN THE AGGREGATE ARE THE DUMBEST PUBLIC ON THE FUCKING PLANET.WE ALL HAVE CONSTITUTIONAL RIGHTS , THE BILL OF RIGHTS,AND WE HAVE LET THESE FUCKING CRIMINALLY

CORRUPT ASSHOLES IN THE LEGAL RACKETS , LAW ENFORCEMENT RACKETS and POLITICAL RACKETS, FUCK THE AMERICAN PEOPLE OVER FOR DECADES, AGAIN WAKE -UP MORONS. THIS IS WHAT DEFUND THE POLICE REALLY MEANS.

there killing and displacing Christians and patriots by mis using the laws and hospitals and giving people who do things for the deep state deep state loyal people American patriots land homes and businesses. I just watched a video on bitchute where they said biden told the president of Ukraine he was going to carve out some land in the US for him for stalling for them Russian forces to delay trump and the white hats from taken out deep staters.

So what's the moral of the story? Citizens should start defending their property and homes using force? It sure sounds like it.

yeah , and help and defend their friends and neighbors when these Federal assholes come for them. And yes USING FORCE. WE ARE AT WAR, WHAT DO YOU DO WHEN YOU ARE AT WAR. It's PRETTY OBVIOUS THERE IS NO LAW IN THIS NATION, WHEN THOSE RESPONSIBLE FOR UPHOLDING THE LAW HAVE NOW ENGAGED IN CRIMINAL ACTS , TREASON AND CRIMINAL OPERATIONS, WE ARE AT WAR, FIGURE IT OUT, but don't take to long. IF we wait for White Hats, we will most likely be DEAD. and NO THIS IS NOT A SHOW, That is a BULLSHIT NARRATIVE projected by the DECEIVER, DJT

Bair is an agent and suck-ass for the zionst satanist jew msm and a Deep State dirt-bag, FUCK'EM

MB – Good article, but it should be forfeiture. The FBI needs to be culled, starting at the top. This is clearly illegal behavior. Haven't they got enough to do with blowing up electrical substations?

This IS truly a religious war as ALL wars at their core are RELIGIOUS by nature!

Think::: Communism is a religious principle that appeals only to the morally corrupt, and wickedly cruel!

Those sons of b*tches, Garland and Ray, need to suddenly appear in GITMO for a brief "vacation" before a final taking off.

NOW is the time for White Hats to get Wray and Garland, whether or not there is collateral damage. And if that collateral damage is only those surrounding them, so what! Use WHATEVER excessive means is necessary to prevent our forces from harm.

USA, Inc is Foreign to a Free Man and Woman. So are the 3 letter Corporate agencies like the FBI, IRS, DHS,,,, Government(s) operate by the Consent of the Governed. Stop Consenting...

Michael, I'd like to donate to the people who got their funds and assets stolen. How can I get some money to them?

Please note there are laws that forfeit the born disabled from owning more than \$2,000.00 in trade to get a free check and free medical insurance. This is simply because we're not fit for work. Or employment. I'm one of them. Now I have to make a trip to Medicaid

office, tomorrow and I don't know what this evil government will do that will take my medicine away that keeps me seizure free since 2004. The funding for it. Talk about assets being forfeited that I could save in the name of not being an employee for 40 years. I'm just putting that out there, not expecting anything. But there are about 11 Million on these services that are discriminated against because where not fit for employment. Or employment to pay our medical bills.

THIS IS ABOUT MORE THAN UNJUSTLY PUNISHING TRUMP SUPPORTERS They're taking patriots land and businesses money kicking Christians and patriot American's out of colleges, they tried to ban Christians and patriots from China /deep state loyal businesses they are forcing Americans out of business even starting to use the vaccine as a weapon people who haven't been vaxed couldn't fly go in restaurants they are from what I seen planning on putting a breath sensor in new cars and people will have to breath in it before they can drive I Garn Tenya it detects if you have been vaxed or not and if you haven't then you won't be able to drive new cars THEY ARE STARTING TO PUT FINGER PRINT and chip DETECTORS ON MEAT FREEZERS in grocery stores EYE SCANNERS AND CAMERAS to they are doing away with cash register workers and now they're making it to were you have to have a chip to even buy groceries what they are doing is trying to displace all the Christians and patriots and steal this country from Americans by mis using the laws watch and see if they don't give it to anti America forens I just seen a video on bitchute were Biden was thanking the president of Ukraine and saying he was going to carve out a piece of land for him in America I believe the deep state has done this to china and different middle eastern nations to they promised them portions of America they are displacing Americans forcing them out they have been doing the same thing in California. and western US slowly working their way to the eastern side. making tyrannical laws fires and having their gorillas terrorize honest Americans driving them from their own communities. I THINK

THEY ARE HERDING THE PATRIOT PEOPLE TO CERTAIN PLACES FOR SOME REASON OUT OF THE CITIES AND CERTAIN AREAS LIKE BORDER STATES. there herding them away from all the beautiful country and high value real estate..

Time for full Martial law, We going to wait till someone dies. There just mirror what they're doing in tribunals. STOP the BULLSHIT

Maybe most of you will see how bad the cops really are, almost all of them. Many Trump supporters have a loyal blind love of anything law enforcement related: WAKEUP!

All three~letter agencies are on some pretty precarious footing Constitutionally. The ones expressly granted the right to bear arms, is We The People. Badges & guns & uniform 'costumes' does not change the fact, that We The People ARE the militia mentioned in the Constitution, & they know it. We have every Right to Defend & Protect our Property & Lives, despite their deceits foisted upon us without our full knowledge & consent. The have wrongly presumed our 5th Amendment Right to Remain Silent to be construed as silent acquiescence, when it is no such thing. We are raising a well~informed body of sovereign Americans, & we bloody~well know, we have Rights against your TYRANNY.

i'm a Texan! Fellow Texans here want to build a wall around Austin and Houston along with everyone that lives there. Leftist strong holds!

Allow an ammendment, Nak? "Matrix Strongholds." No more Democrat. No more Republican. One bird. Two wings. Same shit. Elect pipefitters. Trust me, public office is always an easy job. Pipefitters have a harder job now. For instance, The Indianapolis Department of Public Works should be run by a civil engineer. Instead, the dirt-bag mayor installed the head of the Democrat Party. He just hired it out. Public works and school construction have both ALWAYS been very very very dirty. Same way now with the big addition of the OBAMA 2030 WEF Globalist reset: Race Anxiety, Gender Confusion, political murders off the chart. Listen to one such cold case on my Episode No. 12. Click on my name, if you wish. Where is Juan O Savin hiding? New Face, John?

I maintain Juan O Savin is purely a play of words. My take, Juan is #1, O is # 0, Savin is #7. Thus it is 107 and if you take out the o, what do you get, #17 and voila, our favorite letter in the alphabet Q. Just my honest opinion. Your "New Face" hint is quite intriguing.

Blessings, 🙏🙏🙏

plus a little more, Del. Try this: Juan for John, O for Onasis, Savin for the Savin Hills area of Boston where his dad's library is. No Sir, now on the cusp of 2nd quarter '23, I direct attention to the concept of "shelf life" or call it "pot life," there's a limit and then you gott use it or dump it and start over. I've always thought that he and Miller could have done this more creatively. There are conceptual connections waiting to be made. And by the way, why don't you cut the crap on that salesmanship you do on here. Way out of place. I don't even like to hear it from Rodriguez. And BTW, while out today, I once again reflected on the insipid fact that Indiana used to be something of an intellectual ferment, back in the days when Kurt

Vonnegut went to Shortridge High. But now, in speaking with several, these Hoosiers can't string a thought together that doesn't involve toilet paper, football or food. I digress.

Hey, Corrigan. The real Delaware Victoria is the one with crab  hands up. She's worshipping. She's not selling anything. Her namesake on the other hand, well that's a different story.

Please tell us how you earn \$10 an hour. I am looking to give up my job as a toilet cleaner. Maybe you can coach me on how to make it big

I followed Q and it was always said that the Military is the ONLY WAY... Are we not already to that junction NOW??? It sure feels like it to me... Thank you so much Michael for all your reports... I greatly appreciate them all...

And that the Military is in control. I see it for some things but not everything. Human trafficking is still rampant.

Today I just discovered the Organized Crime and Corruption Reporting Network, a website of investigative reporters who had trouble getting their stories published, I suppose. New story about child trafficking in Ukraine.

Our JAG source said, "This is happening widely right now. If you support Trump, you have crosshairs on your back. Biden has sanctioned this. They're going after anyone they can find—it's hateful

vengeance against anyone still supporting President Trump. We're working to shut this shit down, but we can only be in so many places simultaneously.

Therefore, I am humbly requesting every civically minded, law abiding, constitution loving, armed American to take a measured look and do the work no one wants to do.”

FUCK TRUMP , he is a DECEIVER, WAKE -UP! Understand THE USDOJ and the FBI HAVE NOT ARRESTED TRUMP! Do you get it yet? they were NEVER GOING TO ARREST TRUMP, as TRUMP WATCHES HIS SUPPORTERS GET TAKEN DOWN as TRUMP GOLFS , TRUMP CONJURES UP NFT's reaping MILLIONS OF DOLLARS, TRUMP is NEVER GOING TO BE ARRESTED, WAKE - UP, THIS HAS BEEN GOING ON SINCE JANUARY 6, 2021

Always take out the leader; and/or in close quarters, maim/cripple your opponent – and then follow by whatever force is needed.

People like Wray, Biden, Tedros, Schwab and the likes, including Castro Trudeau, PERSONALLY speaking, although now a soldier of the Cross, a man of peace, in a different life, would have been removed by whatever definition warranted ages ago.

I've become a great respecter of Putin's STRAIGHT TO THE POINT means of dealing with evil ... ZERO TOLERANCE ... because evil has zero tolerance for WE THE PEOPLE who stand on TRUTH.

I can do all things in CHRIST who gives me the strength ... and I will whenever challenged by the evil of she, he, or IT devils!

Let us give thanks for victory in the name of JESUS CHRIST LIVING GOD!

Are these RRN reports for real or are they all satire? And I mean all!

I've read recent reports that gw bush, d. cheney, and d. rumsfeld were endorsing de santis for 2024 but RRN reported the executions of these three thugs I just named a few years ago.

If that is so and de santis accepts their endorsements then that just goes to show who de santis really is. Dishonest lying crook. A genuine RINO, I believe he is.

If it were not for President Trump endorsing him for FL Governor, de santis would be nothing today.

Reports given by legitimate white hats = information they want out there.

This is a movie playing out, it is also war, a spiritual war, an alien spiritual war to be exact and engaging in fifth generation warfare.

The truth is so evil and so bad you wouldn't believe it unless you have done the research. There are clones, body doubles, aliens, advanced technology etc.

Some so called grey and black hats are white hats playing a role and I understand Wray is one of them, to draw out the evil filth. We have been told that some you thought were good are not and vice versa.

Keep an open mind, much shared is true, and some is planted for good reason, usually to throw the bad guys off the scent. Buckle up and have faith.

Don't you just love it when the FBI commits crimes and then lies through their teeth about it?

I got arrested and jailed for drugs and car impounded and if my friend didn't bail me out I would have died in Ely, Nevada jail in 2010. All I did was drive through and cops chase me in unmarked cars, and make me speed so I didn't want to get rear ended. So I'm in jail for a speeding ticket and drugs. They found nothing and said the

dog barking was probable cause to search my vehicle. 4 courts date later going 800 miles each way 4 times, they finally returned my bail money, only because the highest drug tests place in Nevada found no evidence of me ever taking any drugs. Cops and judge took forever to believe me.

The best answer I got was from a navy Seal that was a truck driver. "Stay on the interstate when going anywhere". No short cuts, no alternate routes whatever. There's a lot of killers and other injustices all the truckers know about from small towns to roads between them. The cops themselves are looking to scam travelers. Anyone elderly in a beater car alone or just two in the car, was their favorite prey.

It was like the Texas chainsaw massacre in some spots on the east west north side of Area 51, with what I guessed was satanic killers or crazy farmers. They watch on camera to get people spotted from the gas station which combines with 3 hour hotel bordellos. They leave locals alone so not to get caught. I saw way too many cars abandoned on the roadside. I had two more more gruesome attempts on my life on that road, with visions flashing in my face warning the hell out of me, before I really wondered how many satanic farms were out there in Northern Nevada.

People I met later, in jaguars, etc with guns knew what was up, they told me more. They don't try and catch them just go after beater cars for someone that seldom fights back in court.

I never was on drugs in my life either. They had me pegged for someone else with the same name and birthday. I could tell when they were booking me because I looked at their computer and the birth year was off.

Very very sorry to hear that Stinky! Maybe if our hero president ever reads RRN and our posts, he'll make a note to fly your down to man the gallows' switch when it becomes Nevada's turn.

This continues to expand my thoughts on “Is Trump / White Hats the Trojan horse”. We’ve been strung along for so long.....”just trust the plan”, “WWG1WGA”, “it’s just a movie”, “enjoy the show”, “grab your popcorn” – we have NO proof to anything, most of what we hear are lies, and people therorizing, or that they “have intel” – it’s all so exhausting and I’ve been awake for nearly 22 years. I do believe “foreign fighters are alreay here” and I often wonder some of the people in my neighborhood are plants – Ton of illegals from all walks of life, including many men from the “Ukrane” – Meanwhile we are LOST of country just sitting on our arsh waiting for shiti to happen. Who know if what we see on this site is correct. Baxter could be part of the take down as well – we just don’t know outside of our gut n discernment.

The answer is Jesus Christ, not Trump, not the Patriots. We must prepare for eternity. The fight is between good and evil. Gods fight. Eternal Father, I offer you the Body and Blood, Soul and Divinity of Your dearly beloved Son, Our Lord Jesus Christ, in atonement for our sins and those of the whole wide world.

No argument from me especially the ending prayer which is part of The Divine Mercy Chaplet. My wife and I and most Catholics pray the Chaplet and is fondly called The 3 o’clock Prayer. Saint Faustina Kowalska was credited for starting the devotion per the request of Jesus through a vision. Blessings, 🙏🙏🙏

777, many of us feel the same. I have prayed to God for revelation. His spirit has seemed to provide me with this: RRN is real. Q was real. Trump remains the legit pres. Adrenochrome is real. It’s all true, and more, much more, than you can even imagine – things you couldn’t bear, because of, ‘strong delusion,’ that is the result of decades of programming you’ve had via CIA demonic controlled media and indoctrination institutions.

However, even though the white alliance military partition does exist, it is not strong enough or *wise* enough (as they never mention once, The Lord) to win. They are going to fail, and America is going to experience George Washington's vision, part 3.

Go, study the critical clue I just gave you. I can lead you to water, but can't make you drink.

Finally, and this is critical, The Spirit has hinted to me the rapture itself might be near, and just like only 6 people got onto that arc before the flood waters fell, very few of us will be taken up before things get REALLY ugly.

So the key is more than food, guns, networking, plans and land. The key is prayer – stay close to Him. No compound on earth can protect you – only Him. Listen to what He says, and *do it.*

As fathers and husbands, we cannot do anything on our own. We must have The Holy Spirit guide us.

As per Washington's vision: invaders and enemies from Africa, Europe and Asia have come by land and sea to annihilate us. We will fight, and there will be mortal combat – cities will burn and it will look like it is game over, but at the last moment before total destruction, hosts of white spirits will shine down from heaven and the people will reform up their ranks and our enemies will be dissolved.

It says that after this, America will never again be plundered by these same wicked, godless hordes, and that our cities and homes will be rebuilt, coast to coast.

Sounds like the beginning of the 1,000 year reign of Christ on earth..

Best of fortunes to all y'all. I'm doing my best to hear Him – the One who restored my life after the corrupt FBI tried to ruin it when I went to see the president speak in Washington on 6 Jan. Recommend you all do the same – call out to Him.

EdBob out.

Are you saying we must go through the Tribulation, then the 1000 year Reign of Christ? Satanic churches messed with our bibles and I feel we have some missing books that are hidden in Vatican, that could explain so much more. But for now, this is all God wants us to know. I have wondered if we are headed for the 1000 year reign now. Because the Bible said Satan must be released for a time after those 1000 years to deceive the Nations once again. I wonder if that is when The 7 year Tribulation that Revelation speaks of will be. It seems to be out of order as we all have understood it. But anything is possible. I mean our world is suffering tremendously, but we know the White Hats are taking a lot of people down. I don't see this being the 7 year Tribulation. I see this as a long clean up, but headed to Christ reigning with his church for 1 thousand years!!!! Can you imagine!!

Julie Green on rumble. She gives hope and loves God. Amazing messages of hope and peace. Her favorite saying is But God. Because God is in control and Always has the final say. Anything negative is from the enemy. We Walk by faith, Not sight. Focus on God. She talks about a worldwide Exodus, restoration and freedom from the modern-day Pharaoh's.

Julie Green also says that each of us needs to study God's Word daily, in order to have a relationship with Him. No one can do this for us.

My friend ... you are sharing from the heart, and all viable issues/concerns that probably the majority of Patriots have asked themselves at one time or another over the past three years; self included.

Patryot reply here, said it best, "The answer is Jesus Christ." Not Trump, White Hats, or the pride of man or his denominational titles ... but Jesus Christ Living God of the Protestant Holy Bible, ALL OF IT, nothing added, nothing taken away.

Know Him and place your faith in Him alone my friend (John 3:16 or 11:25 or Romans 10:9), for we could very well be headed into the last days ... not saying we are ... however ... secure your soul, because there are only two exits leaving this world ... HEAVEN or HELL ... and Matthew 12:30 states it clearly.

PS:

If you click on my name, it should lead you to One Truth Many Lies . com ... and there are few posts worth reading ... or watch #14 on the PDF at bottom of homepage called 'Fall of the Cabal' ... and you will see how these demons have infested our history timeline, turning it into 95% lie.

Trump is a DECEIVER, DJT is Deep State, do a bit of research, this information is available, you do not have to dig deep.

This is precisely how these slime-balls pervert & flip the wording of justice. When we lose 'INNOCENT UNTIL PROVEN GUILTY' we have taken law & subverted it entirely. I know the POLICE ARE CORRUPT AS HELL because they protect the child-traffickers of CPS, etc. They are tyrants. They are in the pocket of the deep state cabal, whom have given them the 'legal' right to behave in DIRECT VIOLATION OF THE CONSTITUTION. These are no better than state-funded street mobs, with LICENSE TO STEAL & KILL.

The answer to this illegal tyranny, is when traveling, carry a "Dogman" beast in your trunk and when stopped, have the turds open the trunk for a surprise and after the carnage, collect wallets, guns and money from whats left of the perps and have your dogman get into the trunk and go out in search of more action...just a thot.....

Eventually, we will be waiting for them. When they show up we will just shoot them! Then, guess what we'll have? The damn civil war they didn't want to begin with! So, by waiting and kicking this horrible can down the road, we're getting a civil war anyway. Is that the "plan"?

Another thing FBI is a crown agency that was brought in after the So called Feferal reserve was fraudulent established. So FBI agents are supposed to file under FARA foriegn Agent Registry Act. So their acting out side of the federal government. Someone need to let sheeple know. They shot the fuckers and any traitor working with them.

woodrow was complicit in their scam no more federal than a bug on a rug The creation in 1913 of their loan shark corporation They print OUR money and charge us interest

Notice ms yeell er was doing his freemason hand shake with zelensk on the green screen /.....oh wait ,MSM said they were meeting in Ukraine

yeah, and then Wilson got cold feet so then they “honey-potted” him, poisoned him, called it a stroke, worked thru his new floosy-wife and seagued into Warren G. Harding, Teapot Dome Oil, U.S. invasion of Siberia, and the short depression and I’m only up to 1922. History is a bitch, when done correctly.

Wait a minute. Wilson got cold feet, the honey-potted” him, poisoned him, called it a stroke, worked through his wife?

When I was a kid, I heard that Wilson had a stroke and that his wife Edit Bolling Galt was standing in for the ill man while he recovered. Never heard anything about a honey pot and poison plot because he refused to do something the deep state set told him to do?

Heard that he was a southerner, a racist, a main player in the League of Nations, a shorthand wrier but never that.

Those goons that are doing this are going to end up burning in hell pretty soon. God will give them their just rewards for their terror.

So he’s on his 20 acres without his cash. Wonder if they are gonna boot him off his land too. Why not? They are out on the take with any excuse. As soon as he doesn’t pay taxes it’s gone if they have a debt

on the books. They might return his cash and just out to take the property?

Man, not to gloat but I thankful I live in Florida. And I'm shocked at such things happening in Texas.

FYI Sanctimonious isn't a MAGA supporter he's a rino, globalist, conniving, slivering snake 🐍 that he recently at a book signing in Florida. Didn't allow Trump supporters to exercise their Freedom of speech n sent police to chase the Trump crowd away !!

Desanitizer is also a WEF'er too, or a "one eyed jack"...Who the shit is he foolin....!

Every large city seems to be blue, no matter where it is. They've made sure of it.

Well, Boise, ID, Missoula, MT, Pierre, SD, Salt lake City, UT, Cheyenne, WY, sure the hell are not blue wokeycrat havens either.....

Me too. I live in Florida. But I am a bit leery about Ron DeSantis, after HE ALLOWED FEMA TO LOOT FLORIDIANS.

I thought that he valued his Florida Citizens.

He proved that during the PLANNED-DEMIC

Now...I'm not so sure.

Florida's forfeiture statute only applies to individuals with at least two criminal convictions, at least one of which is a felony. But the Feds run their own game in the Sunshine State, and are understood by some to hide forfeited assets from their State counterparts.

I want to hear that Wray is hanged by Michael's next post. Need to show him the pics. of his pals dangling; that should be fun.

Yes in the middle of all these lawlessness that Jesus prophesied, we are to keep winning over the lost souls. Blessings, 🙏🙏

Amen! 1Thessalonians 4:13-18.... Keep looking up as our redemption draws near. Also, keep your eyes on what's happening in Jerusalem. The Lord Yeshua, will soon meet us in the clouds at His Great Trumpet Blast. 1John 3:1-3 Harpazo

That includes the ones who trust the men who have been falsely teaching about the rapture, instead of what the scriptures actually say.

Amen! Real scriptural Chr(y)st believing followers of (The Way) know that, "They Live". If all of our indoctrinated his-story is meant to dissuade from actual truth.... Why would you think that they would leave the bible alone? Look at how many false PROFITS there has been throughout his-story. ANYTHING is possible. Time is off by 1000-1250 years. Dates are off because calendar etc. Supposed to be 13 months of 28 days, not 12 of 28, 30, 31. Time/calendar was changed to offset real days of worship and Christs birth/resurrection... everything has been changed by the evil ones that are followers of ba'al worship, satanic beings that are part of ba'als satanic agenda. Satan is the (god of this age). I put my faith in Yeshuah/Yahuah/Ruach ha'Kodesh. They have been playing word games FOREVER. Its time it stops, its time people open their friggin eyes that they have been lied to their entire lives, about everything and get on their knees and ask for true redemption from our true CREATOR and stop being deceived by 1/2 truths and lies from the enemy of man
