Dva senátoři Spojených států nedávno zemřeli v nemocnicích, uvedl zdroj kybernetického velitelství americké armády, který tvrdí, že jeho agentura zachytila rozhovory, ve kterých vůdci demokratů

diskutovali o smrti pensylvánského senátora Johna Fettermana a kalifornské senátorky Dianne Feinsteinové, kteří údajně zahynuli během několika dní poté, co vstoupili do země. nemocnice.

Fetterman vstoupil do Národního vojenského lékařského centra Waltera Reeda v polovině února kvůli klinické depresi a od té doby ho nikdo neviděl, což způsobilo, že kritici senátora podobného Lurchovi se ptali, zda muž se sníženou schopností může vydávat zákony, když je nemocný. Náš zdroj řekl, že pokud Fetterman něco uzákoní, dělá to z Háda.

Přesvědčení Cyber Command, že Fetterman je mrtvý, pramení z telefonátu z 27. února mezi Chuckem Schumerem a senátorem Garym Petersem (D-MI.), ve kterém diskutovali o způsobech zavedení nové legislativy proti střelným zbraním. Před ukončením hovoru Peters požádal Schumera, aby „poslal Johnovi moje pozdravy, až s ním budete mluvit“, čímž Schumera vyzval, aby odpověděl: „Hej, je pryč, ale mlčíme, abychom se vyhnuli mediálnímu šílenství, dokud nebude připraven náš pohotovostní plán. . Myslel jsem, že jsi ve smyčce a věděl jsem to. Zemřel před dvěma dny na masivní infarkt.“

Fetterman měl dlouhou historii srdečních onemocnění. V roce 2017 mu byla diagnostikována fibrilace síní, nepravidelný srdeční rytmus, a přestože ho jeho kardiolog nasadil na režim léků a cvičení, Fetterman to nedodržel. Fetterman utrpěl mrtvici, jeden z nejstrašnějších následků AF, 13. května 2022 a jako zázrakem přežil.

Když Peters požádal Schumera, aby vyjádřil soustrast Gisele, Fettermanově ženě, Schumer se zasmál a řekl: „Ona? Sakra, ona ho zabila. Ne v přímém smyslu slova. Paroháčela toho ubohého parchanta a nutila ho dívat se na ni při sexu s jinými muži. Ponížila z něj toho hlupáka a řekla mu, jak neobvyklé je, že 7 stop vysoký muž má 4" penis. Není divu, že byl John v depresi. Neměl vůli žít, a to pravděpodobně způsobilo, že se mu doslova zlomilo srdce.“

"Jak to všechno víš?" zeptal se prý Peters.

"Ach, my víme," odpověděl Schumer. "Neprolévá žádné slzy a dostane velkou výplatu."

—

2. března byla do sanfranciské nemocnice přijata zlá, ubohá Dianne Feinsteinová, šestiletá senátorka a nejstarší členka Kongresu ve věku 89 let, aby se léčila s pásovým oparem, virovým onemocněním charakterizovaným bolestivou kožní vyrážkou s puchýři.

lokalizovanou oblast. Je těžké si představit, proč ona, zarytá zastánce vakcín, nebyla naočkována, pokud nebyla, a vakcína proti pásovému oparu, stejně jako mnoho jiných falešných injekcí, byla pouze placebem.

Podle našeho zdroje má Cyber Command kopii úmrtního listu, který říká, že Feinstein zemřel na plicní embolii ve Všeobecné nemocnici a traumatologickém centru v San Franciscu dne 4. března. Podepsal ji Dr. Christopher Liverman, MD, PhD., San Francisco Hlavní soudní lékař okresního koronera. Kybernetické velení ověřilo certifikát a podpis Dr. Livermana.

Kromě toho má Cyber Command video, jak mrtvého Feinsteina tlačí na vozíku z operačního sálu do nemocniční márníce.

7. března MSM – včetně Fox News – oznámilo, že Feinsteinová se zázračně uzdravila a brzy se vrátí na své místo uzákonění demokratických hodnot. MSM ji prohlásil za „živou a zdravou“ nikoli na základě fyzických důkazů, ale na tweetech z jejího účtu na Twitteru.

—

"Fetterman a Feinstein jsou mrtví a je dobré se zbavit," řekl náš zdroj. "Ale Deep State je vzkříší prostřednictvím dvojníků nebo klonů." Nedovedu si představit, že by někdo našel dvojníka těla pro Fettermana; je to skutečný mongloid, aberace. Viděli jste někdy film

Hory mají oči ? Fetterman vypadá jako jeden z maniaků se sekerou z filmu. Demokraté nemohou riskovat ztrátu křesel, a to by se mohlo stát, kdyby jejich senátoři najednou zaskřehotali.“

Přestože jsou křesla v kalifornském Senátu zajištěna, pensylvánská jsou v pohybu. Pokud se Fettermanova smrt stane veřejnou záležitostí, republikáni by mohli požadovat, aby guvernér Pensylvánie Josh Shapiro, loutka z Deep State, uspořádal zvláštní volby, aby zaplnil vakuum. Podle 17. dodatku, pokud se místo senátora uvolní v důsledku smrti, rezignace nebo vyloučení senátora, může guvernér jmenovat dočasnou náhradu, dokud nenastanou zvláštní volby.

Fetterman v polovině semestru prosvištěl (podvedl) kolem republikánského uchazeče Mehmeta Oze.

"Tito zločinci chtějí udržet své mrtvé naživu, aby zastavili rovnováhu sil." Používali klony a dvojníky, aby oklamali svět. Ale jejich čas končí," řekl náš zdroj.

Opravili jsme pravopis jména senátora Peterse.

Thank you MB for your excellent reporting. DEAR LORD arise and let your enemies be scattered, Amen.

There is still so much evil and crazy left in the world but another two are gone, let's hope news of their death reaches lamestream and soon!

Don't want or need more crazy clones in town

You did? She's almost as f'ugly as he is. Def had to pay for it.

Watch the needle take another man and woman. It's very easy to understand. Gone, gone, the damage done.

This deceased person is an example how the lower vibrational frequency can no longer withstand the the light our world is shining. So many more are going to leave the body one way or another. This is the "shaker" There will be many upcoming natural disasters which will cleanse the evil ... along with the pure evil destructive souls.

Is the photo above a mug shot of Fetterman? If so, this guy looks like a backup singer in a cheap metal band, then, or a Ford dealer used car salesman.....

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Last edited 6 hours ago by Delavic

Maybe US Army Cyber command leaks the death certificates to the media? Someone like Tucker Carlson would have a great time with that. He would not even have to know where it came from – not that

it's classified – you'd be justified even if it got out where it came from & you'd never be lacking in an answer as to why.

NO SUCH LUCK. Tucker is now a *good little boy* ...now that he was read the riot act by Fox management. He has kids in college...and, at least for now – he cannot afford to lose his job at Fox. He has toned his act down...considerably, since last week. No more stuff about J6...as he promised. Fox News continues to move to the LEFT. Fox management...[and most of their newscasters] all hate Trump.

DS must be having a helluva time trying to find a Fetterman doppelgänger/clone. As your source wonderfully put it, dude is straight outta “The Hill Have Eyes.” HAHA! This also speaks volumes about how stupid Pa voters are. Not saying Oz is great, but at least he can speak coherently. As for Feinstein, just like McConnell, and Pelosi until recently, term limits NEED to be in place. We either have too old/compromised n outta touch, or too young n installed by Soros/DS.

lurch and oz were equally villainous OZ was a WEF young dictators graduate..... it amounted to, which devil would be best Lurch's wife and kids were supposed to have bailed on him and removed themselves to canada Next to croak will be old devil himself mitch ALTHOUGH ,I doubt he even made it to any hospital

Mr. Baxter, you are SUCH a GOOD SPORT! Personally, I could not do it. Even if our hero president drove to the house and presented me with my bullet points, I'd just be laughing too hard. This sort of therapy might boost I.Q.'s on other planets, but it's not working here. The only place on Earth with more Latex per square foot than the U.S. Capitol is Church & Dwight (they manufacture Trojans). This “Senior Class Play” has gone Nine Acts! Stop the music!

Last edited 10 hours ago by WrongWayCorrigan

HOW THE FK CAN AN 89 YEAR⁴ OLD ZOMBIE DEVIANT BE ALLOWED TO REMAIN IN CONGRESS OR GOVERNMENT EVEN OVER THE AGE OF 70 IF THEY'VE BEEN IN JEW-SA GOVERNMENT FOR OVER 50 FKN YEARS?? TERM LIMITS ON ALL OF THEM. AND HOW THE FK DOES PEDOPHILE BIDEN COME IN & OVERTURN EVERY FKN SINGLE LAW THAT TRUMP PUT IN ON HIS 1ST FKN DAY?? IT SHOULD BE TOTALLY FKN ILLEGAL. AMERICA IS A FKN THIEVING BASTION OF PEDOPHILES, CHILD TRAFFICKERS & DRUG SMUGGLERS. EACH CORRUPT CONGRESS PERSON WAS GIVEN \$200,000,000.00 IN A BANK OF AMERICA ACCOUNT IN CANADA TO DO WHAT THEY R FKN TOLD!! ALL TRAITORS-HANG ALL OF THEM!!! ESPECIALLY THE RINO'S & DEMON-CRAPPS!! AND FOR THOSE HONEST CONGRESS PEOPLE – HOW COME NONE OF YOU EVER BLEW THE WHISTLE ON THAT? IF YOU KNEW IT & SAID NOTHING...U SHOULD ALSO BE HANGED!

There's a better fix than "term limits" and that is to abolish the "signatures requirement" for election primaries. In my state, I'd need 25,000 signatures to run for governor and that's more doors than I can knock. Only by political parties can this hurdle be overcome. And, the resulting tide of candidates can be staunched with a ten-thousand dollar entry fee. I'd be glad to pay \$10K for a place on the ballot and a webpage at taxpayer expense with my list of fixes for Indiana and America. Without the "signatures requirement," political parties would wither. jus sayin'

Last edited 10 hours ago by WrongWayCorrigan

Before the Rothies took out Lincoln, the US had 4-6 political parties of all sorts of stripes of philosophy, but in 1872 they were removed and replaced with southern Democrats for the leftists, still pist about Lee surrendering and the Republican party for the industrial northern rich guys with a conservative flavor...and money. That way, 2 parties are easier to control, along with secret budgets...,a great big

scam of epic proportions and it worked and the richies got richer and that's how America's Hitler+Stalin strategic thinker's; the Rockefellers have stepped and walked all over us 99% little people for all of these years and their show is finally running out of gas! They'll be talking about this take down of the super rich psychopathic filthy scumsuckers for the next 75 years.....and on.....

Good history & good analysis. Check out my Fix America Episode 36 for the real reason we fought the Civil War.....

yes and the two parties are working for the same master, just dressed up to look different to fool the normies

people laugh at me when I tell them that there is no two-party system hopefully, the blindfold is lifting

In the 2016 presidential election I saw 54 parties listed and candidates: Trump, Hillary and 2 more whose names escape me. Trump and Hillary got the nomination, but multiple parties still exist and are not outlawed.

I've voted Libertarian several times Ron Paul was one of them. Don't know why anyone would down vote your comment. The remarks of this site are truly a great social experiment on the American collective consciousness. Yesterday while driving I saw small Rand Paul 2024 signs (no big money behind him yet). I would vote for him over DeSantis any day.

Because we just need talking heads to implement the agendas. That is how politics operate worldwide. I used to be naive now I'm damn proud to have evolved to cynicism.

Interesting.... Trump made a post about the financial/banks collapsing recently and in that post he spelled "modern" like this:

MODRRN (right away I thought "RRN"?? Could it be a signal to go to RRN? Real Raw News??

Anybody see that??

what do u think?

Yes, on Truth Social

3-12-23 @realDonaldTrump

“With what is happening to our economy, and with the proposals being made on the LARGEST AND DUMBEST TAX INCREASE IN THE HISTORY OF THE USA, TIMES FIVE, JOE BIDEN WILL GO DOWN AS THE HERBERT HOOVER OF THE MODRRN AGE. WE WILL HAVE A GREAT DEPRESSION FAR BIGGER AND MORE POWERFUL THAN THAT OF 1929. AS PROOF, THE BANKS ARE ALREADY STARTING TO COLLAPSE!!!”

President Trump has always twitted in code...

Whether its date/time/all caps/or misspelled.

timing is everything – words have meaning...

YEAH....I'd love to see that *turkey neck RINO Bastard* dead. They would probably have him replaced with a CLONE...also.

Trifecta ? LOL mitch is sitting on a mantelpiece in a VERY fancy urn ,or he's a daisy

I heard rumors of Fetterman's death, but until now it hadn't been confirmed. Poor guy was manipulated into office, and everyone knew he wasn't well enough to serve. Sure hope that dopey governor doesn't let Giselle finish the term. Oy.

We have a republic, not a monarchy. Why should a rep's spouse be considered as replacement? Sorry for your loss. Who do the people choose?

I don't think that would be giselle.

You don't get awarded a job because your husband dies when you work for the people. Just ludicrous.

Wouldnt be the first time. Been going on for decades. They even let their children take over the seat. They knew how he was going to vote on issues was excuse.

What, specifically, was she referring to? Did she prophecy the death of two politicians or what? Thanks!

Hey MB any news on our released Marines.?. Are they doing okay ,and are they going to be okay? Please let us know if you hear anything. Thank you..

Yeah, I've been quite pleased so far with his performance as Speaker. Almost like someone is getting him to do the right thing... wonder who that could be?

We-e-e-e-e, fun, fun, fun on the run, run, run ... Deep State is on a slippery slope ... one foot in the grave, and one foot slipping fast. hahaha-a-a-a.

THANKS MICHAEL!

Glad they are both DEAD....those two Democrat *pieces of shit*. But...you can bet that soon we will be seeing CLONES replacing them both. As far as Fox News is concerned....they are as bad as CNN and MSNBC. I only watch Jessie...and Tucker, and by the time LOUDMOUTH Shawn Hannity comes on – I'm already in bed. FUCK FOX NEWS....and Paul Ryan...and especially the Murdock family. And....FWIW... Fox News is against Trump.

I hope they are gone!! Feinstein has been a senator for far too long! in sure elections were rigged in CA for decades!!

No doubt Pelosi and Feinstein were selected NOT elected by the people of CA!

CA elections have to be cleaned up just like every election in every state!!

This has been going a hell lot longer than most think!

I watch the same 2 but only on you tube where people upload just those segments. No numbers give to FauxNews.

YEAH....I turn it OFF....when *loudmouth* Hannity comes on. I cannot stand that guy. AND.... I think he is secretly against Trump.

He needs to take up with a new, independent news station where he can tell the truth unencumbered by deepstate tentacles. Trump has enough money to create that.

I've predicted that for a long time.... BUT....the *WHORES* at Fox management put up with him....because his *ratings* are so high. I do not think Tucker has the balls to quit Fox...he has kids in college....and he needs the money.

For those who don't know, Hades is the "unseen world of the dead". It is not , "Hell" ...the "Lake of fire". Tartarus is the lowest dungeon in Hades! A very bad place to be.

I used to look through the dantes inferno pictures When I was five years old I learned early that hail was not a good place

In the apocryphal Book of 1 Enoch (20:2), Tartarus is used as a place where fallen angels are punished, an interpretation Peter affirms.

"For if God did not spare the angels who sinned, but cast them down to Tartarus and delivered them into chains of darkness, to be reserved for judgment;"

II Peter 2:4

Also, Peter's mention of Tartarus is in the context of condemning false teachers. Those who secretly introduce heresy into the church

will suffer a fate similar to that of the angels who sinned—they will end up in Tartarus. The Lord does not tolerate those who lead His children astray (Matthew 18:6).

Feinstein was Mukowski's handler and political blackmailer but I doubt it will change anything as Murkowski is in the swampy soup up to her eyeballs.

Now Pelosi and Feinstein can be ghosts together, roaming the hallways. Looking for lights to flicker. Must be hell for them

Bidiot was caught on audio during Fetterman's campaign mentioning how he thought how well SHE would fit into the Senate.....

Nope. He is not hard to apprehend. He is not that big a fish, and JAG has done a wonderful job getting the biggest of the big fish.

If they got Hillary (FLOTUS/SENATOR/SECRETARY OF STATE/2X POTUS CANDIDATE),

W (2X POTUS),

WJC (2X POTUS),

GHWB (1X POTUS),

NoName (SENATOR/CONGRESSMAN/2X POTUS CANDIDATE).

Pelosi (CONGRESSWOMAN UNDER

BUSH/OBAMA/TRUMP/USURPER, SPEAKER OF THE HOUSE UNDER BUSH/OBAMA/TRUMP/USURPER),

Cheney (2X SECRETARY OF DEFENSE, 2X VPOTUS),

Rumsfeld (2X SECRETARY OF DEFENSE),

they can get him, too.

Last edited 9 hours ago by Xena

So they prop themselves up with clone puppets, run the Dominion voting machines and keep themselves in power, for however long they like. Here in Canada too. Well I think their time is running out as stated in the article. That's good. Thanks for this M.B. I am so glad General Smith is on it and I am glad General Berger is all recovered as well. I guess we have to ready all of our elections for all those

required cardboard boxes with the slit in them 😊 Paper ballots and the votes protected under armed guard. Should be easy. No tech required. And no clones allowed, lol.

Good riddance to a couple of the devil's spawn.

The double they have for Fetterman weighs about half to 2/3 of the original mongoloid.

Can't wait to see what they come up with for Feinstein, one of most wretched woman to roam the hallowed hall besides that cunt Pelosi.

Thanks for the report, Michael, God is good.

Now, all we need is a republican with a pair to call out the duplicate which is highly unlikely, unfortunately.

Last edited 13 hours ago by Johnny Lunchbucket

she and Piglosi were 2 of a kind. No conscience and arrogant. Evil as Hell and mean as a snake.

All public figures should have to do DNA tests right in front of officials to weed out the fake.

I question the validity of this due to using both Dr. with MD and PhD. It's one or the other. Wouldn't a journalist KNOW that?

Last edited 13 hours ago by Izonda Skyz

@Izonda Skyz — Correct. Either MD or PhD but not combined. An MD is the highest level for medical “practitioners,” whereas a PhD is the highest level for field researchers. If MD and PhD is currently in use, then it occurred during sleepy Joe's fake election that opened the doors to hundreds of thousands of fake government employees ... all communist morons jockeying for highest positions.

MD = conduct medical “practice” on hospital patients. No requirement for written dissertation ... this is the reason so many “professionals” do not pursue PhDs and should scare all Americans.

PhD = conduct field research to collect data, analyze and interpret data, write and publish data by a dissertation [multiple research articles within one publication].

PhD = you can teach in their chosen field, but you must also submit a yearly publication – & yes you can use both in your title.

In this case the MD is the coroner and is not practicing on patients. Being a coroner makes it easier to publish data in this field.

And have them pull down their pants and underwear to make sure there is no missing genitalia. Even normal humans have missing molars due to bad teeth, but they still like their private parts intact.

Yes you can use BOTH... it's part of the title. Medical Doctor (MD) & Doctor of Philosophy (PhD).

Izonda, I think I understand what you are saying. Correct me if I'm in error;

Using the title of Dr. along with either MD or PhD is considered redundant in American English structure.

For example, my dentist's office manager recently reordered all the office stationery to read; Dr. James Heath, DDS, which is incorrect because of the redundancy of the two abbreviated titles. It should have been one or the other, preferably, DDS to indicate the specific area of practice. Poor woman had to reorder everything!

An M.D. can also be a Ph.D. The Dr. who conducted my radiation treatment had a Ph.D. in engineering before going to medical school.

Last edited 1 hour ago by ReJe

I pray all doppelgangers and clones are immediately arrested/removed and the event highlighted. DS must authenticate. Proof of DNA. Doppelgangers go to trial for treason. Clones, well you know . . . make unalive. Enough of the Dog and Pony Shows

This seems strange. Go back in these archives and it says that Feinstein fled the country over a year ago.

Feinstein dipped out for a while in China, but returned to USA because criminal husband was ill, she said.

It's all catching up with them, how much longer can they hold on? So many has died, and clones put in, then they will all start snitching on each other. What a web they weave when they first deceive, the end is coming sooner than you think!

OF COURSE they'll burn in Hell ... they "imitated" the seven (7) evil behaviors that Father Jesus warned humankind not to do in Proverbs 6:16-19!

These evil behaviors were first committed by the renegade angels whose bodies were burned and Father's Holy Spirit withdrew from them as they fell from the Heavens and landed on Earth with the promise to "genocide humankind and destroy Earth."

That is precisely their goings-on for 5,900 years and with less than 100 years to achieve their 6,000-year agenda to Lucifer-Satan. Search the Internet — they boast of their achievements.

Seriously, the renegade angels alias Jews have written of their evil genocidal and destructive behaviors for nearly 100 years in newspapers, books, conference speeches, and letters to world communist leaders.

Ole Beijing Betty Feinstein. She order all those prison rail cars from China hoping to send 'we the people' to the FEMA camps. The Jew witch is dead. As for fetterman I had a feeling he wouldn't last long, just as well

The Republicans are close to having enough people to take the Senate. But the Dems will use doubles/clones as long as they can. SICK.

Neither one gone soon enough!

Shame it won't make much difference because she'll be copied till her term is over or fake Newsom can't hold a special election because of the screwed up Cali weather.

Fetterman is a different situation altogether. His wife will be dead in 6 months or less.

Unless the state of Pennsylvania pulls a Missouri! Vote for the dead former Governor Mel Carnihan and end up with the cadaver's wife, and the looser of that senate seat became Attorney General Ashcroft.

Last edited 13 hours ago by LEOtheCO

Why would his wife be dead in 6months if he is expecting a payout? That alone should shut her up for life.

Money doesn't buy silence for ever. With death, silence is forever. Don't have to worry about minds or emotions changing. Dead 'men' tell no tales.

The DS Governor will temporary appoint fettermen's wife. This way they can control her WITH payout since she knows all.

i think the grand finallie will be when we supposedly get attacked by a nuclear false flag and the bomb will hit the capital with congress in session.

The USSR Russia submarine is right off of the Eastern Coastline next to Washington DC.

Putin's waiting to get the okay to bomb the f*** out of D.C. Biden regime.

Poseidon is armed with a 2-megaton thermonuclear warhead, the largest warhead fielded with the equivalent of 2,000 kilotons of TNT.

Set to traveling up the Potomac River Direct Hit for Washington DC with set timing detonator that can be programmed a hundred miles off the coast of United States.

Last edited 12 hours ago by CD22

I believe this to be true as President Trump has said in the past that DC will be returned to the swamp it was originally. So many Govnt Depts have been moved from DC already. The White House is already a has been. All of it obliterated. Looking forward to it.

I believe what you are saying because over the past three or four weeks, I've heard other Truthers refer to BOTH Russian & Chinese ships being on our east and west coastlines. In fact, a couple have repeated the information.
