"Alláhu Akbar," křičel v pondělí ráno odsouzený zločinec Moncef Slaoui, když stál na šibenici v zálivu Guantánamo a hrozivě se pošilhával po muži, kterého považoval za zodpovědného za nařízení jeho bezprostřední smrti.

Pod ním viceadmirál Darse E. Crandall a několik vysoce postavených důstojníků mlčky sledovali, jak mu oběšenec stojící vedle Slaouiho navlékal kolem krku pletený provaz. Slaoui bojoval, ale nemohl se rovnat tyčícímu se vojákovi, který si bez námahy přišpendlil Slaouiho zápěstí na záda a pak je svázal zipem. Slaoui plivl vojákovi do tváře.

"Sbalte vězně," nařídil admirál Crandall a voják nasadil Slaouiovi přes hlavu černou kápi.

"Jak probíhá to odvolání?" zařval adm. Crandall.

Na konci Slaouiova tribunálu minulý čtvrtek jeho právník Omar Akbar slíbil, že se proti verdiktu odvolá k blíže nespecifikovanému orgánu. Zachytil první let odlétající z GITMO ve čtvrtek odpoledne a od té doby o něm nebylo slyšet; Slaouiho hovory do Akbarovy kanceláře v DC zůstaly bez odezvy.

"Kdysi mě ohromilo, pane Slaoui, jak málo si vy lidé vážíte lidského života." Stejně jako ostatní, kteří stáli tam, kde teď jste, jste byli pohlceni chamtivostí, která vedla k tomuto nevyhnutelnému osudu. "Neposadil jsem tě na šibenici." dal jsi se tam," řekl admirál Crandall a pokynul vojákovi, aby stiskl tlačítko.

Ale pantové dveře pod Slaouiho nohama se neotevřely.

"Je to rozbité, pane," řekl voják.

"Alláh mluví," zamumlal Slaoui zpod kapuce. "Ještě není připraven mě přijmout."

Admirál Crandall řekl: "Bude připraven, jakmile sem dostanu elektrikáře, takže si nedělejte naděje."

Zatímco čekali na příjezd elektrikáře US Army Corps of Engineers, Slaoui vrhl na admirála arabské kletby a nazval ho bezbožným nevěřícím, rouhačem a nepřitelem Alláha. Řekl, že Alláh a jeho posel ho pomstí.

Elektrikář dorazil o 30 minut později a otestoval krabici a stiskl zelené a červené tlačítko poté, co voják odsunul Slaoui stranou. Sundal kryt a začal si hrát s dráty a poznamenal, že jeho návštěva znamenala podruhé za dva roky, kdy se uvolnilo spojení. Opravil to za pět minut, pak otestoval obvod, stisknutím zeleného tlačítka otevřel dveře a červeným je zavřel.

"Vše hotovo, admirále," řekl a opustil plošinu.

Voják umístil Slaoui, který nezavřel ústa, nad dveře.

Admirál Crandall měl vhodná závěrečná slova pro architekta operace Warp Speed. "Ať dosáhnete svého dalšího cíle ve warpu 9."

"Alláh je gre..." začal Slaoui, ale než měl šanci dokončit větu, praskl mu krk.

Lékař amerického námořnictva prohlásil Slaoui za mrtvého v 10:47 EST.

(Návštíveno 66 653krát, dnes 221 návštěv)

Sheezi, není to tak dávno, co je pověsili ve městě stojící na malé stoličce a pak ji odkopli, aby jim praskly krky? Zdá se to mnohem jednodušší, než přemýšlet, jestli nebudou mít vadné dráty. Co budou dělat, až přijde velký výpadek?! 😂😂

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

US Military has the nuclear codes, probably 4-star General Eric Smith, in charge of the white hats.

Putin is our ally, will not be starting a nuclear war. Nor will Xi Jinping nor Modi.

Actor Arthur Roberts playing Resident Biden is toothless, has no way

of starting a nuclear war, even though the Democrats seem to be trying to. Their time on this Earth is almost over, and they are worried.

are you drama queen Jane ??????...take walk on the wild side in the forestry or by lake...geeeeeez..and calm down..

Worry not, the Commander-in-Chief is perfectly safe in this war for our survival.

Our white hat side is putting out disinformation also. It has to happen, just like this New York fake indictment has to happen as predicted by Trump, just delayed a week. Every piece of paper that Arthur Roberts signs is worthless, every signature as Joe Biden is a forgery because he is not Biden, and going a step further Biden was never elected to office anyway, never spent one second in the White House nor in the office of President. Biden was removed and replaced by Arthur Roberts before the official time of Inauguration on January 20, 2021.

Correct, imposters signature is “void”, [worthless].

Maxims of Law:

[1] “things invalid from the beginning cannot be made valid by subsequent act”.

[2] “out of fraud no actions arise”.

[3] “fraud not cured by lapse of time”.

[4] “once a fraud, always a fraud”.

Myself referenced above maxims many times herein this bloggersphere.

Yet he is still allowed to sign legislation, meet world leaders, set policy and do all the other things an executive does. So if it's all meaningless, why is it allowed to continue?

Any which way it goes, it will set a precedent [standard] that a former US President can get arrested. Hmm, Obama – 43 – Slick Willy show trial?

Awaiting Fauci's show trial.

Consulting with bookmaker, looking for a line on the first show trial, Fauci or Hillary? Money says Fauci, in attempt to halt vax.

William Shakespeare: The World is a Stage. BTW, Shakespeare was Italian.

Exactly. Some just don't get it yet. Trumps body double will show up for the arrest if it gets that far.

Guess Trump's indictment is part of 'the plan' too huh? Don't worry, the Qtards will spin it. "It had to be this way!" "The storm is almost here!" blah, blah, blah. There are no 'white hats', and if there are they're a bunch of pussies

Who is the complainant? Who is testifying against Trump? Who is the Injured Party taking the stand?

Trinsey v. Pagliaro [pal-lee-arrow] D.C. Pa. 1964, 229 F.Supp.647 – Holding: " statements of counsel in brief or argument are not sufficient for summary judgement".

PS: Burden of proof upon plaintiff, aka "complainant" to establish "they" suffered an 'Injury in Fact'.

See, Lujan v. Defenders of Wildlife, 504 U.S. 555, clarifying 'Injury in Fact' which has three essential elements, (1) Injury inflicted upon plaintiff, (2) Causal connection between injury and defendant's [respondent's] conduct, (3) That injury is likely to be redressed by favorable judicial decision, Id., at 560-561, Pp. 5-6.

Who is the actual victim suffering Injury?

See, Sherar v. Cullen, 486, F. 945, for a crime to exist there must be an injured party..., without an injured party a complaint is invalid on it's face.

Myself would ponder State of New York aka, The Corporation aka, Political Subdivision.

What's the "Injury in Fact" the Corporation received having causal connection with Trump for standing?

Supra, Lujan v. Defenders, and Sherar v. Cullen.

A corporation is invisible, and not tangible as mere creature of the mind, which cannot experience feelings of pain neither testify on its own behalf. A corporation cannot exist outside the jurisdiction that created it.

Who is the Complainant Witness taking the stand, referencing: Trinsey v. Pagliaro.

Can the prosecution be a testifying witness in wearing two hats? could say, Conflict of Interest.

Stormy Daniels admitted she never had an affair with Trump. Interesting that Clinton paid Paula Jones \$850,000 but never got indicted. Running out of hopium buddy?

Allah received him with open arms. And now he's being tortured for all eternity according to his deeds.

What ? He didn't get his 13 virgins per following Koran orders to the out everyone who won't convert !

Most followers of Muhammad as well as so called Unbelievers, do not KNOW that Allah was ONLY the NAME of the supreme rock god of the Quraysh and did NOT mean GOD!

So President Trump , if he is STILL the US President , HAS BEEN INDICTED, BY A NYC GRAND JURY. Just what the fuck is going on in this NATION.

Grand Jury has squat. Funny they didn't go after Pedo Bill when he paid off Paula Jones. The attorney denied having paid her. Just more BS. They will go through the steps for the people still snoozing, his body double will show up in court and in a few weeks they will come up with a new crisis.

“NYS” Grand Jury is out of “New York County”, not NYC.

FYI, Brooklyn is “Kings County”, and Staten Island is “Richmond County”.

BTW, I love NY, and Let's go Yankees...

Thugs, the deep state are nothing but thugs. Lies, lies and more lies to cover their lies about this low-life liar, Stormy Daniels. That is their excuse, anyway. The politicization of LIARS Its fitting this happens during Lent. “Crucify him, crucify him.”

Hey guys did you hear Trump has been indicted? Lol what are the White Hats gonna do about that, is Alvin Bragg being secretly executed at Gitmo as we speak? 🙄

I pray the wrath of God comes upon ALL of the demons & evil people who are involved with hurting President Trump, First Lady Melania, the entire First Family, & all freedom-loving Trump supporters, in Jesus's mighty name!!! God says in Romans 12:19: “Vengeance is

back.

Excuse an old Viet Nam Veteran for being upset. We deserve answers. All of us.

Yes we all deserve answers. But none will be forthcoming. Because they don't have control beyond a small and extremely limited scope. So, they have no answers to give. Do operations have to be kept secret? What operations? We don't get to hear. Our ignorance could kill each and every one of us. So far, I am waiting to see what Trump has to say about those leaked audio tapes on his relationship with Epstein and the Barbeques they allegedly had, Are they CGI voice prints, are they actual voice prints of a clone? Are they actual voice prints of the real guy? SILENCE IS NOT GOLDEN. All speeches are just word salad. Sickening. And I don't give a hoot who piles on here. We deserve answers, not necessarily from Michael, he is in between a rock and a hard place but Mr. T and the supposed white hats know who needs to give us answers. If those voice prints are real I can figure out why there is nothing but SILENCE.

They are not real, guaranteed. If they were, the Russia Russia Hoax or the Impeachments would have brought them out then. Do not believe anything from the lying FAKE Newsmedia or lying FAKE politicians.

Our white hat side is putting out disinformation also. It has to happen, just like this New York fake indictment has to happen as predicted by Trump, just delayed a week. Every piece of paper that Arthur Roberts signs is worthless because he is not Biden, and going a step further Biden was never elected to office anyway, never spent one second in the White House nor in the office of President. Biden was removed and replaced by Arthur Roberts before the official time of Inauguration on January 20, 2021.

Lot of things can be done with voices, this is nothing new. the deep state and the bad guys have been doing it for decades.

Do not believe anything reported by the lying FAKE Newsmedia, nor by the lying politicians. This is a war for our survival, and many things apparently happening are deliberate disinformation to mislead and confuse our enemies. The Art of War by Sun Tzu.

MB will never answer this bro. It's just some lie he made up and moved on

Same here..about being antsy. Rebel News up here is under constant attack from the lump in the PM Office and his crew.Now the lump is going after Christians.

From Rebel News.

“This is personal to me.

Throughout history, Righteous Gentiles helped save Jews from terrible harm — including hiding Jews from Nazis during the Holocaust.

But now it's Christians who are being persecuted. Even in Canada.

Christian pastors in Canada are being arrested, prosecuted and jailed. First it was for keeping their churches open during the pandemic. Now it's for peacefully protesting against “drag queen story hour”.

But no-one seems to care.

I care. I care because it's wrong. Canada is supposed to protect freedom of religion

But I also care because I feel within me a debt to Righteous Gentiles who protected Jews throughout the ages.

Do I not have a moral obligation to return the favour, to do my part to speak out for Christians who are under attack?

Over the years Rebel News has reported on these cases, when the mainstream media either ignored the stories or cheered on the persecution of these Christians. **We've even crowdfunded lawyers to defend pastors.**

But it's getting worse.

So I have an idea. It's a big idea.

I want to make a movie-quality documentary movie about the plight of Christians in Canada. Something so polished and professional that it could actually be shown on Netflix or Amazon Prime.

But to do that, I need your help.”

“This documentary is one of the most important projects we’ve ever produced.

We’ve already got a working title for it: *Church Under Fire: Canada’s War on Christianity*.

You know, the whole world thinks of Canada as a cold but friendly place where nothing much ever happens. We’ve got to wake up the world to what’s happening to Canadian Christians — not just to get help for them but to send a warning of what could happen in other countries, too.

We want to pull out all the stops to make this documentary and share it with the world. It’s got to be beautifully produced and edited, and properly marketed.”

Wonderful idea but why not make it about the plight of Canadians in general instead of Christian Canadians? It puts a negative religious spin on it. You will attract all of Billy Graham’s old fogey followers. They will see it as Sunday morning viewing....just my thoughts for all they are worth.

The shame of it is that it’s happening in two of the freest countries in the world, Canada and America, and religious persecution as well as persecution in general must be exposed in Canada just like we are trying to expose it in America.

I agree, but it’s a good starting point. Rebel News has and is still battling on many different theater’s.

Too many \$erve \$atan and \$\$\$\$. The vax promoters should all be hung! Plandemic III movie will be out June 3rd. A 1, 2, 3 punch for a knock out!

I have been giving this much thought. I don't think the money is the hook, just a by-product perk. These people have no consideration for life. None, nada, zip. Not even their own it seems.

I think they have been promised something much more enticing from their 'overlords'...eternal life (humanity 2.0), call it what you wish.

Unfortunately, they already had it, as we all do, it just depends on your choice of where you want to live out that life, but instead of going to the 'Penthouse' for it and receiving it for free, they settled on a bargain basement knock off which in the end had a big price tag. Oh well, he is with Allah now.

Wonder how that 72 virgin thing is going?

They have been promised that they will inherit the earth when all these unnecessary breeders are exterminated.

Donald Trump has openly declared that he is he King of Israel, possibly a pentecostal messiah....

Question for the Anons here. Why do you call yourselves "pedes?" Seems to me that would be like pro-lifers calling themselves baby killers. Enlighten an old man

I am an original 4-8 Chan Anon, who served under Qteam. I do not know this term.

Do you mean Pepe? Is this a typo?

Pepe is a frog. Our insignia, heraldry, mascot if you like.

He represents the Anons for many reasons. Too many to list.

[kek]

He represents the Anons for many reasons.

The primary reason is they like to suck each other off

I know Pepe and the whole frog thing. if you go to Great Awakening and Patriots Win, commenters are always referring to each other as pedes. That's not something I would call myself and I suspect calling someone else a pede would earn you a punch in the nose

None of us call ourselves anything of the such, but by all means, You can call yourself for what you are.

Fk'n *** filth

Goobie, that's not nice. Using mean words is bad! Bad bad bad. Now go sit in your chair for 15 minutes and think about what you did

“9 Dead in crash of U.S. Army Helicopters” This headline just appeared on the news. Next MB will tell us it was a White Hat group that was infiltrated and attacked; that's his next story.

Sounds like Allah played an early April Fool's trick on Slaoui or maybe even hell didn't want him. All better now eh Slaoui?

No. we get the black hawk crash story tomorrow. Of course the white hats crash, the black hats tampered with the chopper, and a general will demand action. Mike may even throw in a line from Trump about how brave those soldiers were

Also barges damaged on Ohio River near Luville KY. Same thing happen two years ago at Christmas after election of course. Just a coinkydink.

Allah can't save him. The military needs to round up all of the democratic party, Rhino Republicans and all infiltrators and call it Operation Warp Speed 2023!

Brings to mind of the woman who died and went to hell before being revived

She sad she seen Muhammad screaming in anguish ...

Done much gambling via RRN, wagering on hanging and firing squad until Crandell abolished firing squad.

Guy's were having a blast, wagering with bookmaker that give decent odds.

Approached bookie who wouldn't give a line on condemned in yelping: "Infidel", saying: "sure fire loose".

This is one execution that all bets were off, not even odds given on time pronounce dead, lucked-out with that.

Awaiting on Beetlejuice, final words that will be interesting, worth wagering: "I was promised immunity" or, "just doing what I was told", though only one choice to wager.

Guess you're not wagering on Beetlejuice last words, two simple choices.

[1] Promised Immunity.

[2] Following Orders, i.e., doing what was told.

Place your bets, post time near. Suspect Beetle already done the trapdoor exit.

When the Internet started there were only BOOMERS around to be on the FUCKING INTERNET in the first place. LoL you FUCKING MORON duh duh duh inter..... net ?

The CCP had executions right. One bullet to the back of the head. Even their guillotine would be much more reliable. The image of Comey's head bounding away is gratifying to me. Of course, on the

other hand, this rat had to stand there thinking about it for a while.

Does it really matter – they are so disgusting !!!

Many Muslims are known 2b gay, pedophiles, animals, buying/selling their daughters, etc. Rapists ... Not to mention beating women & children unmerciful !!!

Very violent & disturbing – have seen in shocking videos that can't un-see !!!!

Unbelievable DISGUSTINGLY & Cruel

Certainly not GODLY !!!

Not trying trying 2b mean/ugly – just stating facts ...

Free speech is welcome here, unlike on Flakebook and Twatter and Youboobtube. They censor everything Schwab and Xi and Flagthief and Paedo Joe don't like, and they like what their CCP bedmates like. The more restrictions, the more obedience they give, the more fealty they show, the more multiple orgasms and treats they get.

Thank you so very much Michael Baxter for telling us ... me when justice is served. I started to feeling hopeless, thinking that the evil always get away with their evil deeds. This is reassuring that justice is being served. Thank you again Mr. Baxter

Katbee, no one actually gets away with their evil deeds. They may escape earthly justice, but they will not escape eternal justice in hell.

Jimmy Saville got away with his evil. Many Nazis got away with their evil and escaped through the ratlines. Not everybody gets brought to justice on earth, and WE WANT THAT, TOO!!

A job well done Admiral Crandall. Thanks Michael Baxter for sharing. Warp 9, make it so number one.
