Když 29. března zahynulo devět členů služby na palubě dvou vrtulníků Blackhawk při „cvičné nehodě“, mluvčí zločineckého režimu, Lloyd Austin, obvinil ztracené draky letadel a smrtelné nehody při noční kolizi západně od Fort Campbell v Kentucky. O týden později zveřejnil jména a hodnosti devíti vojáků, kteří údajně

zemřeli při „nehodě“ a oznámil, že pátrací a záchranné týmy získaly z vraku záznamníky letových údajů, i když nesdělil žádné podrobnosti o tom, co černé skříňky předtím zaznamenaly. ke srážkám.

Vyšetřování incidentu Real Raw News prokazatelně bourá oficiální narativ jako zcela fiktivní.

Zdroje z kanceláře generála Erica M. Smitha řekly RRN, že devět vojáků zemřelo v noci na 31. března a byli členy 101. výsadkové divize a 160. leteckého pluku pro speciální operace, ale ne těmi, které jmenovalo zkorumpované ministerstvo obrany režimu.

Skuteční vojáci, řekl, byli Bílí klobouky zabítí v akci, když Blackhawks „explodovali za letu“, když byli na misi zatknout Deep Statera podezřelého z ukrývání nezletilých dětí v jeho rezidenci v jižním Illinois. Kancelář generála Smithe zatajuje identitu zesnulého a jméno Deep Statera z důvodu provozní bezpečnosti.

Bezprostředně po incidentu se White Hats hnali proti času, aby zachránili trosky, než dorazili vojáci loajální zločinnému Bidenovu režimu – neboli Black Hats – a uzavřeli místo havárie.

Náš zdroj vysvětlil, že Fort Campbell je v současné době domovem bílých klobouků a vojáků, kteří přísahali věrnost ministru obrany Lloydovi Austinovi, přičemž velitel posádky plukovník Andrew Jordon zastupoval Bílé klobouky a vrchní velitel generál Joseph Mcgee zastupoval věrné Bidenovi. Rozkol ve vedení a postavení sil ve Fort Campbell je mimo rámec tohoto článku, ale slabému rozdělení se budeme věnovat v budoucnu. Řetězec velení je přerušovaný.

Během hodiny po havárii dorazil tým White Hat na místo „nehody“ – otevřené pole naproti obytné čtvrti – a uhasil kusy hořící trosky. Z vrtulníků, které letěly ve výšce pouhých 250 stop nad zemí, zbyla jen zkroucená vlna z rozdrčeného kovu. Uprostřed trosek ležely rozbité a spálené mrtvoly devíti hrdinských Bílých klobouků. Z vraku bylo

vyhozeno tělo bez končetin se spáleným masem. Jinému trčela přes hrud' hliníková trubka, kus rámu sedadla. Poškození a kusy, řekl náš zdroj, nebyly v souladu se srážkou vrtulníku v malé výšce.

Záchranný tým osvobodil to, co zbylo, a umístil je spolu s několika úlomky vrtulníku na nákladní vozy M35 o hmotnosti 2,5 tuny, které vyjely z okolí a zahájily dlouhou cestu do Fort Bragg, několik minut předtím, než se tam objevily síly režimu a místní policie. kordon z místa.

V Braggi prováděl metalurg najatý armádním sborem inženýrů chemické bodové a infračervené spektroskopické testy na přístrojové desce, rozbité pilotní přilbě, dalších součástech a strukturálních fragmentech. Usoudil, že značné poškození na obou helikoptérách bylo v souladu s výbuchem výbušného zařízení buď v kokpitu nebo v kabině posádky, a našel drobné částice C-4, běžné různé plastické trhaviny.

Soudní lékař ve Womack Army Medical Center, Fort Bragg, potvrdil výbušnou teorii při zkoumání tělesných pozůstatků padlých vojáků. Jejich rány – například oko vražené do důlku a rozřezaná, useknutá paže – se neshodovaly s kolizí a havárií v malé výšce.

Předběžná zpráva z kanceláře generála Smithe dospěla k závěru, že několik liber plastických trhavin – zmanipulovaných časovačem nebo úmyslně spuštěných cestujícími na obou Blackhawcích – explodovalo v kokpitech nebo v jejich blízkosti a byly katalyzátorem smrtelných havárií. Pokud je výbuch přímo nezabil, pád určitě ano, rozhodla zpráva.

"Byla to sabotáž," řekl náš zdroj. "Víme, co se stalo, a jsme si zatraceně téměř jisti, proč se to stalo, ale stále nevíme, proč si ministerstvo obrany vymyslelo jména mrtvých." Nemohli jsme získat všechny pozůstatky, a přestože naši agenti na citlivých misích nenesí [psí] známky, ministerstvo obrany nyní porovnálo mrtvé se zubními

záznamy. Je bezpečné předpokládat, že mají dobrou představu, kdo byl v těch ptácích. Víme, že žádný z devíti jmenovaných DoD nebyl na těch Blackhawks."

Tři, dodal, nemohly být na vrtulníku, protože vojenské záznamy je ukazovaly na dovolené, stovky nebo tisíce mil daleko, když let opustil Fort Campbell.

Záhadné je, že všech devět v deníku letů ministerstva obrany zmizelo z povrchu planety.

"Vykašlali se." Ti, kteří měli údajně dovolenou, se nikdy nevrátili do Ft. Campbell. Zbylých šest tam také není, ani na žádné vojenské základně. Provedli jsme vyčerpávající průzkum; opravdu bychom si s nimi rádi promluvili. Ale jsou – pryč," řekl náš zdroj.

Generální úřad nevyloučil, že je ministerstvo obrany mohlo z neznámých důvodů zmizet.

Na závěr jsme požádali náš zdroj o podrobnosti o operaci zatčení Deep Statera a záchraně zotročených dětí.

"Právě teď nemohu říci, zda došlo k následné misi." Až budu mít pravomoc sdílet více, udělám to. Mohu říci, že generál Smith vidí několik možností. Buď máme mezi sebou stále zrádce, nebo se o operaci dozvěděl Deep State a nějak zmanipuloval ty vrtulníky, aby odpálily."

We need a follow-up on this. I would think all those briefed on this mission would be getting lie detector tests. You did not mention whether the vanished soldiers were briefed on this mission and were leaks that were permanently plugged, but that also is a possibility.

2 years ago they were testing my family for covid,I THOUGHT they were going down the throat after several testing my family said they were going up their sinus did they give my family the MARK OF THE BEAST

They were supposed to tell them

Do you want to serve Satan

They better fix this

This is the second time the have blown up a plane do we have the hardware and soldiers to fight out wars? The second time. Mothers and fathers do not trust these leaders.

Every week under this regime is more depressing than the previous one.

May these poor souls rest in the love and light of our Heavenly Father.

Sad times, never ending.

Sounds like traditional local counterintelligence knows best what's going on, like with Dyess shenanigans (aka undocumented nukes on 10/07/13), plus NGA on as-needed basis.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Good point, Steph, amen, thank you! Rumor has it that google bought them out ... not confirmed ... I still use DDG cautiously along with the Brave browser ... but until the new internet is implemented and google is history, VPN and secure email (Proton Mail most secure and least expensive), is a priority for sure.

I am very sad with the news, and with all other news where White Hats have died on a mission. The only thing I can do is to pray for God's help. From now on, I am going to pray Psalm 35 for President Trump, plus Psalm 91 for all the White Hats. I will change the pronouns in these Psalms to specify whom I am praying for. There are a few verses in each Psalm that can be omitted in the prayer because they are not too applicable, but in general, the Psalms

express my wishes for President Trump and the White Hats, in words that are much more eloquent than mine. I will do this everyday, no matter how late it is or how tired I get. I hope you can join in this effort so that our prayers and wishes will reach heaven with fervency and frequency. We never know when the next tragedy will occur, and so we need to pray continuously for God's providence and mercy to cover our mortal heroes.

More white hat incompetence. Might as well hand over the nuclear codes to the cabal. The white hats have no chance of winning if they can't apprehend some geriatric satan worshipping pedophiles.

Trump's Secretary of Commerce, Wilbur Ross, from February 28, 2017 – January 20, 2021, worked for Rothchild Investments for 24 years and bailed Trump out of his casino bankruptcies in the 1980's. Trump is owned by the swamp.

The Black Hats are the Rockefellers. (Paperclip Nazis) The White Hats are the Rothschilds (Haavara Coin Nazis) What you have are two different factions of Babylonian Radhanites/Kenites (Mystery Babylon/ The Synagogue of Satan of Revelation 2:09 & 3:09) (white skinned fake jews the Khaazarian, Ashkenazim, Mizraim, and Marano)

Actual real tribe of Judah members are descendants of the African slave trade. God sent them into slavery in 2 Esdra 1:24.

If you look at a 1494 map of Africa you will see that the Slave Coast of Africa used to be named Whiddah Land. Which lines up with where in "AFRA" the 2nd book of Maccabees says the tribe of Ouidah migrated too. (They spelled phonetically back then. The letter J wasn't invented until the 17th century when these Babylonian Radhanites tried to usurp the identity of the Tribe of Judah.

I think most if not all of those peoples/tribes have been gone for 2,000 years or so

Up here.. all the local establishments & services have shut down their tv monitors.. just say'in..

The last couple days and just now got another silver alert emergency. It's happening every day. It's an EBS. Is it real? Just waiting for the real one!

The real one will happen in a blink of the eye. We are just being prepped.

"According to leaked Pentagon documents, as reported by the Times, 16,000 to 17,500 Russian soldiers have been killed while Ukraine has suffered as many as 71,500 troop deaths.

One month ago, Ukrainian outlet Kyiv Independent published a similar number, writing that "at least 16,071 Russian soldiers have died since Feb. 24, 2022."

If Putin has rescued thousands of child sex slaves, blown up biolabs and intercepted large shipments of adrenochrome headed to the deep state in America....then I care not what his nationality he is, he is definitely the good guy in all of this.

You know who is trying to villify Putin? The (BIS) bankers. The same way they did to Saddam and Ghaddaffi when they wanted to switch to precious metal backed money.

Putin is trying to switch to a (BRICS) banking system. As far as I am concerned it is just a West East pivot though.

Greater Israel is at the center of it all.

Check out Anthony C Suttons book who funded the commies in the USSR. My father was USARMY , he knew too.. why he was pissed n told me the enemy is in the gates in the 50s when I was a kid. they don't like that the USSR fell. Trotsky was paid and sent in to do what he did. Sutton has 2 books on it . some u can find in pdf. WALL STREET and the BOLSHEVIK Revolution , Triology Of Western Technology And Soviet Economic Development, all his books are Gold. Right now what u are looking at is the end of the Rothshild banking system included the Federal Reserve . we will have a new system Backed by Gold

Interestingly, the california state bar is suing its former director for taking an allegedly unauthorized trip on the bars dime to....wait for it...of all the obscure places on the planet...Mongolia. things that make you go hmmm...

I wonder why Mongolia.....well, it is where Khazarians are said to have originated from — north of Ghengis Khan's Territory, the Mongol Empire. Long before being known of in the Ottoman Empire, Turkiye. From where they were kicked out of and went to Middle CRIMEA —called it KHAZARIA which is what UKRAINE IS STIILL CALLED BY KMs. Russia needs to take back their Country from these Satanists. Enough Already. It seems the area of Asian Mongolia could be involved in NWO. The BAR will have to end their BAR Law in USA and go back to Constitutional Law. And never allow Admiralty Law ever again. SO, Mongolia...?? KMs to be returned there as no one else wants them? Those that don't face a firing squad for being Satanic.

Hey Mike, how long do you plan on stringing patriots on? You know all of what you write is made-up. After 6 years of this nonsense, people want action- real time action, not things we never see supposedly “behind the scenes.”

I guess as long as patriots keep opening their wallets trusting this nonsense your grift will continue.

we were told we were going to have some disclosure along the way, consider ur self lucky

It's a win, then a fail, they want to report both.

Their priorities they say is going after cloning labs, so I guess that's what it is.

When they fail like the Osprey going down in Southern, CA last year was never followed up on. Deep State ecstasy blasts it all over the news. We won one! White hat fail marks that part of deep state geography higher security, impenetrable. Maybe the whole incident was set up to scare off white hats. The IQ of this enemy is ahead of them.

If we had soldier identities they would know if some stuff is job related. They would be USED knowing they are AI mind controlled robots from that job at some point could be sneaking in the explosives and remote viewers watching everything.

Higher levels can control people. I actually see them sometimes, not much just enough to have a real hard time and know they exist as sure as it gets. I was in trouble for not knowing the deep state side of the story. They have some kind of rights and have to play that in this good vs evil game.

3D earth never wipes them out of the underground, they balance them. They can wipe out all their surface operatives and make out like they don't exist for a while. We can only ascend if where white and bright enough. Deep state messes up on the golden rule as far as the surface dwellers go.

But the operation was about 18 unidentifiable men now and C4 explosives snuck into the helicopters AGAIN. Where in the helicopter and how snuck in I think is not the mechanics checking the engine, but mind controlled operatives carrying the stuff in and somehow they get people checking them to look the other way with more mind control. Mind control happens but that's at a spaceship level of tech and it's promised to happen to all the vaccinated whose souls have popped out of the bodies, just a matter of time. Basically white hats can't use AI mind controlled people like the double jabbed would be my first suspects.

The battle is with vast AI technology. AI is said to be the main devil of earth.

They can mind control people. Some are previous programmed humans. Some are taken over other ways. There isn't a way in my estimate to root out a high level microchip or implant. I don't think these guys brought in plastic explosives against the rules unless they

were mind controlled. I don't think voice to skull mind controls it just talks mostly. Total AI takeovers I'm hearing is to be expected out of the jabbed.

I just saw a post that said "Fauci guarantees another pandemic"?? When these people are hung, why do we still have to put up with them and their demons? It is time for the world to know that the real insane Fauci is dead and has been for over 2 years. These "clones" or doppelgangers are just as dangerous as the real monsters.

Makes you wonder why they even bother to arrest, try, and execute them. It doesn't seem to make any difference.

The spike proteins which are in the jabbed are now shedding to every unvaccinated person. Scientists, doctors etc have now proven this is the reality we live in. Spike proteins cause myocarditis thus at any time sudden death could occur. Please research. I'm done with the movie and ready for the mass hysteria.

A man who works emptying septic tanks reported that they must wear full hazmat suits since the shedding is in the septic and flies around when they empty tanks.

From all orifices including the skin. It was designed that way because they knew not everyone would take the jab. Ears, eyes, nose, mouth and our private parts.

What many do not understand is that our ears are the main portal of entry for pathogens.

"Chain of command is fractured." If the white hats keep dragging out the forced overthrow and complete end of the black hats, it is going to become more & more fractured. Soldiers need to know who they are fighting for and why. They need a "STRONG" leadership pushing for victory & complete annihilation of the enemy. In the Korean war & in Viet Nam our soldiers were not allowed to win the war and lost

confidence in the leadership. Looks like the same BS is going on in the war with the white hats & black hats. That will fracture everything and lose the war.

If these brave men and women were not allowed to win the Korean War — I see what happened partly in the Vietnam War — then that's just another aspect of globalism IMO.

sounds like bs, smells like it, too. All military are frauds, working for the corporation. This would be out in the open and there would be no secrecy to who was actually in power if 'white hats' were legit. obviously by now a double psyop clown show.

The military is brain washed...a very high percentage of them who follow ORDERS of the corporation of the fake government. The government enslaves the people. ALL governments.

We've been psyopped for the better part of 5 years. Q might've been legit at the onset, but once its trip code became compromised, I feel it was taken over by the cabal. Since then, I believe, Q is a black hat op meant to keep patriots calm and docile while they destroy as much possible without pushback.

We are all deceived. So called white hats have existed for hundreds of years beginning in 1776. Against the skull and bones. Q has been operating also for 200 years. JFK wanted to expose it all. Black, white, pink doesn't matter. It's all about the genetics. We have ALL been genetically modified. 9/11 internationally executed to prevent NESARA.

I believe this report is accurate. Brave soldiers died for the cause. There's never been a more important battle. Also, the writer here seems to spend a great deal of time being accurate in the reporting. His reports post info that could lead to a civil war in the US so I can't imagine anyone making it up.

I concur with your assessment . Deep State target may have been Sen. DICK, Durbin of East St. Louis. He is a degenerate dirty M Fer , his wife is a lobbyist for the military industrial complex the last time I checked, or it could have been some other ASSHOLE of course.

OMG this is heartbreaking! Thoughts and prayers to the family and a moment of silence to honor the fallen.

I have a silly question – isn't every piece of equipment checked before taking off to ensure no sabotage esp. during wartime? Isn't that SOP? Maybe they need sniffer dogs to check over everything.

Also, they better catch the SOB who did this!

If you read it the way I did, the issue is allowing only one thing they can get to the rest, like identities, they are completely stumped. The issue is those explosives. May be mind controlled suicide bombers. I still suspect Gen Berger walking off was mind control.

BAD Berger, he is a DECEIVER, he slow-played for two years conspiring with DJT ,another DECEIVER.

For all the free advertising Michael Baxter allows you to steal for your Ponzi games, you would think you would, at least, leave a small, but heartfelt condolence on the tragedy of these nine, courageous white hats who, by the way, died for your freedom, too. This was so heartbreaking it's hard to imagine not commenting something, especially since you are repeatedly leaving multiple, annoying, nonsensical blurbs anyway.

You show all the signs of a narcissistic grifter!

These a-holes should be banned., but at the same time what did you expect from these losers?

Very well said. I completely agree. May the fallen Heroes Rest In Peace. We thank all of those in service all over the World, for their selfless sacrifice.

As the saying goes, "can't get blood out of a turnip." Best to ignore the thing is not even live. Btw, this is The REAL Delavic. Blessings

As Gilbert K. Chesterton said, "If you'd take your head home and boil it for a turnip it might be useful".

Blessings!

It very much breaks my heart these people died, Honorably in the line of duty' How would you like to die, as a yellow bellied coward? A piss ant? Those folks are hanging as traitors everyday.

I think the Media has gone WAY too far now, and beyond their expertise, or description to be better known as investigative reporters & hosts, but rather very cunning Liars who create Narratives & Innuendo they ALL follow in unison, pass judgement over both Radio & Television and on Talk Shows with false pretense and false accusation to manipulate "We The People" . They've become Radicalized Liars in extreme.

They'll say almost anything, Our Media ARE full fledged Communists pushing Propaganda, pushing Sexual Perversion in our Children's Schools.

We The People MUST NOT LISTEN TO THE LIARS ANYMORE!!!
YOU KNOW WHO "THEY" ARE NOW!
THEY ARE WELL ORGANIZED & WELL PAID. its why they're in the biss of NEWZ.

The Newz, IS ALL FAKE – Manipulating us, convincing the Naive to Believe in Lies. Period!!!!

The United States of America, is a Constitutional Country with a Constitution, Bill of Rights and along with all this, an Emancipation of Proclamation – meaning All people are created equally and under Constitutional Law – no matter what!

Absolutely correct, We the people is the government at all in our Constitutional Republic of the United States 🇺🇸 of America, not the USA Corporation 1871.

I watch msm news just for their drone weather damage footage. That can be replaced with private drones but so far they aren't getting enough footage and tend to be storm chasers needing donations.

Goober, you are right on target. Imagine deciding to make your living deliberately lying to people by creating propaganda designed to trick and confuse people. You could have done something else with your life but for some reason, lack of a moral code or some other character defect, you choose to be a professional liar. How do you rationalize that to family and friends?

“So what do you do, Bob?”

“I weave a web of lies every day intended to frighten, confuse, and misdirect people because it’s fun. And it pays well too”

“How do you sleep at night?”

“On a pile of money.”

For these “news” people it probably starts small, with a few exaggerations. The old Irish adage “Never let the truth get in the way of a good story.” As the audience grows they get a little bolder. When questions are raised about the “facts” being presented they tell critics that they have sources that can’t be identified for some reason, sources unique to them. The more people buy in, the more their egos are boosted and on and on it goes. The fact that people’s lives are deeply affected by the lies doesn’t matter in the slightest.

Goober is right on when he says there are “news” people who are manipulating us and convincing us to believe in lies. Let’s work towards exposing the liars and their lies, and demanding they be held accountable for the things they do in defiance of God’s law and the best interest of our great nation.

the FACES on the msm do it for the MONEY, big MONEY and most if not ALL are criminally compromised as well.

General Berger, deep state? You must be out of your mind. His character and service record is beyond reproach. He is 150% percent corps. He was captured kidnapped and viciously beaten. To a pulp. He did not talk, what they wanted were the nuclear codes, to start ww3. He officially stepped down to allow a younger man to step in. One

that he has total confidence in. You don't make it up there in The Corps with bull shit. You need the metal baby? We are very fortunate for that I tell you. Years ago we would have been overtaken. They turned to of all people, The Brooklyn bum, Donald J. Trump, "Donald, your country needs you, short of God himself, no one else can do it." "Let me ask my wife first." Our beautiful First Lady. she had to consent on it or it would not happen. she gets very disrespected here. No where else in the big world does that, she wows them big time. She is a master of eight languages, how many do you speak? Never boastful. Total class. At the raid on her home, they raided her wardrobe. How dare you, you piss ant. How dare you touch her clothes? Enter her room even? Who do you think you are? if not for her consent our republic would have flushed down the toilet. Not are democracy, we are not a democracy, we are a constitutional republic, for as long as we can make it so. Despite all of the bullshit the real President of The United States rolled slow and easy into his hometown, NYC daddy-o! on his biggest plane. To get his business fixed. He was clearly pissed. New York City, Any real New Yorker loves him. the Brooklyn Bum. Never mind all of the bullshit. This judge, petty Da, and jury, you are screwing with the most powerful man in the world. You are going to be roasted and toasted. I am an independant, can I get on the Trump train? Yes sir but we have to roll, get on or get off. I am on! Thank you.

I respect General Berger so much, that if he was walking along and there was a patch of mud I would lie down in the mud so he would walk over me so he wouldn't dirty his boots.

Well you could put your coat down like Sir Walter Raleigh did. That might be better.

I agree 100 percent with your statement but I wouldn't use the statement " he boyond reproach " because after every fake news media in the US drilled in everyone's head how beyond Reproach

Muller was when he was appointed special counsel against Trump now when I hear someone say that it doesn't have the same meaning as it use too.

Muller was a KNOWN criminally compromised ASSHOLE long before 9-11-2001 , he is also a MORON, this is why he was picked to be FBI Director about a week before 9-11-2001.

4/8/2023 10:31 AM Their IQ's were said to be very high around 150 but Daryl James IQ was said to be 200. It's curious. D. Trump and Melania are said to be in spaceships with tall whites on a regular basis and time traveling. They see the future and go back in the past to make changes so way into the future it's different. When the planet ascends to the top the past, present, and future is all happening at the same time, there is no time, they can nip problems in the bud I guess. At any rate the clone we see in the news is so widely agreed on to be a clone is not the same. It has no soul other than a small chip off the block of the original, and just takes signals and orders from Donald Trump original. The tornado damage and other weather issues, sure look like they are draining the swamp. West Pacific ring of fire area is supposed to get an M8+ quake by next week. It's all part of draining the swamp.

This one falls as one of those hard calls for us..We don't really know.Some of the retired vets step up to give us their best answers. the major thing of the article was to make us know we lost some hero's.The Corps does not take that well.We are not privy to all of the knowledge at this time. We can give their families our prayers. The soldiers may not have all been men also.Men are not the only hero's around here.without both their is no mankind.
