Ruský prezident Vladimir Putin pokáral uniklou zprávu amerických tajných služeb, v níž tvrdí, že jeho „Speciální vojenská operace“ vykuchala národní Spetznas a že Moskva bude muset strávit

desetiletí přestavbou své komunity Special Operations, řekl agent FSB Andrej Zacharov Real Raw News.

Ve čtvrtek FBI zatkla příslušníka národní gardy Massachusetts Air National Guardsman, který údajně získal přístup k informacím o národní obraně a vyzradil je do diskusní místnosti Discord. Mezi skrýšmi bylo hodnocení CIA, které, pokud je přesné, ukazuje předválečné a současné satelitní snímky ruských brigád speciálních sil. Obrázky naznačují, že čtyři z pěti brigád utrpěly ohromující ztráty a konflikt podkopal morálku přeživších komand. Pokud někdo věří úniku, jednotky Spetznas jsou vyčerpané a bojově neúčinné.

Podle vojenských záznamů je údajný útočník Jack Teixeira (21) specialistou na komunikaci první třídy letců. Při čtvrtěčném zatčení zločinec Merrick Garland nevysvětlil, jak se mladší letec dostal k některým z nejprísněji strážovaných dokumentů americké vlády.

FSB a Vladimir Putin jsou přesvědčeni, že uniklá data jsou výmysly CIA, aby vytvořily ještě více protiputinovské propagandy. Putin, řekla Zacharovová, si myslí, že západní rozvědka vyrobila satelitní snímky a zaměstnala někoho, kdo je úmyslně zveřejnil, takže zbytek světa by nepřesně usoudil, že je na pokraji zdrcující porážky. Západ v čele se zločinným Bidenovým režimem utratil desítky milionů dolarů, aby vykreslil Putina jako nejpodlejšího člověka na planetě.

"Jak rozumíme vaší vojenské hierarchii, tento chlapec by neměl povolení podívat se na tajné materiály, které údajně umístil na internet." Je jako pěšec na šachovnici. Řekněme například, kdyby Amerika osvobodila Kanadu a Rusko mělo satelitní fotografie dispozice kanadských speciálních jednotek. Jen pár zpravodajských expertů a nejvyšších vojenských představitelů by to mohlo vidět. Ne nějaký voják v komunikační četě. Logickou odpovědí je, že nějaký člověk dal Teixeirovi informace a řekl mu, aby je propustil na internet. Možná ho naverbovala CIA. Možná je jeho zatčení falešné a

dali mu peníze a novou identitu. Nebo možná je, jak říkáš, placka. Ano, některé úniky mohou být pravdivé, ale ne o našich speciálních silách," řekl Zacharov.

Řekl, že únik Spetznase byl jednoznačně vykonstruovaný, protože byl založen na falešném tvrzení, že většina speciálních sil angažovala ukrajinské revolucionáře v předních liniích. Méně než dvacet procent Spetznas bojovalo v otevřeném konfliktu. Zároveň velká část ruské komunity speciálních operací vedla méně nápadnou válku proti podnikům sponzorovaným Západem na ukrajinské půdě – laboratořím na biologické zbraně, dětským predátorům a obchodníkům s dětmi a v poslední době také výrobním a skladovacím místům vakcíny Covid-19.

„Ztratili jsme muže? Samozřejmě, že máme. Dobří muži. Stateční muži. Muži, kteří zemřeli v boji za lepší svět. Ale ne tak, jak chce vaše vláda, abyste přemýšleli. Nemohu říci, kolik máme speciálních sil, ale odhad vaší CIA na pouhých 5 brigád po 950 mužích je špatný. Jsme v lepší než bojové síle a budeme pokračovat v boji se psem Zelenskyy. Prezident Putin se propagandě směje a kárá ji," řekla Zacharovová.

Na závěr dodal, že FSB a další ruské zpravodajské agentury získají důkazy ke zničení důvěryhodnosti uniklých zpravodajských informací.

“The FSB and Vladimir Putin are convinced the leaked data are CIA contrivances to generate even more anti-Putin propaganda. Putin, Zakharov said, thinks Western intelligence manufactured the satellite images and employed someone to leak them intentionally, so the rest of the world would inaccurately conclude he’s on the verge of

a crushing defeat. The West, led by the criminal Biden regime, has spent tens of millions of dollars trying to paint Putin as the most villainous person on the planet.”

This is more proof that the Rothschildian/NWO/FBI/EU/CIA/MI6/AZOV/Neo Nazi/Banderites are working hand in glove with Incest Joe and his child sex trafficking cabal to destroy the world. This is why they are shoveling so much money to the Zelensky and are financing it through people like Graham and Shalanda Young while bankrupting us into oblivion so they can microchip and kill us all off as “useless easters. The center for the microchipping/financial control/depopulation under DIIA is in the Ukraine. Paid for with our tax dollars.

Excellent work, Michael, thank you. Please continue.

Haha, I knew when I saw the news on facebook that it was a sham. Garland and MurASS never tell the truth or do anything worthwhile.

This is logical thinking– given what we know about Russia, President Putin, America, and Pretendant Biden.

Mike you should be ashamed of yourself for erasing the only comment you had unless you erased all of them that didn't follow the bs. Must of got to you while “on a family emergency” or you were always just a paid disinformation schmuck.

MB, I hope your family emergency turned out in your favor. Family comes first, always.

You can chum the sharks here when you are free to do so. They might not like it, but RRN is your site. You do a great job.

You don't need my approval, but you have it.

Seems like Putin should not mind if his enemies think he is weak. The art of war is to make your enemies think you are weak when you are strong.

Political vacuums really suck. Ukraine is one of the most amazing one ever.

Glad to see you back with important news! And glad that you are the kind of person to place family high on the List of priorities! Keep the news coming...

My father was one of the top people working at NGA in satellite imagery. He invented the cameras used on the satellites and the programs used to transpose the data into useable form. He was a GS 15. This private is probably only equal I any to a GS7-8. There is no way he would have access to this kind of information. I am with Putin. This so called leak is just more propaganda to demoralize.

Early word is that it all may be over soon. A petition has been filed by a lady named Lisa McGee with the US Attorney for DC for a writ of Quo Warrento. Apparently, the fraudulent VP and most of the heads of the departments of the fed. gov. neglected to take their oath of office and to file the required affidavit asserting such. They have ten days to produce such an affidavit and unless one is received and accepted, they are out on their ear and everything they did for the last 27 months is null and void. Apparently Ms. McGee first filed a FOIA request to get the documentation on Janet Yellen's oath of office and was told by the Treasury Dept. that it did not exist. So, I guess it's as good as over. Hope this will not flop like Brunson. This will be a lot of shit to hit the fan all at one time. Bring an umbrella. Now, let's rebuild America.

Yeah I'm calling bullshit on a low level air guardsman getting access to this intel unless he was setup. How do you say MK Ultra scape goat.

In the last 3 years more and more people around the world, and in the US see just how bad that the US govt lies!, Its about 99% of the time! The world is awakening , and dont trust anything they say anymore!

The turd (Justin Trudeau) lies every time he opens his mouth. Most people don't believe his bs. I guess it's a liberal thing...to lie.

It's an evil thing to lie to one's people, liberal or not. That's how totalitarianism succeeded in Nazy Germany, Communist Russia, the Eastern Bloc nations, Vietnam, Cuba, Cambodia, Nicaragua, Laos, North Korea and China.

Putin knows CIA better than anyone, they are so corrupt everybody should know this by now, the CIA are the ones that are training the Nazis, Putin is a white hat and Trump speaks with him often, I do believe that Americans are finally waking up to the BS that's coming out of this Biden regime, they are the ones that are corrupt. It's time to let people know who's really in charge. We are at the last days of this movie. So, hold the line people.

Thank you Michael for doing extra work after your absence. Hope that turned aout well in the end.

As for Putin, he is too smart for all of this. great guy.

“ President Putin laughs at the propaganda and when he read the EO 13963

He Said President Trump Knows how to play this Game ,”

E O 2020-10-20

13963 Providing an Order of Succession Within the Department of Defense

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the Federal Vacancies Reform Act of 1998, as amended

D. J. T. CIC!

And the us Military should be going After Austin the Impersonator!

Well at least Putin knows that the CIA isn't well known for their spectacular honesty in carrying out their duties. They might likely have witnessed the exact opposite and frankly, the people in the USA would know its a set up—anyway you look at it.

What tangled web we weave, when we practice to deceive.
Don't be fooled. Not everything we hear or see is always right.
War is for the insane, always discern and challenge the narrative.
The best liars take a tiny bit of truth at the heart, the rest is total BS!

Thank you Michael for the info.
Always interesting to read.

Been lied to our entire life- why stop now?
Putin knows our media is propaganda at best but really just flat lies.
You just can't trust anything these days.
I like the way Putin thinks.

Yes. So tired of the lying.

Jesus said, Blessed are those who hunger and thirst for the truth.

I can't imagine this 21 year old having access to highly classified documents. I guess he was chosen to be the fall guy for the DS demons. I just saw reports of his arrest. The demons have always portrayed Putin as the evil one who is waging war against the innocent. I keep hoping Putin's men will flatten the evil weasel Zelenskyy and wipe out all their evil adrenocholesterol and vaccine factories. They have been doing a good job of getting rid of a lot of it. Putin is not someone the CIA wants to mess with. I truly believe he will wipe them off the face of the earth. I hope Joe Biden the fake is afraid of him. As always, Lord bless our country, DJT, the White Hats, and all patriots in this country. (as a side note, I thought the next article was supposed to be about Mr. Lightfoot's tribunal. I am happy to see all articles though).

Idk about anyone else, but the Leaker, to me, looked a little too “purdy,” (pretty boy), and I do believe could pass as a Jackie with a new Identity and location all set up for his work performed... The story is too off.

1. The Russians are correct. This 21 year old National Guard low ranking person would not have access to top secret information that was leaked on the internet. I think this young man was set up and may think he is doing good but is misinformed and uneducated in matters of security. How so I know? I was an officer in the Air Force with higher clearances and this situation does not make sense unless he is being used improperly.

His Dad is a senior official. This is another false flag op to bullshit us. Much like David Hogg the crisis-actor whose Dad was a senior FBI official.

And the girl who was up there with David hogg looked just deblasios daughter.

Same situation applies to James Holmes the patsy(/culprit?) of the Aurora, Colorado theater shooting in 2012. Via online research, I heard his father was going to blow the whistle about improprieties in LIBOR (banking financial info program run out of London, England) but the bad guys wanted to shut him up so it looks like they framed his son for the theater massacre to ‘flush’ the both of them and take the heat off (at the time) of their dishonest financial dealings.

Just in case anybody was wondering what the proper translation of the above phrase into English: fucking lying bag of shit

The Deep State Pentagon lies like a rug. The DoD is also behind the entire Covid-19 vaccination program of the United States. The DoD Contracts and CONTROLS Big Pharma for C-19 vaccinations. The DoD prevents vaccines from having tracking numbers and bar codes, because they hide behind their military status, even though they are

the real criminals killing millions of people in the US, including their own troops. The Deep State DoD is pure scum. Let's rip the scab off and show these DoD bastards for who they really are.

Treat it as an abscess: take a scalpel,, cut the abscess open, squeeze and scrape out the filth and pour Betadine into the wounds.

Russian forces have now captured the huge tunnel system under Ukraine stretching for hundreds of miles and will be taking the war against child trafficking, deadly US biolabs, and Adrenochrome production underground.

The classified info actually supported the fact that we are wasting our money and that Ukraine is getting their asses kicked. Your report says the opposite, so which is it? A leak that supports the waste of money making Biden look good, or the opposite making him look bad?

Russia probably can't get to the Ezekiel War without Odessa. Just sayin'. Draw your own conclusions.

I'm reporting what came to me from an FSB agent. As indicated in the last line, they don't yet have evidence proving or disproving the validity of the leaked data. Obviously we're wasting money, that's indisputable. The whole purpose of printing this was to express concern that the the leaked data's claims that Ukrainians have obliterated Russian Special Forces may be inaccurate.

'inaccurate'

Russian forces have been obliterating Ukrainian forces.

Just about everything from US politicians, FAKE News, is lying propaganda, as it has usually been for decades in the US wars of naked aggression, using US soldiers as cannon fodder.

Imagine that, an old martial arts actor from decades ago named Arthur Roberts is the installed resident & not currently president of a defunct & bankrupted 3 tiered corporation that was run entirely on foreign soil in Washington, D.C., The City of London & The Vatican in Italy.

They've been saying that since the 2020 steal. Now Dominion is talking Rupert and the boys to court for exposing their dirt on the fraud.

Good job clarifying that Michael Baxter.

Thoughts and prayers are with You and Yours. Hoping and praying that the family emergency was dealt with successfully and without any permanent loss.

Be safe and stay strong.

Putin wouldn't mind if his enemies thought he was in a weakened state. The art of war is to make your enemies think you are weak when you are strong.
