Speciální síly Spojených států ve čtvrtek zatkli zločinečku Rochelle Walensky poté, co se vrátila do USA z Bruselu, odkud od konce roku 2022 na dálku řídila Centra pro kontrolu nemocí – když se z USA dozvěděla, že bílý klobouk oddělení armády ji obvinilo ze zrady.

Zdroj z kanceláře generála Smithe řekl Real Raw News, že speciální jednotky popadly překvapeného Walenského na parkovišti na mezinárodním letišti Hartsfield–Jackson v Atlantě. Díky zpravodajským zprávám amerického armádního kybernetického velení generálova kancelář už týden věděla, že Walensky plánuje setkání s 27letým brazilským Američanem, s nímž měla poměry nejméně od roku 2019. Walensky (54) byl ženatý s Dr. Lorenem D. Walenským (55) od roku 1995. Mají tři děti.

Manželské sliby však nezastavily Walenského touhu po cizoložné pozornosti. ARCYBER zachytil elektronickou a hlasovou korespondenci mezi Walenským a třemi lascivními nápadníky. Když si generál Smith přečetl její e-mail, v němž se psalo, že touží být v jeho náručí a 4. května navštíví USA, pomyslel si, že zpráva je příliš dobrá na to, aby byla pravdivá – dopadení Walenského by zpečetilo dohodu o trifectě zločinců Covid: Anthony Fauci, Francis Collins a nyní Walensky. Do e-mailu laskavě zahrnula celý svůj itinerář.

Generál Smith a velitel 5. skupiny speciálních sil Brent Lindeman – pravděpodobně nejpronikavější důstojníci v americké armádě – koordinovali misi, řekl náš zdroj. Naštěstí se Walensky nevědomky podílel na jejím brzkém zajetí; generál měl fotky Walenskyho milence a značku, model a barvu vozidla, kterým jel, aby ji vyzvedl. Mimochodem, na základě odposlechů v domě své rodiny v Atlantě neinformovala svého manžela o svém blízkém příjezdu. Její pobyt byl čistě osobního charakteru, aby viděl svého milence. Tři dny v Atlantě, pak zpátky do Bruselu – nebo si to alespoň myslela.

Ve chvíli, kdy opustila terminál, ji sledovaly speciální jednotky v civilu. Sledovali ji, když ležérně převážela jediný kufr po chodníku na přečpané parkoviště, kde čekal Mercedes jejího miláčka. Nevšímalá si svého ocasu a přes zatmavená skla neviděla, že cestující v autě drží u hlavy jejího přítele Glock 19 vybavený tlumičem a instruuje ho, jak má reagovat na její zprávy.

Speciální jednotky sledovaly přítele z jeho domova na letiště a vrhly se na něj, jakmile zaparkoval, 30 minut před příletem letu ve 20:40.

"Byl ohromen - ale spolupracoval," řekl náš zdroj. "Řekli mu, že jsou tu pro Walenského, ne pro něj, a vyvinuli nezbytný tlak, aby ho přiměli vyhovět." Čekala, že ten chlápek vystoupí a pořádně ji obejmě, ale to, co dostala, bylo chyceno a strčeno na zadní sedadlo s jiným vojákem, který jí přitiskl hlavě své ruční zbraně ke spánku.

Hanebná ředitelka CDC, dodal, byla převezena do zpracovatelského střediska a brzy bude poslána do Camp Blaz k vojenskému soudu.

Přítel, jehož jméno armáda tají, nemohl odcestovat do zámoří, protože je z dosud neznámých důvodů na federálním seznamu zákazů letu.

Náš zdroj uvedl, že přítel bude zadržen až do odvolání.

Jewish woman here. Just because a person has BIOLOGICAL ROOTS to the jews DOESN'T mean they are faithful..

Amen to that, she attended Temple Emanuel in Newton, Mass and when I looked it up there was a big picture of Ruth Bader Ginsberg on their Facebook

page along with a benefit concert for Ukraine. Talk about loose moral values for a Jewish Temple. RBG defended abortion rights, expanding gay rights, preserving Obamacare, & including the 2015 ruling legalizing same sex marriage nationwide.

Amazing find. When I told a couple of coworkers who were Jewish about Israel recognizing same-sex marriages, they thought it was great. I was shocked, Israel is the home of the three Abrahamic faiths — Judaism, Christianity and Islam. **NONE OF THEM UPHOLD GAY MARRIAGE OR GAY FAMILIES BECAUSE IT IS A SIN.** But one of the lawyers said it's important to support the orthodox groups because it would be bigotry not do so.

I love the Jewish people and I love the Torah (OT), so I reminded them that Jewish law says gay marriages are null and void and that the Torah says same-sex relations are forbidden. She scoffed and said something about lobotomies were also chosen medical treatments at one time, too; her point was that everybody, Jewish people included, needed to take sexual deviancy off the sin list because there is nothing wrong with same sex relations and they need to be supportive of those who do these things, and Jewish groups are accepting it.

I could not believe what I was hearing out of her mouth, because Jews and Christians and Muslims are very marriage-oriented and family-oriented, and they hold marriage and family traditions as sacred. And now they are saying the same-sex abominations in Leviticus 18:22, 2013 Genesis 18-19, Judges 19 are no longer forbidden.

We don't fix God's word, God's word fixes us. We do not change God's word, God's word changes us

There was a time until the 80s when gays were disowned, divorced, forbidden access to see their children and kicked out of their homes for engaging in this nasty behaviour. There were mental health clinics treating this disorder. People got fired for being gay and even lost their homes and apartments.

I wish for no one to lose their job or home or business, and I have never hated gays or lesbians; but supporting sexual deviancy is not my thing.

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning sixteen thousand US dollars a month by working on the connection, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website... <http://www.Payathome7.com>

I assumed most women were deft liars. She was obviously lying so many times and many americans are just too dumb to see it. ffs

FBI were in houston for a 'nuclear attack' drill and coincidentally a chemical plant went down in flames. Probably no connection. Mos def not causation.

Maybe the FBI should dial back the Hormone Replacement Therapy team, something about the neurochem changes eventuate irrational thinking and thus behavior.

Surprisingly, the poor victim of love observed the basic Russian rule – don't f*** where you live and don't live where you f***. Kudos, just cain't stop love.

A lot of 'love' is nothing more than hormones. It's caused a lot of misery in the world.

Something to think about. The White Hats sweep up all of these malefactors and then just days, or sometimes hours, later their double or "clone" is back on the street behaving exactly as the original. There's no difference between the before and after. So what is the point of this complex and expensive White Hat operation if absolutely NOTHING changes.

Who do we the people say is controlling JB/Brandon? Some credible truthers suggest that Q+ is. Consider this; one of the many goals of the great awakening is to eradicate the D Party and who better do that than JB with all his faux pas from day 1 of his residency.

Bonaparte (I think) said thus: Don't interrupt the enemy who is in the process of destroying himself. Speaking of doubles, clones or actors, who started the strategy, if you call it that way? The white hats. The major/big fishes have been taken care of and these "substitutes" were put in place to keep the Dems loyalists from staging an uprising. That is the reason Q in his post ack in 2018/19 said, The tribunals were over before it began. Q also came out with a catch phrase that says, frazzle drip. I take that as giving us info of the arrest and judgment of the DS minions slowly just as RRN is doing. Blessings 🙏🙏 from The REAL Delavic.

Frazzledrip was the young girl that HRC and Abedin killed after fileting her face and danced around with it on their faces. See a mockery of her on Wilson the volleyball in Tom Hanks movie (he was on a deserted island.) Also Ellen Degeneres has been seen with the same icon several times. Sick, sick people.

Well, your statement reveals your tacit acceptance of clones! So you no longer deny human clone tech? Or perhaps you're reading too much RRN, Swan Man!

If clones are in governmental positions and someone 'removes' them through forceful physical means, can the remover be charged since the one removed was not human?

Ah ha ha ha! Joe just announced Rochelle's stepping down! Whee! Maybe she will have a retirement party at GITMO!

At some point, MSM will not be able to ignore the TRUTH. Excuses, excuses, excuses.

 “We the People”
have a deep appreciation for our Great United States Military!
Thank-you all!

There is literally zero proof for anything you say. All of the stories here are fake and made up by MB, there are no white hats, and your Q nonsense is also a fraud.

The US military is every bit as traitorous as the rest of this disgusting legal dictatorship in this fallen republic.

You are part of the problem because you refuse to grow up.

If you think that way why are you on this site? You need to go to the sites with liberal talking points. Right now we need hope and we find hope here.

They're all here because they're frozen in fear watching their beloved clown world melt before their eyes – they liked the narcissistic freak show of insanity and now that it's being taken down, all they have left is to quibble a rock throw at RRN truthers. Once all this reality is mainstream, they won't be able to escape a daily kick in their bits if they step outside their mom's house.

I agree as all one needs to look for evidence is on the astronomical number of VaXXXidents occurring! Their friends, sometimes homo spouses (the real self righteous maskers in 20) are dropping like  ! I simply thank God He has heard our prayers as we witness His great hand in all of this! Jesus Christ is truly King of kings, and Lord of lords!

“There is literally zero proof for anything you say. All of the stories here are fake and made up by MB, there are no white hats, and your Q nonsense is also a fraud.”

You just literally said Cyn as no proof for her claims and then offer your claims for which you have no proof! Makes sense.

commit treason or any other crime that gets recognition and you'll be off the street too..

You mean the proof that the people you nitwits believe are dead are walking around?

You mean the proof that the White House is open and running, not some sound stage in Atlanta?

You are crazy. Seriously crazy.

Well, there's no problem, then. The "craziness" should soon collapse of itself, wouldn't you expect? Relax, & go your ways.

SO...negativity is your thing
i suppose you'd say when the sun comes out ,it is too bright and when the moon is out ,that it's not bright enough

No, the truth is my thing. That bothers people here who like to live in a fantasy world.

didn't you know that this site is populated with hardcore Aldo Nova fans?? Life is just a Fantasy.....Can you live as fast as me, tonight?? I know.... I know..... (guitar).....

May you explain what I said that demands proof?

Yes, Joe sent a memo. Proof he announced Rocelle's leaving! Ah, what else did I say that I need to 'prove'? Ah ha ha ha.

I said nothing about WH and nothing about 'Q' nonsense.

If you think our Great and Mighty United States Military is traitorous...then you'd better not walk down the street.

What the hell legal dictatorship are YOU talking about? PROOF please...

Stay in your own lane. I mean, country. People like you ARE the problem. Grow up. 

What do you suggest? Beyond turning green, what actions will improve things? Anything a normal person can do? Say?

Of course. That makes sense. There aren't any men in Europe. And, she couldn't send her BF a ticket to Belgium. Naturally, she had to risk Life in prison, or execution because "Jorge" was such an awesome fuck.

...and as if there are 'men' in the US! Dude was BLACKZILIAN-AMERICAN.

Mr. Ed wasn't available in Brussels! and, there weren't any Mexican donkey shows happening in any of the clubs!

Ye kno wut, Come to think about it, I would even be willing to hold one end of dat dang rope fer her to walk across at dang canyon, I think i could hold it tight enough altho i do have a bad case of at air old Arthie dam ritus!!!

I am tired of MAIN STREAM MEDIA MSM, NOT reporting THE DEEP STATE puppets being picked up by the White hat. Military and taken

To Gitmo and Now GUAM

Well, they can't bite the hand that feeds them, can they? Look what happened at Fox News with Rupert and the Dominion voting machine case, He had to kiss their behinds and fork over \$787,000,000.00 to calm them down, just for letting Tucker Carlson report the truth. And he had to fire Tucker on top of that.

BLK ~ROck > OWNS DOMiNiON & FOX ! ? < CAN WE SAY " MONEY~LAWN~DERED " ! ? BTW, FOX DIDN'T "FiRE T.C.....HE "Q~UIT " !

So much more than you think. Black rock is using our money to push all the woke bull crap and gender ideology down our throats. they are causing devisions , and paying for it with our own money. Biden is running out of hands holding strings that control his mouth and pointing fingers. He's the puppet Obama always wanted. But he shits himself to much now. How much longer is it going to take before all the people realize who the enemy truly is.

I thought it was Dan Bongino that quit and Tucker was fired. His people were getting ready for the Monday show when they got the message he was fired or so what has been said.

President Trump told Fox to not do what they did before they did it but they went ahead and gave into Dominion not listening to Trump.

If you type "Walensky stepping down" in a search engine, you'll find an AP NEWS report (dated May 5, 2023) on her "resignation" as CDC director, saying however that she'll stay as such until June 30, 2023. No doubt, this AP NEWS report is based on an announcement from the Biden team. So, the question remains: Which of the two entities is more credible, Real Raw News or the Biden team? In my opinion, which I believe is very objective, as long as the U.S. military does not come out with a categorical denial of Walensky being in its custody, Real Raw News is likely more credible than the United States Government run by this parodic Biden team.

It's fake. The Deep State won, none of them are now or ever have been arrested. There is no such thing as white hats and you look silly.

You remind me of Rob Reiner who is always trying to brainwash into thinking we are the bad guys.

1) If the DS had any power left, we would all be wearing masks, suffer being locked down and eating rice cakes at Walmart prison camps.

2) Not ONE single instance has ever been cited of any of the myriads of high powered, wealthy lawyers, politicians or military personnel mentioned here, *ever* suing RRN for defamation or slander.

3) And there are many more I could list, you know damn well Hillary and rest are DEAD, HUNG, GONE. Regardless of those deep fake videos (go research the term) on YouTube of Hillary running her rotten hole, her presence is not being felt. If she was alive, we'd see a massive, high profile Hillary campaign as we approach the end of this ridiculous Biden nonsensical term. We don't see that because the DS lying media can't pull off more than a small spattering of fake releases, else even the sheeple populace would wake up to the lies.

4) As a retired military combat planner, I can attest that Michael Baxter's knowledge of military terms, acronyms, concepts, geographic locations, rank structure and weapon systems are, since Feb of 2021, when his first article came out, 100% spot on. There is no way in hell he could understand and/or fabricate the things he reports, unless a legit military authority were feeding it to him. No way. Not a chance in hell.

Lastly, and I stare the following with *extreme* prejudice; what I witnessed, as a military man, during the 2008 – 2016, Obama administration, was so very evil, so very over the top wicked, murderous and worthy of military tribunal and execution, that I was *shocked* that there was no generals who initiated a coop – an overthrow!, of that communist, Muslim, murdering, lying, ISIS creating *NIGGER.* I heard some generals wanted to, but were stopped, by Trump, who said; 'No. Let's do it *legal.*'

Now if the DS is so very embedded in our world institutions that they could kill Kennedy, and we KNOW they did, then it would take this exact template of process to resolve it all, so that we could catch them all, hang them all, and restore the world to benign, Godly, constitutional order.

But know this, you CIA and FBI satanic trolls and paid shills; there are those of us who will NEVER submit, bow down or stop resisting your wicked, Godless powers. We will pray, fight and claw our way and give our blood in gallons if necessary, to save OUR nation and OUR families. Your families and descendants can go to hell. We will win. We *have* won. We inherit the entire earth. And you, have sealed your souls in hell.

no white hats?? you mean you've never heard of or saw a picture of the Ku Klux Klan?? you can't get any more of a white hat than them!

well yahoo have stopped censoring these days So they must have been threatened to honor and obey the highest law in the land ,or else....

Alright, why was the boyfriend would be detained until further notice?

WTH is this? What did he do?

I guess he was a prostitute, or involved with a most wanted dangerous criminal is collaboration with other illegal work. Prostitutes male or female are often addicted. So driving under the influence is likely. At any rate they are going to interrogate him and it's been typical in these articles, they make a deal for any useful testimony against the criminal.

hes on a fucking no fly list think that might be important/ possibly be a reason to detain him till they find out why perhaps.? by he way you sounded like a libtard asking that 🤔😏👍

LOL. He sure does. Who gives a F...?? (Other than a libturd.) Probably an illegal. Obviously, he's desperate.

Hey General. About a third of the people on the no-fly list are on it by mistake. TSA won't tell you why you're on the list and it takes a very, very long time to get off. If you can.

“and it takes a very, very long time to get off. If you can.”

Take it up with Waluigi. She didn't take long to get off with her Blackzilian bf!

Nah. I wouldn't be here if I was a liberal. Just really fuckin curious why they took him. There's not a god damn thing in this article that points a finger at the boyfriend.

No fly list?? big deal, so am I.

searching for possible hidden crimes committed by the guy. he could be a male version of Fang Fang for the Deeeeep State!

You ain't retired Army. Lying piece of shit. Any retired military would not forget the mission, and it aint locking people up for fucking a traitor! Rights matter to me, asshole.

Last edited 16 hours ago by geo

If they boyfriend were let go what would he tell everyone? Would that get the left upset and just give us a harder time?

Lots of "if" going on here. I don't like it when military detains without a reason. Maybe they had one, but it's not listed here.

Nothing. Just reading the article, same as you. It's too open ended for me. The entire reason for all these executions is about justice. How are you going to preserve justice by stepping over it's lines? I don't like it when the military detains private citizens based on affiliation. I hope there is more on the boyfriend than this article reported.

For starters, the White Hats have Probable Cause to detain him for violating **18 U.S. Code § 1071 – Concealing person from arrest:**

Whoever harbors or conceals any person for whose arrest a warrant or process has been issued under the provisions of any law of the United States so as to prevent his discovery and arrest, after notice or knowledge of the fact that a warrant or process has been

issued for the apprehension of such person, shall be fined under this title or imprisoned not more than one year, or both; except that if the warrant or process issued on a charge of felony, or after conviction of such person of any offense, the punishment shall be a fine under this title, or imprisonment for not more than five years, or both.

Who said the BF was a “private citizen”? When & where? I’m ‘guessing’ he ain’t. Probably there is moron the boyfriend. At best he’s a footnote. (And that’s a step up for him.)

or unpaid child support arrearages! no passport, no license, no trade or business license, & definitely no-fly list because you might flee the country! these are common tactics imposed by the Gestapo child support mercenaries. prostituting allows him to “work under the table” for his earnings without deductions!

So each of these people who have been arrested and esp those who’ve been executed, when we see their double or clone it’s safe for us to ‘apprehend’ it? I mean after all, clones do not have a right to life. They are nothing more than a vulgar machine. So we should remove the fake individuals?

But you have to be sure by looking at it’s deformed crotch. I heard the agent who looked at Hillary’s “cont/cuck” hasn’t been the same since.

If all these arrests, court martial, and executions are true, why has the so-called “White Hats” put an end to the charade of a government, and arrest every damn single treasonous persons down to the last man, but still allow this country to be destroyed by them? Joe Biden is just a puppet. Who are the puppet masters and financiers? When problem solving, it is critical to get to the root-cause and take it out. Otherwise, the problem really never go away. When are the root-causes going to be pulled from the soil of America once and for all? If only the symptoms are treated, the problem will recur again and again without end... Get every single individual and all of their association once and for all. Either execute, or expel them. All properties, real or digital, must be confiscated. Lots of Bankers, Oil Tycoons, Financiers, and lots and lots of those in the Freemasonic lodges and Talmudic Synagogues. That’s the root-causes, and their gentile enablers.

THE PEOPLE need to SEE the Rules & Policies these people WANT to ENFORCE, & FEEL the CONSEQUENCES. THEN they’ll know for themselves what they DON’T WANT. But it’s so KIND of you, Mr. Chinese, to be concerned for our North American social welfare. Have you tried moving to another province in China? How many permissions do you need? How long does it take to GET them? LOL!

I think they are arrestng and executing as they gather evidence on those individuals. But im with you. I wish they would just roll up on tanks and swat teams all over the country and just quarantine the whole fkin sh1tshow

Once I heard last week that she has resigned from her position, I knew something was up. That is how God works, their evil cannot allow these murderers to control their sexual lust. Probably the blood of all the people they murdered pushing them around.

Last edited 1 day ago by Success

She stood in front of the entire world and proclaimed the vax was safe and sound when she knew from the beginning according to Pfizer reports and studies that the mRNA vax produced fatal and catastrophic events in the fetuses of pregnant woman. The little innocent ones she murdered is crying out for justice to be served.

I wish we would get a report on McConnell. He was away for a while and the video I saw of him he looked really weird. His eyes looked weird as they were moving back and forth. Maybe Michael will find out and give us a report.

Several times now, Mitch McConnell has looked in a panic, ready to break down crying, unable to stop thinking about whatever has him in a panic. Maybe white hats have been showing him execution videos of his colleagues at Gitmo and Camp Blaz to soften him up.

Hey Rochelle, your rubber mask is bagging at the ckeeks. What's the matter? Did you forget to use enough corn starch to keep it tightly in place? If that's how you treat your face, then I'd hate to think how you keep your man parts!

I have been waiting for number three, Wallensky, to complete the 'trifecta of Covid criminals' along with Fauci, and Collins. Discouraged patriots should now be encouraged that meaningful arrests are, indeed, taking place. Keep them coming!!!

Yes! The fact that Michael's article came out at SAME TIME as her "resignation" announcement did, gives Michael definite legitimacy. Very exciting!

I was thinking the same thing when I read in the news that she resigned from her position with the CDC, that she was probably captured by the white hats and we'd see an article here about that. Lo and behold today that article is here, lol! Great news!

According to RRN Birx was arrested May 26, 2021, convicted June 30, 2021 and executed July 6, 2021. You can read the archives on RRN, May 29, 2021 and April 4, 2022.

I'm surprised they didn't hang her by her scarves. They all deserve firing squads. By the worst shots so their death is longer/painful.

GOOD GLAD TO SEE WE ARE GETTING MORE N MORE OF THEM LET'S GET THEM ALL ROUNDED UP N GET THIS OVER WITH

I find it hard to swallow that she came back here to diddle around with her younger lover knowing she'd been wanted for treason. It's not adding up. WH's might have gotten her another way and they are sharing this version for our entertainment and vicarious pleasure.

Having the mindset (as most elite Democrats do) that she/they are "above the law" will make them complacent. Such as believing they're untouchable. Her luck ran out.

I am not convinced this crazy woman risked her life just to play with her 27 year old lover. I believe she had an agenda....maybe money or who knows....and he was one no one would be looking at to find her (or so she thought)!! She was probably assured by whoever she was meeting that she would be protected. Well silly demonic woman....you were not protected!! Enjoy your last days on this earth. How dare you even think you should live after you murdered so many innocent people. God is taking care of you just like he said he would.

That's for sure. It's been reported that Rock Hudson was being treated for AIDS at the American Hospital in Paris and cut off his experimental lifesaving treatment so he could go back to L.A. to have sex with other men without even using protection putting his lover at risk. I like Rock Hudson, but shame on him for that. He didn't have to die.

Back in my younger day as tenderfoot jr. grade construction superintendent work at The Ansonia (formerly the Ansonia Hotel) doing a build out.

Built the Gay Bathhouse known as Plato's Retreat, Rock Hudson was a frequent visitor.

Plato's is gone, now a underground parking garage, remnants of the bathroom floor tile still exists.

she could have had a V-8 in the Netherlands! Amsterdam is always rocking. all crooked banks, drugs, sex, and lot's more are all available right in your face, legally!

Her drive for sex with her 27 YO lover overtook her mind. Now she's heading to the gallows, real soon. Game over! Her days are numbered, in the single digit.

Walensky's clone will hit the ground running without missing a beat and there will be no discernible difference in how the government operates.

The Tranny/lgbtq propaganda program is being accelerated so hybrid homo Hussein can get Big Mike ready to take over as they lose Kamala and say Byeden to Joe.

They can only "try", we know how much they love to fail. We'll be more than just "ready".

HANG THE CRIMINAL walensky ..NOW !

The witch deserves much more pain..

Perhaps a whipping.. that goes on for a few hours. 😞

So that's the face of a nasty, self serving, narcissistic cunt who made us all walk around looking like fools wearing those ridiculous, damnable, clown masks.

She spent her entire life purpose orchestrating the suffering of others while she orgasmed to the beat of losers filling her decrepit holes.

What a waste of a life. She'll have eternity – eternity! – to ponder the stupid delusion to live that way as the 6,000 degree, sewer smelling fires of hell ignite every nerve ending in her unholy body.

Think of it..

100 *million* years from now, she'll still not even have BEGUN to experience the punishment of her choices to ignore God and shit on others.

God does not mess around. He is NOT mocked, and every man reaps as he has sown.

The US government is a circus filled with oversexed, middle aged, perverted freaks of some sort or another.

And too many that should be in nursing homes. We need term limits, age limits, psychological evaluations, thorough background checks of any future elected officials and every one of their family members. Anyone who violates their oath of office to uphold and defend the US Constitution should be immediately arrested and prosecuted as a traitor.

I don't believe in age discrimination, because we have had POTUSes in their 60s and 70s run the country with no problem. but there should be lines drawn for candidates who are sex offenders and traitors, no equivocation there.

Her husband Loren is just as bad. He used 5 million of a 16.9 million dollar HHS grant after only 4 months of co-founding Lytica Therapeutics, a biotechnology company that would develop antibacterial peptides. Most grant agencies will not give grants to organizations that have existed less than a year & have no other stream of funding. It will be interesting to see how this plays out as he was a pediatric oncology researcher before Lytica. When he got the grant his wife was associated with HHS for more than 10 yrs. when his company was awarded the grant. Little bit of conflict of interest going on.

At least he did not commit treason, kill the populace or cheat on his wife. IMO she has done far worse.

How do you know? Considering who he is and the company he keeps, he probably did or facilitated, all that stuff.

Yeah, birds of a feather always flock together. It doesn't pay to keep bad company.

They can mind control. My estimate is they throw them under the bus one by one, like trickle disclosure, they drag it out.

We just had several fighter jets fly really low headed towards gold beach in Southern Oregon.

Very rare to see that many fighter jets circle at low levels then head towards the coast. Keep an eye out something is out of the ordinary.
