Viceadmirál Darse E. Crandall v pondělí učinil bezprecedentní krok a udělil „postavení popravý“ pro generála Chance Saltzmana, který měl viset v Camp Blaz včera v 10:00 ráno, řekl zdroj JAG Real Raw News.

Jak bylo uvedeno dříve, Úřad vojenských komisí a JAG shledaly Saltzmana vinným ze zrady a napomáhání nepříteli a tříčlenná komise rozhodla, že dostal nejvyšší trest – smrt.

V 8:00 Saltzman, který právě snědl to, co by bylo jeho posledním jídlem, obdržel zprávu, že toho dne nebude viset na provaze.

Admirál Crandall, řekl náš zdroj, nezveřejnil své odůvodnění odkladu poprav, ani neřekl, zda se jednalo o trvalý nebo odklad.

"Určitě je to poprvé." Šibenice byla připravena a několik úředníků přiletělo, aby byli svědky poprav. Ale admirál Crandall musel mít důvod to odvolat. Den předtím, v neděli odpoledne, Saltzman mluvil s vyšetřovatelem JAG, což je neobvyklé, protože jakmile je vynesena rozsudek, už neprobíhají žádné rozhovory ani výslechy," řekl náš zdroj.

Saltzman strávil přibližně tři hodiny mluvením s vyšetřovatelem, dodal.

"Rozhovor by neproběhl bez admirálova souhlasu." Jen tu spekulují, ale víš, Saltzman musel něco říct, aby si vysloužil odklad. Právě teď jediní lidé, kteří vědí, co řekl, jsou vyšetřovatelé a admirál Crandall. Normálně chce mít tyto poprav za sebou co nejdříve," řekl náš zdroj.

Real Raw News sdílí další informace, jakmile je obdržíme.

Ve 21:00 centrálního času bude mít Real Raw News své inaugurační rozhlasové vysílání zítra večer. Bude to posluchačský call-in show. Aby nedošlo k vybočení z kolejí, budou pořady tematicky zaměřené. Téma zítřejšího večera je "Co ti otevřelo oči?" Podělím se o svůj příběh a vy můžete sdílet svůj. Několik hodin předem zveřejním odkaz na poslech a telefonní číslo na náš Twitter a Telegram.

Unbelievable, I interject a little humor and levity and it offends the sensibilities. With all the crap that gets posted here that one gets taken down—.

Nunes: How should Congress address FBI issues after Durham report?

The incumbent fbi director must immediately resign without delay. Why?

Upon taking over from disgraced fired fbi director in 2017 the incumbent (2023) fbi director should have immediately cleaned house.

MMM,, change of heart, no doubt. He knows the Black Hats could care less and he's looking to save his bacon!! This should be REAL interesting! I want to know what Crandall knows!!!

THINK People.....

Vice Adm. Crandall nodded in agreement. “The thing is, I believe that you believe you were just following orders. But as an officer, you should have realized those orders were criminal...”

This is why the STAY... He followed orders.

This is why he can be still hung... "... But as an officer, you should have realized those orders were criminal..." (turned a blind eye)

This is how we weed out the people in between –

1. Who were involved under his command?
2. Who processed those orders under his command?
3. Who in the OMB did these orders go to?
4. Who processed those orders in the OMB?
5. Who in Congress, if any, was told about these orders?
6. Who in Congress, if any, approved these orders?
7. Who under Austin knew &/or processed those orders?

As we get rid of the indians, more chiefs show up in the lime light!

God gave us all a brain to quantify our thoughts and information as we are given.

Once we evaluate 'ALL' information, we can conclude to our findings. Remember what Spock stated: "When you eliminate the impossible, whatever remains, however improbable, must be the truth!"

What hinders this process is our emotions. This is what makes us human.

So in critical thinking, remove the emotion, and let our cognitive ability work wonders...

Yes sr.

And to those of us that can't spell or Type.

But Know exactly what the truth is thanks.

Handy caps are no excuse.

But should be considered.

Spot on Sparky. There were absolutely a shit ton of people under him who processed that paperwork. They also are worthy to be hung.

Hi Michael,

I would love to join your call in. Can you please post how we are supposed to do that? Thank you!

Susan Banks

I hope JAG can ask this degenerate that runs the spaceforce, who the hell is spraying us like bugs on this continent. We never get a sunny day here, and it makes everyone so sick, especially the kids. It makes me livid.

Where do you live? Pray that a hedge of protection will surround your family and your family wherever they go! When you pray you say Thank you for protecting my family, my children, and whoever else you want. Call out names and tell God thank you for keeping them protecting them! Over and over all day long. When you think of a certain person start praying. Let God use you! We have so much more power than we give ourselves credit for! In our two pinkies we have more power than the enemy! Stop letting him twist you around! I promise if you keep praying like this you will have yourself believing it because you have Thanked God over and over! We are the Body of Christ! We have been redeemed of the Curse. Live like that! Don't let any negative come near you! Get out of those conversations with your friends or work people! Get away! Your job is to stay Positive and Believe Gods Word!! During this whole Covid scam I had children and grandchildren get that Jab! Buddy it tested my Faith like you wouldn't believe! But I kept standing in Gods promises, I was on my Knees praying and Fasting!! I am so in tune with God in the last 6 years. I did waver in my mind, but it's our job to cast that imagination down out of our mind! Do Not Let it Go! Cast that out and tell the enemy "not today"! You can do it! If myself a freaking wimpy old lady with no strength to even open toothpaste on some days, can do it, YOU CAN TOO!! God Bless you and your Family! I will be standing in the Gap for you! I will be believing with you!

Prayer is important yes but there are things in the Physical Realm that are affecting us to that we have to do more than pray about we have to contact all our local representatives and state officials and our Governors and complain about the spraying program

Thank you for your powerful testimony,, you are an inspiration. just this morning I was asking Heavenly Father to help me pray more effectively using his power; then I read your post.

You are fulfilling God's purpose for you. Thank you 🙏❤️🇺🇸

I'm in the Great White Gulag, lol. It is sunny here now but by the time I go for a walk this afternoon the criss-cross streaks will be everywhere and the sun goes bye-bye.

I absolutely agree the State of Florida is covered in them. It is not only a method to spread disease but it is used to suppress rain vital to the health of the planet and to block the sun vital to the health of all living beings, also used to weather engineer in other ways. It's an absolutely horrific program that is run by the Deep State and I am waiting to hear that the white hats have taken control of it

It's quite easy to see that Florida is mostly sunny with scattered clouds this morning.

THE WHITE HATS HAVE THE EBS THOUGH. THEY COULD USE IT WHEN YOU HAVE A SUNNY DAY TO LET YOU KNOW IT IS SUNNY OUTSIDE

I'm making \$90 an hour working from home. MB, Is this dude's "stay of execution" permanent? Does that mean his sentence is now a "life sentence"?

That will set a negative and bad precedence for future senior military leaders who will face the Military Tribunal for the same crime this thug committed "treason".

Oh really? What if Crandall got a huge amount of Intel??? What would that mean then? A win win?? Hallelujah! Yes if any of them talk they are still alive!!

From ALMANAC OF EVIL: (382) CE In a deliberate indication of the contempt the families controlling Christianity and church leaders had to their own religion, a deliberate heresy by their own laws was introduced with the Hallelujah Hallelu-jah "glory to Yahweh" introduced to Christian mass. Yahweh, not only being an ancient name for Jewish God, but according to gnostic texts being another name for the supreme being of evil, or Satan.

OK here is the real inside stink—info—on why the stay. Saltyman told the Admiral he could get him at least \$50k a month with an inside track with—wait for it—Delavic. it was going to take him several months and if he did he wanted a deal for a long if not permanent stay—The Admiral said how much work would he (the Admiral) have to do and Saltyman said if you keep me alive I will take care of it for you. (He is good with computers and tech) After all he is Space Force.

A willing tool of the Paperclip Nazis and the fraudulent Obabiden regime coupé by the Chicoms and the British Empire.

Totally fantastic, extremely well written, accurate to a Thousands of a inch. 100% truthfully explained. We the people are not the property of the state, nor the government. We the people are the owners of the government and all of it's branches and powers.

The fact that there is not one elected official in any branch or affiliation of the government even if they are only working for the benefit of such government officials, servants helpers alike, if they take orders from elected officials they are to be under the same rules and regulations of the constitution equal as if elected themselves. All government officials and their supporters brought into the elected representatives are subject to the authority of the constitution. Really disappointed they gave a stay for this fat tick. Treason. I don't care what gabbing he's done, what dick he's blown (im sure many in the service), or how many sissy skirts he's worn.

At his tribunal he spoke with Admiral Crandell about being a military officer of high rank. These men do not live the high life. He had been played and used as a patsy. Certainly Admiral Crandell understood what he was saying, yet still stood his ground. "It's a question of honor General." He was declared guilty of treason and sentenced to hang. That was it, yet he had something he had to say. He did not speak with Admiral Crandell, he spoke to investigators. Who informed Admiral Crandell. He said something that hit home.. He still expected to hang. He knows the book for sure. He was granted a stay of execution. Not a pardon. Highly unusual to say the least.

being a military officer of high rank

He wanted to live. Who would die for Biden? You're dumb as hell if you did! Cuz he's dead! Bahahah

Sources say Saltyman went through 3 orange jumpsuits shitting himself profusely. After Crandall decided to speak with the saltyone, no new jumpsuits have been required!

We've got a fully continent Salty Joo ready to use his mouth to rat out the rats instead of smoking MObama dark.

Many people are saying with tears in their eyes...these are big strong men who don't cry... they are saying, Sir, Sir...

MB, when does the stay of execution expire? Or does it? It better. This thug committed treason.

I hope the info Saltzman gives shows some connections that will blow open webs that we previously did not know about ! Unless it's devastating news to the traitors of humanity , I will not personally be satisfied. He was given a great honor by Command Position of Space Force & betrayed all patriots at the earliest opportunity after assuming command. His betrayal is not easily dismissed, my vote is death by piranha pond ! Piranhas need swim partners Nick , NavyBlueSmoke , LST -1195

Crandall told him, "My name is Pitt. And you ain't talking your way out of this shit."

Dude I agree with you but lets not use God's name. Please? Makes me cringe! Say Fuck!!! Lmao!

Saltzman finally realized his life was more important than that POS Biden. Let him spill his beans and then execute him anyway. Once a traitor, always a traitor. My eyes were opened the day my dad told me I had to pay taxes to the unconstitutional IRS, 43 years ago.

I would have stopped paying my Taxes years ago with the mind I have now! I hate the IRS especially after I paid back 10k to them in 2012. I could really use that money to insure I can keep eating! I live on about 440.00 a week with Disability and can no longer work part time.

But I hate the IRS and tell everyone quit paying them!! But of course everyone was skeered!!!!

Please try to be more sensitive Jim, most RRN readers have been unable to cum at all today since they were denied their dose of execution porn 😞

The plot thickens....

How was the \$\$\$ transfered? etc...

Who recieved the funds at these contractors?

ETC... ETC... ETC...

Last edited 15 hours ago by Robert Gregory Boensch

Robert – yes it's a paper trail, 'providing' you have access to the trail...

In this case, since SpaceForce is its own branch, just like many other branches, they do not have their own check-book!!

Everything gets acquisitioned and works up & down the chain of command.

Who did Saltzman tell to write up the paperwork? Who else signed that paperwork and after Saltzman signed & sealed it, it then should have gone to OMB to get processed... except that transfers may not be made unless the Secretary of Defense has notified the Congress of the proposed transfer.

Traitors all around... Austin notified who in Congress???????

Who runs the OMB? What is their S.O.P.? Who do they report to?

The wheel goes round round round....

WOW,,,YOU SOUND LIKE Q. DID ANY OF HIS STUFF EVER PAN OUT,,,?

This is the front End

Yes

I was handling the Six

And putting 100,000 + on Notice

The general must've given some highly important info to be granted a stay of execution! 🤔

I am very sure the general Thought he would hang that morning. In spite of the fact he talked. His breakfast was modest I am sure.Ham and eggs,toast,and bacon.A southerner would have grits. You can't much beat that.The media guy Brian S teser,gorged himself 2 hours.Admiral Crandell granted him a stay.Totally unheard of.Why?

I can tell you why when we finally end this action going on with this world cabal.

With the intel i have I also would have granting a “stay of execution” for General Chance Saltzman,

Only a few really know how this game is being played.

Please don't get all upset about today's action

There is a very simple reason this happened.

it was all in the PLAN

An orderly or step-by-step conception or proposal for accomplishing an objective

Oh we do... and if you read the report Michael wrote correctly, you would understand as well...

I was in the understanding that We were.

This should Be a fair game.

Remember our long History.

Maybe names and testimony to go after them. If nothing pans out, a stay has no point. Satellites in earthspace I guess see all the spaceships. What else is there? Don't they read the year on a dime on the ground? There's a lot of things landing on satellites. I saw a green neon cube ship land on the port of LA, satellite, yrs before the lockdown. Mercy navy ship was only there 4 months into the lockdown and coincided with train rumbling sounds from underground daily. When Mercy left so did the port satellite. 3 yrs later it's back. Plans bringing in migrants are back. Could it be more of the harvest time? Border crosses are Chinese, Venezuelan, Columbian, African. Cartels been killing them by the dozens twice because they got in by walking in free, so cartels lost control over border assistance money. Alex Jones on rumble showed bloody details how they get control back.

when will JAG arrest & detain Delavic so we can read articles without being propositioned by him to become male or female online prostitutes?!?!

since all of these evil a-holes have lived life very lavishly at the expense of other's; before we send them to the interdimensional prison of Hell; why not FORCE them to "LIVE" for a little while longer in Hell on Earth, a guarded 3rd World poverty experience of living in a hut with a dirt floor for a bed. Oh, and bugs for meals! Executing these folks (well deserving) is too easy. They need to be humbled first. And, made to reflect upon & experience the pain & anguish they have inflicted upon so many other's.

I think they should use the guillotine to execute them. That may scare the crap out of them as their life ends here on earth. O bummer should be at the top of that list. Except he is already gone I think. Whatever they need to pay the piper. Unlike what happened with the Durham Report . Enough is enough already

What might be of value is to make them witness the execution of others like them. The "off with their heads" thing would make believers of a lot of people.

Do you have grandkids, Ruth? Do they know that their grandma fantasizes about watching people getting their heads cut off?

In New Cobblestan there are those who enjoy watching people get head, so I hear!

I agree with you that the guillotine is a mighty sword, but the criminal should be positioned on the back [opposed to belly] to watch the blade drop down to sever the head from body.

John, that is really a great and appropriate comment! My suggestion would grab about 10,000 acres in the most harsh area and have the detainees build shelters, plant whatever would be appropriate for the conditions, raise chickens and enjoy their time. Supply sufficient water and run the hell out of them each day. Guam should have some nice areas! Besides, Marines have often lived and flourished in such living conditions! I have, and it didn't hurt me for periods between '64-'84. "Back in the day" America had chain gangs, and I believe it worked good till the whiners and protesters took over America. Should try it.

That takes some resources – why spend it??

BUT I do like dropping them off on a deserted island, naked, no tools. Sort of like "No Escape" the movie

Jews are Satan's insects used against humans. I think you share Hitler's idea. The Jews slaved and impoverished the Germans, so Hitler made "work camps" to slave the Jews as punishment, a lesson. Hitler didn't want Jews dead ... he wanted "workers" to bring profits to the nation, not "corpses." Jews are liars as Jesus cited in John and Revelation.

You won't ever find an honest Jew. They still declare they were Hebrews, but the Holy Bible states Jews were SLAVES to Hebrews for Millennia leading up to the Hebrews' captivity into Babylon and Syria. I think the Jews were the down-fall of Hebrews. After all, Father God refers to the Jews as DETESTABLE SODOMIZING PROSTITUTES ... HIS words and capital letters.

Jews have declared for 100 years in newspapers, books, conference speeches, and letters to world leaders that "we are non-humans come to genocide humans and destroy Earth to fulfill our 6,000-year agenda to our leader" ... there are 80 years remaining into the 6,000-year count-down for Lucifer-Satan's appearance.

The non-human, renegade angels roaming Earth chose the alias “Jew.” Jesus called out the Jews as non-human and offspring of their daddy Satan, and that Jews’ house of worship is the Synagogue of Satan.

Why do humans continue to regard Jews as Hebrews? Humans have been mind bugged! Too bad for humans not reading the Holy Bible, the “user manual,” against evil angels and evil humans that Father uses to economically punish HIS humans until they return to HIM in obedience ... HIS words are right there in the “user manual.”
WAKE UP HUMANS!

The world of humans must choose either Father God, son Jesus, or burn for an eternity in Hell with the renegade angels alias Jews and evil humans who declare they shall “slave and sodomize humans every day through eternity.” Whereas all humans faithful to Father God Jesus shall live on a pristine Earth in harmony with HIM.

Humans must do as Father God says: “pray and repent daily in unity and fight back harder against evil.”

I see more humans following Father’s command since 2017 than I’ve seen in decades. There is little time remaining for humans to choose good over evil. WHY? Because the Jews and evil humans murdered all of the NON-WHITE children who would have procreated the future’s “nurturers and protectors of Earth” as Father said. So, yes, HE’s here now with us judging and ready to shut down Lucifer and Jews’ shit show. Hoorah, hoorah, hoorah!

You are a detestable bigot and a stain on humanity. I think you’ll be surprised by what “Father God” has in mind for you

Well, you detest the bigot. So the bigot may dislike another based upon a physical trait but it is better to dislike the bigot because of the contents of his mind?

Ok.

Good to see others waking up to the filthy fn joos. Too bad margaret sanger and her ugly sister are not around. What a 2fer!

They will experience the pain & anguish they have inflicted on others...for etetnity! May they roast in hell.

Sandy hook opened my eyes. I saw the farce and I still want to see every actor in the show prosecuted. It's as much treason as it is terrorizing mass population.

Good point. All the CAA crisis actors have participated in domestic terrorism. They should be tried and sentenced accordingly. Per offense.

Don't forget the people that hired the ugly liars. The ones that employ them, sure root them out well. Money talks.

Prosecuted???? lol

You've just had MULTIPLE instances of election fraud over the last 3 years and judges demanding defense cannot use the US Constitution as part OF their defense.

Remove with prejudice any judge attempting to legislate from the bench!

What opened my eyes? The shitshow you call our culture and country. The Founding Fathers should have opened your eyes when they warned us all about letting JEWS into this country. JEWS being behind every damn thing wrong in this country and in every WHITE countr, and the sheer fact that there is not a single shred of evidence to the contrary, and the complementary fact that every single shred of evidence supports this claim, including every form of unconstitutional and unAmerican attack on anyone being able to put this basic conclusion together out of said facts.

Not all Jews are evil like that. The people you are angry at are Khazarians, not Jews. Jews do not do what these fiends have done. The Khazarians have lied to you, hurt you, betrayed you as much as they have lied to, hurt and betrayed the real Jews descended from the Biblical Patriarchs.

You aren't reading the "user manual," the Holy Bible. The Jews were slaves to Hebrews for Millennia, yet Jews declare they were Hebrews, despite Jesus calling Jews NON-HUMANS and OFFSPRING of SATAN.

The renegade angels chose the alias "Jew." Read the Holy Bible to sort out Truth from Satan's lies.

Your favorite meal is black dick and you have a side of 'ethel' as a matter of 3rd course? sick fuck

yes, but they call themselves Jews ("They say they are Jews, but they are not, because their synagogue belongs to Satan." Revelation 2:9), so they have to be referred to as Jews..Some Jews are NOT Hebrews ...Hebrews are the True chosen, Abraham was a Hebrew when the promise was give, but they have been infiltrated, and have fellen into the trap and believed they are all Jews, which they are not. The Angels will separate the sheep from the goats, and is now happening. Its a great time to be alive. "For I tell you, that many prophets and kings have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not heard them."

Please share with all of us the wonderful things you have done to help fix things. Asking for a Friend of course.

Agreed. Talmud says the joofuckcucks can steal a goyim wallet and it is not thievery!

I'm going to jump start your education on this since we have all been lied to . the history books are wrong. There is only one family, the Rothchilds, which are responsible for the wars and destruction In the world for the past 1000 years. They ARE NOT JEWS. They are kazarian fake jews out of eastern europe. They are behind every war. They change their name through out the years to hide who they are. They are not jewish bankers. It's a LIE. Now you go do some research on your own and find the truth.

After consulting with Rep. Hank Johnson, Adm. Crandall realized that the force generated by Fat Chance dropping through the gallows door would have indeed capsized Guam...
