Zločinec Eric Holder se pokusil zdržet svůj páteční vojenský tribunál na Guantánamu tím, že prohlásil, že je emocionálně nezpůsobilý stanout před soudem. Jeho nezákonné zatčení spolu s psychickým nátlakem a „emocionálním týráním“, které snášeli jeho vězňové, ho

učinilo neschopným se adekvátně bránit proti falešným obviněním, vysvětlil viceadmirálovi Darse E. Crandallovi na začátku pátečního dopoledne. řízení.

Admirál nesouhlasil a připomněl mu, že JAG mu dal čas, aby si zajistil vnějšího právníka. Holder odpověděl, že nehledal zastoupení ze dvou důvodů: obvinění byla fraška a že při obhajobě svého případu důvěřoval pouze své vlastní proslulé právní bystrosti.

"Zadržený Holdere, pokud máte dost rozumu na to, abyste mohli mluvit o právní obhajobě, můžete stanout před soudem." Vaše morálka je narušena, ale vaše myšlení nikoli," řekl viceadmirál Crandall, když se dvojice poslanců ujistila, že Holder zaujal místo u stolu obhajoby.

"Neztrácím případy," řekl Holder.

"Já taky ne," řekl admirál Crandall.

V úvodním prohlášení admirál uvedl, že Holder měl být v roce 2012 uvězněn za to, že využil své pravomoci generálního prokurátora k zakrytí tisíců zbraní, které zmizely během nechvalně známého pětiletého pochodu ATF „Fast & Furious“. skandál, operace, při níž Obamovo ministerstvo nespravedlnosti „úmyslně umožnilo licencovaným obchodníkům se střelnými zbraněmi prodávat zbraně nelegálním kupcům slámy v naději, že vystopují zbraně k vůdcům mexických drogových kartelů a zatknou je“. Ale nebyli chyceni žádní králové kartelu a ATF ztratilo přehled o zbraních. Utajení kolem „Fast & Furious“, nazývané také „Project Gunrunner“, se začalo odhalovat po vraždě agenta pohraniční hlídky Briana Terryho, jehož vražda byla spojena se sériovým číslem „chybějící“ pušky typu AK-47. Po jeho smrti odhalili informátoři ATF hloubku operace, včetně Holdera, amerického prokurátora pro okres Arizona Dennise K. Burkeho a úřadujícího ředitele ATF Kennetha Melsona, mimo jiné. Svědectví informátorů podnítilo vyšetřování Kongresu, ale Obama se dovolával výkonného privilegia a potlačoval usvědčující dokumenty a v září

2012 jeho generální inspektor zbavil Holdera jakéhokoli provinění s tím, že neexistuje žádný důkaz, že by Holder věděl o „Fast & Furious“, než se to stalo záležitostí veřejného záznamu.

"Dostal nezaslouženou přestávku." Bylo nalezeno pouze 712 z 5 000 střelných zbraní," řekl admirál porotě důstojníků, které si JAG vybrala k projednání případu.

"To je zkreslení pravdy," připojil se Holder. "Bylo to 2 000 a to je vše v záznamech."

"To je to, čemu pachatel chce, abyste věřili," řekl admirál panelu. „On a jeho pán Barack Hussein Obama obratně zajistili, aby se dokumenty, které chtěli tajit, nikdy nedostaly do Národního archivu. Ale pár věcí jim uniklo."

Holder protestoval proti tomu, aby admirál použil slovo 'pán', protože to evokuje konotace otroctví.

"Tady závodní karta nefunguje, držiteli zadrženého," řekl admirál Crandall.

Ukázal dokumentaci panelu obsahující sériová čísla 712 nalezených zbraní, 1 288 „oficiálně“ nenalezených zbraní a dalších 3 000 střelných zbraní, o kterých se oficiální nálezy nikdy nezmiňovaly. Kriminalista námořnictva, řekl admirál, sebral Holderovy otisky prstů z několika stránek. Jeho asistentka vstoupila do soudní síně s pistolí FN Herstal 5.7 v zapečetěném sáčku s důkazy, který položila na stůl.

Tato pistole, vysvětlil admirál, byla v roce 2009 získána od Nidala Hasana, majora americké armády a psychiatra, který smrtelně zastřelil 13 lidí a zranil 30 dalších během Ft. Masakr Hood v září toho roku. Hasan, zapřisáhlý muslim, během svého řádění křičel „Alláhu Akbar“. Hasan byl dne 23. srpna 2013 shledán vinným z 13 úkladných vražd a 32 pokusů o úkladnou vraždu a 28. srpna 2013 byl odsouzen k trestu smrti. V době psaní tohoto článku je stále v cele smrti ve Ft. Leavenworth.

„Podle vlastní literatury ATF je FN Herstal oblíbenou zbraní kupců slámy. Sériové číslo na této ruční zbraní se shoduje se sériovým číslem stránky s otisky prstů obžalovaného,“ řekl admirál panelu. „Obžalovaný schválil nelegální program bodnutí střelnou zbraní, tvrdí, že zbraně ztratil, skrývá existenci dalších 3 000 střelných zbraní. Jeden zabije agenta pohraniční hlídky. Další se magicky dostane do rukou masového střelce, radikálního muslimského teroristy, na americkém vojenském zařízení. Střelec je chycen a potrestán, ale nebylo provedeno žádné vyšetřování ohledně původu pistole, kterou, jak víme, koupil někdo jiný než Hasan u nyní zavřeného prodejce střelných zbraní v Novém Mexiku. Důkazy ukazují, že alespoň některé zbraně nebyly ztraceny; byly umístěny do rukou, do rukou jako Nidal Hasan.“

Holder už nadržel jazyk za zuby. Nazval admirálovu „teorii“ „krouceným, spekulativním nepořádkem“, který nadržel vodu. Pokud věděl, JAG vyrobil sériová čísla a překroutil hromadnou střelbu tak, aby odpovídala agendě. "Je to výsměch spravedlnosti," řekl.

Admirál dal tribunálu přestávku až do pondělního rána, aniž by podal vysvětlení.

It's long past due this traitorous POS was brought to justice! May he  
burn in Hell with his cohort Obama!

I still don't believe the gun running scheme was orchestrated to track down drug lords. I think it was to flood the streets with weapons and then blame the 2nd Amendment and American's access to weapons as the cause.

They all think Obama gave them permission to act like they're above the law. Do whatever, get it covered up, all acting complicitously. It's ludicrous. Really arrogant & narcissistic, all of them.

How on earth can they possibly think that being a smart ass will help them at this point? It's comical. Love Crandall's quips... although they are not meant to be witty, he IS entertaining.

Go white hats go!!! We love you!!!

He certainly tells it like it is! No sugar coating anything. Truly raw news. You have got to love it.

Remember how arrogant & Cocky Eric was with Obama running cover? Poor guy cannot concentrate on trying to lie his way out of his crimes. JUSTICE IS COMING FOR ALL YOU TRAITORS..

This asshole was on my shortlist of people I wanted to see executed. They better have this on "Memorex".

Another one that knows he's getting ready for a long trip on a short rope. Eric Holder I pray that you seek forgiveness and absolution for your crimes. Only our Father in heaven can help you now. Confess

your wrongdoings in hopes that you can salvage your soul for eternity. After all Loretta Lynch did it. And I hope that she was sincere in her closure of this life with God almighty.

Really, if he lands in Hell what do you care? He earned what he gets. Pray for the untold numbers of victims he & Obunghole murdered & maimed by their actions.

no. no. no. stop being so stupid. it's people like you that would let every murderer and rapist free to do it again. only fools think like you.

Robert did not say to let Holder off scot-free. He stated that only our Father in heaven could help him now meaning after he slipped this mortal coil.

Eric Holder and those in the White House of Obama became Muslims, so they could cozy up to "O". They think when they pass this life they get 70 virgins. Death to them is win, win.

"Holder objected to the admiral's use of the word 'master,' saying it evoked connotations of slavery.

"The race card doesn't work here, detainee Holder," Adm. Crandall said."

I absolutely **LOVE** Admiral Crandall! lol 🤡🤡

Eric will soon meet his Master, Obama, downstairs by the big Fireplace and the Lake of Fire. He can sit in the inferno and chat away for eternity, telling him he was treated unfairly in life, even though his own actions cost many other innocent people their lives.

Only the enemies of God to hell. Hell is not a fireplace for chatting up old war stories Hell is a place of eternal torment. And Eric Holder is God's enemy. There are literally many kindhearted, forgiving people praying for him to repent, either voluntarily or by gentle nudging of the Holy Spirit. This is no light thing. This is proof God takes our eternal destinies very seriously.

He should be sentenced to hang  
and as he's hanging he gets shot in the face five times with that  
same FN that he tried to hide the evidence he is shot five times in  
the genitals and five times in the face as he dangles from that rope.  
Make sure he dies "fast & furious death" head comes clean off his  
body that would be deserve it of this criminal piece of shit he  
deserves to drop 250 ft hanging by razor sharp cable  
wrap his neck with Constantino wire & razor ribbon and see if he  
survives the fall

Hangings, shootings, guillotining, etc., are just too fast. My fantasy  
was to have Hitlery Clinton sit on the electric chair for a few seconds,  
revive her, then have her sit on it again, as many times until she  
couldn't be revived again. Whomever invented "drawing &  
quartering" had the right idea. There's even a protocol for each  
gender, which is so genteel. If I were on a firing squad I'd aim for the  
feet or hands; maybe a knee. Some where painful that would take  
some time to bleed out. ;^ )b

Not me.

Someone just hijacked my name.

They are making me look like Delavic.

Haven't they heard that when they represent themselves, that they  
have a fool for a client? LOL!! Not that it would make much of a  
difference for these criminal scumbags.

Actually, under British Maritime Law, which the US INC. has been under since the Act of 1871 where Congress sold our Republic out for a loan from the Rothschild Central Banks, hiring a lawyer is an admission to the court that you are mentally incompetent to defend yourself in court.

ERIC HOLDER IS AT GITMO WAS GIVEN LIFE IN PRISON AT GITMO IS THIS THE SAME TRIAL HE GOT IN 2020 OR 2019 OR IS THIS A DIFFERENCE I WOULD LOVE AN ANSWER WHICH I HAVE NEVER GOTTEN TO ANY OF MY QUESTION !!!

He is having his tribunal right now.....he has not been sentenced yet. I can almost guarantee that this scumbag will not get life in prison.....one day next week.....he will meet his forever home.

I come to this site for a laugh. Adm. Crandall must have been a comedian in a previous life.

“The race card doesn’t work here, detainee Holder,” Adm. Crandall said.

Adm. Crandall is awesome and he always knows the right thing to say to these scumbag DS demons.

Adm. Crandall is no doubt getting plenty of practice these past few years.

Too easy, plus an honorable death for higher ranking shitheads; I suggest slowly feeding him in a tree shredder, feet first and exhaust his pieces to fall in a hog feed pen.....and this ain’t racey either....

What I can see is that Holder is an impertinent piece of garbage with a big mouth believing that someone will give him credit for his comments. We are already restful waiting for the day when the noos will give him a wonderful swing. Draining the swamp is imperative.

Wait and see....Michael will post more on the tribunal and sentencing this week. Be patient.

“The race card doesn’t work here, detainee Holder.”

I have waited a long time to hear someone in authority use these words. It’s about time.

Thank you, Admiral Crandall.

Thank-you very much Admiral Crandall. I’m sick and tired of this race card nonsense. From day one of the Obama administration, it has been a planned destruction of America because these clowns hate us. If these elections were not fixed for decades, these bums wouldn’t have been elected. Supposedly, Obama isn’t even a citizen. I can’t wait for Obama to be exposed for what he is, an enemy combatant.

Obummer also uses the Social Security number of a guy who died in 1890 which is fraud and a crime.

You need to research about Social Security numbers....the Social Security system of numbers only first began in 1936.

Yes, I should have clarified. Obama took a dead guy’s number that had been born in 1890.

Yeah but Sue saw this info in a meme on facebook so it must be true

Yes, social security started in 1930s.

Heard They do re use them a while after someone dies. But 1890.  
Not.

It is especially important at this time, that we all due our own due diligence research before spouting off something as if true. Trump specifically asked us to come with the facts & present them. Any one of us saying something specious makes us all look less credible. A word to the wise is sufficient.

Neither as George Herbert Walker Bush, who originated from the Scherff family in Nazi Germany.

I have not forgotten Brian Terry and I never will. There will finally be justice for him, his parents, and his wife and children. I hope this case is over immediately.

If we do not see justice here on earth, know there WILL be justice with The Almighty!

Hasan was found guilty of 13 counts of premeditated murder and 32 counts of attempted premeditated murder on August 23, 2013, and was sentenced to death on August 28, 2013. As of this writing, he is still on death row at Ft. Leavenworth. WHY THE FK IS THIS FKN MASS MURDERER STILL ALIVE & IN JAIL? THE MILITARY HAS BEEN CORRUPT SINCE 1776 & IT'S ABOUT TIME WE CLEARED FT. LEAVENWORTH OF ALL IT';S MURDERERS. HANG THEM ALL. MAKE ROOM FOR MORE CRIMINALS. PUT ALL DEATH PENALTIES BACK IN EFFECT. SCREW THE LIBTARD BLEEDINGS HEARTS THOSE R THE WOKE DEGENERATES RIGHT NOW. HANG THEM ALL.

Yes, that is true. But that doesn't make it right that the families of the victims have to suffer so long before they see justice done, especially in a case like this one where there is absolutely no doubt who did the shooting.

Then what is the point of the death penalty? Get it over with! One and done!

You just noticed it that Mil is as corrupts as politician... where were you for your whole life?

Well said. I agree why is this garbage still alive? He should have been executed the next day of being found guilty. I agree the death penalty should be brought back, personally I like the chair.

Pop goes the weasle... watch as Crandle brings in more guns to 'fast & furious' that their Ser# match the list... Can anyone tell us where they got them from????

F&F was designed to capture mexican cartel members (cia) in 2009 out of the Phoenix ATF office. Guns were sold to suspected criminals who were 'allowed' to walk into mexico w/o interference from agents with intent of later tracing the guns.

**No attempts were made to trace the more than 2,000 guns. The guns were used to commit crimes in which Americans were killed as well as the 2015 terrorist attack at the Bataclan in Paris.**

Obama used Exec. Privy to halt the investigation while in denial of involvement. Holder was charged with comtempt of Congress.

***Holder Wanted: 1) for International Gun Trafficking***

***2) Accessory to Murder***

***3) Conspiracy to Commit Murder***

***4) Treason Against the USA***

***5) Aiding & Abetting Foreign Enemies***

***6) Human Rights Violations***

I can't wait to see this smug, arrogant, anti-American asshole twist in the wind...

I quite agree. Justice has been long in coming for this egotistical traitor!!!

“I don’t lose cases”, Holder assures us all. He won’t be able to assure God of that when he faces Him to account for his life.

Under the duress of God’s utter righteousness, Holder won’t even be able to lie. He will be forced to speak the absolute truth and acknowledge his guilt.

[ 243 ] *The Wakening* What a horror will it not be to a vile man . . . when his eyes are opened to see himself as the pure see him, as God sees him! Imagine such a man waking all at once, not only to see the eyes of the universe fixed upon him with loathing astonishment, but to see himself at the same moment as those eyes see him. George MacDonald

If he even gets that far before going straight into h—e—double toothpicks.

Information I have read from NDEs (Near Death Experiences) states that one has no excuses when facing the Lord; that one is confronted with the truth.

I think he is in for a big surprise when the panel finds him guilty and says to hang him and then Adm. Crandall says.....Eric Holder you have been found guilty of treason, etc. etc. and you will hang until dead on Friday, July 21st. at 9:00 a.m. (I am just guessing at the actual date)!!

I wonder if this BAR association Attorney General can lawyer his way out of his predicament?

Anyone want to place bets?

They were all arrested. In the last 2 years have you personally seen your Senator or Congressman of your state? Have they made personal appearances where you had your own eyes on them?

the “white hats” wasted an ENTIRE fucking day on this garbage can alone? Arguing about some obvious crimes he was part of 10 years ago? Really? Proof-positive this website disseminates the psyops for the Red vs Blue show (the Blues @ Cheyenne).

I am not sure we get the whole transcript of the Tribunal. I would expect that there would be a huge list of crimes recorded and those would be read out by the prosecution and described in some detail, and then the defence can try pick the bones out of it all. Should take a lot to send someone to the gallows, and that lot can stretch back a few years.

Civil Court Hearings can go on for weeks while they present the prosecution+defense arguments and for someone looking in, it can sound like miles and miles of bollocks. The Tribunals are more brief and just the pertinent points put to the Tribunal. And in this case, what the dude did 6yrs ago is one of his criminal acts, which led to many Americans catching bullets. Very pertinent.

If it is boring for you, just skip to the next bulletin, or some previous bulletin of interest. No need to pooh-pooh it all.

Proof you ask? Fast and Furious and a dead border agent is proof enough! I suggest you take your head out of your Ass!

FINALLY GONNA “HOLDER” RESPONSIBLE? Hope so!

And that A-rab “psychiatrist” has been on ‘Death Row’ for 10 years. About time America’s PROMISE to him is FULFILLED.

MAYBE back to back with “Holder”?

Or just let him stay where he is for the rest of his life, not knowing when his time will come.

Why wasting so much valuable food and water, guard etc... at this bastard?????

Na, this bird does not deserve to live the rest of his life, tell that to Brian Terry's family. He needs to pay for his crimes right now.

I, for one, object to having to financially support that treasonous murderer 'for the rest of his life'. IMHO, he needed to be processed years ago!!

Put that braided hemp rope noose around Eric Holder's neck and let him fall from 500 ft .

see if his head comes off,

I want a Saddam Hussein repeat

head comes clean off his body,

body falls into the ocean and the head hits the water with no-so-gentle impact...

The white hats may have kept him alive so he can testify live & in person in order for the entire world to hear the truth.

Vice Adm. Darse E. Crandall possibly let Eric Holder stew in his mess over the weekend, hence the recess until Monday morning. The association with the 2009 Nidal Hasan massacre was the bombshell he dropped on Holder. Let's see how he tries to squirm out of this one.

HOLDER IS A FKN DEAD MAN WALKING & HE KNOWS IT. BTW HOW DID SO MANY BLACK CRIMINALS GET INTO AMERICAN GOVERNMENT? 13% OF THE POPULATION & PROBABLY 50% OF THE BOSSES OR DIFFERENT AGENCIES. THEY CAN'T EVEN TIE THEIR SHOWLACES RIGHT. EXECUTE BARRY SOETERO THE COKEHEAD, MUSLIM, FAGGOT WHO DESTROYED THIS COUNTRY & LEFT ALL OUR WEAPONS & TANKS & EVERYTHING TO HIS BUDDIES IN THE MIDDLE EAST – ISIS. \$83,000,000,000.00 THATS 83 BILLIONS DOLLARE OF AMERICAN WEAPONS, HELICOPTERS, TRAINED BATTLE

BUDDIES – THE DOGS WHO WERE ABANDONED IN THE MIDDLE EAST. HANG THEM ALL THAT WERE RESPONSIBLE FOR THAT. INCLUDING HALF THE GENERALS IN THE PENTAGON IF NOT MORE.

Those poor dogs who were abandon in this hell hole country, my God this breaks my heart. And the rest that you mention of our billions of American dollars wasted by this evil POS.

I knew this POS fake prez was evil and when many of us who were awake tried to tell these morons not to vote for him, we were called racists.

“For there is nothing hid, which shall not be manifested; neither was anything kept secret, but that it should come abroad.”

Mark 4: 22

What we are witnessing in real time today.

IF HE COULD BE GIVEN THE GUN HE COULD BE GIVEN 1,000'S OF ROUNDS OF AMMO.. BTW AMMO IS MORE PLENTIFUL FOR THIS PISTOL TODAY.

No, but your comments are being put to spam. There's no other choice. To keep the bot out. I have to manually pull your comments.

Michael,

Some joker is now impersonating me, just like Delavic.

Can you do something?

This is annoying.

Hey, that's the real Delavic, not the fake bot Mike is trying to keep out. Have a little respect, okay?

You are trying really hard to be the next one to be banned. Why are you calling names to people who have done nothing to you?

Sure he could. Just go to the name entry below where one types and update it.

Yeah, Jim, Owen, Cyrus, they do it ALL the time. I can't even keep up with the names.....It could have been LONG ago.

If Delavic does that, the paid troll / Make Money Fast spam bot wrangler 'wins' and will just use another ID to spam under. By not banning Delavic and manually (re?)posting his non-spam comments, Michael Baxter is honoring Delavic's input here at RRN.

Would it change things for the better if you change your handle to "The Real Delavic"?

I couldn't believe his statement that went viral "When they go low, we go lower." What a POS!! Charge On Michael and Adm. Crandall. Your comebacks to the detainees are priceless. I donate to this channel so I can read Adm. Crandall's replies. Well, there are other reasons too. Great reporting Michael.

Mike, I realize that this question isn't what the article is about, but I just heard that Planet X has been seen in South Africa and that FEMA is preparing for a blackout.

Do you know anyone who can confirm or deny this?

Not seeing a current story about this online. Everything I see dates back a while. Prep Aussie used to cover this extensively. Given where we are in the process however, I think it's entirely possible that the Planet X and subsequent alien invasion meme is about to be rolled out.

We've ALL been told to prepare. This is possibly when they release their will onto we the people (worldwide). Be brave contemptuous and stand at the ready don on the full armor of God.

You will know when that day comes, you were born for this for a reason.

little 'fact'!

From what it sounds like. He is being charged with treason. Because of the weapons smuggling to terrorists that then used for mass shootings. So all these mass shootings are linked to fast and furious. The guns mass shooters use, all have strange similar marks on them. I'm sure Ukraine is the second generation of this exact smuggle operation not being caught sooner.

These people started a fire thats difficult to put out, but as we see were getting closer everyday.

We will keep praying, and once were finished praying they wont expect it and they wont expect us.

Keeping the faith alive, we'll eventually get our freedom back even though they continue to stoke the flame we'll endure because we have Jesus Christ & God Almighty with his Angels on our side.

Peace be to all, and to all a good day.

Prayer has failed. At this point. We are receiving lessons. What we do now is judge. If we are wise. We will be righteous people.

No it hasn't! You are just impatient and delusional that you should run the universe.

impatient? hundreds of years is being impatient? hopefully youre fully vaxxed and boosted.
