Sobota 26. srpna

Průzkumná četa námořní pěchoty na Maui byla nucena zabít 15 civilistů z US Army Corps of Engineers, součásti společného úkolového uskupení zločineckého Bidenova režimu zvaného JTF-50, kteří přijeli do státu údajně distribuovat vodu a jídlo a vyhodnotit nepochopitelné poškození, řekl zdroj z kanceláře generála Smithe Real Raw News.

"Criswell a FEMA byly pověřeny vedením pracovní skupiny a tamní ozbrojené síly jsou loajální k falešnému prezidentovi Bidenovi a snaží se zrušit veškerou pomoc, kterou jsme udělali." Je to tam venku zatracená válečná zóna," řekl o nevýslovném masakru.

V sobotu 26. srpna White Hats v Lahaině zahlédli civilní pracovní četu, která stavěla plot z ostnatého drátu a rozvíjela harmonikový drát kolem poloměru 3 čtverečních bloků se středem poblíž ulice Kamamalu a Piki Place, rezidenční čtvrti plné soukromých rezidencí, z nichž některé nedotčené požáry.

„Pokud byli v oblasti nějací civilisté, schovávali se. Pravděpodobně se už naučili, když budete vzdorovat, budete zastřeleni,“ dodal.

Námořní pěchota však potenciální žalařníky z dálky pozorovala a usoudila, že jsou neozbrojení a, alespoň prozatím, nechránění. Vrchní poddůstojník čety, seržant dělostřelectva, krytý 24 puškami ve schopných rukou 24 mariňáků, nenuceně přistoupil k pracovní četě a zeptal se předáka, co si myslí, že dělá.

Náš zdroj řekl, že předák si spletl mariňáka s jedním z Bidenových chlapů. Poděkoval seržantovi dělostřelectva, že zkontroloval jeho posádku, a řekl, že toho rána neslyšel žádné nedávné zprávy o povstalcích – tedy Bílých kloboucích – v blízkosti. Ale když chtěl Gunny vědět, kdo povolil stavbu plotu, předák znervózněl a řekl: „Deanne Criswell a generál F. Logan. Pro koho pracuješ?“

12. srpna zločinec Lloyd Austin jmenoval generála Logana, aby vedl vojenské operace režimu na Havaji, a nařídil mu, aby poslechl Criswella, protože to měla na starosti FEMA.

"Jo, jsem si docela jistý, že se nezodpovídáme stejným lidem," řekl Gunny. "Potřebuji, abys přestal s tím, co teď děláš."

Předák řekl, že posádka byla připojena k americkému armádnímu sboru inženýrů a měla rozkaz dokončit barikádu co nejdříve. Řekl také, že federální vláda zabírá oblast pod pravomocí Eminent Domain, což je archaický a nadužívaný zákon, který federálům umožňuje brát soukromý majetek pro veřejné použití.

Například v roce 2005 se New London, Connecticut, zmocnil několika nemovitostí, aby postavil plynovod. Když majitelé nemovitostí odmítli prodat, protože jim byly nabídnuty haléře za dolar, město je vystěhovalo a ukradlo jejich domy.

Gunny informoval předáka, že má na pracovní četu namířeno dva tucty pušek.

"Vy jste... vy jste oni." Byl jsem před tebou varován," řekl předák a sáhl po ruční vysílačce na opasku.

Jediná facka rozletěla vysílačku a silná rána do břicha podlomila předákovi kolena. Člen posádky vyzbrojený řezačkou trubek se pokusil oslepit Gunnyho, ale střela z odstřelovací pušky M40A3 námořní pěchoty ho položila, z hlavy mu tekla krev na chodník.

"Bylo to šílenství," řekl náš zdroj. "Seržant dělostřelectva jim řekl, aby se vzdali, že nikdo jiný nemusí zemřít." Ale několik z nich mělo schované pistole a tupě opětovalo palbu, i když neuměli střílet na hovno."

Když se Gunny vrhl do úkrytu, mariňáci sebrali pracovní četu. Jeden člen posádky sevřel svou zakrvácenou nohu a křičel: „Pomozte mi, pomozte mi někdo. Umírám." Nikdo kromě předáka nezůstal naživu, aby mu pomohl.

Náš zdroj řekl, že rota nejlepších mužů generála Smithe dorazila na místo do hodiny, aby zajistila místo, uklidila nepořádek, rozebrala částečně postavenou barikádu a čekala na případné federální

šmejdý. Pokud posádka před smrtí provedla nějaké úspěšné rádiové hovory, nikdy nepřišla žádná pomoc. V době psaní tohoto článku mariňáci stále kontrolují AO.

Předák, řekl náš zdroj na závěr, byl zatčen pro podezření z velezrady.

Evidence of DEW weaponry melting a car just two miles from Lahaina, Maui.

This incinerated car was surrounded by gravel just off the highway, parked in a seemingly safe area to survive the Lahaina 'wildfires'. However, at the rear of the car on the ground was a partially melted cellphone. Were there people inside or outside this car, passengers thinking they were safe on the gravel, suddenly incinerated by a DEW energy beam from a high altitude aircraft or orbital DEW platform?

Grass fires and building fires do not melt cars, nor melt auto glass, nor does jet fuel melt structural steel and cause 3 steel frame skyscrapers to imitate demolition. Glass melts at 2600-2900' F, pretty hot. Aluminum alloy melts at 865-1240' F. In these videos, the

aluminum alloy becomes molten and flows across the ground. Even under the closed hood, the aluminum intake manifold, other parts were melted. The tires are melted, leaving behind steel-belted wires.

So why are there no forensic medical examiners, I would suggest dozens, investigating these vehicles, looking for evidence of Americans suddenly dying? In fact with the evidence throughout Lahaina suggesting planned mass murder of citizens, 2,000 children missing from the school rosters, the government censoring everything, Congress should demand an immediate investigation.

Will a DEW energy weapon totally incinerate a human body, even bones and teeth? There definitely needs to be a thorough independent investigation. Not FBI, not FEMA, not Government. **SOMEBODY WHO CAN BE TRUSTED.**

An investigation by the US Military that is not beholden nor controlled by the criminal Biden Regime.

Evidence of Dew weaponry melting a car, melted glass in a Lahaina lot surrounded by unburned homes, no burnable fuel except some grass and the gas in the car

<https://www.youtube.com/watch?v=Lg2WV-B26pA>

Tour of entire town of Lahaina, an hour and 45 minutes, almost every street, evidence of Dew directed energy weaponry. The Coast Guard reported 49 boats sunken in the harbor, destroyed by the Lahaina fires, 17 people rescued including 2 children, working to remove fuel from the boats before it leaks into the ocean.

https://www.youtube.com/watch?v=_zik2vcn1yk&t=2587s

Heavy government censorship, media kept out, a many mile 12+ long black security fence blocking view and access to destroyed Lahaina areas. Reported that 183 bodies so far have washed up on

Lanai Island beaches, just 9 miles away from Lahaina. How many bodies were taken out to sea by the strong hurricane currents is unknown. Of course, denied by government censors having difficulty explaining why the 70 emergency alarms were SHUT OFF, water for firemen to put out fires was SHUT OFF, why a World Economic Forum '15 minute city' was preplanned for Lahaina just weeks before the fires.

<https://www.bitchute.com/video/NJqCRzAkRyT8/>

Every Maui Police officer, the corrupt incompetent mayor and governor should all be arrested and held without bail until we find out WHO gave those orders to block the roads, prevent the distribution of emergency water and food to the burned out residents of Lahaina. All of it defies common sense and reason. ALL of it happened concurrently and if anyone believes this calamity is just the result of incompetent public officials, I have some bridges for sale for you. The land-use laws were just modified in July just four weeks before the fire – allowing the governor to TAKE the land. The weather on those islands was engineered perfectly for a strong East to West wind pattern. CAT4 Hurricane Dora made her way westbound unimpeded while TWO high pressure centers installed North of the islands created a massive 60 millibar pressure gradient – causing the strong sustained wind. The rest is a matter of public record. Maui cops admitted they were “taking orders from above”. No-bail warrants should be issued for everyone involved if there is any justice left in this world.

Is there any word from the military when they pan on invading Maui and taking control of the situation???

Are there not two of the USA's largest military bases ON Hawaii???

This is war – civilians cannot stand up against this massacre.

Baxter put up a comment that they got into the underground in Hawaii. IDK after that, but figured they were going after the children assumed kidnapped out of the DEW war. Even if they took the place

over, there could be another DEW attack if they want the island. The DEW ships are not caught yet I heard was the issue. For all I know they can go in and out of time itself and someone else that can do that has to chase them through time travel.

Our very precious, very special US Marines are not alone on this battlefield in Hawaii. They are being protected and overshadowed by the majestic, always invisible to the human eyes, The Almighty, forever undefeated, 6 winged Seraphim Nation, whom are not of this Earth.

Interesting, all the school buses that were taking the children home are missing. None were found in the fiery aftermath.

Only one logical answer: they must be in the tunnels (DUMBS) below.

The 3 Stooges need to go! The Gov. The Mayor The Police Chief !!! That Hara guy is another target, he is as dumb as the rest. Good job Marines, if it weren't for you guys it would be very tough. Thank You!

What is happening now, with (apparent) Army Engineers erecting miles of black fence that blocks any view of LaHaina? Also Drones blocked by men in "National Guard" uniforms. Did we win, or abandon Maui?

I also saw that and wondered the same. They have cordoned off the area that is ground zero. It's hard to tell if they are the bad guys or, perhaps, the good guys.

FEMA chief on TV now from DC. Nab her white hats while you know where she is . It would be very dramatic to arrest her on national TV . Disclosure !

Another fact .Nicole Kidman was a he and executed years ago with Tom.They are gone.See reality for there is a purpose.

Sounded like that at first, then I found out who her)his father was and the family story. Dark cult and evil. She always did creep me out, but most actors do.

Yes, I heard that One of her father's victims, a young girl, remembered see Nicole, age 14, smirking with satisfaction while the molesting was happening. It's not hard to see how these people are messed up and don't even know what sex they are.

I'm a human. I shall speak my truth. I am telepathic. I see from the 4th dimension. The 3rd dimension is where you see pain and cabal control. All people have a choice to achieve the highest frequencies. I speak not of fear but of the Christ consciousness which you choose or not.

Sorry but good for I heard that they stoked a lot in Houston. People needed help and they stole things since they had to leave fast.

He's a Freemason, kharazarian , skull and bones , mole person of course .

Things are Not as they seem to be. Theres a reason for everything. Watch & learn!

Pay No attn to the attn seekers – trolls.

Quantum vibration. Because, under quantum theory, an object can occupy two spaces or more at the same time, Smith was able to simultaneously appear in both places using spare bandwidth from the quantum financial satellite system operated by Elon Musk and Space Force. The vibrational frequency was so high that the audience perceived him as a solid object even though he was shifting locations millions of time per second. As a bonus, when the Virginia Smith sat down for dinner the Pendleton Smith got to enjoy it as well along with drinks and dessert.

How's that?

God rest the souls of the Maui martyrs. They died for the truth about the Hawaiian land – it doesn't belong to the state or the US government – it belongs to Hawaiians. That is the reason the children had to be murdered – there is no one to inherit.

LOOK OUT !!!! Russian air field hit by drones in Pskov (Russian) and it had to come from NATO countries Estonia or Latvia—But of course the Russians know—Those countries sit on the Baltic Sea —wouldn't it be a nice addition for Russia—Biden et al are sure trying to incite a world war and unfortunately the Russians are in a position to kick ass—They have almost a million soldiers on the border of Ukraine now and have actually just been bleeding the West of weapons and men and whatever the idiots could possibly have to make war—

Another tid bit—the US just bought from those dreaded Russians large amount of Uranium—you know those inept Russians and there lousy economy—Why they would sell it to us but I guess a buck is a buck—I wonder how that worked with the clearing house —for those that don't know the Russians have been cut off from the international trading clearing house—talk about the Russians grabbing the US by the B@lls— ok enough update for now—have a nice day—WH's why don't you grab HAARP—just suggestion

You ONLY see & hear what they want you to see & hear.

Propaganda. In reality, the Ukraine is almost destroyed, and No – the US has plenty of weapons that pedo Joe cannot get his hands on.

Roofs were covered with non-flammable BLUE tarp

Check this out: THE VISIBLE SPECTRUM **BLUE** Wavelength 445.....Frequency 666

There was also a picture of cars that were burned along one of the roads. The blue cars were untouched. This fire was intentional and was probably DE – directed energy set by the communist regime currently in power. If you pay attention the wealthy and elite painted their roofs blue. For some reason the lasers by pass the color.

It was Blue Tarp installed by the Army Core of Engineers....FEMA + ARMY calls it the '**Operation Blue Roof**'

Check Home Depot on Maui. Their blue tarp inventory was wiped out by glamorous looking people in large sunglasses driving Bentleys. I heard this was true!

They wanted to give that shot to our children. Not while I am on the board no heart attacks for our children while I can type.

That is a wonderful idea. Everybody call your congressmen & tell them we want an investigation & answers as to what happened in Maui. Brigitte Gabriel from Act for America says that in the minds of Congress every person who calls in represents fifty people so that if you had a thousand citizens call in it would make them sit up & take notice. We need to remind the people in charge that we're not going to forget about what happened to our fellow Americans on Maui. Congress Creatures need to be made afraid, very afraid. They need to understand that we are mad as hell & we aren't going to take it anymore.

Mention the DEW assault , that will get their attention but then they might not take your concern seriously .

Everyone knows investigations don't do shit. A waste of money and last for years if not decades. Our government is corrupt beyond repair. They steal from us, lie to us, and we have no control over laws they make mainly to protect themselves. The money they steal from us goes to weapons used against the people they say they are trying to protect. We don't need any of them.

I will not run, I will not comply and I will not follow orders from people that are "given authority" who break the laws that are made for everyone. When the real revolution happens I will be on the front lines and if need be, I will give my life to defend our God given rights to be free.

Front lines , as on a keyboard ? Just exactly where are the front lines and who is organizing it ? Nothing will happen .

I have nothing to hide from but I would like to continue making droll and pithy comments . Thanks for the comment .

That's part of the plan . Wait, I know JFK Jr is coming back Labor Day weekend .

Welcome Maryn

Here is a 1 hour and 45 minute tour of the entire Lahaina area taken 2 days after the fires. The blue canvas umbrellas that were not burned, many unburned blue cars are shown.

When the EBS goes to the world many people will kill themselves because the truth is to hard to handle.

I think you are a little off there . How will they know the EBS is the truth ? Could be controlled by the MSM and black hats by now.

Well , it shall be. They are killing themselves with vaccines already. We cant go on with this shit forever worrying about the sleepers ! This shit show needs to end asap.

The biggest issue I see is WHERE are Trump and the White hat military? Are they complicit?

I've got my first check for a total of 13 thousand USD. I am so energized, this is whenever I first really acquired something. I will work much harder now and I can hardly hang tight for the following week's installment. Go to the Home tab for more detail. I highly recommend everyone to apply just by using this web.. **Payathome7.com**

When God's prophets speak on the subject of this Maui fire, God verifies this as a NWO/OWO atrocity. God says that the innocent blood of his beloved in Maui calls out to him just like Abel's blood did

when his brother Cain slew him.

Doc Holiday in Tombstone, “Make no mistake. It’s not revenge he’s after, It’s a reckoning.”

Think Maui is DEW. Think again and again. Our skies and our oceans are our breath. We need no masks. We need to breathe.

The NWO/OWO would prefer you didn’t, it falls in line with their agenda of depopulating the world to 500 million while stealing property and land under the guise of Eminent Domain.

Day 21 of the Lahaina D.E.W. fires

..

Eric West , a 30 year resident of Lahaina, businessman, journalist says

all power to Lahaina and Kaanapali was shut off at 4:30 a.m. on 8 Aug. 2023, the day of the Lahiana D.E.W. attack; all water was shut off as well. Police set up barricades on the 2 main exits north and south out of Lahaina and traffic was blocked by 2 police cars at each exit point. No one was permitted to leave the fire zone and were rerouted into the fire. The only survivors were those who went into the ocean, hid in the forests or ran the police barricades. However cars were permitted to enter causing traffic jams.

. . .

2,000 of the 3,000 Lahaina school children are unaccounted for. Now a 12 mile, 10 ft high black tarped fence has been erected surrounding the burn zone. Taking videos and flying hobby drones are illegal near the fence. [Freedom of information is forbidden in America.] Areas where the multiple fires began are guarded by county sheriffs who do not permit people to photograph these areas until bulldozers have first plowed them under. Maui residents have hundreds of videos of the D.E.W. weapons’ melted aluminum and glass of totally incinerated cars.

. . .

The journalist has seen KC135’s with D.E.W. weapons mounted in

the nose of the planes while he was in Viet Nam, incinerate objects on the ground with pinpoint accuracy. He believes the energy weapons used on Lahaina were from KC130's and B-2 bombers flying from one or more of the two Space Force bases on Maui and on Hawaii.

. . .
Other than being paid to stay at the \$1,000 a night Four Seasons hotel FEMA agents have not lifted a finger to assist residents in anyway after the conflagration. The survivors are rife with accounts of FEMA thugs further destroying their community. People in BlackRock, FEMA, the Hawaiian state and county governments, WHO, Red Cross all act in precision silence swearing they know absolutely nothing about anything. Who are the people or the person at the top who organized this massacre? He (or they) will remain 100% free of their just damnation because none of the public who is still living has ever known the names of these people. * * *

The question is if gray hats did stop engineers from putting up a fence described in Baxter's report, why are they allowing this 12 mile black fence to remain standing?

Why is it that no one has posted anything about the fence the gray hats supposedly stopped from being build, if people are posting plenty of videos of the area on social media?

It is very difficult to accept MB report when there is no evidence to support it ... and there really should be some kind of video.

Again if anyone has seen anything on social media to support Baxter's report, please post.

If video is forbidden and everything is surrounded by a fence, why are we seeing 24/7 social media posts from the burn zone? And if we had DEW in the Vietnam era, why didn't we level Hanoi in one shot?

Perhaps you are a middle school or a high school student or an illegal, with no historical education? Btw, none of the last several wars were ever meant to be won. There is no revenue in that.

None of those things. Lasers were in their infancy in the 1960's and 70's. No one was flying them around 'Nam. I was there

I seen a list of a large list of mostly US cities turning into smart cities I live in Texas so here is a list of Texas cities:

San Antonio

Austin

Houston

Dallas

Frisco

Austin Energy

Texas Department of Transportation

Amarillo

Coppell

El Paso

Ft Worth

Garland

Grand Prairie

Killeen

La Marque

Harris County

Houston-Galveston Area Council

Sugar Land

Dallas County

I pray this don't happen!

I seen on the actual list but decided to add figuring that damned if I do or damned if I don't list them. I ain't the one to bar any info from you all it was listed so maybe important.

They are not smart. They are kill zones.

By using the lexicon of “them” you continue to empower them, their thought processes by choice of language are meticulously crafted. Just as every public servant or employee is now an “official” overlording us.

Okok I have been a avid reader of this sight from day one.and there is no proof of anything being reported. Now there is proof that the cops and national guards have the burnt area surrounded .and black fences are still being put up almost thru.e.tgere is no way in hell you have these marines running around undetected doing the things you are reporting on .people are making videos everyday of the burnt area from their cars and you can see the police presence and the fence crews steady working .it is starting to look like this sight is just reporting things to make us think all these good things are taking place .but I believe this is the bad guys tricking us to keep us all calm until they do their final sweep of killing each and everyone if the readers of this

sight

But doesn't it at least make you feel all warm and fuzzy inside to pretend there are invisible Marine squads running around killing civilian work crews, Doyle? 😊

i hope you suffer a terrible fate and remain alone when you kill all the remaining good people left who tried to defend the world from evil.

thank you for removing everyone holidays cause of your fucking selfishness. you brainwash bastard.

i hope you rot in the void of fire.

I cannot fathom *wanting* to go to hell, begging, to go to hell. But, apparently, some people do.

I'm not trying to stop you.

your being watched. enjoy hades. you faggot.

enjoy that communist life you pathetic piece of shit.

cause they be no more free worlds after this country death.

i hope you suffer a terrible fate.

Yes those pesky bad guys are tricking us once again . They've tricked you into believing all these articles .

Do NOT doubt the news you are receiving as it is the best of the best. This is war and you are not going to get it from mainstream media. Have faith the White Hats are in control.

 Obviously, you're not a United States Marine!! And/or don't know any!! Ah ha ha....What a fool you are!

 "We the People" are proud of our Special Ops! Marines are top 1% of the military...Sp Ops even less! They willingly lay down their lives for us...

 You should be forever thankful for those who are BRAVE enough to adhere to their Oaths of Office....that being, to protect "We the People" from ALL enemies, both foreign & domestic!

 May God continue to bless & protect the best in the world...the United States Military; AND THE MILLIONS OF OTHERS who are on the front-lines fighting evil. AMEN.

WWG1WGA    NCSWIC

While true, as other people here are rightfully said, there's also no proof of anything "mainstream media" publishes. Most people just believe it, because it's made out to be authoritative and true.

After all, why would an official source lie to you?

Sadly the world isn't an innocent as they believe.

I was at Pensacola NAS last month and observed an astonishing, surprising confirmation this site is legit. The base gates had manpower and concrete barrier security levels that was far, far beyond requirements for the ordinary naval pilot training base that it is. The security all over base reminded of a forward middle eastern operating base (I am a 20 year USAF veteran with extensive middle eastern deployment experience).

Background: RRN released in a previous article that Pensacola NAS, home of a Navy JAG HQ, was the location deep state operatives were to turn themselves in to if they had committed treasonous crimes.

No fucking way in hell two dozen armed military police, anti-terrorist concrete barriers and a bevy of military working dogs running all over base are required to provide force protection for a navy pilot initial training base – something of extremely high value is positioned there – just like RRN said.

And it makes sense that location would be chosen, as the Pensacola and greater Fort Walton/Hurlburt Field/Duke airfield surrounding area is deluged with about 36,000 special operations forces.

I've prayed many times asking God to reveal to me the full truth of all things on these lines we so fervently seek answers to. His answer has been to give me great peace first of all – no anxiety over inflation, war or satanic deep state shenanigans. But then He allowed me to see the Pensacola operation. I suppose if the white hats allowed release of that info, then my report to echo its legitimacy is proper.

If I am a fool, if we are fools, for believing a deep state lie on this site, I'm having a hard time seeing it. RRN inclines all of us to stand down, and wait it out, and let the military resolve it all – this is true. However, if RRN did not exist, we'd still be standing down, as we the

people are effectively powerless – we're in checkmate. Conservative, white men have no means to organize. We are shut down at every level. We have almost zero capability to fight back save a few small arms clips by a random individual. What good would that do? Nothing. Nada. Zero. Zilch.

Here's the thing. If the white hat military is NOT real. If Q is not real. We are F U C K E D. Talk tough all you want, but if organized armed forces and high tech intelligence capabilities don't exist, there would be ZERO hope to fight against a satanic world wide fed state local power web. Your only hope would be to go off grid to the mountains.

Now, here's the other thing. If the God damnable satanic demoncrat Federal Bureau of Instigation and the Communist Infiltration Agency had the power cube, most of you, and certainly myself, would already be in God damned Walmart prison camp, TWO years ago. Those son of a bitch FBI went on a rampage right after 6 Jan, investigating and getting people fired, with a nation wide billboard campaign, just for going to see the president speak in Washington. – ask me how I know.

The point is: those mother fuckers had some hard core ballsy power right at that moment, but since that time, they became WEAK. All they got left is apparently, the lying, 'big 6,' mockingbird MSM. That's all they got left!

The LIE is all they got left! If they had anything else, they'd use it. They'd kill you and yours. Any chance they got, and twice on Sunday, but they haven't!

Our enemy is WEAK.

So, keep the faith. Pray, out loud, to God. Praise Him. Do not be anxious. Prepare for a worse case scenario as able, but do not be anxious. And if the Holy Spirit tells you to do something, do it.

This message was for the children of the living God. It was *NOT* for the children of the devil. The children of the devil, and all their grisly gang are to go do their worst. Do your worst! And we, the people, will do our best.

Nearly anyone can go on base to visit the Naval Air Museum, and also I believe the Tallest Lighthouse in FLA...I had to go thru armed security gate and serpentine jersey barriers.

The Blue Angels are also based there (or nearby).

Yep. The high value base with extensive security that they allow anybody to enter if they want to go to the museum.

Makes total sense.

I was there on a secret mission to work with JAG to attain IP addresses and personal profiles of all shills, trolls and Fed agents who are attempting to disrupt RRN white hat alliance news releases. We discussed process to arrest, as well as sentence these DS traitors. We decided life imprisonment for shill trolls, and hanging for paid government controlled op personnel. It was a lot of fun.

After that, I went over to the top notch Aviation museum and had a cheesburger.

So the White Hats are spending their time making plans to go after internet trolls?

No wonder they're losing.

I live in Crestview Fl.. I know very well about Duke Field, Eglin AFB , Hurlburt field and more.. I love this area for its Pride in the Military. I'm a widow now, but when we were in FWB a few years ago my husband Saluted that huge Flag while it was being brought high into the sky. His eyes crying, right hand on his chest as he watched that Glorious flag wave over our city. A news reporter came over and spoke with us on camera and asked why the tears? My husband

quoted “This is America, this is our Freedom Flying before our eyes. It’s the Blood Men and women shed, if not for them, we ALL would be dead”.. 

There’s likely a lot of truth to this well reasoned post.

This is where the rubber meets the road.

God help us.

Now there is proof that the cops and national guards have the burnt area surrounded

What proof is that? More fake CGI bullshit from the MSM?

Just don’t understand how long and how many people have to die while they wait on people who are not going to wake up. another thing .they said Biden never stepped foot into the Whitehouse .only the movie set Whitehouse .and then they find a bag of cocaine .and nobody said it was the movie set white house but the real Whitehouse .so which is it .and that isn’t Biden .so the whitehats are the ones who really are in control of this movie .so that means all the bad shit is on them .

Correct, people die and are abused during all this waiting. What if something happened to a family member tonight because of waiting for the right time.? How would you feel?

I saw a report on BBN with Mike Adams Aug. 29 show @21:13 that they are putting up black fencing in Lahaina. The picture in the thumbnail doesn’t look like it is barb wire, just a big black fence and it goes on for miles. They have been putting up this fence for several days now. They are preventing people from stopping to take videos. Nothing about them being stopped by the gray hats.

I just saw that too. It’s on Instagram. Miles and miles of black fencing to block visibility into the area. Hawaiian guard won’t allow anyone to stop and peek. Unleash the aerial drones!

white hat marines allowing this?

What in hell kind of insane, bat shit crazy clown world this has all become. The devil, via his O'Biden admin, FBI, CIA, FEMA, IRS, CDC, etc., is dragging people around by the hair of their head. . That's what you get, when you serve the devil.

As for me and my house, we shall serve the Lord.

Uh ohh, is the situation in Lahaina getting a little too publicly visible for Michael Baxter to make up fake stories about it with the ol' "no one was around to see or record it" excuse

So far I haven't found anything to support Baxter's story. I encourage all the researchers out there to see if you can find anything and let us know.

We need to work together to see if we can confirm or deny these reports.

Make sure every weapon is loaded! Do not take shit from anyone. Shoot first, ask questions later!

Ethel, if you shoot people that are not using deadly force against you and you shoot someone, you will go to prison. You may also go to prison even if you shoot and don't hit anyone. You must use equal force against another person.

Shill Ethel is a FED, what we call an agitator, soliciting someone to commit a felony crime. 18 US Code 373 Exactly what the hundreds of FEDs were doing on Jan 6th. Shills are best ignored. Lots of the bastards here at RRN.

They came to Houston and started to steal. That would have to come from the top. There was a women who lived in a trailer home and fema would not help her. I was working at my church and gave her suggestions to what to say to them. I don't know what happened for I did not hear back so I assumed things worked out for her.

Eyes in the sky 17 other states are slated for dew attacks. Oddly they have cities in them they want to be 15 minute cities. Orlando and Miami are the ones in Fl. Tell DeSatanis is not a traitor.....I have the goods on him too. Growing weary hope this ends with a big satisfying big bang for the bad guys. Cant wait for the truth telling ebs and erase all these bogus platforms like Faciastbook. Yeah speaking of which Zuckerturd, winfrey, bezos, gates all own property on Maui. Magically these pedophiles home were untouched. So much going on in Maui. The right thing would be to give them back their country that the US stole in 1898.

Maybe because they fireproofed their homes, cut back brush and trees close to the house and had sprinkler systems installed to wet down the house and grounds. These are all standard precautions taken by high end property owners

Thanks again Mike B. for bringing us the news! It's quite uplifting for me to know there is someone out there bringing law and order to the land!

I live there and I can tell you it was and has been(the city,not the county) "blue" LONG before I was born(1920s?) and I'm a baby boomer.

I watch as many videos as I can and I never see any native Hawaiians. 😞 I think they're hiding or dead. God bless Maui.

I saw a video report of a Hawaiian lady who was the Mother of the teen boy who was found holding his dog. Both gone. This lady was not allowed in the area to search for her son. So sad.

I've got my first check for a total of 13 thousand USD. I am so energized, this is whenever I first really acquired something. I will work much harder now and I can hardly hang tight for the following week's installment. Go to the Home tab for more detail. I highly recommend everyone to apply just by using this website.. **Payathome7.com**

You still haven't sent me my 10% cut !! I think you are here to scam good folks here. Send me my 10% cut and we will believe you. Until that time please drink deeply from the golden chalice of SHUT THE FUCK UP!!

Harrison Floyd has finally had a bond amount set. Should be out of the Fulton county hellhole jail tonight.

Great news! Black Voices for Trump leader gets his voice back! Keep after 'em whoever, wherever and whenever.

Something INTERESTING:

It was said (ANONS know) as we get near the downfall of the Deep State and BRANDON, that MSM would do two things:

1. Complement Trump on air(a reporter said he was a handsome man (paraphrase)
2. Expose the corruption!! see below

Jon Rappoport (a well known and long time respected reporter) provides the report

Reported August 29, 2023

Staring none other than Mr. Deep State himself; **Lester Holt**

A portion of a quote from Lester Holt on **NBC LIVE AT NOON!**

““As you probably know by now, the pussified Bidenites, colleges, hospitals, and other functionaries are leaning into COVID restrictions again. Masks, distancing, take the vaccine or else—all that.

“As luck would have it, there are people all around us who experience intense pleasure at the prospect of going on lockdowns again. Nothing else in their lives gives them the same adrenaline push. They're not just complying. They're renewing marriage vows on a vacation cruise, on the good ship Shit for Brains. Freedom

means as much to them as the latest sex crime series spun out by Netflix. Give them that in their state room, popcorn, and a lock on their door, and they're in heaven.

“The depth of their insanity BEGS for something to match it. And I will. Now. Because I'm tired of watching humans and merely imbibing their blood. I want to expose them for what they are. I'll use whatever comes to hand to rip out the old wiring.

“COVID 2 should be quite a show. ‘Oo! Transmission of the virus! So beautiful.’ Good for you, contestant. You win 12 boosters, a heart attack, and the rest of your life in a wheelchair. Or a quick death, if you'd prefer. Because on this program, we celebrate all of you who suck on the gas pipe of media. We heap praise on STORIES designed to put you and your loved ones in graves. We're CBS, NBC, ABC, AP, Reuters, a whole new generation of robots who hate life. That's our tradition. That's our bid for immortality. And because we keep saying, in coordination with our crocodile government, that we're OFFICIAL, and you believe us, we're awarding you prizes. As you move closer to death. That's our game. We cater to all the souls who have to find an authority and worship it. That's why our ratings are so high. That's why advertisers pony up their money to appear with us on-air. Because there are so many dumb lovers of authority. Because so many of you take pride in your love.

“OO! Transmission of the virus! It's a perfect little ditty for literal minds, which demand the impersonation of facts. It makes so much sense to those minds. Your minds.....”

Not only did Lester say it, the broadcast did not cut away from his lengthy diatribe. Do you cut away from a big star? Or have you been instructed to NOT cut away by White HATS.

I don't pay attention to the news media including TV, but this could be good entertainment. Who will next have diarrhea of the mouth on air?

I love IT

Replace the word DOT with a period .

I do not see myself as greater than anyone. If someone applies themselves they can achieve almost anything. As long as you worry about others station in life, you will not have the time to grow beyond your selfish limits.

Didnt work on me! If you can be fooled twice ,after all the truth about this scam came out, thats on you.

Well said Dr. John. This round of “covid” is going to be met with more resistance I hope. I am going to pretend I haven’t heard a word about more covid....I didn’t get covid....I refuse to have covid....I had a bout of bronchitis and a sinus infection about 2 years ago. I am not prone to have either as a rule but I moved from MO to TX and I guess the change in climate just made me sick. Anyway, I went to Urgent Care and told them what my problem was (I had it all before) and they gave me antibiotics and I was better in a few days. I will not see that primary care Dr. except for the 2 times a year for blood work. I wouldn’t go at all if Medicare didn’t make such a big deal out of it. Now I have a list of your suggestions I will use to get me through and not take their medications at all. I also refuse to allow them to test me for covid. They can shove all things covid way way up there!!

Come on. This is bull.

No video, no audio, just some guy saying Holt said this.

As we move closer to the end of this, the MSM will act as though they never doubted the conspiracy theorists and the “sheeple” won’t remember that the MSM ever did.

Just how far away is the “end?” A year, ten years, 100? You’ve been swallowing Q bullshit for seven years and nothing ever happens. EVER. You’ve been swindled by a sheep farmer in the Philippines and his Monkey son.

Ooooh. Such sophisticated writing, and I’m sure it’s not made up by the professional hoaxsters at Rumormill. Holt never said this. I called a friend who works at CBS news and he laughed.

So clear are you. A great humanitarian. Keep teaching and educating for those who seek the truth.

Don’t do it! You have the experience with Covid and talk to you medical before you take anything Biden is not a doctor! Neither are the people who are advising him.

Not true.,.,, the MSM hates Trump, they would rather eat the crap in their shorts before they would ever compliment Trump, or call him handsome,, they hate him so much!! 68 times the the cabal tried to kill him and he is still standing, thank God!!

No, you’d probably drain it down the hole in your forehead. It would be a waste. Coors Light = cats piss.

You really are such a weasel. Why do you think it is okay for you to make fun of those poor children being kidnapped and raped and murdered by these deep state demons. You literally make us all sick to our stomachs with your rude stupid as hell remarks.

I aim to make everyone sick to their stomach. It’s a talent, what can I say?

Choose a Job You Love, and You Will Never Have To Work a Day in Your Life

All of this has been confirmed by a retired Marine who get intel from behind the front lines of this war...and make no mistake, this is a war...for the whole planet and the souls of humanity. And it’s just

starting to get real because the Deep State is almost broke...no money to speak of. We ARE winning and we WILL be free for the first time in millennia.

Anyone who doesn't believe this and argues about it's veracity is either a DS sympathizer or an idiot, because I get it from the guy who gets it directly from those of the ground. Michael tells the facts. It has also been confirmed the devastation was caused by a DEW... Direct Energy Weapon from a satellite the DS put in orbit around the planet to direct anywhere they wished to cause destruction. It was further proved by the fact that anything blue didn't melt or burn because energy weapons don't affect anything blue because it reflects the beam, for some reason. I seen a demonstration of what lasers do to different colors of cloth and the only one they couldn't burn a line in was the blue cloth. There were blue table umbrellas and a blue car that weren't touched. Check pictures and you'll see it too. They have the advanced tech to do this and they have declared war on the people of the U.S. You really think that isn't true? Do you realize that DC is not part of the U.S. and is owned by foreigner powers? DC was not the original place the presidents lived. Only after the Act of 1871 made it so. And there's more. I get this info from a retired Marine who studied all of that and law as well. Rumble. com ICONS 2020 Seriously...check it out.

Unfortunately, they hijacked our "legal systems' when the B.A.R. attorney, Abraham Lincoln UNLAWFULLY, accepted the position of president of the British Territorial United States and that's where we have to go back to restore the Republic of The united States of America, our Sovereign roots. Our Constitution for the united States of America has only 13 Amendments and the 13th just happens to be "the title of nobility act," which forbids anyone holding public office to accept a title from a Foreign country to avoid any issues of compromised loyalties. Like Bush, Sr. being knighted, or being an esquire or B.A.R. attorney.

Thanks for bringing the truth out from trusted sources.

many Blessing to you.

I read somewhere where Trump went over to England and signed something and it had something to do with this, but i didn't understand it.

It was explained by Dr Jan Halper. When Trump walked in front of the queen.

The DC Corporation, Vatican Corporation, London Corporation are all bankrupt, destroyed, all assets confiscated. Trump walking in front of the Queen, in front of future 'King' Charles, was protocol depicting the end of a monarchy. Most likely child rapist 'King' Charles is dead, replaced by an actor.

All legal practitioners and judiciary will have to be deregistered and probably not allowed to practise law again.

This is because they are basically trained criminals using Blacks Law and legalese to distort all concepts of common law. They are so brain-washed they would have to un-learn everything before they could start in the profession again.

Apparently not if they had the cash to buy a bunch of DEW laser planes or whatever

Gold from the Chinese Elders who had Charlie Ward transport it from a 1,500 mile tunnel under the Vatican on 650 planes that no one noticed. Using secret Treasury accounts secured by birth certificates the money was distributed by quantum satellite onto laptops handed out at redemption centers.

And some other shit I don't remember

This Marine isn't in a memory care facility, right? And being a retired Marine doesn't give you total access and knowledge of all secret things.

The U.S. Army Corp. of Engineers are not 'civilians' they are as Deep State as FEMA. They construct underground tunnel systems and DUMB's for the Deep State.

Besides, it's hard to believe any DS operative that clueless about who they're working for.

There are also many credible reports that the US Army Corps of Engineers and working hand-in-claw with emissaries of the Mole People to expand their DUMB tunnel systems. Despicable.

Reality will confirm what I say and not approving this comment will show that you are complicit with the Deep State.

Reality is what WE dictate it will be and we aren't going to be complicit and neither are those residents. The U.S. didn't even have the RIGHT to take over Hawaii. Right fter their king, in the 1950s signed a paper saying that they retain their property and their kingdom, they came over and took it anyway. They are criminals and they are going to be punished.

So, by your logic you disavow the 2020 election results HI does not count so Trump lost by 299 votes vs 235 votes? It works both ways I disbar Texas DJT lost 40 votes final count is 299 vs 195.

Looks like I can't post links. But if you go to Gateway Pundit and look at one of the current top articles entitled "Mysterious Black Curtain and "Special Police" Spotted Around Maui's Ground Zero (Video)", the above activity probably happened behind the curtain out of public view. This is going to get interesting.

The reason they don't want anyone there is to ensure no one obtains conclusive evidence that the fire was caused by a DEW. This also happened with the World Trade Center. No one was allowed to inspect the debris of the buildings such as the steel beams. They then had all the evidence destroyed. Same thing with Lahaina.

The steel beams from The WTC were sold and shipped immediately to China. These idiots have zero respect for History and deserve what they will all eventually get. The Chinese kept several large pieces of the columns, for posterity and as evidence of the use of scalar technology and nano-thermite.

Correct. Trumps best buddy 9/11 Rudy was in charge of the cover up
Trump certainly only associates with the best and brightest/ most moral.

Bush, Rumfield, and Cheney were the master minds on 9/11. You can even dig up old legal docs on this. If you are savy script.org is a good place ro fo.

Paradise was DEW'ed to burn out friendly galactics that were living there, to assist with the "plan" that DJT and the white hats are doing. They were not killed, though.

Evidence of DEW weaponry melting a car just two miles from Lahaina, Maui.

2nd video closer to Lahaina, 2 melted cars

Grass fires and building fires do not melt cars, nor melt auto glass, nor does jet fuel melt structural steel and cause 3 steel frame skyscrapers to imitate demolition. Glass melts at 2600-2900' F, pretty hot. Aluminum alloy melts at 865-1240' F. In these videos, the aluminum alloy becomes molten and flows across the ground.

<https://www.youtube.com/watch?v=Q9L9WvICli0>

<https://www.youtube.com/watch?v=Lg2WV-B26pA>

Why don't they go grab these assholes indicting Trump?! They are the ones who need to be hung for treason RIGHT NOW!

People are getting all the way dead from the unreal fires that are really DEW and plasma weapons and self assembling fire nanobots that pop off of transmission lines. Of course the military is really

doing something.

In 1 of the DEW attacks in California, a resident posted a video as he was being chased out of town by the “wild fires.” He mentioned that his electricity had been turned off due to non-payment and was off for a couple of days. His house was still standing, when he escaped. He noticed that the power lines were fried on the active homes and the poles were burning from the inside as were many trees. It appeared as if the “power company” (So.Cal Edison) had ignited the “smart meters.” He provided video evidence, while leaving town. The arrogance, apathy, and symbolism will be their demise.

There have been MANY Calif. residents who have attested to the ‘smart meters’ being a target of reception for the DEW beams, thereby igniting the homes that have them. I believe what you are saying is true, Hypnotixx. Do you place any credence in the use of Shungite to repel the DEW beams?

OH, I forgot about those ‘smart meters’.....that makes a lot more sense that homes were pinpointed but why the cars?

Damn my utility showed up a few months ago and had to change my meter!!! If I disappear from a DEW attack on central New Jersey remember this note!!!

AHHHHHHHHHHHH

No one said those things aren't real. The point that we are trying to get people to realize is that NO ONE IS FIGHTING BACK !!! All this bullshit on this sight is what's NOT REAL. Wake up !!!

Exactly, they are openly killing us already. What would be the point in keeping anything secret? You people will believe anything. Believe only what you can see and know is happening ie. they are killing us. Everything else is bullshit without proof.

MB, here's another troll that needs virtual vaporizing. Nearly ALL his posts are negative red, and he is here to stimulate negativity. Thank you for taking out trash.

No one cares bro, MB rarely digs into this cesspool, he won't see your comment

What about the photos and videos of the blue items not burnt. You did see some photos and videos right?. Blue cars, blue roof homes, blue t-shirts, blue garbage cans, blue object lying inside an incinerated home. Do you think that is fake too? What is your opinion about that? And how about your sidekick Ethel. He never has a real opinion does he? Maybe he could give us an educated opinion about what caused things that are blue color to not vaporize.

You must remember Trump is the bait and the idiot black hats take it every time. The more they go after Trump, the more the normies are waking up. The military won't go overt until they are convinced

people will be cheering in the streets when people see them rather than trying to start a civil war.

Yeah totally. I hear the White Hats are going to hit 83% 'awakened normies' or whatever any day now. #soon

So joking around on an Internet board is treason but murdering millions with a vaccine is trust the plan great?

The world will be a much better place when you die

That depends on if you are being paid indirectly by the burden regime through a fed agency on the American Citizen's tax revenues.

Trump is a jew traitor playing us for fools, well not me anymore but he's still got you people fooled.

Most here trust the plan and took his beautiful vaccine.

We know what happens next

That is why were are still here. People took the Ivermectin and/or HydroxyChloroquil just as President Trump advised. Those supposed Covidt vaxcines are not vaxcines either.

im just quoting drummer.... hes said his " vaccine" was beautiful and would save humanity. he also never said anything about ivermectin or hcq saving humanity. just his beautiful vaccine. he lied about taking the pfizer so i assume that is " his beautiful vaccine"

More intelligent q retard logic.

To wake the masses up we must lie to them compulsively for 7 years then attempt to mass murder them via " beautiful vaccine"

The one that aren't dead will be very awakened .

🗨️🗨️🗨️ the plan is “ the kalergi plan” “ AGENDA21-AGENDA2030, read those and “ the protocols of the learned elders of zion” and you’ll know the real plan.

They have a plan for them. As Trump said, they caught them all by what they did to him and the truth is just waiting to come out. It will soon. Also, the military has all the proof of the insurrection by the Bidens. Biden didn’t win. Trump did. He is the elected president and the military knows it. They have the proof. Ask the white hat Marines who the current president is...their Commander-in-Chief (CIC) is Trump.

Trump is a jew traitor you dumb shit. You think your so awake and don’t have a clue you dumb goyim.

Anyone they are arresting they wait to a secret source for permission to pick them up. There is a list they go by.

Thanks for the update, MB. Glad to hear our WHs are doing their job and taking out the traitors one by one, or a dozen at a time, it doesn’t matter, as long as they eventually get them all. They need to go after that FEMA evil woman who’s been giving the victims poison water and leading all her rotten troops. I hope they get her next! Gitmo, have plenty of ropes ready, more to come.

Build a mass gallows for 20 at a time, like they did for the traitors who assassinated Lincoln. They didn’t get enough of them, like Nuremberg. They missed that closet jew traitor, Hiram Grant, and most of the “lone gunman’s” co-conspirators, like with JFK. We will improve our methods.

It’s all very interesting and compelling. But is it true? Is there really a “civil war” within our military?

That’s been the RRN storyline for like 3 years now, but no there isn’t one.

Probably not. No bases, no carrier attack groups have been taken out.

Just one Marine Expeditionary (MEU) amphibious assault ship crippled in Honduras, no Marines on board, just a bunch of FEMA thugs. Easy for mercenaries to pretend they are US military forces, especially with white hat forces encountering them providing a little bit of disinformation.

Yes. It's a full blown 5th generation war. It won't look anything like past wars. The key elements are psyops and cyber war.

They don't want to prove it and prove it because they can't. I would think there's a satellite up there that can see the year on a dime that has all the video of this. If anyone could prove it they could and it's not their policy.

Do not allow ANYONE, to tell you, that it can not be done.

No challenge can match the heart, and fight, and spirit, of America.

We – will – not – fail.

Our country will thrive, and prosper again.

DONALD J. TRUMP

Hunter discarded Jim? Jim is way too old to smoke crack but he can still get it up for hookers I guess

Keep at it troll. You are leaving a trail of negative red posts everywhere you go. Another one for the scrapheap MB.

I thought about that because ET's in spaceships want to get onto the planet and said to be all over the skies hiding their ships everywhere. So how this plays out is them wanting to include themselves I guess in exchange for helping fight the cabal and the deep underground.

They are there, but they aren't willing to come here when so many are in fear of them. They don't want to scare us or have us start worshipping them again. Seriously, they are just keeping the negative ETs from coming here and messing up the world more. That way we can settle our own disputes and get rid of the minions the negative ETs left here.

Trying to demoralize people? That proves you're a DS asset. Why are you here? Get out and let us be. All of you...preferably off the planet, but we'll settle for staying out of our chat rooms. You're not needed, not wanted, and not appreciated here. LEAVE.

To je pravda, Patrioti, nenechte své memy být sny. Nyní popadněte hřebíky a pust'te se do práce
