Celý svět se připojuje k čínskému přátelství, když se Amerika opičí za Anal

Všechny tyto země po celém světě mění týmy.

Čína nabízí obchod a prosperitu, zatímco Amerika požaduje úplnou kontrolu domácí politiky. Čína je mírumilovná, zatímco Amerika chce využít válku k tomu, aby přinutila všechny na Zemi mít gay anal s dětmi.

[RT](#) :

Venezuelský prezident Nicolas Maduro navrhl vytvoření nového mezinárodního bloku zahrnujícího země Latinské Ameriky a Karibiku, které by měly úzké vazby na Rusko a Čínu .

Během svého pátečního výročního projevu ve venezuelském parlamentu Maduro řekl, že nedávno mluvil s prezidenty **Brazílie, Kolumbie a Argentiny** o vytvoření nové regionální organizace. Podle Madura nastal čas „sjednotit úsilí a cesty v Latinské Americe a Karibiku, abychom postoupili ve formování mocného bloku politických sil, ekonomické moci, která promlouvá ke světu“.

Venezuelský prezident dále řekl, že blok vytvoří „nové póly moci“ a bude spojencem **Ruska a Číny, jejichž vůdce Maduro označil za „starší bratry“.**

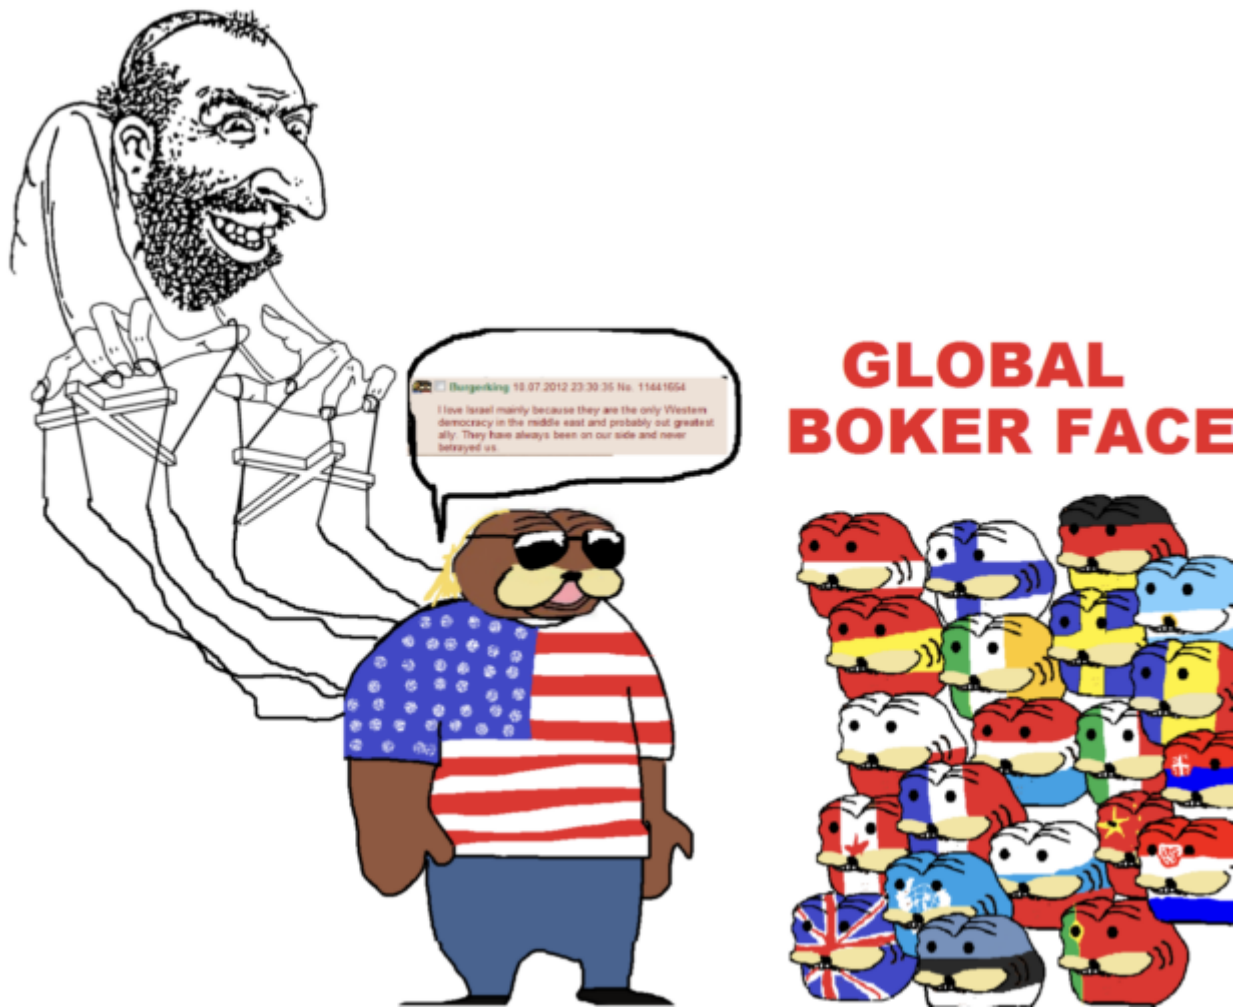

Taková aliance by zahrnovala „to společenství sdíleného osudu, o kterém mluví náš starší bratr prezident Si Ťin-pching“, nebo „ten multipolární a multicentrický svět, o kterém mluví náš starší bratr, prezident Vladimir Putin,“ dodal Maduro.

"Aby tento svět přišel, je zapotřebí sjednocený a vyspělý latinskoamerický a karibský blok," zdůraznil.

Každý ví, co se tady děje: tato šílená válka proti Rusku všechny zmátla a svět nyní evakuuje spojení s Amerikou.

Nezáleží na tom, jak jsou Američané hloupí, svéprávní a mimo dosah a mluví o tom, jak jsou arbitry globální morálky. Zbytek světa nežije v mediálně vyvolané psychóze Američanů.

Když se Ameriky báli, mohli chodit v naprosté iluzi a chovat se bez pantů a nikdo by nedělal nic jiného než poker face.

Evropu nyní zcela ovládají ženy a homosexuálové, takže tentokrát jsou na palubě tohoto šílenství. Ale zbytek světa nemá zájem o jadernou válku za sňatky homosexuálů na Donbasu. Lidé jsou vyděšení. Rusko bylo zcela odříznuto od západního finančního systému. Neudělali to ani Německu během druhé světové války.

Duhová vlajka je symbolem amerického imperialismu.

Amerika je jediná země, která začala prosazovat duhovou vlajku jako národní hodnotu (možná také Izrael, ale stejný rozdíl).

Každá země, která s ním nyní létá, tak činí na znamení podřízení se americkému impériu. Přemýšlejte o tom. Neexistuje žádná výjimka.

Jak jsem řekl, stane se: svět pomalu ustupuje od agresivního psychopata, kterým je Amerika.

Ale tady je problém: Amerika ví, že se to děje, včetně některých jejich velmi velkých a důležitých spojenců, jako je Indie a Saúdská Arábie. Vědí, že by to nakonec vedlo ke konci petrodolaru a tím i ke konci americké globální nadvlády. A přesto nevypadají vůbec znepokojeně a ve skutečnosti situaci aktivně zhoršují.

Proč?

Jediné možné vysvětlení, které mě napadá, je, že plánují zvýšit ante a zahájit světovou válku, kterou si myslí, že vyhrají.

Splňuje všechny jejich účely. Vysvětluje mizející bohatství, umožňuje jim donutit vás k chudobě, vytváří jejich jednosvětový systém, kde nikdo nemá žádné možnosti.

Tuto skutečnost byste si měl, milý čtenáři, opravdu uvědomit.

Těch 12 heterosexuálních mužů, kteří stojí na straně Ukrajiny, je jako „možná se ve třetí světové válce konečně vyspím“. Promiň, bubáku: to nejlepší, v co můžeš doufat, je nechat se gangy sodomovat, než tě sežerou.

Pan Maduro je ve svém jazyce docela zdvořilý, pokud jde o silnější vztah mezi Ruskem/Čínou a Latinskou Amerikou. To, co se skutečně musí stát, je solidní závazek (na papíře) těchto zemí říct USA, ať se vyserou. OSN by měla být také rozpuštěna (byl bych rád, kdyby zmizela z New Yorku)

Co je to morbidní fixace na „anální“? Nemám nic proti gayům, ale kdybych trávil spoustu času fantazírováním o buzeraci, mohl bych si myslet, že o nich věřím nejružnějším paranoidním nesmyslům. Co mě zajímá, co někteří lidé dělají ve svém volném čase pro levné vzrušení.

Nezapomínejme, že ve své kampani v roce 2016 Madame Romney-in-a-Pantsuit obhajovala přímou vojenskou konfrontaci s Ruskem v podobě bezletové zóny nad Sýrií. Ruské síly tam byly na pozvání zvolené vlády, prováděly protiteroristické operace a bránily životně důležité ruské národní zájmy. Byl by to docela epitaf pro náš ubohý druh, kdyby se ukázalo, že arogantní Trumpův blázen dokázal navzdory sobě o čtyři roky odložit poslední válku, která ukončila vyspělou lidskou civilizaci.

Chtěl jsem poslat původní článek *Financial Times*, ale je to za paywallem. To je dobré shrnutí.

Americká armáda „připravuje divadlo“ pro válku s Čínou

Peter Symonds

9. ledna 2023

Ve včerejším pozoruhodně upřímném rozhovoru pro *Financial Times* nejvyšší generál americké námořní pěchoty v Japonsku prohlásil, že úspěchy USA-NATO proti Rusku na Ukrajině byly produktem předběžného plánování a příprav – ve vojenském žargonu „připravení divadla“ pro válku. Přesně to dělal Pentagon v Japonsku a Asii, vysvětlil, při přípravě na konflikt proti Číně kvůli Tchaj-wanu.

"Proč jsme dosáhli takové úrovně úspěchu, jaké jsme dosáhli na Ukrajině?" zeptal se generálporučík James Bierman řečnický. Velkou část toho, vysvětlil, spočívalo v tom, že po tom, co v letech 2014 a 2015 nazval „ruskou agresí“, „se vážně dostalo po přípravě na budoucí konflikt: výcvik pro Ukrajince, předběžné rozmístění zásob, identifikace míst, z nichž mohli bychom provozovat podporu, udržovat operace.“

„Tomu říkáme divadlo. A divadlo připravujeme v Japonsku, na Filipínách a na jiných místech.“ Jinými slovy, USA chystají past na Čínu tím, že ji nutí k vojenské akci proti Tchaj-wanu stejným způsobem, jakým vyprovokovaly Rusko k invazi na Ukrajinu po puči podporovaném USA v roce 2014, který svrhl proruskou vládu.

Generálporučík James Bierman je velícím generálem Třetí námořní expediční síly (III MEF) a námořní pěchoty Japonska...

Cílem je daleko užší integrace amerických a japonských sil. Místo toho, aby se japonské vojenské skupiny střídaly, aby operovaly po boku amerických sil v Japonsku, byly nyní specifické jednotky označeny jako součást „zástupné síly“ po boku jejich protějšků americké námořní pěchoty, námořnictva a letectva.

Bierman také poukázal na to, že podobné přípravy probíhají na Filipínách, kde má vláda v úmyslu umožnit USA umístit zbraně a další zásoby na dalších pět základen kromě pěti, kam již mají přístup. „Získáte pákový bod, základnu operací, která vám umožní mít obrovský náskok v různých operačních plánech,“ nadšeně...

Maybe Filipinos but I don't see modern Japs being able to be brainwashed and made into proxy warriors and sent to the slaughter like the pathetic Ukrainians. And I guess South Korea

and Japan have to do what we say because we militarily occupy their countries.

Andrew Anglin has impressive pulse-reading ability. But just like he predicted Kanye would blow the lid off of Jew supremacy in America, he miscalculates. He believes people and governments are sovereign. But they answer to the money power. We don't even hear about Kanye anymore. Jews have dropped him from the radar screen other than he got married to a slightly fuzzy, Kim-look-alike the other day. We are going to need an overt, violent revolution to bring down this tyranny.

They know that this would eventually lead to the end of the petro-dollar and thereby the end of American global supremacy. And yet, they don't appear at all concerned, and are in fact actively making the situation worse.

Why?

Because America has always been a Satanist country. However, Satan was executed last year. They relied heavily on Satan's sponsorship. Now there's nobody to rein them in when they get real dumb.

I like to say net worth is a genetic trait. The entity pegging America's wealth and power used to be Satan. Now it's some dumbass mortal.

Inviting Russia *and China* into their region will drive the Langley knuckeldraggers up the wall. It brings Marlowe's let's-you-and-him-fight Ukraine war home. Put some SATANs in Venezuela targeted on Langley, that would be fuckin great.

AA is like The Bible. There’s a lot of deep truth in there as long as you don’t take it literally, or hope for airtight consistency.

The central premise of this article is that a lot of the world is so pissed off at or freaked out by the US that they’re actively looking for other partners. That’s so 100% spot on, even mainstream media propaganda can’t deny it, just downplay it.

Whether or not the crazies in power are really trying to start WW3, it’s a valid theory based on what it looks like.

“...But here’s the problem: America knows this is happening, including with some of their very large and important allies such as India and Saudi Arabia. They know that this would eventually lead to the end of the petro-dollar and thereby the end of American global supremacy. ...”

Great summary, Mr. Anglin, with which I completely. In his response to Russia’s SMO, Gramps has made allies of Russia and China and much of the rest of the Global East and Global South. In his response to Russia’s SMO, Gramps has assured the destruction of the USD as global reserve currency, as well as the deindustrialization and impoverishment of his European colonies and the breakup of NATO. None of these changes are reversible.

“And yet, they don’t appear at all concerned, and are in fact actively making the situation worse. Why? Well, the only possible explanation I can think of is that they are planning to up the ante and start a world war, which they think they will win...”

Call me an optimist, but I’d propose another explanation. American Neocons, the authors of Gramps’ sanction-based response to the Russian SMO, thought that the West could frighten Russia with sanctions and with the inadequate Ukrainian military. (Remember, American Neocons belong to an ethnic group that specializes in pilpul, elaborate sophistry unconnected to reality.) Now the US is finding out that 1) Russia isn’t scared of sanctions or the Ukraine Army and 2) Russia has a greater relevant industrial and military capacity than the entire West. But Gramps is committed to his original plan of action and hasn’t figured out how to drop it.

Since the West doesn’t have the capacity to wage a world war and America won’t initiate the use of nukes again, I expect that Gramps will soon enough decide to end the whole Ukraine

Adventure, look for an excuse, exit and drop the whole thing down the memory hole, as he did with the Afghanistan Adventure.

What might be the excuse? The Republicans might do Gramps a favor and cutoff funding. I'm not optimistic about that. The GOP has never shown any instinct for doing the right thing, but let's hope for the sake of the Ukrainian people and humanity in general that they do.

The schizophrenic state of ZOG “America”/Anglosphere/NATO is the schizophrenic state of the Satanic “Jew’s” mind, and its corrupt and depraved stooge’s mind. And it’s getting worse by the day. The stiff-necked “Jew” will keep doubling, tripling, quadrupling down on their schizophrenic and delusional propaganda, military campaigns, Talmud sanctioned child rapes, druggings, human engineering/experimentation, Golden Calf multicult propaganda etc. because they’re demonically possessed.

We all know what the founder of true Judeo-Christianity (not ZOG pseudo “Christianity”) was forced to do to his kin — his very blood — once they became demonically possessed. It was all very unfortunate, but entirely necessary for human progress into Christianity.

These ZOG “Christians” and “liberals” and “libertarians” today are like multicult/LGBTQ worshippers — demonically possessed schizophrenics, psychopaths and sadists. England has long had a huge component of homosexuals because it has long been infiltrated by the Satanic ((Cousinhood)). The insanity and Satanism has spread into the Anglosphere from these creatures headquartered in the City of London.

This kind of stuff from Forbes— an American business magazine — is a pretty good indication that the U.S. is ginning up for a war against China. Note the wording, “*save Taiwan*”.

There's a lot of deep truth in there as long as you don't take it literally, or hope for airtight consistency.

">the Bible is wrong and inconsistent because jews told me it is"

Still spamming that old canard, huh.

So everything is truthful in the Bible for you? I agree with Sollipsist's statement. The Bible is NOT the journal for all human conditions.

The presentation to me as a child of Christianity was from the very beginning coerced, in very similar ways that the Coronaprank was coercive on so many.

Jesus was an enlightened human being that became an celebrity by a group of people that did not understand that they too can "live" like Jesus, because they had no concept of self sovereignty.

| Why do I keep reading Anglin's posts?

two reasons

first is his sardonic hyperbole which has an uncomfortable ring of truth to it..

“China is peaceful, whereas America wants to use war to force everyone on earth to have gay anal with children.”

and second is his astute (if irreverent) pen, when it comes to the most salient and immediate issues of the day..

“The Venezuelan president went on to say that the bloc would create “new poles of power,” and would be allied to Russia and China, the leaders of which Maduro referred to as “elder brothers.”

As the planet teeters on the brink of WWIII, ZOG does not know how to back-down, even when their insane unilateral demands have been routed by the multi-polar world.

The defining quality of ZOG seems to be hubris, which is another word for ‘chutzpah’, which is a quality they exalt as a virtue, perhaps among them, the most admirable.

And when their hubris was an inside joke, as they pushed and pushed, as others always gave way- out of charitable gentility, it reinforced their collective delusion that hubris is a winning virtue, until it isn't.

It should be increasingly clear for the rest of the world just how bad ZOG has become, there can be co-existence with such an evil entity, either it is destroyed or the entire world will be consumed by this cancer.

Venezuela needs to invite both Russia and China to host their nuclear weapons ASAP. Cuba needs to do the same, and unlike that wimp Krushchev, any attack or naval embargo on Cuba needs to automatically trigger direct nuclear strikes on core ZOG lands.

The use of the “doomsday weapon” as a military strategy rather than just a deterrent, is so utterly insane that one might conclude the American deep State has drunk the kool aid. There is another possibility: the claim that goes back to Hiroshima is correct. As an explosive weapon nuclear weapons are a hoax. If used on a population, the infrastructure, would remain. The population would mostly survive if the population were locked down in their homes, took regular vaccinations, were under constant surveillance, and outside their homes wore masks. We have already had its dress rehearsal. The billionaire class are building bunkers in New Zealand. Prince Harry and Markle as reported in Spare, discussed going to live most of the time in New Zealand. All America’s proxies are providing military aid to Ukraine. Russian nuclear attacks would be strategic. But the sheeples in the proxy countries would be easily terrorised into returning to 2020 while the billionaires party.

I want to turn to the USA as it existed in 1987, but it appears to be gone with the wind. Maybe, besides God, we have no where to turn now but ourselves.

Let's be honest here: a lot of us want the fag west to fail, and some of us are cheering for whatever imperfect entity will achieve that. That doesn't make them our friend. But, we can still do business with them. Just don't descend into fanboydom.

“Redemption” means “to buy back.” Who did Jesus sell humanity to?

By the way, what’s my slave price on the heavenly slave market? What does Jesus (allegedly) have to pay for me?

I’m always amused by Christian miracles.

He made bread. And wine. And fish. So he’s a combo oven-cask-fishing rod. But, like, efficient, see. Sometimes he has pontoons on his feet.

Even taken at face value...what, this is supposed to be an avatar of the omnipotent creator god? Is this seriously the best he could come up with? At least give me a nice painting. Maybe a giant buddha statue, christ ver?

See also: the “omniscient” creator god couldn’t conceive of putting a Fence around the damn Tree. I guess God hadn’t had children before and couldn’t be expected to know what would happen...yeah...

Even Augustine didn’t take it literally.

It's actually more the opposite. Filipinos won't fight. Their military is beholden to the US ever since it was given its independence after being a colony. Duterte couldn't run again – but he was immensely popular for two things.... he went after drug dealers and he refused to take part in US hegemony operations. The new Marcos was elected on a similar platform... But his family is still beholden to US interests because the US gave his father refuge when he had to flee the country. They also have hundreds of millions in lawsuits against them.

But yeah – Japan has to do what it's told.

But those US military types are nutcases. Russia never planned to take over Ukraine. It's holding the 4 regions it wanted to. The only question is whether they take Kharkov and Odessa for good measure. Ukrainian “soldiers” are being slaughtered daily. They call that a success???? Strange barometer...

It's the psychopath, fake "Jew" Golden Calfer ape ((Zelensky)) who is depopulating Ukraine. Is it deliberate? Indeed. Taking the long view is a fine thing, but when a country is faced, as the USA was in 2016, with what seemed to be the predestined election to the presidency of the single most corrupt candidate for high office that this country had ever disgorged, the appeal of “going for a quick fix” increases by a thousandfold.

I no longer find it easy to say or think anything good about Trump, but the fact that he isn't Hillary is as true now as it was six-plus years ago. Had more of us taken the long view in 2016, the witch would now be in her second term—assuming, that is, that North America still existed as something other than a heap of nuclear rubble.

If you go to the zionist oligarchs' WEF website at weforum.org, they tell you some of their policies. One of the main ones is deindustrialisation of the countries they control – the West and the EU. Covid lockdowns and refusal to buy cheap Russian energy are recent applications of that policy. US 101 playbook is to divide and conquer so long as these foreign wars do not reach the US mainland. US wins no matter what happens as long as they have foreign stooges doing most of the fighting and most of the dying in their own neighborhood / backyard.

Back to point, accusatory inversion, perjection, by schemers, bunch of child assaulting transvestites, hidden same time in our face, pretend to be victims as they dictate others not speak, so can then do more assault. On a related note, Finland and Sweden will invite justifiable Russian missile strikes or pre-emptive invasion if they host US / nato troops, tanks, or missiles. And yeah, "advisors" count as troops.

Russia can destroy every military base, train station, electric power plant, TV/radio headquarters, and bridge across Sweden or Finland if they're foolish enough to keep provoking Russia and helping the US to resume efforts to encircle Russia.

he does this so frequently and in such detail that there's certainly a purpose behind it. I think what andrew's doing is creating an association in the minds of his readers between the repulsive sexual behavior of homosexuals and america.

q: what is america?

a: america is [homosexual behavior I choose not to describe, but which andrew does].

he drills this message into his readers every day on his website and has been doing so for years. the intended effect is for the reader to be grossed out when thinking about america.

nationalistic feeling in a healthy heterosexual american reader hopefully become impossible because andrew has programmed the reader to think america is [detailed description of aberrant sexual behavior provided by andrew]. clockwork orange stuff.

the problem for andrew is that by repeatedly describing in detail these repulsive homosex acts, he is also creating an association between HIMSELF, his website, his writing, and these repulsive homosex acts.

Yes, but I doubt that the people of the West will learn even then. They need to be defeated militarily and then re-educated. I doubt it's worth Russia's while to do all that and it requires too much of an effort beyond their capabilities. If Russia is attacked it just has to bomb the hell out of the West and defend their own territories. Sure they could charge to Paris and beyond but occupying such a large territory would not be possible. They did get to Kiev in no time at all but keeping it proved to be too difficult, so what chance would they have with Warsaw, etc.?

Because he's succinct, brief, and to the point. Unlike some other authors here whose articles are the length of a thesis and take forever to read.

Yes, that's one reason I often turn to Anglin first. He can be dead on target and he can be various degrees of wacko, but you don't have to hunt through 4,000 words to discover the payload.

The U.S. Navy Submarine Force Could Sink The Chinese Fleet And Save Taiwan,
But At The Cost Of A Quarter Of Its Boats

<https://www.forbes.com/sites/davidaxe/2023/01/10/the-us-navy-submarine-force-could-sink-the-chinese-fleet-and-save-taiwan-but-at-the-cost-of-half-its-boats/?sh=1b2bb7203c36>

So which is it, half its boats or a quarter?

Or doesn't it matter, let's do it anyway?

@Etruscan Film Star

And I suppose if you're in a country where you can't access the RT website but can get to DS then you'll pretty much get most of the news from RT. You don't necessarily have to agree with his commentary or spin, although it is often humorous.

If there was ever a real fight for a homeland for based Euro Christians, I fully intend to support the effort.

But, right now, all I see are webzine comments.

Just like the J6ers were lured into a trap at the Capitol building.

I’m sensing these brilliant strategists have a date with their own petard.

But as we’ve seen, the rainbows are now in charge of the military, right? So why shouldn’t butthex be the driver for American belligerence? And unless I just missed it, Russian women look nothing like our Starbucks harridans. Never underestimate the power of looks-jealousy.

Indeed the homo club adopting the rainbow as their symbol is a complete affront to the Creator. The rainbow was a sign of a covenant that seasons and reaping would continue.

Homosexuals are against human production.

Methinks that the trap will not be Globo-Homo’s to spring. In fact, methinks that Taiwan will become a Special Administrative Region (SAR) of the the PRC without a shot being fired.

Not good news for U.S. arms manufacturers, of course, but Gen. Woke Token Austin will probably still be able to return to Ratheon in some capacity.
