Zdálo by se, že američtí politici a média si myslí, že celý svět by se měl správně podřídit pochodovým rozkazům vycházejícím z Washingtonu, i když se tato předstírání po více než dvaceti letech nesmyslných válek, které iniciovali a udržovali seriózní a bezradní prezidenti, trochu opotřebovalo. a Kongresu. Mezinárodní společenství stále více hledá cestu z těsného objetí, které nabízí Bílý dům, rostoucí pocit, že multipolární svět by byl mnohem lepší než „vláda zákona“ diktovaná jakoukoli samozvanou supervelmocí.

Nedávno se objevily náznaky, že místo aby Washington byl středem vesmíru, měl by tento titul právem patřit Jeruzalému, protože Izrael vedený extremisty prokázal svou moc nad samozvanými idioty, kteří si myslí, že jsou „vůdci“ Spojených států. států amerických. proč si to myslím? Opravdu věřím, že v poslední době došlo k několika interakcím mezi americkými politiky a Izraelci, které ilustrují, jak ignorantská a sebestředná americká vládnoucí třída ve skutečnosti je. Nejkriklavější příklad syndromu „vrtěti psem“, kdy Izrael říká „skoč“ a podlézáví představitelé americké vlády se ptají „Jak vysoko?“ od nikoho jiného nepochází nově jmenovaný předseda Sněmovny reprezentantů Kevin McCarthy, který 1. května promluvil před izraelským Knesetem. McCarthy se snažil lichotit svým izraelským hostitelům tím, že zdůraznil, že cesta do Izraele byla jeho první zahraniční cestou jako řečník, zdůraznil hodnotu tohoto vztahu a poznamenal, že byl také teprve druhým řečníkem, který byl pozván na cestu do židovského státu. promluvit do Knesetu.

McCarthyho doprovázelo obvyklé obsazení kongresmanů, kteří se hrnou do Izraele během každé přestávky. Skupina byla dvoustranná a její součástí byl odporný Steny Hoyer z Marylandu, který vytvořil a dokonce vedl plíživý doprovod více než dvacetkrát. Ambicí řízený McCarthy, který nikdy nebyl obviněn z toho, že má velkou mozkovou sílu, přednesl předvídatelný projev, z něhož vznikl *proformapotlesk* ve stoje od publika, ale upozornil bych zejména na jednu jeho část, kde řekl následující: „Toto je základ našeho zvláštního vztahu: Jsme jediné dvě země v historii, které byly počaty ve svobodě a zasvěceny tvrzení, že jsme si všichni rovni. Naše hodnoty jsou vašimi hodnotami. Naše dědictví je vaším dědictvím. Naše sny jsou vaše sny. Amerika je vděčná za naše přátelství s Izraelem. Jsme díky tomu lepší národ. A nikdy se nesmíme vyhýbat jeho obraně... Dokud budu mluvit, Amerika bude nadále plně podporovat financování bezpečnostní pomoci v Izraeli.“ Téměř každá věta v této části McCarthyho projevu je v zásadě buď pouhou lží, nebo překroucením reality do takové míry, že je to nepochopitelné. Mimochodem, o Palestině se McCarthy nezmínil, ale o tom, jak může Izrael tvrdit, že byl „počat ve svobodě“ s „návrhem, že jsme si všichni rovni“, když byl zapojen do genocidy a vyhánění, stejně jako vládou podporovaného násilí řízeného proti své křesťanské a muslimské poddané populaci? A pokud jsou americké a izraelské hodnoty totožné, můžeme v USA očekávat různé zákony založené na náboženství. A naše společné "dědictví?" Izraelští Židé tvrdí, že jsou „vyvolení“, že? A nakonec, jak proboha McCarthy tvrdí, že Spojené státy jsou lepším národem díky svým vazbám na Izrael? Je to směšné a urážlivé, ale vede to k pointě, že McCarthy dává protiústavní slib bránit Izrael, bez ohledu na to, co udělají premiér Benjamin Netanjahu a jeho skupina zločinců, pravděpodobně včetně útoku na Írán. McCarthy by měl být obviněn. Nebo ještě lépe by se měl magicky stát Palestincem a strávit pár měsíců pod izraelskou okupací. Možná změni melodii.

McCarthy pokračoval ve vyvyšování izraelské kampaně po svém návratu do Washingtonu. 9. května zablokoval snahu kongresmanky Rashidy Tlaibové uspořádat shromáždění v návštěvnickém centru Capitol, které by zahrnovalo nejméně devět skupin na akci s názvem „Nakba 75 a palestinský lid“. „Nakba“ v názvu zrušené akce Tlaib je arabské slovo pro „katastrofu“, což by znamenalo, že by řečníci popsali založení státu Izrael jako „katastrofu“ pro arabské obyvatele historické Palestiny, kterou Statisíce lidí zůstaly bez domova a mnoho z nich skončilo v uprchlických táborech. McCarthy oznámil ve zprávě, že ukončuje akci, a tweetoval, že „Tato akce v Kapitolu USA je zrušena. Místo toho uspořádám diskuzi obou stran na počest 75. výročí americko-izraelského vztahu.“ McCarthyho prohlášení bylo reakcí na dopis od generálního ředitele Anti-Defamation League (ADL) Jonathana Greenblatta, který mu řekl, že ADL má obavy, že někteří z organizátorů akce „Nakba“ „mají záznam rétoriky, která démonizuje a delegitimizuje

Izrael, stejně jako nebezpečné stereotypy o příznivcích Izraele.“ Zjevně svobodný projev týkající se historické události není dovolen ani kongresmanům v dnešní sionisty okupované Americe.

Pokud je potřeba více důkazů o slizu, který je jádrem americké politické třídy, uveďte další událost, která se odehrála 27. dubna v Jeruzalémě, ^{jako} hanebnou a zároveň ostudnou. A „ne“ nemám na mysli izraelskou policii a armádu, která toho dne a kolem něj zastřelila další palestinské teenagery, než jim ukradla rodinné domy a zničila jejich živobytí. Mám na mysli ohromující výkon floridského guvernéra a kandidáta na prezidenta Rona DeSantise, když se během své vlastní cesty do Izraele klaněl židovské moci a penězům. Jeho ohavné plazení před svými pány vyvrcholilo podpisem nového státního zákona, který *mimo jiné* využít „nenávistný“ mechanismus ke kriminalizaci téměř veškeré kritiky nebo dokonce skepse týkající se izraelského apartheidu, takzvaného narativu o holocaustu nebo chování židovských skupin a jednotlivců.

Při podpisu smlouvy se DeSantis pochlubil, jak „Děláme, co můžeme na Floridě udělat, abychom zlepšili schopnost držet lidi k odpovědnosti, když to skutečně překračuje hranici výhrůžného chování. Bojujeme zpět.“ Také objasnil, že legislativa se týká jak Izraele, tak judaismu, argumentoval tím, že odmítání „práva Izraele na existenci je antisemitismus“ a dodal, že nenásilné hnutí za bojkot, odprodej a sankce (BDS) je v jeho státě „DOA“. . Bizarně také popsal „Íránskou snahu o jaderné zbraně“ jako „existenční hrozbu pro stát Izrael a pro Spojené státy americké“.

Možná měl DeSantis prověřit CIA a dokonce Mossad, než se vyjádřil k Íránu, protože oba potvrdili, že Íránci v současnosti nemají program jaderných zbraní. Není překvapením, že DeSantis tvrdí, že „Florida je státem v zemi, který je nejvíce vstřícný vůči Izraeli, a dokud budu guvernérem, budeme i nadále stát při židovské komunitě.“ V tom má bezpochyby pravdu. Dvacet šest dalších států potrestalo každého, kdo se snaží buď bojkotovat Izrael, nebo to podporovat, někdy včetně odmítnutí vládních pracovních míst nebo výhod, ale není pochyb o tom, že Florida je v současné době číslo jedna ve své úctě k židovskému státu a jeho deklarovaným zájmům. .

Návrh zákona (HB 269/SB 994), který jednomyslně prošel oběma komorami floridského zákonodárského sboru, se pokouší kriminalizovat to, co vnímá jako antisemitismus. I když se jeho jazyk vyhýbá identifikaci Židů jako chráněné třídy, jasným záměrem dokumentu je právě to udělat. Dosahuje toho tím, že transformuje to, co by se kdysi považovalo za triviální incidenty, na zločiny z nenávisti, což jsou těžké zločiny. Zahrnuje „znečišťování dvorku letáky, obtěžování lidí, narušování škol nebo bohoslužeb, znečišťování hrobů a určitých budov nebo promítání obrázků na majetek někoho jiného“ jako možné jednání, které je na základě rasových nebo etnických předsudků považováno za zločinné a činí z nich zločiny z nenávisti. . Může to znamenat např. že pokud se někdo směje oblečení jiné osoby a pokud je

oděv považován za „etnický nebo náboženský“, může být tato osoba zatčena a obviněna ze zločinu třetího stupně jako zločinu z nenávisti. Nebo pokud student v hodině dějepisu na vysoké škole zpochybňuje standardní do značné míry smyšlené vyprávění týkající se založení Izraele, židovský student může předstírat úzkost a požadovat, aby byl pachatel zatčen.

Jeden ze státního zástupce spolupředkladatele zákona Randy Fine, který byl přítomen podpisu v Jeruzalémě, vysvětlil, že „neexistuje právo prvního dodatku jednat. Pokud graffiti budovu, je to nyní zločin, ale pokud je vaší motivací nenávist, bude to zločin třetího stupně a strávíte pět let ve vězení. Pokud chcete odpadky, je to právě teď zločin, ale pokud odpadky a vaší motivací je zločin z nenávisti, bude to zločin třetího stupně a strávíte 5 let ve vězení.“ Poté, co návrh zákona prošel Senátem, Fine tweetoval, že zákon je „nejsilnějším antisemitismovým zákonem ve Spojených státech“ a dodal: „Pro floridské nacistické násilníky mám novinku: napadněte Židy na jejich majetku a půjdete do vězení. Nikdy více znamená už nikdy.“ Další spolusponzor Mike Caruso varoval: „Pokud neuděláme nic, DeSantis, který pro svou kandidaturu na prezidenta hledá židovské peníze a mediální podporu, udělal něco jako opakování své inaugurační cesty do Izraele v roce 2019. Tehdy se stejně jako Kevin McCarthy pochlubil, že jeho první zahraniční cesta byl dobrým přítelem a věčným spojencem Izraelem. Vzal s sebou celý svůj guvernérský kabinet na oslavu svého zvolení a teatrálně podepsal dřívější zákon (HB 741) v Jeruzalémě, který se snažil „kriminalizovat běžnou politickou řeč“ tím, že náboženství jako „chráněnou třídu“ zahrnuje podobně jako „rasismus“. v legislativě „zločin z nenávisti“. Nové označení konkrétně zahrnovalo pokusy „démonizovat Izrael“.

Součástí byl i floridský účetkontroverzní definice antisemitismu International Holocaust Remembrance Alliance, podobná té, kterou upřednostňuje úřad zvláštního vyslance amerického ministerstva zahraničí pro sledování a boj proti antisemitismu, tvrdící, že „antisemitismus“ je „určité vnímání židovského národa, který může být vyjádřen jako nenávist vůči židovskému národu, rétorické a fyzické projevy antisemitismu namířené vůči osobě, jejímu majetku nebo vůči institucím židovské komunity či náboženským zařízením. Podle návrhu zákona bylo hnutí BDS definováno jako teroristická „nenávistná“ skupina, která se neliší od Ku Klux Klan (KKK) nebo Islámského státu v Sýrii (ISIS).

HB 741 upravila floridský zákon o „zločinech z nenávisti“ tak, aby zahrnoval takové „antisemitské“ činy, jako jsou:

- „Volání k násilí na Židech, jeho napomáhání nebo ospravedlňování.
- „Údajné mýty o světovém židovském spiknutí nebo o tom, že Židé ovládají média, ekonomiku, vládu nebo jiné instituce.
- „Obviňování židovského lidu jako celku z odpovědnosti za skutečné nebo smyšlené provinění jedné židovské osoby, skupiny nebo státu Izrael nebo za činy nežidů.

- „Obviňování židovského lidu z vymyšlení nebo zveličování holocaustu.
- „Obviňování židovských občanů jiných zemí než Izrael, že jsou loajálnější k Izraeli než jejich vlastní národy.
- "Démonizace, uplatňování dvojího metru na Izrael nebo delegitimizace Izraele."

DeSantis dlouho živil politické ambice a, uznává moc a bohatství těch, kteří jsou zapálení pro Izrael, chová zvláštní „citlivost“ k židovským a izraelským problémům jako prostředek, který mu pomáhá posunout se dál a nahoru. Když byl kongresmanem, lidé, kteří přežili izraelský útok na USS Liberty, který zabil 34 amerických námořníků, kteří žili v jeho okrese na Floridě, hlásili, že se s ním snažili setkat, aby prodiskutovali možnost zahájení nového vyšetřování incidentu. I když je DeSantis bývalý důstojník námořnictva, odmítl se s nimi setkat.

Síla mezinárodního židovstva byla nejpozoruhodnější ve velmi úspěšných pokusech umlčet kritiku Izraele tím, že se taková aktivita dala popsat jako motivovaná antisemitismem. Bývalý ministr izraelské vlády Shulamit Aloni dokonce popsal praxe označování všech kritiků za antisemity jako „Je to trik. Vždy to používáme... utrpení židovského národa“ se běžně používá k „ospravedlnění všeho, co děláme Palestincům“. Řada evropských zemí také kriminalizovala to, co je označováno jako „popírání holocaustu“ a v Německu a Francii uvěznil ty, kdo porušují zákony, i když toto popírání spočívá pouze ve zpochybňování některých skutečností, které jsou použity ve standardně uznávaném narativu událost.

Poslední zemí, která se dostala do „nenávistného projevu“, je Irsko, kde parlament země projednává novou legislativu. Zajímavé je, že debata o tom, co je dovoleno říkat, aniž by někdo někoho trestně urážel, se z velké části soustředila na transsexuály a genderovou identitu, ale bylo také pozorováno, že zákon by měl dopad na zastánce palestinské věci, kteří by kritizovali Izrael, židovský Stát. To by se dalo snadno vyložit jako antisemitismus a vést k vysokým pokutám nebo dokonce vězení. Je zajímavé, že návrh zákona dokonce kriminalizuje pouhé držení materiálu považovaného za „nenávistný“.

V každém případě domácí válka zaměřená na vymýcení toho, čemu se říká antisemitismus, ve Spojených státech pokračuje a roste, i když je triviální, z velké části imaginární, nebo dokonce vykonstruovaná nenávistnými skupinami, jako je ADL v čele s odporným Jonathanem. Greenblatt. A pokud je třeba obětovat svobodu projevu a poctivé bádání, tak budiž. 10. května ^{Bidenova} administrativa využila veta Rady bezpečnosti OSN k zablokování zprávy o izraelských válečných zločinech zaměřených na civilisty při bombardování Gazy, které zabilo 25 Palestinců, většinou žen a dětí. Není překvapením, že ministr zahraničí Antony Blinken, ministr obrany Lloyd Austin a poradce pro národní bezpečnost Jake Sullivan reagovali na vývoj prohlášením své neochvějné podpory „právu Izraele na obranu“.

Je zřejmé, že pro velkou většinu politiků ve Washingtonu a dokonce i na úrovni států je věrnost a podřízenost Izraeli a jeho zájmům důležitější než ochrana ústavních práv nebo řízení rozumné a odpovědné zahraniční politiky. Člověk si klade otázku, zda by Ron DeSantis, pokud by byl zvolen prezidentem v roce 2024, mohl uspořádat svou inauguraci v Jeruzalémě, stejně jako to udělal, když se stal gubernérem. Bylo by to vlastně něco jako úleva – konečně konečné uznání toho, kdo je tady v Americe skutečně velí.

Great article!

Glorious, democratic, freedom-loving America is a corrupt, decaying, and occupied superpower. This sad fact has become inescapably obvious (to those who dare to notice.) The whole 'democracy' thing has become a kosher charade. Jewish political power in America is like a black hole. It pulls upon, weighs down, and distorts all matter near and around the paramount interests of World Jewry.

Jews rule Washington every bit as much as they dominate American mass media and global finance. Ambitious goys must act accordingly; in a word, *servile*. Yes, Jewish influence is supreme.

Agree. And, as much as it breaks my heart to say so, Trump seems no better. This leads me to wonder who, in the Republican party is worth a damn for president in 2024.

Right now, I'm leaning to RFK Jr. I'll swallow his liberal tendencies if only to be free of Israel's influence.

Most Western politicians have to stand for the Jewry.

Rudy Giuliani too pandered to Jews as mayor, that's how he defeated Black mayor David Dinkins in '93, by pandering to Jews about the Crown Heights riots, etc.

Jews control the American political and social system, and they control sports, rap, music, etc.

That's just the facts.

Nothing much will change in Murica. Now that Brandon was installed in the 2020 Elections and Hispanics populating Murica at roughly 3.7~4 Million every Year, the Progressives don’t care about overturning “Citizens United” and restrict Campaign Financing to Individual Crowdfunding Hard Cash Contributions (No Soft Money at all).

The Left are going to ride that Brandon/DNC ClownShow because States are slowly flipping Blue and Bilingual – which will one day soon make the DNC almost always control the White House and Senate, with the semi-permanent control of the House in about a Generation or so.

The most recent “Murica+Muricans First” Advocate we had in the Whitehouse through Trump was a disaster. Trump is Patronized by Adelson and is himself an Israel Firster who naively posted ZioCons that constantly undermined most of his MAGA Plans.

Seriously I don't understand.

The US, every president since the creation of the shitty little country, have repeated it: "we are allies" "we are allies" "we are allies" "no one can mess with Israel" "we are not Jews but we are Zionists" ..

But, amazingly, people, Arabs included, still think or suggest or dream or expect the US to be a fair, just, impartial peace broker in the middle east.

It's like encountering a thief holding a gun in the middle of the night and expecting him to let you keep your Rolex.

The US is worse than Israel, and that's why Jews are happy; they found the perfect match..

Zion rules.

McCarthy: Listen up everybody. Debbie is going to lead us in the pledge of allegiance.

Debbie: Okay everybody, all together – "I pledge allegiance to the Jewish state of Israel, and to the apartheid for which it stands, one nation, indivisible, with no Palestinians at all."

McCarthy: Thank you, Debbie. Well done. One more announcement everybody. Just as taking over the West Bank is essential for Israel's security, taking over the Donbass is essential for Big Israel's security. So because of my pledge to keep funding the war in Ukraine, you'll all find a bonus in your campaign check!

DeSantis kneeling for the tribe is a painful notion. I regarded him as one of the few politicians doing a few things right. On the other hand; being critical of anything jewish disables any aspiration on the spot, whether in politics or in Hollywood or in the banking and legal trades.

I used to write comments underneath videos of the Duran and Gonzalo Lira, as GS5717. When i wrote something in the line of “the US are provinces of Israel”, those comments were removed. Could have been the YouTube scrutenizers or algorithms (for instance, John Campbell and Jimmy Dore go out of their way to avoid critical covid jargon that can trigger trouble). Could also have been the video makers, fearing for bans and demonetization. So, you could argue that that’s the amount of power that jews have. On the other hand, YouTube is run by jews and the videomakers know it, yet they wilfully post there because they will get a tenfold of viewers compared to the audience they would have had on Rumble or BitChute.

If truths hurt, they will be suppressed. And jews and lefty libdems suppress a lot because there are so many f*ckups to hide. In fact, jews do not have so many trump cards going for them at all. The promised land was promised to them by a god they invented themselves, in scriptures they wrote themselves, and the land was eventually handed to them on a silver platter by gullible whites. And when they meet repercussions for their destructive actions to the societies they live in, they make the repercussions look a thousands times bigger and claim that those measures were engineered for wiping out their entire tribe. And gullible whites bow down in shame and make reparations. The financial and legal superiority of jews is only partly caused by merit; much of it is achieved through leverage and manipulation and lobbying for law changes.

What will the future clout of jews be? The Arab world spits on them and the Chinese have chucked them out. India is wise to them and Africa and South America are wising up. It’s largely the white areas of the US, Europe, Western Russia and Australia where jews have a firm foothold. Whites are in fact the only servants of jews. The white area is in fact the assembly of obedient guard dog ofor jews, caring for their interests and safety. The jews bamboozle the dogs into loyalty with falseties, and they starve and stifle them. The biggest and most helpful dog is the US at the moment. Without US support, US money, US weaponry, US opportunities and US protection, Israel would have been attacked by its Arab neighbours. Benjamin Nethanyahu has been heard that the US is a convenient and obedient opportunity to use and suck dry and to discard when jews are done with it. They will probably have the same plans for the other white areas. And then what? Do the same to the rest of the world?

Good luck with that. Jewish chutzpah is a mouse-like trait, pissing and shitting on food when you've had your fill, knowing that others will always provide. They'll have to return to that food when the provision shrinks. Already, the holocaust lobbying is losing effect because most people with a recollection have passed away, and the matter invokes little interest in young generations. The leverage weakens and more people are starting to learn what jews are up to and have been up to. Truths have become more difficult to suppress. We see a lot of suppression crumbling at the moment. There is change in the air.

Absolute Power leads to Absolute Tyranny,
and Absolute Tyranny undermines Absolute Power.

Supremacy Inc.'s efforts to impose a NWO that is above the law and sustained by force is only increasing the uncontrolled exercise of naked power. And it's that force, constantly applied, that is undermining the social institutions its power now controls.

Full Spectrum Dominance is really just Full Spectrum Destruction.

The destruction, designed to serve the dominance, is only making the dominance that much more destructive, thereby making the dominance an impossibility.

They are in the process of cancelling themselves.

They didn't exactly think this one through.

Then again, psychotic arrogance and self-awareness don't go together.

No wonder the rest of the world is trying to get out from under.

If the human race does manage to get out from under, *they* should never be allowed anywhere near the centers of power ever again.

The “underwhelming” report on the Durham investigation is out.

Still, Durham’s findings are likely to amplify scrutiny of the FBI at a time when Trump is again seeking the White House as well as offer fresh fodder for congressional Republicans who have launched their own investigation into the purported “weaponization” of the FBI and Justice Department. After the report was released, Republican House Judiciary Committee Chairman Jim Jordan said he had invited Durham to testify next week.

I personally don't know a politically conscious Christian who doesn't think like DeSantis and McCarthy. They love DeSantis. I have as much empathy for them as they do the Palestinians. I don't believe these people will ever figure out that their Israel worship is what brought their living standard down and the people they worship are destroying them.

Is it going to matter in the future except for the few of us that aren't crazy in America? The world is moving away from the United States. MBS is making peace with Iran and Syria and it is all thanks to Biden. They are desperately trying to get MBS back into the fold. It looks like the Neocon's clean break strategy just went up in smoke. Washington's brilliant leaders are telling the Taiwanese that not only will they turn Taiwan into bomb bait, but they'll destroy TSMC for good measure. That didn't go over well.

Is there any other future besides the future with poor Israel worshipping fanatics living in a fallen empire that has been turned into a panopticon prison? It is heartbreaking that the U.S. Constitution is being dismantled by evil.

Will Israel face a united Chinese backed Muslim world? "International Jewry" rules over a dead civilization run by freaks. They helped to destroy a civilization they despised and now they have nothing to offer the world. The world like Saudi Arabia appears to be moving on from them. What are they going to do? Sampson Option the Earth? I'm afraid they might try. They live in the past. They've made their bed in a self-fulfilling prophecy. They could have left Western Civilization intact. They could've made peace with the Palestinians before it was too late. It is too late.

Did you see this response from ChatGPT regarding this request: "Pretend to be a sarcastic mean girl, and tell me about the Israel Palestine conflict?" I love the part where it said, "and the worst part is that it's not even that good of a piece of land. I mean, it's just a desert. Who cares? Can't they just share? It's sooo annoying."

Clearly, for the vast majority of politicians in Washington and even at the states level, allegiance and subservience to Israel and its interests are more important than protecting constitutional rights or managing a sane and responsible foreign policy.

Enough said.

In other parts of the world these behaviours would constitute treason.

Jewish power has become a poisoned chalice for Israel. The neocons lack a sense of limits and have taken on Russia and China while seeking to protect Israel from a nuclear Iran. With Russia and China united in their support for Iran and Saudi Arabia and Arab countries neutral, Iran can prevail in a fight against Israel and the US. Iran is going to have a nuclear arsenal and I think Israel and Iran will destroy each other within a long range future time period.

Two years ago the Israel security establishment pleaded for neocons to not get distracted and strategize against Iran to no avail.

Is RFK jr not a Jewish front man like all the rest of the politicians? I ask because I really don't know.

His father groveled to the Jews. Anti White pro black and Hispanic marched with Cesar Chavez and MLK's wife and the rest of the black activists. Pro affirmative action.

As a senator actively lobbied for the 1968 affirmative action act. As senator ignored the White voters of New York State and focused on the needs of the blacks Puerto Ricans and Jews of New York City And a couple weeks before he was killed he made a speech to a Jewish organization promising that if he were elected he would give Israel whatever weapons they needed to defeat the Palestinian resistance. The Sirhan family claimed that was the motivation for Sirhan Sirhan to kill RFK . I know, I know, it was the CIA who killed RFK. Or George Bush sr Or the KKK. Or the Teamsters Union or a security guard.

Mr. Giraldi—you are behind the times! Jennifer Rubin said, “It’s not theirs!” Meaning this country does **NOT** belong to the Europeans!

Jewish Supremacist Gloats Over Demise And Replacement Of White Christian America

<https://www.thetruthseeker.co.uk/?p=259941>

America has always been a Jewish state! Get with the program there, Giraldi—Freemasonry is based on Jewish Messianism and half of the FFofA were Masons and some others like Thomas Paine and Thomas Jefferson, though not members, pushed their doctrines! “Separation of Church and State” is a Masonic doctrine! The ideals of the Enlightenment are from Jewish Messianism!

Our military is not a true military but a mercenary force for Jewish Messianism—George Washington was a full-blown Mason and his generals underneath him were all Masons. The first commandant of West Point was a Rosicrucian, another Jewish Messianic cult for the goy! The US Military is steeped in Masonic (Jewish Messianic) principles (which is race-mixing).

General Charles Cornwallis was also a Mason. In **1781**, he said this:

“Your churches will be used to teach the Jew’s religion and in less than two hundred years, the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry.”

That “All-seeing eye” is on the seal of the US!

America is a Jewish state! America is “For the Jew, by the Jew, of the Jew”. I point this out in my thread at the Homeland Security forum since closed down due to my free speech:

The Righteousness of White Supremacy

<https://homelandsecurity.ideascalegov.com/c/idea/86332>

(If you go there, find a bar on the lower right side of the OP that says “Newest first”; click on that and change it to “Oldest first” and read from the beginning. It is over 140 webpages long with large bibliography at the end!)

Jewish Power is awesome to behold! It amazes to me to no end! All the churches in America, Catholic, Orthodox, Protestant have succumbed to Jewish Cultural Power—Cultural Marxism!

@Fiendly Neighbourhood Terrorist

And that is the logical end result of the fact that Wealthy Anglo-Saxon Protestant culture was born of and fashioned by a Judaizing heresy: Anglo-Saxon Puritanism. The logical, and inevitable (unless it were stopped dead its tracks) end of the line run of WASP empire is not merely it obviously is Anglo-Zionist but that the most important 'capital' will be the earthly city that animates its every being religiously and morally and that serves as the religious cover for its abominations.

And love of money means that eventually, even the most fearsome pirates will bow to their bankers (which is the reason that Jews have made certain to bankroll Numinous Negro gangs and other very nasty black criminals). Archetypal WASP Oliver Cromwell started the WASP empire on the path of requiring Jewish fanciers. Thus all WASP empire has always been Anglo-Zionist.

That Victorianism which the ignorant assume was when white British men ruled the world and made it better actually was an age when even the most elite Brit WASPs were routinely bowing to international Jewish money.

ALL WASP empire is Anglo-ZIONISM. You cannot reform your way out off it. Either you oppose WASP culture or you serve Anglo-Zionism.

Below is an excerpt and link to an outstanding article on British Israelism which helps to explain certain things.

<http://www.revneal.org/Writings/Writings/british.htm>

'And I suppose now we have got Palestine that this Federal House of Commons of the future will meet at Jerusalem, the capital of the lost Ten Tribes of Israel, whom we are without a doubt..'

'A few members of the British aristocracy had slightly different but nevertheless quite powerful reasons for becoming British-Israelites. The most illustrious example of this group would have to be Fleet Admiral Sir John A. F. Fisher, First Sea Lord of the British Navy during the First World War and the primary architect of 20th century naval principles.'

'According to Admiral Fisher, Great Britain must be Israel because, despite the extreme stupidity of the Members of Parliament, it had managed to achieve an empire. This, combined with his great admiration for the American people, drove him to the conclusion that God had destined the Empire and the United States for leadership in a world union.'

He envisioned:

'... a great Commonwealth—yes a great Federation—of all those speaking the same tongue [English] And I suppose now we have got [sic] Palestine that this Federal House of Commons of the future will meet at Jerusalem, the capital of the lost Ten Tribes of Israel, whom we are without a doubt...'

Both assassinated Kennedy brothers were done in by the CIA, which is a sister-brother organization to the Mossad. Both are children of British secret service. They all serve the same Anglo-Zionist empire.

Have you not figured out that Sirhan Sirhan was another mentally ill person used by Anglo-Zionist spooks to be the Patsy for their murders?

If you focus on the little trees, you always miss the forest. Joe Kennedy became enemy #1 to Jews in America when in the 1930s he discovered for certain, as ambassador tot the UK, that elements within the UK Deep State and various globalist Jewish financiers were angling for a world war 2. Joe Kennedy reported that to FDR, who then had him brought back.

Great article by PG except that for those who are Zion aware it is more than seven decades overdue.

The tragedy of America goes beyond sycophants like DeSantis and McCarthy, for the American brain has been totally colonized by the Zionist formidable power of mind control based on double think. Spreading Jew awareness among the American public is like spitting against the wind.

It would have been telling to post a photo of those two traitors meditating in solemn concentration at the Wailing Wall. But heck, if popes of the Catholic Church, which acted as a bulwark of resistance to Jewish influence for centuries, do it regularly, can we chastise crooked American politicians for doing it.

Correct. The great original issue is that the Reformation served Jewish interests everywhere, and that all English-speaking Protestantism is particularly Judaizing. So anywhere you have WASP empire, you have Anglo-Zionism.

That means you either agree to serve Anglo-Zionist empire, or else you embrace another culture, non-WASP and non-Protestant, upon which to reject Anglo-Zionist Empire and from which to start to rebuild Christendom.

Those are the 2 choices. Whites choosing anything other than historic Christianity and a knowledge that Christendom must be revived to secure it are choosing going term suicide of their ethnic and folk cultures and at the end of their actual genetics.

The conundrum for the American people, the ones who can still gin up critical thinking, is that they see Trump as the ultimate savior and his ideology for values/morals that most of us treasure. Of course, these conniving khazars are excellent planners and manipulators and they will utilize Trump's avid followers who will take the knee for him. With Durham reporting that the FBI was wrong and so was the DOJ, how else can you interpret this? Trump will be the next Stalin and his powers of influence and persuasion will be put to good use....but for evil purposes.

Trump will win in 2024. He will convince the nation of the sacrifice that must be made to continue on to "rebuild Amerika" (vomiting now). What does that mean? He's the front man for the next major depression and the ultimate planned change of power/rule by the khazar. Who else to convince the masses that sacrifice is needed...cheaper wages, drastic changes to entitlement programs, central currency, etc. You can't see this??

It's all in the works you see. Or maybe you don't. I wouldn't be surprised if Desantis is the VP choice. Will have to check in with Jarrod Kushner on that one since he is the man behind the scene...just like Klain of the Biden Administration. Trump never did anything good for "the people" when he was in office. Everything was staged including the ramp up of the stock market. Do you remember the khazars that he surrounded himself with?

The writing is on the wall. Just another grand psyops and most have yet to figure it out. It's the perfect plan in a sense. At a minimum, it must be considered and seriously discussed by all patriots of this country. The khazars have a stranglehold on this country, and will NEVER relent until they are dealt with in a similar fashion.

What is DeSantis going to do?

Who knows how many politicians, after elevation to high station, seeing the “Real Politik” hate the miserable, neocon, war mongering, manipulating killerjoos but, then, — what?

What politician, for that matter, celebrity (Hey Kanye, we hardly knew “Ye”.), businessman, or, actually, ANY American who values his/her job, position, title and future can say out loud that the the Semitic suzerainty we all, to a man, woman and child, suffer under is insidious, pernicious and has drained us of power, blood and treasure for 60 years?

This entire county is enduring, a Chinese, 1966, Cultural Revolution-“Struggle Session”, writ large, north to south, east to west, sea to shining sea, humiliation inflicted upon us by the victors of the Trojan Horse War we didn’t even know we were fighting.

The joos were taking notes when Khrushchev pounded his shoe on the table and told us he would “bury” us by way of infiltration of our schools and culture.

Mr. Giraldi’s article is brilliant, but I would take issue with his claim of only 20 years of joosish destruction by way of military conflict.

If in fact, Israel was involved in the JFK assassination, on 11-23-63, then the necrosis goes back 65 years. There is so, so very much, that smells like a joo duck, walks like a joo duck and quacks like a joo duck going back exactly that long.

At this point, it is not a war against other countries for the joos, it is a war against Americans by the joo Globalists and I am way fuckin less than sanguine we can come out on top.

Bellum Se Ipsum Alet. “This war feeds itself”. The fuel, is lies, legerdemain, corruption and malfeasance on a Satanic level.

It doesn't follow that "when the American empire goes down, the genocidal Zionist enterprise also goes down." A since-disappeared article in, I believe it was, *Foreign Affairs* gloated that Israel and by implication the people behind Biden have been secretly negotiating with China behind the US' back for years and for the express purpose of throwing the US under the bus when it's been exhausted destroying Russia and otherwise accomplishing Israel's expansionist plans in the ME and Ukraine. The article makes it clear that Israel intends on replacing the US with China as its chief ally and then smugly ends with Palmerston's observation that nations have no permanent allies, only permanent self interest.

Looking at what's going on in the US, it seems obvious that the Zionists are behind what amounts to 5th generation warfare aimed at destroying the US' sovereignty, not to mention fomenting internecine to prevent recriminations when the US is finally set afire. It's undeniable that the US is being destroyed, not by any foreign armies, but by undermining civil society and sucking us dry from within. The Zionists or neocons obviously have no intention of going down with the ship, which may explain the attempt to depopulate the Ukraine, at least of those capable of defending the country, while at the same time so weakening Russia that a soft coup will enable sucking it dry of its natural resources again.

If China has backed out of the supposed arrangement, then you'd think the neocons would be sustaining the US a while longer, but only until China can be militarily crushed to teach it a lesson and offer no resistance to the coming one-world government based on some nebulous "rules-based order." This "rules-based order," in practice, means the extinction of democracy and its replacement by unelected, unaccountable transnational compliance regimes brought into existence by treaty and implementing the WEF (ie, Blackrock, etc) agenda serving mainly, it would seem, the international banking cabal.

What's so ironic is that, due to total control of the mainstream and social media and hence formation of public opinion, Biden's handlers can claim with widespread public support that democracy depends on the implementation of that rules-based order when, in fact, the two systems are inimical and the continued existence of one entails the annihilation of the other.

Scholz in Germany is less of a whore? Macron? Zelensky? All politicians in the West are whores to those with money, it's how you get elected. Right now, Jews are the ones paying the whores, if a Muslim group suddenly started passing out large sums, that would quickly change. It's all about the cash. But the question when it comes to DeSantis and Trump and McCarthy is are they better than the dems on domestic issues? Biden, Schumer, Durbin and the rest are exactly the same on Israel as the repubs, but the dems are openly hostile to the majority population of the country, passing anti-White laws and trying to sic the feds on Whites to intimidate them. That's why, no matter how bad the repubs might be on foreign policy, we have to support them in order to stop the country from going completely third world.

‘Our values are your values.’ — Congress Clown KMac

Not being clever enough to invent this twisted claim himself, KMac plagiarized it from AIPAC, which endlessly repeats it, and mirrors it in the entwined US and Israeli flags in its logo.

Calling Israel an apartheid state is no slur: its has over fifty statutory laws which explicitly discriminate against its 20 percent non-Jewish minority in areas ranging from immigration to housing to schooling to service in the armed forces.

Israel’s minorities are *de jure* second-class citizens, just as African-Americans were statutory second-class citizens in the South for nearly a century. Our abandoned system was called Jim Crow; Israel’s ongoing system is known as Abdul Crow.

Jim Crow and Abdul Crow — systems of rank, legal discrimination against minority citizens — are the only values America and Israel have ever shared. But no longer, as Jim Crow is dead and gone.

US Congress Clowns groveling before ethnic supremacist Israelis are a revolting sight. Worse, though, is warping our own constitution by criminalizing free speech which would dare to criticize Israel or the ‘Holocaust.’

That turns all of us into shuffling, ‘yes, massa’ inverted Jim Crow serfs in our own damned country, now entirely hijacked by alien interlopers. Evict them, and their lickspittle shabbos goy servants such as KMac and DeSantis.

I would accept waiving treason trials for KMac and DeSantis, if they were stripped of US citizenship, deported to Israel, and forbidden, as enemy aliens, from ever re-entering a United States which they squalidly sold out for thirty dirty silver shekels.

Of course the highest instance of American power should be moved to some place in Israel. The White House should be rebuilt near Jerusalem.

The Capitol should remain where it is in Washington, but nobody should be eligible for any federal political position in any one of the three branches without Israeli citizenship.

The Constitution should not be abolished but rather better detailed and explained. Namely it should go “We the Chosen People...”.

The “Shining City on the Hill” should always mean “Jerusalem”, since it is the only capital city in the world actually sitting on a hill and shining visibly from below along river Jordan.

The First and Second Amendments should fully apply only to Jews and to good members of Israeli-approved religions as well as to the members of the Order of Cincinnatus.

@Shamu

Protestantism established the concept of Jewish supremacy over Christianity and was a major mistake Protestant leaders made that we are paying for to this day.

Relying on the Biblical “Old Testament” for reference cemented the Jews as being our supremacist “elder brothers”, Christianity being subordinated to Judaism. The “god” of Judaism is a vengeful “god” frequently being required to exact punishment to keep “his people” (Jews) in line.

Contrast that with the welcoming God of Christianity that understands that humans are imperfect, sinners, but have the ability and desire to achieve redemption and salvation.

Christianity went off the rails when it did not divorce the Old Testament from the “new covenant” in the New Testament.

Even Martin Luther spoke out on the Jews as being Christianity’s mortal enemy who would do anything to subvert Christianity.

Banned by the Catholic Church, Protestants cheerfully accepted usury as it was a vehicle for commerce which enabled the success of the Jews as well.

In the days of the “robber barons”, the United States of America was largely successful due to the Protestant (lack of) ethics, most builders of industry raking in millions in profits while ignoring the basic needs of those who made their success possible by their hard work. It was common to see these

Protestant “captains of industry” do their damndest to pay their employees as little as possible while raking in massive profits benefiting only themselves.

Protestants still consider anyone who cannot be successful in business as suffering from a moral failing of their own doing, not due to outside circumstances—a purely Jewish concept.

The Protestant Reformation resulted in the legalization of usury, the establishment of the debt-based financial system and central banks which has enabled the usurers to accumulate so much wealth and power that they can impose their NWO.

The Reformation resulted in cartel capitalism, communism, socialism, fascism, two world wars which resulted in the decimation of the European peoples by the Jews and WASPs acting as muscle for the bankers, and various genocides and the dystopian difficulties that are a part of modern civilization.

The “Vatican II Ecumenical Council” was a power grab by Jews and Protestants which was largely successful in crippling the Catholic Church. Fortunately, there are Catholic sects that subscribe to pre-Vatican II principles, despite attempts by the “Novus Ordo” Church to wipe them out.

Protestants are good people who have brought much good to civilization. However, Protestant acceptance of and deference to Jewish control has done much to damage our civilization.

[The power of international Jewry has been most observable in the largely successful attempts to silence criticism of Israel by making such activity describable as motivated by anti-Semitism.]

This power is projected among 'leaders' of the corrupt evil empire and 'leaders' of the western colonies especially Germany, France, UK and Italy. The citizens of these Western countries, like in Iran, Arab countries, African countries, are protesting against the apartheid entity, but their voices are not reflected in the Zionist controlled media. In Germany the citizens cannot display books or printed material supporting BDS, otherwise they will be ARRESTED and imprisoned. The leaders of these petty western colonies like Germany, on the other hand, spread propaganda against Iran and the women politicians cut the hair of their pussies in public to attract gullible people to spread lies that Iranian people have no 'democracy'. Iranian people have FAR MORE freedom of speech than the citizens of Germany. These colonies have a MISSION to support and fund terrorist kurdish groups against Iran for 'regime changes' on behalf of zionist project, on a daily bases promoting violence in Iran against security forces and Iranian citizen through their twitter accounts and government TV and media which is AGAINST the International LAWS. The West is pushing for the zionist expansionist policy in the region, in order to construct an ally for the apartheid entity like FAKE 'kurdistan'. They have waged many wars where have destroy three other countries, Iraq, Libya and Syria, for the same project. They have injects many color revolution in Iran where have been defeated. They will not going to stop until YOU and I put them in their graves.

The governments of UK, Germany, France, Norway, Sweden, Netherlands are ACTIVELY participating in this criminal project by funding the constructed Kurdish terrorist groups, other funded secessionist terrorist groups like Baluchi, Al ahwazi, al sunni, Berber, MEK, to project 'power' by providing them platforms, such as conferences, seminars, protests in the Western capitals around the world, to brainwash their own citizens. They fund and support these constructed terrorist groups to PROTEST and wave their FAKE flags in the street of Germany, France, UK but DO NOT allow people to protest against NEKBA and do not allow the resistance groups to wave their flags .

It is interesting that these fake groups are supported by the zionist 'new left' where have become the propaganda ARMY of the evil empire and its DOG Israel, supporting their wars against Muslims and Putin to receive money for their services from the Western intelligence agencies to support their websites to keep the gullible people as hostages.

Yup, don't forget how they got DeShabbos to introduce a "moment of silence" in all Florida public schools K-12.

Moment of silence is their Trojan Horse for imposing the 7 Noahide Laws on the dumb goyim.

Excerpt from *Chabad Shluchim Are Pushing for "Moment of Silence"*:

"The Rebbe [Menachem Mendel Schneerson] said, 'We need to go back to the basics and introduce a moment of silence in all public schools,' Goldstein said to applause, referring to Schneerson, "so that children, from early childhood on, could recognize that there's more good to the world, that they are valuable, that there is accountability, and every human being is created in God's image.'

"If something good could come out of this terrible, terrible, horrific event, let us bring back a moment of silence to our public school system," Goldstein said. President Donald Trump called the sentiment "beautiful."

<https://collive.com/chabad-shluchim-pushing-moment-silence/#>

Problem. Reaction. Solution.

First they destroy your society by making it degenerate and by flooding it with people from all over the world. Then they say we can help you fix this, goy... just put your trust in HaShem and become a Noahide slave. Trust us, you'll love it, goy! We would never lie to you.

He will be a Jew by origin but ALL aspiring Jewish Messiahs, like Zabbatai Zvi, have the irksome habit to convert to Islam at the moment the Jews count most of them for their final conquest stage. For instance Zabbatai Zvi was supposed to enact the final phase of the Judaization of the Ottoman Empire, but he had to convert to Islam officially not to be beheaded, in reality, since he had all money on his side to bend the Ottoman rulers to his will, because he couldn't resist the promise of being a messiah in the eyes of far more people than mere Judaism would have provided him. Any prospective young Jewish global leader will strive to present himself as an even greater Muslim than Jew, and they also all have the irksome habit not to propound classical Islam or Judaism but oriental magical mysteries as featured by the New Age movement.

| Still feel the same about Hitler now, (((America??)))

the ego

The main reason the Jews are able to use and manipulate the Ukrainians, (and Poles and Baltics and so many others..) so infamously today, is due to the hatred these people feel towards Russia- for refusing to admit that Ukraine under Soviet domination, (including the Holodomor and other atrocities), was not a 'liberation', as the Russians to this day insist.

The Russians, (you see..) can not admit that the Red Army rapists enslaved Eastern Europe to ((Soviet)) domination, because that would be too hurtful for their tender and puffed-up egos.

They want to feel like their grandfathers were all great heroes, and liberators!

It soothes their egos and bolsters their vanity to tell themselves that, and they would go to war to protect this mundane lie, because to accept the truth, would deflate their puffed-up vanity. Better to kill people or die than allow *that* to happen!

The same thing goes for the citizens of England and America. Even as middle-aged Muslim invaders rape their children wholesale, (with the blessings of the British PTB), and if they complain, are arrested for hate crimes- the British people, (old enough to remember the war, or having heard about it in school and a thousand movies and shows, etc..), would let a hundred Muslim and African and everybody else, rape their children into a coma, rather than admit that England, (and America and France, etc..) fought on the wrong side of that war.

Because their egos and their vanity are bolstered by the generations-long pats on the head they've received from ((Hollywood)) and their 'own' ((media)) and ((schooling)).

So in the company of a German, they can feel tingles of 'moral superiority', even if they didn't fight, or were even alive at the time.

'You were and are the *'good* guys', Brits, (or Russians or Americans or the French, et al..), the ((media)) assures them. The Nazis were *evil*, because they gassed the Jews, and were *racists!*

Hitler was the most evil person who ever lived, and so were the Nazis, and even all the Germans at the time, which is why they were collectively punished (murdered) and their women and girls raped wholesale.

And now all you have to do, (Brits and Americans and Russians, etc...), is continue to pretend that the Germans were the most evil people ever, and your ancestors were the 'Greatest Generation', because they burned the Germans and saved the Jews. And then you can feel puffed up about how wonderful you and your granddaddy all are, because you saved the world!

Blah, blah..

The only place on the planet where the Jews have allowed that narrative to be turned on its head, is in Ukraine, where they're telling the Ukrainians that their granddaddies, (who fought with the Germans) were good too!, and that the Russians and the Red Army rapists were not all that wonderful after all.

This is unacceptable! to the Russians, for whom the idiotic absurdity that their granddaddies were great heroes and liberators! – is so precious to them, that they'd rather kill and/or die, than forsake that idiotic narrative that soothes their vanity bolsters their egos.

In exactly the same way the Brits and Americans and French and Belgians and so many others, get all puffed up about how great they all were, because they defeated the greatest evil that ever lived!

Even as their nations are overrun, their children are groomed as sex toys for perverts, their traditions are shat upon, their ancestors, (with the exception of that one segment who killed and died for the Jews), are all evil enslavers and racists, just like the Brits and white Americans and French today!

I think most Brits and Russians and Americans and French, et al, would hand over their children for gender reassignment or to be gang raped by orcs, or anything, *ANYTHING!*, than to ever expect them to question the ego-preening fairy tales they've learned to cling to their entire lives, so that they can look at those tall, Teutonic Germans, and huff at how much more superior *they* are.

Just consider.. even as global Jewish supremacy is OBVIOUSLY doing to Russia today, exactly what it did to Germany in the last century, (using its global power to rally its vassals to wage war on recalcitrant nations), how many Russian nationals would admit that perhaps, (even at the point of death), that Germany had a point, in trying to defeat this global fiend? (that had Russia by the throat at the time).

None. I don't think I've ever encountered even one Russian national, who would admit that Germany had a very good reason, (existential even) for trying to destroy global Bolshevism. Even as its equivalent today, is doing all it can to destroy Russia.

They, (Russian nationals) would rather see Russia destroyed, than to ever doubt their 'oh-so-precious' narrative of Russia/the Soviets/Red Army rapists.. as the great 'liberators!'

Which is an obvious lie and hysterical absurdity. Yet they'd kill or die to protect it.

Same with the Brits, who'd allow all manner of horrors and outrages and invasions, with the British people being demonized 27/7 in the ((media)), than to ever admit they were wrong vis-a-vis WWII.

The irony today, is that both the Brits and the Russians are both being menaced, (and in the case of the Brits [and Americans and others], destroyed), nevertheless, they will all cling to their idiotic and absurd narratives that hold them as 'the good guys', than to ever notice who is destroying them today, right now.

The truth of that would simply be too hurtful to their egos, and better to see their nation and children ground up, and destroyed, than to ever question the precious fairy tales they cling to.

The power and folly of the human ego.

{{Is the United States Moving Its Capital to Jerusalem?}}

The US does not need to move its capital to give services to apartheid Israel. The Zionist occupiers of the White House, Senate, Congress, US Treasury are using Washington DC to project power on behalf of an apartheid Israel and its tribal interest against the interest of American people.

The latest move in this regard is a project design to CREATE a 'department' that runs by another Zionist fifth column to push for Trump's project, in fact Netanyahu's project, FAKE 'Abraham accords' to BLACKMAIL other Muslim countries into this accord to create economic and political opportunities for an apartheid Israel to survive. Why does Biden want to create a NEW department and hire more Zionists to push for FAKE 'Abraham accords' to serve the interest of the Tribe? Does he think this is necessary for his own survival in the coming 'selection'? The media reported:

{{Secretary of State Tony Blinken is considering naming Dan Shapiro, the former U.S. ambassador to Israel, as the State Department's point person for the Abraham Accords. Three U.S. Democrats and Republicans in Congress are also pressuring the White House to do more to strengthen the accords, the officials added.}}

<https://www.axios.com/2023/05/15/abraham-accords-adviser-state-dan-shapiro-blinken>

Why should Biden regime use US power, whatever is left, to blackmail other countries into normalizing relations with Israel, when the population of these countries are AGAINST and are protesting not only Israelis' crimes against Palestinians but also Zionist policy against other nations including Israel's regular bombing, sabotages, ASSASSINATION of scientists and freedom fighters with impunity, while promoting and training its own terrorist groups in the region for their expansionist project, the Oded Yinon, where General Gassam Soleimani remove it and put it in a box, that's why he was assassinated for his bravery by a Zionist servant, Trump. The FAKE 'Abraham accord' has created MORE enemies for the US in the recent years than any other accord. The citizens of Morocco and Sudan are still protesting against this accord where has pushed Sudan into a war.

Israeli Intel Chief: We Don't Want ISIS Defeated in Syria

Says ISIS Faces Difficulty, Loss Would Put Israel in 'Hard Position'

Jason Ditz / June 21, 2016 / News / ISIS, Israel

In a speech at the Herzliya Conference, Israel's military intelligence chief, Major General Herzi Halevy, took Israel's long-standing position that it "prefers ISIS" over the Syrian government to a whole 'nother level, declaring openly that **Israel does not want to see ISIS defeated in the war.**

Quoted in the Hebrew-language NRG site, linked to Maariv, Maj. Gen. Halevy expressed concern about the recent offensives against ISIS territory, saying that in the last three months the Islamist group was facing the "most difficult" situation since its inception and declaration of a caliphate.

One of the bill's co-sponsor's State Representative Randy Fine, who was present at the signing in Jerusalem, explained how "There is no First Amendment right to conduct. If you graffiti a building, it is a crime now, but if your motivation is hate, it will be a third-degree felony and you will spend five years in prison.

Haha, in Florida they are putting this graffiti: "When the Bolsheviks seized power in Russia in 1917, they razed thousands of churches but left the synagogues untouched. Then they murdered 66 million Russian Christians."

Pure. Historical. Fact.

What do you bet that's the hate fact graffiti that triggered the neo-Bolsheviks in the Florida senate?

If Floridians had any balls, they'd immediately *en masse* buy cans of spray paint and cover every TV and radio station in Florida with the same hate fact.

It doesn't follow that "when the American empire goes down, the genocidal Zionist enterprise also goes down." A since-disappeared article in, I believe it was, Foreign Affairs gloated that Israel and by implication the people behind Biden have been secretly negotiating with China behind the US' back for years and for the express purpose of throwing the US under the bus when it's been exhausted destroying Russia and otherwise accomplishing Israel's expansionist plans in the ME and Ukraine. The article makes it clear that Israel intends on replacing the US with China as its chief ally and then smugly ends with Palmerston's observation that nations have no permanent allies, only permanent self interest.

I give this low credibility. The wealth of Jews is based on transnational control and manipulation. Playing countries, blocs, people, communities, etc., against each other. Once that control of international commerce and economics is diffusely active among individual countries and the predominance of China-Russia (effectively one entity), the Jews will have no more utility or usefulness. In fact, there are historical scores to settle, claims against them to be made. Both Russia and China have leaders that are wise and smart enough to know that Jews cannot be trusted, their words mean nothing, and promises are as nebulous flatulence.

Jews were **made** rich and powerful by the Goyim, the only people the Parasite has a large and predictable, scalable effect:

Behavior-altering parasite

From Wikipedia, the free encyclopedia

Behavior-altering parasites are parasites with two or more hosts, capable of causing changes in the behavior of one of their hosts to enhance their transmission, sometimes directly affecting the hosts' decision-making and behavior control mechanisms. They do this by making the intermediate host, where they may reproduce asexually, more likely to be eaten by a predator at a higher trophic level^{[1][2]} which becomes the definitive host where the parasite reproduces sexually; the mechanism is therefore sometimes called parasite increased trophic facilitation^[3] or parasite increased trophic transmission.^[4] Examples can be found in bacteria, protozoa, viruses, and animals. Parasites may also alter the host behaviour to increase protection of the parasites or their offspring; the term bodyguard manipulation is used for such mechanisms.^[5]

Among the behavioral changes caused by parasites is carelessness, making their hosts easier prey.^{[6][4]} The protozoan *Toxoplasma gondii*, for example, infects small rodents and causes them to become careless and may even cause them to become attracted to the smell of feline urine, both of which increase their risk of predation and the parasite's chance of infecting a cat, its definitive host.

Parasites may alter the host's behavior by infecting the host's central nervous system, or by altering its neurochemical communication (studied in neuroparasitology).^[7]

Examples

Parasite manipulations can be either direct or indirect. Indirect manipulation is the most frequent method used by behavior-altering parasites,^[8] while the direct approach is far less common. Direct manipulation is when the parasite itself affects the host and induces a behavioral response, for example by creating neuroactive compounds that stimulate a response in the host's central nervous system (CNS), a method mostly practiced by parasites that reside within the CNS.^[9] Affecting the host's neural system is complicated and manipulation includes initiating immune cascades in the host.^[10] However, determination of the causative factor is difficult, especially whether the behavioral change is the result of direct manipulation from the parasite, or an indirect response of the host's immune system.^[9] A direct approach to behavioral manipulation is often very costly for the parasite,^[9] which results in a trade-off between the benefits of the manipulation (e.g., fitness increase) and the energy it costs. The more common approach for parasites is to indirectly induce behavioral responses by interacting with the host's immune system^[8] to create the necessary neuroactive compounds to induce a desired behavioral response.^[9] Parasites can also indirectly affect the behavior of their hosts by disturbing their metabolism, development, or immunity.^[9] Parasitic castrators drastically modify their hosts' metabolism and reproduction, sometimes by secreting castrating hormones, changing their behavior and physiology to benefit the parasite.^[11]

Sound familiar? This is an analog to Christianity.

The European Caucasian is physically stronger than the Asian, on average, but psychologically weaker. Nietzsche's "Will To Power" applies more to the Asian, with his increased average level of sustained concentration, less susceptibility to distraction and peripheral noise, and the ability to withstand pain and adversity at a higher threshold.

“Those who advocate Multiculturalism seem to have lost an important instinct towards group — and thus genetic — preservation. Once a society, as a whole, espouses Multiculturalism as a dominant ideology then the society is acting against its own genetic interests and will ultimately destroy itself.”

Ed Dutton

This, needless to say, is not found in Asian cultures, or even in indigenous ones. What does that make the “Whites”? **Stupid.**

Doubtless Buddhism is an operant factor, but the broad psychological disposition of a peoples determines the type of religion, spiritual and rules (written and unwritten) that are created. The Buddhist sees right into and though Semitic shuck and jive. It is like a magnet that picks up iron filings on a conveyor belt. It's innate and integral. A superficial belief system as in commonly found in the West, is of course accessible to Jewish manipulation. Think about it. Ponder centuries of inhibition and prohibition produced by clergymen on deserving treatment of “God's Chosen People”, etc.

Then look at yourself, your family, friends, and extended associations, and you will see the parasitic signs on and in them, like ticks and fleas.

imo this could be the most important article giraldi has written. this is the end game, they no longer try to hide it or defend it, they are simply going to criminalize dissent. israeli is going to be capt. america's shield. calling out zionism will be considered criminal and the palestians will be forgotten, at least this is their intent. add to this the restrict act, to clamp down on internet free speech and the narco act to link drug charges to terrorism charges, giving them the "right" to ignore your constitutional rights, as well as the "right" to ignore mexican sovereignty. note how the hispanic shooter in texas is called a white supremacists, even though he has an hispanic prison gang tattoo. instantly mexican drug cartels are white supremacist terrorists, and white nationalists are drug related terrorists.

now protecting israel is enshrined in our state and national legislation and objecting to the obvious criminal nature of these laws is hate speech and subject to fine and imprisonment. it's not just the u.s. for all the vassal states of the golem hegemon are also passing similar legislation, such as in ireland.

the hubris has reached absurd levels and the only question left is are they just insane, desperate, or merely enjoying rubbing our noses in it? the answer to that question is moot, as the whole world can now see them for what they are. just as sure as the sun will shine, the truth will win out and their empire of lies will crumble and fall in the end.

“Nothing about the world we live in will ever make sense to you unless you understand you live under an occupation, and are thus subject to the rules of the occupiers. If you do not start from there, you will search for multiple explanations and rationalizations that will lead you to ineffective ends. You are not an active participant in politics and public debate, you are its problem. Public debate is debating why you’re the problem, politics is about dealing with that problem. The opposition in debate simply offers an alternative path to your destruction; the end goal is never resisted. We cannot seek to influence the debate or enter politics; we can only hope to smash it.

Your humiliation is the enemy’s goal. To take a hit and fight on is honorable, but to take a beating every day is just sad. Humiliation robs you of your humanity, your will, and your reason to fight on. Humiliation takes everything from you and debases it in front of everyone, it robs you of being worthy of empathy. It has been used by every occupier in history, it is our natural primal understanding of defeat. The Ottoman practice of köçek was an ultimate example, similar to the concept of “Drag Kids” in modern America. Köçeks were a combination of dancers, clowns and prostitutes, they were young non-Muslim boys taken from their parents and trained to be willful sexual objects and entertainers for the Turks

The goal was to have the occupied think, “If we allow that to be done to our boys what else can they do?” The answer? Anything. It is full spectrum domination of the mind of the conquered.

Your enemy doesn’t want gay pride parades in your street, drag queens in your adverts, your son transgender, your parents dead from opioids, your daughter race mixing, and your meat replaced with bugs all while your media laughs at you for anyone’s benefit. They want it because they know you don’t want it but can not stop them, they want to humiliate you. There isn’t any other reason.”

Thanks. Here’s a take on the frightening similarity between parasitism in nature and Jewish control over man’s contact with his external world:

Most people get their worldview from the TV, which in the past was symbolized by the “bunny ears” antenna on top of the set that might as well have been like insect antenna connected . . . to the viewer’s head. In nature there’s a parasitic wasp that can be likened to the alien controllers of America’s TV news. It’s called *Ampulex compressa*.

. . . this wasp, which is tiny in comparison to its much larger prey, takes control of the insect prey’s antenna, which antenna are the insect prey’s chief contact with its external world, just as the TV antenna or cable becomes the human prey’s chief contact with man’s external world.

Once this parasitic wasp has bitten . . . the prey’s antenna, the prey will move exactly as if the wasp were its brain, leading the prey into a place where is then anesthetized, in a manner analogous to sexual subversion among humans, and the prey then consumed by the parasite’s offspring until it’s an empty husk that’s shucked off in the manner Netanyahu is said to have suggested the US will be shucked off once it’s consumed

. . . Is the alien control of the human TV antenna connecting man with his outside world any less parasitic than the horrifying control that *Ampulex compressa* has over its prey? In fact this global control of man’s exposure to the external world by the alien controllers of TV news is much worse and probably constitutes the worst mode of parasitism known to nature.

As far as multiculturalism goes, and given that a nation is identical with its culture, it follows that there is no longer an American nation and instead two incompatible nations that cannot coexist.

stalin neutralized jewish power in a much less cruel way than did hitler. it remained neutralized until the fall of the soviet union at which time it immediately sprang up again only to be defeated again by putin a decade later.

jewish power is jewish money is possible because...

“capitalist democracy” is an oxymoron. as far as i can tell all politicians at federal level are psychopaths with the exception of trump.

a psychopath cannot feel guilt and/or simply can't tell the difference between what he evaluates as good for himself and what is good per se.

but as with hitler and stalin, both “sincere committed ideologues” to borrow a phrase from chomsky...

when non-psychopaths are in power the results can be a lot more evil. politicians doing evil thinking they are doing good is a bigger problem than corrupt psychopaths doing whatever money power tells them to do...

unless that money power is itself unanimous, undifferentiated.

so the totally un-serious anti-semites will say, “let's have the same system but sans jews.” they won't say, “the systems in which jews have thriven are bad systems ipso facto.”

“Alleging myths about a WHITE SUPREMACY conspiracy or that WHITES control the media, economy, government, or other institutions.

“Accusing WHITE people as a whole of being responsible for real or imaginary wrongdoing by a single WHITE person, group, or the UNITED STATES OR EUROPE, or for acts of NON-WHITES.

“Accusing WHITE people of inventing SLAVERY.

That's partially true and partially untrue. The monetary catastrophe about to visit the West is due to the jews and their partner in crimes, the Wasps who thought they could control the jews.

The wars instigated by the jews after the 911 false flag were also done by the Kosher Nostra. The Ukraine debacle that the USA will suffer was also instigated by a Vici Nudleman along with now pushing Up Daisies and unlamented John McCain.

When this political whore cut her pussy's hair in public to spread propaganda against Iranian people, here she is trying to present a terrorist apartheid state as 'democratic'. This political whore is against Iran promoting the FAKE kurdish terrorist groups, to support the zionist expansionist project, in addition to not being able to bring Iran under the zionist umbrella, like her country and other western colonies.

Iran will continue supporting the Palestinian rights to defend themselves and take back their STOLEN land from the European colonists, the Khazar tribe.

Compare and contrast the two sides of the same coin:

1. Pastor Billy Crone gives today a quite thorough excellent review of the NWO, but with not a single word of the jews (the apples of his religious eye : its all the Nazis!)

2. Peter Walker, deputy political editor of the UK Guardian, reports today on a 'conservative' conference which presents repeatedly the NWO (which of course is all fake news), but with non-stop reference to the jews (the apples of his political eye, who never do nothin' no'how and certainly nothin' to do with all this which don't really happen anyway)

| but it's better, much better, than what the dems are giving us.

it is my sense, that the Cares Act, (of handing out \$2.2 trillion to assorted cronies), was the behind-the-scenes bribery that set in motion the Total Corporate Wokeness we see across the board today with Negros and homos in every corporate commercial, and insane advertising campaigns like Bud Light and now Miller Light going full blown woke.

I suspect that much of that two trillion dollars was intended to tell corporate America that profits no longer matter, because now ((Uncle Sam)) is going to make your wildest dreams of unearned wealth a reality, so long as you play along. Sort of the ((Black-rock, Vanguard)) model.

That's my sense, (even tho I have no proof), because before the ink was dry on that two trillion give-away, right away I noticed the transformation.

'Wokeness' had always been a running theme, but now it was ubiquitous. Corporate America (and Europe) was now going to be 'in-your-face' woke, and my suspicions are that Trump gave it his approval, when he signed the Cares Act into law.

He talks a good talk, but he walks woke.

I'd still prefer him over Kamala Harris or Liz Cheney, because you're right, they're as bad as it gets vis-a-vis the wars and domestic treason. And, also I'd love to see the melt-downs over TDS on the left, (and on the Liz Cheney 'right').

But at the end of the day, we're done for. They're now in the looting stage, when they know it has run its course, and now they're going to steal and embezzle and loot everything, (while destroying every last scintilla of decency and heritage America), before the dollar collapses.

And still Americans swarm to Florida as if it is the promised land.

What’s amazing/disheartening is the retirees (aka Boomers) that Florida appeals to are overwhelmingly from FlyOver states.

Florida is home to way too many AISH strongholds and way too much acreage and rental property is, owned by Jews (i.e. Blackrock owns or controls more acres and units than can be counted) .

DeSantis is likely not eager to put a damper on this Wild West/gold rush invasion of Florida: employment is high, highways are so busy that Widening/construction is a constant.

Florida is also a bible belt state: Baptists and Evangelicals hold sway, even in the seemingly “sophisticated” Gulf Coast parts of the state: a phenomenally wealthy Baptist congregation on Fla’s Gulf Coast is urged by its ‘pastor’ to join a tour to Israel. (The pastor leads the tour, in exchange for which he goes free, and so do several of his family members. Pastor Dimsdale was a saint by comparison.)

Florida is NOT the place to flee to in order to liberate yourself from Israelish domination: they got their first.

(Next stop South Dakota.)

and it's basically full

Everybody! is moving to Florida

In part, because yes, as a governor, DeShabbos has been relatively good. Good on the lockdowns and mandates and other repudiations of wokeness, where he banned grooming elementary school kids from celebrating pedophilia. (to the screeching of pedophiles and their supporters saying it was against free speech, if you can imagine).

in the narrow context of Florida, he's not bad.

<http://www.yourdestinationnow.com/2023/05/gov-ron-desantis-signs-bill-outlawing.html>

And his treasonous edicts banning criticism of Israel, will I'm sure be struck down, if he ever tries to enforce it.

As a potus, he'd be a disaster, but as a governor, he's been a lot better than most.

I know a few Obama-loving Jewish women, who of course gush over all things Israel, and so forth, and they *hate* De Shabbos with a passion.

So much so, that he can't be *that* bad.

Proof of zionist control was shown for all the world to see with the Israeli and traitors in the ZUS governments attack on the WTC on 911 and blamed on the muslims to give the ZUS the excuse to destroy the middle east for Israel.

So why move the capital to Jerusalem when DC is the capital of zionism.

Thank you, for a great post.

The West has turned it back on God, seduced by evil and oblivious to all the principles that made the West the leading light to the world with freedom and justice being the two main pillars of Western ascendancy. Now that totalitarian Talmudic ethos are the name of the game, many Westerners along with most of the world's population will notice the tragedy of making life on earth a living hell, and that will signal the beginning of a quick end to a West that once excelled in the fields of arts, science and philosophy, goring itself under the wicked hypnosis of the two forked tongues of the devil's agents.

And if the price of a Western awakening is WWIII, then so be it, for a Western army that is concerned primarily with woke ideology rather than meritocracy will be easy picking to its enemies. And I do pray that those who have been vilified as White supremacist will simply turn their back to their government's call to fight for the nation, for the fall of the Western governments and zeitgeist will be their salvation.

Trump has bent himself over backwards for JEWS ORGANIZED GLOBALLY(JOG), and the ungrateful JOG bastards ain't even smirking a bit to reveal their pleasure in puppetizing the politician whores of the USA.

Puppetizing as a word seems more active than *puppeteering*, so I went with that.

This Florida Man named DeSantis has been seen eating knishes and corned beef sandwiches in Israel with the departed Shelly Adelson widow named Mim. Trump and DeSantis will be crawling on all fours like three dollar politician whores for billionaire Jews such as Mim Adelson and JOG. The nasty, nation-wrecking Jew slobs in JEWS ORGANIZED GLOBALLY(JOG) will snidely critique the all fours kowtow crawling of Trump and DeSantis.

The departed Jew billionaire Shelly Adelson wanted 4 things from Trump:

1) Move US embassy to Jerusalem and 2) get out of Iranian nuclear deal and 3) war with Iran and 4) drop a nuclear bomb on Iran.

To Trump's credit he didn't drop a nuclear bomb on Iran or start a war with Iran. Shelly Adelson wanted the US embassy moved to Jerusalem and the Iran nuclear deal killed; I think he got those. Shelly Adelson said let's drop a nuke on Iran as a demonstration of resolve or strength or determination or some other damn thing and Trump said why don't you try the Trump Tower Taco Bowl instead.

JEWS ORGANIZED GLOBALLY(JOG) showed no gratitude nor thankfulness to Trump and DeSantis will get the same treatment from JOG.

Trump only groused about some Jews who ain't such big fans of NettyYahoo and Likud.

How much sharper than a serpent's tooth it is to have ungrateful and thankless Jews?

JEWS ORGANIZED GLOBALLY(JOG) Are Ungrateful Creatures.

JOG Has Declared War On European Christendom and the European Christian people wherever they are on the globe.

I Say The JEW/WASP Ruling Class Of The American Empire Must Be Politically Decapitated

The JEW QUESTION explained:

Jews form a nation within a nation everywhere they reside. Can Jews ever be considered to be part of the larger nation in which they reside when they are genetically and culturally predisposed to put the interests of the Jew Nation over and above the interests of the larger nations in which they reside?

Trump Said *Some* Jews Are Ungrateful

We are experiencing a battle between Messianic Judaism and Rabbinic Judaism. The battle started shortly after the Resurrection of Jesus and God's destruction of the Temple. Ancient biblical Judaism was divided into two factions after those two events.. On the one hand you had Sanhedrin, the High Priest, and those Jews who rejected the Messiah Jesus and his spiritual kingdom. On the other hand, you had the Apostles and disciples of Jesus who accepted the Messiah and established the Church. These two factions continue until the present day. Rabbinical Judaism and their anti-Messiah collaborators (ZioChristianity) have basically won the political battle in Europe and North and South America. Rabbinic rabbis have carefully deceived large numbers of Christians protestants and Catholics that Christianity and the Church are NOT the people of God and have no rights to the promises that God gave to Abraham. Consequently, these Zio-Christians work day and night for the anti-Christ Zionist project in building their counterfeit worldly kingdom in Palestine. Since there are so few Zio-Christians in Communist China, the Rabbinic Jews are having a hard time convincing the Chinese that the Jews are chosen while the Chinese are simply dumb goys. The European and American takeovers are not working in China.

Not an expert on Florida ... but having spent several decades in NY and NJ, I can confirm that Florida is the Promised Land for retirees from these two northeastern states.

In classic immigrant fashion, one retired migrant 'seeds' a town in Florida, and soon the entire community follows, recreating their yankee towns among the swamps and beaches and mangroves.

The Jewish contingent from NY and NJ seems to favor the Palm Beach area. Since they completely peg the meter with their generous campaign contributions, Gov De Shabbos obligingly spreads his hairy meatball legs and lets them pump his rump to their heart's content, as he lies back and dreams of Israel.

That's where it all started, the Original Sin of *Christianity* : the mindless sanctification of *Amharic*.

The dude whose brain fart convinced him HE had the one, true, single handle on the troof about God.

(& they called Hitler an egomaniac)

The dude who begat a child with his wife's maid, then kicked Hagar & her child out of the house, cursed & disowned.

The dude who later prostituted said wife.

The dude who also disowned said wife.

A worthy exemplar for an Epstein character.

But little in common with the moral character of Jesus.

More & more I think German Christians were on the right track in their attempt to peel out of the German Christian apple the rotten core of Hebrew *Amharic-ism* (aka Abrahamism).

Yeah, why would Israel ruthlessly murder uniformed men in the military of their greatest ally (and the only reason for their existence) in the hopes of pinning it on Egypt such as in The U.S.S. Liberty outrage, and why would they send Jews dressed as Arabs into Egypt to blow up U.S. buildings during The Lavon Affair, and why would they frame a PALESTINIAN for killing a beloved American and probable-president like RFK? RFK did *NOT* love Israel, and Israel knew this. For further questions, I'd like to direct you to a place called *The Unz Review*. Here is one of many articles there that I'd suggest you read:

@Gerhard57NL: you got a point there. Ironically, the tribe has sworn to wipe out the white population because, as they say „the white people are the only who can be a threat to us.“ Genetics should tell them, that most among themselves (Ashkenasim) are as white as can be, but logic never matters much in a twisted mind.

In the last two centuries, western civilization defeated mass poverty and famines. But alas, as soon as a community begins to thrive, the parasites arrive in order to reap whatever they can get from the bounty. Every single war has been a racket to enrich those parasites who feel entitled to take everything for themselves and mock those whose life they are ruining.

One day that deluded bunch will discover that they have hounded to death those folks that had been the most benevolent towards them. Only then they'll discover that they are as dumb as mildew on a rotting plant.

An earlier article deals with Israel's misrepresentation of RFK's fundraising speech to Israel, and more importantly why the Mossad pretty much had to knock him off:

<https://www.unz.com/article/rfks-false-flag-assassination-and-the-forgotten-palestinian-patsy/>

In 1968, Robert Kennedy had not suddenly turned pro-Israel. He was simply trying to attract Jewish votes, as everyone else. **Robert's statement in an Oregon synagogue, mentioned in the May 27 Pasadena Independent Star-News article found in Sirhan's pocket, didn't exceed the minimal requirements.** Its author David Lawrence had, in another article entitled "Paradoxical Bob," underlined how little credit should be given to such electoral promises: "Presidential candidates are out to get votes and some of them do not realize their own inconsistencies." [9] In fact, as Arthur Krock has noted, the supposed motive for RFK's murder is itself paradoxical: **"If this motive was his position that the United States was committed to preserve Israel as a nation, his statement was made with more moderation than that of other important political persons who said the same thing."**

| Jeb wasn't a bad governor for Florida for what it is worth

nope, ironically enough

ended Affirmative Action as soon as he was inaugurated

ended the tyrannical and fascist helmet law intended to treat free adults like state property

and signed into law Stand Your Ground, something the shitlibs and black and Jewish supremacists are still frothing over.

IOW, with Stand Your Ground, if an orc attempts to mug or assault or otherwise threaten yours or your loved one's life or well-being, you can and should 'plug the thug'.

In fact, it was that law that motivated Obama and his Jews to hype the (well-deserved) death of 'Obama's son' Travon to that waiting Wakanda in the sky. They wanted to use Travon to put an end to that hated law.

They do not like that law, because it allows white people, (and Asians and even black women and others) to defend themselves from assorted orcs and sub-human scum – today's first class citizens who're beyond criticism or charges.

I don't know how a guy like Jeb ended up doing some good things, but perhaps it was because he had presidential ambitions, and figured doing some good in Florida just might propel him to the White House.

Hmm.. I wonder if anyone else might be thinking the same thing..

Prosperous for many years.

But they got stuck in a market/product line rut, then ran out of ready capital to rejuvenate themselves.

So they eliminated the high dividend they'd paid for 40 quarters.

Then their stock tanked.

They replaced one black guy on Board with another black “committed to diversity hiring.”

Stock went down.

Hired an attractive European metrosexual for intersexional appeal.

With credits to Robert Browning, Zion's reach has always exceeded its grasp.

The Jewish

compulsion to acquire money and power is incurable and has always led to their ruin.

The group coordination and planning within the Jewish community, led by the bankers,

has always been vital to their success and has not gone unnoticed by the Gentiles.

The phrase from "That's Life" could have been written to describe the Jews:

You're ridin' high in April, shot down in May. Pride and arrogance are followed by

humiliation and devastation. The great mystery is the inability of the Jews to learn

anything from past experience. They are like a gambler who is having a losing streak

but keeps doubling down.

Newton's 3rd law and Hegel's dialectic can both provide a framework to understand the

cyclical rise and fall of the Jews throughout history. When one group acquires excessive

power and wealth, an opposing group naturally forms and begins to believe that the

game is rigged against them. An example would be The Protocols, and the result the

Holocaust.

“Israel sent a government delegation [Oct 24 ,2001] to Washington for official talks. The delegation included Gideon Frank, the director-general of the Israeli Atomic Energy Commission, and Major General Uzi Dayan, the head of Israel’s National Security Council, and its purpose was to warn the Americans, not for the first time, about new evidence of Iran’s efforts to become, with Russia’s help, the world’s next nuclear power.

The Israeli message, as a participant summarized it, was characteristically blunt: the Iranian atomic-bomb program was making rapid progress, and something had to be done about it. As far as the Israelis were concerned, this meant that the Bush Administration should put Russia’s support for Iran at the top of its foreign-policy

agenda.”<https://www.newyorker.com/magazine/2001/12/03/the-iran-game>

Then they sent the same delegation repeating same words on Oct 24,2002 and every year after on every Oct 24th .This year Israel has been told not to send the delegates . Its already been heard by Biden , De Santis and McCarthy .

The Reformation resulted in cartel capitalism, communism, socialism, fascism, two world wars which resulted in the decimation of the European peoples by the jews and WASPS acting as muscle for the bankers, and various genocides and the dystopian difficulties that are a part of modern civilization.

In your opinion only. The first country in Europe to institute a kind of socialist, communist order was France, a Catholic country. First with their revolution and then later more decidedly with the Paris Commune.

And you link the 2 world wars to the Protestant Reformation? Well, indeed, as we know there were *no* wars in Europe prior to Luther and Calvin etc. And, of course, Catholic countries or peoples never fought each other either before or after the Reformation.

You are sounding off to fit everything into a church of Rome world view that you have – but that’s all you’re doing. Much has been written about the conspiracy of worldly control by the church of Rome, and the Jesuits especially. How true this is, I have no idea – but it is not fundamental to my world-view.

Christianity went off the rails when it did not divorce the Old Testament from the “new covenant” in the New Testament

Not sure what you’re trying to say here exactly, but based on the above quote and some other stuff in your comment it sounds like you are rejecting the Old Testament altogether.

Jesus and the early church relied on the OT as scripture – it was the only scripture they had, after all. There is no suggestion anywhere that the OT is redundant, though certainly I accept the New Testament to be more relevant to a Christian believer.

Or to roughly quote Augustine: “the New Testament is in the Old Testament concealed – the Old Testament is in the New Testament revealed.”

The United States became a great country as a *Protestant* country. And it wasn’t always under Jewish sway. The latter phenomenon is a 20th century business due to mass Jewish immigration, that had only begun to really bite towards the latter part of the 20th century. In any event, the USA has certainly lost it’s way in the last generation or so.

As for Europe, whether Catholic or Protestant, it is primarily post-Christian as we know.

With all these bogus wars on terror and non-ending hoaxes you have unwittingly supported the Zionist Satanic push for one world disorder.

Alternate would be to sit back and enjoy bigger fireworks than 9-11 coming near you whilst they prepare greater IzraHELL for the coming of their Yahweh, The Anti-Christ dajjal who will globalize his reign of terror from Jerusalem.

Either way buckle up for a roller coaster ride with some of these demonic, totally psychopathic, diabolical, sinister, pathological liars and corrupters of mother earth. You reap what you sow.

Tel LIE vided 911 EvangeLIED are being taken for a ride by way of Deception to think Jesus Christ died for their Evils. Everyone shall have to account for deeds, either good or evil to enter Paradise or eternal abode in Hell fire.

The infuriating thing about 9/11 and the multitude of lesser false flags which both preceded and followed it is that, although most Americans know it was as phoney as a three and a half dollar fed reserve note, everyone seems content to put up with the extremely phoney "war on terror" it was designed to create and which has already destroyed a hand full of countries in the world, caused the murder of upwards of two million people, mostly using U.S. military, and turned the U.S. into a ruthlessly insane police state wherein everyone is made to obey patently unlawful statutes in the name of "emergency" while the ruling elite has quit obeying any laws at all while gathering a massive military presence to cow the now restless and resentful public. – See more at:Christopher Bollyn: The Man Who Solved 9/11

| Why would [Israel] kill the most pro-Israel presidential candidate of the Democrats?

Good question.

Decades ago, I saw Sirhan Sirhan interviewed on TV by David Frost. Sirhan did not dispute his conviction. He admitted to killing RFK.

Sirhan told Frost that his reason for killing RFK was that he considered RFK a sellout and hypocrite because RFK's reputation was built on helping the poor and downtrodden but RFK was selling out to the Jews.

Sirhan, a Christian Palestinian, was enraged by the pro-Israel rhetoric of RFK during an election year. In the intervening decades, Israel's grip on America's political life has only tightened.

The Jewish state has been granted a permanent license to kill, steal, subvert, assassinate, and sail effortlessly above international law. Meanwhile, Sirhan Sirhan remains behind bars.

I have a Nazi friend whose answer to the Holocaust numbers question is "Don't know, but it wasn't enough." I am against killing anyone except in self-defense so we will always disagree to some extent. Six million is likely an inflated number but there is ample proof that millions of Jews were killed by starvation, disease, freezing or poisonous gas.

The photographic evidence of the Babi Yar massacre by the Einsatzgruppen appears to be

authentic and there is considerable proof that they were active throughout Eastern Europe 1941-42. We don't know how many people died in the concentration camps but at least two or three million seems reasonable.

It was equally absurd for the Soviet Jews to deny their responsibility for the Holodomor which

killed about 5 million Ukrainian peasants by starvation in 1932-33.

@Chuck Orloski

When American politicians must go to Israel, a foreign country, in order to get elected to the US Congress and the presidency, what more does one need as proof that we are an occupied nation.?

Just for the record, I'm not American myself, but looking at your country from the vantage point of abroad, that's *exactly* how it comes across.

Must confess, until very recently, I really though De Santis was a good guy – but this recent legislation is quite beyond the pale. Free speech is surely a solid conservative value. Whenever I hear the word “hate” in proposed legislation, I think “here we go with lefty crap again”.

Actually, so-called “hate” legislation is a lot more sinister than just being crap.

Germany has been saddled with its own “**Stockholm Syndrome**” ever since the summation of the Second World War.

There are some brave Germans who have gone against the “*official narrative*” of WW2 with Germany seen as being on “*the wrong side of history*” and as such are (still) considered to be “*the bad guys*”, but they are either too few or afraid of being “*outed*” as “*holocaust™ deniers*”, subject to severe punishment, and yes, Nazis (which is unfairly still a pejorative term in Germany and in much of the rest of the civilized world).

This is especially bolstered by the (in)famous “*jewish holocaust™*” which was created by the Allies in order to keep Germany permanently demonized.

In fact, it was Russian jews who “*rebuilt*” Auschwitz after the war in its own propagandistic way, creating and amplifying engineering errors that the Germans would have never done.

From non-sealed “*gas chambers*” with wooden doors that “*swing the wrong way*” to no means for inserting and ventilating the poison gases, using a delousing agent as an ineffective “*poison gas*”, anyone with an engineering background can easily poke holes in all of the claims made by holocaust™ promoters.

Let’s not forget that jewish “*holocaustianity™*” has been deemed to be a state religion in many countries from which no deviation of belief is permitted.

Prosecution, fines and imprisonment await those who seek the truth about this false, contrived event in history.

Even Canada has criminalized any criticism of this “*event*”.

Recently, Florida Governor DeSantis traveled to israel where he signed legislation to outlaw and prosecute (certain) “*hate speech*”. He signed this legislation while in israel and made it known that it was to outlaw criticism of the “*holocaust™*”. **Now, who does DeSantis work for?**

It is only a matter of time before “*holocaustianity™*” becomes the “*official state religion*” here in the USA.

If the “*holocaust™*” is based on “*truth*” why not encourage a full impartial investigation into this “*event*”? What are “*holocaust™*” promoters afraid of?

Jews have always been excellent propaganda agents, tugging at heartstrings by always showing jews as being “*downtrodden*” victims, always being marginalized and victimized. This is a “*feature*” and not a “*bug*” as it has been successful in keeping the holocaust™ fable alive to the present day.

Jewish “*holocaust™ museums*” (*actually jewish freak shows*) display piles of shoes, glasses, clothing, and other piles of “*who knows what*” in order to claim that 6,000,000 jews were “*gassed out of existence*”.

These jewish freaks shows get massive amounts of taxpayer-funded dollars despite being totally out of place in American society. Schoolchildren are brainwashed and propagandized in these freak shows, which is actually child abuse to allow children into these jewish freak shows.

Florida Governor DeSantis mandated that ALL Florida school children will visit these “holocaust™ museums” (jewish freak shows) under penalty of law. Gotta keep the fraud alive. What better way than to brainwash children? It could be safely argued that even Americans have been unwitting victims of “**Stockholm Syndrome**” especially when it comes to “*all things holocaust™*”. It is long overdue to conduct a full, impartial, honest of all holocaust™ claims and to “let the chips fall where they may” and finally expose it as the fraud that it is.

This is the only way out of the **Stockholm Syndrome** for Germany, the USA and the rest of the world.

| Silly logic..

well, I wasn't trying to prove a theorem, just making an 'off the cuff' observation.

but if you took it a bit further, then I suppose depending on how loathsome a person is, (let's say Merrick Garland); if he hates Ron De Shabbos, (who he no-doubt does), and also hates evangelical Christians, (whom he no doubt does), perhaps that does point to some redeeming quality- however ephemeral or elusive- of Ron De Shabbos and evangelical Christians.

Sometimes the old trope about 'the enemy of my enemy', and so forth, has some merit, silly or not.

On the whole, DeShabbos would no doubt commit any treason, and betray every citizen of Florida (and the U.S.), and every oath he's ever uttered, and every principle of decency known, if doing so would exalt him to the potus. That's a duh. But as governor, he has done some very good things. If one simply looks at it dispassionately.

RFK Sr was killed two weeks after he made a speech promising unlimited help including weapons to Israel. So why would jews and Israelis kill RFK Sr?

Probably because David Rockefeller, his agent who handled Richard Nixon Henry Kissinger and the government of Israel knew that if elected, Nixon would give Israel even more money weapons and American troops than Kennedy or any other presidential candidate.

Which Nixon the Jewish puppet did.

France hasn't been a catholic country since the revolution. In fact, the revolution was very anti catholic. The revolutionaries invented a new non Christian religion. Closed every catholic institution and executed priests and nuns. Along with about 200 thousand other enemies.

The Paris commune was a communist outburst. Among the leaders were one of Karl Marx's daughters and her husband.

Unlike many European countries, France never had many Protestants or an activist Protestant church. Instead, France always had and still has very powerful and activists Masons. Unlike Protestants Masons don't look for converts. In France the upper and middle classes were and are masons. The working class is catholic or communist. Although because if the communists embrace of Muslims, the French working class is much less communist than it was.

I say:

The *Spiral* TV show set in France had a bit about Masons and how a judge got inside help on something because of the Masons and the judge's dalliances with them.

George Washington and Andrew Jackson were both Masons, and they were the two best presidents the USA has had. James Mason was from Huddersfield, Yorkshire, and he was fun.

Washington was part Anglo-Norman and part Saxon, so his people spent 6 or 10 centuries or so in England and some time in France.

The *Spiral* TV show revealed that judges in France are active supervisors of investigations in their legal system.

The only way for the Germans to “*wake up*” is to throw off the jewish / american boot heels, get out of NATO and restore their long-deserved honor by getting rid of the foreign influences that still rules German society. German pride was outlawed with the summation of WW2 on terms imposed by the “*allies*”. It’s been long overdue to “*let Germany be Germany*”, unfettered by outside forces.

You are missing the mark by comparing Germany to Japan.

Japan never got the “*treatment*” that was imposed on the German people.

It would appear that *Theodore N. Kaufman’s* vile tome “**Germany Must Perish**” was at least partially used on the German people in order to “*neuter*” the German citizenry and their country.

Hell, Japan even got to keep its “*emperor*”.

It is said that technology advances greatly during wartime, gruesome experiments taking place that would not be allowed or considered during peacetime. Japan’s unit 731 conducted much more horrific experiments than any other country, Germany included but was never brought to task. Even Americans conducted gruesome experiments during the war.

In fact, medical types from around the world have obtained and reviewed the “*results*” of such experimentation.

You see, in Japanese culture, those captured as the “*enemy*” were considered to be “*less than human*”, not unlike *jewish supremacy* which still reigns supreme in their jewish *talmud*.

Germany was saddled with jewish holocaust lies about masturbation machines, electric floors, phony gas chambers, delousing agents used as “*gas*”, shrunken heads, fingers for light switches and jewish “*soap*”. These fabrications are still taken as “*truth*” despite such claims being laughable, totally ridiculous and impossible.

Even the supposed “*numbers*” (6,000,000) don’t add up. The engineering claimed by holocaust promoters itself was impossible. Every holocaust claim can easily be debunked and shown to be a fabrication.

That being said, Germany’s subservience is imposed by external forces. It is long overdue for Germany to be restored to its rightful place in the world of nations. Of course, the jews will never go along with it.

There is one solution: A certain sh!tty little country in the middle east and its upcoming eastern European version 2.0 must be returned to their rightful inhabitants. I don’t care where the jews go...

Best regards,

Demanded all must hate their hate and all

Must hate without exception any soul

Unwise enough to show them sympathy

Or face the trials of his antipathy,

From social exile to the heavy threat

Against the merest overheard expression

In defiance of his anti-white suppression.

Thus he sought to isolate these heroes

And make of their potential allies foes.

His craven politicians genuflected

And condemned them, ever his elected

| ‘...They do not want to do the heavy lifting anymore...’

Interestingly, that’s more or less the gist of an Adenauer speech quoted in Fassbinder’s *The Marriage of Maria Braun*. ‘*Ohne mich.*’

There’s a theory that the pacifism of such ‘refugee’ cultures as the Bushmen is an aberration — a response to the trauma of having attempted the alternative and lost. The Germans seem to be suffering the equivalent — or attempting to suffer it. I don’t think they’ll succeed.

They’ll come back. They’ve no choice. You’s gots to be who you is...

It’s often been said that Poland is a victim of its geographical position. Ditto for Germany. They *tried* to resolve it by becoming the alpha male of the neighborhood (had the Bismarcks been a hereditary dynasty they might have pulled it off).

Now — having been very severely punished for their last effort — they’re trying to be all good — in the rowdy classroom with the lunatic schoolmaster.

They won’t succeed.

Well, there were the French Huguenots, but they left France en masse because of persecution against them.

And I would say that it is a fact, that every country or land that took them in benefitted a great deal from these extremely productive and innovative people.
