Každé efektivní politické hnutí bude znát své vlastní silné a slabé stránky stejně jako své nepřátele. Je zřejmé, že mu to pomáhá zaútočit tam, kde je nepřítel nejzranitelnější, a chránit se tam, kde je také nejzranitelnější. Pro disidentskou pravici a bílé nacionalisty v Americe – a pro všechny evropské nacionalisty v Evropě – musí být hlavním nepřítelem organizované židovstvo. Jak je rád nazývám: Židé z levicové diaspory nebo LDJ.

Největší slabinou LDJ jsou samozřejmě malé počty a omezená bojová přítomnost mezi nežidy. Mezi jejich největší přednosti však patří vysoký etnocentrismus a soudržnost ve skupině, vysoké IQ, schopnost získat a vyzbrojit velké množství peněz, pocit naléhavosti vyplývající z kultu jejich vlastní oběti a drtivá vůle k moci. Opravdu působivá baterie sil.

Nejvýznamnější silou LDJ je však jejich podivuhodná schopnost ovládat populární mínění mezi nežidy prostřednictvím různých forem médií. To více než cokoli jiného nejlépe vysvětluje vzestup Židů do elitního postavení na Západě pouhá desetiletí po jejich emancipaci v Evropě v 70. letech 19. století. Říkejme tomu hypotéza Pop-Op.

Propagací různých odstínů rovnostářské ideologie (například antirasismus na Západě a komunismus na Východě) LDJ účinně sdělili nežidovským většinou to, co chtěli slyšet, a tak utvářeli lidové mínění k vytváření nepřátelství proti existujícím nežidovským elitám – pro prospěch samotných LDJ, kteří je vždy zamýšleli nahradit.

Stará garda na to nebyla vůbec připravena, protože ani po staletí nebyla žádná významná evropská aristokracie postavena do pozice, kdy by musela lidi *přesvědčovat*, aby je následovali. „Vedeme,

protože jsme k tomu předem určeni Bohem a jsme pro to také vhodnější než vy,“ zdá se být méně přesvědčivé než „Protože jsou si všichni rovni, musíme svrhnout ty, kteří nám vnucují nerovnost!“ Skutečnost, že první argument je blíže pravdě, protože odráží *nerovnostářskou* povahu lidského stavu, na tom nic nemění. Ti, kteří byli vedeni, neznali nic lepšího; a ti, kteří vedli, věděli lépe a bylo jim to jedno.

Pokud se to zdá jako přílišné zjednodušení vzestupu židovské moci, je to proto, že tomu tak je. *Všechna* obecná vysvětlení historických událostí se do určité míry uchýlí k přílišnému zjednodušení. Vsadím se však, že Pop-Op hypotéza vysvětluje fakta nejehospodárněji ve srovnání se všemi ostatními hypotézami. Před židovskou emancipací měli Židé stále svůj etnocentrismus, vysoké IQ, finanční bystrost a další přednosti, ale pouze zlomek vlivu, který mají na nežidé dnes. Emancipace, poprvé v moderní historii, dala Židům prostředek, pomocí kterého mohli přímo komunikovat s nežidovskými masami a v konečném důsledku je ovládat – konkrétně s uměním, akademickou sférou, hudbou, žurnalistikou, propagandou a literaturou. Rychle se ukázalo, že Židé v tomto ohledu daleko předčí nežidovské elity.

Hypotéza pop-op diktuje, že aby konkurenční hnutí prolomilo sevření moci LDJ, musí zpochybnit LDJ sevření lidového mínění nežidů. Ale pokud je tady nepřítel nejsilnější, nebylo by pošetilé na něj zaútočit právě tam? No ano i ne. Vnitroskupinové zasílání zpráv je také místem, kde je disidentská pravice se svým pravdivějším neegalitarismem nejsilnější. Argumenty mohou být pro ucho masy zpočátku méně příjemné, ale často budou elegantnější – a také vtipné – a tím i přesvědčivější. To je důvod, proč Židé tak energicky cenzurují disidentskou pravici. A není to tak, že najít argumenty proti vyprávění LDJ je obtížné. To, jak musí rovnostáři mučit logiku tváří v tvář usvědčujícím důkazům, poskytuje úrodnou půdu pro protiargumenty a výsměch ze strany disidentů.

Problém nastává v tom, kde a jak uplatnit nárok. Boj proti jednomu aspektu vyprávění LDJ se silným protikladným vyprávěním se daří nepřímou cestou k dobře, po kterou musel dotyčný narativ metastázovat

napříč nežidovskými populacemi. Čím více času má narativ, tím obtížnější je proti němu argumentovat silným opačným tvrzením. Paradoxně slabší tvrzení by lépe posloužila proti hluboce zakořeněným narativům LDJ. Tomu říkám paradox slabých nároků. Například vyprávění LDJ, které tvrdí, že . . .

1. Gender je sociální konstrukt.
2. Transgender osoby ze zákona musí být považovány za příslušníky zvoleného pohlaví.
3. Děti mají právo na operace změny pohlaví.

. . . je relativně nedávný. Protože si dnes naprostá většina dospělých pamatuje, kdy tento příběh vůbec neexistoval, lze o dvacet let později vznést silné protinároky, které by byly v roce 2003 dokonale mainstreamové:

1. Ne, gender není *sociálně* konstruován.
2. Ne, transgender lidé *nemají* právo diktovat, jak je lidé vnímají.
3. Ne, děti *nemají* právo na přechod. Kromě toho *by každý, kdo jim pomáhá v přechodu, měl jít do vězení.*

Toto jsou silná protinávrhy – a populární, protože urážlivé vyprávění mělo tak málo času, aby zakořenilo v mysli pohanů.

Na druhou stranu zvažte tento hlouběji zakořeněný příběh LDJ:

1. Nacisté byli zlí.
2. Nacisté zahájili druhou světovou válku, aby dobyli Evropu.
3. Nacisté zavraždili šest milionů nevinných Židů kvůli rasové čistotě.

Tento příběh měl mnohem více času na marinování mezi nežidy. Vzhledem k tomu, že dnes žije jen velmi málo lidí, kteří si pamatují, kdy tento narativ neexistoval, budou silná protinároky, která by v roce 1943 byla dokonale mainstreamová, pravděpodobně o osmdesát let později odmítnuta jako za hranicemi civilizovaného diskurzu. Lidské bytosti jsou koneckonců stvořeny ze zvyku. Celý život zaplavený určitým vyprávěním – jakkoli falešným – se jednoduše nedá zvrátit během jediného rozhovoru, bez ohledu na to, jak chytrý nebo dobře míněný člověk je. Následující silná protinároky tedy nutně neuspějí.

1. Ne, nacisté byli poslední, nejlepší naděje pro bílou rasu.
2. Ne, anglické a židovské elity zahájily druhou světovou válku jako prostředek k vyhlazení Německa.
3. Ne, židovský holocaust je divoce přehnaný.

A nezáleží na tom, jak pravdivá jsou tato tvrzení ve skutečnosti! Na překonání tak silných protinároků je prostě příliš mnoho času. Všimněte si však, o kolik efektivnější mohou být *slabá* tvrzení, když čelí tak těžkému časovému handicapu. Všimněte si také, že taková tvrzení by měla vždy začínat slovy „i když“.

1. I když byli nacisté zlí, Sověti pod vedením Židů byli zlí ještě víc.
2. I když nacisté napadli Polsko s cílem dobýt Evropu, udělali to i Sověti pod vedením Židů.
3. I kdyby nacisté zavraždili šest milionů Židů, Sověti pod vedením Židů už před druhou světovou válkou zavraždili *desítky milionů bílých*.

Taková slabá tvrzení jsou stejně pravdivá jako ta silná výše. Disidentskou obálku samozřejmě příliš neposouvají. Rozhodně se nepokoušejí dát mat jako silná tvrzení. Ale to je v pořádku. Disidenti potřebují při vyvádění lidí z Platónovy jeskyně udělat malé krůčky – a vrátit se takříkajíc v čase do doby, kdy existující narativy buď neexistovaly, nebo se s nimi dalo snáze nakládat.

Taková slabá tvrzení v tomto případě předčí silná tvrzení, protože jsou v rozporu s převládajícím příběhem, aniž by mu odporovali. Většině nežidů byly po generace vymývány mozky, aby se usilovně bránili rozporu, jako by to bylo tabu. Pro disidenty by neměl být přímý rozpor. Přesto si většina nežidů neuvědomuje, jak strašlivé bylo souostroví Gulag, Velký teror a hladomor. Zavedením *těchto* informací – a účinným prezentováním nacistů jako dvou menších zel ve srovnání se Sověty – se disidenti účinně dostávají do hlubokých vod vyprávění o LDJ *a poté jdou hlouběji*. To je důvod, proč studie Alexandra Solženicynase stal pro židovskou otázku tak zásadní. Většina nežidů prostě není připravena ho vyvrátit. A když jsou předloženy solidní údaje o zvěrstvech spáchaných tolika sovětskými

Židy – v době míru, měli bychom dodat – postupně se objevuje nová vize historie – nikoli proto, abychom vyvrátili současnou narativu LDJ, ale aby ji rozšířili o přesnější informace.

Pro vysvětlení paradoxu slabých nároků nejlépe funguje analogie s desetirychlostním kolem. Řekněme, že strmost kopce přímo koresponduje s množstvím času, který musel určitý příběh ukotvit v mysli lidí. Řekněme také, že vysoké převody odpovídají silným nárokům, zatímco nízké převody odpovídají slabým nárokům. Když jedeme na kole do prudkého kopce, řadíme vysoký nebo nízký převodový stupeň?

Samozřejmě řadíme na nižší rychlostní stupeň. To značně zvyšuje množství překupnictví, které musíme udělat – a snižuje naši rychlost – ale alespoň nás to udržuje v pohybu. Zařadit desátý rychlostní stupeň v prudkém stoupání je ale receptem, jak jen stát na místě.

## The Weak Claim Paradox

Začleněním prvku času ukazuje Paradox slabých nároků respekt k hypotéze Pop-Op a bezkonkurenční schopnost LDJ ovládat populární mínění prostřednictvím různých forem médií. Pokud mají LDJ desítky let na to, aby vložili určité myšlenky do myslí obyčejných nežidů, pak silné argumenty pravděpodobně selžou a jen slabé budou mít šanci na úspěch.

Slabá tvrzení mohou být zakotvena i v našem jazyce. Všimněte si, jak v této eseji často používám termín „LDJ“, kde většina disidentských autorů jednoduše používá termín „židovský“. Toto je samo o sobě slabší tvrzení, protože omezuje naše zaměření na malou podskupinu Židů spíše než na Židy jako celek. Kevin MacDonald velmi rozlišuje v předmluvě ke *kultuře kritiky*, když vylučuje vědeckou práci Alberta Einsteina a dalších židovských teoretických fyziků počátku 20. století z toho, co nazývá „židovským intelektuálním hnutím“. Na rozdíl od freudovské psychologie, boasovské antropologie nebo frankfurtské školy teoretická fyzika jen málo prosazovala židovské etnické zájmy (přinejmenším do konce třicátých let), navzdory tomu, jak neúměrný počet fyziků v té době byli Židé.

Takže lidé, kterým byly vymyty mozky, aby anathematizovali takzvaný antisemitismus, si mohou velmi dobře zacpat uši nebo křičet, když disidenti mluví o „Židech“, jako by všichni Židé smýšleli stejně a aktivně plánovali zánik bílé rasy – což není v žádném případě pravda. Ale když je jim předložen neologismus jako „LDJ“ – stejně jako informace o sovětských gulagech a teroristických hladomorech – mohou být připraveni naslouchat. Nebyli proti tomu vymyté mozky.

Hypotéza slabého nároku má zjevné důsledky mezi těmi v disidentské pravici, kteří vyšetřují a prosazují silná tvrzení proti primárním narativům LDJ. Co vzkázat těm, kteří pokračují v lionizaci Adolfa Hitlera a nacistů? Co říci těm, kteří pokračují v revizi židovského holocaustu? Měli by přestat? Je to, co dělají, kontraproduktivní?

Vůbec ne. Ale pokud mají hypotézu pop-op a paradox slabých nároků nějakou platnost, pak by takový výzkum možná nejlépe konzumovali ti, kteří už jsou takříkajíc načervenalí. Škádlení, co Hitler *doopravdy* míněno v určité řeči nebo přesně určit, kolik židovských vězňů zemřelo na tyfus, spíše než plynové komory v určitém koncentračním táboře, je jistě vhodné pro diskurz mezi disidenty nebo z čistě vědeckých důvodů. Ale když disidenti oslovují

nedisidenty, aby zpochybnili sevření lidových nežidovských názorů LDJ, možná by bylo rozumné neignorovat, jak pevné toto sevření ve skutečnosti je. Možná by disidenti měli zvážit šetrnější přístup se slabými nároky, aby osvobodili své vlastní lidi. Pak se možná pohanské masy připojí k disidentům ochotněji, než aby si zacpávali uši nebo utíkali a křičeli opačným směrem pokaždé, když někdo řekne slovo „Žid“.

It is not necessary to deal with Jews and Leftists in one go. Rightist Jews are frequent enough. And evil enough, too. Just drop the unneeded reference to Soviet Russia. Anyway, Soviets were quite good, and Holodomor is just an invention by banderites. Russians miss their Soviet times. And right-wing are quite awful, and you do not need to defend National-Socialists.

“The old guard was wholly unprepared for this since not in centuries had any European aristocracy of note been put in the position of having to persuade the people to follow them.”

This is nonsense. It also shows a failure of imagination with respect to the nature of the Jewish power. This idea that it all originates from Jews exploiting liberalism and “emancipation” is the problem. “Evolutionary psychology” is basically a tautology. The silly pseudo-academic view that the conspiratorial view must be discounted, and we have to imagine the situation we are in is a result of “Jewish IQ.”

The gentile collaborators of the Jews have been organized for centuries. The “kikes” coming into prominence in popular culture is just the metastasis of the Jewish power, not the cause. Jews didn’t need the Holocaust narrative before WWII, because they already had the “medieval fanaticism” narrative. Which is just as effective, even today, we see people on the Right today talking about “fascism” and “medieval thinking” to “criticize” the Left in equal measure.

The weakness of the Jews is not small numbers or lack of weapons. The weakness is that they are led by sick and evil fiends that cannot disguise their malign scheming and wicked designs. Arouse the natural horror of what domination by Jewry truly represents. The ground has a way of opening up under these Jews and dragging them down.

Agree, the article set of on the wrong foot [by design, a Jew author does that as a default]. Cause, consequence, correlation, all lost. Finance beats media, or rather media as a feed-box of a Jewish middle class would be more appropriate a pointer to Jew “progress”. I see though, most recently the drift to retract in the shadows []. Jews as public figure heads are gun-range dummies. Retract the noses into the cloaks! would be a wise tribal decision.

In line with what distinguished Unz author Israel Shamir says in his comment – Canadian Douglas Tottle did a 1987 book denying the Ukraine starvation ‘Holodomor’, as based on a mish-mash of Hitler-Nazi propaganda plus Hearst media fanatic anti-Bolshevism; Tottle’s ‘Fraud, Famine, and Fascism: The Ukrainian Genocide Myth’, is free online here

<http://www.rationalrevolution.net/special/library/famine.htm>

In fact, every major claim of mass murder or death / genocide / famine, has notable counter-point literature.

Shamir himself has published a remarkable essay arguing that the Cambodian Pol Pot Khmer Rouge genocide is a fake exaggerated narrative

<https://www.counterpunch.org/2012/09/18/pol-pot-revisited/>

Shamir has also published detailed material here on Unz, with sources saying the Soviet Stalin-gulag death & imprisonment figures are fake, with Soviet archives listing, e.g., about 10 million total arrested during thirty years of Stalin’s rule (The USA arrests 10 million people every single year these days!)

<https://www.unz.com/ishamir/red-zog/>

Here’s a rejection of the Armenian genocide narrative by the Turkish foreign ministry

<http://www.mfa.gov.tr/the-armenian-allegation-of-genocide-the-issue-and-the-facts.en.mfa>

Aleksandr Solzhenitsyn – openly a fan of Spain’s Franco – is seen by some as a deceiving opportunist with fascist leanings. Solzhenitsyn’s first ‘Stalin gulag’ book in 1962 was sponsored by Khrushchev himself ... Solzhenitsyn tasted fame and glory thanks to this, and seeing the West full of ‘Stalin killed tens of

millions' stories, Solzhenitsyn got fabulously rich going along ... leading some to argue he is not credible

<http://www.mariosousa.se/LiesconcerningthehistoryoftheSovietUnion.html>

And notably, at least 10 prominent Jews have added to Nazi Holocaust denial claims, including Ron Unz ... the list below is in chronological order by birth year

(1) Joseph Ginzburg (1908-90) aka Joseph G. Burg, who personally interviewed Auschwitz survivors & had his books burned by postwar West Germany

i've come to realize that the u.s. and israel are actually mirror images of each other. the thing that is hard to grasp, is that left and right are irrelevant, as they are in fact one and the same beast.

in israel the right is trying to neuter their supreme court, in the u.s. the left seeks to do the same, not for justice but for total control of the only agencies that would have the ability to reign in the destructive, unfettered powers of both wings of these fascist institutions. there is not a spit worth of difference, between these "opposing " poles. tweddle dee and tweddle dum agreed to have a battle.

And what was so bad about Franco? That he stood for God and tradition and against the destruction of churches and the murder of priests? Were the Spanish Reds angels just like Shamir claims the Soviet Reds were? Was Stalin not plotting to invade Europe when Hitler beat him to the punch? Shamir's work is interesting, but I just don't buy any of his Marxist revisionism.

Its not that jews are smarter, its that they go out of their way to poison the education of non jews to ensure a compliant, dumbed down society exists that can be better manipulated.

Look at it, higher education has been flooded with below average IQ minorities while public schools waste no time on teaching useful skills or knowledge that can lead a student to question the current status quo of the country they live in.

The game is rigged from the get go to make you dumb and them seem smarter than they are.

Mr. Shamir, I usually like your articles, but Soviets, or Judeo-Bolsheviks as they were called back in the day, were crap. Russians might miss Soviet times, but Estonians, Poles, Czechs, Latvians sure don't miss it, and it is one of the main reasons why Russia is hated in those countries today. Even though the "Capitalist" West was also ruled by Jews, therefore the Cold War was mostly just a fiction.

The best things about Communism is that it protected the society of some of the worst evils of modernism, such as population replacement by immigration and the worst of the gay/hedonism/materialism stuff. But they were pretty bad on their own. Just look at the awfully ugly Commie architecture still in display in most of Eastern Europe, it's enough to make stones weep.

The Jews got their big break with the discovery of the New World, specifically the implementation of Negro slavery.

They made a tremendous killing with slaves, making massive profits and being able to expand the business far beyond negroes.

The Jews have grabbed the negroes and have run with them for all they're worth!

No wonder they love them!

Their greatest strengths, however, include high ethnocentrism and in-group cohesion, high IQs, the ability to acquire and weaponize large amounts of money, a sense of urgency resulting from the cult of their own victimhood, and an overwhelming will to power.

High IQ?

1) Why currently Israel scores so low on international IQ scales and in standardized PISA tests of scholastic achievement (even after discounting the Arab part of Israel's population)?

2) Why have Jews been expelled from hundreds of places?

3) Why Jews could not have a nation for millenia and when they got one they were sent to a location full of Muslim enemies instead of some prime location in Europe?

I'll tell you why. Because Jews don't have high IQs on average.

Then, in rhetorical manner, why are they so well positioned in govt, academia, finance and media in Anglo nations and France?

Because while having a relatively low IQ on average, the Jews also have a high variance in intellectual endowment so they produce many highly intelligent individuals, as well many stupid fanatics and a vast majority of regular mental midgets. You need to understand the concept of 'variance', the concept of 2nd order properties of populations.

The Pop-Op Hypothesis dictates that in order to break the LDJ grip on power, a competing movement must challenge the LDJ grip on popular gentile opinion.

This is narrow-minded. The problem of Jews controlling host societies is serious in Anglo countries, France and a few other nations in Europe. Most of the world does not have this problem.

So a good solution, from the point of view of world's majority of people and nations, to "break the LDJ grip on power" is to just let Anglos and their appendages decline in power and wealth, which is what is happening and will continue to happen in part because of "LDJ grip on power".

The weak link, Jew selection criteria.

Jew power should not be an obsession, an emotional thing. It can be a tool, that leaves room for fine-tuning and be re-purposed. Since individualism, leaving room to per-sue a pertinent trail to one's convictions and acquired knowledge, as to adrenalin and testosterone and genes, ...it makes for the occasional genius. This species is of course the "suicidal" grape on the trunk, ...were it not for the acceptance of the flow of logistics of the trunk. That Sire, is the matter, that is where "things fall apart" in education, science, policies, war-prerogatives...

To give room to our own [to be defined here-after] outliers, grouping selection criteria, is primordial. It is all in the "quality" of the group, what is the group based on, how is it selective in it's purposes and goals, it's methods, it's dynamics and core vitality. Not ethnicity, but talent and merit, conscientiousness, generational time-lines and focus, goal-setting, would beat the monolithic Jew cluster of ethnic-religious glue by far. It is not quantity that matters [Jews are as much a global minority], but the above selective process that imitates nature.

First thing on the agenda: emotionally distance one-self of White, Western-European, Christianity, Orthodoxy, nation-states, corporate adulation, imposed terminology, indeed vocabulary, all dummies, all ideologies of "bottom scraping", "crowing on a pile of dung [Jews]". The path to go. The power-base?

Discontent[Julian Assange], dissatisfaction + the above individual nature of the beast and sorting must be the start.

Build your communities not on social emotional, comfort criteria, but on superior parts [individuals, potential, merit]. That is the Nazism [race + territory] of the future, with no distance apart

from Jew Supremacism [race + religion] proven to be the better glue [both apply-ing crude selection criteria, aspiring on quantitative exploitation, not quality aspirations]. The dominant cluster of the future is based on quality over time, not on circumcision or puppet soldiers, priests of a single book.

The point: there are no historical models that fit the powerful tools of our century, beyond the crude use they are put to today by the existing power clusters. Our “elites” are a sorry bunch distant from the real thing.

As always, be inspired and wrap some of the above shamelessly. Please take credit.

Jews are some of the least intellectual and least intelligent people I have met, but I also wanted to point out that they have acquired such money and power through criminal and immoral means, so perhaps we should stop focusing on these ridiculous non sequiturs and instead focus the conversation toward their conversion to the one true Catholic Faith, outside of which there is absolutely no salvation.

“For example, the LDJ narrative which claims that . . .

Gender is a social construct.

It’s these three which will do Jews in ... even gods knew their limits but the Khazarian does not.

This is a fact. Intelligent people succeed or even thrive despite the rules of the game because they quickly come to understand the rules, and playing within them, are able to beat out those with more experience playing the game. This is something we see in Chinese people.

An UN-intelligent person disregards the rules and then spends all of their intellectual power justifying the moves they made on the basis of “fairness” or claiming to have some sort of cultural or physical disability that meant they couldn’t play by the rules.

This is something we see in JEWISH people.

If you were playing a game of chess against an experienced chess-player, not knowing the rules of chess, no one in his right mind would declare you a chess prodigy for “beating your opponent” by claiming and maybe even getting your opponent to agree, out of exasperation, that you’re allowed to field as many queens as you want or rolling a bowling ball down the middle of the board until the opponent gets tired of your shenanigans and gives up attempting to play a CHESS game.

Jews are never going to legitimately convert to Catholicism, though. It’s the same problem that Catholicism had in Haiti. Sure, you have a number of them that go to Catholic church, but all they’re doing is using the Catholic saints to practice voodoo, since pantheism is much closer to their legitimate racial religious inclinations.

They were able to convert to practicing pantheism using different “gods” but not to monotheistic Christianity.

With jews,you can get quite a number of them to convert to Satanism,since worshipping a hedonistic, cruel, and unforgiving god hellbent on destruction and mass murder is in line with their racial predilections,but having them worship a forgiving and loving God who represents salvation from those predilections is beyond the pale. At the very best,you could get them to worship Satan in a Catholic church.

Not sure you want that.

True, but the Catholic Church had a big problem with the not-really-converted or Crypto Jews. It still does, as they have infiltrated even the top hierarchy of the Church, and I am not even sure if Bergoglio is not Jewish himself...

Interesting, but the easier way into the hearts and minds of regular people is to simply attack the Left. Jews joined the Left because it was a ticket to power and wealth, not because they actually believe any of its nonsense. Plenty of Christians join the movement for the same reason. Gavin Newsom isn't a Leftist because he believes any of the nonsense, it's his ticket to power. Attacking Jews by name, in the US at least, won't work. Even if you call them "LDJs". Attack the Left, who is the real enemy anyway. The Left in Spain was the enemy during Franco's time, and there wasn't nary a Jew around. Destroy the Left and you'll destroy the enemies of Western civilization and promote a meritocratic White dominated society.

"On team", quite appropriate, i used earlier on "glued in", "jewish mindset". "Glued in" is the better in my opinion, it describes the inextricable between group and individual. Any rope will do. Take a Joe Biden, an Obama, an Ursula von der Leyen, a Francois Michel, a Macron, a Merkel, etc. ...all glued in[open to extortion, ...and sponsoring just to set them up as decoys for potential grafters]. Zelensky is more of a "glued in", then a Jew, that suits the purpose.

I doubt that the "good" Jew Mr. Unz is even mentally capable to level with any non-Jew collaborators. It is the weakness of the Jew in the long term that alternative organizing must consider [see my above comment]. A Jew has no shame in peddling his own.

Since Jews hold the Germans permanently and collectively responsible for the sins of those running the camps, how are the Jews on their own lights not permanently and collectively responsible for the Jewish Bolsheviks' mass murders in Russia that were an order of magnitude greater anything the Nazis are accused of? Doesn't that make the Jewish Bolsheviks, and by the Jews' own logic including all the Jews living today, by far the worst mass murderers in human history?

While we're at it—if, as th ADL claims, any criticism of Israel and the Jews is de facto anti-Semitic hate speech, doesn't that imply the Jews have never done anything wrong?

During the Spanish Civil War, the Abraham Lincoln Brigade was recruited from among America's Jews for the purpose of killing nuns and priests and burning down Catholic Churches. Some years ago Pacifica Radio interviewed one of the brigade's ancient Jewish veterans who agreed on the air that the primary motivation among America's Jews wasn't spreading communism, but instead the promise of going on a killing spree of rape and mutilation of Catholic clergy, especially the nuns. Meanwhile in Russia, American Jews were flooding back to join the Bolsheviks do the same thing to Russian clergy. The descendents of these same Jewish monsters now control the reins of power in DC with what should be obvious implications for white survival.

The greatest weaknesses of LDJs are, of course, small numbers and a limited martial presence among gentiles. Their greatest strengths, however, include high ethnocentrism and in-group cohesion, high IQs, the ability to acquire and weaponize large amounts of money, a sense of urgency resulting from the cult of their own victimhood, and an overwhelming will to power. An impressive battery of strengths indeed.

Great synopsis. But you left out one of the greatest strengths of the LDJs, a total lack of integrity, although this is shared with several gentiles.

Robert Wilton, a longtime Russian news correspondent for the London Times, said in his book, *The Last Days of the Romanovs*:

”Out of 556 important functionaries of the Bolshevik State, there were, in 1918-1919, 17 Russians... 457 Jews, and 82 others.”

Ashkenazi Jews do.

Because while having a relatively low IQ on average, the Jews also have a high variance in intellectual endowment so they produce many highly intelligent individuals, as well many stupid fanatics and a vast majority of regular mental midgets. Little do most consumers know how ubiquitous and dominant kosher certification is in America, but could some weak claims help educate the general public on their everyday livelihood? How is it that a group with such victimhood status can have derived such revenue-yielding power to place their authoritarian seal of approval on laundry detergents, dish soaps, coffee filters, bottled water, and even toilet bowl cleaners?

Even if supporters of today's kosher agencies often say, "Businesses can do as they wish" and certify their entire line of products "kosher" if they please, weren't large companies of the 1950s and earlier permitted to "do as they wish" and hire hundreds of White male employees without consideration for other races and sex? As the civil liberties for gender in America have become fluid, are we overdue now for expanding the Constitutional definition of "Religious Freedom" to recognize and accommodate our rights to purchase secular goods free from the overriding control of a powerful religious minority and monopoly? [Today's dictates for diversity should demand the same for religio-secular influence such that the Kashrus dietary laws of one religion not be imposed on everyone without opportunity for choice, let alone "equity."]

Even if the kosher keeping Orthodox Jewish community representing 0.3% of our population easily recognizes that most all essential and popular packaged food and inedible products today are kosher certified with tiny and obscure labeling, isn't it the moral and right thing to do to insist and legislate large transparent labeling of religious certification for the 39% of American consumers who object to this century-old scheme and may wish to avoid it? [consumer surveys have proven that 39%

don't approve of the religious certification scheme on products found in our marketplace, but around 90% can't even recognize the OU kosher seal.]

Even if the IRS grants exemptions for taxing and disclosing the revenue of religious organizations like kosher agencies, does it seem reasonable that a poor and humble non-Jew from Oklahoma might unknowingly contribute more of his lifetime savings to the interests of a New York City-based kosher scheme and its myriad programs than to the local church of his faith and choosing, especially given that illusive kosher seals average just ten percent the size of other common certification seals found on labeling? [With zero transparency afforded the consumer on the financial accounting in the kosher certification scheme, it is the consumer's prerogative to make such estimations against the concealed and proprietary information.]

Even if some vegans are sold on the idea of looking for kosher seals to determine if there's meat in a product, wouldn't it undermine the essence of their dietary values as their support for the kosher seal scheme ultimately grows the power of kosher slaughterhouses? [Kosher agencies aggressively market their scheme as a benefit to vegetarians and vegans. How ironic!]

Even if kosher agencies and mainstream media have enforced the perception or myth that kosher goods are healthier than non-kosher goods, wouldn't it be fair and honest to disclose the truth that rabbinical authorities of these agencies make no such guarantees? And as for Christians who naively buy into this marketing pitch, wouldn't it be righteous for their fellow travelers to remind them of John 2:16-17, where Jesus demanded to "Stop turning my Father's house into a marketplace!?" [Christians will never hear a sermon in their church on whether the kosher laws apply to them, but do they even understand the

basic definition of “kosher” or understand that there are rabbinical (man-made/post-Torah) laws of Kashrus such as Bishul Akum intended for segregation?]

Are these brief and easy arguments? Not entirely, and perhaps they can be given more brevity by a wordsmith. Are they weak claims involving a domineering influence found in everybody’s home, in front of everyone’s eyes? Absolutely! And it may be the most helpful baby step towards revealing how many of our institutions are, in fact, kosher certified! Learn more at:

@Realist

You need to understand the concept of 'variance', the concept of 2nd order properties of populations.

You need to understand the concept of a normal distribution.

It seems you don't know that the shape of the normal distribution is controlled by its variance (2nd order property, the mean is the 1st order property and it controls the location, not the shape). A larger variance creates a flatter normal distribution. In the limit when the variance tends to infinity the shape of the normal distribution tends to a straight horizontal line and in the limit when the variance tends to zero the shape of the normal distribution tends to a straight vertical line.

So what I am saying is that Jews, probably because of too much inbreeding, have a higher variance in intellectual endowment while their mean is somewhat below the mean of Asians and Whites, so the distribution of Jew IQ is flatter, more spread.

Splitting the Jews into Ashkenazi and the rest of the Jews is disingenuous as other groups can also be split into smarter and dumber parts.

Whether someone truly converts to Catholicism or holds on to past, heretical beliefs before death is completely beside the point, for those who die outside of the Church, whether that be pagans, Jews, Muslims, or heretics, will undoubtedly perish for all eternity, unless joined together in the bosom and unity of the Catholic Church before the end of their life, so the mission of the Church remains the same.

The belief that an organization is “infallible” and that those who have the misfortune to never have been a member of same will be tortured for all eternity in the afterlife, is one of the most narrowminded and most uncharitable of all human beliefs. I will not even mention in this context the obvious crimes and deceits of your “infallible” organization, such as the selling of indulgences, simony, burning of witches and heretics, crusades, inquisition, and homosexuality and pedophilia of the clergy, or is the Catholic “God” himself corrupt?

“and to even suggest that there is some sort of genetic component that somehow prevents Jews from receiving the Gospel is a clear demonstration that you lack proper understanding of the human soul and its complete distinction from the human body.”

Oh ok. Explain why Mexicans worshipped skeletons and demons and did human sacrifices to them for thousands of years and now after hundreds of years with absolutely no connection to that religion, given that it was ruthlessly exterminated by Catholics, they're now worshipping Santa Muerte and brutally dismembering people in human sacrifices just like their ancestors did.

About the apostles, I'm going to say to you and everyone else here exactly what many of us have said to people pointing at Neil Degrasse Tyson to try to disprove the fact that black people are dumb violent criminals, and that's that a few outliers don't overcome a trend and that regression to the mean is a thing. Besides that, some of the Apostles were probably not even ethnically Jewish.

Catholics believe in pre-determination. There's nothing more pre-determined than a group's cultural and religious expressions. How long have you guys been trying to get blacks to practice Christianity? Since White people figured out that black people exist. How do they practice it? They give thanks to God that a Jew published their rap album about shooting their rivals, having babies out of wedlock, and abusing the mothers of their bastard children.

In other words, the same behavior they were doing for the last 10,000 years, plus a superficial veneer of Jesus slapped over the top of it.

Thousands of Jews DID “convert” to Catholicism when they had no choice, but when the Muslims showed up to conquer the seat of Catholicism in Europe, they reverted to Judaism and “welcomed the stranger” into the heart of someone else’s land, didn’t they?

What we would call the soul ISN’T distinct from the body. If it was, how could evil deeds by someone’s body condemn their soul to Hell in the first place?

Evil deeds done by someone’s body pollute and disfigure their soul, and likewise, an evil spirituality or the worship and celebration of evil quite often twist and disfigure the body.

Anyone who has ever looked into the eyes of a truly evil person such as a serial killer or a child murderer has seen what possessing a soul completely given over to evil does to a person’s body. It’s not an easy thing to describe but everyone knows what that dead look in someone’s eyes is, they know it’s not normal, and in fact they know that it is evil deep down even if they are an atheist and completely disbelieve in the concept of a soul in the first place.

I agree that Jews are more intelligent than everyone else except East Asians. They excel at living and dying for the past because it is their identity and self-fulfilling prophecy of doom. Western Civilization has made eunuchs of the white man. It goes back to the white man's original sin: he invaded Judea.

Take immigration. White men were the invaders of Europe from the Eurasian steppes. They made Europe white one lay at a time as they killed off the indigenous men. The dark skinned indigenous women gave us blue eyes and the Eurasian men gave us the white skin, lactose tolerance, and brown eyes. If we were our ancestors, there would only be white people on Earth with 1%-2% of something else. Now white men are incels and MGTOW. They no longer have harems. They've been whipped and made slaves themselves. They got women coming to them and they aren't making white babies as they whine about the white race. Our ancestors had to migrate to get laid and these women are coming to you! If you mate with them all then their children become 50% white or more. If white genes make them smarter then give them white genes. The reason whites are going to be a minority is because they've been consuming poison called Christianity.

White men have abandoned their ancestral tutelary gods for a fake god of the Jews and they blame the Jews for their own mistake. All the Jews ever wanted was to live in a desert next to a dead sea that their god gave to them. They weren't asking for much but the white man just wouldn't leave them alone. The only thing white men have continued to excel at throughout history was the technology to make war.

Our ancestors were "genocidal peoples who 'switch cultures.'" We do. Our military went from "don't ask, don't tell" to openly embracing homosexuality and transgenderism within a few

years. We are “genocidal people who ‘switch cultures.’” Who knows what crazed depravity we’ll embrace next. Wealthy white men are in the process of committing genocide against lower class white men who hold beliefs that the wealthy like themselves once had because it feels good to them. They are violent savages running on autopilot. Yes, the Jews gave them ideas but their enthusiasm for it comes from within. Their opposition is filled with low sex drive whiners. Things don’t look good for the white man’s future. He has gone limp.

Truth-telling about the JEW portion of the JEW/WASP Ruling Class of the American Empire and the JEW QUESTION must be done and the methods and means and severity of such talk could vary, of course.

The JEW QUESTION explained:

**Jews form a nation within a nation everywhere they reside. Can Jews ever be considered to be part of the larger nation in which they reside when they are genetically and culturally predisposed to put the interests of the Jew Nation over and above the interests of the larger nations in which they reside?**

Deceased Jew Larry Auster on the JEW QUESTION from 1998:

Because of the Jews' tragic history as a persecuted people, and because of their own ability, through their leading role in American intellectual life, to set the terms of permissible discourse, it is impossible in today's society to have an honest discussion on the subject of Jewish cultural impact. While every other ethnic group can be spoken of in a critical light, if only to a very limited extent, nothing that is even implicitly critical is allowed to be said or inferred about Jews

The Jews also (as few people recognize, because the subject is forbidden) changed America in some profound and not always positive ways. In terms of national identity, Jews were instrumental in the reformulation of America as a universalist society based strictly on ideology rather than on peoplehood, a change that set the stage for mass Third-World immigration and the much more profound redefinition of America as a multicultural society. In terms of morality, many Jewish intellectuals, writers, and entertainers deliberately undermined the older Anglo-American Victorian ethos, a program of moral/cultural subversion that climaxed in the Sixties counterculture and the dominant nihilist culture of the 1980s and 1990s. In terms of politics, Jews were instrumental in replacing the old American order of Constitutional self-restraint with the statist politics of unrestrained compassion.

the elite universities had changed from guardian of the old Western order to its subverter. [See also here.] This transformation in the universities then reverberated through the rest of the culture, stripping America's public institutions, entertainments, symbols, and manners of the Christian and bourgeois values they had once embodied. America's transition from a Protestant culture whose public institutions, celebrations, and symbols reflected Christian belief, to a pluralist, secular society with no identity at all, was complete.

Now that their enemies have been scattered and silenced, the left and the minorities can admit that their real agenda all along was not simply inclusion, equality, justice, or tolerance toward Jews and other minorities, but the destruction of the Christian culture.

If an immigration law that is designed to preserve the nation's ethnic majority is racist (because it implicitly puts down other groups), then the same must be true of any manifestation of the ethnic majority, including its very existence. After all, if a nation still has an ethnic majority, and a culture that reflects that majority, doesn't that impute inferiority to all people not related by blood to that majority? Therefore the only way to procure real democracy is to turn the ethnic majority into a minority, which is to be accomplished (and since 1965 has largely been accomplished) by immigration.

The 1965 Immigration Act, the culmination of a forty-year, largely Jewish-led campaign, was not simply a piece of "liberal" legislation (i.e., an act aimed at formal equality) which later turned out to have unforeseen, radical consequences. As early as 1952, the liberal idea of equality before the law was already linked in the minds of Jewish immigrationists with the radical project of dispossessing America's white, Anglo-Saxon, Christian majority.

there was no “Abraham Lincoln *Brigade*” in the Spanish CW.

there was an “Abraham Lincoln *Battalion*” which was

an “American” component of the larger XVth International Brigade;

the AL *Battalion* was predominantly (c. 60-80%, including non-identifiers, cryptos, etc) Jews. It’s first c/o Robert Merriam, was a Red shabbatz goy...with the usual Jew wife-controller: Miriam Wachtel.

the Brigade as a whole, which included British and other national components, would average down to c. 30-40% Jews. Cf.

The Holy Magisterium has always correctly and infallibly stated that the foundation of charity is Faith, pure and undefiled, and that whosoever should depart in the least article of faith rejects all, and that whosoever should die outside the bosom and unity of the Church will without a doubt perish for all eternity, but because you know nothing related to the actual Teachings of the Church and because you hate God and have an ear itching for lies, you seek not the truth but whatever pleases the demons influencing you and corrupting your soul. Everything you said, therefore, is simply untrue: the Holy Church does not teach and never taught that indulgences could be bought or sold, though a few unholy and evil men did so anyway; simony is and has always been considered a sin; witches work with demons and do in fact deserve to be burned at the stake, and saying otherwise is proof of your spiritual blindness or naivety; the crusades were completely justified, even if some of the crusaders committed sins throughout the journey, and many miracles occurred during the crusades, which you would read about and contemplate if you loved God; there is a lot of disinformation surrounding the inquisitions, but the overall rationale behind them, that heretics deserve punishment, since they condemn others to eternal hellfire by spreading lies about the Faith, is completely true; and the homosexuality and pedophilia of today pervades the Vatican II Sect, which is not the Catholic Church.

First, the Latin Americas converted to Catholicism, and millions of souls may have earned their eternal reward as a result; and second, because you are of bad will, you have to lie and misquote what I said, which is that millions of Jews, not thousands, have converted to Catholicism over the course of the two-thousand years of Christianity, so you should stop lying and misquoting what I said; and third, Catholics believe in predestination, which means that God knows beforehand who will go to Heaven, but that does not take away from our free will, though since you are evil and hate God, you are unable to understand such a concept; and forth, murderers will without a doubt go to a deep and terrible part of Hell, but those who reject God and His Holy Church are also evil and will also without a doubt suffer for all eternity.

Although many things in that era are unclear, the general situation should be that Lenin, Trotsky and other Jews were financed by Jewish bankers, and the domestic Slavs inspired by Bolshevik ideology came to power through the October Revolution.

Among them, the backbone of Slavic power was Kirov, Stalin, etc., so after coming to power, Lenin tried to bridge the rift between Slavs and Jews, but after his death, the conflict erupted.

Kirov's assassination turned Stalin into an anti-Semitic, double-whammy, and of course we know the outcome. Trotsky was forced out, Stalin ultimately defeated, but he lost his reason.

| Even if the Nazis murdered six million Jews, the Jewish-led Soviets .....

I'm rewriting my previous post for clarity. Context – Not only did the holocaust not happen, it is a prima fact utterly preposterous hoax. Completely idiotic. The original hoax\* was that the Nazis killed and cremated 10,000 Jews per day at Auschwitz, 4 million total. For Christ's sake, how could anyone take this seriously for a minute. The Soviets claimed that a morgue room in a crematorium was a 'gas chamber' and showed (and it still showing it) to millions as a gas chamber even though the door into the room is a typical unsealed wooden office door with a large plate glass window ! This is simply complete idiocy ....

So, anyone who writes a sentence like the one quoted has to be a complete idiot, a moron, completely incapable of rejecting even the most preposterous propaganda the Jews dream up.

That's what I was trying to point out .....

\* until 1990, when the Soviets revealed that they had captured and disappeared the Nazi Auschwitz records, they revealed them at that time and you can now by a copy on Amazon, the Auschwitz Death Books, which recorded the deaths of every prisoner that died at Auschwitz.

Naw. By and large, Gentiles are not scared off by the “hard” material *per se*. They are more scared off by the repercussions they will suffer. Those repercussions are imposed by those who control mass media, finance, etc. Ultimately, you cannot defeat those enemies without acknowledging and challenging them. The tactic of “playing dead” so as not to provoke their ire only “works” in the sense that they may spare you as an individual if they view you as sufficiently harmless, but it will never truly work in the sense of removing those enemies from power. Though they seem unbeatable at the moment, history has shown their power to be very fragile. Their strategy only really works if they can remain in the shadows without the majority realizing what’s going on.

General Franco was the greatest man and hero of the 20th century He whipped the Jewish and Russian communists out of Spain. All alone as the great and good liberal democracies cheered the Jewish and Russian communists.

True that the great and good liberal democracies were cheering on the Spanish Bolsheviks. The red flag was the intellectual fashion at the time – meaning the destruction of tradition, the church (burnings ) and violent leftist militias.

Stanley Payne’s “*The Spanish Civil War*” is very good on this – highlighting the deception:

As Leon Trotsky wrote candidly in his History of the Russian Revolution, “The attacking side is almost always interested in seeming on the defensive. A revolutionary party is interested in legal coverings.” Thus in Russia the Bolsheviks had presented their coup d’état of 1917 as a defensive action against an imminent counterrevolutionary assault, hiding their action behind the proclaimed goal of handing power to representative Soviets and guaranteeing new democratic elections.

Like the US Neo-Bolshevik Jews defending the US against “White Supremacy”.

So how were the Spaniards suppose to tell the true converts apart from the false ones? What would you have done differently? What sort of test is there for some abstract theological belief in some or other God? Anyone can say “I believe in Gods X, Y, and Z”, and it isn't refutable. That's all the Jewish “converts” had to do, and they were believed. The only thing that that is now proven beyond doubt is that Christianity is stupid and Jews are smart.

@saggy.

wrong:

the Auschwitz Death Books record the deaths/killings of prisoners, Jews, Poles, and others, *registered upon arrival* into the Auschwitz *labor camp*.

what went on in the adjacent Birkenau section, where the four large crematoria were located – and where all those on each incoming Jew transport deemed categorically unfit for work (the sick, the elderly, young mothers with dependent children) were generally sent immediately upon arrival and subjected to “Special Treatment” – is not covered in the Auschwitz Death Books.

you denialist Pomos are hopeless. These days David Irving is conducting guided tours of Auschwitz, and you’ll likely end up doing similar kosher ass-kissing. That’s if you aren’t an outright Hasbara to begin with.

the domestic Slavs inspired by Bolshevik ideology came to power through the October Revolution.

The *Slavs* came to power in the October Revolution? Then, I suppose, it was the “Slavs” who went on to raze thousands of Slavic Orthodox churches, but left the synagogues untouched? And I suppose it was the “Slavs” who published the first Bolshevik proclamations in Yiddish? And I guess it was the “Slavs” who made antisemitism a capital offense? I’ll bet it was even the “Slavs” who arrested hundreds for being “antisemites” even under the Kerensky government installed after the February Revolution.

Don’t be daft, boy.

I concluded that the 'Holomodor' was yet another anti-Soviet trope when it appeared, from nowhere, with an invented nomenclature that put it right next to 'Holocaust' in the lexicon of officially approved 'genocides'. That it was peddled by Rightwing thugs who I knew to be recidivist liars and hate-mongers only fortified my opinion.

“O ye Gentiles, have ye remembered the Jews, mine ancient covenant people? Nay; but ye have cursed them, and have hated them, and have not sought to recover them. But behold, I will return all these things upon your own heads; for I the Lord have not forgotten my people.”

I agree that framing the issue correctly and effectively is important.

It seems to me the issue is most accurately, and hence effectively, framed as a ***Talmud problem***. The case for this is laid out in the comment at

Jews and Muslims have a lot in common.

Read this analysis.

Islam is dangerous for Non-Muslims. **There is a reason why even most Jews will admit that Islam is much more similar to their religion than Christianity is. It is because Islam is the tribal semitic clan religion of the Israelites that has been distilled, militarized, and universalized. Islam is what Judaism would have been had it not been crushed repeatedly by more militarily adept pagan empires and not been forced into a tenuous peace with gentiles.**

The term “Judeo-Muslim” actually reflects reality far better than “Judeo-Christian.”
