Jak židovský je Azov?

V eseji „[Proč ‚nacisté‘ na Ukrajině?](#)“ Podíval jsem se na historický základ významných pozůstatků zájmu o národní socialismus jako politickou ideologii na Ukrajině. V této eseji nebylo možné hodnotit, zda je slavný – nebo nechvalně známý – pluk Azov (dříve Battalion) v jakémkoli smyslu nacionálně socialistický. To zde vyhodnotíme.

Regiment Azov zobrazuje vlajky, nášivky a další ozdoby se symbolem spojeným s nacionálně socialistickou německou armádou z druhé světové války. Něco, co se nazývá Reporting Radikalism, poskytuje dobrý popis hlavního symbolu Azova a také dobrý příklad toho, jak jej lze špatně charakterizovat:

Idea národa

Moderní symbol vytvořený jako znak Sociálně-národní strany Ukrajiny (nyní známá jako Strana Svoboda). Jde o kombinaci ukrajinských písmen „I“ a „N“ údajně psaných „starověkým písmem“, ačkoli neexistuje žádný důkaz, že by tato písmena byla někdy psána takovým způsobem. Symbol je variací Wolfsangela; zrcadlový obraz znaku SS Panzer Division „Das Reich“ (divize nacistických bezpečnostních služeb). Vůdce Patriot of Ukraine odmítá názor, že by symbol měl nějakou spojitost s Wolfsangelem. Organizace, které používají symbol Idea národa, jsou však krajně pravicové a používají jiné symboly nenávisti.

Před začátkem ruské války s Ukrajinou koncem února 2022 byla pozornost médií věnována prezentaci Azova jako „neonacistů“, fašistů a „krajně pravicových extremistů“. To platí zejména o ruských médiích, jako je tento obrázek RT s názvem „Nestojí za váš sympatie: Příběh ukrajinského neonacistického praporu Azov“ vydaný v červenci loňského roku, přirovnávající Azov k původnímu rasistickému, masovému vraždění, zlým „nacistům“. „Pouhých šest dní poté, co začala ruská „zvláštní vojenská operace“, na začátku března Aljazeera odvedla skvělou práci démonizace Azova ve svém díle „Profil: Kdo jsou ukrajinský krajně pravicový pluk Azov?“, přisuzoval to všem stejným zvěrstvům připisovaným „nacistům“, jako jsou „pogromy“ proti Romům a homosexuálům (ale ne Židům), ideologie „bílé rasy“ a „krajně pravicového ultranacionalismu“ a znásilňování a mučení civilistů v oblast Donbas. Aljazeera zmiňuje „Igora Kolomojského, miliardáře energetického magnáta a tehdejšího guvernéra Dněpropetrovské oblasti“ jako oligarchu, který financoval Azov, ale opomíjí, že Kolomojskij je Žid. To se ukáže jako významné.

Abychom nezůstali stranou, západní média jako The Nation zobrazovala Azov v podobném duchu v roce 2019 ještě před ruskou invazí a používala všechny představitelné nálepky jen v názvu a

podtitulu: „Neonacista“, „krajní pravice“, „antisemitský, „fašistický“ a „ultranacionalistický“. Již v červnu 2015 Kongres USA schvaloval novelu zákona o přídělech ministerstva obrany, která uváděla: „Žádný z finančních prostředků poskytnutých tímto zákonem nelze použít k poskytování zbraní, výcviku nebo jiné pomoci praporu Azov.“ Důvody uvedl pan Conyers, sponzor novely:

Časopis Foreign Policy charakterizoval 1000členný prapor Azov jako „otevřeně neonacistický“ a „fašistický“. Četné další zpravodajské organizace, včetně *The New York Times*, *The Guardian* a Associated Press, potvrdily převahu bílých supremacistických a antisemitských názorů ve skupině; přesto ukrajinský ministr vnitra nedávno oznámil, že prapor Azov bude mezi jednotkami, které obdrží výcvik a zbraně od západních spojenců, včetně Spojených států.

Zakladatel Azov Andriy Biletsky zorganizoval neonacistickou skupinu Social-National Assembly v roce 2008. Muži z Azova používají neonacistickou symboliku na svém praporu.

Facebook zaujal podobný názor na Azov, poté jej moderoval. V roce 2016 Facebook prohlásil Azov za „nebezpečnou organizaci“ a do roku 2019 byl Azov na Facebooku zcela zakázán. „Uživatelé, kteří chválí, podporují nebo reprezentují“ Azov byli také zakázáni. Den po ruské ofenzivě, 24. února 2022, Facebook prudce změnil politiku, což umožňuje chválu a podporu pro Azov. V marném a zoufalém pokusu najít nějakou neexistující střední cestu Facebook „povolí chválu praporu Azov, když výslovně a výlučně chválí jejich roli při obraně Ukrajiny NEBO jejich roli v rámci ukrajinské Národní gardy“, ale že „Azov stále nemůže používat platformy Facebooku pro náborové účely nebo pro zveřejňování svých vlastních prohlášení a že uniformy a transparenty pluku zůstanou jako zakázané zobrazování symbolů nenávisti...“

Toto umírnění ze strany Facebooku je typické pro západní média obecně po ruské intervenci na začátku roku 2022. Azov byl již dříve středem intenzivní propagandistické války, která eskalovala, když Putin prohlásil „denacifikaci“ za hlavní cíl přímého vstupu Ruska do Ruska. konflikt. Ruská propaganda líčí Azova jako „neonacisty“ a dokonce jako „bělošské stoupence nadřazenosti“ jako jedno ospravedlnění pro překročení hranice na Ukrajinu.

Azov má svou vlastní vysoce vybroušenou a profesionální propagandu, která označila Rusy za „skutečné fašisty“. Britský Telegraph uvedl, že Azov „hraje PR hru“ jako „dobře namazaný reklamní stroj“. Mezinárodní zpravodajský server France 24 koncem března 2022 oznámil, že Azov udržuje profesionální přítomnost na sociálních sítích Telegram a zveřejňuje videa z dronů s vojenskými úspěchy Azova proti ruským tankům. Článek uvádí: „Azov nyní fungují jako jiné pluky ,ale s lepším PR“ podle odborníka na lidská práva.

Typičtější „denacifikace“ Azova, do které se v tomto bodě zapojovala sama západní média, prohlašuje: „(Azov) už nemá konotaci jakéhosi fašistického symbolu,'... Celkově vzato, ultranacionalistické politické síly na Ukrajině od roku 2014 klesá...“

Tato apologetika a omílání Azova by nás měly zmást, vzhledem k absolutní hysterii, s jakou západní média a vlády vlastněné a provozované Židy zobrazují vše, co je i jen vzdáleně považováno za „nacistické“. Jedním z příkladů bylo šílenství, které nastalo, když se objevilo, že jeviště v Konzervativním politickém akčním výboru (CPAC) bylo formováno do podoby nordické runy (Odal), kterou také vystavovaly některé nacionálně socialistické vojenské jednotky. Je zřejmé, že ruská invaze v roce 2022 změnila něco zásadního a nyní je přijatelné osvobodit Azova z „nacistické“ příslušnosti a dokonce ho chválit.

V době dramatické konfrontace v Mariupolu mezi Azovem zabarikádovaným v ocelárně a ruskými silami, které je obléhaly v květnu 2022, došlo k překvapivému (pro ty, kdo zůstávají zmateni) k určitému překvapivému vývoji. Určitá pozornost médií byla věnována tomu, aby se Azov ukázal jako rozhodně nikoli „nacisté“, ale oddaní ukrajinskí bojovníci, kteří se snažili odolat ruské invazi do jejich zemí. Tyto zprávy se snaží dále přerušit spojení mezi Azovem a „nacisty“ a dokonce znovu spojit Azov s Židy!

Aby čelil ruským obviněním, citoval ukrajinský zpravodajský kanál Gordonua zástupce velitele Azov: „Chci zdůraznit, že tito (Azovové) nejsou militanti. Jedná se o vojenský personál Ukrajiny, jedná se o

občany Ukrajiny různých národností. To jsou Židé, to jsou Ukrajinci, to jsou Řekové, to jsou Bělorusové, to jsou Gagauzové.“ Židé v řadách „nacistického“ Azova?

Zřejmě ano. Žid uvězněný v ocelárně s Azovem poslal video zprávu směřovanou izraelskému premiérovi Naftali Bennetovi, lidu Izraele, jeho novinářům, rabínům a dalším, jak informovalo ukrajinské zpravodajství *Focus*. Vitalij Barabáš zveřejnil své video na facebookové stránce Ilgam Hasanov „jménem všech Židů, kteří jsou v zablokovaných ruinách Azovstal“ (název ocelárny). Kolik Židů je v Azovu? Dost na to, aby to Izrael lákalo.

Následujícího dne, 12. května, *Haaretz* citoval stejného zástupce velitele Azov ve svém článku nazvaném „Druhý velitel praporu Azov: „Jako v Izraeli je proti nám také teror. Nejsme nacisté““ Příslušná pasáž uvádí:

...na sociálních sítích se objevilo video bojovníka pobřežní stráže, který se identifikoval jako Žid z jiné jednotky v továrně Azovstal, ve kterém apeloval na izraelské zákonodárce. Oslovil premiéra Naftaliho Bennetta a ruský mluvící členy Knessetu Yulihu Edelsteina z Likudu a Evgenije Sovu, Julii Malinovskou a Alexe Kushnira z Jisrael Beiteinu a požádal Izrael, aby pomohl evakuovat ukrajinské síly z Mariupolu.

"Oslovil vaše politiky a izraelský národ," říká (zástupce velitele Azov) Palamar. „Myslí si a já také, že Izrael je silná země, která dlouho bojuje a která chrání své vojáky. Víme, že Izrael bere vážně členy své armády, kteří brání vaši zemi jak před územními útoky, tak před teroristy, kteří útoky provádějí. Tady se děje to samé. Myslím, že je to teror."

Ano, žádost Žida úzce spojeného s Azovem o pomoc Izraeli, „silné zemi, která již dlouho bojuje“, aby zasáhl a zachránil všechny Židy v ocelárně. Článek je koncipován jako otázka a odpověď se zástupcem velitele.

Haaretz: Závod Azovstal je již přirovnáván k Masadě, kde se zbarikádovali židovští bojovníci, kteří se vzbouřili proti Římské říši, a nakonec byli všichni zabiti. Chápete, že to může být i váš osud?
Azov: "Každou minutu." Každou chvíli očekáváme, že budeme zabiti."

Ve skutečnosti Židé v Masadě raději spáchali masovou sebevraždu, než aby byli Římany zajati nebo zabiti. To bylo považováno za statečný čin víry a je to základní smysl příběhu. To, že se *Haaretz* spletl, nemůže být chyba. *Haaretz* rozhodně nemůže navrhnout sebevraždu pro Azov a Židy v Mariupolu, a tak je příběh zkreslen pro propagandistické účely. Smyslem příběhu Mariupol je pro Izrael zachránit statečné bojovníky proti imperialismu (tentokrát ruskému místo římského), aby se vyhnul tragédii moderní Masady. Nakonec se rozhovor zvrhne v Azov „nacistické“ popírání. To je ohromující v židovské izraelské prodejně, jako je *Haaretz*, takže to prozkoumáme v plném rozsahu.

Haaretz: Ruská propaganda tvrdí, že jste nacisté. Kromě propagandy se však v nezávislých médiích a v mezinárodních zprávách léta objevují svědectví o tom, že bojovníci Azov zastávají krajně pravicové pozice.

Azov: Co je nacismus? Když si někdo myslí, že jeden národ je nadřazený jinému národu, když si někdo myslí, že má právo napadnout jinou zemi a zničit její obyvatele – to je teror, to je násilí, to jsou krematoria a filtrace [sic; koncentrační tábory. To je lpění na jednom náboženství nebo jedné myšlence. Co se tady děje? Věříme v územní celistvost naší země. Nikdy jsme na nikoho neútočili a ani jsme to dělat nechtěli.

Naše jednotka se dala dohromady, když byla naše země napadena [v roce 2014] a naší nejvyšší prioritou je obrana naší země. Nemyslíme si a nikdy jsme si nemysleli, že jsme lepší než kdokoli jiný. Slouží s námi lidé různých národností – Řekové, Židé, muslimové, krymští Tataři – a i když mezi námi kdysi byli fotbaloví chuligáni, kteří křičeli na stadionech, jsou to pozice mladých lidí, kteří se změnil, protože jsme vojenská jednotka. Nemáme žádné politické ambice ani postoje. Slouží u nás pouze občané Ukrajiny. Nejsou u nás žádní cizí občané, protože to zákon zakazuje.

Haaretz: Před pár dny jsem mluvil s bývalou obyvatelkou Mariupolu. Tvrdila, že bojovníci Azova chodí s nacistickými symboly, s hákovými kříži. Je to lež?

Azov: Mluví o našem symbolu, „myšlence národa“. Jeho smyslem je, že hlavní myšlenkou toho, co bylo kdysi plukem a nyní je naším praporem, je obrana našich národních ideálů. Myslím si, že každý civilista a voják v každém národě — to je jeho myšlenka, protože je povinností každého hájit své národní zájmy, zvláště když jim země dá zbraně.

Haaretz: Nicméně zde chci být přesný. Dá se říct, že bojovníci praporu nemají na těle vytetované skutečné hákové kříže?

Azov: Nejsou tam žádné hákové kříže. Mohlo by se stát, že existují nápisy staroslovanskými písmeny nebo pohanský runový nápis. Každý jednotlivec z nás si zde v jednotce může věřit čemu chce. Všichni žijeme v míru.

V Azovu žádné hákové kříže, jen Židé a mír. Pár mladých fotbalových chuligánů, pár tetování pohanskými runami. Tady žádní „nacisté“! „Denacifikuje se“ Azov sám sebe, aby odstranil jeden z Putinových důvodů k invazi? Získat podporu ze Západu? Pro Židy musí být „nacistické“ popírání téměř stejně ohavné jako popírání holocaustu, přesto jej Židé sami podporují a propagují ve vztahu k Azovu. Antagonismus mezi nacionálně socialistickým německým vedením a židovskými komunisty a bankéři nemohl být ostřejší. Cokoli nacionálně socialistického, tehdy nebo dnes, je z definice „antisemitské“. Vidět Azov, který byl tak důkladně démonizován jako „nacista“, který nyní ve svých řadách a přidružených silách ukrývá Židy, financovaný židovským oligarchou, nabílený židovskými médii a schválený a schválený židovským prezidentem ukrajinského národa, je tak nesourodé, že může mít jediné vysvětlení: Azov je nyní propagandistický výtvar sloužící dvojímu schizofrennímu účelu. Lze jej zobrazit jako gang zlých „nacistů“, kteří páchají zvěrstva a válečné zločiny, aby udrželi zlou „nacistickou“ mytologii a absorbovali všechna obvinění z ukrajinských zvěrstev. Lze ji také zobrazit jako skupinu statečných multikulturních bojovníků za svobodu vzdorujících ruskému imperialismu. Podle toho, co se hodí pro účely západních médií. Druhé vyobrazení zní zvláště podobně *Waffen SS*, první etnicky různorodá celoevropská armáda, která bojovala na straně národního socialismu proti komunismu. Azovští propagandisté však nechtějí, abychom to viděli. Za druhé světové války bojovalo za Německo za Německo opět spousta Židů – až 150 000 – a 77 německých důstojníků, někteří z vysokých hodností, byli Židé. Mohlo by to vysvětlit, proč dnes Židé slouží v Azovu? Neměli bychom tomu věřit. Azov mění své barvy s okolnostmi války a potřebami západní propagandy. Ruská propaganda zůstává konstantní: Azov je banda „nacistů“. Dnes však Azov má Židy. To by mělo být neslučitelné. (Opětovně publikováno z The Occidental Observer se svolením autora nebo zástupce)

Thanks for your informative article, Mr Haemers. The stuff about Jews in The Azov Regiment and *Haaretz*, you won't find in any Western MSM outlet.

My take on the Azov Regiment is that they are basically composed of Galicians (Western Ukrainians), as are many other Ukrainian military units. Even before WWI, they were very hostile to Russians and Poles. The Holodomor intensified that feeling and most of them strongly supported Germany after the invasion in 1941. Modern day Galicians view Russia as the successor of the Soviet Union, the perpetrator of the Holodomor.

There is a well-known photo (which sadly I forgot to download – maybe some reader can provide it) with the Azov Regiment (?) alongside the Swastika, EU and NATO flags draped across a tank. The incongruity of this should be obvious to nearly all readers, but it wasn't to members of the Regiment. These flags represented entities which had supported or support the Ukrainian cause, as defined by these Galicians. That was the only criterion of support.

It also indicates how easily these people can be manipulated. Support them financially, materially and militarily against the Russians, and they will do your bidding – whether you be America, EU, NATO, the Jews et al. The consequences are very obvious.

Oddly, the heavy involvement of Jews in the Holodomor and other dark events in Ukraine's history seems to be forgotten. They formed up to 40% of NKVD operatives in Ukraine in the 1930s, and the operation was largely directed by Jews. Today, however, 3 of the top top 5 oligarchs are Jewish and they have a

Jewish president, bankrolled by the egregious Kholomoisky. This despite the Jewish population of Ukraine being less than 1%, and maybe as low as 0.12%.

The Jewish and Zionist basis of the present Ukraine Project is obvious. I hope that we'll get a proper history of it shortly.

they are a bunch of nazis and so are the israelis they appeal to, as well as the u.s. that arms them and the original nazis as well. if you don't believe me ask shrub, his granddaddy's had two banks seized for laundering nazi money, just like today but now they use bitcoin.

nazis didn't lose ww2, they just jumped ship. why without our nazi partners, we wouldn't have i.c.b.m's or m.k. ultra.

You need to review the owners Pravda series on the real relationship between bankers and the German Nazis , in the lead up to WW2 Karl!

Otherwise you are repeating myths to support a flimsy, fence sitting perspective.

Fair play though for the subject matter, and last line is spot on!

@Vermuchalive

You state pretty much what I have been saying from the outset. The context of the Waffen SS is that, before it was tossed at the kangaroo court at Nuremberg, the Treaty of Westphalia required all combatants to be in uniform. Those not in uniform were spies (yes, the “partisans” and “underground” were spies) who could be summarily executed. The Waffen SS was the vehicle for anti-communists. There were no tests to determine whether they were “Nazis”.

The Russian “Nazi” narrative is entirely based on whipping up the Russians based on the old lie that the eevvviilll Naht-zees attacked the poor, innocent, helpless Motherland for no reason, not because of their massive military build-up in preparation to invade Europe.

By the way, Fascism and National Socialism are only “right wing” if you are a communist.

Many are the Jewish amongst the Masonic-Zionist Hegemony; and many were the Jewish who were in Conflict with Russia for Centuries – even today.

Many Jewish served in Hitler's Nazi Forces and Govt.

Many Jewish in the past – within the Hegemony and in WW1+WW2_Germany – were in conflict with Russia.

Russia have been targeted again for Ruin and Partition for Resource Exploitation – for RUS cannot be controlled by the Jewish nor by Masonic-Zionists; and RUS are the Sole Nation-State that can destroy Masonic-Zionists and ISR using Conventional or Nuclear Weapons.

Then again, plenty of Jews—up to 150,000—fought for Germany in World War II, and 77 of Germany’s officers, some of high rank, were Jews.

That number may be real, but many – and perhaps a majority – of the so-called “Jews” considered themselves to be Christians. And there was another factor:

“I will decide who is a Jew and who is not.”

Mischlinge

Not all Jews were sent to concentration camps to die in the Holocaust. Tens of thousands fought for Germany in WWII, and were even decorated with awards.

Mischlinge (as the Nazis called those with mixed Jewish and “Aryan” roots) were allowed to serve, but officially forbidden from advancing through the ranks. In practice, however, it depended on whether the individual was beneficial to the regime.

As such, dozens of Mischlinge commanded divisions, corps, and armies. About Air Field Marshal Erhard Milch, whose father was Jewish, Herman Goering, who highly rated him, said: “I will decide who is a Jew and who is not.”

Casual thought: I suspect the primary motive of the Apartheid state in embracing Ukrainian Nazis is to normalize monstrous behavior. The pissant Settler State is behaving very badly and plans to do even worse, so why not declare – very loudly – that current Zionist behavior is perfectly normal? Heck, make it illegal in most US States and foreign nations to say otherwise!

Sort of like the way the perverts have been working to “normalize” their behavior. Child brides are just a different lifestyle. Sex changes for 8-year-olds are a legitimate thing. Mistreating/murdering Palestinians is a *necessary* thing.

If Ukrainian Nazis can be wonderful patriots, so can God’s Favorite Thieves and Palestinian killers. Enlarging the ZioNazi state is well worth the risk of a nuclear war.

The Hitler Lovers on this site are helping A Lot with the project. According to them, Hitler was a perfectly normal diplomat who was fully justified in everything he actually did, but the poor fellow was unjustly accused of so many other things for which he was totally innocent.

All the mass graves in Ukraine are the work of the Russians! Any mass murders – and future death marches – of the sub-human Palestinians are simply necessary.

Hey, do any of YOU feel guilty when you trap and kill a bunch of rats in your outbuildings? Or when you get rid of an infection of head lice?

Very wonderful, brave, and patriotic Nazis are striving to rid Ukraine of Russian Rats, and equally great ZioNazis are determined to rid their Very Holy Stolen Land of Palestinian vermin.

Normalizing Nazis is a good thing, because all known varieties are just Good People.

“Das Reich” was a Waffen SS Panzer Division which fought along side German Army units in WW2. It is notorious for its murders in the town of Oradour in France in 1944. The Ukie Azov Battalion probably adapted the Division’s insignia as their own because Das Reich spearheaded the last major successful German offensive on the Eastern Front, the recapture of Kharkov, in January of 1943.

Recall also that the 14th SS Panzer Grenadier Division was recruited by the Nazis from the ethnic Ukrainian population around Lemberg (now Lvov) in the western Ukraine. Many of the survivors of the 14th SS managed to emigrate to Canada. There is a memorial to Ukrainian Nazis in the Canadian town of Oakville in Ontario.

Does the author means that 77% of the WW2 German armed forces officers were Jews/part-Jews ? That sounds like an awful lot. Is there any well known sources for this, names of famous or important generals ? Besides Erhard Milch anyway.

Flags, patches, Nordic runes, symbols, whatever, are like lipstick on a pig when worn by khokhols. Azov, and their Jewish master Kolomoisky and their Jewish supporters, are pigs. Azov are not nazis, they are a nazi ersatz straight out of a Jewish cartoon, manufactured to rile the Russian bear just as a toreador waves his cape to rile a bull. Jews pretend and the Russians pretend in turn. But a pig is a pig and a bear is not a bull.

They didn't. It was fixed, like America's 2020 Presidential "election". Ukraine was going down the tubes anyway, so, in practical terms, the effect was very limited.

But Zionist Jews have been in complete control of America for the last 30 years. At the start of the 1990s – if you're old enough to remember – America was the unipower. Any trade deficit was small and entirely due to oil imports. National debt was limited.

30 years of Zionist control has resulted in an accumulated trade deficit of over \$20 trillion (at 2022 prices) and a national debt of over \$30 trillion (of which, \$21 trillion spent on making the Middle East safe for Israel). When America goes bankrupt shortly, the root cause will be Zionism.

So Zionist Jews have wrecked America. It will have gone from a superpower to a basket case in one generation. That's if it survives at all. After economic collapse, there will be political and social collapse, and likely civil war and partition.

Still, idiot American goyim continue to cheer on Israel. These brainwashed morons will get their rewards soon enough.

The entire “Nazi” narrative is one massive psyop perpetuated to support the Sacred Religion of Holofraud.

“The Nazi Party” was officially the *National Socialist **German** Workers’ Party*. It made clear that you had to be “German” in order to be a member of the NSDAP.

If Azov is really composed of “National Socialists”, it would properly be called the NSUWP, the “National Socialist Ukrainian Workers Party”, and we would know them as “New Soups” or more likely “the Borscht”.

“Nazi” has become a trigger word used by Orwellian hate mongers for the leftists beloved 2 minutes of hate. At this point Nazi is merely a synonym for “Amalek”.

And what about “Wagner Group”? This is the mercenary group supposedly run by Putin’s cook. Wagner was the Ur-Nazi, and a Nazi demi-god. Putin allowing “Wagner” to fight for Russia to destroy “Azov” in the salt dungeons of “Bakhmut” seems about as real as one of the levels in the game of Doom or Castle Wolfenstein.

They weaponized vocabulary long ago. Millennial IQ has been eroded by mRNA and reduced oxygen flow due to masks and microclots, and they will never be able to separate the reality from the psyop if the boomers can’t.

Reporting from Moscow here. Russia has become surprisingly antisemitic. Basically everyone I know here strongly dislikes Jews. One of the reasons for whipping up images of WWII is to invoke the national myth in order to mobilize the population and Garner support. This time Moscow is on the right side of history. There is no love for communism left here whatsoever. The Soviet flag flown by some troops in vehicles is not a political statement. For right or wrong their grandfathers fought and died by the millions carrying that flag. Basically it's a historical momento for them. The Russians once again are ready to dig deep and fight by the millions if needed. The claims of bagillions of young Russian men fleeing the mobilization are inaccurate. Some men fled. I knew a few, but many stayed and are waiting this out. No need to run to battle, but they'll be there if all hands on deck are needed.

Between June 1941 and around the beginning of 1945, Ukrainian nationalists and/or anti-communists had a rather limited choice of potential allies. To those Galicians/Ukrainians resisting the soviets then, it made probably a lot of sense to align themselves with the one power who could and would support them, i.e., Germany – each ‘partner’ for their own purposes, obviously. Today, neither national-socialism nor communism are prevalent in either Ukraine or Russia, but symbolically it makes sense for both sides to present the current war as Barbarossa Redux narratives, i.e. defense of Europe vs. Great Patriotic War 3.0.

Masada, where Jewish fighters who rebelled against the Roman Empire barricaded themselves

The Masada myth is a modern Israeli nationalist construction. The Jewish historian Josephus informs us that the renegades who were finally cornered there in 73 had little to do with the rebellion against Rome that had been suppressed three years earlier in 70. In fact they were the faction that was expelled from Jerusalem by the main rebel group at the start of the insurrection in 66. They spent the subsequent war years mainly as bandits preying on Jews and foreigners alike. Their final act before fleeing to Herod's mountaintop palace was to massacre the inhabitants of the small Jewish village at the foot of the mountain and steal their provisions.

Yigal Yadin, the great Israeli state archaeologist/propagandist, even went as far as to represent bones of the unmistakably Roman dead at Masada as the remains of these make-believe patriot heroes. How Zionists distorted historical memory to serve their cause almost nineteen centuries later is delineated at length in *The Masada Myth* (U. Wisconsin Press, 1995), authored by the Jewish professor Nachman Ben-Yehuda of the Hebrew University at Jerusalem.

If Azov ARE all Nazis, I couldn't blame them. The terrible memory of the Holodomor still haunts Ukraine, an act of mass starvation carried out by the Soviet Union under the excuse of collectivising the agricultural sector. Supervised, incidentally, by Stalin's Jewish Secretary of Labour, Kaganovich. If Azov can't distinguish between Bolshevik revolutionaries and modern Russians, I guess that's their prerogative.

From the perspective of a pale Nordic European, watching the recent clips on Azov's Telegram channel 'AZOVsof' the men mostly look Semitic; of Middle Eastern ancestry. Many have a noticeably hooked schnozzle and big beards abound. Nearly all have the dark hair and olive-green skin tones of the east. It appears there are Jews and even Muslims among them. It seems laughable for them to be considered 'white supremacist'. It could be argued they are 'Caucasian' but I didn't see anyone resembling a "white" European; like the fairest people of Western or Northern Europe. In the past though I have seen photos of a few Azov militants who had dyed their hair blonde; seemingly to pose as more Nordic/Germanic; either for their own vanity or perhaps for propaganda purposes.

Those “Jews” were mostly ‘Mischlinge’, i.e., mixed race, as defined by the Nürnberg race-laws. Most did not consider themselves as Jews. One of the better known was the late Helmut Schmidt, German chancellor from 1974-82, who had a Jewish grandfather.

Eta: 150k out of about 18 million total who served are not 77%. The number apparently refers to 77 individuals who reached high rank, however defined.

There is something else too. Something completely hidden by the history books, that you will find nowhere (almost nowhere) that conceals the mistreatment and murder of Ukrainian Galicians before the war by the “little, innocent and defenseless” country on whose behalf Great Britain and France started WW II. In order not to tarnish Poland’s pre-war image the lying allies have covered this up. But, they have no problem accusing Poland of killing Jews during or after the war. But the justification for starting WW II must be defended at all costs, at least for one very small but very powerful minority.

Poland ruled over Lviv (known as Lemberg until 1918) when Poland got the city and a large part of Galicia and White Russia (Belarus) shortly after WW I. The new country wanted to Polonize the Ukrainians and White Russians. I’ll copy here part of a previous post on the subject.

“Lviv was Lemberg for 150 years until around 1920 and under Austrian rule it became a beautiful city. The Ukrainians generally regard their years under Austrian rule as good years and that is part of the reason Ukrainians welcomed Germans as liberators in 1941. They were mistreated and murdered by Jewish Bolsheviks in the USSR and mistreated and murdered by the Poles in Galicia. Their national hero Bandera has a statue in Lviv and he fought both”

“Regarding the Polish atrocities against Ukrainians, I gave some background on this covered up aspect of history in another comment and I’ll repeat it here.

Gerd Schultze-Rhonhof discusses this starting at 15 min and 15 seconds into his lecture.

Poland annexed parts of Ukraine and Belarus (White Russia) from the USSR after WW I.

“Banned from German schoolbooks” is “the humanitarian tragedy of the non-Polish minorities in Poland”. Poland had “five million Ukrainians” and many fled to (British) Canada. British newspapers and the British Parliament took up the subject.

Manchester Guardian, 12/14/1931 – “The minorities in Poland are to disappear. This policy is being pushed forward ruthlessly and without the slightest regard for public opinion abroad” “The Ukraine under Polish rule is an inferno – the same can be said of White Russia [Belarus] with even greater justice. The purpose of the Polish policy is the disappearance of the national minorities”

British Parliament, 6/15/32 – “in Volhynia, the conditions are harsher still” “one especially deplorable matter – that is, the torture of prisoners in the prisons and of suspects...I regret that the evidence is convincing that medieval torture is practiced”

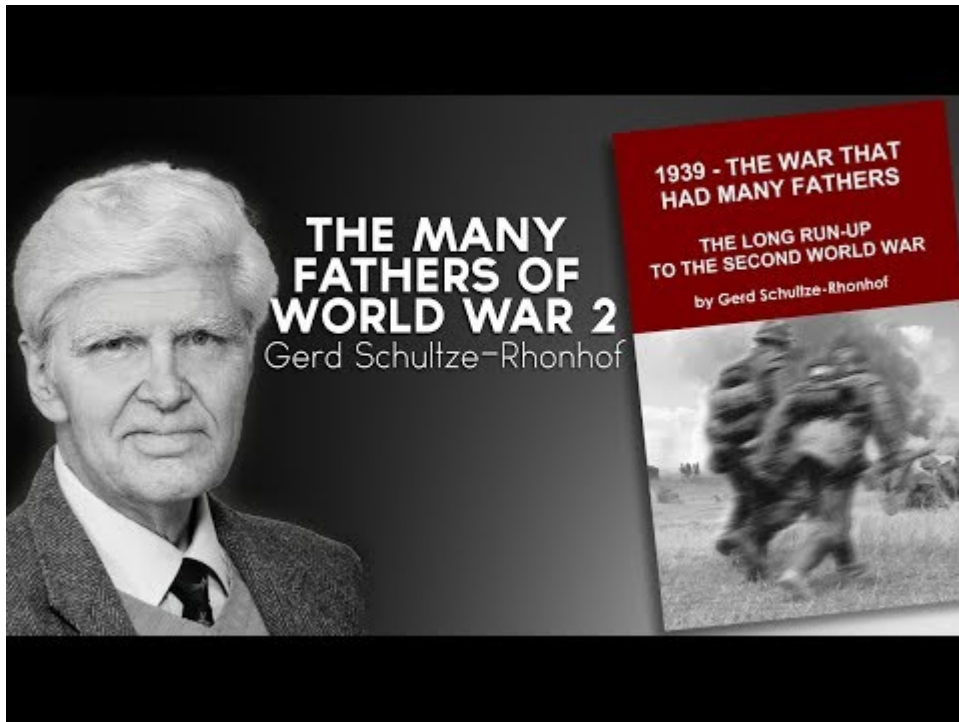

In France, a professor of Slavic studies who had lived there – “There were shootings, hangings, tortures, imprisonments, confiscations...Many Ukrainian priests were executed”

In the lands taken from Germany things were similar. By 1931 already, over one million Germans fled Poland for Germany. More would flee later.

The War That Had Many Fathers”

You will see Volhynia mentioned in articles all over accusing Bandera and Ukrainians of killing a large number of Poles there during WW II, but you will see what I posted above nowhere. As the General says, it’s even “Banned from German schoolbooks.” I wonder how many Ukrainians were murdered before the war that they would take revenge in the same province a few years later?

The War That Had Many Fathers

Watch Video At: <https://youtu.be/MRpsfJmtPNg>

But then the tragedy continued when the Bolsheviks of the USSR invaded Poland from the east and occupied Lemberg, Galicia and part of eastern Poland in 1939. Besides the atrocity against the Poles at Katyn (which the allies lied about and blamed on the Germans for the next 50 years), when the Soviets occupied Lviv/Lemberg, the NKVD massacred many Ukrainians (but you don't hear about that). This film clip shows the liberation of Lviv in July 1941 by German forces. It shows how the locals welcomed the Germans as liberators. It shows murdered Ukrainians and their weeping relatives. A German soldier is interviewed to find out what they thought when they saw this.

The “great democracies” should pay for their role in supporting that monstrosity, the USSR, which they probably would not have done except for the huge role their friends the Jewish Bolsheviks played in that country.

@Wokechoke

National Socialist Third Reich did attempt to erase St Petersburg and Moscow from the Map

Really? Care to back that up?

It was the Soviets who “erased” St. Petersburg from the map when they renamed it to Leningrad in the first place, so the Germans would have only “erased” a Judeo-Bolshevik city that had been created out of the corpse of a Christian city in the first place.

The Germans would have renamed Leningrad back to St. Petersburg anyway, its proper German name in the first place.

Russians simply cannot accept that Germany was fighting against Communism on behalf of Christian Russians who had already been conquered, starved, murdered and enslaved by the Judeo-Bolsheviks by the millions. The Judeo-Bolsheviks had only failed to take over Germany by a hair, and at one point had taken control of Berlin and Munich. It was the NSDAP that fought and saved Germany from the Kommintern, Antifa and the Jews who wanted to destroy Germany and Germans just as they already had Russia and Russians.

Without Communism and Judaism there never would have been the NSDAP, and without the NSDAP and the Freikorps, Germany would have been destroyed just like Russia was.

Russians cannot accept that it was only after Hitler kicked in the front door of the USSR in June 1941 that Stalin suddenly became a “Russian Patriot”. Stalin’s sudden reinvention of himself as a “Russian Patriot” also happened to coincide with the arrival of massive amounts of Lend Lease goods that not only prevented

the complete collapse of the USSR, it also gave a large boost to the prosperity of Russians in the cities, and that encouraged them to become “patriots” fighting in the “great patriotic war”.

This is the real sad and pathetic joke here. Judeo-Bolshevism has nothing to do with Nationalism or Patriotism. Russians were duped into fighting their own liberators, and then to cast all the guilt for what their Judeo-Bolshevik Kommissars had done to them back onto the Germans. It is exactly what “Ukrainians” are doing to Russians right now. The claim they want to be a free country, yet they are owned and operated by the EU, US and Nato (ZOG).

The Russians still haven’t figured this out up to today, so it is no surprise that their cousins, the “Ukrainians”, cannot figure out that ((Zelinsky)) and the ((Oligarchs)), like Stalin and Lenin, care nothing for “Ukraine” or “Ukrainians”.

Was that a real exchange?

Not something you ought to say to a guy sitting in a military base. Simple patriotism is a good quality.

However, “Die for The Jew of Kiev” might have been more devastating than “die for Zelenskyy”. The point the radio station guy made here was sound.

Yes indeed the Russians are on the right side of history this time, very few in the west seem to grasp the reality that Russia today is not the Jewish/Bolshevik run Soviet Union,

Isn't it somewhat ironic that the nation today standing up to organised world Jewry is the very nation that crushed the previous one to do so,

I wish them every success,

Now what was that phrase the Germans used? something to do with hailing victory ;-).
