Existuje významný rozdíl mezi tím, jak Federální agentura pro mimořádné události (FEMA) reagovala na nedávné záplavy v Kalifornii, a tím, jak zacházela s vysídlenými Floridčany po hurikánu Ian loni v září, podle studie White Hat, která zaznamenává věčné zločiny této agentury vůči americkým občanům. .

Poté, co Ian, silný atlantický hurikán Cat 4, srovnal se zemí části jihozápadní Floridy, vyvrátil životy a srovnal domy se zemí, FEMA se vřítla do města a začala lovit postarší důchodce, kteří kvůli monstrózní bouři přišli o všechno. Přítomnost FEMA se však ukázala být stejně katastrofální: loupeživí agenti řádili Neapolí, kradli hotovost, zlato a zbraně ze zatopených domů a vyhrožovali zastřelením každého, kdo jim stál v cestě. Pouze zásah White Hat omezil kriminalitu FEMA – členové služby pod velením generála Davida H. Bergera odrazili FEMA a získali ukradený majetek.

Srovnatelná situace se odehrála v říjnu 2018, kdy hurikán Michael dopadl na floridský Panhandle jako kolosální bouře Cat 5, nejsilnější od Andrewa z roku 1992. Rozpoutalo to cestu zkázy na 200 mil, která roztříštila domy, odloupala střechy a vyvolala děsivý příval mořské vody, která ponořila celé čtvrti a poslala lodě plující ulicemi města. Jak vítr ustupoval a záplavy ustupovaly, FEMA drancovala zbídačené komunity Panhandle.

Porovnejte tyto příklady - a jsou to jen dva z mnoha - s tím, jak FEMA reagovala na povodně v Kalifornii tento měsíc. Přívalové deště zaplavily komunity, vytvořily propady, zaplavily domy a přispěly k nejméně 18 úmrtím.

Poté, co biblický déšť zaplavil domy ve městě Gilroy v okrese Santa Clara, začaly přijíždět desítky agentů FEMA v motorizovaných plavidlech – ne jako protivníci, ale jako dobrodinci. Rozdávali jídlo a vodu, doprovázeli evakuované osoby do úkrytu a dokonce pomáhali obyvatelům pokládat pytle s pískem, aby zabránili pronikání povodňových vod. Na rozdíl od výše zmíněných příkladů tito agenti nenosili žádné zbraně a neměli zájem plinit domy nebo mučit oběti. Přišli pomoci podle popisu práce, alespoň na papíře.

A v Chatsworth, městě severně od Los Angeles, FEMA pomohla při záchraně 34 lidí, včetně 18 bezdomovců na ostrově v řece Ventura. Mluvčí FEMA Kim Fuller v tiskové zprávě uvedl, že agentura se bude

podílet na všech záchranách, včetně záchrany „neubytovaných“. Slovo „ubytovaný“ je politicky korektním slovem levice pro „bezdomovce“.

Měli bychom její prohlášení porovnat s tím, jak FEMA pohlížela na bezdomovce během hurikánu Katrina. Odstřelovači FEMA sedící na vrcholu Louisiana Superdome zastřelili bezdomovce, kteří buď vstoupili, nebo se zoufale snažili uniknout ze stadionu. Ti, kterým se podařilo uniknout střelbě, byli sebráni a nasazeni na čluny FEMA, takže už je nikdy nikdo nespatriil.

Studie White Hat zkoumala 50 nasazení FEMA od roku 1986 do současnosti a závěr je alarmující. V situacích, kdy FEMA navštívila demokraty ovládané, levicově orientované státy, agentura rychle poskytla skutečnou pomoc. A naopak, když agenti dorazili do republikánských států – především těch, kteří se silně odvolávali na <sup>2</sup>. dodatek – běžně se účastnili kampaně zlomyslného teroru proti obyvatelstvu.

Závěr dále dokládá zaujatost FEMA při zpracování pojistných událostí povodní. V Kalifornii se razí schválení, ještě předtím, než měli seřizovači šanci analyzovat nároky. Ani jeden kalifornský nárok nebyl zamítnut nebo odložen k rozhodnutí. Na druhou stranu, nároky podané na škody spojené s hurikánem Michael byly buď stručně zamítnuty, nebo stále leží v limbu; stovkám majitelů domů nebyl proplacen ani cent.

"FEMA musí být defundována a zrušena, a pokud můžeme pomoci, aby se to stalo, uděláme to," řekl zdroj z kanceláře generála Erica M. Smitha Real Raw News. "Je načase, aby jejich nezákonnost skončila."

It's time to find all the bad FEMA personal and take them to GITMO. The evil is over the top and it seems like it's basically everywhere. I wonder if the white hats have all the evil peoples names so that they can be arrested.

FEMA was founded by the National Homeland Security, controlled by the Mossad; Israeli's Kazarian Ashkenazi black hat gang and is another layer of NHS and disband it all, and not authorized by the US Constitution.....

Look up the Haavara Coin nazi. GOD says all of the tribe of Judah is evil. JEREMIAH 8

IN Luke 19:27 He calls them his enemies and calls for everyone to kill them. God does not want his children harassed by Lucifers children. Why do you think they have been ran out of 109 countries. Could you imagine getting divorced 109 times and being so delusional that you believe that all 109 exes had been at fault? Why do you think some snowbirds brought alligators back to New York to fill the sewers with? Do you think it has anything to do with the 800,000 people who come up missing every year? What about the Jewish Blood Ritual sacrifices they perform 8 times a year? Did you know a couple of years ago the FBI arrested 18 Rabbis operating a black market organ harvesting in conjunction with Israel. Do you think it has anything to do with the fact they believe all non jews (goyim) are animals to be exploited for their benefit. That is why our nations founding fathers forwarned us not to allow jews to move to America. They called them parasites and vampires (adrenochrome) Because they are fallen angel hybrids they suffer from degrees of porphyri

were they cant produce enough heme to sustain their own life so they must feed off the blood of others. This is why the Rockefellers started the Red Cross to cut down on the witch hunts.

They sure do especially all you zionist trolls. Run out and see what color of sticker you have on your mail box. The bible says the trap they laid for others will become their own snare. Who built all the FEMA death camps? Ill give you a hint his name is Schneerson, he loved scheckels and pegging little boys under 9.

How do you know that??? Thank you for any information about This you can give us on this...

Now does that sound very intelligent to say Earl? Apparently the FBI, er Izrealie internet task force is an equal opportunity employer.

How is it that this guy can always get to the top of the page with this spam?

Okay so when are the so called white hats going to do something about the stolen elections? You think it takes this long to investigate the obvious?

Until the white hats do their duty ...which should have been done two years ago, as far as I'm concerned they are traitors. There is no excuse what so ever for them not upholding their oath to the Constitution.

As long as they allow the laws to be broken and keep an illegitimate congress continue to wreck the country, then they are part of the problem.

I will keep asking this question until they admit they have no intention of addressing the election fraud publicly or behind the scene.

#VERY VERY soon #2weeks # orange cheeto gonna save the day very soon # his vaccine was beautiful.

trump had 4 years and did nothing but whine about the media and pimp his death jab.

while he most certainly won the election and the military most certainly should have stopped the treason the vax pimp isnt saving anyone.

Mr. Trump was not a scientist, and depended upon the words of those who, supposedly, had the best interests of the US population in mind.

Unfortunately, these, in most case, inherited, “advisors” misrepresented the vax to Mr. Trump and the US population, and got all US Government agencies aligned with the program through prevarication and coercion.

Mr. Trump was also undeniably, for 4 years, attacked unjustifiably by a biased and agenda-driven press.

Ad homonym attacks mean little; facts matter.

Exactly, president Trump has been heavily criticized for his role in rolling out the vaccines with Operation Warp Speed. But, none of those criticizers were saying one bad word about Birx or Fauci, the two deep state POSs, formally of this world, who were personally advising him in the deployment of Warp Speed. Why? Because all his criticizers were on the same side as Birx and Fauci.....The Dark Side....The Evil Side.....The Deep State/Cabal.

Are u comparing drump to the deep state satanists?

That very odd.

It's obviously to everyone the folks you listed are deep state satanists

The odd thing is why you compare trump to them?

Hopefully you took his beautiful vaccine

Yes I agree- Trump was incorrectly advised on purpose, just like they fooled millions and want to keep it going. He stated in 2014 that vaccines were deadly and caused autism.

Was Trump a scientist then?

It doesn't take a scientist to know that the deep state murders us with vaccines.

Hopefully you and your entire bloodline took his beautiful vaccine.

Someone as dumb as you spent deserve to live.

While other forum residents seem to dislike your comment, I can see the truth of what you have said.

It's inarguable that Trump seemed to surround himself with snakes and traitors – all people eager to undermine and destroy his sincere attempts to improve the lot of the American people.

There is that old saying “Keep your friends close, and your enemies closer” – but for better or worse, Trump seemed to take that philosophy to an extreme (or had no real clue who his real enemies were).

And there's also that other fly in the ointment – Trump still appears to be promoting the fake “vaccines”, those bioweapons that continue to maim and kill millions in the USA and around the world. On that subject, it appears that he refuses to back down or admit any error.

In any case, Trump is just one man – maybe he will enlighten us all one day when he publishes his memoirs, but it's ultimately the American people who will be responsible for saving themselves (and possibly the rest of the world along with them) from the Globalist arseholes. Internationally speaking, it looks like the Russians are doing much of the heavy lifting right about now.

Trump knew all vaccines were deadly in 2014.

This is public record and not debatable.

The fact that vaccines were terrible in 2014 and great in 2020 shows all anyone needs to know about the Zionist in chief drump.

You have zero idea where we'd be if he tried to arrest everyone, how the media would spin it and how the population was still in a trance.

It's people like you that should be sent to a parallel universe where HRC won in 2016 so you can feel what could have happened...

Are you really pretending to be obtuse to the compounded interest could be earned off of Ambassador Leo Wantas Reagan-Mitterand protocol funds that Donald Rumsfeld announced the 32 Trillion missing the day before 9:11. That was supposed to be given to Americans that day. Instead they faked a false flag against America and the Zionist Jewish Mafia deep state stole it and have been laundering since 2001.

The zionists are pretending that they are so concerned about our brittle spirits while the compounded interest racks up.

Were they concerned about our brittle spirits when the zionist owned and controlled media was plastering the pedophile priest scandal across every channel 24/7 For months at a time?

But has anyone seen Ghislanes list of names? The difference is Epsteins pedophile honey trap being baited with small goyim children was an Israeli Mossad operation.

No one said anything about arresting folks.

How about simplifying telling the folks the vaccines would murder them.

As far as me not knowing what would happen if he tried to arrest the satanists..

You don't know either....

I'm glad you think millions / billions should die bc drump is scared of the media's reaction.

Hopefully you and your entire bloodline took his vaccine.

The world needs less weak cowards like yourself

I don't know how, but your concepts are completely reversed. The biggest achievement of Trump admin is operation warp speed — they prevented at a couple of million deaths, a big feat by itself!

There taking care of things worldwide this isn't a Hollywood movie that all Get's done in a 3 hour show..

.do some research and find out what really been going on.

Lmao . Q tards like your self have been saying for 2 years straight that patriots are in control and ” we are indeed watchin a movie..

You have zero proof anything is happening expect what your fellow q tard grifters speak about online...you know the ones calling this a movie.

As far as research..

I knew more 20 years ago than you will know in 100 lifetimes .

One can only hope your entire bloodline tools drums beautiful vaccine.

You support the man you should support his beautiful vaccine...and reap the rewards.

Jared received 2.5 Billion in an offshore account from Black Rock. What do you think that was for?

Jared is a deep state satanist.

I'm sure it was to in some way help murder us

Agree but it is so evil and vile that it will crash of its own weight. The sooner the better. We should never have gotten so far down this despicable road as a culture as a people or as a society. Getting us

back to where we were just in the late 50's and early 60's was a strong society. The CIA and horrible forces took us down and tore up our society and our culture. On purpose. To get us to this despicable culture into which they have currently groomed us and boxed us in.

I was really disappointed that the Brunson vs. Adams case was thrown out by the Supreme Court. It was an important case to investigate election fraud in 2020.

You thought the satanists we're gonna save us from the satanists?

You shouldn't have taken drums.death jab.

R u Chicago wise guy ???

Well, it is a sting operation. Sooner or later the actual perps do need to feel the fatal sting or it's all a bit futile.

The White hats can't be putting so much into this for exercises in futility. There are revelations that will reach the masses when the Professional Liars known as the MSM media and it's subsidiaries like academia and various corporations, are taken down. Which only means they will be show for the lying enemies of the people that they are. So why should we pay for them to go on?

McCarthy's only reason for being there is to keep his own dirty laundry under wraps. The trucks with latex masks are arriving daily and the script writers are working two shifts. But first, we wait to catch Netflix with a ratings slump. Not so much the "people's house" as it is the "people's outhouse."

Sure, but the following conversation is also plausible:

"Come here, Kevin. I am going to give you a gavel. It is a beautiful and tremendous gavel. No one has ever seen anything like this gavel. But to get it, you have to be my servant, Kevin. My slave. Whatever I tell you, you'll do immediately without asking questions. You'll be the

most perfect and tremendous slave anyone has ever seen, Kevin, or you'll have to go to Guantanamo with Adam and Nancy. Guantanamo is not a nice place. You wouldn't like it.

So, what do you say, Kevin?"

I mean, I'm not saying this is what happened, but you also can't say it's impossible that it did. Why would Trump back a crocodile like KM? It's the same as always: either DJT is a fraud and a sellout, or he controls McCarthy. These are not exactly average times here...

That's awesome, Haven't heard that, but I suspected as much. Prolly had his future Health Plans presented to him.

A few of the Congressmen had computerized arm bracelets on including McCarthy and the one who stopped Roy Blunt.

My dots line up to show our hero president shelving McCarthy on a refrigerated pull out tray in Gitmo. After the republic is restored we will need to outlaw latex, photoshop and CGI in order to have any chance of believing anything ever again. wwg1wga

It's too late for us already. Once you see just some of this, there's no unseeing it. The question is whether or not we can remove most of the false normality of the last fifty years and replace it with something better before we die. If we can't, civilization is at an end. Whatever descendants we may have will "live" in pods like the Matrix.

It is my recent learning, that McCarthy is not the same as the original. He is working with the White Hats either way. He is one vote away from being replaced at any given moment, & is presently the placeholder for DJT, as needed. I am very pleased with the changes coming from within Congress, due to the Freedom Caucus, & whatever thick dossiers are being held over the remainder. 200 bills are now up to vote, many dismantling Democrat craziness. Remember, it is a movie now, to awaken the sleepers.

so clones are terrible, unless the whit hats are using them?

thats kinda like vaccines are terrible, unless trump pimps them?

so the best way to wake the sleepers up is to compulsively lie to them for 6 years then at the end turn it into a scripted ” movie “while we lie to them further?

and the supposed truth tellers and Christians just lap it up as well.

I don't know if it was SG Anon or another who mentioned McCarthy has an ankle bracelet! Now that is incentive.

Whatever cross's his desk, except for a few other things not mentioned – like immunity for some certain NGO's & Politicians from prosecution.

**NO IMMUNITY , NO IMMUNITY DEALS WILL BE RECOGNIZED, DEEP STATE CRIMINALS , THOSE CONSPIRING AND COMPLICIT WITH THE DEEP STATE ARE ENEMY COMBATANTS AND WILL BE TREATED AS ENEMY COMBATANTS**

There is, but I'm sure there's going to also be a lot of gas passed around until they think the coast is clear and that we'll just forget about it.

Its time to make sure our repub Politicians won't be negotiating any bad criminal behavior for future favors. Its time to kick them in the ass!

What a cunning ploy: act as villains in some states and angels in others, then when the offended states seek justice, and the benefitted states come to their defense, you have a mess of confusion and, possibly a civil war!

yeah bc thats how the satanic child pedos get their money..... from congress!

lmao.

they control the worlds banking systems along with everything else.

He won't, he's a WEFer and a RINO ma.....another dud politician raking in the bribes.....

McCarthy voted for:

- same sex marriage
- vax mandates for military
- 100B dollars for Ukraine
- to use Medicare to fund USPS
- drafting of women
- J6 committee
- DC as the 51st state
- amnesty for DACA

Can you still trust him??? Is McCarthy the right one??? He is stained already.

They think you personally know what's going on as opposed to relying on your sources. Shaking my head <3

It may be judgmental on my part, but I find her pretty judgmental at times, but I'd like to believe that most people here are patriots who want our country back..

Most are patriots, Deep-State trolls are not. Some are patriots and/or veterans, but their hatred for Orange Man Bad is so extreme, they are blinded to the truth.

you really think they hate drump bc of his spray tan and not the fact he helped potentially murder 2/3 of the population of the planet?

the fact that he compulsively lied about 9/11 for the last 6 years?

the fact that he never mentioned one word in 6 years about them trying their best to murder us through chemtrails, vaccines, and our food water and air being poisoned?

yeah im sure the are zero rational reasons for not like trump.

a person who is anti vaccine, pro 9/11 truth and anti deep state should most certainly love trump.

if not they certainly have tds.

President Trump has in the past relied of information from people he trusted (Ivanka) You notice she is retired now and home with her kids. I couldn't stand her from the beginning and wanted her out. Trump learns the hard way sometimes who he can and cannot trust.

She's lucky to still have family. If her kids found out what she did with the 100M, they would no longer respect her.

We learn the hard way.....not trump.

He's still a billionaire.

We are the ones being exterminated like rats.

His fans here will learn the hard way...not trump.

Robin, are you off your meds again? It was not President Trump lying about 9/11 that was Bush, Obama and Biden if anyone. Your hatred for a man who only helped and promoted the USA is mind boggling

So post the clip of trump telling the truth about 9/11.

Shouldnt be that hard since you just stated he's told the truth about it.

I eagerly await your post showing trump telling the world that the CIA and mossad did 9/11.

Something tells me it's not coming and you're just another stupid vaccine injured fool though

Ok. We have heard you. We have understood you. It does not need to be repeated one thousand times. We get what you are saying. We comprehend what you are saying,. We have listened to what you are

saying. Now. Are you stuck on automatic pilot? Are you a skipping record? Do you have anything at all to contribute but the same comment a thousand times over? Your brain is stuck.

If it saves one person from taking his death job totally worthit

As far as what I contribute...just the truth.

More than I've seen from these stories of fantasy without proof for years

What is a redneck bar?

Do you hate white people?

Hopefully you're fully vaxxed and boosted .

Hopefully you're entire family is fully vaxxed and boosted.

Intelligent retort.

You shouldn't have taken his death job .

Looks like it's killing you slowly

Dang, Folks, if we'd just stay on topic instead of nagging and be!titling each other...

We have some brilliant minds here. Let's use their thoughts and ideas for cohesion and possible solutions!

Have you always been a cabrona or were you just born a cabrona hija de tu chingada madre?

I'm assuming you can only speculate like the rest of us here until you get specific updates regarding General Berger. The "BIG HOPE" he is safe and will return.

Since General Berger had the skies all to himself the morning of his disappearance, and since all that was airborne were transports and refuelers (indicating fighters), my dots connect to show him off

fighting somewhere. A four star does not fly out with a division, unless he is also Trump's envoy. For me, the roulette wheel stops at Brazil. Both as objective and as dress rehearsal. wwg1wga

I'm sure you know how concerned we are and would tell us right away if you had any more information on General Berger. All of our prayers and hopes for his safety are with him and you Michael.

No doubt General Berger is safe and sound. If his whereabouts was in question, his safety unknown, the information would never have been given to Michael Baxter, kept top secret. The US Military does not sabotage their own military operations. That is left for treasonous, greedy politicians to do.

Maybe this is Milley making good on his threat. Past the deadline, but since when does punctuality matter to criminals.

Milley is a eunuch wearing a tutu and lipstick.

He can do nothing, is not in the chain-of-command, nor can Deep-State SecDef Austin reporting to the Resident. Not a single 'cabinet member' is legal.

You're reminding me of Hermann Goering, who was caricatured wearing lipstick and a Japanese kimono and carrying a parasol. Even the Nazi High Command knew he was effeminate ways despite married a married dad.

Yes, that similarity had me thinking for a long time that Milley was an actor, secretly a white hat following a script. But in the past 6 months I decided I was mistaken.

There's more: Likely, it was Hermann Goering who shot down Quentin Roosevelt in 1918 and Quentin was the great nephew of the British Crown agent Bulloch who was the spymaster controlling John Wilkes Booth. Freaky, huh?

Lots of history here for the digging. Fall 1864 \$50,000 Bulloch brought over from London to Montreal. Gave John Wilkes Booth around \$18K as I recall. Big spy ring centered around the boarding house (landlady later hung). Before Teddy left for San Juan Hill, he helped Uncle Bulloch write his memoirs. Historic photo of Teddy and his younger brother, Elliott (FDR's wife's father) in a window overlooking the Lincoln funeral procession as it passed the house on Union Square in NYC. Teddy's second wife was locked in a closet because the boys felt she was crying too much. Teddy was 7 years old. Bad manners putting him next to Lincoln on Mt. Rushmore. Both families of the Roosevelts were deep Cabal. If interested in FDR's drug deals (meth) tune into Episode 23. I got the story from the guy that brought it over in 13 German U-Boats. Lots of fake suicides, mysterious deaths, shootings (three), on and on.

Wasn't Milley part of the "Milley-Vanilly" pop star act some time ago, where they caught the two goon lip sinkers, lip sinking their lyrics....and got thrown out of the music circuit....then went back to the "O.D. Circus", because he could'nt make it on the outside....typical army lifer...

Milley, Austin and the rest of the Cabal military must be arrested before they can do more damage!

On a cruise to the Virgin Islands. I did just discover that the Neville family, the wealthy democratic donar, hosted Fake Bribeden in the Virgin Islands!! As much as I hate to admit it, the husband was in my wedding... not Bribeden, but the donor! Sorry to lose a friend! Didn't know he was tied in to these crooks, but as I look back, it makes all the sense in the world! He is part of the cabal! Geez!

I know it's hard to think about anything else for two days, with that gut wrenching disappearance.

This reminds me of that one episode of "The Unit" were Colonel Tom Ryan goes "AWOL" ...

Amen! McCarthy the RINO needs to be kept on a strict leash and watched carefully to ensure he doesn't veer to the commiecrats.

I used to be a conservative in CA. That was almost 20 years ago. We could see the approaching insanity and destruction to that beautiful state even then! We got out when gang activity began ruining our wonderful agri-community. We joined the ensuing exodus and never looked back. Think anyone cared? Hell no!! They'll just pick up all the prime properties for pennies on the dollar when everyone is gone.

The truth is we have more MAGA in Cali than there are Democrats in Cali. But we did not get good at cheating & the Demz beat us with fraud, voter suppression, ballot harvesting (which we are now beating them at in many jurisdictions), breaking election finance laws, plus using Antifa & BLM to create fear of attacking their corruption, and all the other tricks you've seen – they were mostly created in Southern & Central Cali where the CIA has it's most concentrated presence in the USA except perhaps for Langley & DC.

Actually, I live in California and most of us in the state vote Conservative. It's the installed goons who rigged out elections that have destroyed the state. Just so you know...

I always knew not everybody in California were pathetic Communist losers, but people are really hating on California despite its troubles with the storms and the fires. It's terrible.

Most people reading here at RRN for any reasonable amount of time should have figured out or have know about the election rigging and fraudulent scams that have been going on in California and else where throughout the entire Nation. Those that post other wise are very recent to the conversation or are tolls stirring shit.

I second that. I believe California has not had a legitimate election at least 4 decades and was probably one of the first states to fully rig elections for communist-democrat rule. Of course, the Hollyweird

people have an overwhelming influence on the libtards here and there are more every day coming out of the closet. It won't be fixed with Dems controlling every aspect of daily life. I almost gained hope when I read Newsom was arrested and executed. Another disappointment realizing he's still there doing the same crap.

The people I know there are big anti-Trumpers. I used to live there and paid no attention to politics. Then my Facebook got filled with posts from those people full of vitriol and hatred. I left it all behind.

Sorry you had to do that. Nobody should have to leave a state they leave because of hate, that's not normal. It's your state, too.

I just posted something to that effect. The lefties perfected the election steal in CA and are trying it on the rest of the nation.

We don't know how any states really vote. Elections have been rigged forever. Sometimes it favors one team, Bush v Gore sometimes it favors the other team Biden over Trump. The only people it never favors is us pawns.

They didn't use to, was a deep Red state. Probably would be more red that people realize if they actually had fair/honest elections in that state.

Perhaps we need an ordering process for all that needs to be done as we reclaim governance. Circumcision. Then castration.

FEMA, FBI, IRS, CIA, the list goes on and on. They ALL need to be re-organized or eliminated completely.

Include the Transportation Dept which was given as a payoff for political favor to Buttigieg who is so unqualified that he can't even fly a plane or run a small town as mayor.

Butt – gig is the product of Notre Dame University and OXFORD AS HE IS A CONVERT TO THE ANGLICAN CHURCH AND A RHODES SCHOLAR LIKE SO MANY OTHER DEGENERATE ,DERANGED

LOWLIFES. His Dad was a JESUIT PRIEST and professor at Notre Dame University as well.

I say ELIMINATE them.

Their corruption is beyond belief. These agencies have turned out to be nothing more than the tentacle-like branches of the Deep State.

JUST ELIMINATION, VANQUISH THEM,....ENTIRELY, THE USDOJ , DEA ,ATF, STATE DEPARTMENT, SES, DHS , ETC. ETC.. THEN START UP ANEW.

There is ABSOLUTELY NO WAY THE US CONGRESS can be TRUSTED with investigations and re-organization of the mentioned agencies, they fucked up with over-site and everything else because of jewfluence , zionist marxist communist infiltration , establishment inbred infiltration much of this being through the use of the CIA , MOSSAD, MI-6, THE CFR , WEF , TAVISTOCK INSTITUTE , RAND CORP, AND NUMEROUS SO- CALLED THINK TANKS , FOUNDATIONS , TRILATERAL COMMISSION, ETC. ETC. ,ALL OF THESE ENTITIES HAVING THE GOAL OF THE NWO , TECHNOCRACY , TRANHUMSNISM. ALL OF THIS HEINOUS SATANIST EVIL SHIT MUST BE ELIMINATED WHEN STARTING ANEW.

The White Hats have no investigations of the 2020 presidential election to report?

That should be their reason for being: they know by investigation who won the election.

The winner (according to military investigation) is publicly and officially installed in the White House?

The loser has to try again in the 2024 election?

The swamp cleaning is going well, according to reports here.

If there are political reasons why the last president cannot get his justice, the White Hat military should register its input about the 2020 election.

Then for justice sought, DJT will have affidavits, the work of Mike Lindell, Sydney Powell, Giuliani, D'Souza, supposedly Arizona, Texas, and other states, and the White Hat military investigation findings.

We waited for the 1 year anniversary of Biden's inauguration.  
We waited for the midterm elections.

Well that year of waiting for justice was for the so called law of war 11.3. Where they gave the belligerent government time to come clean Haha. I don't know where that's at this point 11.4 or 11.5 who knows. I downloaded that manual the 2015 version 1204 pages they probably revised it. I quit reading it just made my BP to high...

i hear its coming # very shoon # 2weeks. just keep trusting the plan.  
iF they murder your family or lock you in a fema camp..... TRUST  
THE PLAN HARDER.

I'm with General Smith on this one. They need to GO. It will be interesting to see how they get taken down.

JUST KILL THE FUCKERS RIGHT WERE THEY STAND OR SIT .  
THEY ARE ENEMY COMBATANTS , THEY CAN BE TAKEN OUT  
IN THE FIELD OF BATTLE , NO NEED FOR TRIBUNALS,  
FUCK'EM. LAWYERS AND JAG HAVE BEEN SLOW-PLAYNG THIS  
SHIT, YOU SHOULD BE ABLE TO FIGURE OUT WHY. ALL  
LAWYERS AND ATTORNEYS ARE MEMBERS OF SECRET  
SOCIETIES, THEY FEEL THEY ARE BEHOLDEN TO THEIR  
RESPECTIVE SECRET SOCIETY AND THEIR SECRET SOCIETY  
ALONE, THE SECRET SOCIETIES ARE BEHOLDEN TO satan.  
FUCK satan.

This is why we by-pass the completely corrupt Judicial System created for the dark hats, by the dark hats. This is why we move to Military Tribunals. And yes, many, if not most, will be killed. It is either us, or them, and it has to be them. They are abominations and aberrations in the sight of the Creator. It may come to the point as

you say, Dave, where we kill them on sight, but we are not quite there yet. Satan will be taken care of, and you can be assured of that. The Good Lord will see that this scenario is never repeated anywhere, anytime. I just know that somehow. I believe we came here to this Earth to fight these abominations so the template for evil, especially of this magnitude, will NEVER, EVER be repeated anywhere in the Universe or even the Super Universe.. Yeah. F–k Satan. Agreed.

How many of us have they killed and how many of them have we killed?

Any proof the fight is actually going on?

It looks like they just potentially murdered about 5 billion of us.

How's it looking on their end?

Do it to the illegals at the border as well. Post them along the border, as the Romans used to do, to deter crossers.

Hoping the best for General Berger. Hoping he is needed in another white hat location as things move rapidly forward.

Thank you Mr. Baxter for each and every update.

“FEMA must be defunded and abolished, and if we can help make that happen, we will,”

100% agree. All the usual suspects meet a rope.

If FEMA is guilty of killing people, where is the accountability? Where are the arrests that routinely follow crimes of murder? Why weren't the agents that did the shooting charged with murder and arrested?

#arrests coming very soon.

#2 more weeks

# we should all just take drumps death jab and trust his plan.

Universal Law: you get what you tolerate. That's for certain with FEMA. End these biased bounty hunters forever!!!

I believe Barry weaponized FEMA. He had camps built across the US, and each one had a crematorium and guillotine. These people are the real terrorists.

The white hats have to find and raid those facilities and report what they find.

No.....they have to find and DESTROY everything and every operative they find. The public will be stunned how close we all are to total annihilation. Envision humans as cattle in lots waiting to be slaughtered and there you have the reality of our situation.

Surprise, surprise, surprise.

Let the FEMA higher executives be delivered to JAG bases across the Earth to determine their level of guilt. For now, lower level FEMA persons are welcome to offer up any evidence they deem appropriate. Their cooperation will be much appreciated, taken in consideration in their own trials if necessary.

I nominate Deanne Criswell to the first in line for delivery to any JAG base. Can Inget a witness? A simple amen will suffice. Jesus, we trust in you. Blessings,

Wow, it is worse than I thought. I can't get over how DeSantis allowed FEMA into Florida and ignored the damage done to his fellow Floridians.

Hello. You should read Florida State Senate Bill 2006. It's posted on the Florida dot gov website. Begin reading on page 42, line 1097. Signed into law by Mr. DeSantis on 3 May 2021. It will help you understand who Mr. DeSantis is working for.

I tried to tell people in the 80s what a pos FEMA was based on pos corrupt cops in Bartlesville Oklahoma that were joining...

FEMA should never have been created. States can deal with such situations and funds going to FEMA can be awarded to those states based on performance or simply given to the states to manage (with oversight by the people).

When FEMA bought guns and set up FEMA camps that should have been enough. They are militarized and that is illegal. I don't care what illegal law they passed.

Take them down or take them out. Only truly innocent employees of the operation should be set free. Place them in their own FEMA camps until it is sorted out.

As to the evil within FEMA; HANG THEM ALL.

Questions:: WHY is the IRS still standing if they are not part of the US government?? WHY are they still collecting taxes??

While you are at it put a rope around the necks of the AMA, nothing but crooks holding good doctors hostage to their whims.

FEMA does need to be defunded. They're acting like a bunch of lawless crooks, instead of helpers communities need in times of disasters.

The entire government should be defunded. It is their criminal behavior that trickles down to every other agency. Just think of the message sent to them if everyone stopped paying taxes at the same time.

that would mean the "white hats" actually killed deep staters.

yeah thats not gonna happen anytime soon.

right now the count is deep state has murdered 303099954439543 and the white hats have murdered 0.

but dont worry. patriots in total control.

Don't forget everybody. They discriminate with OUR money. All of our money. I can't wait until it's exposed and disbanded like other TLAs.

Wait, no muscular Marines or Special Forces conducting operations in the dead of night? I feel cheated.

FYI: I am a Retired Marine. More stripes, rockers, ribbons and medals than you can carry on your best day. Don't try to tell me what I know.

Share your military background with the rest of us. I am waiting with bated breath.

Suggest White Hats Interview the FEMA office in Kalispell, Montana. Only 90 days to tornado season. Senor Boots needs to report on how far along our hero president is in getting rid of Cabal weather weapons and chemtrails.

As for as I'm concerned this dystopian FEMA agency as other Crown agencies need to be shut down and the criminals in them arrest and gitmo'ed. They were Created from event's Methodoly planed and executed by the deep state. From the civil war to present plandemic..

JFK put it best...

For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on Covert means for expanding its sphere of influence—

Hello. He was going to expose the Freemasons. Some people say that that speech sealed his fate.

I have mistrusted FEMA since the photos were made public. The FEMA camps' barbed wires were strung high above their fence-lines facing inward, not to protect their visitors from outside marauders , but clearly designed to keep their prisoners inside. It was around that time that the FEMA persons were seen collecting the homeless in numbers totalling more than 1000, and none of whom, were ever

seen again. My mistrust intensified greatly as the FEMA supply orders were made public by whistleblowers showing legit receipts of hundreds of gallons of cyanide gas & over 1,000 guillotines. Not long after that the FEMA camps had ordered and were supplied with thousands of assault rifles and hundreds of thousands of bullets. One supply-truck carrying thousands of assault rifles was reported to have been thwarted from delivery and the cache exposed to the public. Then I found out that hundreds and hundreds of Fema camps were built across the united states, and somehow were also allowed to build at least 5 FEMA camps in Canada. By this time the alarm bells were ringing loudly in the heads of anyone privy to this flawed design. The hurricanes down south were destroying homes as we watched from our igloos of Canada. What we saw was an extreme delay of any help , and in many cases NO help from FEMA to alleviate the distress or reduce fatalities from these Hurricanes. We do now see the hurricanes themselves as highly suspect, and much proof confirms these hurricanes were created or intensified by wicked science which is the science we do not support. THEN we learned from a former 20 year FEMA employee, Celeste Solum, that FEMA was in cahoots with globalists, the WHO and the UN, developing layer upon layer of planned population controls, also including containment and extermination. With all of this information leaking out it came as no surprise to hear of FEMA workers more recently looting semi-destroyed homes of their treasures and guns, even including airsoft rifles. It comes as no surprise that the FEMA workers were no better than, and likely worse than, the wild looters of the general population. FEMA is not to be trusted, as found by the WHITEHATS of the military... the only portion of the government we CAN trust (for the most part). You can bet your boots that if I am caught in a flood of devastation, I will not wish to be “”helped”” by the retards of FEMA. I will HIDE or DIE before I will reach for a hand offering help. DEFUNDING and RE-Employing these FEMA CAMPS are our best hope. It is my personal hope that the FEMA CAMPS are going to be

used to hold TRAITORS and PEDOPHILES in custody as they wait for their military trials which should and may have begun already. Thank you to everyone who exposes and resists the global agenda of human extinction. There are clean and efficient, effective ways of turning this entire problem around, all while turning tables on the perps. Please keep fighting for the right to be alive. Love you all... xoxoxo from Canada (but not Trudeau.)

I saw the same things I saw about the camps. It's so sick they want to kill us just for existing all to please their grand overlord Lucifer. They need to be exterminated themselves.

Lord help us....we have so many rogue demonic agencies out there. They will only help their fellow demons. FEMA has to go. The FBI, CIA, IRS, CDC, etc. etc. all have to be defunded and dismantled. There is definitely a difference in the treatment of demon states versus conservative states. Is there anything or anyone good in our demonic government? I didn't think so. All these secrets are being brought into the open on a daily basis by the White Hats. Prayers for DJT, the White Hats and all Patriots who love America. We are still praying that all is well with General Berger. The evil doppelganger who calls himself Joe Biden needs a nice "restful" trip to GITMO!! God is dealing with these treasonous enemies one at a time. They are sneaky but not very smart.

This Michael cat is enjoying reading your comments, he has you dooped. Laughing while he makes a deposit . Stop believing this bs. Do some research and believe nothing.

Someone on this site with the pen name "question everything " has the right idea. Jesus help us. Blessings,

I say arrest the fema agents and send them on a one-way all expenses paid flight to Gitmo to be HUNG by the neck for TREASON. !

Lock & Load, ""local police"" are the biggest threat during disaster.

Danszinger Bridge proof enough.

Acquire a 45 70 cal rifle, head shot with that between eyeballs will do the trick.

416 & 450 Rigby Rifle, also 460 Weatherby Mag., and 500 Jeffery will pierce Class IV body armor no fuss – no muss.

Tally-ho.

Michael – Are you going to do a story about the FAA NOTAM outage? And is there any updated info on General Berger?

Watch DAVOS, they'll be talking about emptying our bank accounts by saying;

What if there was a big Cyber hack and "Russia" empty's our Bank accounts and give us a meager monthly salary. lol

Time to take our money out of their banks asap before they steal it, that and not pay any IRS Tax this year, or next. lol

I watched it all on AWK, pretty interesting.

This IS the last & final grasp they have left to do before they can issue us all a meager little share of their crypto. putting us ALL into a 4th world poverty and tax us all into slavery – again, only worse than you can imagine.
