Sheila Jackson Lee, černošská radikální aktivistka kongresmanka z Houstonu, předložila ve Sněmovně [návrh zákona](#), který by kriminalizoval myšlenkové zločiny, a zejména by kriminalizoval stránky jako *The Occidental Observer*, ale také mnohem více mainstreamový Tucker Carlson. Je to proto, že zahrnuje „teorii náhrady“ jako možnou motivaci a vztahovala by se na každého, kdo o teorii náhrady píše nebo mluví na veřejném fóru, aby někdo, kdo ji uvidí online, mohl být inspirován ke spáchání trestného činu v důsledku toho (řekněme napadení přistěhovalec). V takovém případě by byl spisovatel nebo osobnost talk show považován za spoluspiklence.

To je přinejmenším mrazivé a očividně by to zničilo první dodatek, pokud by ho potvrdily soudy. Zástupce Lee popřel, že by se návrh zákona vztahoval pouze na bílé lidi z toho důvodu, že řekněme, černocho, který vyjádří obavy z teorie náhrady, by mohl být také

obžalován, ať už ze spáchání útoku, nebo z toho, že psal o teorii náhrady způsobem, který může motivovat k trestnému činu. Je samozřejmé, že demokraté (bylo jich mnoho), kteří se k nahrazení bílé staví docela pozitivně, nebudou obžalováni.

Ze spolehlivého zdroje jsem byl informován, že Norman Moon, soudce v případech v Charlottesville, rozhodl, že obžalovaní mohou být považováni za spiknutí s lidmi, které nikdy nepotkali a ani je neznali. Vzhledem k tomu, že Moon je federální soudce, jeho rozhodnutí má pravděpodobně precedenční hodnotu. To je úžasné a děsivé.

Pokud je tedy teorie náhrady považována za stejně nebezpečnou jako například ideologie ISIS, a vy ji podporujete, mohli byste být považováni za „spiknutí“ s někým, jako je Peyton Gendron, chlápek, který vystřelil do obchodu s potravinami Buffalo, protože citoval teorii. Tak by tomu bylo zejména v případě, kdy lze prokázat, že příští Gendron četl vaše stránky a chválil vaše postřehy.

Tucker Carlson ve své show zmínil teorii náhrady a dostal se do velkých problémů s ADL.

Viz: “ Tucker Carlson zdvojnásobil výměnu, výslovně zmiňuje náhradu bílé a zaměřuje se na pokrytectví ADL(!) .” Není tedy divu, že kvůli návrhu zákona zuří. Toto jsou úryvky, které se zdají být z přepisu jeho pořadu ze 17. ledna:

*Sheila Jackson Lee je ve Washingtonu známá tím, že je tou nejnepříjemnější členkou Kongresu. Nyní, to je titul, který, jak si dokážete představit, má mnoho uchazečů, ale Sheila Jackson Lee stojí sama. Ty nevíš, kdo jsem? křičela jednou na letušku v kabině první třídy v letadle Continental. Jsem kongresmanka Sheila Jackson Lee. Kde je moje jídlo z mořských plodů?*

Na Capitol Hill je známá jako královna a ne v dobrém slova smyslu, ale zajímavé je, že nikdo nikdy nemluví o kongresovém okrsku, který údajně zastupuje Sheila Jackson Lee. Je to většinou vnitřní město Houston a mohlo by se mu hodit pomoc. Čtvrť Lee má míru chudoby téměř dvojnásobek celostátního průměru, všechny obvyklé znaky civilizačního úpadku – vysoká kriminalita, špatné školy, nízká sociální soudržnost, drogy.

Nyní Lee slouží v Kongresu téměř 30 let, ale je těžké si představit jedinou věc, kterou kdy udělala, aby zlepšila životy lidí, kteří ji zvolili. Nezdá se, že by ji to zajímalo. Místo toho Sheila Jackson Lee zasvětila celou svou politickou kariéru a celý svůj život jediné věci – křiku o bílém rasismu. Tím se Sheila Jackson Lee živí. Zde je výběr:

**JACKSON LEE:** *Institucionální rasismus a systémový rasismus kazí a kazí způsob, jakým Amerika v jednom případě zachází s Afroameričany a v jiných případech s menšinami.*

**JACKSON LEE:** *Zlomyslné dopady bílého nacionalismu, bílé nadřazenosti a přímého rasismu.*

**JACKSON LEE:** *Rasismus je hrozbou pro národní bezpečnost. [pokračuje dalšími příklady] ...*

Rasismus je hrozbou pro národní bezpečnost. Je to národní bezpečnostní hrozba. Opravdu, Sheila Jackson Lee? Řekněte nám, jak je rasismus hrozbou pro národní bezpečnost. Mluv pomalu. Máme spoustu času, ale ona to samozřejmě neudělá. Nemá žádný argument. Nemá žádná fakta. Dokonce ani upřímně nevěří tomu, co říká. Je to absurdní a ona to ví a mimochodem, Sheila Jackson Lee nechce chránit zemi, kterou pohrdá, před hrozbami národní bezpečnosti. Proč by to chtěla dělat?

Ne, o to nejde. To, co tu každý den dělá, je rasový útok, krvavé urážky na cti, proti celé skupině Američanů a zároveň předstírá, že je obětí útoku stejné skupiny. *Přestaň mě bít*, vyje, když tě praští do obličeje. V tuto chvíli je to taková běžná taktika, kterou neustále používá Al Sharpton, ADL [opět zmiňuji ADL; určitě dostat přes cíl], tolika dalšími, že si toho už možná ani nevšimneš, ale i tak je to hnus. Pořád je to nemorální. Je to stále rozdělující. ... [cituje vždy poddajného Joea Bidena, který řekne nebo udělá cokoliv, aby svou kariéru udržel. Dokonce i nepokoje 6. ledna byly „o bílé nadvládě“.]

Samozřejmě je to daleko víc než rozdělující. Je to předzvěst toho, jak se bude zacházet s bílými lidmi, když ztratí moc v důsledku nahrazení. Lze pochybovat o tom, že aktivisté jako Lee a ADL by neváhali genocidu bílých, kdyby k tomu měli moc – jako to dělali bolševici v SSSR v době, kdy byli Židé nepřátelskou elitou ? A dělají vše pro to, aby tu moc získali. Výměna je ústřední součástí jejich strategie

Když už mluvíme o pomluvě na cti, protože to je to, co to je, protestovat proti výsledku voleb v roce 2020 je stejné jako otroctví, jako KKK. Je to stejné jako vražda Martina Luthera Kinga. Všechno je to bílá nadvláda, prohlašuje Joe Biden, aniž by tento termín definoval. Možná si vzpomenete, když to řekl Joe Biden. Pravděpodobně jste to tehdy zavrhl jako směšné, jako řvaní senilního partyzána a samozřejmě to tak bylo, ale také byste měli mít na paměti, že to Joe Biden neřekl náhodou. Nebylo to ad lib, mimo mančaft. Ne, jeho zaměstnanci ten projev podepsali. Napsali to. Četli to dřív, než to četl on. A napsali to z nějakého důvodu. Když prezident Spojených států identifikuje hrozbu pro tuto zemi, jeho četné federální agentury, největší na světě, se vrhnou do akce, aby tuto hrozbu neutralizovaly. Tak systém funguje, jak zaměstnanci Joe Bidena dobře vědí. Takže ve skutečnosti, když vás Joe Biden přirovná k al-Káidě nebo Klanu, není to vůbec maličkost. Má to důsledky. Takže tady je Sheila Jackson Lee z minulého týdne v nesouvisejícím klipu vyzývajícím k obnovení Patriot Act. Hodinky.

**JACKSON LEE:** Pamatuji si, že *po 11. září jsme všichni společně pracovali na zajištění ochrany amerického lidu prostřednictvím Patriot Act a jednání se soudy FISA. Pracovali jsme spolu, protože pravda je důležitá.*

No, je to trochu zvláštní, když se nad tím zamyslete. Proč by se Sheila Jackson Lee, liberálka, která se sama označuje, minulý týden ocitla ve chvále tajných vládních soudů, proti nimž liberálové kdysi vášnivě vystupovali s odůvodněním, že tyto soudy by mohly být použity ke zničení ústavních práv Američanů, aniž by o tom někdo věděl? Tajné soudy? Liberálové byli proti tajným soudům a nyní je hlavní liberál v Kongresu důrazně pro tajné soudy. Co se tam děje? Proč?

No, protože se ukázalo, že tyto tajné soudy jsou vysoce účinným způsobem, jak umlčet kritiky Demokratické strany, umlčet ty takzvané bělošské stoupence nadřazenosti, o kterých Joe Biden neustále křičí, mimochodem ne všichni jsou bílí. Nemusíte být bílý, abyste byli bílým supremacistou. Musíte se jen postavit proti agendě a samozřejmě, Sheila Jackson Lee to velmi dobře ví, a proto chce obnovit Patriot Act na neurčito a je dost hloupých republikánů, které by mohla být schopna, ale Sheila Jackson by chtěla jít mnohem dále než to. Lee právě představil návrh zákona nazvaný Leading Against White Supremacy Act z roku 2023. ...

Není přehnané říci, že tento jediný návrh zákona by kriminalizoval projev, dříve ústavně garantovaný projev, více než jakýkoli jiný zákon, který byl navržen v celé historii této země. ...

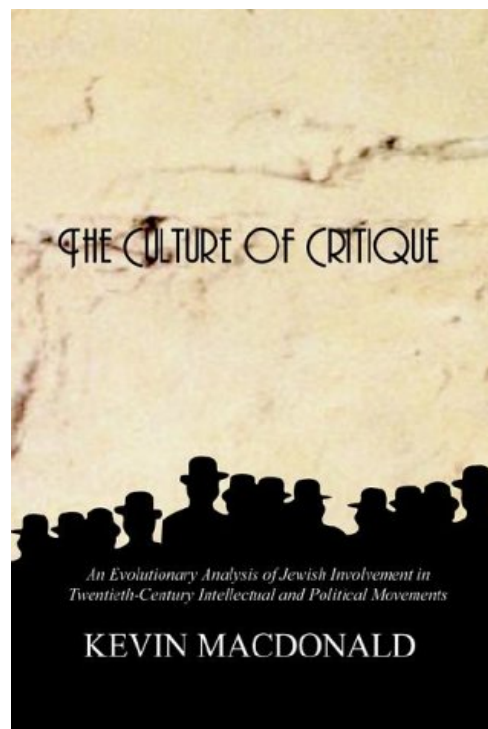

Bílou nadřazeností může být cokoli, ale návrh zákona konkrétně poukazuje na něco, čemu se říká teorie náhrady, ideologie bílé nadřazenosti. Pokud se zapojíte do jednoho z nich, půjdete do federálního vězení možná na velmi dlouhou dobu. Takže vše, co je požadováno v rámci tohoto zákona, který se zatím z Kongresu nevysmívá, vše, co je požadováno, je, aby vaše politické názory „mohly, jak určí rozumný člověk, motivovat k jednání osoby predisponované k zapojení do bílé nadvlády. inspiroval zločin z nenávisti.“

Co by se tedy podle tohoto zákona považovalo za trestný čin? No, prakticky všechno, ale mezi nimi by bylo poukazování na to, že politici Demokratické strany, včetně Chucka Schumera, předního senátního demokrata, se dlouho chlubili tím, že zaplavují tuto zemi imigranty, aby změnili demografii a udrželi si politickou moc pro sebe.

Řekli to mnohokrát. Napsali to. Chlubili se tím na kameru, ale pokud si toho všimnete pod tímto návrhem zákona, byl byste trestně odpovědný za násilné činy lidí, které jste nikdy nepotkal, a šel byste do vězení za terorismus. Co je na tomto návrhu zákona nejzajímavější, je to, že je rasově specifický. Nic v legislativě Sheily Jackson Lee by se netýkalo, řekněme, černošské nadřazenosti nebo vraždění lidmi, kteří nejsou zastánci bílé nadřazenosti, například masakr ve Waukeshe. Takže to znamená, že politici Demokratické strany mohou nadále beztrestně říkat, co chtějí.

První dodatek se na ně stále vztahuje, ale ne na nikoho, kdo je nehlasuje. To je definice tyranie. Je to děsivé. Je to přímý útok na Listinu práv, na naše základní svobody garantované americkou vládou na 250 let. Nemělo by nás to však překvapovat, protože je to v souladu s tím, co Biden slíbil, slíbil v den, kdy se dostal do úřadu, a slibem bylo, že rasově slepá spravedlnost, která je celým základem právního státu na Západě, bylo po staletí, je hotovo.

Nový model? Jižní Afrika. To je nový model. Jižní Afrika – země, o které nikdy nemluvíme, protože nikdo nechce přiznat, co se tam za posledních 29 let stalo.

Tucker pak obhajuje barvoslepé pojetí zákona, ale správně tvrdí, že takové pojetí je demokratům cizí, ale že si na to nikdo z pravice nestěžoval – o čemž pochybuji, protože pravidelně vidím konzervativce s mluvícími hlavami, jak si stěžují na rasu – založené

výhody. A říká, že rasové právo je „nemorální“ – dobrá strategie, protože bílí lidé jsou obzvláště náchylní jednat podle svých morálních zásad. Je zřejmé, že o mainstreamové pravici není ani tušení, že by bílí lidé měli mít zvláštní práva – jako je tomu u Židů v Izraeli. Ale podstatou je, že „Demokraté, včetně Sheily Jackson Leeové, se rozhodli, že jejich protivníci jsou teroristé a jsou to teroristé kvůli své rase, a jakmile jste teroristou, co máme dělat? Můžeme vzít všechny vaše věci. Musíme zabavit váš majetek." A dát tě do vězení na velmi dlouhou dobu.

Faktem je, že kvůli nahrazení má levice demografii na své straně. Vážně někdo věří, že miliony ilegálů, které Mayorkas pouští dovnitř, budou pobouřeny tím, že jejich nová vláda přiděluje výhody lidem jako oni na základě jejich rasy? To se nestane.

Nemyslím si vážně, že tento zákon bude podepsán v tomto Kongresu a Nejvyšší soud s konzervativní většinou by to velmi pravděpodobně považoval za protiústavní. Člověk si ale klade otázku, co se stane, když – nevyhnutelně by se zdálo, bez kataklyzmatu – demokraté znovu získají kontrolu nad všemi třemi složkami vlády. Uvidíme se ve vězení.

Podstatné části návrhu zákona:

Musí být stanoveno, že existuje spiknutí s cílem zapojit se do zločinu z nenávisti inspirovaného nadvládou bělochů— (1) mezi dvěma nebo více osobami zapojenými do plánování, rozvoje, přípravy nebo páchání zločinu z nenávisti inspirovaného nadvládou bělochů; nebo (2) mezi dvěma nebo více osobami –

(A) z nichž alespoň jeden je zapojen do plánování, vývoje, přípravy nebo páchání zločinu z nenávisti inspirovaného nadvládou bílé rasy; a

(B) alespoň jeden z nich publikoval materiál prosazující nadřazenost bělochů, ideologii nadřazenosti bělochů, antagonismus založený na „teorii nahrazení“ nebo nenávistné projevy, které hanobí nebo jsou jinak namířeny proti jakékoli jiné než bílé osobě nebo skupině, a takové zveřejněny materiál – (i) byl publikován na platformě sociálních médií nebo jiným způsobem publikace s pravděpodobností, že si jej budou prohlížet osoby, které jsou náchylné k účasti na jakékoli akci na podporu zločinu z nenávisti inspirovaného nadvládou bílé rasy nebo které jsou náchylné být povzbuzovány k tomu, aby se zapojil do akcí na podporu zločinů z nenávisti inspirovaných bělošskou nadvládou;

(ii) mohl, jak určí rozumná osoba, motivovat jednání osoby náchylné k zapojení do zločinu z nenávisti inspirovaného nadvládou bělochů nebo osoby, která je náchylná k tomu, aby byla nabádána, aby se zapojila do činů souvisejících s trestným činem z nenávisti inspirovaným bělošskou nadvládou ; a

(iii) bylo čteno, slyšeno nebo viděno osobou, která se zabývala plánováním, rozvojem, přípravou nebo pácháním zločinu z nenávisti inspirovaného nadvládou bílé rasy. ...

Masové střelby a další zločiny z nenávisti motivované bělošskou nadvládou mají stále větší frekvenci a intenzitu. Tyto ohavné a jedovaté zločiny jsou inspirovány konspiračními teoriemi, nehorázným fanatismem a mýtickými nepravdami, jako je „teorie nahrazení“. Všem případům musí být zabráněno a jejich viníky musí být uplatněny přísné trestní postihy.

Co takhle zakázat všechny sionistické projevy, které tyranizují Palestince? Ale černou mrchu

si koupili Židé a lidé jako Jared Taylor mrcha o černochech, ale nezmiňují Židy za černým vztekem.

Všude kolem k ničemu. Co mají Sheila Gorilla a Taylor the Cuck společné, je poklona židovské moci.

Zaplaťme reparace černočům, ZA předpokladu, že zaplatí reparace za mezirasové zločiny, nepokoje, ničení měst a sociální parazitismus (např. afirmativní akce, oddíl 8, sociální péče). V rámci reparací Evropanům by černoši byli nuceni platit uživatelskou daň za technologii vytvořenou Evropany. Byl by to vítězný nápad na komedii? Sakra jo!

Velmi dobře řečeno. A v podobném duchu stojí za zmínku, že takzvaná „teorie Velké náhrady“ je již po *desetiletí prokázanou skutečností* . Kdy to přiznají?

Otázka je řečnická. Lidé si tady myslí, že to přiznají, až bude pozdě s tím něco dělat. Kdy je to? Příští týden?

Myslím, že to přiznají, až bude poslední bílý člověk zotročen nebo vyhuben.

Demokraté mají trojí přístup k umlčování všech rozčilujících projevů.

Trestní – tj. Leeova legislativa

Sociální cenzura ze strany „soukromých společností“, ztráta zaměstnání, bankovního účtu, zdravotní péče za nesprávné řeči.

Civilní, tj. Alex Jones shledán odpovědným na základě rozsudku pro zmeškání. Židovští právníci žalují Fox News po dalším podvodu se zvěrstvy. Tuckerův nenávislný projev podpořil masakr, rodinní příslušníci obětí si zaslouží být odškodněni.

Of course there will be lots of misses, but they will keep testing the defenses, never retreating, gaining ground slowly and in leaps and bounds.

In the past they might have worried about losing elections with Lee off the leash. Mail in ballots and replacement immigration eliminated that concern.

(((They))) cleverly use the negro to do (((their))) dirty work. The average White person is clueless, most probably never heard of Ms.Thang or this story, much less the Jew problem. IF Whites know of this story, the average one will blame Blackie. Not that Blacks for the most should be guiltless, MOST are more than happy to go with the hate Whites program. I still can't fathom what it will do to wake Whites up, for all their "intelligence", Whites are remarkably dumb. Either naivete, pride ( not willing to admit that they have been duped) or maybe just cowardice. Maybe a combination of the three.

I will guarantee that this IQ of maybe 75, white race hating, ghetto ingrate did not write that piece of abominable legislation.

I'll tell you who most likely wrote it and then fed it to this retarded black bitch – Jonathan Greenblatt, and a team of his fellow diabolically evil, Satanic jews that probably included the likes Chuck Schumer and probably the retired Abe Foxman and a few dozen other prominent members of the Tribe.

Dr. MacDonald is 100 percent correct when he wrote this:

“It’s a harbinger of how White people are going to be treated when they lose power as a result of replacement. Can there be any doubt that activists like Lee and the ADL wouldn’t hesitate to genocide Whites if they had the power to do so—as the Bolsheviks did in the USSR at a time when Jews were a hostile elite? And they’re doing everything they can to get that power. Replacement is a central part of their strategy.”

White Americans had better turn off their Televisions, wean themselves off of worshipping IQ of 75-80 black sports jocks, stop gulping down the suicidal ‘jew love’ poison that today’s White race treasonous, jewish subverted Christian Churches are peddling and come to grips with the fact that jews are the #1 most dangerous and determined enemy of White European Americans and White Europeans in every other White Western Nation.

They fully intend to GENOCIDE our race of humans into extinction – and floating new proposed legislation like this one might only be an early trial balloon – but, as Dr. MacDonald points out – it is a clear sign of what they intend to do once they can capture all three branches of government and the demographic transformation that they are engineering in broad daylight and right under our noses is going to make this nightmarish scenario almost an absolute certainty.

Why do you think the Communist-Demonrats are so obsessed with banning private ownership of firearms, and especially sporting rifles the AR-15? When they decide to start physically exterminating Whites in America – they don’t want Whites to have the means to defend themselves.

Unfortunately for shelia blacks really are inferior and everyone knows it. The evidence is that obvious.

1. Black-americans come in last in all standardized tests. Asian-americans do fine on all the tests so it's not due to cultural bias in the tests.

2. Africa is by far the poorest and most backward continent on the planet. All of black africa is now controlled by blacks and has been for decades so it's not due to racism.

3. No black has ever won a Science Nobel Prize unless you count one in 1979 for the semi-science of economics. They have won many nobels in non-brain fields like Peace and also in Literature so it is not due to racism.

4. Out of 1725 chess grandmasters in the world, only THREE are black.

Now, Lee has served in Congress for nearly 30 years, but it's hard to think of a single thing she has ever done to improve the lives of the people who elected her. She doesn't seem interested.

That may explain my difficulty of finding any substantial thing this dreadful politician has done during her years in Washington. Other than a fondness for the Apartheid state, generic wars, and "Defense Spending", there wasn't much to see. In fact, I saw nothing of any substance.

Rep. Lee has denied that the bill would only apply to White people on the ground that, say, a Black person who expresses concern about replacement theory could also be indicted, either as committing the assault or as writing about replacement theory in a way that might motivate a crime.

Then how can she explain why the word "White" was found 23 times in her proposed bill?

I'd barely heard of this person before, but my current impression is "arrogant bitch". One wonders why she proposes such a dreadful new law at a time there is zero chance of it getting passed. Representative Jackson – or whoever pulls her chain – is doing a stalking horse thing for "somebody".

Is it the pissant state? US billionaires? Or a "somebody" I'm overlooking entirely?

Kevin MacDonald: “[Tucker] states that race-based law is “immoral”—a good strategy because White people are particularly prone to act on their moral principles.”

LOL. What a stupid statement!

I can't believe that after the eleventh billion years or so this guy has been studying and writing about this subject, he's still so tone deaf and ignorant. Does he actually think that whites will oppose this law on the abstract ground that it's “immoral” because it's race-based? How absurd. That's its appeal! The moral principle that most whites act on is that they should suppress “white supremacism” at any cost. Still under the spell of Christianity and eager to beg forgiveness for past sins, they will think it's virtuous for them to inflict punishment on their own race for the higher cause of eliminating racism. For that, they'll be happy to nail themselves to a cross. They've been doing it since the Civil War, and there's no reason to think they're going to stop now.

They'll admit nothing, they'll write history books (haha, if historiography doesn't die with whites, it's not like other races all have their own Herodotuses) with whites depicted as comically degenerate suicidal buffoons that had to be put down for their own good. And if we're honest the caricature will not be entirely undeserved, just cruel and cynical but not without its kernel of truth.

After crushing Nazi Germany, did they turn around and "admit" that the Nazi paranoia about their enemies being out to crush Germany was not entirely delusional? No, the way history is written, Germany had to be destroyed precisely *because* of its paranoia about being targeted for destruction.

This proposed law, this concept, is not aimed merely at Tucker. It is aimed at me, it is aimed at you. The idea is that a person who possesses traditional values is inseparable from the (vanishingly rare) person who actually commits violence. The NY Times and its tentacles already successfully sold this idea to previously sane people, basically half the country. Thus, this should be seen as an escalation.

As an Asian American, I like the idea of white replacement. It at least bears serious consideration. 99.9% of whites are useless, pathetic sacks. Best left alone. If they were only useless eaters, that would be fine. Unfortunately, even the less than average white has been turned into a tax-payer. A feeder to the killing apparatus, run by a hyper-romantic, sensualized Anglo-Judaica that can no longer distinguish between anus and pussy. It's where the planet finds itself. If blacks are God's instrument to destroy the machine, that's not such a terrible thing. Perhaps, Asians can find it in themselves to return the "Unsinkable Carrier" to the original natives. Where it belongs.

‘How about banning all Zionist speech that tyrannizes Palestinians?’ — Priss Factor

Imagine, as a thought experiment, that another member of Congress (say, Rashida Tlaib) introduces a mirror-image bill titled “Leading Against Jewish Supremacy Act of 2023.”

She or he would be expelled from Congress within 24 hours, I contend, on the grounds of ‘antisemitism.’

How is it that it’s okay to publicly thrash white people, but Jews are untouchable?

I find it astounding that a fulminating, hate-filled individual like Sheila Jackson-Lee can spew her anti-white racism without the slightest institutional challenge from her colleagues.

| Also with few exceptions, white countries are transitioning into nonwhite countries. Must be coincidental.

You want coincidence? How about this one:

Every ethnic group that has attempted or achieved an industrial society since WW II ended has a demographic below replacement. China itself passed peak population last year. Turkey now has an Islamic government because the Turks who followed Ataturk had few children in order to participate in an industrial society, but the Islamic country folk did not, and now the Islamic country folk are an overwhelming majority. Africa ejected European industry, and has a growing population that threatens Europe and the US. India appears to have an increasing population largely because most of its population lives in extreme poverty.

China, Japan, S. Korea, US Whites, Europe — those ethnic groups employed in industry are not reproducing themselves and have failing societies. Those ethnic groups (Roma, for instance) not employed in industry are holding their own or increasing.

Industrial society seems to be inextricably mixed with demographic failure and social cohesion failure. Get industry, have not enough children, vanish.

Industrial society seems inextricably associated with political failure as well. Half of Blacks have an IQ of less than 85, and so cannot work productively in industrial society. What ethnic group is above criticism in the US society, and what ethnic group is thus the masters of this society?

So the problem is a bit bigger than just replacement theory would suggest; replacement apparently isn't necessary for extinction. Simple observation shows that the current system of industrial society is lethal on an ethnic level, and the only safe thing to do demographically is to stay as far away from industrialization as possible. And this "safe thing" would reduce world population from 8 billion people to under 1 billion people.

It's absolutely stunning; read any conservative publication, and many articles are written to the tune of "the Left are the real racists." This was long pushed by that obese cigar smoker Rush Limbaugh. The eagerness with which White conservatives kneel down to the very people that want them dead is astonishing.

- "Black folks would be fine if the Federal government wasn't so powerful."
- "Jews are an important part of the conservative movement."
- "Republicans are the true supporters of civil rights."

And of course, the ever nauseating:

- "Content of their character, not color of their skin."

Twitter gadfly Kurt Schlichter is a perfect example of this conservative ignorance. "They failed to deny black Americans their rights yesterday, and they will fail to deny all Americans their Second Amendment rights today." Conservatives would sell the very black thugs that want to kill them the firearms and ammunition to do it.

And there's Tucker, aghast, whining that blacks and Jews want to kill us, while holding on to the "we're all the same" delusion of "equality before God." It's enough to make one weep tears of blood.

I don't know how we resist this. I don't know if Whites are going to wake up and fight back. Hopefully, we get a massive recession or a depression, and scarcity forces Whites to fight for their families and their White neighbors. I just don't know.

| If you think this terror will somehow end or get better, you are fooling yourself.

The situation of people of European races living in the USA has been deteriorating for 60 years and do not expect this to be reversed, on the contrary.

| Solution ?

| Vote with your feet. Our forefathers did. You can too. Better a few years too early, than 1 day too late.

Exactly; even if it is hard and difficult: go.

Prepare yourself while there is still time.

If you wait too long, it will be in bad conditions and you lose a lot.

Tell yourself that if you are finally forced to leave urgently, you will lose everything or almost everything.

And if you continue to wait, you will lose your life and your family.

So: return to your home countries: Europe, including Siberia.

Even Western Europe is still overwhelmingly populated by Europeans.

This is even more true of Eastern Europe (Czech Republic, Slovakia, Hungary, Poland etc.).

In any event the con, anyone claiming to be ‘state’, spewing ‘supremacist’ at others, is doing accusatory inversion, projection. They are supremacists themselves in attempt to dictate to others. If there were no ‘state’, it would be equal natural law force by each, and those who do more could be ‘supremacist’ but that is what makes the word stupid.

Everyone must be ‘supremacist’ to some degree or you are murdered by others who use power while you don’t.

The difference is the con doing accusatory inversion, spewing ‘supremacist’ while doing supremacism over others, using blame language to distract from their con.

There IS white privilege and there IS black privilege.

White Privilege= getting up at 5 am and commuting one hour or more to work a 12 hour day to make a better life for you and your family. It also entails staying out of jail

Black privilege=

..getting up at 1 pm

..commuting to the corner store to hang with other Niggers until 4 am the next morning

..robbing and murdering (usually each other) selling dope, smoking weed, pimping

..collecting their social benefits

..going to jail, all evidence and confirmation they are OGs.

..complaining about the White Man

Anyone who has ever vacationed in Jamaica will observe something remarkable. Drive from Montego Bay to Kingston at 8 am, return at 12 noon, drive back to Kingston at 2pm and return to the Bay at 5 pm.

At 8 am you will see few blacks sitting around. At 12 noon, at 2 pm and at 5 pm you will see the same bunch sitting on fences, bridges etc. From Africa to the Caribbean to the US, the Dindoos behaviour is the same, they always want everything for nothing. Work is a 4 letter word.

Blacks can attain the elusive White Privilege. All they have to do is work !! If they did, they could attain said privilege and the black race hustlers would be unemployed.

| Industrial society seems to be inextricably mixed with demographic failure and social cohesion failure.

It's not industrial society. It's female rights. If females are allowed to make decisions, then they decide to never have kids. The USA and Europe were industrialized long before the birth rates declined, and the beginning of that decline coincided with allowing females to make decisions. Same deal with asian countries like Japan. They had high birth rates until American Jews wrote feminism into the post-war Japanese constitution, after which it declined over the decades in proportion to the gains females made in their standing within Japanese society.

There are two potential solutions to the birth rate crisis:

1. Rescinding female rights and returning females to their historical role as chattel
2. Artificial wombs

Since #1 is extremely unlikely, at least in the west due to the male feminist simp factor, that means #2 is inevitable.

We are in the end of days, so your opinions are like a hunting dog that won't hunt...ie IT MAKES NO SENSE...LMAO yes, you want to put a face on true royalty to rile up the other heathen cave dwellers. I get it. But, what your pea brain fails to realize is that the descendants of ESAU have 2 options...destruction or slavery, so says YAH AND YAHUSHA. EITHER WAY, THE NEGROES AND THE OTHER 11 TRIBES OF SCRIPTURE WIN. SO, WHO REALLY CARES THAT YOU EVEN EXIST ANYMORE. IT IS THE BEST TIME IN HISTORY, FOR YAH'S CHOSEN TO BE KNOWN. I AM ONE OF THEM, THE TRIBE OF JUDAH AT YOUR SERVICE... LMAO..I AM TOO WITTY FOR MY OWN GOOD. AH, YOU STILL THERE ?
