Byl boj za irskou nezávislost nesmyslný?

Irský boj za nezávislost nebyl pokojný. Také se nebojovalo za vytvoření propozičního národa. Irsko bylo etnonacionalistický stát zrozený v krvi. Někdo řekne, že revoluce byla monstrózní, jiný, že byla oprávněná a hrdinská. Všichni by se však měli shodnout na tom, že pokud dnešní irští vůdci odevzdají svou zemi třetímu světu, bylo to nakonec zbytečné.

„Republikánství fyzické síly“ má na Emerald Isle dlouhou tradici. Velikonoční povstání v roce 1916 bylo nepopulární v té době, ale brzy dosáhl mýtického stavu. O pouhých šest let později získali irští revolucionáři po úspěšném povstání Irský svobodný stát. Svobodný stát, který byl stále nominálně podřízen britské koruně, stále nebyl dost dobrý pro některé z nejoddanějších aktivistů, zejména Eamona de Valera. Mezi těmi, kdo podporovali irský svobodný stát a byli proti němu, pak propukla brutální občanská válka, která vedla k zavraždění Michaela Collinse, revolučního hrdiny a předsedy prozatímní vlády tohoto rodícího se státu. Na obou stranách byli tvrdí muži fanaticky oddaní nacionalistickému ideálu. Po válce de Valera založil Fianna Fáil (“Warriors of Destiny”) a stal se dominantním politickým vůdcem Irska. Po desetiletí bránil irskou nezávislost a neutralitu.

Civilní děti sledují vojáky uprostřed trosek a ruin dublinské ulice během velikonočního povstání v roce 1916. (Creditní obrázek: © Mary Evans přes ZUMA Press)

Následná kampaň za sjednocení Irska byla většinou levicovým hnutím, ale ani socialistická prozatímní irská republikánská armáda (PIRA) se nemohla ubránit vyjádření etnonacionalistických nálad. Bobby Sands byl velitelem PIRA, který se v roce 1981 umučil hladovkou. Ve svém vězeňském deníku napsal , že právo Irska na „suverénní nezávislost“ zahrnuje právo na „ozbrojenou revoluci“. „Především v mé zmučené mysli je myšlenka, že v Irsku nikdy nemůže být mír, dokud nebude odstraněna zahraniční, utlačovatelská britská přítomnost,“ dodal , „nenechá všechen irský lid jako jednotku, která bude kontrolovat své vlastní záležitosti a určovat svůj vlastní osud. jako suverénní lid, svobodný myslí i tělem, oddělený a odlišný fyzicky, kulturně a ekonomicky.“ Můžete si

dokonce koupit propagandistický plakát s tímto citátem a vyobrazením maskovaného partyzánského bojovníka držícího M-16 spolu se slovem RESISTANCE vyzdobeným přes něj.

Stát pro „suverénní lid“, který je „oddělený a odlišný fyzicky, kulturně a ekonomicky“, je z definice etnostát. Je to de facto bílý nacionalista. Použití násilné rétoriky k volání po bílých lidech, aby se stali „oddělenými a odlišnými fyzicky, kulturně a ekonomicky“, je dnes téměř nepředstavitelné.

V dnešním Irsku jsou otázky týkající se imigrace neoddělitelné od irského nacionalismu. Důvodem, proč je Severní Irsko dokonce problémem, je to, že Britové úmyslně usadili nábožensky a etnicky odlišné probritské kolonisty v někdejšímu centru irského odporu. Plantáž Ulsteru byla vnitrobílou „velkou náhradou“ a fungovala po staletí. Pravděpodobně stále ano, protože zajišťuje britskou kontrolu nad severem.

Na terorismus IRA proti Britům se ve Spojených státech vzpomíná téměř s láskou. Slate v roce 2020 oznámil, že memy a písňe oslavující kampaň IRA se náhle objevily na TikTok. „[Někdo] si možná užívá myšlenku extrémní a přímé politické akce poté, co byl rozčarován neschopností amerického systému dvou stran vést a starat se o své občany během pandemie,“ napsalo . Bývalý vůdce Sinn Fein Gerry Adams, údajný vrah , se rovněž těší oblíbenému sledování na sociálních sítích s uctivým pokrytím od VICE , The Guardian a Irish Mirror . . Pan Adams se nedávno dostal do titulků, když řekl, že by nezastavil bombový útok IRA v roce 1996 na londýnské Docklands, i kdyby o tom věděl předem.

Písničky o Irech můžete snadno najít pomocí raket země-vzduch a pušek Armalite proti Britům. Populární streamer Hasan Piker může hrát „Come Out Ye Black and Tans“ pro smích. Tyto písňe najdete také na Spotify. Málokdo volá po cenzuře těchto památek irské historie na základě toho, že by mohly podněcovat násilí.

Tato úcta k propagandě o boji proti Britům z ne tak vzdálené minulosti se v kontextu současné irské imigrační politiky zdá zvláštní. Od roku 1996 je Irsko zemí čisté imigrace. Institut pro

migrační politiku uvádí, že je to způsobeno ekonomickým růstem, který „vytvořil bezprecedentní poptávku po pracovní síle v celé řadě odvětví, včetně stavebnictví, financí, informačních technologií a zdravotnictví“. *Financial Times* uvádí, že technologické společnosti propagují v Irsku stejné programy „diverzity a začlenění“, které sužují Spojené státy. Irsko má nyní Měsíc černošské historie a hnutí Black Lives Matter .

V krátké době od své nezávislosti byla Irská republika natolik pošetilá, že připustila Afghánce a další nebělochy, čímž dala OSN příležitost si stěžovat na „nedostatek přiměřeného odškodnění pro oběti rasové diskriminace a systémového rasismu v irštině“. ústavy péče o děti mezi 40. a 90. léty.“ Chce „úplné odškodnění obětí“. Irsko je nyní na stejné cestě jako Spojené státy a další post-západní země k nebělošské většině. *Irish Times* v roce 2005 uvedl, že prezident Dublin City University očekával , že „původní Irové budou v jejich zemi tvořit menšinu“ do roku 2050. Tvrdí však, že imigrace je stále potřebná, „pokud máme zůstat prosperující“ .

Argument prosperity není přesvědčivý. Irsko se v roce 2008 dostalo do recese a pravděpodobně se již nikdy nevzpamatovalo . Země se potýká s nedostatkem bytů . Navzdory tomu irská vláda údajně jen v roce 2022 vpustila do země 20 000 neukrajinských žadatelů o azyl spolu s 50 000 Ukrajinci. Vláda přesunula migranty do nevyužívaných budov a škol, aniž by o tom informovala místní obyvatelé. Navzdory protestům ministr pro integraci Joe O'Brien prohlásil , že „malý, ale zlověstný prvek“ vládní politiku nezastaví. To může být jen začátek. Irský ministr pro děti Roderic O'Gorman říká , že Irsko musí být nyní připraveno přijmout uprchlíky před „změnou klimatu“ .

Rozvíjí se nacionalistické hnutí . Národní strana , Irská strana svobody a další skupiny vedou protesty proti usazování uprchlíků na takových místech, jako je Ballymun a Drogheda. Breitbart uvedl , že „poslední z těchto demonstrací z nějakého důvodu narušili levicoví aktivisté, kteří opakovaně křičeli ‚rasistická spodina‘, zatímco mávali LGBT a transgender vlajkami.

Irish Mirror se obává „společného pokusu o démonizaci nově příchozích“, něčeho, s čím může rozmanitost ve sportu údajně bojovat. Cituje jednoho vedoucího provozu fotbalového klubu, který si myslí, že Irové mohou být manipulováni „lidmi, kteří provozují různé účty na YouTube“ a kteří mají „stejnou rétoriku, stejné dezinformace“.

„Irsko má morální a právní odpovědnost poskytnout přístřeší těm, kteří do naší země přijdou na útěk před válkou a stíháním,“ uvedlo irské ministerstvo pro děti, rovnost, integraci zdravotně postižených a mládež. "Ministerstvo důrazně odsuzuje jakýkoli pokus podporovat rozdělení a nepřátelství vůči těm, kteří sem přicházejí hledat bezpečí." Ministr spravedlnosti Simon Harris popřel, že by šlo o protesty, a označil je za „zastašování“.

To, co si myslí ministr spravedlnosti, by mohlo být velmi důležité, protože vláda prosazuje novou „ legislativa týkající se projevů nenávisti “. Jeho cílem je učinit nezákonné „komunikovat“ nebo „chovat se“ takovým způsobem, „který pravděpodobně podněcuje násilí nebo nenávist vůči osobě nebo skupině osob kvůli jejich chráněným vlastnostem nebo jakékoli z těchto charakteristik“. Definice „pravděpodobného“ může být pouze subjektivní.

Vláda by také mohla pověřit policii, aby prohledávala domy a hledala zakázaný materiál. „Chceme, aby pachatelé tohoto odporného chování věděli, že budou potrestáni za šíření nenávisti, předsudků a rozdělení,“ řekla tehdejší ministryně spravedlnosti Helen McEnteeová . „Zákon o trestných činech z nenávisti musí být přijat jako politika,“ požadoval Adam Long z Národní federace LGBT. Stejně tak odmítl obavy ze svobody slova:

Uslyšíme také tvrzení, že „svoboda projevu“ je údajně ohrožena, jako by Irsko, při přijímání právních předpisů proti extrémním zločinným nenávistným projevům, nikoli pouze urážlivým Taková ustanovení nejsou zdaleka antidemokratická, ale ve skutečnosti jsou charakteristickým znakem civilizované společnosti.

Ani tento zákon nebude konec. „Legislativa je pouze jedním opatřením potřebným k řešení škod způsobených zločinem z nenávisti a extrémními nenávistnými projevy,“ uvedla na svém webu

Koalice proti zločinu z nenávisti. „Pouze určité úzce definované chování lze řešit přístupem trestní justice. To je důvod, proč se vláda musí zavázat ke **komplexnímu národnímu akčnímu plánu**“ [zvýraznění v originále], ať už to znamená cokoliv.

Mediální pokrytí protestů proti imigraci bylo převážně negativní:

Fintan O'Toole: Krajně pravicoví agitátoři musí být odříznuti od místních komunit fakty <https://t.co/sART3CM0jL> přes @IrishTimesOpEd

— názor Irish Times (@IrishTimesOpEd) 17. ledna 2023

Ale jaký má smysl mít národ, když ne oddělovat vlastní lidi od ostatních? Mezi skupinami a národy jsou rozdíly, a to i ty úzce související. Irská historie je dostatečným důkazem. Jak může import tisíců nebělošských lidí, když je nedostatek zdrojů, věci zlepšit?

„Národní strana? Národní hanba“ je název článku z *BelfastMedia* s přímočarým poselstvím: nacionalismus je špatný.

Je Irsko ještě vůbec národ? Irsko nikdy nemělo koloniální impérium a Irové byli dokonce sami někdy zotročeni, ale dnešní Irové trpí stejnou bílou vinou a xenofilií, která sužuje dříve koloniální a otrokářské národy. Moderní identita Irska je odvozena z národního povstání proti mnohonárodnímu, kosmopolitnímu impériu, ale nově nezávislé Irsko velmi rychle vyměnilo svou suverenitu za lákadlo globální ekonomiky a domnělou potřebu masové imigrace a levné pracovní síly. Členové různých irských politických stran, včetně Fianny Fáil a Sinn Féin (jejíž druhé jméno znamená „My sami“ nebo „Sami sami“), podepsali prohlášení proti „protestům“ (odstrašující citáty jsou jejich vlastní) a mají obavy o „reputaci komunity“. Pověst? mezi kým?

January 2023 Joint Statement

re Abuse directed at Refugees in Ballymun

We stand in solidarity with the vast majority of the people of Ballymun in opposing the abuse and hatred directed at refugees and asylum seekers in Ballymun over the last few days. Men, women and children, be they residents or newcomers, should not fear for their safety in their homes or on our streets.

We know that only a small minority of people from the area are taking part, and the abuse is orchestrated by far-right groups. The people of Ballymun are generally upset with the 'protests', and they fear that the reputation of this welcoming and diverse community is being tarnished.

There are many things we need to fix in our area and in our country, such as housing and homelessness, poverty, social equality, drug treatment services, employment, health services, our environment and community facilities. We do not believe that these issues should be used by some groups to stoke up fear and hate.

As organisations and as individuals we are working and we will continue to work collectively to make our area better, bringing out the best in people and fighting for positive change. We are determined to respond to the 'protests', including through meeting with the new residents to welcome and reassure them. We are redoubling our efforts in our schools and businesses, and in our youth, community and sports groups, and as public representatives, to promote integration.

Jaký má v této souvislosti smysl chlubit se činy IRA nebo zesměšňovat britskou monarchii? Hlavními odpůrci Irů dnes nejsou Londýn ani Belfast, ale Dublin a Brusel. Je mnohem snazší chlubit se svou domnělou ochotou bojovat s Brity, než přiznat, že Irové jsou vytlačováni imigranty dovezenými jejich vlastní vládou. Pokud Irové nemají být národem „odděleným a odlišným fyzicky, kulturně a ekonomicky“, ale prostě individualistickými spotřebiteli v multikulturní a multirasové společnosti, byly oběti irských vlastenců marné.

Doufejme, že dnešní irští nacionalisté budou schopni zajistit budoucnost svých lidí. Pokud to nedokážou, to nejmenší, co by takzvaní vůdci ostrova mohli udělat, je přestat předstírat, že

zastupují zájmy irského lidu, a zbavit se jejich nacionalistických ozdob. Nechte je přiznat, že jejich představa o Irsku nejde hlouběji než do firemního loga a duhové vlajky.

By the same token WW1 and especially WW2 were pointless for Britain. They defeated the Germans, then gave away their country to alien black and brown people. What was the point? Also the United Nations has been nothing but a battering ram of destruction for white countries.

Brits colonized the body of Ireland, and the Irish revolted. That kind of colonization is visible to the eye.

Jews colonized the mind and soul of Ireland, and that goes undetected. One is profoundly altered but regards the change as self-made. It becomes part of the bloodstream than something that might make one bleed. People fear a tiger but don't even detect certain gases or chemicals that pass into their system.

Both the Irish and Anglos have now been mentally colonized by Jews, and they think they are making their own decisions. After all, neither Britain or Ireland is occupied by Jewish soldiers with guns and tanks. Rather, Jews control the media and academia and the ideas and icons.

There is also the black factor. Many Brits and Irish alike feel that they had a dull cold rigid culture until they were liberated by black sunlight and rhythm. Their lands of ice and fog were made sunny with blacks lips and hips. So, both are into jungle fever, BLM, and Afro-Colonization of White Wombs.

The fight for American independence was pointless. Other countries just waited a bit and said, “Oi bruv, Imma movin’ out.”
“Awright guvnor.”

WWII was also pointless, by Official metrics. The “Thousand-Year” Reich wouldn’t have lasted any longer than the USSR did, and probably would have killed fewer powerful Jews. A historical blip here or there.

You can say this about London too; it is no longer even a British City anymore. It resembles a United Nations parking lot, with a Muslim Mayor to boot. What did the British fight two world wars for? Over there in Quebec where they have enjoyed many of their recent rights due to the actions of the once FLQ in the 60s and 70s they are now going down the drain from black immigration and their women having no kids...the West is finished. Look at Toronto too...once a WASP haven..or even the Capitol Ottawa...any City bus looks like a third world African mess. The elevators on all of the transitways wreak of urine. 99% of the gun crime are by immigrant black males, according to an old relative who is still stuck up there. Their comment sites, if they have any are policed like a Stalinist prison camp. The City of Ottawa has about 900 thousand people; 150 thousand of them do not have a family doctor, and that includes the elderly who built that city. But all immigrants get put on a priority list...if you can believe that one. The myth that Canada has a great health care system is lie , amongst many other things about the place. French Canada is in a death spiral.

@Anonymous

Irish leaders today are acting just like English leaders and Yank leaders because they too have assimilated to values and standards, the mores and manners, of WASP culture. To have som info of

independence' and then to allow yourself to continue to be culturally assimilated to the Empire is to lose whatever victories you gained and proceed on toward your own suicide.

The entire 'West' is in the same ship. We have been battered and bribed to accept Anglo-Zionist ways and we are committing suicide.

Anglo-Zionism controls the Ukraine. The final plan it has for the Ukraine is to be owned almost totally by Jews and filled with a bunch of black Africans and brown Mohammedans who party if the gays.

That is where WASP culture leads.

Ireland today is rapidly becoming yet another multicultural mess like all other former white Western nations, orchestrated by the Usual Suspects. Not only are there numerous Africans in every town and city in Ireland, but also now even in remote rural locations so there is no escaping them. Most Irish clearly don't want these migrants and they are generally not welcomed, and few are 'integrated' (or integratable). So they quickly form their own ghettos and large areas are lost to these colonisers, the term I prefer as these migrants come to destroy and colonise Western nations, not just replace the people.

Fortunately the anti immigration protests have had some success and the Govt recently announced that new single adult migrants would not be offered state accommodation (for now) which has supposedly 'run out'. I suspect the Resistance to the colonists has made the PTB nervous as the protests outside asylum centres are quite widespread and gaining popularity, and even individual Councillors and politicians are targeted, as ordinary people are waking up and voicing their concerns more openly (Constitutional Freedom of Speech and Protest are still respected here). The new Hate Speech legislation intended to curb this is supported by Civil Liberties groups funded by independent sources (Soros?), which shows they are really Establishment Goys. The violence in the asylum centres e.g. <https://www.irishtimes.com/crime-law/2023/01/02/six-men-in-custody-after-hotel-killarney-knife-attack/>, doesn't dent their appetite for these thugs, but the Irish people are showing they are not going down without a fight!

Ireland only has 5 million people. It would not take long to replace them.

They fought like warriors to remove the English only to be gleefully replaced by Africans and Muslims who rob, rape and murder their children without retaliation.

While these hypocrites broke up Germany and Austria-Hungary, displacing many millions of people and forcing them to live in new countries the allies created (Yugoslavia, Czechoslovakia and others) against the wishes of many millions, justifying it with moralistic language like “self determination”, they were not prepared to grant 4 million Irish that, not to mention India – the British moralistic do-gooders.

By forcibly creating Czechoslovakia, Yugoslavia and other countries against the wishes of so many, they caused WW II and the breakup of both those countries, first in 1939-41 and finally in the 1990’s after they forced those countries together again at the end of WW II.

Czechoslovakia and Yugoslavia’s short histories ended in the 1990’s. There were almost as many Germans in newly created Czechoslovakia (3.5 million) as Irish in newly created Ireland and more than a few in Yugoslavia too. Many others, like Slovaks, were also unwillingly forced to live in newly created countries. The self-righteous allies did this to weaken Germany and Austria and knowingly created the conditions for WW II when they wanted to create newly hostile countries on Germany and Austria’s borders.

Unfortunately, they only had to deal with 4 million Irish.

Well look at who is running the place – a gay half dot. Yes, I am afraid the vision of the Irish War of Independence has been cast to the dung heap. Sinn Fein today, although immensely popular, is more about rainbow flags and diversity than it is about anything Irish. It is just another leftist party. Even though I am an American, it supported the whole Irish Republican movement in the days of the Hunger Strike. Now I am finding myself looking at the Protestant Unionists as people who are just as disenfranchised as the native Irish were (and are today). The difference between Protestant Loyalists and the so-called “refugees” is that the Loyalist have been in Ireland for 400 years. No one alive today has any control over what happened 400 years ago, but they can take action against what is happening presently.

Facing challenging Natural Facts without everybody flinching and then conspiring fearfully to fool everybody about these Facts' obvious, but stupidly "unwelcome," near- and long-term Biological implications, used to be seen as an essential survival characteristic of any healthy and organically functional Human configuration within Earth's Whole Living Arrangement. Here in the terminal throes of the Planet-wasting "civilization" disease process, though, any effective capacity for that has long-since been lost, among the muddled masses held captive by the crazy conceits of the disease-riding death-cult delusion whose doomed devotees are right now bidding to "solve" their own ultimately-unsolvable existential "problem," with Life Herownself's Free Wild Nature, by subjecting us all to the "final solution" of total extinction and "global" sterilization....and replacement by un-living simulacra imitating and mocking the Living/Loving Forms Native to Earth's Whole Living Arrangement.

The invasive, wannabe-parasitical tormenting entities whose own terminal sickness manifests here as that "process," declared war-to-the-death against The Living, against Life Herownself and Love Hisownself, the moment these damned fools showed-up here. They then quickly set about capturing some Humans, press-ganging them into the "war effort," turning them from the components of Earth's immune system that our Kind is by-nature, into the corrupted agents of the the auto-immune syndrome afflicting us here, that is an essential element of the over-all wasting disease process.

Face it! That is exactly what is going-on here now, at what some have called THE END of Days. All of the crazy-making conceptual peculiarities accompanying the process, as it is simply running its natural course, all of the degenerate

distractions and confusing confabulations overwhelming the Native sensibilities of the captives/conscripts, are nothing but make-believe serving to keep these poor souls lost-in-the fun-house even as that lethal contraption is itself systematically razed all around them, meant to be “the-final-resting-place” of their own mangled corpses, before the entire mess is vaporized in one big burst of hell-fire intended to disappear the evidence of yet another death-cultist attempt to carry-out the idiotic curse they tried to lay on Life Herownself when they sealed their own terrible fate by what is the unredeemable folly of “blaspheming against The Holy Spirit.”

Anybody still convinced there’s nothing happening here but the same old “clash-of-cultures,” the same old “fight for land and glory,” the same old struggle to occupy top spot on the dung-heap, is about to undergo a rude-awakening that will dispel once-and-for-all any lingering fever-dreams of endless comfort and convenience, all-“American” and otherwise, once believed to be the entire purpose and product of the materialist mirage that once captured the collective imaginations of dwellers-in-The Desert, and has only tightened its grip on those misery-plagued peoples’ latter-day descendants, our domesticated Human Relations, ever since.

Us surviving Free Wild Peoples of All Kinds face such unpleasant Natural Facts as described here because failing to do that is a betrayal of the Trust given to us in The Beginning. We do it because the cheap imitation plastic substitute for Earth’s Living Arrangement the death dealers have tried vainly to foist-off on us is itself the deadest of dead-ends. So instead, We are just keepin’ on keepin’ on, Singing the HeartSong and Dancing the Mating Dance of the Ones who brung us....Life Herownself and Love Hisownself.

Anybody out there thinking there is anything better, or even anything “else” to be doing, go ahead and knock your”self” out. We’ll catch you later.

@Bernie

Worse than Haiti.....at least that island is united in one culture with a dialect of a European language.

@Political Science 101

┆ The myth that Canada has a great health care system is lie , amongst many other things about the place. French Canada is in a death spiral.

Canada had a great health care system until it was “reformed” post Free Trade Agreement using US “advisors”. Ottawa is no different than any other Canadian city flooded by 3rd world immigration, and may actually be better off because of the Federal presence.

French Canada’s death spiral started with the Federal “gift” of mass Haitian immigration to Quebec. It’s death spiral is far behind the rest of the country which had at least a 15 year head start on mass 3rd world immigration.

I read somewhere of a tourist who visited a restaurant in Dublin. The tourist was all enthused about the 1916 Easter uprising in Dublin. He asked the girl employee about it. To his astonishment, she knew nothing about it and was totally disinterested. That reminds me of a Readers Digest story. A tourist asked a McDonald employee girl the spelling of “this place” which has an Indian name. She spelt. MCDONALD. It is true the young have been hypnotised by black cultures. It’s all the spur of the moment.

Priss Factor: “Jews colonized the mind and soul of Ireland, and that goes undetected. One is profoundly altered but regards the change as self-made. ... Both the Irish and Anglos have now been mentally colonized by Jews, and they think they are making their own decisions.”

If true, how can one ever be sure his ideas and decisions are his own? Given your assumptions, it’s impossible.

But: the rich are making money off of all that lovely cheap labor, and the kind of bulk economic growth and asset price inflation that does not benefit the average person! Don't you know that anything the rich do that makes them more money is by definition moral and just?

“It may appear to be the interest of the rulers, and the rich of a state, to force population, and thereby lower the price of labour, and consequently the expense of fleets and armies, and the cost of manufactures for foreign sale; but every attempt of the kind should be carefully watched and strenuously resisted by the friends of the poor, particularly when it comes under the deceitful guise of benevolence...”

T.R. Malthus, “An Essay on the Principle of Population”, 1798

It is very important to understand, though, that French-Canadians, especially in Quebec, OVERWHELMINGLY supported the Liberal party. This was the key party responsible for opening Canada's doors to the third world. Also nobody championed this more than French-Canadian politicians, like Pierre Trudeau and his son, among others.

It has been adoption of 'revolutionary zeal' that has led to all the catastrophes. Either we work to revive Christendom, or else Europe will be totally overrun, irreversibly.

It is either Christ and Christendom or Chaos with Jews getting most of the spoils.

@Dr. Robert Morgan

Press lives in dream world in which Anglo-Saxon elites were not allied with Jewish financiers back into the 1600s, which means that all WASP empire has been Anglo-Zionism. In that sense then, there is nothing different about what WASP elites do today from the past, except that it is a different stage in the destruction.

Because the Anglo world won both world wars, the entirety of Western Europe has been Anglicized increasingly since 1945. We now all march to the WASP tunes, which are Anglo-Zionist tunes as they have been for 300 years.

Jews directly have not colonized the minds of Irishmen. WASP ways have colonized the minds of the Irish, and that means Anglo-Zionism.

There are 2 parts to the entity. You cannot solve the Jew part without also solving the Anglo-Saxon part.

Shamu: “Press lives in dream world in which Anglo-Saxon elites were not allied with Jewish financiers back into the 1600s, which means that all WASP empire has been Anglo-Zionism. ”

Some would suggest that the “colonization” began long before that, when whites were infected with a Jewish mind-virus called Christianity. But no matter what starting date we pick, if “colonization” is possible, why do the Jews let anyone escape? How is it that Priss sees this and few others do? And why don’t they just beam out “Give us all your money, goyim, then kill yourselves?” LOL I guess there are limits to their powers.

I question the very possibility of somebody “colonizing” someone else’s mind. I have a Darwinian view of this, and would say that every organism acts only on its perceived self-interest. The decisions it makes may in fact be mistaken or even self-destructive, but still, illusory or not, it perceives its decisions as beneficial to itself.

@Dr Robert Morgan,

perhaps colonise is not quite the right word? it is possible to have someone build and live in a house of cards in ones head, as was my experience re the holohoax.

an “App” implanted in my head over 60 and some years, that complete with buttons to push would have me wielding the cudgels on behalf of jewry at the drop of an antisemites hat! I even shed a tear watching “Shoah”.

a few years ago, upon being challenged on my righteous anger during a discussion with a Jwise friend of a friend, I later realised that though I believed fiercely in the 20m gorrilian etc etc

I had never known or questioned... why?

after researching honestly for the first time ever, an hour or so of looking for “evidence”

(there is none) end of story

the squatters and their machinery were completely thrown out!

an atrophied part of my mind was reclaimed and once more my own to use, after my own personal Reconquista!

and on reflection perhaps colonise IS the right word...!

TeeJay: “it is possible to have someone build and live in a house of cards in ones head, as was my experience re the holohoax.”

Sure, it’s possible to have mistaken opinions, and even for the cultural default to be a mistaken opinion. Human beings are prone to conformity, but there are very good, Darwinian reasons for this. All over the world, even today, to be cast out of the group can put one at a severe disadvantage in all kinds of ways, or even be a death sentence. If this is granted, then it stands to reason people will instinctively resist any call to nonconformity. They are by nature conformist because their ancestors tended to have to be to stay in the group, in order to stay alive and reproduce. But this is different than Priss’ contention, since it happens in all areas of life, not just those related to Jews or the so-called Holocaust. It’s part of human nature, and happens in all cultures, even those without Jews.

@Hibernian

Then join the French Foreign legion or the Imperial German Army or join the US Army instead.

Of course this Job seeking doesn’t explain the large number of Senior NCOs with Irish names. Even the boss at GCHQ is a Paddy.
