Je to opravdu, jako by to stvořil Bůh, takže nikdo nemůže tvrdit, že nevěděl, co se děje v Americe.

Podívejte se na toto video – podívejte se. Jsou to malé děti. Agresivně to podsouvají malým dětem. Batolata. Jediné, co dítě dělá, je sledovat dospělé (a starší děti) a učit se. Všechno kopírují. To je definice vymývání mozků. Je to politická agenda k obtěžování a fyzickému mrzačení dětí.

Jste toho svědkem. Bůh se tě zeptá, co jsi s tím udělal. Určitě bych si sakra nepřál, aby moje odpověď byla: „Nic jsem neřekl, protože jsem nechtěl přijít o práci.“

Novinky na webu Life :

Video, které bylo údajně ukázáno školám v Severní Karolíně, vyvolalo online odpor kvůli tomu, že zachycovalo učitelku, která nestydatě indoktrinuje velmi malé děti radikální genderovou ideologií.

Klip, který je součástí většího dokumentu s názvem „Reflecting on Anti-bias Education in Action: The Early Years“, byl podle novináře Washington Free Beacon promítán během školení pořádaného Asociací NC pro výchovu malých dětí (NCAEYC). Jordan Chamberlain.

Ve videu učitelka Maddie Piper (která říká, že je „nebinární“), představuje skupinu čtyř a pětiletých dětí „novou kamarádku v naší třídě“, panenku, které říká Nash. Piper, která opakovaně používá zájmena „oni“, aby odkazovala na panenku, říká dětem, že Nash je „jen dítě“ a stejně jako ona si „není jistý“, zda je to chlapec nebo dívka.

To bylo ukázáno majitelům školky v NC.

Učitel použil panenku k výuce genderové identity pro děti ve věku 4–5 let.

Když dítě vychovává „nebinární“, učitelé říkají, že je to „obrovský důkaz toho, jak moc jsme o tom ve třídě mluvili“ a „je to neustále v konverzaci“ pic.twitter.com/ufrRTwkXO1
— Jordan Chamberlain (@jordylancaster) 24. ledna 2023

"Ale děti mohou být chlapci nebo dívky," říká dítě dříve v klipu.

Když učitel začne odpovídat, malá holčička prohodí, že dítě může být také „oni“ nebo „nebinární“.

Skupina učitelů diskutovala o interakci v samostatné části videa, přičemž jeden z nich naznačoval, že **reakce malé dívky „byla obrovským důkazem toho, jak moc jsme o tom ve třídě mluvili“.**

"Bylo to jako 'nebinární', ano, to je něco, co víme," řekl další učitel. "Jsou jim čtyři a pět let a prostě si nedělali velkou hlavu z toho, že jsou kluk nebo holka."

Zde je podobné nedávné video. (Nemůžu říct, jestli je to transka. Myslím, že to není kvůli hlasu.)

Zajímalo by mě, proč učí předškoláky o souhlasu? Zajímalo by mě, proč by předškolák potřeboval souhlasit. Zajímalo by mě. Zajímalo by mě.

Nejhorší na evangelikálním křesťanství je, že zabili peklo. V evangelickém kultu vás Bůh nesoudí. Chcete-li jít do nebe, stačí vyslovit zaklínadlo, kde pozvete Ježíše do svého srdce, a ať už budete po zbytek života dělat cokoli, nemůžete jít do pekla. (Mezitím mnoho z nich káže, že katolíci jdou do pekla za „uctívání Marie“ – je to opravdu retardované náboženství, konkrétně pro tlusté a gay retardy.)

Když se zeptáte boomů, proč vůbec existuje soud, řeknou vám, že o tom, kolik bohatství získáte v nebi, rozhodujete. Boomers nemohou přijít na to, proč Židé stříhají dětem ptáky, ale přišli na ekonomiku posmrtného života.

Je to opravdu zlá, rouhačská věc, protože lidé zemřou a budou se muset zodpovídat a řeknou "ale já jsem řekl to zaklínadlo - nemůžete mě soudit!"

Pevně věřím, že všichni někde uvnitř vědí, že je to lež. Myslím, že ve svědomí je zabudován mechanismus, který je biologický, kde chápete, že Bůh a soud jsou skutečné. Ale lidé podstoupili smrtící

genovou terapii pro virus, který neexistoval, protože to řekli odborníci, takže budou věřit odborníkům na posmrtný život. Každý den, kdy pracuji, si představuji, že budu portfolio pro Ježíše. Chci to všechno ukázat Bohu a říct: „Udělal jsem, co jsem mohl, abych bojoval proti Židům.“

Z křesťanské perspektivy je to velmi těžké být naživu. Ve středověku jediná věc, kterou jste museli udělat, abyste se nedostali do pekla, bylo, že se pořádně nezlobili a nezabili svého souseda nebo tak něco. Třeba jaké možné hříchy jsou na farmě?

Nyní riskujete peklo tím, že budete mlčet o systémovém obtěžování dětí.

Země je v tomto bodě skutečně trychtýř do pekla. Alespoň západní země ano. Všichni jsou prostě vrženi dovnitř. Většina lidí, které znáte, půjde do pekla. Je to opak evangelického boomu.

V tuto chvíli opravdu nemáte co ztratit. Možná máš práci a nějaké peníze, ale my směřujeme k nějaké mega zkáze.

Být tebou, věřil bych Ježíši.

Přemýšlejte o tom: tím, že neděláte to, co je správné, nejenže riskujete peklo, ale spoléháte se na to, že vás hmotný svět provede přes to, co jsou zcela zjevně velmi špatné problémy, které se k nám blíží. Pokud se spoléháte na Ježíše, děláte správnou věc a důvěřujete, že se o vás postará, zdá se mi, že máte větší šanci dostat se z nadcházející noční můry živý.

Musíš jen věřit Ježíši. Musíte udělat správnou věc. Musíte zavolat tyhle lidi, aby to udělali malým dětem.

Bůh vám požehná na tomto i na onom světě.

One of the very best paragraphs ever penned by Anglin: “The worst thing about evangelical Christianity is that they killed Hell. In the evangelical cult, you are not judged by God. To go to Heaven, you just say an incantation where you invite Jesus into your heart and then whatever you do for the rest of your life you can’t go to hell for. (Meanwhile, many of them preach that Catholics go to Hell for “worshiping Mary” – it’s a really retarded religion, specifically for fat and gay retards.)”

Ideas have consequences. The Reformation was very much a Judaizing series of heresies that kept becoming more violent. Doctrines that ‘justified’ the fracturing of Christendom kept birthing slightly newer doctrines that were more and more destructive of basic morality and common sense and thus of Christian civilization.

And Jews filled the voids.

It is either Christ and Christendom or Chaos in which Jews get the largest slices of the perverted pie. You want to get out of this mess? Then reject WASP culture, the most thoroughly Judaizing Protestant culture, and start working to rebuild Christendom.

This whole “consent” nonsense is definitely one of the biggest hidden intellectual scams of all time. No moral foundation can be established based on “consent”, and yet the entirety of modern (((secular morality))) has been built on the pseudo-principle of “consent”. Not to mention that the so-called “secular morality” is in itself a self-contradiction.

Can you imagine the confusion those kids will experience when, taught English, they learn “they” is now “grammar-fluid”...and thus singular, plural, marvelous, drag, trans, animal-vegetable-mineralish while also being systemically racist in an intersectional, dead-naming, unconsciously-biased, sissy-cis, narratively solipsistic way?

And to think Canucks were once brave, smart, polite, logical, fair-minded...and tough.

The things about gays, trans, lgbtq etc, is that, for them, EVERYTHING is about sex. All their jokes are about sex. All their ideas are about sex. Their vocabulary is all about sex. Their whole identity in fact is based on their sexual identity or perversions. You need just to watch any clip of those “Drag Race” shows, to see that it’s all about sex and sexual innuendo. They are incapable of doing anything else. They cannot do “wholesome”.

That’s why they can’t stop talking about sex and gender, even with children. It’s all there is in their minds.

So the idea that this can somehow be “safe” or “educational” for children is absurd and insane. As is the idea of “gays” adopting children, and the ridiculously criminal “Drag Queen Story Hour”. It is really just about either abusing children, or making them sexually confused, or both.

Imagine a preschool teacher who takes toddlers and says, “hey, today let’s go to a strip show with prostitutes.” Well, this is the same, only worse, because it’s about anal sex of men with other men.

We are witnessing the return of paganism. Sexual abandon and nature worship. It is no coincidence that the sexual revolution and the modern environmental movement began at the same time. Both are two facets of modern paganism.

Western civilization, based as it is on Christianity and the patriarchy, is crumbling before our eyes. It is my estimation that more than a billion people are going to die before the unraveling is complete.

Get right with Jesus.

Andrew is pretty clearly saying that there's only One True Church instituted by Christ when he told Peter that he was the Rock. The Reformation was a grab for power and monastery real estate, nothing more.

If you want the world to return to Christianity, learn how to become a Roman Catholic. It's not very difficult.

I believe these mentally ill individuals are looking for retaliation by pulling children into their herd, they want to do damage by transmitting their retardation, their mental unbalance, their failure as a natural human. It is like someone that got AIDS and decided to retaliate by making as much unprotected sex as their body can physically stand.

That is one way to put it but maybe is unfair to the quiet underlings.

Perhaps there isn't any point in being a tree falling in a forest and nobody is listening. I've had jobs where people would not listen to me if I was shouting “the building is on fire; get out!”

Anyway people who actually care about children might not be working at elementary schools at this point.

No, you are witnessing mass brainrape courtesy of jews, who want you dead or enslaved. You've been tricked by jews into thinking of this as Christianity vs paganism, because that paradigm makes them look good to people who think they're responsible for Christianity, and it avoids pointing to them as malevolent. Would following Jesus include abiding-by the specific admonition, attributed to him in scripture, against resisting “evil”? This Old Man is just asking for a friend.

Similar cautions, about the perils of fighting fire with firing-squads, can be found in other recorded counsels of ancient peoples from here-and-there and time-to-time. Here in Indian Country we see it as a matter of where you put your precious attention, since that only makes whatever it might be just get bigger.

Maybe this Natural Fact is what has the invasive tormenting entities “investing” so much of their own dwindling “capital” in hair-brained schemes meant to capture and keep the precious attention of those of our domesticated Human Relations who’ve fallen prey to the seductions of their death cult delusion. A more recent prophet has asked these same “self”-captivated ones, “When you gonna wake-up? When you gonna wake up? When you gonna wake up, and strengthen the things that remain?”

That’s a damned good question. Who in hell’s got the answer?

The Scofield Bible was an immediate hit and was published by the Oxford University Press, then as now the most prestigious UP in the Anglo world. Together, those 2 facts scream at everyone that the ideas and assessments in the Scofield Bible were far from new, and that the most Elites of the entire Anglo-world backed them.

The Scofield Bible came after 3 centuries of endless Judaizing within the Anglo Protestant world.

Yes, all Modernism is a return to paganism, which is promoted endlessly by Jews. Jews most definitely do not hate any form of paganism; rather, they love it all because they it all serves anti-Christ. Jews will promote any paganism, and any heresy that springs from Christianity.

And Germanic idiots, of any and all varieties of Germanic, are prone to thinking their paganisms are immune from being easily manipulated by Jews.

It is either Christ and Christendom, or Chaos overflowing with varieties of paganism all easily abused and used b y Jews.

You can't justify the Roman Catholic Church as it was in 1517. No access to the Bible, only to being ripped off by indulgences.

The Reformation brought more balance – yes, justification by faith, not by good works – otherwise, what was the point of Christ dying painfully on a cross?

However, faith without works is dead.

But many “Christians” go along with this – a complete denial of the Biblical teaching on sexuality and Christ's warnings about corrupting kids. Where do they keep the millstones?

We have lived well and fine without this “non-binary” for millennia so why all this now? OK, there were always some queers, lesbians, bisexuals, eunuchs, and cross-dressers but why this need to rebrand them as “non-binary”? So OK, let's say everyone except regular heterosexual men and women can go under the term “non-binary” so why do we have a total of 58 genders by now?

The Lutheran/Calvinist milieu in which I was raised was totally inured in the “salvation by faith” concept. This was the reason I eventually left Christianity and embraced more Buddhist views. In a binary Heaven/Hell afterlife, the idea that you might not do enough to be “saved” is terrifying. Which makes “faith” a reassuring concept until it occurs to you that “my faith might not be the correct faith.” Evangelicals fixate on ridiculous stuff like the Six Day Creation, making that a prerequisite for salvation. My own church held that you must (a) believe in Jesus and (b) be baptized. But how can you force yourself to believe? The idea that Stalin could convert on his deathbed but Gandhi be doomed to Hell, that outraged me. Though I’m returning to spirituality as I get older, I still can’t accept Christianity, because I now know too much about the history of the Jews and their vicious, intolerant Orthodoxy. You can’t explain away Jesus’s references to Jewish Law; to me, that invalidates his otherwise laudable creed.

One of the cool things about children is that their inborn bullshit detectors are razor sharp. The very little ones will believe anything adults tell them, but when kids reach the age of reason around seven, they tend to start seeing how some people they had trusted to explain how things work were either mistaken or lying. This is the age when those kids who will mature into thinking adults begin to question everything, so welcome to the next generation of freethinkers, atheists, and natural boys and girls.

Partially agree. I consider Wotan to be essentially a glorified comic book character which our people have outgrown, much like Zeus or the Dagda. Like Heinrich Himmler and Savitri Devi, I will revere the great ब्रह्मन्, instead.

However, I believe you are correct that the magic Jew on a stick and his disciples who teach us to love our enemies, not resist evil, and submit ourselves to the same governing authorities who, at present, are mad with genocidal bloodlust for our people, is not a fitting god for us to worship. (Now watch these stupid chistcucks all reply that those passages don't mean what they clearly say and it's just that it's us who are too stupid to interpret them correctly. Some god they have, that wrote a fucking bible that apparently means the opposite of what it says. Why don't they just throw away their stupid Bibles and get a magic eight-ball, instead?)

I was hoping one of the “Kiddo’s” as she called them, might say :
“Yeah most of those niggers are downlow motherfuckers.”

The humorous dubbing you could do with that clip is endless.

Read Master and Margarita please. The Jesus figure in the story
is quite plausible. The Jewish priest is also fresh and relevant.

Now I believe that empires in their last days become completely
perverted and corrupt, though I could not see this phase in the
British empire. But then since the American empire is a
continuation of the British, the present phase of perversity is
common to both empires, I take.

| Only the Baptists are a direct line from Christ.

They're a hybrid of the Reformed and Anabaptist traditions. Baptist landmarkism, which isn't true, claims a link back to Apostolic times and Our Lord Himself through underground heretical groups.

I believe these mentally ill individuals are looking for retaliation by pulling children into their herd, they want to do damage by transmitting their retardation, their mental unbalance, their failure as a natural human.

Probably the ultra-twisted fraction of humanity has always had the same impulse, to draw vulnerable others into the same darkness. And sometimes they succeeded. But in previous times society had its protective bulwarks: a mostly uncorrupt legal system, schools with responsible adult teachers, traditional religious institutions, and widespread common sense.

To seduce others into sharing one's own perversion used to be a tough job.

But certain forces have kicked down all the supports underlying civilized guardianship. The result is what you see in the video, and all over the Western world.

“Since I am a degeneration of my species, I will become a kindergarten teacher so I can transmit my mental decease to pure mentally healthy children.”

They can thrive only in the habitat provided by such a huge proportion of parents who are degenerations of the species as proven by their subjecting their children to this pedo-brainwashing. Any spiritually and psychologically healthy, non-degenerate parent wouldn't wait even a day to get their children OUT of there.

We've said for years people should get their kids out of the system schools, long before trans-mutant grooming became the core curriculum (but one could see it coming). By now it's as if the schools are literally on fire, and the parents now deliberately throw their children into the flames.

I now know too much about the history of the Jews and their vicious, intolerant Orthodoxy. You can't explain away Jesus's references to Jewish Law; to me, that invalidates his otherwise laudable creed.

You're accepting a wrongful genealogy which runs:

1. Ancient Israelites and their God-given Law = Judaism
2. Christianity was then an offshoot of this identity.

In historical reality, Judaism and Christianity were both offshoots of the venerable Israelite religion during the early period of the Roman empire.

Jesus was criticizing the Judaists for their self-serving and hypocritical distortions of the ancient Law, as well as their propensity from the beginning to elaborate commentaries on this Law and exalt those as equal or superior to the Law itself.
