Tři důstojníci napíchnutí, aby zvážili případ JAG proti Jerome Adamsovi, shledali bývalého generálního chirurga vinným ze zrady poté, co si prohlédl dokumenty, které prokazovaly, že se podílel na spiknutí s cílem uvést v omyl prezidenta Donalda J. Trumpa ohledně bezpečnosti vakcín a o výhodách uzamčení a bankrotu země.

Krátký, ale nestálý tribunál, který se konal v pátek v zálivu Guantánamo, začal tím, že viceadmirál Darse E. Crandall označil Adamse za „zrádce“ a obvinil ho z předstírání loajality vůči Trumpovi, zatímco tajně plánoval pád společnosti se spoluspiklenci Fauci, Birx, Hahn a Pence. Postoupil o krok dále, když přirovnal Adamse k Jidášovi, učedníkovi, který zradil Krista za 30 stříbrných, ale řekl, že nemá ani soucit, ani odpuštění se zrádci, kteří si cenili peněz a moci nad loajalitou a pravdou. Řekl, že je mu ctí dodržovat americkou ústavu a zákon o povstání z roku 1807, jak se dovolával prezident Trump.

Adm. Crandall v projevu k panelu poznamenal, že Adams na začátku Plandemic sdílel Trumpův nepopulární postoj, že zavírání je přehnané a maskovací mandáty by způsobily nárůst respiračních onemocnění – k rozhořčení kolegů z Coronavirus Task Force, s nimiž média zachytila zápas. Adams během postranních panelů tiskové konference. Když Adams na začátku roku 2020 řekl, že masky rozšíří šíření Covid-19, Fauci se naježil jako rozzuřený dikobraz a označil Adamsův názor za „nezdravý“, i když i on otevřeně váhal, jak a kdy by se masky měly nosit.

Admirál četl z přepisu rozhovoru mezi Trumpem a Adamsem z března 2020:

Trump: "Nevím, Jerome, myslím, že bych ty lidi měl vyhodit." Nejsou dobré, nejsou dobré pro tuto věc, tento mor, který přišel z Číny. Chtějí, abych zavřel největší ekonomiku, jakou kdy tato země viděla, ale z toho, co slyším, z toho, co někteří říkají, není čínský virus tak špatný, jak se říká. Většina lidí si šnupe. Myslím, že je nahradím."

Adams: „Pan. Pane presidente, myslím, že by to bylo předčasné. Přijdou kolem. Jsou považováni za nejbystřejší mozky lékařské vědy a jejich vystřelení by tam venku rozcuchalo spoustu peří. Pokud mi věříš, zdržel bych se a dal mi šanci si s nimi promluvit."

Trump: „Dobře, Jerome, věřím ti. Nemůžeme dovolit, aby čínský virus zničil tuto skvělou zemi.“

Admirál Crandall řekl porotě, že Adams byl součástí šarády „hodný policajt, špatný policajt“, ve které Adams a Pence zpočátku stáli na Trumpově straně, zatímco Fauci, Birx a další členové Task Force lobovali za masové maskování a uzavření podniků. Aby dokázal svůj názor, ukázal dřívější e-mail, který Adams napsal Faucimu. Bylo to datováno 27. února 2020, dva měsíce předtím, než se do médií dostala zpráva o operaci Warp Speed.

"Tony, mám jeho [Trumpovu] důvěru. Za pár týdnů přijmu váš postoj a řeknu mu, že věda se změnila a je čas zamaskovat se a pokročit s urychleným programem výroby vakcín. Zmínil jste 6–9měsíční časový plán pro schválení FDA, je to opravdu dost? četlo se to.

Admirál čelil Adamsovi. "Upřímně si nemyslím, že jste věděli, že Fauci už měl data z prvních pokusů dokazujících, že vakcíny zraňují a zabíjejí účastníky pokusu." Myslím, že to s vámi nesdíleli. Ve skutečnosti jste měli obavy, ale přesto jste sledovali jejich program. A když přišel čas, šli jste do toho na plný plyn a řekli jste prezidentovi, že vakcíny zachrání miliony životů –“

Adams, který byl zticha, náhle promluvil: „To je pravda. Bylo mi řečeno, že vakcíny budou bezpečné a účinné a budou mít jen mírné vedlejší účinky na malou podskupinu lidí.

"Pokud ano, stále jste přijal finanční odměnu za svou roli," řekl admirál Crandall. "Chamtivost hlubokého státu je skutečně všudypřítomná."

Panelu ukázal Adamsovy finance. Adams obdržel čtyři přímé vklady, každý ve výši 250 000 \$, v první polovině roku 2020. Platby vydala National Library of Medicine, dceřiná společnost NIH.

"Jsem zmatený," řekl admirál. "Váš oficiální plat byl 133 tisíc dolarů ročně a prodal jste svou duši za milion dolarů." Byl jsi podveden. Máte představu, kolik Fauci a Birx dostali zapláceno od společnosti Pfizer a Moderna? Desítky milionů, zadržený Adams, desítky milionů a vy máte milion dolarů. Fauci to nikdy nemusel utratit."

Znovu použil taktiku, kterou měl na Stephena Hahna u jeho tribunálu, a ukázal Adamsovi fotografii Fauciho visícího na laně.

Adams se zhluboka nadechl, lapal po vzduchu, hrud' se mu zvedala. Jeho spoutané ruce sáhly po džbánu s vodou na stole.

"Potřebujete lékařskou pomoc?" zeptal se admirál Crandall.

Adams zavrtěl hlavou. "Ne."

"To, co jste věděl nebo nevěděl, tady není otázka, jde o to, zda jste vy, jmenovaný úředník, úmyslně zradil a uvedl v omyl prezidenta Spojených států." To je, zadržený Adamsi, zrada," řekl admirál Crandall. "A to je důvod, proč JAG a Úřad vojenských komisí žádají tento panel, aby soudil."

Porota hlasovala jednomyslně: vinen. Řekli admirálovi, že Adams by měl viset za to, že oklamal prezidenta.

"Jidáš byl zničen hříchem," řekl viceadmirál Crandall. "Váš život, jak ho znáte, končí rukou této komise." Tímto vás odsuzuji k pověšení v pondělí 13. února."

Mimochodem, pokud je nám známo, toto je poprvé, kdy admirál citoval písmo u vojenského soudu.

(Navštíveno 95 690krát, dnes 940 návštěv)

Nakonec je vždy dostane chamtivost. Dumbass nikdy nefiguroval na bankovních účtenkách.

Byly k němu vysledovány tři přímé vklady ve výši 250 tisíc dolarů

Tuhne mi krev v žilách, když vidím jméno PENCE.

Doufám, že už všichni vědí, že se pokusil zavraždit Náš prezident
ČTYŘIkrát Pence je také PEDOFIL!

Of course & there is good reason for that delay in reporting this.
There is continuing evidence due to what else was revealed from
Jerome Adam's tribunal & anyone else connected to his acts of
treason committed will not be alerted to leave the country as many
other Deep State Rats have.

I just saw a post (Politico) where John Kirby said the balloons do not
point to China....we all know it is the DS doing this. Just thought I
would throw this out there just in case you don't think these posts are
true....they are.

So many trolls here.

Any info on the train wreck and poisoning of the folks in East
Pallistine, OH forthcoming?

The last I heard is that animals, especially pets that live outside have
been dropping dead fast. Imagine what the innocent children are
experiencing! Every life is in danger whether living inside the house
or elsewhere. There is no escaping poisonous air, wind, rain, etc.

Everyone should have been evacuated as soon as they heard the sad
news. I do believe it is far worse than the blasted Chemtrails.

I fear for the lives of so many that will be gone too soon.

Billie Beene did a pretty good presentation on the subject this
morning. (2/14/23) Also, Mike Jaco did a revealing presentation.

Thank you for sharing this information. One of the best things about
RRN is that we share Information with the community.

We are nearing the Deep-State ET alien invader stage.

Since illegal border crossing aliens fed up with loser Democrats have been caught switching to Trump, Globalist Democrats are importing millions of ET aliens. Bring on the demons, oops. I mean pretend extraterrestrial aliens.

Initiate the CGI. You think the CGI at the World Trade Center was good 21 years ago, wait until you see what we have for you suckers now. Our new CGI can even vote.

Like the millions of illegal invading aliens crossing our borders, the millions of invading ETs will want everything given to them free, to vote for the Globalist NWO Deep-State Democrats. Globalist ETs are implanted with a hatred for Orange Man Bad and USA, USA, USA.

Pete Buttigieg, and the CEO of Norfolk Southern, should be arrested for treason. The owners of the NYT and Washington Post, should be arrested also for not reporting this properly and warning residents of the dangers of the toxic chemicals being released. Norfolk Southern has been hiding the list of chemicals on those train cars.

Next up should be Pete Buttigieg for conspiring to derail that train in East Palestine, cause an environmental disaster which will lead to the death of people, animals, plants, soil, water and buildings. This is treason. General Smith, if you are listening, arrest Pete Buttigieg.

Mary

Agreed. FAKE News is conspiring to censor, cover it up.

Drag all Norfolk Southern officials, Buttigieg, and all politicians involved in this deliberate genocidal attack, to Gitmo, prosecute, hang the bastards. Confiscate ALL Norfolk Southern assets and divide the assets among the citizens harmed.

Norfolk Southern is offering residents a 1,000 'inconvenience' fee. Tell them to add 3 zeroes 1,000,000 and flee Ohio.

What a pity. A man with his position to end up as a traitor of the country and the President. Such a wimp and a brainless without spinalcord. He took the consequences. Good riddance.

When they capture Rochelle, she won't need any make-up for the Tribunal because she already looks so good. She's one hot number.

The white hats are going to get the traitors at B.ig.gs. Sources say they are g.ay porn aficionados.

yea goob, guys at Bi.g.gs only get their wings by playing a game called Gobble the Weiner.

Who is the top? They will no longer be able to sustain the the higher frequencies. That means evacuation of the evil... GITMO or by other counter parts. They can no longer exist as we are ascending to a higher level of consciousness.

I was reminded something from this one though. These justly condemned traitors and high criminals still need prayer all the way to their just dispatch if they might be granted repentance and the true faith of Christ before their exit doors open and close forever. Of course this is known but I was thinking of this early this morning before Adam's execution.

Aww, how churchy church of you. Did you know your 501c3 pastor signed a non disclosure agreement with the Obama administration, whereby he'd turn anyone who bucked the regime in to the Feds, citing Paul's statement that agents of the government are to be obeyed, while he was to receive food, medicine and protection as the righteous objectors went to gulags?

This man is headed to hell in a bread basket, yet you waste your breath on him, and say not a word for the righteous among you, who are kicked and persecuted daily. God sees all and he sees your pious hypocrisy.

Our Creator separates the wheat from the chaff in this dimension. The doctor made his conscious choice to go to hell. Free will is applied through choices we make.

Yes. Forever in a burning hell is a long time even for traitors. That's their fate, along with the father of lies...

He chose the devil, decades ago when he strayed and began doing the nasty with other men Mike's history was little ones and worse....disgusting evil depravity
birds of a feather

[yawn]

You're either a Fed or brainwashed Baptist – not sure which is worse.

.

Bible says if a man wants to go to hell, don't stand in his way.

Interesting the train 'derailment' carrying carcinogenic vinyl chloride happened in Palestine, Ohio.

It is clear it was the joos...

Someone posted that Trump was being referenced as Jesus....that is not at all what he said. He was referring Adams to Judas because of the money he took from the demons. His 30 pieces of silver was not worth the price of the many deaths this traitor caused. These people are all monsters with no conscience. This weak minded homosexual was apparently thinking he was a rich man and could live out his days in comfort. However, he will not. Pence will just have to look for another lover. Pence's days on this earth are numbered as well and he knows it. He was captured but from what I read, Trump let him go with the promise that he would publicly tell the truth and apologize to this entire country....so far, that hasn't happened. He is back with his black hat protection. Prayers for DJT and the White Hats as always. God bless this country!!

Hello-hello Rochelle, many suspect you're monitoring RRN, check back around 2 pm EST for your comrades obituary.

Rest assured Rochelle, you will receive the same fate, tic-tock goes the Gitmo clock, you can run, though not hide indefinitely.

It's only a matter of time Rochelle before someone tosses you under the bus.

Hey Rochelle, open past article on Loretta Lynch, in rehearsing her script.

PS: Rochelle will you be my valentine? Hugs & Kisses Sweetheart.

Funny how are they all related. Even more than we know, undercover. Must see my "neighbors" at Bernstein Management Washington DNC. 😂 My fav a CCP's spy!

why? then mike's stories are over. he's the dark lord; the guy who dies last

ocon is happier in hail BM kept beating the sh out of him as 4 play

It's Monday, 10;30 am est, suspect Adams is done.

Place you bets, did Adams except his fate exiting via Bashido, or whimpering in sissy gibberish hysteria?

Money says: crying like a bitch.

Again, place your bets.

Johnny-boy, it's all on MB in writing the narrative. Can also wager when Adams was pronounced dead.

Money says: 9; 07 believe Monday executions at 9 am, in catching late breakfast.

Suspect by 10 am mess hall gearing up for lunch, nothing worse then cold dried out bacon. Though whose to stop Crandall from whipping-up a meal any time of the day – or night.

Place “your” bets, friendly ghoul pool to start the week, think of it as taking a Superbowl Box, harmless fun.

Barry, what say you?

Adams [a] exiting like a man, or [b] crying like a bitch?

Power Ball: predicting time of death?

Unfortunately, RRN merchandise store not open as of yet, sorry no winning gifts, just bragging rights.

I wonder if at some point, Mr. Adams thought to himself...Oh shit, I sold my soul!! Family, career, reputation all gone. And for what? One million dollars? Now he gets to sit in a cell knowing that in X number of days he will meet his creator. He knew the vacs was no good. The money just made the lies easier to swallow. Who’s next?

It’s a shame about Jerome turning on President Trump for money. I know that is the one thing President Trump hates the most – traitors – no loyalty.

There is an entire chapter in one of his books talking about revenge against disloyalty.

Totally. That was in his next book after he wrote The Art of The Deal. One employee betrayed him and he fired her. She came crawling back to him. Begging for a second chance. He refused. President Trump does not compromise.

We all hate traitors! We can survive our enemies, but it’s the traitors which do the most harm, and why they deserve the harshest of punishment.

One down, how many millions to go for their treason against my family and our country.

TAKE US TO YOUR RESIDENT LEADER

Bring on the demons, oops, I mean the Extraterrestrial aliens.

Initiate the CGI. You think the CGI at the World Trade Center was

good 21 years ago, wait until you see what we have for you suckers now.

Like the millions of illegal invading aliens crossing our borders, the millions of invading ETs will want everything free to vote for the Globalist NWO Deep-State Democrats. New cellphones, free 5G service, new backpacks, new name brand shoes, free government housing, free credit cards, permanent get-out-of-jail-free cards. WE WILL VOTE FOR YOU

Globalist ETs are born with a hatred for Orange Man Bad and USA, USA, USA. Don't be fooled when the FAKE News liars support them.

haitians, african muslims, middle east muzzies, and legions of spics are foaming across the border. is there a border? didn't trudeau, mex pres, and 'biden' sign a non-border agreement? isn't that how trudeau ordered US JETS to shoot down some object in canada?

maybe there is no border? maybe tht's why US law enforcement is facilitating the illegals?

Oh, they openly hate Trump and We the People. They still to this day call Trump's fight against the deep state stealing the 2020 election "the big lie."

TRAITORS!!

I am making \$100 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning \$16,000 a month by working on a laptop, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this site.. www.Payathome7.com

Ladies & Gentlemen,

We are here to learn what our beautiful military are doing in correcting the misjustice of our country. At the same time, it is also correcting the globalism of these people by taking out these indians/deep-staters in charge.

No one cares about the stupid-bowl or the shit-show of half-time. We The People need to keep praying – keep holy the sabbath day whether you pick Saturday or Sunday.

Vice Adm. Crandall labeling Adams a “traitor,” & likening Adams to Judas, the disciple who betrayed Christ for 30 pieces of silver is fitting. For Adams to betray Trump took only a simple million. As Christ said to Judas, ‘do what you need to do’ – so did Trump to Adams!

Pray my brothers & sisters that God’s will be done quickly and put the rightfull Person back in the WH, though he is in the ‘Winter WH’...!!!

God Speed to our military & Patriots around the world on their endeavors..

Well put Sparky Sr.... The lie to Trump has cost lives to many.... The truth will come out to the mainstream. Hopefully soon...

Rihanna certainly looks like a man. Nasty show for the Super Bowl. I’ll bet the NFL management is infested with Satanists. They need a good scrubbing out.

it’s the first Superbowl I’ve watched in 5 years. My wife, who is in a wheelchair and recovering from a serious injury wanted to see it. I am also her Caregiver and if she wants to watch it, I hold her hand and watch it with her. We are both Army Veterans, married over 40 years, and I will do anything I can for her to help her back to good health.

The negative reviews were tremendous against half time...Taylor swift looks like a guy the more you look even an Adam apple

This is the White House Doctor that also had a Clone of himself that went into colleges etc to talk to people. Are they killing a clone... because he was supposed to have two homes , one in DC but they could never find him???

Are you referring to Vivek Murthy?? He's fake like as in CGI – no such person

Yes Murthy and his small CGI son who pops in and out of view are CGI nonsense, not real people. He even looks like a Disney animation.

Technology is unbelievable today. Great minds create great things, but any instrument can also be used for evil as well as for good.

It makes no difference. Adams or his clone will behave in the same manner. It doesn't appear that the white hats will pursue the same person more than once, so there is no discernable difference in how the US government operates.

Red Stage Show & Lights, filthy disgusting evil scum!!!
Tomorrow her face will look as though she's possessed like Madonna's is. Then again Rhianna is a fat ugly slob to begin with.

She's pregnant with her second child....and FYI, the left is screaming their heads off that she chooses motherhood over abortion. Let her be a mom for the love of God. Even if the left worships Baphomet, they can and should leave her alone. Her body, her choice.

Rhianna needs to go to Gitmo with her pink jungle bunnies. Most pathetic "entertainment" to be seen. Who in the hell picks these low life forms to pretend they are singing. God help us.

Baaaaaaarf. This is one ugly woman, she acts like she is mimicking Madonna. Absolutely detestable.

I agree with all the Rhianna comments, What a disgusting show. Talentless idiots thinking that they have some sort of talent!?? Nice show Rhianna rubbing your crotch and then put your hand to your mouth and nose! Fucking pig. And the National Felons League allows the shit to happen!

Gotta be an ugly male with a baby bump, pretending a pregnancy, millions of halfwits sucking up the lies. Another Chrissy Teigen.

There's something strongly suspect about Chrissy Teigen miscarrying her baby, she then gets told she will never have children again, and lo and behold she gets pregnant again. If she really is pregnant and not using a surrogate, I hope they find some way to take her kids away from her.

I don't trust paedophiles and paedovores, sorry not sorry.

I wonder if they'll have another Human Sacrifice the very minute when Rhianna takes the stage during the Super Bowl.

I hope she doesn't sacrifice her baby, too. I'm also worried about Naomi Campbell's baby.

I don't hate celebrities they are just people with wealth and notoriety but I hate the abominations in their hearts. One doesn't have to be rich and famous to be a sinner. Satanic covens and secret societies have not-so-rich people in them, too, sacrificing babies for Baal.

Biden's one year old daughter and mother that were "killed" in an auto accident were a planned satanic sacrifice by Biden. The accident was faked much like Princess Diana's and the little girl was saved. We know her as Amy Coney Barrett. who is now under arrest.

So, it's true that Amy Coney Barrett is Biden's natural daughter!! I had read that a couple of years ago but never found any other substantiation afterwards. Amazing!!!!

More proof of just how out of touch these people are. If ruffling the feathers of "great minds" like Fauci is the top concern, you need to get a simpler job. I not only want their feathers ruffled, but blowtorched. Pretty sure a majority is now there or thereabouts as well. Or if they're not, they soon will be. We can't have a civilization and these people in power. It's one or the other.

And throwing the tarred and feathered into the stocks and pillories for further humiliation, that's the best part! Break out the rotten eggs and tomatoes!

Fauci was trying to stay alive after realizing the NWO people were wrong. He knew they would kill him all the way dead in minutes. If I had my way I would be arresting those shadow beings that were making the NWO. Fauci was a pedo fag and a puppet and certainly didn't trust the witness protection program or he would have showed up.

I don't figure he wanted the stab thing to be killing all those people though. He just got stuck with it from accepting more than he was worth.

This is the same "man" who killed trapped and conscious beagle puppies with bot flies. For Science! Anyways, that's how he deserved to go as well. He got off easy with a noose.

That's only half of it. He had their vocal cords removed so he wouldn't have to hear them cry. Evil personified.

And now he is frying in hell as we speak. I love dogs, he had no right do that to any animal.

Fauci was simply an evil POS. He had been doing stuff like that since at least the 1980's. He was greatly involved in bringing about the AIDS epidemic of the 1980's. They vaccinated many in Africa for smallpox, and the vaccine was laced with the virus that caused millions to die from AIDS. His legacy will be **THE MAN WHO INFECTED HUMANS WITH VIRUSES JUST TO WATCH HOW THEY DIE.**

To be blunt, still "more" Truth to be told.

All these Clowns hide here in the USA, we don't want them here, everything they do and everything they say; use "We The People" when caught as their collateral damage in their "reverse blame

game”, soon they’ll be driven out to seek a new refuge as refugee’s themselves unless we exterminate them first.

Do We see now? What they use the Media for – reverse blame onto innocent people.

He was in Wuhan ,locking lips with Berry con They both loved their diabolical servitude They won’t make it to maggots , where they are , none of them will,sell your soul and get what’s coming =that special place in hell

Adams and Pence came off as men that could be trusted, that stood as honest to and with President Trump and this nation. I hope he realizes what he has done, the number of lives he’s responsible for taking and still taking, that he falls on his knees before the Lord in repentance. Such a bright young man with a bright future destroyed by the love of money. So sad, but justice must be carried out.

Young or old. Man or woman. A society that doesn’t purge itself is doomed. The longer you delay, the worse it gets, the more damage is done to society. It’s like gangrene. If you cut your toe off immediately, it might stop. If you delay you might need to cut off a leg. You might even die.

I am making \$100 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning \$16,000 a month by working on a laptop, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this site..

I believe president Trump trusted Pence as much as a flea on a dog’s back He just gave him enough rope ,is all

Covid Tycoons must be held accountable. They are born out of the #CosmosClub Russian Tycoons and their #GWU peers who launched Russian Collusion in order to “get rid of #Trump.”

And tonight, vaccines.gov showing booster commercials on TV! How fking stupid people are still thinking theres is some kind of virus out there!! When is someone going to reveal the damn truth on MSM!!????

Yup and no arm stabs for anything is acceptable. Stay out of my blood. I just got chased into the parking lot dropping off a package, at a small mental hospital called Penmar in ElMonte, CA Los Angeles County. A shack of a place like an elementary school but even smaller. They wanted to take my temperature and get a nasal swab. They are serial killers with stabs for patients at this any many places like it, including 5500 patient prisons, all the jails, but the stores all gave up and let people shop free. The medical system is on a domination trip.

This is not a duplicate comment. Our country was flourishing under President Trump. They just had to destroy it. It makes me sick to my stomach but the President is free and clear of blame. I hope he trusts his gut from here on out.

Our country was flourishing under President Trump. They just had to destroy it. It makes me sick to my stomach but the President is free and clear of blame. I hope he trusts his gut from here on out.

At RebelNews... happening up here.

Did you see my interview with Sky News host Andrew Bolt?

He was 100% right when he said that even the authorities know they went too far, that's why Victoria Police have been forced to settle massive compensation payouts using taxpayer funds rather than taking them to court.

Go ahead and WATCH the interview and make sure to SHARE it when you're done because it's up to the public to wake up to what's going on before it's too late.

How many other cases are out there? And how much in taxpayer money is being used to settle these cases?

We don't know, but as Andrew said, we know that they know they went too far with the enforcement of brutal Covid lockdowns.

And now they are making the taxpayer pick up the bill.

From C3RF .. “Snap out of it”

“The house that diversity built

For his part, the leader of the Bloc Québécois, Yves-François Blanchet, observed that the appointment of Amira Elghawaby to the post of Islamophobia czar was less than inspired. He said as much when he offered his observation that “she is prejudiced against Quebecers and hostile to state secularism”. The leader of the Bloc may have just identified a problem that extends beyond the problematic concept of Islamophobia to include that other bulwark of woke ideology – the “diversity, inclusion and equity (DIE)” narrative. After all, in both instances we see generalized aspersions being levelled against wide swaths of the Canadian population, like Freedom Convoy 2022 protesters and the millions of Canadians who supported them, as they are pilloried as racist, transphobic, misogynistic and a plethora of other nasty character traits. The odd thing is, these ad hominem attacks seem to be directed against those holding traditional views of Canadian society – folks who believe that the conventional, nuclear family and individual rights and freedoms both play central roles as cornerstones of Canada's Western, liberal society. Folks who are seen by some in the woke community as suffering from “whiteness”.”

Canadian Citizens For Charter Rights And Freedoms (C3RF) is a group of Canadians whose mission is to educate Canadians on the existence and nature of various threats to Canadian Charter Rights, while advocating and acting against these threats through all legal means.

I spent 6 months up in Montreal in 1991, at the CAE Simulator Facility, working on a simulator that was going to be delivered to the US in 1992. Based on my personal experience in Quebec, the Quebec government really had some Socialist/Nazi tendencies. I hope you guys got rid of those bastards doing that stuff from the partie Québécois. Just a bunch of overbearing jerks trying to control everyone and everything.

Covid Tycoons must be held accountable. Here in Washington DC all of those #CosmosClub Russian Tycoons turned out to be the Covid Tycoons too. They were the ones to launch the Russian Collusion Hoax using local universities, churches, and #DNC.

The Covid Tycoons are docked in other countries like FEMA ships in Venezuela. I wanna know what they can do or doing outside of the USA, this is a worldwide issue. It I don't know of sudden deaths much outside the USA videos.

How many in Russia? How many in Ukraine? how many in France, Italy, Germany....

They are videos of soccer players falling dead on the field; of course the BBC covers it up from the public eye. Sorta like R. Goodell paid off Hamlin's family to shut up about his death. Hint: that guy tonight was a clone.

I just dont understand why so many that live in this country, would want to ruin it. There is no better place to live no matter how much money you have.

It's Muh Climate/Systemic Racism Cult. White people are evil, the USA is evil and everything must just be destroyed and burned by blue-haired lunatics who don't know what bathroom to use. Specifically in the USA, the reason the W regime was particularly odious was to radicalize the "left" so they'd be prone to the Maoist brainwashing of St Barry. I warned Americans about that back in the early 2000s. Rein this in or get ready for the worst political backlash

since Abolition.

Anyway, during the entire eight-year debacle of the St Barry regime, my biggest fear was another backlash in the opposite direction. Dick Cheney 2.0, war on everybody! But thanks to Orange Glory that never happened, fortunately. It's still a worry though. I'd be very careful with De Santis. He's Yale, probably S&B, the AIDS media likes him etc. That's pretty much all the warning signs, and he's completely untested in foreign policy. Which, despite what many Americans seem to believe, matters. It matters a hell of a lot. I intend to stick with Trump until he's dead for this reason. I thought he'd be an intentional and calamitous disaster in 2016, but he wasn't. Proven in action as at least a man who wants peace and knows how to get it. Good enough for me and as good as it'll ever get in DC apparently.

Agreed here also.. have to add.. I did say to several of my amigos up here. When Trump announced his bid to run for the President. He's the right Man for the job.

IMO.. he didn't let us down from what I can see looking in.. from the outside.

Donald J. Trump and the United States Military will go down in American history as the man, and the forces, that rescued the American People from the Satanic forces trying to destroy the country. And they also saved the World in the process. Kill every last one of these devils, and all their doubles and clones. And put in place a Military system that cannot be fooled by the evil ones ever again.

England swings like a pendulum do Bobby selling bicycles two by two where's mister Abby the tower big Ben the rosy, red cheeks of the little children, watching the rope swing come Monday morning, for them.

You just brought back memories!

England swings like a pendulum do
Bobbies on bicycles, two by two
Westminster Abbey, the tower of Big Ben
The rosy-red cheeks of the little children

Now, if you huff and puff and you finally save enough
Money up to take your family on a trip across the sea
Take a tip before you take your trip, let me tell you where to go
Go to England, oh

England swings like a pendulum do
Bobbies on bicycles, two by two
Westminster Abbey, the tower of Big Ben
The rosy-red cheeks of the little children

Your mama's old pajamas and your papa's mustache
Falling out the window sill, frolic in the grass
Tryin' to mock the way they talk fun but all in vain
Gaping at the dapper men with derby hats and canes

England swings like a pendulum do
Bobbies on bicycles, two by two
Westminster Abbey, the tower of Big Ben
The rosy-red cheeks of the little children

England swings like a pendulum do
Bobbies on bicycles, two by two
Westminster Abbey, the tower of Big Ben
The rosy-red cheeks of the little children

What about other countries, and Albert Bourla, The Pfizer exec?
What about arresting hospital owners and their doctors?

How did you find out as much as you did and the beginning film date? How do they anticipate the public will react? What media will be used, ie: official military website or on YouTube? There's beings that can send people dreams and I know it having had them like we all get. This is big enough I think to merit telepathic disclosure warning dreams but unlike visions before 9/11, no nothing.

They are still acting like there is a covid and have stabbed all the patients and inmates at hospitals, mental hospitals, prisons, jails, and nursing homes, group homes, and most institutions, and regulating visiting over it and at the very least trying to stick nasal swabs down visitors noses or no entry.

The several I brought packages to have employees acting like anybody coming near has a disease to this day. They don't want a package delivery to their parking lot without running out to the parking lot chasing me with a nasal swab and a thermometer. I can walk all over shopping centers full of people and they don't care so the institutions I went to deliver packages to, have some mentally ill and criminal system authorities, like serial killers at large.

This is not acceptable especially in light of the military hangings that the military hasn't been able to order up an official end to anything covid related such as diagnostics, arm stabs or masks.

No military endorsement is acknowledged on RRN. Is RRN even recommended on any official military website?

Military are not ordering doctors to tell the patients they could die of the arm stab or turn into a zombie if they don't clear their blood.

They appear to all need some reality disclosure or worse. How hard is it to send out official military orders to institutions to stop this? One Michael Baxter on one private website isn't enough from the looks of

the damage on all the videos and the extreme length of time driving people to anxiety to say the least.

Without authority anything anybody says falls on deaf ears except for the damaged people that in a hurt condition many somehow related the symptoms to the stab. Most didn't though. They walk all over in a damaged condition while the new agers try and say med beds and solar flash will become a cure one day.

Speak for yourself. The evil beings pulling the strings of the world do not represent Patriotic Americans. Is Putin the only one who knows this?

Hi

It's always darkest before the storm

I live in the UK

I don't know much

But have watched the country change

We are getting 3 stories a week about rapist /pedophile police

Unheard of in the media because of freemasons

Never has a royal been thrown to the dogs like Andrew the nonce

We have had 3 prime ministers in 4 months

That's like having 3 different presidents

He is a WEF bandit the one now

Not many who had first jobs believe the bs

So we don't get much covid it disappeared once war in Ukraine started

I have seen similar things happening all over the world

Regardless of the lack of information

I can see the change

How weak this government has become

What continues the deep state in the uk is the crowning of Charles as king of the pedophiles

Another WEF monkey

That's in May

I hope before that we get rid

Vatican London Washington

All need to fall

Peace

Good luck

Other sources suggest Charles is already gone.

I get the picture of what termites do – but used by the White Hats.

The whole rotten-wooden structure is eaten out from the inside by

the termites aka white hats military, and only just before the end

does everyone see it / experience it – and by then the rotten structure

is too far gone to prop up again.

I agree! They should slowly let the public know specially since a lot of the D S big wigs are (supposedly) already gone anyways.

I wish too that it would be public. Then everyone would be on the same page. Last night my Dad tried to tell me that Turdeau is a good guy. I nearly blew a gasket. I just said I had to go make supper, bye bye, love ya. This duplicity is just too much to take!!!

What??? Adam and pence?? I guess miss that one- I thought they tried to get pence but able to scape!? Just like Mathis ...

Accepting bribery for an 'official stance' you are in charge of making? Medically mis-advising the President intentionally for money? Good enough.

Retry Ron Klain, (and his NY lawyer) he needs to hang too.

Much THANKS to Adm. Crandall and team for a job well done.

Personally I believe if their not going to hang his ass. They need to waltz him out in his orange jump suit in from of a camera. To explain to the American people how he thought his plan to infringe on our right to vote was ok. And how his mules and fake ballots knew more than the people.

Couldn't agree more. Come on, these are military tribunals. Life sentences wreak of softball judgements handed down by mostly corrupt judges in civil courts. We the plaintiffs are denied justice in these cases, and in perpetua, when the convicted is knocked off in prison.

He may spilling major beans to save his fat ass....as others before him, if he doesn't follow the rules he will be hanged later. In the meantime important Intel may be being collected. His role was critical in the outcome of the elections so he is a big fish in that respect. Dead men tell no tales, he is worth more alive if he has the goods on many others.

Not before he coughs up his partners in crime and cohorts in corruption. He has a lot of squealing to do. He's already been sentenced to 20 years, let him upchuck the other perps during that time.
