Vyšetřovatelé JAG amerického námořnictva v úterý zatkli vedoucího pracovníka společnosti Janssen Pharmaceuticals na základě obvinění z „napomáhání k masové vraždě a zabití z nedbalosti“ za klamání veřejnosti o bezpečnosti a účinnosti vakcíny proti Covid-19, kterou pomáhal vyvinout, zdroje generál Eric M. Smithova kancelář to řekla Real Raw News.

Richard Tillyer, Ph.D., globální ředitel výzkumu a vývoje Janssen, byl zadržen poblíž svého domova v Short Hills v New Jersey a byl mu předložen vojenský zatykač, který ho jmenoval jako jednoho ze čtyř vedoucích pracovníků společnosti Janssen odpovědných za pohřbení zpráv o raných vedlejších účincích, zejména účastníků zkušebního období na začátku roku 2020.

Kdyby byly zveřejněny konkrétní následky, došlo by k hlasitému pokřiku, který by zastavil procesy a uvěznil Janssenovo vedení. Společnost se však izolovala před vnější kontrolou; účastníci pokusu podepsali agresivní dohody o mlčenlivosti a FDA poskytl společnosti Janssen – subjektu a jeho zaměstnancům – absolutní imunitu před odpovědností. Účastníci měli dokonce zakázáno navštěvovat své lékaře, když byli zapojeni do testovacího programu – pokud by se u někoho objevila nějaká nemoc – smrkání, bolest v krku, zlomená ruka, kardiovaskulární onemocnění atd. – musel si promluvit se zástupcem společnosti Janssen, který by svévolně rozhodnout, zda účastník může navštívit soukromého poskytovatele zdravotní péče. Janssenova NDA byla tak komplexní, že hrozila právní odvetou proti porušovatelům.

Náš zdroj uvedl, že armáda má nyní databázi Janssen, kterou Tillyer udržoval po celý rok 2020. Jeho identifikační číslo zaměstnance bylo používáno k běžnému přístupu a aktualizaci sady záznamů, která dokumentovala vedlejší účinky od června 2020.

V červenci téhož roku 35letá účastnice studie zatelefonovala zástupci společnosti Janssen a řekla, že dva dny po počáteční vakcinaci pociťuje akutní bolest břicha. Místo aby zavolala sanitku nebo jela do nejbližší nemocnice tři míle daleko, ona, zmítaná bolestmi, jela 55 mil na pohotovost, kde byla přítomna společnost Janssen Pharmaceuticals – podle instrukcí zástupce. Svírala břicho v agónii, proklouzla dveřmi a byla vytržena, ale byla nucena čekat 30 minut, než bude k dispozici lékař s Janssenem. Baterie testů odhalila, že se u ní spontánně vyvinulo 50 nekarcinoidních nádorů ve slepém střevě. Vzhledem k tomu, že měla výrazně vysoký počet bílých krvinek, lékař

navrhl odstranění slepého střeva, ale opět žádná operace se neuskuteční, dokud do nemocnice nedorazí Janssenem schválený chirurg – o hodinu později. Zemřela na operačním stole. Během zákroku jí prasklo slepé střevo. V úmrtním listu byla vynechána zmínka o vakcíně a jako příčina smrti byla uvedena „zánět slepého střeva vyvolaný peritonitidou“.

V září 2020 hlásil 22letý muž, vysokoškolský sportovec, znecitlivění obou nohou několik dní po bodnutí. Bylo mu řečeno, aby sám sledoval stav po dobu 48 hodin a navštívil specifické centrum urgentní péče, pokud příznaky přetrvávají. Když tam o dva dny později dorazil, sotva chodil a říkal, že ho bolí prsa. "Srdce mi buší v uších," řekl zdravotní sestře. Sanitkou byl převezen do nemocnice, kde testy ukázaly, že se mu náhle vytvořily krevní sraženiny ve stehenních tepnách. Dostal opravdu špatnou zprávu: budou mu amputovány nohy nad koleny. Zemřel na alergickou reakci na anestezii.

To jsou jen dva příklady.

Podle našeho zdroje je databáze encyklopedií úmrtí a nemocí připisovaných vakcíně Covid.

„Z jedné skupiny 438 jich 14 zemřelo do dvou týdnů po výstřelu. Mnoho dalších představovalo vysilující nemoci. Doktor Tillyer měl morální a etickou povinnost vystoupit, ale byl součástí agendy. Databáze byla označena jako 'DNS' a předpokládáme, že to znamená 'nesdílet'. Stačilo vydat zatykač,“ řekl náš zdroj.

Neřekl, jak JAG databázi získal, ale řekl, že je autentická.

Když se na něj obrátili vyšetřovatelé JAG, Tillyer své zatčení pokáral a řekl, že ochrana firemních tajemství není zločin. Když byl nasazen v poutech, údajně „kňučel jako nemluvně“.

Úřad vojenských komisí stále sleduje tři další vedoucí pracovníky společnosti Janssen.

Janssen Pharmaceuticals je dceřinou společností Johnson & Johnson.

Kromě toho byl v pondělí ráno na Guantánamu oběšen bývalý generál chirurg Jerome Adams. ~~Real Raw News již nebude tvořit články o popravách (budou se velmi opakovat), pokud se nestane něco neobvyklého.~~ Dlouholetý čtenář RRN říká, že bych měl v jejich zveřejňování pokračovat, tak to udělám.

Pane Baxtere, věřte mi v tom: „opakování“ nám nevadí. Číst o popravách je balzámem pro naše divoké duše. Ve skutečnosti by DALŠÍ podrobnosti byly velmi dobře přijaty.

ok. Thank you. I appreciate the sentiment of longterm readers and will take their concerns into consideration. Since many seem to want to read about them, I'll continue.

Please do. Without knowing about the executions we have no way of knowing how justice was meted out and the reactions of days justice received.

What has been a fight for our lives is now our turn to see the result of the turnaround.

Thanks for your work.

Agreed with WWC. If you have access to the details, please share no matter how redundant and repetitive they may be. Also, the new poster Julie and another Jason certainly appear to be the same person and the one who has been kicked off countless times for having a stuck “o” key.

I've tried to post 3 times. Even replied to Michael Baxters post to see why I'm not allowed to comment but these new posters can? Ok no problem I'll just read like I have since the beginning.

Yes. Sorry. It takes me a while sometimes to get to comment approvals. One approved, you can post freely, as long as you're not a troll.

I've been reading your site for nearly 3 years now – if you consider that long term. I'm also interested in the executions. I was waiting all week to read about Adam's execution. Strangely, I want to know what they ask for to eat and how they behaved at the rope, if they have any last words, was the criminal remorseful. Thanks, Michael.

Thank you Michael for deciding to continue the articles on the executions. We appreciate knowing. For myself it is good to know if they come to salvation before their justice is meted out here on earth. God bless you.

This is the only way we know the players put in front of the camera are clones or masks. If I missed any details on the real Joe Biden, a rerun would be most welcome. Also, information on the Hollywood players.

I also could not find specific detail in RRN reports of what happened to the real criminal Joe Biden.

There are also many actors and actresses that appear to have been dealt with, but no relevant RRN reports posted.

Can you help with this Michael?

My understanding is that the Hollywood players are being brought to Diego Garcia. If someone has better information than I, please add what you know.

There are a couple of sites in Central/South America too.

One of the military tribunal sites where they get the deep state traitors tried and punished Besides GITMO, we have Tierra del Fuego, Azores, XL Honduras, Iceland, Greenland, because there are so many traitors and Rothschildian agents worldwide.

Even if you were to combine a few together and give the highlights of each one....I think that would be good too. You do a great job on all of these articles and I can't wait to read them all. I keep going back and re-reading a lot of them. I just finished re-reading about Bill Gates yesterday. Prayers are with you as you undertake this task.

Extensive details of detainee behavior, words spoken, last minute utterances, facial expressions, and any peculiarities on the day of execution is also our only means to verify the authenticity and veracity of your reports, because your sources are inaccessible to readers, and stories can't be verified by any published military or law enforcement reports.

SO WE NEED DETAIL, as our only method of verification, by comparing all known personality and behavioral habits and character to those details you provide in the execution reports.

Thank you Michael!

OMG. Your comment is absolutely preposterous as well as obnoxious .This is a person who receives intel. Do you think he and his sources call each other while relaxing in their homes smoking cigars and chat about behavioral nuances? Or is he catching salient facts as much as he is able to by whatever means and sharing them with us? God! What a clueless idiot you are.

People are DYING out there and you can't be bothered to report about the final justice for these horrible criminals?

Last edited 5 hours ago by Sue

Do you have anyone who can help you? Maybe put the reports together like you do? I know you have a lot on your plate.

I wish we could also receive info re tribunals and executions/sentences in other places. Keep wondering if AMG is accurate.

I noticed many of your past stories are no longer available. Your story histories stop at tab #50. Why were they dropped? I loved reading them.

What would be best, is actual footage of their lives before & after gitmoed, sir.....

He does mention last meal requests. Many don't want one and I remember he wrote that skank hillary got scrambled eggs and a milkshake. I'm sure some such details are simply not available. I know he always writes their final words.

A jalapeño omelette and strawberry milkshake.. God, I can't believe I haven't forgotten such irrelevant trivia yet. 🤢🙄

i would like a close up video clip of the shitbag's face as soon as she/he walks up those beautiful gallows stairs!

The Shills appear here because what you post upsets the story the Deep State want to share. They read or hear about what is going on and knowing the noose may be going around their neck next; it is important to remind them over and over again what is waiting for them. FEAR is what they use against us; this is our turn to bring them down. They can suicide, try to hide or turn themselves in, but in the end they will be caught. Cooperate and they might get life instead of the noose. After everything is known, they have nothing to barter with.

Keep the detail coming... you are terrorizing the enemy... GOOD FOR YOU

Chyna Phillips is married to a Baldwin brother, forget the first name—William I think. . Definitely something strange going on a couple years ago. Her husband's appearance looked cgi and her behavior got more erratic and sad. Her mom, Michelle Phillips, talked about her childhood, and religion. When she was supposed to be talking to William, her face didn't look in the right direction. He really seemed cgi, and according to WarNuse,, on Twitter until banned, Wm. Baldwin was on the list of gone forever

Billy Baldwin, Chynna Phillips reveal their teen son was diagnosed with cancer last year

It's hard to believe things in our nation got so bad. But, my mind keeps taking me back to what I learned in a college geology class: what ever "clan" rises to the top of the heap in a state of chaos is that which is being scraped off the top of any experiment. DNA has a shelf-life.

As above so below.....the concept resonated but witnessing an extinction event is not something I planned to experience.

Thank you. This is the only info we receive confirming WH are active .. it gives us hope.

It's ugly, but we need to hear about these executions. These monsters have filled our world with fear, and suffering, and we need to know when they get what is coming to them.

Please don't stop. I hope to see video footage of these executions one days, once the EBS has gone off, and their sorry asses have all been rounded up.

Exactly right, Ryan! We need closure and to see justice done. C'mon Mike – Let's see them on video if possible! I'm not into gore but I want to see proof...

In fact, embellish the executions as much as possible for our enjoyment! Perk of the job as a reader!

This is the only place we hear on the consequences of the crimes they've committed to humanity...I hope they also go after the nurses and dr's at clinics and hospitals that sneak the jab on people without their knowledge and or their consent...They just come in and tell the patient that a shot is needed and they give them the jab...it has happened to many that I know.

Mr. Baxter, I want to thank you for all your hard work and time you devote to bring us the latest news in what's happening. I check every day 2 or 3x for news and when some days go by without any new posts you may have been hacked or having trouble. I and others believe you could be hitting too close to home and the corrupt ones are trying to take your website out! Thank God you never give up! 🦊 You give us hope and belief that we are and will WIN no matter how long it takes. God bless you and the military and everyone risking their lives in this fight against evil. With God on our side well win and our country will be safe and prosperous again. 🇺🇸♥️ 🇺🇸🦊🎉

Jerome is married to my daughter in law's second cousin. Do we know if the spouses sign NDA's .. because asked my son about it and it appears the rest of family do not know what is going on. But yes we want to know about the executions.

May I suggest you get your son, playing devil's advocate, to tell the Jerome family, or their relatives that he may know, that there is this story in RRW about Jerome, and maybe they should have a look at it and sue big time. See what their response is.

I know someone married to Alec Baldwins brother. She definitely doesn't know Alec is dead. Just says he has so many kids the family doesn't see him and his wife much. But she clearly loves being married into that family and says they are all really great people. Strange.

They probably don't know what he did to Kim and Ireland. If they did, they would disown him and disavow even being related to him.

Please reconsider I look forward to read all executions articles. Gives me justice knowing they got caught paid the ultimate price. What their actions are at time of execution. Thank you

The only reason why I read RRN is for the executions, we need to hear that we are winning this war, we need to hear that there is justice bring met, it does give us a sense of justice, it is healing to our wounds.

As far as I know we have no other source at Gitmo. Details are always important, even if it get repetitive writing them up, when you have the only source. It's historical in a way.

Thanks for your consideration. If an execution is unremarkable I'd be happy with articles that post several at a time with no more than a paragraph or two about how unremarakable each one was – or even just a list of executions, times, dates, who was executed & why? That may allow you to cover more executions we are not even aware of.

OMG! This person thinks you were there and watched every detail but are purposely holding back information. They obviously have absolutely no idea what gathering intel is like. I honestly don't know how you cope with these people.

Please continue posting them them Michael. I'll speak for many of us; we'd love to read the additional details about Jerome Adams as well as all the other deep staters there.

Thank you for all you do. 😊

Please know this: Everytime you post a story, you are throwing a lifeline out to untold numbers of people who are treading water under difficult conditions. My husband and I never miss one of these stories. We never missed Q either. In this time, information is more precious than diamonds.

Mike, thank you for the hard work you do but I believe you may not understand that the arrests AND executions are exactly what we are looking for. PLEASE continue and list every detail possible, Sir. We the People need to see justice done and I would also ask for a current updated list of every creep that has paid for their crimes against humanity and treason. I'm certain I speak for most of your readers when I say that you couldn't graphic enough for most of us. I hope when they air the EBS/EAS that they have videos of the executions and court cases. WWG1WGA, Doc.

MICHAEL..WHY are new comments BURIED IN THE MIDDLE OF THE PAGE???.THIS makes your comment section look RIGGED....

Thank you, Mr. Baxter. I totally agree with WWC. It gives us a sense of justice even though we aren't privy to a video (at least right now). Knowing these evil scumbags are meeting their maker does my heart good! Let me know if they should run out of rope. I can help replenish their supply.

It doesn't need to be a lengthy report. Just something to the effect that the sentence was carried out and the date. I assume most is by hanging. If not maybe you could mention that.

Where is Gina Haspel, former CIA chief? Last I heard she was injured in Frankfurt. Is she in protective custody in GITMO?

She was on a plane there last time I heard. Dirty traitor needs life for what she did to betray us. She got people killed in the process as well.

Hi Michael,

I agree with Corrigan to keep 'em comin'! I understand your point also about how repetitive and boring it may seem to you to write and publish, but it is so much desired by us your readers.

Yes, sometimes the real and the raw of life and certain events are unremarkable. If you feel that way about certain cases, take the route that a few have suggested of combining a few reports. You can call it the RRN Obituaries [Volume 1 (2, 3, etc.)].

Without an obituary of sorts, there's no public record of expiration. Not having this record (of course wouldn't stop the shenanigans but) would make it easier to for them to slip in clones without getting too much scrutiny.

Lastly, perhaps you could be allowed to interview various ones the day before the noose. If anything fruitful or colorful comes of it, awesome!

Michael....you've got the BEST news website on the internet. By far. These other pussy news websites (including Fox News) would not dare report some of these stories. My only hope is....that even a small percentage of these reports are *TRUE*. One of your competitors posted and promoted a story (to sell new memberships) on his site claiming that Hillary was HUNG at GITMO. And, we all believed it....until she was spotted a few weeks later enjoying a glass of wine at her favorite NYC restaurant. Since that episode....he has completely changed the format of his site....using guest speakers—because he lost many of his followers due to his *bulls**t stories. SO...KEEP UP THE GREAT WORK, MICHAEL. I check your website every day for all the latest. BEST WISHES !!

That is correct.Hillary had more doubles than any Deep Stater out there.

nope. spartacus set the rules: if they can tweet, they're alive. so sorry mikey, she's alive

Was this sarcasm? HRC was executed years ago, RRN had an article about it? That Viper HRC has throngs of clones and body doubles, let alone the CGI they can make up. You need a bigger red pill and get out of the gopher holes, the rabbits are much deeper.

What are you on about? HRC was ended at Gitmo or some such facility. Probably several more of her are still scuttling around, but I think a couple of those critters were also put down.

Please continue to report as much as you can. People need hope that justice is being served. You are the one who is reporting what is happening .

I want to know they happen and I want specifics about the people: Did they express remorse; Did they seek God; Did they manifest demonics like Newsom...Did they reveal intel.....I do not want graphic details about the executions themselves. I, too, am very angry at many of these clearly evil people....but I don't want to become like them. I just want justice and for it to stop and Patriots/White Hats to win.

Now Mr. B, I look forward to all repetitiveness of these updates. As a fellow Navy veteran, you're doing an awesome job! I look forward of reading these updates.

Young man. Please continue to satiate my blood thirsty appetite to see justice done. Continue to elucidate on the gore all over the floor details of the miscreant's last hours on earth. Really think these wretched souls should receive their very own poisonous injections and writhe in pain and agony the way they have put us through. For the USMC yahhh kill and go Teufel Hunden! Keep up the good works.

Every single execution will make good people feel more relieved from the pain of seeing so many jabbed innocent lost their lives. Please continue the repetition more and more and more!!!!!!

Thank you Mr. Baxter. Reading about the execution will give more assurance that the criminal is out of the way. We cannot wait to read about the execution of this disgusting criminal called Richard Tillyer.

I love reading about the executions. Sometimes I read the articles 2 and 3 times over. It makes me feel so good.

The more gore, the better as far as I am concerned. Eyes popping out would put a smile on my face.

booooooooooooooring. what's an accessory anyways? we need real charges not this bs. It'd be easy to simply say he was acting under duress of the dark lord and there goes the case. brilliant!

I also am extremely interested in reading about the executions. I'm sure close relatives of the criminal would also like to know about their relative's execution as well. It is also necessary for other deepstate cabalists to read about how their comrades die. Since EBS is taking a long time, we have your RealRawNews website to depend on. If I had extra time I would make a video reading your articles and commenting about it in a podcast to draw more interest and traffic to your website to wake up the Normies

Not only do I agree, but I actually engaged in Marketing for RRN. Got a huge backlash from shills and biased normies regarding the RRN Disclaimer's "humor, satire, and parody" statement. But when their pseudo-logic was challenged with real logic, they shut up.

It turns out those "experts" critiquing the credibility of RRN did not actually read any RRN articles, and were unable to put into words how they achieved their expertise.

Good idea, Max. Perhaps the normies prefer to have lunch at their desk and just listen. A reformed normy might do the movement a lot of good, preaching rather like a reformed alcoholic.

I agree. These snippets of Justice are the only thing that keeps me going. I check every day. I want to know who was arrested, what is said, and how they act all the way till the end.

They should have to go through the “Flesh Fair” in a large stadium with real patriots like in the movie artificial intelligence with the robot boy.

You said it so well!!! It is a balm of justice to our souls...every last detail. Thank you, Mr. Baxter, for taking the time to hear your readers. Much appreciated. 😊

A weekly run down of those hanged, shot, injected, etc. would be nice.

Great work!

Keep it up!

Mb, just keep up the work you've done for all of us. The more we know, the better informations we've received, the better results and give us hope that justices will prevails. The tribunals, the executions needs to be told to the Americans peoples!

I personally have waited years for these executions Michael. I think for most of us it's a light at a very, very long tunnel. Please don't blow it out.

No mercy. How they have done it shall be done unto them. Get rid of all these lying criminals.

It gives me hope to hear of another traitor being taken out. I'd prefer to see them televised but this is enough for now.

There was an article on the arrest of James Baker several months ago, but I've never seen a follow up. Has he been before the tribunal? Convicted? Executed?

I enjoy reading the latest executions. With all the bad stuff happening, from all the death and murder. It's nice to hear that they are getting what they deserve. Wish it was public through.

Public Executions.

I just want to thank you for all your hard work. Some people don't believe what you post is true. I am hoping everything you write is true.

Thank you for your reporting, please continue to report on the executions. As many details as you can. I know non of these people or most of them could care less and not remorseful for their sins. But we the people want to know what is happening. Your work is excellent and I come everyday anxiously hoping to see that justice has been served to these horrible people. God Bless you 🙏🇺🇸

Please continue your articles regarding executions of these evil evil people. You're doing a great . We appreciate it.

Why didn't the parents or relatives of the volunteers who sign the NDA did not speak up about the loss of their loved one. They didn't sign the NDA the volunteer side the NDA. Families are very connected. If one was going to volunteer for vaccine family knows prior to the injection & signing of the NDA. You cannot tell me that family is not aware what had happened to the loved ones.

Please do not delete.

I am very interested in exactly how Justice is meted and brought to fruition. I am neither happy or sad. I am an observer who knows that everyone makes choices. These monsters will be brought to justice one by one. I for one trust RRN to bring information that otherwise would be lost. Hope is eternal. Thank GOD.

Oh, how I wish these arrests and executions were Live Streamed!!! It would do my soul good to watch a few demons swing from a rope!! A Firing Squad would bring me joy too!!

This is a running tally I have been compiling from RRN. I'm sure I missed some >

Thanks Michale –Yes please keep execution details going.

Also ” He died of an allergic reaction to the anesthesia.” Means all the Ruckerfeller pharma medicines are unsafe. Lastvyear I collapsed

after LOCAL anesthesia...It's no longer clean. One should seriously consider any alternative Doctor now.

Can't trust any doctors or dentists anymore.

I feel sorry for people who have to get treated for heart attacks, cancer, strokes, childbirth, organ transplants, broken bones, brain tumours, gunshots or burns because they get jabbed without their consent, even with documented orders not to jab either awake or asleep. Even the newborns are getting jabbed against against the mother's mandate documents. Or they get refused care unless they submit to the jabs and die so the doctors and nurses can get a death check.

It's a real shame... either stay sick, give birth alone in excruciating labor, let the teeth rot and fall out and suffer the pain, forgo urgently needed surgery, or risk getting jabbed against your will because they will refuse necessary care unless one gets jabbed for heart attacks, broken bones, strokes, dental infections, shootings or burns.

I can't wait until the executions are live. I want to see the monsters squirm. They inflicted pain and suffering on children, so now they will get to know what it's like to be like the children they slaughtered mercilessly, with no chance or hope of escape.

Please continue to post all the details as you have been until all 70.000.000 have been captured and executed. It did not bother any of the evil ones to kill as many of the innocents as they did without remorse. That is a global number so numerous countries are involved. I would love to help the Marines if I was able. I appreciate your hard work!!!

You are the only place there seems to be on the internet posting about the convictions and executions. Please continue to do so. We can tell your site is a "Soft reveal site." You are part the only real news out there. Actually I would like to hear about more of them. Thank you

“Protecting corporate secrets is not a crime”?

I guess the entire corporation is guilty. How do you spell ‘Hostile takeover’?

Yes, keep posting executions, even if nothing extraordinary happens. INQUIRING MINDS WANT TO KNOW. In fact, I wouldn’t mind seeing, in a side bar, updated regularly, of completed executions.

I think every product with the Johnson & Johnson name on it be pulled off of shelves and do an extreme bonfire publicly; with explanation as to why we’re doing it! Also, WH military find all those doctors who were aiding and abetting this vaccine charade and do a public hanging!

There’s a lot more ppl who will be dying as a result of all vaccines unfortunately, so let them have their closure at seeing the reward of the wicked!!

I always enjoyed reports of the executions. Very satisfying they were indeed. Wouldn’t want you to get bored though.

Mike....please CONTINUE with the **raw news**....especially news regarding the EXECUTIONS of these scumbags. Your reporting is the very BEST !!

They have done the crime they were charged with, and been justly convicted, by a Trusted Military tribunal ! I say we need to know the consequences of their justice, being served !!

Absolutely agree to keep telling us about the trials and executions! We need to know things are happening that are not being reported elsewhere.

Vice Admiral Crandall is our hero! and we love how you write. keep up the great work please!

Michael, Most of us don't care about repetition and it helps us to know what is really happening. I, anxiously, await every article published here. One of very few sources to follow the truth.

keep going with the reports of executions.

i need to know on what or who was in charge of this garbage they pulled.

Yes sir, it does do me good to see and read about the executions. There are very few places on the internet that I am aware of providing us actual truthful news on things and people that matter. So any reports you are able to share, we all would LOVE to have them here to read. So please don't give up writing them. Its the only small bit of ultimate justice we have these days. And YES – more details, if you can share them, we crave them. Please and thank you!

Yes, Please do post about the executions. These people have committed heinous crimes against all of us. It certainly makes my day a little brighter knowing that another one of them has left the planet.

What a piece of shit this so-called doctor of painful death he is, and all for a few dollars more. These nutty humans on this planet will do anything for a few extra shekkles! No sympathy for this rich low life honky and he'll probably pee his pants on the walk to the gallos, boo hooing while the noose is placed on his neck saying he was given immunity to kill....

Your articles give me hope that real things are happening. Certain narratives have been interesting to see about the executions. I faithfully read every one of your articles. It's never too graphic and I really appreciate your sight.

Please don't stop the articles of execution. They form a completeness, a wholeness and a what-goes-around, comes-around for those filthy sick bastards!

I thought the Good Guys Military were releasing what they think we should know in various time intervals, just asking?

I think we all have had our share of repetitiveness horse sh!t from the fake news syndicate.

Keep on Truck'in Michael..

please do not delete any postings!! I appreciate you opening eyes to a lot of people asleep!! bless you & the work you are doing for US!

Absolutely Mr Baxter, those evil people got what they deserved, a one way ticket to Gitmo; give us what we deserve ... finality and restitution for their crimes against humanity!

I too will gladly read the repetition of executions etc especially if its about the individuals referenced here like janssen, what an unhuman pathetic creature he appears to be, i dont normally judge but this one if proven guilty deserves everything coming to him

PLEASE continue with the "whole" story including the sentencings and executions. Many of us NEED to know and to see that there have been consequences to the murderous actions of these wicked evil people. Most of us have suffered numerous heartbreaks due to Covid 19 evil practices these past 2 years plus. We read your articles everyday. You are appreciated and kept in our prayers daily. Thank you Mr. Baxter, we know we will read the truth from you.

Reporting the executions as an aside (unless POTUS Trump attends in person) is fine with me. Meanwhile, the Deep State is now using freight train derailments, with lethal chemicals, to kill people they weren't able to force their death-vaccine upon. Elections are now a rigged farce. So how much longer before the White Hats can overthrow this illegitimate criminal regime??

Mike reports on those as well — the plane crashes, the train wrecks, the chopper calamities like the Osprey, anything that is connected with treason or the jabs or the deep state abominations that are

connected to the homosexual punk brat hypocrite Pete Buttigieg who is covering up the jab stats and traitors that contribute to these fatalities.

Please continue your great work including reporting the executions, even with the crazy antics and drama, Michael; because these executions are proof justice is finally being done, and we can't get it from any other source. DJT being there makes our day! You are doing a huge work with the details, and We the People don't care if they are lengthy because they are the best ones. With the details on the executions, we KNOW these criminals against humanity are getting their just desserts. Keep it up, Mike!!

Please continue with all that you do. I am also a long time reader & read all of your articles. Those of us that frequent your sight don't see it as repetition, it's important information to us us. Thank you for what you do & for your time.
