USA kreslí 99 červených linek Luft pro Čínu

[Andrew Anglin](#) • 20. února 2023

• 500 slov • [39 Comments](#) • [Odpovědět](#)

[Sdílejte s Gabem](#)

Čína nyní zvažuje novou eskalaci proti Západu dodáním zbraní a střeliva Rusku v jeho válce proti Ukrajině – překročení červené linie, která by mohla vyvolat „novou studenou válku“, odhalil americký ministr zahraničí Antony Blinken. <https://t.co/RL6zhI5aa2>

— The Daily Beast (@thedailybeast) [19. února 2023](#)

S tímto titulkem jsem chtěl udělat vtip o písni „99 Red Balloons“, což byla původně německá píseň s názvem „99 Luftballoons“.

Je to také komentář ke skutečnosti, že existují všechny tyto různé „červené čáry“ a je to vždy hodně horkého vzduchu, že? Snažíme se vrstvit nářky, víš?

Nejsem si jistý, že to opravdu fungovalo, ale jsem si jistý, že všichni oceníte snahu, že?

Jasně, chlapi?

RT :

**Každý stát, který poskytne smrtelnou podporu Moskvě v jejím pokračujícím konfliktu s Kyjevem, by překročil „červenou linii“** Washingtonu, řekla v neděli CNN americká vyslankyně při OSN Linda Thomas-Greenfieldová . Dříve téhož dne americký ministr zahraničí Antony Blinken přímo varoval předního čínského diplomata Wang Yi, aby o takové možnosti neuvažoval.

„Musíme... musí být jasné, že pokud existují nějaké myšlenky a snahy Číňanů a dalších poskytnout smrtící podporu Rusům v jejich brutálním útoku proti Ukrajině, je to nepřijatelné,“ řekl Thomas-Greenfield CNN „State of the Union“. “ a dodal, že „by to byla červená čára“.

„Svině, co si myslíš, děvko? Myslíte si, negrové, že si tady hrajeme? Ty jsi to tak neudělala, co děvko?“ Thombas-Greenfield dodal.

Pak začala skákat nahoru a dolů a hodila židli do okna McDonald's.

**Její slova zazněla, když se Blinken setkal s Wang Yi na okraji Mnichovské bezpečnostní konference v Německu. Tam americký diplomat řekl svému čínskému protějšku, že USA jsou „velmi znepokojeny tím, že Čína zvažuje poskytnutí smrtící podpory Rusku,“ řekl Blinken Chuckovi Toddovi z NBC po setkání.**

"Objasnil jsem, že to bude mít vážné důsledky v našem vztahu," dodal státní tajemník. Tvrdil také, že USA si byly vědomy toho, že Peking „v posledních měsících poskytoval Moskvě nesmrtící pomoc“, a dodal, že tato pomoc údajně jde „přímo na podporu a napomáhání ruskému válečnému úsilí“.

USA jsou v tuto chvíli naprosto nekompetentní téměř ve všech oblastech, ale ve skutečnosti mívají docela dobrou inteligenci. Nevím, jestli je to jen elektronická špionáž, nebo jestli mají pořád dobrou síť lidské inteligence, ale mají inteligenci.

Mohli si vymýšlet, že Čína přemýšlí o pomoci Rusku přímo na Ukrajině. Ale také to může být pravda.

Doufám, že je to pravda. Určitě je to v zájmu Číny. Je to také v zájmu toho, aby všichni ostatní na zemi byli utlačováni Židy ve Washingtonu – v první řadě americký lid.

Ani nevím, co je to „červená čára“.

Budou sankcionovat Čínu?

Hodně štěstí, Židé.

I got 99 luft lines but a bitch aint one...?

It's also a commentary on, you know, the fact that there are all of these different "red lines" and it's always a lot of hot air, right?

Yeah it's almost like they lie all the time and there's literally no point whatsoever in paying attention to a single word coming out of their mouths?

that that is unacceptable," Thomas-Greenfield told

Your face is unacceptable. Your whole family is unacceptable.

I have to accept you continue to exist and you have to accept... well whatever the fucking balls this idiot is talking about. I wasn't paying attention.

American propaganda writers are so talented. The US threatens China not to cross a “red line” and then an American propaganda outlet claims China has a “new escalation against the West”, considering sending arms to Russia. The US empties its arms supplies and gives them to Ukraine and then warns China not to start giving arms to Russia.

the u.s. does not have intelligence in any capacity or by any definition of the word but even a brain dead idiot can figure out, that if they illegally supply weapons to a breakaway province of china, that the chinese might supply weapons to a breakaway province of ukraine, duh. it took every think tank they had, working in unison with 10,000 monkeys chained to keyboards to figure it out but they did figure it out.

They could be making it up that China is thinking about helping Russia directly in the Ukraine. But it could also be true.

I'm sure Uncle Schmuell would consider chopsticks and fortune cookies to be the export of lethal aid and military intelligence.

I forget who said it, but someone needs to tell Thomas-Greenblack to pick up pretty much any object in her house and read the label that tells you where it was made. Sure, the decor might be from France, but aside from her LG fridge and Bosch Washer and Dryer, pretty much anything else that is useful was made in China.

I have said this before, the jews have openly stated they want to destroy Russia and China. This being the case they need to declare war on Ukraine right now and destroy it (or at the very least undertake a massive armaments build and supply Russia with everything), if they just play this stupid setting on the fence game then they are total idiots.

The Jews always play both sides.

Scenario 1: They sanction China through their control of international finance, which eventually subjugates China under their ZOG bases in Europe and North America. The Jews win.

Scenario 2: After offshoring pharmaceutical production to China for greed/profit, China responds to ZOG/Globalist sanctions by holding back production of vital prescription drugs from Europe and North America causing millions of deaths of White and Christian people. The Jews win.

I've heard more than one "Christian" Zionist preacher preach that in the "last days" several nations will line up to attack muh Israel only to fail. Whether this is more (((manufactured))) propaganda or not, you can actually see this one lining up. All these (((preachers))) seem to always identify "Russia-Russia-Russia" in their stories. Hmm, we know the Khazar/Jew hates Rooskies so that explains that anxiety attack but who are the other nations? Certainly not JewSA that we are certain. And seeing as how World Jewry controls The West, how important is muh Israel to the Jews outside of the religious angle. Is muh Jewkraine the new "promise land" for these shysters?? Over time the only nations that fawn over Jews-muh Israel are White nations controlled by white traitor trash and Jews aka The West. So other than Rooskies, that leaves Brown and Yeller people as (((suspects.)))

China should give weapons to Iran who then gives them to Russia.

Iran: "Oh, what, America's going to condemn us more? Oh noes."

Or maybe NK.

Either way this doesn't function as security. China can circumvent it trivially.

| **US Draws von 99 Luft Red Lines for China**

With that headline, I was trying to make a joke about that song “99 Red Balloons,” which was originally a German song called “99 Luftballons.”

It’s also a commentary on, you know, the fact that there are all of these different “red lines” and it’s always a lot of hot air, right? We try to layer the allusions, you know?

Not sure that really worked out, but I’m sure you all appreciate the effort, right?

Right, guys?

Yes. Thanks.

I'd love to see China go ahead and give Russia all the military aid they need. For one this would finally even things out what with the entire West ganging up on Russia, making it a much fairer fight. All of Western Europe and the Anglosphere are very much dependent on China not just for imports but also for their own exports, so China is not going to be sanctioned easily like Russia.

China providing military aid to Russia might just be the only way to end this war.

Go ahead please, China.

Quite entertaining conversation. But be careful: your personal Jew “Dr. Jeff” is certainly calling in to “expose” you!

Watch Video At: [https://youtu.be/4aM\\_8RoxcBA](https://youtu.be/4aM_8RoxcBA)

As someone so aptly said recently:

“Name the Jew or be labeled a Jew.”

Helga has very obstinate views: “In 1979, Zepp-LaRouche saw the USA and the Federal Republic under the influence of a ‘covertly operating Zionist lobby’ whose ‘hypocritical Holocaust hoax’ had to be used as an opportunity ‘to expose these foreign agents.’ In saying this, she did not mean to deny the Holocaust; rather, she had referred to the television series Holocaust – The Story of the Weiss Family, which was broadcast on German television in 1979.” [...] “She rejects Darwinism because it allegedly gave rise to National Socialism.” (German language

Bolshewikipedia)

[https://en.wikipedia.org/wiki/Schiller\\_Institute#Allegations\\_of\\_antisemitism](https://en.wikipedia.org/wiki/Schiller_Institute#Allegations_of_antisemitism)

Helga (just like her race defiling interviewer) is rock solidly convinced that if only the billions of dark skinned third worlders are given early enough “creativity and education” it will with mechanical certainty finally lead them to real freedom, progress and civilization.

Only one thing is certain: on average, they will all talk less BS than “Karen” FM. Gynocracy is our mis(s)fortune.

When Mr. Cole recommends Mr. Reitlinger's "Holocaust" book as the most important and readable book on the subject, he omits the small but not insignificant detail that Reitlinger was Jewish. <https://counter-currents.com/2023/02/an-interview-with-david-cole-part-1/>

However, the interested party only learns this (of all things) from the German Wikipedia article about his uncle.

[https://de.zxc.wiki/wiki/Friedrich Reitlinger](https://de.zxc.wiki/wiki/Friedrich_Reitlinger)

Reitlinger himself eagerly searched for Jewish identities where they were not even suspected.

Ahhh... somebody remembers NENA & “99 Luftballons”

Very popular in West Germany where I was stationed during mid-80’s...

In my worst nightmares I could not dream of Devils and Witches seizing Washington, DC 35 years later, waving their circumcised dicks & dry clits in my face on a daily basis, and me wishing Vlad the Impaler, Xi and Modi good luck.

I predict that Uncle Jerome Powell & Auntie Janet Yellen soon will sing very popular NENA’s song “RETTE MICH” (HELP ME):

Watch Video At: <https://youtu.be/2UfGLjin-98>

**WE REACHED THE DEBT CEILING !  
UST SALES HIT THE ROCK BOTTOM !!!  
HOW OUR DEBT IS GONNA BE FINANCED ???  
AMERICAN WAY OF LIFE IS NOT NEGOTIABLE !!!  
DOLLAR IS RESERVE CURRENCY !!!**

RETTE MICH !!!

OR WE GONNA BUILD THE COALITION AND START A WAR  
!!!

@anon

Don't believe Russia needs military aid except at the margin.

Russia needs the absolute economic support of China — which it has. Anyone who's studied the two major Marxist revolutions of the twentieth century understands that the relationship between Russia and China is not merely pragmatic but runs very deep on a principled foundation.

38. Zane says:

China cares nothing about Putin, Russia, or Ukraine. In fact China can only benefit from a weaker Russiya. China only cares about China. Not so inscrutable.
