Dva muži, kteří odposlouchávali majetek prezidenta Donalda J. Trumpa v Mar-a-Lago, byli v sobotu večer zadrženi operátory Delta Force, řekl zdroj z Mar-a-Lago Real Raw News.

Podle něj si Trumpova ochranka Delta všimla „podezřelé“ dodávky zaparkované na South Ocean Boulevard, která vede souběžně s klubem a je častou zastávkou pro Trumpovy příznivce a odpůrce – fanoušky a nenávistníky, kteří při křižování po plážové silnici vlají transparenty.

Neobvyklé však bylo, aby nákladní dodávka Ford E Transit bez poznávacích značek parkovala ve 22:30 poblíž prezidentova sídla, zvláště ta s parabolickým mikrofonem trčícím z otevřeného okna.

Delta Force, řekl náš zdroj, se přesunula na dodávku poté, co upozornila Trumpa na možné vniknutí. Obešli dodávku, trhnutím otevřeli její dveře a mrštili řidiče a spolujezdce na chodník.

Obyvatelé tvrdili, že jsou turisté z New Hampshire na výletě po Floridě, a řekli, že se zastavili v Mar-a-Lago, aby zjistili, zda je ve skutečnosti tak luxusní, jak se zdálo v televizi a na obrázcích. Delta však o jejich příběhu pochybovala z několika důvodů:

- Žádné poznávací značky
- Žádná identifikace
- Mikrofon s dlouhým dosahem
- Dva drony DJI Mavic 3 Thermal v autě

Podezřelí byli neozbrojení a ve vozidle nebyly nalezeny žádné zbraně.

"Zvláštní čas dne na prohlídku města," řekl údajně jeden z Dely podezřelým, přičemž oba byli muži, kteří vypadali na něco kolem 40 let.

Delta Force zatkla podezřelé pro „podezření ze špionáže“ a přivedla je do kanceláře JAG na jižní Floridě.

"Deep State obvykle není tak zřejmý, ale potřebujeme tyto lidi identifikovat, zjistit, kdo jsou a pro koho pracují," řekl náš zdroj.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Oh look! Bevis and Butthead go to Mar a Lago! Oh look! The Biden actor meets with the Zalinsky actor during a CGI drug deal! Oh look! There's a big balloon! Oh look! There is another one!

Uh oh! Don't look at the Ohio train chemical disaster! Uh oh! Don't look at at France's Foreign Legion plane getting shot down by GITMO! Uh oh! Don't look at massive arrests of deep state globalists! Uh oh! Don't look at tunnels, bases, bunkers and adrenochrome factories being blown up!

Folks, the deep state is LOOSING!

Their carefully built and laboriously constructed dirty world is being destroyed and is collapsing before their eyes.

We the People will have God's will be done and God's kingdom come on Earth as it is in heaven. We WILL WIN!

No plates,a dish? Why couldn't they have said they were from Maine? Our Governor is in his 40's. RINO about 5'7"initials CS?

WOW.....smoking gun here you come. AND down came Humpty Dumpty and all his men.....and could not put Humty Dumty back together again. They're going to have to add on to the gallo's

And if they're innocent it's ok to throw open doors and rustle people to ground? 10:30 isn't exactly late at night.

Maybe they really were Tourists.

I would have to say their story didn't seem very well planned out. It probable sounded funny in their head, and they thought they would just walk away since they where probable on public property.

People record everything these days with their cell phones and such. They had a very professional sound recording device, and evidently weren't trained on how to use it without drawing a ton of attention. Maybe they wanted to get captured so they can see what happens to people that get captured. They might have swallowed a tracking and listening device so other people can see where they are taken.

I would like to hear more about these Vaccine scientist.

It is the law in NH that all vehicles are registered, inspected and have valid license plate.

- **Brunson v. Adams** sought to remove Biden from the White House and reinstate Trump claiming lawmakers violated their oaths of office to support the Constitution by failing to investigate foreign intervention in the 2020 presidential race which rigged the election against Trump.
- **The case claims that defendants** Biden, Harris, Pence and members of Congress voted to certify the 2020 election after 154 members of Congress called to investigate.
- **If the Supreme Court Judges decided to pick up the case** and ruled in favor of the petition, it would dissolve the Biden Administration and all of Congress.
- **The petition** essentially said that the Biden Administration and Congress committed Treason by not investigating allegations of foreign intervention and Election Fraud in the 2020 Election.

- “**A rigged election** is equivalent to war since both put into power a victor,” argued the Plaintiff, “and therefore allegations of a rigged election must be investigated.”
- **The petition asserted that if the Supreme Court Judges** had been alerted to Acts of Treason (as they were by the filing of this Brunson Petition), and if they didn’t do anything about it, then those Supreme Court members, too, could be considered part of that Treason and therefore would be subjected to the resultant penalty for Treason – Death by Hanging.

- **IF SCOTUS Rules to hear** the case it leads to military intervention and proves there was Foreign interference in the US elections and foreign occupation in the United States that has captured the government at the highest levels.
- **IF SCOTUS does not rule or take the case...** It still leads to military intervention and proves there was Foreign Interference in the US elections and Foreign Occupation in the US that has captured the government at the highest levels. Either way, it’s going Military.

I hope you’re right. I’ve thought for a long time that this lawsuit had merit, no matter what Tracy Beans says. Wonder why she’s so vocal about this suit being DOA & having NO Merit? Very interesting I’d say.

The Brunson bros expected the first verdict and told us it was usual and to hang in there. So it’ll be interesting to hear what happens next. And Tracy? She doesn’t have a law degree that I know of.

these demons are fighting against the American People:

These efforts are well-coordinated and well-funded, with the group 65 Project launching in March of 2022 ethics complaints against 10 lawyers who worked on election lawsuits following the 2020

presidential election

ma r k E LIE ASS is public enemy number one!!! weaponizing lawyers against Americans and Honest elections..

‘President ‘Biden’ makes unannounced visit to Zelensky’s Ukraine’.

Yeah, so he can bring back a-chrome on AF-1!

SloeJoe is going to throw down ANOTHER half a billion of our US Taxpayer dollars (only worth about 125 million or so in 1980 dollars, because of inflation, both pre and during Biden) mostly in weapons, most likely to attempt to cajole Zelensky into strengthening the supply chain.

What a jackwagon.

Keep hittin’ ‘em White Hats!

Take them out Mr Putin if you can find them. Constitutional military law, the UCMG, rules of warfare, the Genocide Code, proven enemy combatants, have already proven them guilty remotely, just awaiting arrest, conviction, execution. Both ‘Biden’ and Zelensky have unlawfully waged war against Russian citizens since 2014, under the orders of executed war criminal Hussein Obama. Putin has every right to take them out. But CGI Biden is in his basement, not over in the warzone Ukraine, nor is Zelensky in Ukraine. Might be unwise to hit Delaware with cruise missiles.

Heard the Resident’s rent-a-wreck Air Force One might break down, and the Resident VP’s rent-a-wreck already broke down.

Well, brain-dead Biden thinks giving USA tax payers monies for AD labs in Ukraine rather than rescue all the towns hit with explosions, and deep state earthquakes, and attacks on sub-stations.

Take them to GITMO, put them each in a cell, identify them, interrogate them and if they are Deep State give them life at GITMO and no mercy.

The deep state operatives are not known for their IQ levels, because of rampant inbreeding and other low intelligence challenged problems. Looks like these two fellers might have been card carrying members to “The Dumb Fukkers Club” of New Hampshire, or some other deep state shithole....

If no one claims these drones , I hope they can be tagged & we find out who employs them. If no progress quickly then I think they need swimming lessons. **Piranhas need company while swimming** Nick , NavyBlueSmoke , LST-1195

Dr Deborah Birx AKA The Scarf Lady was shot after being found guilty of treason, crimes against humanity & other things as well. She was executed at GUAM a while ago.

she works at the bush center... mike wishes he could find any bush that would let him in

Executed in 2018 during the Trump administration b military tribunal (cover story: brain cancer), for treason and other crimes against the United States of America despite being a military officer and a senator a d two-time presidential candidate who betrayed his country multiple times by godfathering Al Nusra and al-Qaeda and ISIS.

We live in Ohio. It would be great if you could give us some insight into what the heck is going on with this TRAIN DERAILMENT that would be wonderful! I remember you saying you haven't had any good intel yet or something similar. Still nothing? From what I've been hearing it has something to do with Nickel oxide and the NEW light rail smart system train the new world order wants installed. I heard they were trying to get everyone to get the new MY ID, which is a wearable fob 2 weeks prior to this disaster! Any response would be greatly appreciated!

Thank you Michael for all your hard work!

Hello, I don't have anything substantive to give. There other other alternative sites covering it depth. If I learn something beyond what's been shared, I will.

Doctor Lee Merritt of Iowa, "The Medical Rebel," has done a recent deep dive on this. The precis is that there's not much to worry about. She breaks it all down chemically. By the way, I'm on her CL 02 regimen now for 4 weeks and all is well. Her site is dr lee merritt dot com and she is also on rum ble. Mr. Baxter will not allow the actual link. Check it out, highly recommend.

Aware of that Dr. and think he's done some good. If it's the same doc I'm thinking of, big medicine attacked him heavily over his anti-vaccine stance.

She, Andreas Kalcker, and Jim Humble each make convincing cases for a new way of thinking about disease, particularly cancer. I am tolerating Chlorine Dioxide (the one our hero President was ridiculed over through an intentional twisting of the CL component) and have had the predictable positive reactions. In my case, prophylaxis only, thank God. Interesting that the Cabal pushed anti-oxidants so hard when it turns out that oxidation with a low voltage (0.74V is nice to normal cells but mean on cancer) will put Bio-pharmas back into 10-digit revenue companies. I'd give you the link but your software would put the message into moderation. I'd like to see a Q & A on here between you and Kerry Cassidy. You might be poised to do great things. We are very restless. wwg1wga

Boil and filter your water whenever possible. at the very least boil it and let it cool prior to drinkng.

Throw some basil leave or lettuce leaves into the water to purify it. If you can find charcoal tablets to filter your water, do it.

I hear that its, worse than they are telling you, www dot youtube dot com/@ThePatriotNurse... its killing animals and very deadly...that people should not stay close to where this happened and don't drink

the water, it will NEVER be the same. Even 10 miles away people are starting to feel sick and that this will be the worst in history to have happened in the US. [www dot youtube dot com/watch?v=oV3KoJOJowE](http://www.youtube.com/watch?v=oV3KoJOJowE)

real peace comes from a path of RIGHTIOUS unity that has been sown in HOLY righteousness and cleared by blood sweat and tears, lives of honorable men and women built by honorable people our nations foundation has been and is built on lies. but truth honor and holy righteousness are its future the only path to true freedom is enlightenment to the truth and a righteous path AND A NATION WILLING to walk it. IT'S TIME WE start a new foundation. Built upon Jesus Christ THE BEST FOUNDATION A NATION CAN HAVE. for a nation to stand strong it needs JESUS CHRIST AT IT'S CORE AT IT ROOTS AND real intelligent RIGHTIOUS education, and a free nationally open market unrestricted and unbiased to be self-sufficient if our nation does not come out of this completely self-sufficient not just nationally but individually then we will be no different than WE ARE now, a nation of dependents looking for handouts just to have our necessities we were a nation of self-sufficient people warriors frontiersmen adventurers, inventors explorers. but now we are a nation that has been held back forced down choked out, wall upon wall has been built to block slow down and stop us from prospering everything you can imagine has been done to us to dumb us down miss direct us and stop us from prospering and being holy. they have been blinding us numbing us making us evil and cold hearted dark stony hearted divided. sometimes the poisonous trees and tares have to be cut down and plucked up dug up and burned to save all that is good. sometimes in a nation's history the righteous have to rise up against the evil who have become so greatly evil that all that is good is and will be completely destroyed. THE STRONG STAND FOR THE INNOCENT THE WEAK, TO HAVE A TRULY RIGHTIOUS NATION THE EVIL MUST BE REMOVED STOMPED OUT PLUCKED UP AND REMOVED SO THE INNOCENT CAN LIVE FREE IN SAFTY. I FOR

ONE AM TIRED OF LIVING IN A NATION TO WERE Its PEOPLE ARE LIVING UNDER THE ILLUSION OF FREEDOM AND SAFTY BUT TRULY ARE LIVING CONTINUALLY IN DANGER AT ALL TIMES, I LONG FOR THE TIMES WHEN PARENTS COULD LET THERE KIDS PLAY IN THE YARD AND AMERICANS COULD LEAVE THERE HOMES DOOR AND WINDOWS OPEN AND UNLOCKED AND KNOW THAT NO ONE WILL TOUCH ANYTHING INFAC T THE NABOURS WOULD LOOK OUT FOR EACH OTHER CARE FOR EACH OTHER LOVE EACH OTHER HELP EACH OTHER . WE WALKED AND LIVED IN UNITY PEACE AND FREEDOM AND LOVE .

Did you hear about the man in Russia who murdered a pedophile who assaulted his daughter? The autopsy said he had 38 stab wounds and they listed the cause of death as “suicide”. THAT’S Putin’s Russia. 🙌🤔

I can’t help but wonder if this was a diversion for something we are not aware of yet. No one can be that stupid and still walk the streets in the US and be alive. This sounds like the Keystone Kops. These imbeciles were begging to be caught. This is beyond being amateurish. The FBI would cover their tracks. Being caught was their objective to distract us from some other event.

I don’t know, but Deep State has lost access to some things they had before—access to satellites, for instance. Also, we don’t know whether there may be personnel changes at the agency where they don’t have people willing to take certain risks anymore. Don’t give too much credit for intelligence when you have to be very foolish to join the deep state.

Watch ’em use the “we were just following orders” excuse when it’s revealed that they were working to undermine Trump and the Patriotic Americans.

The Nazis used the same excuses at Nuremberg.

Adolf Eichmann said the same thing at his trial in Jerusalem.

Gestapo officer Eric Priebke said the same thing 50 years after WW2 when he was interviewed by Sam Donaldson of ABC News.

The SAS officer who created the plan to assassinate Princess Diana, who was pregnant with Dodi-al-Fayed's child and Mohammed al-Fayed's grandchild, said the same thing on his deathbed when he confessed to the entire affair.

The doctors and nurses force-jabbing everybody with the mRNA shots are saying the same thing now.

Hitler was guilty as hell, but his underlings following his orders were guilty as well.

The CIA/FBI/Mafia/Cubans/LBJ/secret societies were guilty as hell in the assassination of President Kennedy, but the shooters (White, Wallace, Ferrie, etc) were guilty as well.

Prince Philip and Prince Charles were guilty as hell when they issued to the order to the SAS officer to have Princess Diana killed in Paris and their Illuminati friend Edmond de Rothschild entered the stopped ambulance in the tunnel to remove her unborn baby from her body, but the operators manipulating the hacked crashed vehicle and the medics driving the dead princess to the hospital at a snails pace were guilty as well.

How has that changed today?

The doctors and nurses force-jabbing everybody with the mRNA shots are taking orders from Big Pharma/Rothschilds/deep state/Illuminati/secret societies to depopulate the planet, and they are guilty as hell, and they saying the same thing now — but they are not guilty as well?

How does following orders make the underlings less guilty than the top dogs issuing the orders? Please, somebody explain that to me.

New Hampshire 🤔 wow what's the chances ... just learning about how big DS corruptions .. New Hampshire is big central point of nefarious k-mafia crimes/control – Most are owned by DS even many locals, \$\$\$ pit/laundering, drugs, weapons, human trafficking, alien/hit men border crossings, etc... sure sounds like more to this¹ – could be really big – just saying !!!

🤔 Where did they fine (after year) Ms G.Maxwell (house bought/hiding/captured) comfortably, when arrested – New Hampshire 🤔

I wonder if the sudden and regular appearance in the skies of circling tankers and military helicopters over central NH has a significance. We have rarely seen them before.

“But that story I’m not buying cause it’s all over but the crying
It’s all over but the crying I never would have thought you were lying”

What happened to Hank Williams JR?

Motivated by commentators and for the record, I’ll restate an axiom that I had stitched together during the first of the squabbles about RRN during the Autumn of 2021: Real Raw News is true or is as true as Q allows it to be. A world in which Real Raw News is fiction would be too bitter to contemplate.

Best comment..., you put into words what I haven’t been able to, “As true as Q allows it”..

Q? Lmao.

Yeah that’s what we need an AI program speaking riddles and codes to 1 percent of the population.

That’s really gonna wake the masses up

Q tards are absolutely worthless.

Thanks for this Michael Baxter. I appreciate all your reports. So, on this one I found it odd that the “spies” were so blatant about it. Well now we will find out soon enough why that is.

I can't wait to hear who these wannabe spies are!! It sounds like they were obvious in their amateurish attempt!! They may never see “New Hampshire” again!! They have vanished. Not having license plates is a big red flag. Messing with our President is not allowed idiots!! Go spy on the fake Biden. Prayers for the continued protection of DJT and the White Hats!!

They could be testing alertness and response of Mar-A-Lago security. Probing, or distracting. No license plates is amateurish.

Listen and be shocked out of your shoes. No, it's not William Cooper Behold a Pale Horse. It is “Silent Weapons for Quiet Wars” and it is the original program for the 1954 initial Bilderberg Group meeting: [Behold a Pale Horse by Milton William Cooper – Audio book \(bitchute.com\)](#)

Last edited 2 days ago by james

Behold a Pale Horse can never be read too many times. It is my prayerbook. This audio jumps over Cooper's “foreward” and that is a shame as it is quite charming. Cooper was a very decent man and Mr. Kennedy, Jr. is very lucky to have known him. Good work, James. Delenda Est Coniurati. wwg1wga

Didn't Cato oppose Hellenization? That's what the Greeks did to dominate Israel, but Israel got dominated by the Romans, anyway.

Someone else made the same comment. Maybe they ditched it along the way, or near Mar-a-Lago.
