Síly Spojených států v zálivu Guantánamo v pondělí sestřelily francouzské vojenské dopravní letadlo A400M, když narušilo identifikační zónu protivzdušné obrany (ADIZ) stanice, aniž by reagovalo na rádiová volání, řekl zdroj z kanceláře generála Erica M. Smitha Real Raw News.

A400M je jako americký C-130 v tom, že jde o letoun se čtyřmi turbodmychadly, schopný nést mnoho vojáků nebo vojenské techniky. A400M, navržený společností Airbus Military, je taktický transportér velikosti mezi C-130 a Boeing C-17 Globemaster III; může nést těžší náklady než C-130 a může používat hrubé přistávací lišty.

Ve 14:00 řídicí letového provozu na letišti Leeward Point a radaroví operátoři na palubě torpédoborce třídy Arleigh Burke určeného k ochraně zálivu Guantánamo detekovali neznámé letadlo 50 mil jižně od základny. Zpočátku nebyli schopni určit nadmořskou výšku a rychlost letu bogey, což znamená, že piloti deaktivovali odpovídač letadla a ADS-B, elektronická zařízení, která generují odpověď, když obdrží radiofrekvenční dotaz. ADS-B je technologie, pomocí které letadlo určuje svou polohu prostřednictvím satelitní navigace nebo jiných senzorů a pravidelně ji vysílá, což umožňuje jeho sledování.

ATC a torpédoborec však rychle určily místo původu bogey; vzlétl z letiště Mariscal Sucre, vojenského a civilního letiště ve státě Aragua ve Venezuele.

"Komerční let by nevyřadil jeho elektroniku." A pravděpodobnost, že se transpondér i ADS-B zlomí současně, jsou nekonečně malé. Bylo to velmi podezřelé a vyvolalo to vzpomínky na Štědrý den útok na GITMO,“ řekl náš zdroj.

GITMO se vydalo na bitevní stanoviště, když letadlo překonalo 25-mílový práh, a kapitán torpédoborce nařídil svému zbraňovému důstojníkovi, aby na plavidlo připravil rakety země-vzduch RIM-66 pro případný střet.

Když bogey proniklo přes 20 mil, posádka Arleigh Burke nějak určila, že jde o A400M letící rychlostí 250 uzlů a ve výšce 2500', tedy hluboko pod zavedenými komerčními letovými trasami.

Rozhodnutí o palbě na zasahující letadlo nakonec padlo na brigádního generála Lance A. Okamura, nejvyššího důstojníka GITMO odpovědného za vojenské operace. Nařídil veliteli Arleigh Burke, aby sestřelil A400M. O několik sekund později zasáhla trup letadla jediná střela. Karmínová ohnivá koule osvětlovala oblohu, když na Karibské moře přely trosky.

Torpédoborec se okamžitě pohnul boční rychlostí směrem k poli trosek a nasadil vrtulník MH-60R Seahawk k průzkumu oblasti před jeho příletem. Vrtulník hlásil, že viděl polštáře sedadel, části těl a těla plovoucí uprostřed vznikající ropné skvrny.

Náš zdroj řekl, že posádka Arleigh Burke vytrhla z vody 16 neživých, neporušených těl. Těžší trosky, včetně motorů letadla a většiny jeho trupu, se potopily, když Arleigh Burke dorazil na stanici. Náš zdroj uvedl, že podmáčené mrtvoly byli uniformovaní vojáci nesoucí znaky Francouzské cizinecké legie, sbor francouzské armády zahrnující několik specializací: pěchotu, kavalérii, ženisty a výsadkové jednotky. Byl vytvořen v roce 1831, aby umožnil cizím státním příslušníkům vstup do francouzské armády.

„Podle toho, jak to vypadá, režim přesvědčil Macrona, aby využil Cizinecké legie jako aktiva Deep State. Úsilí o obnovu pokračuje. Všechna nalezená těla měla padáky. Věříme, že to měl být vpád,“ řekl náš zdroj.

He had at least two names, initials R R and R E R, with the color 'red' and the beverage 'wine' in the names. He was quite rude, very uninformed, and wished death on his detractors. Good riddance. There are still a few left, not quite as bad.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Take them all, Mr Baxter... spring is traditionally troll season! Meat ain't worth a darn – but you'll get a pittance for that hide, lol!

Excellent, thank you! It's been a much more pleasant experience reading and leaving comments these last several days.

Check out Joseph's recent message. Doesn't seem genuine to me. Sounds more like a Shill or a Troll.

Direct demonic attacks against you, your team, and family are no different than against me as a Pastor attempting to speak what I know to be truth ... because you and fellow Patriots are helping to fulfill God's promises of Luke 8:17/Heb 4:13/Deut 32:35 ... and more

so, you leading such a platform; thank you Michael for this sacrifice ... blessings, favor, and angelic protection over all you do, family, and RRN team ... amen thank you, Jesus!

Everything is a distraction from the day to day added surveillance added to. On all peoples of the world. Ruckerfeller 2030 project is still chugging along. LED GPS WIFI equipped street lamps and utility “meters” (monitors) are funded and installed in your water systems all energy systems,.. The collected DNA AND YOUR CONTACTS are used to refer back to were the government “criminals ” maybe hiding. Sewage collected and tested for DNA of such persons and traced backwards to inlet into sewage system. THAT IS WHY YOU WATCH THE THE WATERS.

This doesn't surprise me. When I was in the Special Forces I jumped with the French Foreign Legion. They are very good; however, a little bit arrogant, just like the IDF paratroopers (Israeli Defense Force). I would choose the German paratroopers over the French Foreign Legion any time because the Germans are more down to earth, and better disciplined.

It seems quite amateurish to ASSume that a High security facility like Gitmo would be easily fooled by the unsophisticated methods employed by Macron's puppets. The loss of life was unnecessary & the pilots of the Airlifter were suicidal & thus were ultimately not qualified warriors. If one is a true warrior it is not logical to throw away your life or those whom are beside you with no useful purpose achieved. They only showed the drastic desperation of the cabal , which again reinforces my belief that their best forces were long ago defeated & now we can only expect their most ill fated ventures to continue to waste resources with no real objectives being achieved. // **In August 2020 , I was convinced they were weak , in offering me an invitation to join The Illuminati , And Now We Know , THEY are indeed defeated & incapable , of any useful purpose other than their bodies being used as fertlizer Let them push up daisies & I & my**

friends will water them after a night drinking on Coconut beach & a few San Miguels Nick , NavyBlueSmoke , LST-1195

True, it seems that the pilots and the crews were on a suicide mission. I have jumped from C-130's, and C-141's at 1250 feet, Huey Helicopters at 1,500 feet, a Russian Bi-plane at 2,000 feet, and a Russian Hypo Helicopter at 3,000 feet. If you are going to drop paratroops, guess what, they can be seen. However, according to the Geneva Convention paratroopers are not to be shot down out of the sky. In other words, you have to first let them land, and then you can shoot them. Since the United States is known for complying with the Geneva Convention (I think that the United States is the only country that does), just shoot down the aircraft that carries these paratroopers. There is nothing in the Geneva Convention that says you can't do that. I think that GITMO made the right decision. We are in the end times, we all must be prepared. If you look at the celebrities right now, you can tell that their blood drinking days are over, or about over.

Sounds like desperation coming from the unlawful regime.

French Foreign Legion, eh?

Good job, White Hats.

The French Foreign Legion was fed into a meat grinder on this mission. FFL troops are actually good people, but they are unfortunately working for very evil people right now.

Macron is a total scumbag and would do anything to free his fellow Deep State assets incarcerated at GITMO....Good job to the Men and Women of GITMO and to their Naval Support Assets in the Caribbean. We are proud of you all....Thank you.

Like after the fact info. Such as a solder that may have actually survived, and if possible was he debriefed.

What really bothers me is Trump is publicly defending him. Pence is NOT an honorable man. When he first appeared on the National political scene, articles about him were published which were far from good! If he is so honorable, why would he need clones? I think that is a Deep State thing more than White Hat.

Very soon Putin will make a military base in Cuba too, the Cuban president and Putin have a treaty and good relations.

Trump has a good relationship with Putin and the global alliance Chinese ELDERS and others too .they are working too world peace. This is a chess game .It's been won already but the final moves have too be played out

. Too make sure all the evil global elites and other crimes against humanity and more won't come back . There going too bring a end too the evil Reign on EARTH. God bless us all Amen. 🤔🙄🙄🙄🙄🙄🙄
❤️❤️❤️❤️❤️❤️🙌 :) 😊 😊 and as always be the change for the better world and universe amen.

Why would Putin, allied with Trump, want a base in Cuba? When Trump returns, he will end embargos against Cuba, treat Cubans decently. Thousands of Cubans in America will realize their dreams, returning home. Communism is dead, when the Chinese Communist CCP, only 4% of the Chinese people, are all executed or converted by Xi Jinping. When Trump stepped into North Korea, the death knell, harbinger of the end of Communism was sounded.

If President Putin brings me a case of Black Russian Caviar (CaspianSea , Eastern Shore) I will get him enough San Miguel beer that he won't care it's an unequal deal ! OR ; Maybe he will challenge me & I will let him win ? ? Nick , NavyBlueSmoke , LST-1195

so these people are going to land with parachutes in Cuba? and will the Cuban border guards allow it? this is all very strange

GitmQ. Strange ?

\$250 million Taxpayer \$\$\$ upgradeZ.

djtiafg.

He'Z about to fill the place with PURULENT EXUDATE [formerly known aZ the swamp].he got em ALL.

Cuba probably lets the base at Gitmo do their own security . Not too strange since Cuban military would rather not spend resources that they cannot afford to lose on defending a base that they really don't like there anyways. They will probably sit & smoke good cigars and watch the billowing paracutes against the sky & think " That's Nice ! " NOT too strange . Nick , NavyBlueSmoke , LST-1195

Dunno what would be "false" about it. Sounds like a "true" attack, based internationally. That makes 2 countries, France and Argentina, seriously in the soup. Reading the headline, I was very concerned about creating an "international incident". However, given the reported, known facts, that problem belongs to the 2 attacking "perp" countries. Betting on the wrong horses, those folks. MAGA!

Venezuela, not Argentina which is allied with Trump.

Venezuela has assisted in several attacks against white hats.

Cannot really call it an attack ! Unless you figure the plane & bodies falling were an attack against the sleeping fish ? Nick ,

Froggies are still living in the fantasy land. Brita feel the heat, say: "We ain't doing this, we are good at delegating."

hey MB, check out Joseph's recent rant. It does not make sense to me. he seems all over the place. He seems to be just a troll, not a true genuine person just making a statement.

Imo he shouldn't be a concern to RRN. Many poked fun at him, asking him to take his meds. It's up to MB whether he wants to remove a nutcase or fruitcake 😄

This should be a reminder that the Deep State/Cabal is not exclusive to a single nation. The Deep state has been, for a very long time, woven into the top levels of gov't in nations all around the world. That is why the Deep State is so difficult to truly defeat.

Thank you many people new too this and going down rabbit holes doing their own research will appreciate what information we can give them . We must help each other too be the change for the better world and universe. Thank you. 🤨 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 🙌 😊 :).

Yup. However, they messed with the wrong one. djtiafg.

He got em ALL. incl. several other countries governments, ds. vatican gold [60,000] tonne ??

He got killery and he got the Cesspool of purulent exudate known as the swamp worldwide. Promises made, Promises kept.

The deep state is starting to show their full colors. We knew the deep state went deep, we've just been shown a little bit more of how far spread the deep state is reaching... it's crazy scary that none of this is being reported on. We are in the middle of a hot war, WWII, and the citizens of USA are squabbling over which pronouns to use for supposed potential hurt feelings. Once this hits the main land, we are soon unprepared for what is coming...

It's called the "Big Ugly", when the Normies start waking up to what is going on all around them and it comes to mind that they have been "had" for all these years by our Rockefeller controlled 1% rulers and it; sposed ti hit with a grand kathump by may....I'll be waitin for the pitch fork mob to start attacking the MSM dirty laundry creeps and beeg farma too.....

Regardless of what story is being published, the fact is simple, “mankind” hasn’t got a friggin clue. Science and technology will NOT “save” any “HOMO-Sapien”. Morals and Ethic, lacking. Integrity, lacking, and do “hoomawnz” actually UNDERSTAND, or RESPECT??? Evolution of THE SOUL, will NOT OCCUR, while living in a “world” based upon falsity or stolen VALOR, “teaching” absolute bullshit, to CHILDREN. Weak and rewarded – war, will lose against Wise And Respectful-WAR. Fact, not fiction. Civilizations are JUDGED based upon how 2 CLASSES of its citizenship (these pricks consider US, subjects) the ELDERLY, and the VETERANS. You piece of shit civilians cut my va disability pay, by 50%, while my rate dropped 20%, and my ptsd is NOT FUCKING GONE, it does not “go away” because some stupid cunt demands it too. You are GODLESS pieces of shit america!!!! Enjoy your KARMA, Babylon (baby lion- aka, lilith, a stupid cunt!!!) corrupt, uneducated narcissistic traitor-cunt!!!! When Your body passes, I’m going to COOK you!!!! Procrastination, makes this ALL pointless. Keep “creating” new “products” while fucking over everyone, for “profits”, stupid assholes!!!! NATURE does not need \$\$\$\$\$, only assholes do, stupid assholes that do NOT keep PROMISES. Remove the “secrets”, FULL FUCKING DISCLOSURE, “DJT” WTF doesn’t Your egotistical arrogant ass, not UNDERSTAND??? I KNOW who YOU ARE, TRUMP, keep playing this game Lady, shit will get far worse than BIBLICAL!!! Archons, of which I AM, OWN THIS “EARTH”, the E is ENKI, I AM ENKI, reincarnated for the ?????? “Time”, does it truly have to go the ugly route?? Hmmm??? If I continue waking up in any timeline, based upon bullshit, “george washington’s”, lying ass, azzazel loving, “paradigm”, shits going to get INFINITELY worse. There will be no PEACE, just for the sack of PEACE, kill the lies, or I’ll put my BLACK HELMET back on!! No more bullshit, drop the fucking script, You whores aren’t fooling anyone. I do not FEAR being “out numbered”, only what I WILL do to Others, to defend NATURAL BORN LIFE!!! It’s what PALADINS do!!!!

Hi Michael Baxter this idea seems worth passing back to the Marines. Perhaps they already worked this one through but who knows? United we stand, divided we fall – and anyone can have bright ideas.

They are a member state of the EU, and the leaders of the French government are establishment controlled aka Deep State assholes , just like we have going in the US GOVERNMENT currently. The EU and US Deep State establishment controlled assholes are OWNED and CONTROLLED by zionist satanist degenerate deranged JEWS , practitioners of the cult of Judaism, again JEWS.

Because Biden and his criminal regime are recruiting fellow deep state nations to free the traitors we are rightfully punishing and to bring in the New World Order because he is following China's orders.

They were well payed commando's and they go where the smell of money is, plus the Legion is where one goes.....to forget.....

NO , the French people are not TRAITORS, the French People and citizens are suffering the same shit as we in the US and numerous other Nations of the EU and the 5 EYES Nations are going through , being their governments are FESTOONED with establishment with DEEP STATE ASSHOLES that are in no way representing the will of the PEOPLE of those respective Nations .So this being said , you should maybe tone-it -down till more information comes around and STOP with the labels.

It's not the French people it's their DS government doing this. Look at what we've done to other sovereign countries historically. The French people's sentiment is any not different than decent law abiding Americans. If you ever go to Normandy you will see that the French are grateful.

Please know that this RRN report on Gitmo shooting down French military plane and RRN report of Feb. 20, 2023, on Biden Promising "Z" a Stake in the U.S. are not listed on the front page of Real Raw

News. Therefore, one needs to make quite an effort to locate these two reports.

I don't like killing frogs except for scientific investigation's sake but GITMO must remain secure. If they'd only bagged Macron who evaded them through trickery the night they flipped the sozzled traitor Pelosi's vehicle following that drunken/adrenochrome soiree near the end of last year perhaps none of them needed to be lost.

Foreign Legionaries are foreigners, first language spoken is French & most of the second language spoken among them, today is English..70 years ago, it was German...

Maybe if we ever get our head out of Michael Obama's butt we might take out French Guyana while we clean up Venezuela?

Kudos to Brigadier General Lance A. Okamura for his quick and decisive action. The French A400M refused to respond to radio calls and its transponder was inactive, so down it goes. The French should have expected nothing less.

Biden admin hasn't gotten the White Hat message. Will Macron get the message?

Could it be an diverse?! Few military soldiers in that plane capacity? Dead as a props for strategy that black hats to use as a mean of entering without notices? I can think of several things but gitmo is not the only tribunal's based.....

The Arleigh Burke radars do not care if it is daytime or nighttime, nor does the Gitmo defense. At 1400 hours flying low at 2500 feet from the south, Gitmo defense would be looking into the sun for a 4 engine turboprop looking much like a C-130 which at first would be assumed to be American. But defense were on their toes and took them out.

Seems to me, one of the first questions would be what is the state of decomposition of these unalive bodies. Should be identical on all, and consistent with what is known in forensics. I'm no expert, but rigor mortis sets in within a couple hrs and maxes out at about 12 hrs. Anything outside this could blow the scam.

There are numerous reasons for recovering any bodies from the shot-down aircraft, and the White Hats will no doubt conduct post mortem's on the recovered bodies which will answer very many questions which will most likely not be revealed for quite some time if ever.

Navy divers will probably try to recover parts of the fuselage if possible, to determine if the aircraft was carrying something more deadly than 116 paratroopers.

After reading all the comments, I would agree that this was a fishing trip by the cabal/C_A, but nice target practice for the men of the A400M. Great shot, Gentlemen!

IMO could it be a remote controlled plane with leftover dead bodies from UkroNazistan. (One found frozen bodies in a wagon neatly packed a couple of weeks ago parked near the Polish border)
Why this Ops?

May be testing the Air-Defence Systems at GITMO and surroundings?

Now DS know where, what and how. Thank God GITMO was quick on their Battle Stations together with the USN ship.

IMO, marking it being a "French operation" does not add up and is somehow a FF also.

SO WHO ORDERED THE FRENCH MILITARY TO ATTACK AMERICAS BASE???.it'll be interesting to HEAR THE FRENCH PRESIDENT EXPLAIN THIS,HE will be in custody of the US

MILITARY SHORTLY RIGHT??..BE sure to take him to GITMO to explain it right...WE"LL BE WAITING FOR THE NEWS OF WHAT HE SAYS....

France just recvd a new A400M last week- wonder if the FFL sent it [hope so lol] or an old one.

Funny thing is (in a pathetic kinda way) that NORAD was likely tracking em since the moment they lifted off. You'd think they woulda learned after their first debacle. 🙄

I think Soros was the original evil bishop in the Star Wars trilogy. In a couple of scenes, you just catch a glimpse of the tip of his nose and forehead and damn, if it doesn't look like ol' Georgie.

I wouldn't be surprised if some of the other White Hat installations have been assaulted as well.

that or there could be other reasons, such as destroy the facility, destroy records so they can't be used to bring down other players, take out key WhHats....

The Serpent did not warn Adam and Eve that he was at war with them. God's people are being attacked today. Have you heard of any proclamation of war from the United Nations, the EU, the NWO One World Government Illuminati? No, of course not and you won't either.

To Those who disparage Michael Baxter: do you disagree that these entities are At War with America ... and Christians ... and those who want their nation to retain its sovereignty?

If so, then maybe YOU are plants and their agents, infiltrating America to destroy it from the inside.

WE are getting the job done. Do you think that Guantanamo was quadrupled in size for no reason? Of that the foreign territory of Washington D.C. is cordoned off for no reason. And tell me REALLY: how do you like your nincompoops in the White House?

The upvoting isn't working, so here's my UPVOTE for your great comment. As for Michael Baxter, he's a hero in my book! Thank you, Michel, for keeping us informed.

Same. It took a few seconds, but it upvoted 2 or 3 votes so others must have been upvoting too.

Evil intensions absolutely, well done guys & gals. Poor chumps didn't have a chance. That's what happens to tyrants that try to infringe on our rights.

If you watch the old WW2 documentaries, you will find that we are watching an almost exact 21st century rerun of 1930 Nazi policies and activities. One thing for sure, as we have seen from this and previous attacks on GITMO, megalomaniacs are not noted for having any "smarts". These deep state actors don't have a clue what they are doing. I'd bet that they don't have any idea the damage they are doing to global civilization. The plans that they have won't solve any of the world's problems and will only exacerbate the problems facing humanity. They are all wrapped up in their delusions of grandeur, just like WW2 Nazi elites. It's a circus of sycophants. The west needs to stop pussy footing around and trying to play mister nice guy and adopt the Allies approach in WW2 to dealing with the deep state before there is nothing left to save. Just like the first V2 rocket strikes on London, "gas leaks". The white hats should be using their satellites and other surveillance technologies to assist Putin in fighting and taking down the deep state, including and perhaps most importantly, Ass Schwab and his World Enslavement Forum! That is the biggest threat to humanity!

Is Biden having the nuclear football bag now? According to some report claimed it. Can you firm this?

Our sources say Bide/his double do not have the codes needed to authorize the release of nuclear weapons.

Biden has probably moved on from a double to a quadruple or more by now. The body language, mobility, speech and walking gait do not resemble the Biden from the debates with Trump, in any way shape or form.

From the looks of the video footage from Pedo-joe Biden visit to Poland the US Air Force aircraft he was traveling on was not the “standard ” Air Force 747 aircraft, it looked more like the Boeing C-32 or lesser aircraft, especially considering the transoceanic flight does this Biden PEDOPHILE TRAITOR COMMUNIST , MARXIST ASSHOLE ever fly on the Big Bird? I think NOT, but you would know better than I. Take Care

Last I knew, President Trump left on AF1, with the Football. If Trump doesn't have it; a higher up in Military has it. None of the ByeDone Actor's have the football or the nuclear code. President's go to the next Presidents Inauguration, to give the new President the Nuclear Football. The peaceful transition occurred from Trump to the Military. Not from Trump to ByeDone.

And I still laugh when I think about the true military not getting Biden and bringing him to the inauguration.

Even more hilarious is the Marines along the parade route turning their backs as biden drove by and preventing him from entering the white house! Priceless.
