Speciální jednotky Spojených států tento víkend zadržely dva vysoce postavené členy stále funkční nadace Billa a Melindy Gatesových, generálního ředitele Marka Suzmana a finanční ředitelku Carolyn Ainslieovou na základě obvinění z držení dětské pornografie, ohrožování dětí a obchodování s dětmi, zdroje z kanceláře generála Erica M. Smithe. řekl Real Raw News.

Gatesova nadace utrpěla těžký úder v září 2021, když sbor generálního advokáta soudce amerického námořnictva oběsil eugenika a pedofila Billa Gatese při děsivé popravě. Rozdělení americké armády White Hat zabavilo značnou část Gatesova domácího majetku, včetně několika nemovitostí, a poté je zlikvidovalo k přerozdělení rodinám, jejichž životy Gates téměř zničil. Brzy poté armáda zatkla Gatesovu odcizenou bývalou manželku Melindu, ze které se vyklubal herec Kevin Kline v přetahování. Vyšetřovatelům řekl, že byl žhavým homosexuálem se změněným pohlavím a že Gates nařídil vraždu skutečné Melindy, protože byla „neustálou, nevrší“, která nedokázala uspokojit Billovy zvrácené touhy. Řekl také, že Bill najal několik dalších transvestitů, aby ztvárnili Melindu, ale nechal je také popravit, za to, že nenaplnuje jeho sexuálně deviantní potřeby. Kline byl nakonec obviněn jako spoluspiklenec, ale jeho vojenský soud byl neustále odkládán, protože pomáhal armádě identifikovat a odhalit zločince z Gatesovy nadace.

Výměnou za spolupráci prý žije v útulné buňce GITMO.

Náš zdroj řekl, že armáda po Billově popravě odložila záležitost s Gatesem, protože pronásledovala despoty v zločinném Bidenově režimu. V lednu, poté, co generál Smith převzal velení, vyšetřovatelé námořnictva znovu navštívili Klinea, který řekl, že jeho zatčení a Billova smrt nezabránilly nadaci vydělávat miliardy dolarů obchodováním s dětmi. Navzdory svému uvěznění měl Kline podivuhodné znalosti o současných proměnách moci v rámci Nadace a žádal vyšetřovatele, aby se důsledně podívali na Suzmana a Ainslie a uvedl jejich „pedofilní sklony“.

Kybernetické velení americké armády a kyberprostorové velení sil námořní pěchoty pronikly do jejich pracovních a domácích počítačů a našly nemyslitelné – obscénní obrázky dětí a reklamy napsané tak, aby je zastavovaly těm, kdo v zámoří nabízejí nejvyšší nabídky. Suzmanův domácí počítač měl 500 000 fotografií a videí předpubertálních dětí v kompromitujících pozicích a Ainslieho měl horší: graficky nejnevhodnější fotografie, jaké si lze představit, zobrazující mladé dívky „bavící“ starší muže.

Jeden analytik Cyber Command zvracel, když viděl konkrétní obrázek a požádal o dovolenou. Bylo na něm vidět mohutného maskovaného muže, který držel pistoli u spánku dívky, když prováděla orální sex. Další obrázky byly stejně znepokojivé a přiměly JAG, aby zapečetil důkazy, dokud se ohavné duo neodpoví vojenskému soudu.

V sobotu speciální jednotky zatkly Suzmana v jeho palácovém sídle v Redmondu ve Washingtonu, kde smilnil se dvěma nezletilými muži s vysokým obsahem ketaminu, disociativního anestetika používaného v lékařství k navození a udržování anestezie. Používá se také jako rekreační droga.

Suzman byl zjevně ukamenován na PCP a projevil nadlidskou sílu na praštěného 51letého chlapíka. Odhodil dva operátory speciálních sil stranou a upadl do bezvědomí až poté, co ho 15 taserových šipek zasáhlo do hrudi. Speciální jednotky našly na nočním stolku 25gramový sáček fenylcyklohexylpiperidinu neboli andělského prachu. Nezletilí chlapi, jak řekl náš zdroj, byli tak „rozmístění“, že si mysleli, že jejich osvoboditelé jsou náboráři americké armády, kteří je přišli odvést do boje proti Vladimíru Putinovi na Ukrajině. Suzman byl nasazen do pout a převezen do vojenského zpracovatelského střediska, zatímco děti byly umístěny do ochranné vazby, dokud se nenajdou jejich rodiče nebo zákonní zástupci.

V neděli speciální jednotky zajaly Ainslie v jejím domě v Seattlu. Podle našeho zdroje se chovala jako „Karen“ a kárala zatčení, protože nebyla přítomna žádná důstojnice, která by ji prohledala. Důstojník jí řekl, že nedodrhuje politickou korektnost, když našel pistoli ráže 32 zastrčenou v pouzdře na stehně pod jejími šaty. Když jí bylo řečeno, že bude poslána do GITMO, Ainslie vykřikla: "Ne, ne, tohle se nemá stát."

"Máme ještě dva, ale nestačí to." Hovoříme o morálně nejzkaženějších lidech na zemi a ti musí čelit spravedlnosti, skutečné spravedlnosti. Je neuvěřitelné, kolik satanských pedos je venku a operují pod širým nebem. Jsou žiravé. Mají zlo v očích. A nakonec je dostaneme všechny," řekl na závěr náš zdroj.

Jsem zmatený. Kdyby Kevin Kline jako Melinda Gates byl přiveden do GITMO, nevšiml by si někdo jiného instalatérství?

Zajímalo by mě, zda „podivné znalosti“ Billa Gatese mají co do činění s tajemným spojením Billa Clintona s ricinem (aka aktiva neutralizována), stejně jako mu „nezvyklé znalosti“ Olega Erovinčina přinesly odměnu, kterou neměl za nečistou hru.

What a bummer. My favorite movie was French Kiss with him and Meg Ryan. It freaks me out that so many good actors who make good movies are just such vile, evil, wicked creatures.

Kevin Kline a tranny Melinda Gates? You can't make this sh*t up. Surprised to hear she was executed. I saw her being interviewed (or was it Klein?) and she said his association with Epstein is one of the reasons she left him. So, I thought she had some virtue. Dumb me.

Melinda did leave Bill according to RRN when the Navy Seals raided Bill's Wyoming ranch:

“The U.S. military approved the raid after Gates' estranged wife, Melinda, contacted Donald J. Trump with news that Bill, whom she called a psychopathic, evil genius, had visited Epstein Island 24 times between 1997-2017 and, on Epstein's advice, had spent \$36,000,000 to excavate his own subterranean “child dungeon” beneath Irma Lake Lodge.

“A confidential source involved in Trump's Deep State War told Real Raw News that Gates' friendship with the convicted pedophile was the catalyst for Bill and Melinda's divorce. Melinda had long been aware of Bill's philandering with both adult and underage women, but had remained silent to protect her financial interests in the marriage. She reportedly told Trump that Bill and Epstein made frequent weekend getaways to Irma Lake Lodge. Although she admitted she had not personally seen the subterranean complex, she had paperwork and receipts proving its existence.

“He told me to pretend I was an underage frightened schoolgirl and to pretend he was a maniacal genius who liked to play with young girls,” Melinda said. “For him it was roleplay, but it really wasn't, because he is exactly what he pretended to be.”

Kline is alive today because he had no choice but to be Melinda AND SATISFY BILL'S SICK INCLINATIONS. Please remember Gates is a paedophile. Remember Gates threatened him with death, just like he threatened his kids with death after killing their mother, Melinda. He killed Melinda and the other doppelgangers because they either refused to, or they were unable to satisfy his deviant sexual appetites — Bill's military tribunal, Day 1:

“And you never thought to come forward with this information?”

Vice Adm. Hannink said.

“I lived a prosperous life, a life he threatened to take if I ever divulged his secret life. He said he'd have me killed,” Melinda said.

On the day the military arrested Bill Gates:

“An SD card recovered at the scene showed a young girl in pajamas handcuffed to a bed and crying out for her mother. Off camera, a maniacal Gates could be heard encouraging the child to dress in high heels and lingerie so she could better please her “new mommy and daddy.””

Bill’s father Bill Snr is a eugenicist on the board of planned parenthood and he lead little bill by example that it’s okay to commit mass genocide with the mRNA shots and get tracked by them so the deep state can control you and to satisfy Lucifer’s blood lust. It was never about Covid, ever.

Look at the 90-something year-old woman who suffered extreme organ MULTIPLE failure because Bill made her take the shots and sign agreements after taking the shots, and then intimidated and threatened her after she got gravely ill. This was on Bill’s military tribunal, Day 4:

“Look, I wasn’t young, but I wasn’t in poor health, and it’s a damn miracle I’m still alive today. And here’s the kicker—after my liver transplant, I got a phone call in the hospital, and the caller said he was Bill Gates, and he asked me how I was doing. I was so doped up on morphine I didn’t know what I was saying, but I said something like ‘Oh, hi, Bill, I’m glad you’re checking up on me.’ And he said to remember I signed agreements, agreements that had to be honored, and hung up,” Ms. Johnson told the tribunal.

THAT GATES IS AS EVIL AS HELL!

I wonder if “cushy” means they’re is a mattress and blanket?
This pedo stuff is horrific. And I hope that soon this evil will be wiped out.

Thanks military and those special Forces for the work you do.

As patriots, we handle this, even though it is not easy, so you would see why EBS has not been released. That would still be rough for us to handle, can you imagine the general public? They live in la la land, totally clueless. Much love to all of you, I find a lot of inspiration from your words also, that not everyone has gone mad. Of course there are the cranks and infiltrators, easy to spot them eh? Peace out, your humble narrator..

These pedos are in every town and in every occupation. Victims have confirmed this. How are there so many demonic people? The military is the only group that could take on the daunting task of eradicating these scumbags. We are winning.

Bravo, Dr. Baxter. With pen in hand I wrote People want to see the high profile targets go down when most of them have already been dealt with, my how the plot thickens, now we get to the nuts and bolts of it, the low profile, who do the work. Promised immunity from prosecution they carry on. They feel very safe. They are not, their charges serious enough to involve the UCMJ daddy-o. For a civilian, wow! You are in deep shit! No civil law shiester. attorney is going to save you. You sing or you swing. Don't think the other birds already locked up are not singing, they are. So you are not safe at all. They have your file and are going to track you down.

There are so many that this clean-up might take the rest of my life. That's fine with me. If I'm ever in a position to help, I WILL. I am so thankful for you White Hats, all of you. Thank you and God bless you all.

I seem to recall that it was the Gates Foundation, sometime last year, that threatened our Mr. Baxter with a big lawsuit unless he retracted, which, of course, he did not. Will you attend the executions, Mr. Baxter?

Lol, they're all full of hot air and I'm sure Michael is taking good care of himself. Maybe the military is too.

'When told she'd be sent to GITMO, Ainslie yelled, "No, no, this is not supposed to happen."

Ummm...let me guess here..."Obama told me I have prosecution immunity"; or "Wait til Obama hears about this!" Same ol' crap, different day.

After what you did, Karen, you deserve every punishment in existence and then some!! Those children will never forgive you, if they're still alive.

Those children are in the Highest Heaven being loved and appreciated. I know I've read it in scripture somewhere.

am i the only one who finds it strange that the two previous RRN stories specifically about melinda gates, first one about her arrest, and then a second about her trial/execution both FAILED to mention that it was in fact kevin kline in drag?

i mean it's more than a bit odd that this was not mentioned in those two feature stories, esp since the person, whomever it was, had been in gitmo for months. surely they HAD to know it wasn't the real melinda or even a biological woman, but for some reason failed to share that info with RRN.

will we ever learn why?

I heard that story too. I believe the GITMO version as Gates wouldn't let that happen to him in India but he couldn't hide as well as he thought he could from White Hats.

Gate's Death in India was reported by the Gates Foundation, they were killed by a an angry mob who's children had been paralyzed by vaccines produced and distributed by the Gates Foundation, Well over 400.000 child victims as was reported.

The only reason it was reported they both were killed in India was to get ahead of the narrative and fool those that didn't think the military would get them.

I've had my suspicions about RRN for a while now. Not accusing Mr. Baxter of lying but the stories often sound more like a thriller/action novel than journalism reporting. Also some of the stories involve people who are unknown or not noteworthy to be "in the news" relatively speaking.

Who knows how accurate the information is they're feeding him. Everything's a movie after all. Who says we're not being fed misinformation? The military has agendas too.

Sometimes Michael doesn't get all the information because it's kept secret for a military reason. He doesn't do it to deceive anyone.

It's possible the White hats did not want the bad guys to know they had Kevin Kline since he knows so much.

Most likely Bill and Melinda doubles were executed by angry villagers in India. The Gates knew how dangerous it was getting with thousands of paralyzed and dead Indian children at their wicked hands, so they swapped their unsuspecting doubles.

JAG seems confident they executed the real Gates on October 1, 2021, 4 days ahead of schedule.

"Rear Adm. Crandall asked whether Gates had any last words. "I'm innocent of all charges brought against me," Gates said. "Melinda is a liar. I am a good man. I am charitable, and I've always obeyed the law. Yes, I was arrested in 1975, and again in 1977, for driving without a license and speeding, but those don't deserve a death sentence—"

I asked if you had any last words. I didn't ask you to write a novel," Rear Adm. Crandall said.

He motioned to the soldier standing beside Gates. The soldier pulled a lever, and a trap door beneath Gates' feet swung open.

But something went wrong. His neck did not immediately snap; rather, he dangled in the air, his legs flailing wildly and his eyes bulging from their sockets as if to burst. A guttural, gurgling sound escaped his lips as his handcuffed arms tried in vain to grab the rope from which he was hanging.

“Rear Adm. Crandall’s assistant asked if they should cut Gates down, but the admiral said no, that the sentence would be carried out despite technical difficulties. Gates hung there for about 4-5 minutes, alive, before strangulation killed him. They then cut him down, and a doctor said he was dead. Bill Gates is no more,” our source said.”

A 60 second search will illustrate how completely asinine it is to believe that Kevin Kline portrayed Melinda Gates.

And just as improbable as a major political party nominating an actor in a latex mask for Vice-President in 2012, then electing him, swearing him in, sending him around the globe to extort billions, then nominating him for president 8 years later, then fraudulently electing him; when all along, it had been their presidential candidate from the previous election that had ordered the murder of the original owner of the face back in late 2011.

If any of us ever go back in time (and speak improvidently), we’ll likely face sanity hearings.

Such chains of cause and effect beg for sentences with previously unheard-of numbers of commas and semi-colons.

Just look at the guy (Melinda). I knew right away it was the actor Kevin Cline/ In fact, maybe the Bill Gates we see is a woman. Food for thought....

So this is how Gates was making his Billions, in child trafficking! For years everyone called him a genius for his software development and the first man to supposedly develop (or should I say steal someone else’s idea for the PC).

It had nothing to do with computers, software or technology! It was all kidnapping innocent children, and selling them to the highest bidder!

The Bill and Melinda Gates Foundation was just a front for pedophiles!

There is a special place in hell for these evil monsters.

I have not one bit of sympathy for his slow agonizing death! You reap what you sow!

On Day 1 of Bill Gates: military tribunal:

“The spreadsheet held 65 names. The 65 names belonged to children who had inexplicably gone missing while visiting national parks across the nation. Beside each name was a dollar amount, ranging from \$250,000 to \$3,000,000, and the age, hair and eye color of each child. The youngest was 4 at the presumed time of abduction.”

Nope, they had kids. I feel sorry for those kids having a traitor for a father. He killed their mother, threatened them with death if they ever told, caused them unforgivable pain and trauma, molested and facilitated the abuse of many, many children. No one deserves to have a father like that.

Don't blame Phoebe for Kevin's sins, she had nothing to do with it. She shares a child with the man, but that kid will see him for what he is as well. No mercy for Ainsley and Suzman, they are committing crimes against humanity and **WE THE PEOPLE ARE NOT GOING TO TOLERATE IT!**

YES, Phoebe Cates, , she is so hot and this asshole Kline is a deranged tranny fuck-what. I can't even imagine the shit he must have done to fuck Phoebe's head up.

I had heard that Bill & Melinda had been executed but was not certain still seeing him in green screen events, commercials, etc, but the Deep State is very talented with the film and recording processes. It would be nice to see about 10 to 20 of these a day getting arrested

and put down but poor Michael would get stressed out reporting like he does. I would love to see them rounded up and have Michael list their names and super brief description of crime and away to the gallows they. The sooner they are taken out the sooner we stop wondering about them.

Approximately how many other JAG like locations are operating like Gitmo and taking out traitors

No, we want details of these monster s getting arrested locked up and tried for their offenses. They don't get off that easy. The world must know what the deep state has done to our sons and daughters globally so this never happens again. If they have it all, WE WANT TO SEE IT ALL. IF YOU CAN'T HANDLE READING IT, DON'T READ IT.

Didn't say he couldn't handle it. only that it would take michael a long time to type it all out if there were many more per day, which is what I want. This is like pulling teeth. Or a snails pace. Or both.

Last edited 5 hours ago by Carolyn

Given the choice between hearing all the sick details in print that are happening at a snail's pace and having global mass arrests that we the people can't keep up with, I vote to arrest all the sick bastards en masse and end this shit show sooner rather than later.

I'll gladly wait for some EBS-type disclosure for the list.

They are ENEMY COMBATANTS and WE are at WAR, so these ENEMY COMBATANTS do NOT have to be arrested and given tribunals, they can be EXECUTED on the field of battle, So the US Military can SMOKE these fucking lowlifes on SIGHT were ever they stand. IT FUCKING WAR PEOPLE. Did our soldiers , sailors and airmen arrest the ENEMY , show them arrest warrants on the battle field, NO , they KILLED or captured the ENEMY. This arresting

bullshit is just that BULLSHIT. THIS IS NOT POLICE WORK , IT IS WAR! WAKE THE FUCK UP. WARS ARE NOT FOUGHT BY FUCKING LAWYERS AND ATTORNEYS.

Apparently dozens of JAG courtrooms, scattered all over the world. Even rumored that JAG trials are being held in the White House and Capital, the reasons for all the darkened window tour buses reported by Nancy Drew

Gitmo, Diego Garcia, Tierra del Fuego, Opa Loca, XPL Honduras, Naval Base Guam, Marine Corps Base Camp Blaz Guam, many others unnamed. Gitmo has two courtrooms. Supposedly, any large hanger could be used as a courtroom, with the aircraft delivering the treasonous prisoners taxied right into the hanger, offloaded out of sight of prying eyes, spy satellites for trial inside.

1st off, Thank You All! Please don't forget to THOROUGHLY WEED OUT ALL OF SPRINGFIELD,MO., as "Dilated Springfield", ILLumiNAZI (#1Central Heart HQ/aka: HAMMONS TOWER, & "Ass's"!), Etc.(!), the Corruption here runs REALLY DEEP! I Am Aware this is the Case Elsewhere, but from My Consistent Personal Experiences, True Progress won't be made Globally nor Galactically withOut "This". "[(((they)))]" Are VERY Good Actors-2-faced, You Know the type Thanks Again!

Love~Light, Peace & Full Protection For & Of All White Hat's & Those whom Are Sincerly Striving & Actively Working For the Greatest & Highest Good of & For All Towards the True Light, & The Golden Age Of Love! Namasté, Adonai

I'm afraid that, one day soon, we're going to be hearing about a lot of that regarding those pizza party people and that bohemian grove crowd.

Thank you for posting, but I think I found a hole here. If Melinda Gates was arrested many months ago and sent to GITMO, why didn't that article mention that Kevin Kline is portraying her? If all

prisoners need to strip down, they certainly would have noticed that.

Maybe to keep it quiet and not scare off people that Kevin was revealing so they could nab them later????

That sounds plausible. We cannot afford to let even one paedophile, not one child sex trafficker, not one incest aggressor, not one rapist get away with their crimes. NOT ONE MORE.

Well, one reason is that it seems so far fetched. When I read it, I had trouble believing it. This is one episode I'll put on a shelf and see what I can corroborate. Truth IS stranger than fiction.

As I eat my fresh Florida grapefruit ,at bedtime I'm wondering ,every time I eat something ,how much poison is in this fresh food? while I'm reading this awful horrific depravity ,I think ...what a world this world has become When I was young,I could NEVER have imagined the world that we live in today being like this

There is more sanity in an insane asylum

Well than do not read this shit , Pick up your copy of MAD Magazine and go no eating your grapefruit.

The story you wrote on Melinda Gates said nothing about it not being her, didn't she testify at his trial?

YES, grab them all and let it be known that we Americans will not put up with this crap, torture is what I want to hear make them squall and squirm like the demons they are, get permission to air these M-F on live TV for all to see what is coming for them.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I'm my non-public boss. Everybody must try this job now by just using this

This makes my day,
in spite of the horrible subject matter.

This stuff must all be exposed,
so everyone can see how rotten it is.

Then exterminate them all.
Every one of them.

A huge percentage of the Mainstream Lying Legacy Media gang are pedos and queers, too...Lots of them...! Even local TV stations have the same vermin too, plus it's infected entertainment and politicians of both stripes, down to the judiciaries, but this beyond belief shit hasta stop! It slowly crept in through the late 70's and 80's and got all of the richies high on the rich man's drugs of Adrenalchrome; butchered from young children.....the horror...!

At leased I did not have to grow up with these monsters stalking me and my pals in the 50's throughout to the 70's, plus I thought I saw it all in the wretched of humanity of horrible violence and abuse of villagers in Vietnam, but this predatory behavior is far too much too stomach! No compassion or love for small children, and to get high on and other pleasures all for the love of money....I can imagine that they had tried pedo on their own kids.....too...

I have lost sleep from learning about this lowest human cesspool scum level "Garbage of Humanity".....! Through Real Raw News, I am getting sweet revenge against all of these awful monsters and bad guys that have effected my life and other peoples lives from around the world, though....

I wish you would send a few of your boys over here to Australia and take out these corrupt bastards in our Parliment a lot of them are Pedos , our slimy cheating Prime Minister led the big Gay Parade in

New South Wales on the weekend , so thats got to tell you something the countries a mess actually corruption everywhere we need a big heap of whitehats over here to sort these scummy bastards out .

Indeed mate Australia seems to be forgotten! at least Andrews copped a flogging when he got caught.

Who is saying that the current PM is not a double or clone. I suggest the PM be thoroughly checked out. If it happens in the U.S. it can happen in Australia imho. Blessings,

I saw a photograph of a man appearing to resemble Scott Morrison with a man who resembles the father of Madeline McCann at a secret society ceremony. i say secret society because all the participants there were wearing red shoes. and Tony Podesta was in the photo as well.

Justice is coming to your country as well.

How is the foundation still able to continue to make money ?why isn't it frozen ?why aren't those trustees removed? It should liquidated completely

I'd love to see just one huge swoop into the governmental scumbags offices or hide-outs or where ever so thousands would finally be caught! It shouldn't matter if the citizens freak out – it'll only put things into fast motion the things that are taking way too long.....we're losing at this pace & the job will never get done.

The Supreme Court could have helped this process along greatly but they must not be strong enough to stand on their own feet. Brunsons are trying.

The Supreme Court justices are as evil as the rest of the DS. Chief Justice John Roberts worked with Bush to steal 9.1 Trillion dollars from the U.S. Treasury Fund for NESARA. C.J. Roberts got caught transferring \$3Trillion to his personal account. Why is he still a SCOTUS judge, and Chief Justice at that? There was another \$13

Trillion stolen (I did not catch where it was from), it was split between Bush, Clintons & McCain. The \$9.1T went to Bush. A lot of that stolen money went to creating DUMBS for doing all the things they do to the kidnapped kids.

the supreme court is full of demon pedos too look at Ginsberg and Scalia and their satanic bushite boys ranch in Texas

Sick Bastards. I've known for a while that the guy who presently portrays himself as Bill Gates is an imposter. Either a "look alike" ...or even a clone...but, NOT the real Gates. I'm glad they caught these other two.

Let them suffer pain every moment up to the point of death, as it will serve as a foreshadowing of the eternal damnation that they so richly, and justly deserve.

Well some time ago there was a story that the gates were hung by grieving parents of nearly 500,000 India children who died or maimed by the gates polio vax but with clones and the such who knows ,but thanks to the White Hats two more prevs are going to get justice.

Seems like I heard that same story but it was 25 or 250,000 and the Indian parents executed the Gates. Lots of super sick rich SOB's running loose. Seems like excess money is the devil in all of these traitors. Biden next and Obama for the second or third time!

Which story is correct? The India story or Michael's? If the India story is accurate, who prosecuted and sentenced the gates' to death? I tend to believe Michael's story.

The Gates' were listed as deceased on one of the ancestry sites a year or two ago, which I saw at the time. I haven't searched since, but someone said it had been removed.

Praise God for each Military team member that is cleansing the Planet of these horrific beings! May God protect their souls as they do this amazing work for the hHuman Race

Unless they are cooperating with JAG to being more traitors to justice, that's allowed. If Melinda Kevin did no harm to any kids, better for her. if she did harm a child, either her own or others, it's lynching time.

this drawn out shit better not take years. set the crash into play, 10 days of darkness and arrest the worlds criminals. those aware, dont need to keep living this horse shit. the movie is for the sheep, not us. no more innocent kids need to be harmed!

It's long overlooked who goes to what soul group. Where did anyone come from? Draco came to take over but Lizards came to fight Draco I guess, and they are more aware of them, half as bad sais Gary Carlson, so humans have been losing for reasons of corruptions and working for evil groups. While chasing money they can't figure out a Draco from a lizard from a human from a satanist.

So humans are nowhere close. These money, sex, and power, wealthy one's don't like life without a lot of depraved sex from ignorance of children, and drugs galore. What's the best sex rush your money can buy?

[icheckyoursoul dot com/who-is-in-power/](http://icheckyoursoul.com/who-is-in-power/)

His readings say Japan is all human souls in power. But we see human corruption in Japan, it is more into human looking gardens. While they prepare for a ongoing threats from Draco soul group run China. Gary Carlson wants to get the word out and for human soul people to learn how to read souls origin planets by aura readings.

I have read stories for years of how the Reptilians abuse and torture our children and it pains me terribly especially when you think they could have been any of our children.

I thought Melinda helped them capture Bill Gates. Was it one of the imposters who did that? When did Bill have her killed?

That's what I was thinking. If I remember correctly she testified against him, now she's not even her? Was it her that testified against him or was it this other fag dressed up like melinda?

Is the real Melinda gates in custody at gitmo?

Who got gates daughters horses I wonder...aren't those assets too, or are his kids adults now.

..

So the GATES OF HELL will no longer prevail against us eh?

And no more " Pay at the Gates"

Amen for that!

No, the real Melinda Gates was killed by the paedophile Bill Gates for not satisfying his sexual depravity. Therefore he orphaned his 3 kids. Think of how they feel right now knowing their father is a child sex offender. They will change their names and never tell anybody who their parents were. even if they are truly orphaned . He had other doppelgangers to take her place, but as the article says, he had them killed too. This one survived and helped the White Hats nail these paedophile sympathizers and became their child porn suppliers. .

Bill was not only a child predator, he was also a serial killer. A mass serial killer!

I remember years ago seeing him give a lecture at some university, saying how there were too many people in the world, and he was going to "tweek" that with vaccines. And all the students laughed.

WHAT SICKENS ME MORE IS THAT THE WHOLE AUDIENCE LAPPED IT UP LIKE IT WAS NO BIG DEAL OR THAT BILL WAS JUST JOKING AROUND. No, he was not joking around, he was deadly serious about killing us all. Killing us all means killing them, too, and the people they love as friends and family, and parents of their kids and pets.

HOW SICK IS THAT?!

Last edited 5 hours ago by Xena

Ill-gotten gains, & profiteering from intentional human suffering remits all such funds & profits. The foundation is toast.

Yes as Buffett turned over his billions to the B&MGF a few short years back.

The gates foundation must be terminated and liquidated with extreme prejudice, seize everything, every penny, every property, every vehicle! And don't forget the Yachts and private Jets! I don't know who would buy them? I wouldn't want or take anything from those demons even for free!

And that means the WHO gets nothing from them anymore! Praise the Lord and God Bless those Marines for all they do! Semper Fi, semper fi.

Liquidation of all their assets is the right answer. It is the water on the wicked witch. They told us how to vanquish them.

It's reparation for the damage and human suffering endure by the victims and their families. It's just money and material possessions; it won't undo the damage but it will show justice is being done.

I hope they return the farmland back to real farmers that will grow healthy foods for the people. Give it to them free with the promise of fulfilling that idea. Use the gates funds to get the family businesses started. 100

FABULOUS!!! There have been pictures of this “Melinda Gates” as Kevin Kline. I’m glad it was confirmed. I do understand that the real Bill and Melinda were executed in 2013. Maybe these are the clones of the clones. With that much money, I’m sure the DS has Bill Gates well covered. Great to read that his assets redistributed. So what’s with the truth/rumors of Bill Gates owning much of our farm land? Is this true?

I know. But the CCP Chinese are the ones we need to fight back. They are making the good guys and gals who are Chinese look bad.

100 % veškerého majetku společnosti Gates, v jakékoli formě nebo nadaci, musí být zabaveno a zlikvidováno, přičemž výnosy budou určeny poškozeným.
