Dva muži , kterí byli minulý měsíc přistiženi při špionáži majetku prezidenta Donalda J. Trumpa v Mar-a-Lago, byli usvědčeni z odposlechů a odsouzeni k 20 letům vězení v Camp Blaz na Guamu, řekl zdroj JAG Real Raw News.

Jak bylo oznámeno v únoru, detail ochrany Trumpovy Delta Force zachytil podezřelé sedící v dodávce s sledovacími zařízeními zaparkovanými přes silnici od sídliště. Duo, později identifikované jako bývalá zpravodajská zařízení , tvrdilo, že jsou turisté z New

Hampshire na vyhlídkovém safari přes Floridu. Delta zabavila dodávku a její obsah – parabolické mikrofony, drony a infračervené kamery – a přivezla cestující, Erica Scholze, bývalého zvláštního agenta FBI, který v roce 2017 odstoupil z úřadu po obvinění, že umístil dětskou pornografii na osobní počítače Trumpových příznivců. a Ira Hamutal, bývalý agent Mossadu, který byl vyhozen za to, že své priváty napálil na kolegyně, do zpracovatelského centra JAG na Floridě. Odtud byli posláni do Camp Blaz, kterému White Hats přezdívali GITMO 3.0.

Dne 9. března prohlásili, že jsou „nevinní“ před obhájcem soudců štábu americké námořní pěchoty, a tvrdili, že jejich „únosci“ porušili jejich občanská a ústavní práva. Drželi se svého turistického příběhu a říkali, že uplatňovali svá práva podle prvního dodatku z veřejného věcného břemene, nikoli soukromého majetku, když na ně „Trumpovi lidé, kteří se na ně povalují, přispěchali“ a dali jim výprask.

Podle 1. dodatku je pořizování fotografií a videozáznamů věcí jasně viditelných na veřejných prostranstvích ústavním právem – včetně dopravních zařízení, soukromých obydlí, vnějšku federálních budov a policejních a jiných vládních úředníků vykonávajících své povinnosti. YouTube je plný „auditorů 1. dodatku“, kteří se touto činností zabývají.

Podezřelí řekli advokátovi soudců, že byli zadržováni proti své vůli a stali se oběťmi nezákonného zadržování a únosu.

Obhájce štábního soudce uvedl, že zatímco fotografování je ve většině případů chráněným právem, odposlech, zejména ve státě se souhlasem „dvoustran, jako je Florida“, je trestným činem druhého stupně, za který hrozí 2 až 20 let vězení.

"A protože jste byli oba přistiženi s parabolickou parabolou vyčnívající z okénka spolujezdce, namířenou na Mar-a-Lago, není rozumné, že jste byli zapojeni do nezákonného odposlechu

komunikace." Získali jsme zvuk, který jste oba nahráli, z vozidla, a i když je to neškodné, neomlouvá to vaše činy, vezmeme-li v úvahu, jak bych to řekl, vaše minulé vztahy," řekl advokátní soudce.

Nabídl jim však výjezd.

"Pokud byste byl tak laskav a prozradil, kdo vás najal, a měl podpůrné důkazy, byl bych nakloněn projevit v této záležitosti určitou shovívavost," řekl.

Ale Scholz a Hamutal se nehnuli.

Advokát štábního soudce vyjádřil zklamání nad jejich rozhodnutím a uložil maximální trest – 20 let vězení.

Je třeba poznamenat, že to, co se stalo v Camp Blaz, se ostře liší od toho, jak White Hats stíhali Deep Staters v zálivu Guantánamo. V Camp Blaz nebyl žádný sbor důstojníků, kteří by rozhodovali o osudech obžalovaných; stálý soudce advokát měl výhradní uvážení.

Náš zdroj řekl, že advokát štábního soudce byl milosrdný, protože mohl dvojici obžalovat podle zákona o špionáži z roku 1917 – který je podle právní vědců archaický a přehnaně represivní – a odsoudit je na 30 let nebo smrt.

Camp Blaz or us sailors call it The Foot ain't nothing to be played with. It's worse than GITMO. Plus, that base is mostly underground too. Those dummies should have taken the plead deal. Oh well.

Mar-a-lago, President Trump is not there, a surprise is there though. it won't be raided again I assure you. These two guys, a couple of has been's are you kidding? Yet they were set up and funded, .at camp Diaz, they face a much more serious interrogation, One with. all bets off. A 24 hour interrogation. If you are a tourist it would be smart for you to stay away from Mir-a-lago.. I am just saying. That is a hornets nest, locked and loaded...

So, it just occurs to me it's illegal to listen in to people's houses.  
Seems it should be illegal to spy on the internet also.

Pike in Alliance, Ohio do it daily. They even make a habit of putting cameras in females showers. This is even if you have not committed any crime. They are quite corrupt.

Yea,...we noticed things like that happened a few yrs ago to some of us there too – kinda sucks don't it.

Imagine going on an innocent “vacation” with expensive spy equipment and getting caught. They will have lots of time to think over their lifestyle choices, I believe. They might even remember who they were working for.

I bet, under the circumstances that's a long time to be locked up. A question should arise as to whether or not they have done this before and done other mischievous dirty deeds as well, all for the FBI.

Exposing genitals and planting pornography are sick dirty deeds. They have done much worse that has yet to be disclosed.

The deepstate has been so entrenched for so long (it's also family/friend generational – blood thicker than water) that even when convicted they believe their all powerful hierarchs will be able to wipe away all their sins and they will be freed to continue business as usual. So many corrupt judges and corrupt court cases through the decades have been overturned in spite of overwhelming convicting evidence convinces them they are untouchable and invincible. Many are willing to gladly give their lives to protect one another and also to give their lives if necessary to kill someone like Trump. It has become a fanatical extremist religion of absolute self righteousness and for some even acknowledging satan as their lord and protector.

Money was a protector for them, they rule pyramid style, few at the top. Trump wants to build 10 new cities so he want's his own rulership maybe the same way. I would only want acreage and farming lifestyle. Trump doesn't talk about that and seems more interested in managing the masses of apartment city dwellers. It makes me feel like a prisoner in a concrete jungle. Maybe I need some other planet.

In cabal justice system they get "convicted" then walk out back door. Free to commit more crime. Not at Camp Blaz hee hee. 😁😁 All praise be to God. Thank you for keeping good guys protected.

Through a civil court these idiots would have had their case dismissed or probation.

Soon to OPEN

Standish Maximum Correctional Facility (SMF) was a Michigan Department of Corrections maximum security prison in Standish, Michigan. The men's prison was on the south side of M-61. It was once considered as a potential site for housing detainees to be relocated from the prison in Guantanamo Bay, Cuba.[1] The facility was in operation for 19 years, and while empty, still stands to this day.

To all Trump/MAGA folks,

Take a look at Saoli's face. He is a Sunni Muslim. Why would Trump implicitly trust a muslim with the collective health of a nation a large part of which are Christians?

Meandering through history will reveal Sunni muslims and jews are quite close. As soon as I read Trump trusted this guy, I figured Salaoi was Sunni. Trump is playing Christians for fools. He is a staunch jew and is masking the sell.

I voted for him. Now I totally oppose Trump and his ilk. He cried about election 2020 fraud, did not demand a resolution and thereby

acquiesced to the corruption; but of course now it's all good and we should vote moar harder?

Fcuk Trump.

If you oppose Trump for presidnet, you are opposing God's choice. He is God's David. That is what he calls him through his present day prophets. Perhaps you should listen to them sometime, instead of your own mind.

LOL. So in your world Trump is God's choice for prez, yet Biden controls the mil and fed government.

Ok.

Looks like Biden was God's choice. What's your proof Trump is god;'s choice?

ok, let's not worship him as a god. ok? thats a no no.

im all for trump being president. but, dont worship him as a jesus follower. quit putting religion or lgbt agendas in politics.

Find a gulag and rot, commie puketoid. Leftard subhuman primate collectivists will find anything they can to justify their retarded, primitive ways.

The lefts stupidity just keeps getting worse and it just gets worse everyday.

These idiots (left supporters, backers, defenders) don't realize the demonic Illuminati, the luciferian cabals don't know who they (democrat supporters) are, what they look like, and they (democrats) don't give a damn about these idiots.

They're giving up their souls to the devil in the name of the demonic democrats. They will burn and rot in hell with the pedo democrats.

Pedo-defender commie faggot collectivist subhuman primates like you get to be lowered into a woodchipper, feet first. Slowly.

Or just find a gulag and rot, like a good and proper communist faggot.

Shut up and stop being so disrespectful, Julie, He can post in whatever language he wants!!

YOU FORGET BUCK FIDEN POSTED IN CHINESE AND SPANISH, TOO! NOT DEFENDING THE GUY, BUT YOU NEVER ATTACKED HIM FOR IT, AND HE WAS JUST AS RACIST AND AS VULGAR AS YOU ARE. WHY ARE YOU ATTACKING RAUL FOR IT? HE'S DONE NOTHING WRONG BUT SPEAK HIS MIND LIKE THE REST OF US.

Off topic...I keep wondering WHY Vindman is not arrested and charged with treason and trying to put down a sitting president???? He is guilty of both!!!

It is believed that all three treasonous Ukrainian Vindman brothers have been dealt with. The older brother Leonid was a major military target because he was smuggling nuclear triggers and other components into Iran and elsewhere.

No, two Colonel twins. alan I think Putin had a contract dead or alive hit on the older brother.

These vermin are everywhere, and they are very comfortable making US ALL suffer terribly. ][ was hoping that some faction of The White Hats would operating here in Canada to clear these \_\_\_astards out once and for all. ][ Pray we are not too late.

The Constitution already prohibits unreasonable search and seizure in the Bill of Rights, which is exactly what Google did to people's drives concerning shared information on the vaccines and on the 2020 steal. Shame on Google's Paraj.

Google scooped out and deleted information about the 2020 election steal and about the vaccines from people's individual hard drives so they couldn't share it online with everyone to expose the lies about the 2020 fraud and the depop shots. Google is in bed with the CCP, which is part of the deep state like Zuckerberg and Dorsey and Wojcicki are, and they want to keep us dumbed down and clueless so the cabal's crimes are not exposed. But we are exposing them ANYWAY.

Were ron and merrick in on this as well? The raid in Miralago was known by ron and he did nothing about it. ron texted, emailed and even had a meeting with the left's merrick garland, current AG under the illegal regime.

Unpopular opinion.... I think the sentence was fitting. They didn't get any real info. Most likely because they were not that bright to begin with. Sitting in a van outside Mar a Lago.... in plain sight.

Lackies.....

I still think the lack of subtlety in their approach means that they are up to something else. They were basically asking to get arrested, now they're hanging tough which means they are counting on getting rescued sometime. Are they trying to penetrate the WH operation? Scouting? Again, do they have trackable implants in their bodies? Smell Test indicates there's something else going on with these two.

I do agree with you that there is something else...

But from what I see is that these 2 idiots took the money and ran. They were both disgraced and couldn't get a job, so..... they did the next best thing — Whether it was for their family or self is another part of their story.

After being deprived of their previous good life with all sorts of fun and games they may reconsider talking when it becomes apparent that no one is going to save them. I would squeeze them i.e. bad food, small cells and best of all, endless Trump speeches.

Why waste taxpayer dollars on these goons? Just feed them to the sharks. That's lenient compared to what they do.

Could someone explain to me why the use of the Espionage Act of 1917 couldn't be used in this case, and secondly, why couldn't it be amended to fit the actions of those who think they're above the law (assuming there would be enough votes to create an amendment)?

Although they were 'former assets' it wasn't warranted unless they had something on tape to SELL (or give).

They got 20yrs so who cares...

Even if they took into account that one committed fraud and the other was a perv — justice was served.

][f voting actually really did something, it would be illegal. This last election was a totally farce for You. Our Elections (canada) are fixed corruptedly as well. ][ NO longer TRUST the political system what-so-ever !

We should boycott all elections until we see no D. tabulators on the voting tables, only a cardboard box with a slit. No electronics period. I will boycott the next election for the first time in my life if I see any electronics sitting about at the polls.

Twat has a use, this idiot doesn't.

Even those who comment to him seem to be as stupid.

It is a bot which cannot understand you, cannot reply to you. Just ignore it like most of us do.

Hope you are paying mom some rent money! Now, get back to work, get out of here!

Sure am glad we "got" these two while real or fake Bourla and Pfizer are buying a cancer treatment pharmaceutical company for \$43 billion! Btw.. vax causes cancer! Imagine that, but just glad the plan is moving along! It's like we are the roach and someone just screamed Raid!!! Trust the "Plan" that is on top of a plan that is top of a plan to kill us! Thanks cousin Eddy for your the plan! Clark Griswold!

6,000 suppressed patents for healing & energy will be released with Nesara / Gesara. They've always known how to cure cancer. There was no money in it.

? What don't "they" have control over ?

This so called "warp-speed" is warped.

Our Humanity can not falter, evil & wickedness MUST be put down.

So they say, but they will be using mrna in it, just like the vaccines...

They have been hiding Cancer cures for decades. When Rockefeller took over medical system all cures were hidden from us peasants.

Vaxs cause a lot more than cancer. I'm a testament to that. I'm living with a myriad of auto -, immune diseases. Lupus, Multiple Sclerosis, auto immune of the connective tissues, reiters syndrome and More! I'm an avid researcher. Vaccines cause all this sh!t.

Please tell me you're not suffering from kidney stones and sepsis.

That's from the shots according to the VAERS website.

Reinforce complete healing with a return to Source blueprint DNA. Remove all trauma and vax toxins. Wrap in heavy heavy love and light blankets. Done. 🙏👑💙❤️ sending you love and healing hugs.

I hope tribunals differ in that it is day for day straight time. If they were capable of good behavior they would have/ should have already been implementing it.

In the military, there is no good behavior to get out early on. You were sentenced to 20yrs, you serve 20 yrs.

After confinement for a period of time in their Guam jail cell, I am sure they will develop a case of the BlazBlues!
