Prezident Donald J. Trump požádal generála Erica M. Smitha, aby v úterý nezasahoval, pokud Deep State a zločinec Manhattan DA Alvin Bragg nebudou mít postranní motiv nesouvisející se ságou Stormy Daniels Saga – například pokusit se ho donutit, aby vzdát se předmětu, který již nemá v držení, jako je „jaderný fotbal“, který obsahuje odpalovací kódy jaderné triády Spojených států.

Před odchodem z Washingtonu v lednu 2021 se Trump odvolal na zákon o povstání z roku 1807, který přenechává pravomoci země armádě v dobách národní krize, jako je například převzetí moci Deep State. Předal kódy generálu Bergerovi, který poté, co v lednu 2023 rezignoval na svůj post velitele Bílého klobouku, je převedl na generála Erica Smithe.

Deep State, zdroj z kanceláře generála Smithe, řekl Real Raw News, opakovaně vyhrožoval White Hats, aby se vzdali kódů „nebo jinak“.

"Bezvýznamné hrozby," řekl náš zdroj. "Je to samozřejmě jen hypotetický scénář, ale představte si, že kdyby přivedli Trumpa do zadní místnosti a stáli tam Lloyd Austin a generál Milley." Máme nepředvídané události pro případ, že se věci vyvinou na jih."

Řekl, že Trump a generál Smith v sobotu večer obsáhle hovořili, aby prodiskutovali teoretické možnosti a formulovali reakce na zradu Deep State. White Hats, dodal, budou mít své síly jak v Palm Beach, tak na Manhattanu, ale budou inkognito a připraveni přijít na Trumpovu obranu, pokud vydá rozkaz generál Smith. Když byl dotázán, které jednotky – speciální síly, Rangers, Delta Force, mariňáci atd. – by byly přítomny, nechtěl to upřesnit, ale řekl: „To nejlepší, co máme.“ Naznačil, že Trump bude mít způsob, jak signalizovat White Hats.

A na otázku, zda takový „signál“ zabrání Deep State v zmizení Trumpa nebo jeho nahrazení podvodníkem nebo naprogramovaným klonem, odpověděl: „Nemohou zmizet Trumpa. Je to příliš výrazná postava. Rozpoutalo by to občanskou válku. Klonovat? Kdo by řekl, že skutečný prezident Trump není schovaný v bezpečí a skončí s klonem. Dělán si srandu, samozřejmě. Podívejte, Deep State se roky snažil poslat Trumpa do vězení, nic na něj nedostal, takže používají tyhle kecy Stormy Daniels, protože si myslí, že ho to bolí. Mýlí se. To podnítlí lidi k podpoře Trumpa a jeho oficiální návrat do prezidentského úřadu v roce 2024 bude jistá věc.

Trump a Smith, dodal, doufají, že protesty zůstanou pokojné; nechtějí vidět patriotické Trumpovy příznivce zastřelené hordami pokřivených federálů.

"Dozvěděli jsme se, že tam bude masivní federální přítomnost, přes 600, včetně odstřelovačů na střechách." To je jeden z důvodů, proč se zapojíme pouze v případě potřeby. Nechceme, aby se civilisté dostali do křížové palby, a nechceme dát Deep State důvod k uvěznění dalších nevinných příznivců prezidenta Trumpa," uvedl náš zdroj.

„Prezident Trump je génius. Je pět kroků před opozicí,“ řekl na závěr.

I'm making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. New York Eastern District assholes, Manhattan DA Alvin Bragg, and their grand jury chickened out, because as usual they have nothing on Trump. A possible misdemeanor far beyond the statute of limitations. Stormy Daniels testified twice that her alleged 'romp' with Trump was a big lie, never happened. Cohen is a convicted liar under oath, testimony is worthless.

This thing needs to END.

Lies, speculation, delays, divisiveness, prejudice, insults, profiling, hating, bashing, clones, doubles, and more.

We have been tortured enough.

Pray for Divine intervention.

OPINION | This article contains opinion that reflects the author's views.

An inside source revealed that NYPD is buffing up its manpower and security measures to prepare for the arrest of former President Donald Trump.

The arrest will occur tomorrow (Wednesday, March 22nd) as New York's District Attorney's office has negotiated the details of Trump's surrender with Secret Service.

A grand jury is expected to officially hand up its indictment tomorrow, which will occur before the arrest.

I just read this article....I am totally pissed. I can't believe this will be allowed. If he is arrested, I am assuming there is a plan from the White Hats. God bless America and Donald Trump!!!

My Trump indictment comment for today

Nice ! Whats good for the goose is good for the slanderer. Indictment and prosecution of Bidens your next ! Only yours is high treason!

Google paid 99 dollars an hour on the internet. Everything I did was basic Online work from comfort at hOme for 5-7 hours per day that I got from this office I found over the web and they paid me 100 dollars each hour. For more details

What is happening today has to happen, has been prepared for decades. The Globalist NWO Deep-State is spinning in confusion, has not the slightest clue what to do. Worry not, the Commander-in-Chief is not in any danger.

That's kind of weird but why would you tell everybody what the plan is, of course all this is wrong and we shouldn't believe it, I mean if the Deep state is that worrying? To the white hats, why tell what you're going to do? I'm going to call a bluff of course. Just another story for you to read.

The arrest of Donald Trump would cause the Supreme Court to disclose their decision that Trump is the president of the USA and therefore cannot be indicted while he is in office. This would probably trigger the military to explain through an emergency broadcast that Trump is the president of the USA because massive fraud in 2020 produced false results.

Right, this is what we are all hoping for... but as we don't have all the intel, and as Trump and the white hats are steps ahead of the deep state, we wait as patiently as we can. Well, sometimes not that patiently 😊

We have no idea what is going down today. Leave it in the capable hands of the white hats. Perhaps our Commander-in-Chief will be arrested in public far away from potential snipers, perhaps a double, surrounded by white hat counter-snipers, before FAKE News camera crews, by US Marshal white hats posing as black hats. Who could tell the difference?

Or maybe it will all be done with a very convincing white hat CGI video with the military hacking and taking over the FAKE News networks and Social media, televising to all Americans, to all the

world. Then a prepared skit could proceed waking up millions more, prepping them for launching a military assault on the treasonous enemy. A possibility? Maybe so.

Why did Trump plea to his patriots to Protest? Or was that not Trump? Maybe they are trying to get us out in the open so they pick us off with snipers–Patriots Stay at Home Its a trap! Just like Jan 6th

Indeed. Happy knowing he is safe and well protected because we need him to play this out to the well earned and successful end and to usher in the new world. I used to joke about having a clone, but not anymore!

Something is very conspicuous about Alvin Bragg, he was investigating Trump's Foundation since 2017 with the district attorney at the time. The original district attorney and his assistance resigned from their position in 2018 so did Alvin Bragg. He went to a New York law school and became a law professor from 2018 to 2022.

He was given the position as district attorney on January 1, 2022. Out of nowhere this man Alvin Bragg becomes a district attorney of Manhattan New York District.

Sounds like this Alvin Bragg is a stooge used by Deep State to incriminate Donald J Trump. The military Marines need to check for money laundering and bribe given to Alvin Bragg – his financial records. There is a traitor Among Us.

He could also be a grey hat playing a role, Everyone needs to be discerning because the deep state will fight harder as they are being cornered for the final blows.

Bragg might also be a black hat. He is Soros funded.

I won't hold my breath. If they have that many federal goons, count on them killing Trump supporters. They've killed many already and if they get the chance they'll do it again. This nonsense has gone on too long.

You can expect many trump supporters to be killed & jailed if they show up in NYC !

There's an entire encyclopedia of intelligence that you have conveniently passed over to make that statement.

In case you don't know, everything has to happen this way. This is the biggest and most complex war in the history of humanity. So while we all want justice and freedom for J6 patriots, there is much more at play here – this is a war for the world. So if you have the viewpoint that this is a political issue, then you are very out of touch with what is happening. This is so multilayered and complex, it's too difficult to break down quickly. I suggest you start with the history of the deep state and the cabal, to understand what it actually means. Then you can move to the human trafficking and the history of adrenochrome and the underground tunnels. That alone will make you sick to your stomach. Many of the evil ones are not even human.

So the complexities of this war are likened to playing 5D chess and those close to President Trump and directing this war say he is not only a master strategist but a master 5D chess player. If you still want to give cheek about his level of genius (to which you are fully entitled) it might be wise to do a little research first. The more you know, the more you will appreciate him.

I say this with the greatest respect because not everyone has the bigger picture and knowledge of what is happening and you have to start somewhere, right? Take what resonates, and leave the rest because it's your journey, your great awakening.

Thank you for explaining in a way that most can understand. I have tried, but got tired of the bashing, and gave up.
Spread the word for those of us who have fallen to the side.....

Mr. President Trump...

I just want to let you know my family and I are praying for you. May these difficult times pass soon.

I wonder if all of Manhattan live web cams will be turned off? We can watch and see for ourselves!!

If President Trump is not in New York, can he be arrested. General Smith, if it does happen, protect him. It is time to take out all of the garbage.

Beware of Greeks bearing gifts...the DS should be suspicious if we actually let them take the nuclear football. If such an unthinkable outcome actually occurred, it would more than likely be (make that GUARANTEED TO BE) a prank, like a remote-controlled M-80 explosion or skunk-spray release. Preferably both.

I got an idea/ the glitter box that would be funny when they open it up.

Clones and criminals run the country and you can't identify them until you give them a physical exam. The population appears fine with that.

They are after Trump for giving his own money to a hooker (big tip) and leave the Biden cartel alone after using tax payer money for personal profit.

Nothing to see there. Inflation, taxes, mass chemical poisoning, chem trails, billionaires dictating the evils to monopolies and controlling everything.

We are just surviving, but don't count on justice because it no longer exists. People united and focused is the only fix.

It's true, I was replaced by a clone myself and it took me weeks to even realize it

“This will galvanize people into backing Trump and make his 2024 official return to the presidency a sure thing.”

This quote alone, trumps all the BS MB was stating years ago about DJT returning in 2020, 2021, 2022, 2023. When I was stating DJT would not return before 2024 many channels including yours would laugh and bash me. Guess my 'research' and 'intel' was more prominent than what you were receiving. Stay comfy.

Well...anyone paying attention at the time woulda known 2020 wasn't about winning the election, but actually LETTING THE SWAMP STEAL IT and thereby set themselves up for exposure and TOTAL DESTRUCTION!!

In the larger scheme, the delayed Justice plan was infinitely better, at least presuming we have a plan that's "killer". Which I believe we do.

Perhaps our Commander-in-Chief will be arrested in public far away from potential snipers, surrounded by white hat counter-snipers, before FAKE News camera crews, by US Marshal white hats posing as black hats. Who could tell the difference? Then a prepared skit could proceed waking up millions more, launching a military assault on the treasonous enemy. A possibility? Maybe so.

Maybe deep state wants the Trump body double arrested and make a BIG STINK about it. He'll go for it being under orders. The world will think it's watching Trump in jail for days or more with hearts in the mouth. Power rush! We win, you lose say the deep state. But white hats can't even let that happen unless they are finally ready to admit they got tricked at the General Level, it's not the real Trump.

Caucasian Christian Israel, driven out of the Caucasus Mountains across Europe, across the Atlantic to the new Promised Land, (2 *Samuel 7:10*) GOD will not abandon us, GOD will destroy these wicked who reign over us, and the world will be blessed through us.

**““But you, Israel, My servant,
Jacob whom I have chosen,
Descendant of Abraham My friend,
You whom I have taken from the ends of the earth**

**And called from its remotest parts,
And said to you, 'You are My servant,
I have chosen you and have not rejected you.
Do not fear, for I am with you;
Do not be afraid, for I am your God.
I will strengthen you, I will also help you,
I will also uphold you with My righteous right hand.'"**

Isaiah 41:8-10

Some say we have our divine appointed angel only. It's our higher self and communicates with divine. In the mix, we have karma.

The arrest of the Biden and Trump clones is necessary and inevitable.

The D.Trump clone will never return to the helm of the Communist Republic of America for several reasons:

1. Because USA Company is bankrupt and will be dismantled like any bankrupt company;
2. The White Hats found two laboratories where clones were produced and now they know the difference between the real satanists and their clones. Thus they discovered that D. Trump is a clone but they don't want to publicly admit it, although the US Supreme Court took their advice into account when it canceled the decision to return the Trump Clone to the White House, after officially recognizing Trump's victory in the elections stolen on November 3, 2020, in order not to replace a clone with another clone.

The original Biden was executed by lethal injection on December 21, 2020, after stumbling on the stairs of the rented plane.

The current Trump clone, like all the others after the death of the real Trump, are the Rockefeller-Controlled Opposition, because the original D.Trump was saved twice from bankruptcy by Rockefeller, and he probably blew the whistle in the Jesuit church and they executed him for disobedience.

What a manipulation technique the Cabala has!

The Elon Musk clone, also a slave of the Cabal, jumps to the Trump Clone's defense to put the ball in the net for the Trump Clone to win electoral points, but the Americans already know this maneuver that the Trump Clone has used for 3 times: the first time in 2020 before handing over the mandate, when he launched a rumor that the Deep State planned an assassination on him but the vigilant Trump Clone avoided it.

The second time was at his villa in Florida, when he shot himself from a distance using a drone, but to see the "miracle", the Trump Clone being a good telepath (by phone of course), put his secured bedroom window the day before the failed assassination attempt.

The third time he won electoral points when he went to the FBI swindlers in NY and told them exactly what he had to do to forcefully enter his villa where they could take some "important documents", giving to the FBI agents and the code from the personal safe, because the FBI opened the safe without being there.

Now he announces that he will be arrested, which I hope will be true, because it was found out that he is a clone and part of the Deep State, but his teammate Musk gives him a helping hand by already advancing the idea of electing the cloned Trump to the public. The Trump clone tries the sea with its finger because it received orders from Rockefeller's boss, but the pitcher often does not go to the polls.

That was a weird storytelling about Trump clone stuff, the thing is I heard he got killed a while back 'too in a helicopter by a sniper, there's so many stories of everything? what to believe, what he's

really trying to say is they're all behind it and it's the end of the world, that would have been easier, we're all dead I guess World War III is coming because they all got caught.

You are a clone junkie, clone this clone that. After reading your rant maybe your a clone or maybe we're all clones.

They say there aren't any stupid questions but your rant was a stupid rant.

Since there are nothing but clones running everything I guess we'll be electing a clone come November 2024.

I believe the real Biden got a bullet firing squad that is why Trump said about Biden he is shot!

The real Biden died before his inauguration. The Biden inauguration was an actual funeral. 3 canons. Read. Be educated.

So did I, I never heard he got a lethal injection I heard he got shot too, it's one of the reasons why I stopped watching all the videos almost unrubble, besides -and we know, I think everybody's just trying to confuse everybody so we don't know what the real story is, I guess it's the way to kill us all we're overpopulated.

After that long explanation with absolutely zero proof of any of that having happened in any way like was stated, I like everyone else should just dismiss it as fabrication and theory.

I think that's somewhat the case and RRN already prepared us with a possible Trump clone or body double on an article. Military is releasing this, obviously it's time for people to think about these clone games. Body doubles could be grey aliens. They can duplicate someone's voice to perfection. What could be next after preparing people this much over body doubles and clones already and right here on RRN? These people saying your not on topic or something are bonkers. **THAT IS THE TOPIC RRN HAS LED US TO.**

Trump was never charged with the alleged crime that he was alleged to be covering up. Without the second crime, this offense is only a misdemeanor and the statute of limitations has expired.

There was an article on Yahoo last night that he will not be arrested right away—but more like around the 2024 election time frame—How convenient for them!! That is laughable—He will be back as President b4 then. I have heard there are several clones of DJT

They are claiming he had Cohen pay Stormy Daniels Hush money from the presidential funds—Which reimbursed to Cohen with his own money—Cohen probably took that money and split with it —I cannot even believe he saw that woman in the 1st place

Hi Michael, would Trump being arrested be just cause for the military to step in and shut down the biden shit show?

It's clone and body double disclosure time on RRN, preparation stuff.

Here's some intel that's mind blowing with all the latest dates, Trump clones who is doing it and why. The new financial system and public executions and when.

Also do not think the Judge and the DA are not being investigated real close and real good.You are fucking with a heavy hitter.

If they want to make a mess special forces will be there. The cream of the crop. they do not play any shit. He does not use Secret Service. He uses navy seals, plus his own security. I would doubt if it is even him really there. This is a very petty case, very flimsy.

I had to quit watching bitchute so many videos of people beating up on whites it was starting to cause me to have things in my heart I just don't want there. really easy to get baited into hating people. Trump I hope you know what you are doing cause if they kill you GOD FORBID IT HAPPEN it will be civil war no doubt about it and a very very bloody one at that. the only reason Americans aren't fighting as we speak is because they are putting their trust in you and the military thank Goodness this direction saved thousands if not millions of Americans lives.

I have not flipped on President Trump. I don't want to see innocent people getting hurt. The enemy is totally ruthless. And they are on the ropes. a cornered animal. Very dangerous. If indicted he has the right to defend himself. To present his evidence, for sure they do not want that.

The insurrection act was not about BLM, Antifa or anyone other than US Citizens...the insurrection act was a power grab by a military coup.

Show me a real, living, breathing Trump. Otherwise, an imposter signed the Insurrection Act.

Is US Cybercommand simply a Military coup/psyop coordination center?

Maybe because the fake Biden is dead and they are trying to buy some time to figure things out.

I do not think Trump supporters ought to hit the street and protest. I do not think there is one damn good of that for anyone. We are not your fucking lapdogs sir, This is your fight Mr, President. This call for a bunch of additional confusion, and there will be an opposing mob waiting. bet one that one. And they will be looking for trouble, that is also for sure. and MSM is going to back them all the way. They are paid shills. what help has been given to the JANUARY 6th people? Not one fucking thing. Please, for your own good stay out of it. you will be walking into a trap. one that they are working night and day to set up. Do you mean a big powerful guy like him cannot handle a bogus case?. like this? He has to rally his supporters. If anybody gets hurt or killed, the blood is on his hands. Back off please, stay away. what is that going to do to change the outcome of the case? Nothing. if arrested he is going to make bail right away, We are not a mob rule nation. I am an indie not republican nor democrat. this is the first time I have been disappointed in him. He ought to be laughing this off. President Putin Laughs it off. “fuck you and the horse you rode in on.”
