WASHINGTON, DC – ŘÍJEN 07: Ředitel FBI Christopher Wray hovoří během tiskové konference o záležitosti národní bezpečnosti na ministerstvu spravedlnosti dne 7. října 2020 ve Washingtonu, DC. (Foto: Jim Watson-Pool/Getty Images)

Ministr obrany Lloyd Austin a ředitel FBI Christopher Wray spojili zdroje, aby vytvořili pracovní skupinu, jejíž mise zahrnuje identifikaci, izolaci a terorizaci „spolupracovníků“ White Hat, informátora FBI nebo „pátého sloupce,“ řekl Real Raw News.

„Pátý sloupec“ označuje rostoucí počet agentů FBI, kteří po nezákonném nájezdu agentury na Mar-a-Lago začali tajně pomáhat Bílým kloboukům v jejich misi vyčistit Deep State. Zdroje z kanceláře generála Erica M. Smitha uvádějí počet „pátých sloupců“ na přibližně 500, což je údaj, který oznamovatel potvrdil. Přisahali, že pomohou Bílým kloboukům svrhnout zločinecký Bidenův režim a jeho zkorumpované ministerstvo spravedlnosti.

Christopher Wray však zjistil, že agenti pod jeho velením pracovali po boku Bílých klobouků, aby podkopali jeho autoritu, ale neměl tušení, kteří agenti sdílejí jeho zlověstnou agendu – zbavit Američany práv a svobod, které jim jsou drahé – s Bílým kloboukem. Společensví. Pátrání po dvojitéch agentech poslalo paranoidního Wraye po hlavě dolů do spiklenecké králičí nory plné skutečných i smyšlených spiknutí, aby ho vyhnali z FBI. Informátor řekl, že Wrayovo věčné hledání „zrádců podporujících Trumpa“ ho přivádělo k šílenství.

V lednu Wray pověřil skupinové supervizory a speciální agenty odpovědné v DC, Spokane, Dallasu, Houstonu, Chicagu, Oklahoma City, New York City a Miami, aby vypátrali „páté kolonisty“ a dali jim tři týdny na vytvoření seznamu jmen. Když uplynuly tři týdny a nadřízení a odpovědní agenti neodhalili ani jediného „pátého sloupkaře“, Wray se zbláznil a obvinil je, že jsou špioni, a požadoval, aby odebrali polygrafy, aby dokázali, že nejsou agenti kontrarozvědky, kteří tajně pracují pro Donalda Trumpa a Generál Smith. Všichni prošli a Wrayovo šílenství vyletělo do nových výšin; Všude viděl špiony a kolem něj se pletly spiknutí.

„Došlo to do bodu, kdy Chris Wray nikomu nevěří; i jeho bezprostřední podřízení jsou v jeho očích podezřelí. Když řeknu, že je blázen, je to podcenění. Využil tisíce člověkohodin a spoustu dolarů daňových poplatníků ve snaze bez štěstí zjistit, kdo jsme,“ řekl informátor.

Wrayovo šílenství pokračovalo až do února, kdy degradoval zástupce odpovědného agenta za neposlušnost a vymyšlený přestupek: neoslovení „pane“, když byl v přítomnosti členů kabinetu nebo vysokých vojenských úředníků.

„Někdy na konci února, a to datum si nepamatuji, se Chris Wray – a do té doby je naprosto ponížený, že nikoho z nás nenašel – setkává s Lloydem Austinem, je to skutečný kus práce, a přináší mu služebního Agent FBI, který ho má na starosti. A tenhle chlap, a nechci ho jmenovat, je v předsednictvu 15 let. A přímo před Austinem Wray právě začíná žvýkat tomuhle chlápku novou díru v zadku a říká, že on je důvod, proč nás úřad nemůže najít. A tahle ubohá míza je jen chlap, který dělal svou práci. Chris Wray ho obléká a říká Austinovi, jak ho degraduje na práci u stolu. A vím to, protože se tím Wray chlubil a ze speciálního agenta, který to měl na starosti, se stal posouvač tužek,“ řekl informátor.

Wray, dodal, skrýval svůj stud tím, že obviňoval ostatní ze svých neúspěchů. Během setkání s Austinem Wray navrhl, aby se FBI připojila k Austinově armádě, aby odhalila a vymýtila „povstalce z Bílého klobouku“, což je označení, které použil pro disidentské agenty a kohokoli jiného, kdo se staví proti zločinnému Bidenovu režimu. Řekl Austinovi, že nedůvěřuje svému lidu a chce, aby vojáci pomohli „zajmout nebo zabít“ povstalce, a konkrétně požádal speciální jednotky, aby tuto roli plnily. Austin byl nucen přiznat, že už neřídil speciální jednotky, ale nabídl jiné řešení: Řekl, že „Bidenův kámoš“ z týmu Close Precision Engagement Team USAF se bude řídit jeho příkazy.

Wray, řekl informátor, si vybral 75 agentů, aby pracovali vedle Austinovy 50členné jednotky, ale ve spěchu, aby odhalil své nepřátele, sebral několik „pátých kolonistů“, aby se zúčastnili společné pracovní skupiny FBI a Black Hat, a ti předávali informace do kanceláře generála Smithe.

Společná jednotka cvičila 60 dní v ústředí FBI v Quanticu a na Black Hat kontrolovaném Travis AFB v Kalifornii, kde si procvičovali střelecké dovednosti na střeleckých cílech s použitím tváře prezidenta Trumpa a generála Smithe místo terče. Prováděli povstalecká cvičení a předstírané výslechy a naučili se hledět na všechny Trumpovy příznivce s podezřením.

Mezitím Wray psal seznam za seznamem potenciálních pachatelů. Podle Wraye prohledával profily stovek agentů – aktivních i v důchodu – na sociálních sítích, aby hledal ukazatele vlastizrádného chování, jako je hanobení Bidena nebo podpora prezidenta Trumpa, což jsou hanebné zločiny.

"Wray by přidal jména na svůj seznam." Škrtněte jména. Znovu přidejte jména, která přeškrtnl. Řekl, že sympatizanti White Hat jsou vinni ze zlomyslnosti a slíbil, že nás všechny dostanou," řekl informátor.

2. dubna si Wray myslel, že narazil na platovou špínu. Narazil na profil na sociálních sítích bývalého agenta Garyho Belvina, který odstoupil z FBI krátce po incidentu v Kapitolu 6. ledna. Profil obsahoval fotografii Belvina, 47letého černého muže, který stál 180 cm, měl na sobě tričko Trump 2024 a držel prapor s hvězdami. Jeho komentář pod obrázkem zněl: „Potissimum libertas“, latinsky „celková svoboda“. Dalším obrázkem byla selfie Belvina stojícího v Buckman Tavern v Bostonu s titulkem „na dovolené v Massachusetts“.

"Wray vyfoukl těsnění, když viděl profil," řekl informátor. "Myslel si, že Gary Belvin odešel z předsednictva, aby se připojil k Bílým kloboukům, a chtěl ho moc dostat."

Wray se dozvěděl, ve kterém hotelu Belvin bydlí, a shromáždil členy své čerstvě vycvičené pracovní skupiny, aby ho zadrželi a vyslyšali. Dal Belvinovu fotografii mezi pracovní skupinu a varoval je, že Belvin je pravděpodobně ozbrojený a výjimečně nebezpečný, a povolil smrtící sílu.

4. dubna agenti FBI a Black Hats vtrhli do bostonského hotelového pokoje a udeřili jediného obyvatele, bělocha ve věku 30 let, omračujícím obuškem, což způsobilo, že v agónii spadl na podlahu. Muže spoutali, odvěkli do koupelny a přivázali k židli. Jeden Black Hat se vykoupal, údajně proto, aby muže utopil, pokud by odmítl spolupracovat. Nikdo z agentů si zřejmě neuvědomil, že vstoupil do špatné místnosti a podmanil si nesprávnou osobu. Vyslyšali ho 30 minut a vyhrožovali mu, že ho zabijí, pokud neuvede všechny „páté sloupky“. Teprve po 45 minutách zkontrolovali mužovu průkazku a pochopili jejich zásadní chybu.

"Ten chlap byl pilotem letadla na mezipřistání." Tihle blázniví blázni měli Belvinovu fotku, ale stále si pletli bílého chlapa s černochem. Jsou větším nebezpečím pro sebe než pro nás. Belvin ani nebyl v hotelu, když ho přepadli. Belvin nemá ani vazby na „pátou kolonu“ nebo bílé klobouky,“ řekl informátor.

Když se zpráva o zpackaném nájezdu dostala na veřejnost, FBI a ministerstvo obrany vymyslely příběh, který skutečnou událost zatemnil. Federální agenti a vojenský personál podle nich prováděli výcvikové cvičení v bostonském hotelu a vyslyšali nic netušícího civilistu poté, co omylem vstoupili do špatné místnosti.

"Je děsivé, že Wrayovi lidé a vojenské černé klobouky spojili své síly." Pokud se dají dohromady, mohou být skutečnou hrozbou. „Pátá kolona“ je nyní bezpečná a naším cílem je, aby to tak zůstalo,“ řekl

informátor.

Alexandria, VA – April 14, 2023 – Starboard (Formerly, Olympic Media) announced today that it has concluded the acquisition of Parler, the world’s pioneering uncancelable free speech platform. No reasonable person believes that a Twitter clone just for conservatives is a viable business any more. By refocusing on the cloud and IT infrastructure space George Farmer has done an exceptional job at successfully leading Parlement into a critically important industry where it has already begun to excel.

Starboard is the perfect home for the Parler brand and its longtime loyal users. “Parler’s large user base and additional strategic assets represent an enormous opportunity for Starboard to continue to build aggressively in our media and publishing business. The team at Parler has built an exceptional audience and we look forward to integrating that audience across all of our existing platforms.” said Ryan Coyne, CEO of Starboard.

While the Parler app as it is currently constituted will be pulled down from operation to undergo a strategic assessment, we at Starboard see tremendous opportunities across multiple sectors to continue to

serve marginalized or even outright censored communities – even extending beyond domestic politics.

Advancements in AI technology, along with the existing code base and other new features, provide an opportunity for Starboard to begin servicing unsupported online communities – building a home for them away from the ad-hoc regulatory hand of platforms that hate them.

The terms of the acquisition are not being disclosed although Starboard expects the deal to be accretive by the end of Q2 2023.

About Starboard: Founded in 2018 by Ryan Coyne, Starboard (Formerly, Olympic Media) is a digital media conglomerate that houses business lines focused on digital advertising, fundraising, publishing, and consumer brands. The publishing vertical has expanded aggressively with several recent acquisitions amounting to several-hundred million engaged content consumers annually.

Starboard was named the 13th fastest growing company in the nation on the INC 5000, and the fastest growing in advertising / media in 2021. Starboard is based in Arlington, Virginia.

Media Inquiries: Press @ Starboard .Co

Parler is down. Bought up by another company.

Dr Sabine Hazan (Tiktok vid) explains her own (published) research on the gut biology before and after vax. Results show good bacteria (bifido) goes to zero 90 days after vax. Zero levels are seen in autism and Alzheimer's. Guess what restores the biome? Fermented foods. What is Bud Light? Fermented liquid favored by the "masses". So Dylan was a Deep State ploy to have the Heartland dump an easy source to heal the gut biome. Amen.

It's really weird that MB said Brian Stelter was in gitmo and now they're letting him write a new book!?!?!? smh Mike

Odd,. Huh ? What happened to Mike?

Either he was silenced,..or something big is going down!

RRN lull provides me opportunity to write more colostomy bag adventures, also stories about my horse [stable antics of bestiality].

Stay tuned.

Let the Dems aka, communists, train there hearts out, the deep state is slowly dying and being exposed and taken out. it's a very slow death to them and highly painful as "power" slips right through their

incompetent fingertips.

You and little weenie are very weird, and should NOT be allowed to be loose and you need therapy... preferably Shock therapy !..reopen the asylums..

That's why There are so many criminals on the streets... committing violence against law abiding citizens of our country...

People who are supposed to be DEAD.... keep popping up in the news. Like the Bitch, Nancy Pelosi....for example. I thought I read on this site that she was already *executed* at GITMO. Another one is Hillary Clinton. Getting back to business at hand....there must be some way that the White Hats can capture Christopher Wray and have him brought to GITMO. Another person who needs to be taken prisoner is the bald headed ***piece-of-shit*** in charge of Homeland Security.

There must be some way....that the White Hats can get to them.

The Wicked Witch is as dead as a doornail, Thank God. Allegedly President Trump, who initiated her demise was present to witness it personally. You are seeing Teresa Barnes her main actress doppelganger. Mayorkas is the bald headed piece of excrement you refer to. 100% agree. He is the devil we need to focus on and quickly. Hilldog was also executed for treason 2-3 yrs ago. Allegedly Trump attended this execution personally as well.

No...there is proof.. not allegedly...

How about the body that's on Ice in a bodybag ?

Explain that one

Well today Friday, Trump in NYC for depositions.

Q: why depositions not performed by Zoom Conference?

Maybe Trump brought his golf clubs, and will pull off a round at Forest Park cause he's a staunch Queens guy, and Forest Park his old stomping grounds. BTW: no 19th hole at Forest Pk.

Everyone gets melancholy for their old neighborhood.

Trump on a muni? With all those FILTHY ordinary people around? Members of his AUDIENCE who he likes in the aggregate but never as individuals because they are poor and dirty and want things from him? No thanks.

Reiterating: “staunch Queens guy”. It’s a NY thing. Billy Joel: “... cause I’m in the NY State of mind”.

Then why you’re going against the family? Fredo was once reprimanded for that.

I’m making \$90 an hour working from home. i was greatly surprised at the same time as my neighbour advised me she changed into averaging \$100 however I see the way it works now. I experience mass freedom now that I’m my non-public boss. Everybody must try this job now by just using this website.. <http://www.Payathome7.com>

Well you just told them all of your plans great! Now this is never going to end, unless? This is all fake 😏

Michael on spring break or something? It would be nice to give readers a heads up beforehand! 🙋

MB said he had a family emergency and he will be back to publishing as of yesterday. He’s probably backed up, so give him a chance. I hope it’s nothing bad.

He has a lot of family emergencies, especially in warm weather, despite not having many family members. Hi Chris!

YEAH.....where the hell has Michael been hiding ?? I am getting *bored*....reading the same old shit on this site. **How about some new stuff...Michael ??** You are falling down on the job.

Google pays \$300 on a regular basis. My latest salary check was \$8600 for working 10 hours a week on the internet. My younger sibling has been averaging \$19k for the last few months, and he constantly works approximately 24 hours. I'm not sure how simple it was once I checked it out.

This is my main concern..... <http://www.Smartjob1.com>

I'll bet this is the next topic:

A **Homeland Security Department** spokesman was held Wednesday on felony charges of sexually preying on a detective posing as a 14-year-old girl through explicit online conversations. He was quickly suspended without pay from one of the nation's top crime-fighting agencies.

The arrest of **Brian J. Doyle**, 55, raised doubts about the ability of an agency responsible for safeguarding the country to ensure the security credentials of its own people.

Doyle is accused of 23 felony charges related to sexually graphic conversations with what he thought was a teenage girl, who was in fact an undercover Florida detective.

Why would you be concerned? You just told someone else not to worry, there's a "family emergency" Mike has to attend. I know it really means doing coke off a hooker's ass on that boat lmao

I miss the news too and o bet the deaths of the white hats caused loss and confusion just like those satanist meant it too ..... I love getting real news here

Off topic...

“In January 2018, six weeks after the Shermans’ bodies were discovered and after a forensic pathologist hired by the couple’s family ruled their deaths a double murder, Toronto police publicly confirmed that they believed Barry and Honey Sherman were the victims of a targeted, double homicide.”

Why is this horrific murder(s) still unsolved?

I read they owned a pharmaceutical lab or factory that produced hydrochlorine. Pr however you spell that.

Wow that sounds like something the Big Pharma would do to anyone who is being a threat to their poisons \$\$\$\$\$\$\$\$\$\$ --- they are too big for their own good and want yo possess all the world’s money \$\$\$\$ at our expense

Last edited 23 hours ago by Carol B

And kill us all off at the same time. They must really hate we “useless eaters,” don’t they?

Hydroxychloroquine, the Covid-19 cure that the deep state savaged the hell out of Trump for, because they want us depopulated and not cured.

I was just going to ask that. Isnt anything going on at Gitmo. These tribunals are supposed to be quick once someone was bought in.

I’ll bet this is the next one: A **Homeland Security Dept** spokesman was held Wednesday on felony charges of sexually preying on a detective posing as a 14-year-old girl.

This is the only source I trust. The other alt-right indie news sources have been compromised or silenced outright. The red flags for me are the ones that never talk about the vaccines being deadly, who never talk about child sex trafficking, who “stand by Ukraine” and praise

Zelensky who supports and defends everything we hate while they hate Putin and demonize Russia for defending everything we hold scared, and never talk about the 2020 steal.

There's always the Dinar Chronicles. We'll all be millionaires within a day or two, according to Judy.

Yes, and he's an illegal himself just like Kackling Kamala who was put in charge of the border.

Wray should have to pay  
At guantonimo bay....  
I say ,..in a big way...  
With a drop and snap  
Fit him with a rope  
The deserving DOPE !

Dearest Father Jesus, Sometimes we need to re-read the communications and remember WWIII is MISinformation / DISinformation. Thank you for bringing to us, "Q" team's and POTUS Trump's "bread crumbs" of clues, and Michael Baxter's "articles of awareness" that we are able to discern the current spiritual war of engagement that require us to "unify" "search out" "discover" "discern" and "take action" to "eradicate evil on Earth." We are obeying your command to FIGHT BACK HARDER against evil, and praying and repenting in unity [Internet] to You.

Since before your murder, Father Jesus, You wrote of evil humans and evil non-human angels alias Jew lie, cheat, thief, rape, burgle, murder, false witness, and destroy Your righteous Families' reputations (PROVERBS 6:16-19). In the past 100 years, renegade angel alias Jew has declared by newspapers, books, conference speeches, and letters to world leaders that they came 6,000 years ago to "genocide humankind" and "destroy Earth;" and intend to achieve their agenda in less than 100 years remaining.

Well, Father Jesus, we know You will disabuse the wicked beings of their contrived schemes to murder Your “beloved humankind” Families that You imaged Yourself upon: White, Caucasian, Yellow, Red, Brown, and Black. It’s all good for humankind who asks You into their heart, and asks Your forgiveness for disobediences. However, we know it’s not all good for humankind that does not pray, repent, and turn away from disobediences against You. Yes, You warned humankind that non-repenting disobediences shall be judged alongside of Your wicked humans and wicked angels that You use to keep righteous humankind obedient to You. But for those who won’t repent, You’ll cast them into Hell for eternity. Bless you, Father Jesus, for peace on Earth and camaraderie among Your righteous “beloved humankind.” Amen.

Shut your mouth, impatient woman.

This is a war, and you are owed nothing.

Be grateful! that righteous, white-hat men are even now sacrificing their lives to protect us.

You can shut your mouth, after you apologize to Leslie.!

She is correct, We readers are patient and waiting for the new article which is unusually late.

I concur Wildcat, and it not Mike’s fault.

EdBob seriously needs to shut his mouth and apologize, but he is rude, vile, nasty, obnoxious, has no manners, no respect and no compassion or understanding for women, He hates women and anything to do with women, so he needs to be banned from his site. Mike is rushing back to publish again, he knows we are waiting, but family emergencies don’t wait.

It’s satisfying and “sticks to the bones” but if you ever tasted produce out of the garden of Eden and some have gotten a lot closer to that kind of memorable food, what happens is it’s way more satisfying but only lasts like an hour before you look for more, unless it’s nuts and

today's altered nuts don't have enough protein so you have to eat seeds and lot's and lot's of them which is too much eating. Meat lasts longer for now, but isn't necessary nor desired if the garden of Eden food comes back. That garden of eden food don't need steak sauce and you wouldn't even dream of altering that flavor satisfaction.

Our food sucks because the scientists wanted to be rich and avoid the wrath of the demons after them. Steak itself don't taste good without steak sauce or at least salt and pepper. Real food don't need seasoning.

I'm impatient, too, Leslie. Hang in there, MB is doing his best. OTOH, EdBob seriously needs to shut his mouth and apologize to you, he was out of line for that.

California Democrat Gets Red Flagged, Karma Anyone?

Not only in California but all around the entire country. In Tennessee too. Democrats are getting booted out by Americans who are tired of their lies and covering up the lies of fellow democrats. Vote them all out America!

My fellow Americans, regardless of your party affiliation, it is time we start working together on getting our country back from these thieves stealing our taxes let's bring our country back to normal . . . how it was before the illegitimate lying corrupt criminal biden family and his corrupt lying democrats ruined our great country.

Let us all unite and work together, starting now, and remove and vote out all corrupt politicians – democrats, Republicans in Name Only, independent.

And watch what happens when we succeed. You will be proud you voted these thugs out and you will be proud of the results . . .

America Will Be Greater Than Ever. GOD Bless America.

President Trump Will Be Reinstated before the end of this year – 2023!

Last edited 1 day ago by 45-GreatestEver.GOD'sBlessingToUSA.

That was an inspiring message 45. Everyone: find out where you vote and push for paper, cardboard boxes and armed guards. Do not let your paper vote go into a tabulator. They need to be hand counted in a certain way and the ballots need to be separated a certain way. If the ballots aren't taken and guarded and counted by the military, for example, then you may as well stay home. Push for paper and you will get what you voted for. I was once a scrutineer for our local elections here before the stupid machines took over. It is such a SIMPLE matter. Sorry for the repetition here, I always say this, but it is paramount. Oh, and we had the results by midnight of same day.

Is that what you say , when mom says that you're old enough to get out and get a job?

“President Trump Will Be Reinstated before the end of this year – 2023!”

Pure, unadulterated bullshit.

It's impossible under the Constitution. SCOTUS cannot create some legal workaround that would allow it to happen. Plus, Trump was supposed to be reinstated at least three times previously, and he's still just playing golf in Florida

Last I heard was it's all pushed back until June, 2023, elections and Nesara. Universal Basic Income is not Nesara. If they roll that out and it's seen by November with the remote viewers is for the bigger events of WW3 I guess when they really do a lot more blasting of evil on surface earth we'll see buildings blasted out around any big city, etc so there will be rubble to clear. I can only guess at that point they won't be wanting people to work and delivering already stored food from the tunnels after they take over Amazon and Walmart and use their delivery systems.

Too many of Wray, Mayorka's & Austin's precious "refugees", I mean "invaders", are pouring out of Central & South America, Cuba and Haiti and coming to the US illegally now. It is getting hard for these three traitors to hide these facts any longer. They cannot fool all the American people all the time, but they will not stop trying.

MB, next please. I'm tired of seeing this dudes picture everywhere much less here at RRN. Next Please. Thank You.

This is a landmark story. It needs to be up for a while. It says Chris Wray is a white hat and he has the last of the swamp creatures tagged for extinction.

It means the war is over.

Nutless Newsom just implemented that Contractors in the State of California MUST carry Workers Comp insurance even if they DON'T have any employees. What a crock!

That's good, hobbling fly-by night, so called [sole proprietor] contractors that advertise in community publications, also tacking swanky looking business cards on bulletin boards.

Any business card received lacking a "physical address" i.e. shop or office is a fly-by night operation.

Hit-n run contractors are ramped. If any so-called contractor cannot acquire a \$3k policy they're nobodies, as chump-change operators.

Many idiots with service trucks speak a good game and are everywhere. No workers comp, no entry onto premises.

PS: insurance underwriters lobbied for that, in handling contractor work related injuries against home owners insurance policies.

Case in point, roofer or chimney sweep puts ladder on house and takes a fall, ambulance, hospital & surgery etc. and no workers comp, guess what, homeowner on the hook.

PS #2

Most self employed, so called contractors i.e., man with truck & tools, hire day labors that congregate outside Home Depot, circumventing workers comp.

Must have contractor provide certificates of liability, disability and workers comp before starting work, stipulated from beginning, adage: no ticket – no shirt.

BTW: “License Contractors” cannot attain work permits without proper insurances via municipality having jurisdiction.

Private homes, contractor minimum \$1m liability policy, multiple dwelling \$5m policy.

Hire a fully insured contractor else regret it later.

It’s like MIA. This is military news. I noticed a nightmare of uptic in weather and explosion disasters. Someone blew up almost 20,000 cows in Texas. The military must be seriously busy. The good angels are letting this stuff happen also. They either can’t or don’t see fit to

stop it. My guess is it needed to happen, probably used polluted cattle like mRNA or something toxic so the cows aren't any good anyway and need to point out more deep state crime over that way.

yeah, I heard cow farts were part of global warming so there is the excuse.

This person known as 'MB' releases info only as the military authorizes.

This site is more, much more, than to appease mere curiosities.

The traitors are listening too, and silence, when it occurs, is by design, regardless of what MB states in the next article. .

His true identity and most details of his life and career are well known. A simple search will turn up some very eye-opening stories. To paraphrase Seinfeld

“Maybe there's more to MB than meets the eye.”

“No. There's less”

He's just a guy. With a connection...and a good descriptive writing sense. He wants to impart truth. What more do you want? We all start out thinking one way and end up thinking another. It's called evolution. It's a good thing.

The releases go silent from time to time. Have a nice Coors light.

If 'MB' were not 'ok,' he would, and could, easily be replaced.

He was selected for the role, to release updates to We the people.

Fox has audio tapes of Guliani, Wood and other Trump campaign people admitting they have no evidence of Dominion fraud. Recorded by producer for Bartiromo's show — they were trying to decide how to answer questions about the voting machines. Bottom line — they made it all up

You're not very convincing. Your masters should fire you or rewrite you if you're a troll-bot since you suck at having any ability to convince anyone with a brain not bathing in Fluoride. Or perhaps; you just have an IQ way below 100.

They have other machines, HART, Smartmatic, and quite a few others besides Dominion. SO, if they say they don't use Dominion they may be telling you the truth. It is another kind of tabulator....

Yeah , then you woke up! I guess we didnt see for example, the Ruby Freeman show, where all the workers stayed after people were told to go home, and they started counting and recounting the ballots? Same stacks ,multiple times!

Did any of you ninnies actually read the story or would that be too taxing on your intellect?

So Twitter board can be contacted and ask if they allow fakers, at least report it but IDK if they allow clones and body doubles meant to take these jobs when the original dies.

Clones on surface earth I guess are mostly high level jobs. There were maybe experiments walking around, like the time I met Justin Trudeau on the LAX green line with two cops as body guards. Had to be a clone fresh out of the factory. Not a hair out of place. No lint on the clothes, and he just showed me his black boxes on his belt. Something in those boxes I guess little explosives? He was obsessed with showing them to me and in order to do that the cops were some kind of mind controlled to just look out the window.

Rochelle – oh Rochelle, where are you? Come-out – come-out from wherever you are...

Venturing into childhood street games: Red-light – Green-light 1-2-3... LoL.

“Johnny” ride-em pony too.

Playing stickball sewer to sewer [manhole covers] long gone.

Skully, aka, Skullzy with bottle caps gone too. Remember melting crayons in those caps.

Sadly, kids today haven't a clue, electronics killed that.

MB article awhile back hinted that he was arrested, then directed to remain in role – possibly a plea bargain deal. Regardless, his tranny loving woke, dishonorable ass begs for a cane whipping, before his sentence.

MB would be held to releasability protocols as directed by the military. He's not here to entertain, and these releases are a luxury in time of a legitimate, deadly, world war.

MB měla rodinnou nouzi, dnes začne znovu publikovat. Taky na něj všichni čekáme... Lori Lightfoot, Liz Cheney, členové Gatesovy nadace.

Vy jste paní MB? Nebo jeho bratr? Zdá se, že víte hodně o jeho rozvrhu a dalších osobních podrobnostech. Na tom není nic špatného, BTW
