Tim Russ, herec, který v 90. letech ztvárnil Vulcana Tuvoka ve filmu *Star Trek: Voyager*, oživil svou hereckou kariéru novým vystoupením: v televizi a na veřejnosti ztvárnil zneuctěného bývalého prezidenta Baracka Husseina Obamu, zdroje z US Army Cyber Command (ARCYBER) řekl Real Raw News.

Alternativní zprávy po léta tvrdily, že Obama skutečně čelil spravedlnosti a byl nahrazen dvojníky a dvojníky, plivajícími obrázky muže, který údajně páchne jako síra a byl nazván „pánem much“

poté, co mu hmyz nevysvětlitelně přistál na hlavě během mnoha tiskové konference.

White Hats však nejsou přesvědčeni, že Obummer farmu koupil, a říkají, že podobenství o jeho smrti mohou být předčasná. Jak řekl jeden vysoce postavený zdroj z Guantánama RRN: „Pokud ho někdo dostal, nebyli jsme to my a neviděli jsme žádný průkazný důkaz, že je mrtvý. Nikdy jsme neslyšeli tlachání – a jeho smrt by byla docela velká věc.“

Bez ohledu na to, zda je Temný pán vzpřímený nebo zasazený vodorovně do země, našel spojence v Russovi, který podle zdrojů nedávno hrál roli Obamy na řečnické akci v australském Sydney, kde 9 000 lidí zaplatilo 900 dolarů za poslech. on a muž-manželka Michael Robinson chválí australské zákony o kontrole zbraní, zastřelí prezidenta Donalda Trumpa a vychvalují stavbu jeho *Obamova* prezidentského centra v Chicagu.

ARCYBER o Russovi ani neslyšel až do listopadu 2022, kdy disident CIA poslal zástupci velícího generála Paula G. Crafta dokumentaci, v níž se uvádí, že Agentura připravila Obamovu obdobu.

Russ a Obama mají podobnosti: struktura obličeje, pleť, úhel nosu, délka a šířka. Sdílejí také podobnou výpověď. Obama má větší uši, ale Russ nosí protetiku, jako když vypadal jako Vulcan ve Voyageru, když se za něj vydával. Jsou ve stejné věkové skupině, Russ 66 a Obama 61, a mají identickou strukturu vlasů, ačkoli Russ,

jak se uvádí v dokumentaci, obarvil svůj tak, aby odpovídal Obamově odstínu šedé. Russ nosí zvýšené boty, aby odpovídal jejich rozdílu ve výšce – Obama je o tři palce vyšší než Russ.

Dokument uvádí, že Russ je posedlý Obamou minimálně od roku 2014. Tehdy 57letý Russ požádal svého agenta, aby zajistil konkurz na *Southside With You*, film z roku 2015 – mimochodem zcela fiktivní – o mladém , miloval Obama namlouvající Michelle na prvním rande v Chicagu. Russ řekl, že je příliš starý na to, aby mohl hrát roli, a tvrdil, že by mohl být zestárl prostřednictvím CGI a mohl by hrát přesvědčivého Baracka Husseina Obamu.

„Noviny CIA neříkají, proč potřebují herce, aby napodobovali Obamu, ale jasně říkají, že loni oslovili Tima Russe. Zmiňují, že Russ musí projít přísným výcvikem, takže ani bystří pozorovatelé nebudou schopni říct, že to není Obama, pokud by mu nebyli přímo do očí. Naučili ho chodit, mluvit a chovat se jako Obama, stejně jako učili herce Arthura Robertse předstírat, že je Joseph Biden. Tim Russ je nový Hussein Obama,“ řekl náš zdroj.

Of note: Effectively immediately, U.S. Navy JAG has moved ALL military tribunals from GITO to Diega Garcia and USMS Camp Blaz, Guam, until 2024. Vice Adm. Darse E. Crandall arrived at Camp Blaz last night. I have not received a reason, but prisoners currently held at GITMO will be flown to either of the two locations..

Thank you for this update, MB however, Amg-news has O and his boyfriend Mike executed since 2019!

All the flights I see from Gitmo are going to and from Fort Lauderdale Intl and Jacksonville no flight record any where else.

Do you have any evidence to support that statement? Why not turn of the transponders to all the flights there? Wouldn't they want to cover what looks like high volume traffic for that area? Most of the traffic is coming from and back to the states.

It would make sense not to tell RRN of this move until the key flights have all happened.

I've been watching the flights in and out of Gitmo for months now and never saw any flights going to the places mentioned.

Thats what I read Obama and Big Mike had both been taken out and that Obama had shafted Big Mike thats why it was taken out as well

I don't know if they have been taken out but im told they SHAFT each other!!! lol

Hmm...interesting, Bob. "Q" warned patriots that renegade Barry Soetoro alias Obama and his HUSBAND Michael Robinson, both homosexuals / pedophiles, would flee America for safety in Kenya where Barry would publicly declare his British Kenyan citizenship by birth to avoid execution as an alien imposter who usurped Presidential powers in the overthrow of the United States of America by means as a former CIA agent, and Rockefeller family member.

Yes, the world would be a safer place IF Barry and Michael are dead ... time will tell us.

That Amg-News is one big sweaty collection of oddball shit. Issac Kappy is still posting. Quite a feat for a dead man

Deep state assault on GITMO? Get high value targets out of the way and then let the Marines go full medevil on the attackers?

There hasn't been another assault. GITMO is still staffed as normal, minues JAG personel and prisoners who are being shipped or flown out. I'll share more when I have more.

I'm only going to assume their get ready to rock and roll. With the current situation that's about to happen in the currency thing.

Amg-news has O and his boyfriend Mike executed since 2019 as well as this site along with big mike , maybe everything on here is a lie

Seems pretty obvious: with her dying breath, Liz Cheney used her witchcraft to curse the place 🧙‍♂️

Multiple sources have said that both were taken out back in late 2019 or before. Especially at the Bush funeral, shortly after all were taken out. Of all people, let Obama go and not know where he is? Cognitive Dissonance, my friends. He would have been taken out before Bush, Jr and Pence..

his source is him sitting in a dark room with opium and shrooms and imagining the what ifs and then putting pen to paper.

Actually, not that far from the truth for the reason that the patriot sources have cut all of us off at the balls. If you substitute “Widow Jane Bourbon” for Pop’s “opium and shrooms,” then you have the surface picture. Of course this says nothing about the deeper levels of consciousness, nor the scholarship. I have decided this PM that future Episode #43 will be entitled “Digital Soldiers AWOL, the Mice that Roar.” While most scripts take 2-3 weeks, I should be able to dash this script off tonight. It seems that I had the visitation of a great notion from a recent Jaco show and the attendant patriot commentary. As you may remember from 2 shows ago, I addressed patriot commentary on here (heartfelt and fondly, I thought), but the subject needs a thorough airing across the entire spectrum.

Oh what a brilliant idea. I am sure it never occurred to him to do that and he needed you to instruct him 😞

Prayers for the Crandalls and the Trumps and the panelists families. he may have had to move the tribunals for security reasons. GITO has been attacked twice and maybe that bloody executed deep state witch may have invoked some “otherworldly” intervention to get revenge on the White Hats. JMO.

I think you’re right! Makes sense to move and cleanse the place of all evil. She could of conjured up something.

Prayers and Divine Protection for everyone she spoke of.

Demon in a killed body so, the standard historical way to get rid of demons possessing places where they died is floods. If an area floods people have to move and demons have no reason to stick around further. Their whole thing to to get a possession in on someone. Some AI mind control claim there’s no demons, just all AI beings like the greys, or hybrid humans, but I just guess they have demons also. They died and avoid reincarnation eventually figuring that stuff out.

May I ask where you got your info on demons from? I've wondered if a person is demon possessed and killed, what happens to the demon seeing as they are only spirit? Wouldn't they just leave the body and enter someone else?

Well Cheney was part of the military complex & cia/mossad. Like father/daughter... I'm sure Chucky is on it as well with a few others..

She was hanged yesterday morning before this shuffle started happening. I'll try to get details on her death out before the end of the day, but if I get more info on why JAG is shuffling, that takes priority.

Derek Johnson said massive numbers of indictments were to be tried starting in June. Could this move be to make room for that?

Derek has reported that he has been asked to be present at executions as a 'reporter' by DJT.

I would have to review Derek's video to determine whether he is invited to GITMO to witness tribunals or plainly to witness tribunals. Then again, battle is a highly fluid environment. So says, John Travolta in "Broken Arrow."

vMichael...it means so much to us to hear the latest. It gives us hope and faith. GOD BLESS YOU AND YOURS...ALWAYS.

Thank you. She hanged... I am sure with much blustering and uncontrolled bouts of vulgar expression.

I am happy to hear they are shuffling about. Keep the Cabal from knowing everything.

Wouldn't it be sad if those planes "accidentally" crashed? Make sure the pilots and guards have parachutes.

Fast and effective. Get them all out of our hair at one time. Has definite reminders of "Con Air" though.

Those being held, will be held for the correct reasons. Some people are more valuable alive than dead in any event. Some will earn their eventual release on the back of helpful information they hold and can assist the removal of many bad actors especially after serving some time behind bars.

I would like to see more juice squeezed out of former Biden Chief of Staff Ron Klain. re: 2020 election fraud...

That would be a waste of equipment. Easier, faster & cheaper to put a bullet in their head. BUT I like your thinking...

It's easy and faster to let that plane explode into a million pieces @ an altitude of 20,000 feet (with No pilots or crew aboard) but it's a plane they don't mind seeing vaporized. You load all the hard nose leftist child rapists on board that plane. you run another plane with all of the Obama doubles, the Biden doubles, hunter Biden doubles, the Hillary / Bill Clinton doubles, any doppelganger you apprehend, clones, Rig that one to explode after they are "wheels up" flying over shark-infested waters..whoops! Must have been an electrical fire..!

Love the idea of taking out ALL doubles/clones! Let's end this movie and declare martial law!

Some of the doubles might be working for the White Hats like Arthur Roberts aka Joe Biden.

I'm with you Mary. Why keep feeding & catering to those who demand medical care and "prayer rugs" just to screw with great patriots. I say give them prayer rugs with C4 packed inside. I can lift a Waterford champagne flute to that! Dom of course.

Travel to an altitude of 20,000 feet & engage temporary auto pilot and then jump out of the plane and the autopilot will shut off after 5 minutes in. The plane lose altitude, cork-screw into a dive & hit the ocean surface @ terminal velocity everyone (all prisoners inside) will die, the aircraft will sink 2.0 miles down into a bottomless pit. No possible way to recover any bodies or the aircraft it's just too deep for recovery let em rot & decompose over the next 1 million years.

Only the scumbags who have ruined the lives of others including children and WE THE PEOPLE! YES, I HAVE AN AMAZING IMAGINATION!!!

DONT YOU?!?

.

Not sure what you mean. My primary source at GITMO is Command Master Chief who travels with Admiral and travelled with him to Blaz. I don't expect my reporting to be changed

This has to be for security reasons. GITMO has been attacked before. I am guessing you will still receive updates.

Must be why I saw a larger plane leaving gitmo yesterday, full of prisoners, with no call letters.

There are public flight trackers but how the fuck would Fifi know the plane was “full of prisoners” 🙄

Cyrus you idiot... We can track all planes as long as 1 or 2 things are on in the plane. 1 = transponder and the other is an ADS-B. Get off the site you bot/troll...

Transponders don't report passenger manifests. She has no idea who or what was on that plane

If you are reading this thread, you know she was hanged yesterday and he will write when he gets info. His sources tell him what they choose to tell him when they choose to tell it to him.

And it takes a bit of time to write the darn thing. MB says the Gitmo evac story is his priority. What's hard to grasp?

False Donna, no one has pegged me. Not being judgmental here, if you're into it that's cool. Pegging just isn't my thing, personally.

Much harder to swim 10,000 miles than 200 miles. Logistics getting to Guam and Diego Garcia for Deep State to “save” swamp rats is near impossible and very Expensive. Unlike the Christmas Day raid which began in Venisuela and ended with a suprise whipping because the Marines were NOT sleeping or drunk. Proud of you Marines, you did Good!

Thank you. I am thinking that they might believe GITMO is more vulnerable to attack.

Very interesting, especially moving the Crandall court to Guam, way out there across the Pacific. Diego Garcia, all alone similarly out in the middle of the Indian Ocean, must have finished its new courthouse. Moving high level executions far away? Out of sight, out of mind?

What are the plans for Gitmo with the 4,500 Marines stationed there? Expecting an invasion? Going to use the two Gitmo courtrooms for the lower level executions, maybe group executions, peasant nobodies the Deep-State will not even care about? Mass arrests are apparently now underway. Caveat Emptor, Buyer Beware, you traitors thought your masters cared about you? You did not know you were included in the 7.5 billion to be exterminated off their Earth in the Great Depopulation?

Diego Garcia, Tierra del Fuego, Opa Loca, XPL Honduras, Camp Blaz Guam, Naval Base Guam, Greenland, many other courts unnamed?

Think why....

Cuba is cia territory as well a Venezuela.

Possible 2 front conflict.

Now Diego Garcia is home to 15 separate commands, including the U.S. Navy Support Facility, which functions as the host command. India is next door as well as our pacific fleet. Diego Garcia even has its own airfield.

Guam, like DG is an island pretty much by itself. Japan to the north, philippines to the west, New Guinea/Australia to the south.

These 2 locations, you can see who is coming or going...

I guess now with Tim Russ, O will be going underground and use TR for a distraction. False Flags coming...

I also assume that the WH destroyed most of the clone labs...

The DS is in total panic mode and all bets are off – Stay safe out there...

Chatter saying Derek Johnson was to report from Gitmo in June or July concerning ongoing tribunals. Could be BS, could be factual. Also read that military at Gitmo requested help guarding detainees. It's all heresy until/if the truth pops up.

Wow-that's big news. So suddenly and until 2024! Can't help but being really curious as to why, and can't wait for more news about it.

There are a few ideas on why the sudden relocation of prisoners and Crandall etc from GTMO (looks sudden).

The first thought is that the base is under a serious threat of attack that cannot be completely fended off with a missile or two.

Another idea is that there is some Black Hat political move afoot – something like Congress taking over control of the base (and prisoners), which would be a huge blow. And one solution is to move the contents and functions elsewhere, out of such Black Hat reaches. Sounds more like it to me.

GTMO must be having a painful impact on the Cabal.

Last edited 17 hours ago by Atlanta

Obviously something serious; After they added much to the structure...seems strange. Maybe clearing out GITMO to make room for more traitors.

I just researched where these 2 bases are located, REMOTE REMOTE REMOTE!!! I hope Michael that you will still be able to report on the tribunals and the hangings!! You're THE BEST journalist out there!

Mabel the long distance operator will man the switchboard day and night to patch his calls into the overseas trunk line

i doubt this! and a open website tells everyone? so now the deepstate cabal will start blowing up or downing aircraft? bs! appear weak when very strong, they also dont tell the future or the plans!

wake up

I wouldn't want to fly with those elite criminals. They could whip up a conspiracy on the way over.

Thank you Michael. I speculated a shift in GITMO's operations after Deep State came to rescue Nancy Pelosi by a desperate jail break scheme. I also speculated the same for MR. Liz Cheney ... did HE hang as ordered by the Tribunal?

I wonder the reason that tunnels aren't used to safely hide the criminals out of sight, and out of mind.

They are maybe getting prepared for the press to start coming to GITMO Cuba. I know Derek Johnson will be going there in June. Broadcasting of executions and tribunals are starting.

Disappointing.]I guess his Stand-Up comedy doesn't cut it. As for the bases, Good, GITMO will still be there. Diligence.

Wouldn't surprise me if it's for his family's protection.. That remark about "unborn grandchildren" probably made him realise that his family are definitely on BH radar.. IMO Gitmo is a bit too close to the head of the snake in USA..

I hope we will still get the updates..

We are anxiously awaiting the executions of the 2 latest traitors sentenced to death by hanging..

I've been saying they finally got a real black guy to play Obama because Obama had no facial hair, his lips are a purple color and he is the spitting image of Mohammad Subud, the Subud cult leader that Stanley Ann Dunham and Lorraine Fuddy were apart of around Obama's birth year in Indonesia. It was in a biography book written about her life when he got into office. Obama Sr said he divorced her

because that wasn't his child. This guy playing Obama has a face that isn't composed in the same way, but close, neither are his hands. Ask an artist, we all know when the facial structure is off.

“(P)arables of his demise?” This is hardly a story intended to teach a moral lesson. “Rumors” or “reports” or “anecdotes” would be better choices. Don't fall in love with the thesaurus.

Let's be real...there is more than one Barack Zerobama look-alike. My neighbor's dog drops one on the lawn every day. In fact these Zerobama look-alikes are everywhere. Please keep your eyes open while walking at the park so you do not step on a Zerobama look-alike. It is hard to get off your shoe.

Wondering if this is because the bankruptcy of America is about to happen? When the Government goes bankrupt I was told to be armed because they will be releasing all prisoners from prison. ALL!!! That includes murderers, rapists, and more. The Marquis had a video on YouTube about it. I recall when hurricane Katrina hit, they released their prisoners and shipped them to various locations, like Cleveland, OH, Texas, and ? All the crime rates rose significantly!

Wonder if Russ will take on transgender roll in portraying Maxine Waters?

All it would take is a few six packs of Bud Light to convince Russ.

So apparently, the big moment may be approaching – MASS ARRESTS, of the, well, masses, coming soon, as they will need the larger capacities of GITMO to deal with the, tens of thousands who will be going there – MAINSTREAM MEDIA, BLM, ALL DEMOCRAT LEADERS, HOLLYWOOD ACTORS AND EXECS, COLLIGIATE EDUCATION PROFESSORS, ADMINISTRATION AND LEADERS, CHURCH LEADERS/PASTORS, IRS, CIA, FBI, FEMA, LOCAL GOVERNMENTS, MEDICAL COMMUNITY...

Sealed indictments were numbering in the 50 THOUSAND range, during the 2017 proceedings that occurred at the Columbia, South Carolina Fort Jackson/USC Columbia National Advocacy Center.

Dear God, it's going to be a once in a millennium event. The wicked dragged out of their homes and openly shamed for what they've done.

JUSTICE!

RECOMPENSE!

For those on the knowing Barack is another not legit presidento since he is not a legit American citizen. Waste of air and space and time unfortunately for American history now

She and Anthony were spotted out together in NYC last week. NY Post did a big story with lots of pics. Both looked very much alive.

Yeah, yeah, I know. Clones, masks, doubles, doppelgangers, CGI, projections, holograms, astral projection, swamp gas, Jupiter reflecting off the Empire State Building, whatever one you want.

Damn Mike. I'm laying' down all this insight and wisdom, and you're killing my posts off in seconds. Such a black-hat thing to do

WHAT a great gig for an actor, though! Lots of 'stage' time, better-than-ever pay, food, accommodation & treatment. Tempting anyway, even if an actor ISN'T a "lefty" – though most Un-holy-wood-ers seems to be. Termination of contract is also, for an actor, extraordinary. (Unless you've worked for Alex Baldwin, I guess.)

What happened to this Sidney Powell saying they had proof of voter fraud ..and Tucker Carlson was hung out to dry 🤔🤔🤔 nothing came of it ??? 🙄🙄🙄 the died! 😱😱😱😱

<https://m.youtube.com/watch?v=BspHzH6RRxo>

Sidney was forced to sign an NDA by special forces who burst into her office and held her at gunpoint. She can only reveal what the White Hats allow her to reveal and only on their schedule. After the EBS goes off and the three-day marathon of executions there will be a weekend special that will pre-empt Saturday Night Live where Sidney and Mike Lindell will tear the pillowcase off all the previously hidden information. At least that's what my sources tell me

Obummer has aged (if the pictures I see of him are in fact, him)! Lack of adrenochrome I'm guessing.

Let's see all versions of him removed and the deep state puppets arrested and soon!!

Interesting news about the move.

OBAMA GOT THE FIRING SQUAD HE WOULDN'T FACE THEM HE TURNED AROUND SO THEY SHOT HIM IN THE BACK OF HIS HEAD N THEM BIG MIKE TOOK THE INJECTION WE HEARD ALL OF THAT FOR YEARS NOW THAT THEY WERE BOTH AT GITMO

Sorry, but Tim Russ is a poor impersonation of BO. Height, teeth, nose, all significantly different. DS are clowns.

This sudden move sounds like something is seriously threatening the whole GITMO facility. What can that be? We know the DS tried an assault Christmas Day and thank God they failed but that isn't going to stop them to try another assault. What if the DS plans to assault from below like through a tunnel? The Chinese army tried that a few years ago on the Brunswick/Maine border. We found out about it and blew the tunnel and Chinese army to hell and back. Smoked out the tunnel and killed lots of Chinese soldiers. That threat that L Cheney made that shook Crandall must have struck a nerve. Maybe she knows the plan. Is that why DeSantis wanted to go to

GITMO? What business does he have there? Probably wanted to case the place. Whatever, this is it isn't good. I hope we caught whatever the threat was and have or will have neutralized it.

The DeSantis request, esp. for a 2nd visit to Gitmo was really strange. Gitmo ISN'T in Florida. (Last I checked, LOL.)

There are positive possibilities. Everywhere I see acceleration happening, which can only happen as key Deep Staters get taken out sufficiently. I don't think RRN is being told everything, only what will help overall – in which a steady gaining of awareness is essential – but not bombardment. It could well be, for instance, that only key players from now are going to Diego Garcia etc, but that an influx is expected at GITMO. It could also be that DG has finally been cleaned out – it had tunnels/ET links afaik. Obviously the move had to be planned and it makes sense not to broadcast it until the major flight transfers are done.

I thought Obama was shot in the back of the head some years ago. No? Why are we still not being given the truth? How are we supposed to believe anything we read or hear or see?

Correct me if I'm wrong. Obama was caught with a global phone, then took one in the back of the head.. Now we have this. Anyone remember that..

Why hasn't Pence been arrested and hanged for treason, murder and rape of children???? Instead, he is going to run for President and Trump is saying HE IS A NICE GUY WHEN TRUMP ABSOLUTELY KNOWS THE CRIMES OF PENCE!

Yes why is Pence being allowed to present this pristine appearance when we all have read otherwise about him?

Linda, I have had the same question regarding Pence. He is supposed to be the all American guy. Looks honest but is a child rapist. How can his wife & kids stand with him when everyone knows he is a sick rapist of our young, vulnerable children? How can his wife still smile & hold his hand when she knows that he would rather have a 13 yo boy give him a bj so he doesn't have to pretend he isn't the disgusting pig that looks back at him in the mirror EVERY DAY?

Various sources say he was taken out for attempted assassination of DJT; has a thick unpleasant history of child abuse. Yet I wonder also if JFK Jr, who enjoys acting, has played Pence on occasion, as well as the often-seen baldheaded Trump bodyguard role. That is, understanding JFK Jr is in Witness Protection as I and many others believe.

PENCE WAS ALSO EXECUTED AWHILE AGO HE TRIED TO ASSASSINATE TRUMP 2 OR 3 TIMES SO THEY EXECUTED HIM ALSO HE WAS A PEDO N KILLED 189 CHILDREN

Pence won't be arrested for the same reason Biden and his family and 80% of congress hasn't been arrested and executed. Sheltered from the storm by the great deep state umbrella. FBI, CIA, NSA, DOJ...

Actors playing roles... No problem everyone, everything is completely normal for top officials and presidents to be executed or dead and actors in masks or clones play their role and carry out plans as if these people were alive.

What good does that do for the masses?

It's way past time to take our USA back to US! Yet the US proudly presents these pedo's as if it's perfectly normal for the sick SOB's to do irreparable damage to the young innocent people who will one day, if they don't commit suicide, be our leaders. May God help us fight the EVIL, the disgusting pigs we can not overcome w/o God's help.

Remember Jesus IS OUR SAVIOR OUR LEADER and our BLESSING.

 &  to everyone who reads and RT's

This movie is getting old , not funny anymore, never was real, except for the hangings. Side show, Russ looks nothing like Obama, don't matter how much makeup they put on him. Fake Biden talking about running again, he will win because the dominion voting machines are still in operation. Freaking clowns ,put them in jail , every one is not going to be convinced , leave them behind, tired this side show.

Thanks for the news MB dont worry about information give the gist when all is clear obv something big is going down take care and stay safe hunker down and give em hell. love to all freedom loving people worldwide

lame, if you cant see the thruth, then you is blind! any researcher knows obama clinton the queen died 5 yrs ago! if you are a wh reporter then follow the truth!

I agree, but it's still encouraging that the awakening is going to a higher level.

Doesn't even resemble BO! Com'n on, man.. start with that huge nose. lol Looks more like OJ, back in the day.

Did they have to teach Russ how to be a flaming homo too? Or did it all come naturally to him?

I think the real Obombya is still running around. Probably not on this continent. I think he "works remotely" and has made his escape. So his voice will still be available if needed. I think he uses Russ for a

stage presence and for long shots like getting in and out of a Limo or anything like that. THEN anything else he does remotely from his hiding place in, oh, probably Kenya. He pulls all the puppet strings from where he is.

I just had this feeling that the stories of his demise were of a clone, or some such thing, or double. The real Lord of the Flies is still with us and is directing this clown show imo. It's just what I am thinking, but who knows? I am starting to believe in the Anti-Christ.....

On the stage, or in long shots no one notices gaps in the teeth, or lack thereof. He can pass easily. Then the real O stays safe and continues to destroy the world from behind the curtain. Well, the flies land on him and he lets them, so it should be easy to take him out once his location is determined. One last thing of note is that I remember him travelling to the Pyramids in Egypt and having special reasons for being there that weren't disclosed. Also, I remember he was visiting Norway when that blue spiral opened up in their sky. I believe he has had trips to cern as well. Ok that's it for now, lol.

Real Obama was put down 4 years ago. What you see running around is either a clone or an actor, if online and media, it's CGI.

Liz musela přesvědčivě vyhrožovat. Bude je muset přesvědčit, že to má pod kontrolou, dokonce i v den kata.
