Vyšetřovatelé amerického námořnictva Jag v pátek zatkli loutku z Obamovy éry na základě obvinění ze zrady poté, co trestní vyšetřování odhalilo, že se skrýval ve stínu a radil současnému režimu, jak přesunout federální daňové dolary do zámoří, aniž by vyvolal veřejnou kontrolu, JAG zdroj řekl Real Raw News.

Řekl, že konkrétní jméno, Jack Lew, se několikrát objevilo, zatímco JAG sledoval miliardy amerických dolarů, které zločinecký režim tajně poslal na Ukrajinu za posledních 15 měsíců.

Lew je americký právník, který působil jako 76. ministr financí Spojených států v letech 2013 až 2017. Jeho politická kariéra začala v roce 1995, kdy pracoval pro Clintonovu administrativu jako zvláštní asistent prezidenta.

Když Trump v lednu 2017 zaujal své právoplatné místo v Oválné pracovně, upadl do politického zapomnění.

Jeho zmizení, řekl JAG, byla iluze; Lew dal pokyny současným Treasur. Sek., zločinec Janet Yellenová, o umění zpronevěry. Myslel si o svých skutcích tak vysoko, že se chlubil Yellen, jak na odkaz Clintonové zpronevěřil 4 miliardy dolarů na financování bosenských bojovníků za svobodu v reakci na srbská zvěrstva páchaná na bosenských civilistech. 4 miliardy dolarů byly bez toho, co schválil Kongres – 23,5 miliardy dolarů na „mírové“ operace v divadle. Lew se také chlubil, že dostal, tentokrát pro Husseina Obamu, že Íránu poskytl 70 miliard dolarů amerických dolarů na daních, zálohu za íránský slib, že se vzdá ambicí v oblasti jaderných zbraní, což Írán porušil.

Společnost JAG se o dohodách dozvěděla prostřednictvím telefonických rozhovorů mezi Lewem a Yellenem, které zachytilo kybernetické velení americké armády.

Lew, řekl náš zdroj, byl neuvěřitelně hrdý na své činy.

V březnu ARCYBER zachytil další hovor, ve kterém Yellenová řekla Lewovi, že musí tajně poslat ukrajinskému prezidentovi Volodymyru Zelenskymu dalších 4,2 miliardy dolarů bez vědomí Kongresu. Lew odpověděl, že odpověď je jednoduchá: odčerpat peníze v souhrnu z několika oddělení na úrovni kabinetu, aby se výběry zamaskovaly. Lew doporučil ukrást 1 miliardu dolarů každému z ministerstva financí, ministerstva pro záležitosti veteránů, ministerstva školství, ministerstva práce a ministerstva zemědělství. Lew řekl Yellenové, že šéfové těchto oddělení nebudou proti krádežím, protože představují mizivé množství jejich ročních rozpočtů.

"Nikdo si toho vůbec nevšimne," řekl Lew Yellen. "Takhle jsme to dělali po celá desetiletí."

Náš zdroj řekl, že Yellenová je matematický hlupák, který je stejně jako Lew pozůstatkem Clintonovy administrativy. Rozdíl je v tom, že Lew rozumí financím a tomu, jak vařit knihy, zatímco Yellenová je „ano žena“, která žije na Ukrajině od října 2022 – aby se vyhnula tomu, že ji rozdělila americká armáda White Hat.

"Desítky Bidenových lidí uprchly do zámoří, aby se před námi schovali," řekl náš zdroj. "Víš co, velezrada není promlčecí." Dostaneme tu mrchu Yellen stejně jako Lewa."

Vyšetřovatelé JAG, dodal, chytili Lewa před striptýzovým klubem Fairways Inn ve Smyrně v Delaware. Vyšetřovatelé na místě viděli Lewa, ženatého muže a prohlášeného Christiana, jak během 12 hodin strávených v klubu utratil 16 000 dolarů na klíně a pití.

"Dával striptérkám peníze," řekl náš zdroj.

Detektiv JAG poklepal opilému Lewovi na rameno, když klopytál ke svému vozidlu na parkovišti u klubu. Když mu byl ukázán vojenský zatykač, Lew se údajně zasmál a vyhrkl, že mu Barack Obama dal „doživotní imunitu“ proti stíhání. Pokusil se udeřit důstojníka JAG, který se vyhnul úderu a zasadil Lewovi do čelisti seno, zlomil ho a poslal ho na chodník.

"Uvidíme, jestli Barack odpoví na tvůj telefonát z vězení," řekl Lewovi představitel JAG.

Lew, řekl náš zdroj, byl převezen do GITMO, zatímco JAG se rozhoduje, jestli ho tam zkusí, nebo ho pošle do Camp Blaz.

Na závěr se RRN zeptala našeho zdroje, proč byl Lew poslán do GITMO, když JAG nyní pořádá soudy na Guamu.

"Ty [sic.] chybné hlášení není náš problém," řekl náš zdroj. "Ano, určití vězni jedou na Guam a admirál Crandallovy dovednosti jsou tam potřeba, ale někteří vězni budou mít stále soudy na Guantánamu."

Je hezké vidět, jak je takový zrádce chycen. Ještě lepší, že je to slizká lasička, která jde dolů! Tedy dole „poklopem“. Har har har

Barack herec v masce, zachraň měeeeeee

Why is there no compassion from these traitors? No self-realization or regret for the role they played in being a traitor. It's truly disgusting. It's like they are no longer human and I am quite prepared for that to be the case. They appear to have little to no spirit left in them.

Coming on May 17, Real Raw News Radio will add a new dimension to the RRN Network
I CANT WAIT TO LISTEN,,,,,

Looks like we finally found the nazi white supremacists the leftists keep talking about. In my remissness, I didn't think to look at mexicans for nazi white supremacy, my mistake.

So ANY hispanic could be a nazi white supremacist!

The brown face of white supremacy is here!

Ray Epps is the ASAP arrest, and 6thers set free post haste.

That POS Epps needs an ol'e school bounty placed on him, plastered in every Post Office – Dead or Alive.

Such expansive power the DStards once had!

Now they are getting hanged. What a total defeat. That's got to be bitingly humiliating for those who once held so much power!

I guess more teen mobs to express the vehement frustration of the DStards?

Come on folks when are you going to see these stories are pure fiction? Many of these stories about people being tried and executed are false. Lori Lightfoot is alive and well in Chicago. Liz Cheney is preparing to try to run for President and released a campaign video this week. Obama, Bush, Fauci are alive and well talking to the press. If we are wrong is show one photo of these people being arrested in handcuffs. Why do they never show a pictures of these people being dealt with because this stuff never happened? Please stop believing there are people in the military that are going to save you. The number one mission of the US military is to defend and protect our country. Do you see anyone from the military preparing to defend the border when 700,000 migrants rush the border this week? Michael you can purge this comment but all it will show is that many of us know this is all false and many will eventually see it for their own eyes and turn away, unless you start showing some real proof of anything. All you are doing is selling false hope.

Lol.. Go to the whitehouse and tell us why its fenced off and guarded by Marines. But its fictional. You wish dumb dumb..😎😎

Why, because it's been that way for over 100 years with a fence around the White House. The US Marines have always had the responsibility of guarding the White House. You haven't been able to walk up to the White House and knock on the front door since Lincoln was President. Guess you trolls wouldn't know that.

You cant be this dumb. Keep trolling. While all your heroes hang by the neck..

Try and book a tour of the whitehouse.. Then come back and tell us what happened..i'll wait..😎😎😎

The White House is fully occupied and has people coming in and out all day. Same with the Executive Office Building next door. The White House has been fenced and guarded for more than a century. Uniformed Secret Service patrol the grounds and if you look carefully you can see snipers on the roof. There is also radar and a ground-to-air missile defense system. Radar is on the roof of the White House. Missile is on a building across the street. It's an Avenger system with eight missiles and a .50 caliber machine gun, mounted on a pedestal that can be retracted and covered. This is all factual. You can actually see pictures of it and read about it.

You are the troll, believing this stuff. All you all have to do is show us one picture of these criminals being dealt with and we will shut up. Would love to see these traitors swinging from a rope but it's not happening and your government hates you and will turn you into a slave soon or later, the only way to stop them is resist and demand accountability.

Got news for ya, fact, Andrew Cuomo, Alec Baldwin and Brian Stelter are dead, you can take that to the bank.

BRIAN STELTER IS WRITING ANOTHER BOOK!? WHO WOULD LET HIM WRITE ONE MUCH LESS TWO,,,?

And the bank will send it right back. Cuomo has a cable news show. Baldwin is back in New Mexico finishing up the movie Rust. Stelter is writing books and making the rounds on the speaking circuit.

Insert your excuse/refutation here: (Clone, mask, double, illusion, astral projection, etc)

“And the bank will send it right back. Cuomo has a cable news show. Baldwin is back in New Mexico finishing up the movie Rust. Stelter is writing books and making the rounds on the speaking circuit.”

You actually believe this? I didn't realize chinks were so gullible!

There's quite a few Mayors up here that were buddy buddy's with Trudeau up here.. missing, not a peep. gone.

American Media Group amg-news dot com also offer names of criminals that match Michael Baxter's list of named criminals. When will you LEARN TO DISCERN truth?

DO YOU WANT REAL CHANGE IN AMERICA?

DO YOU WANT TO BE RADICAL ABOUT HOLY LIVING?

It will cost you.

God's standards of holiness in sexual behaviour, marital and family morality are higher than that of the Larry George Bonnie Timmy Quintons. We as believers can change this country, but it's a process. We can oppose same-sex marriage and transsexual families by strong action in our homes, churches, schools, neighborhoods before going to the state houses and city gates:

- 1.- shunning and ostracizing the intentionally sinning the ell gee bee tee kew people, from family events;
- 2.- not allowing the ortho sexuals access to or anywhere near our children (that's what parents did to protect their kids in the 1950s to the 1980s until things started changing) to teach our sons and daughters that same-sex relationships, marriage, families and transsexuality and their respective marriage and families are wrong;
- 3.- not allowing the unrepentant alphabet people to come to dinner;
- 4.- not attending the unrepentant anagram people's weddings or baby showers;
- 5.- not even eating with the arrogantly unrepentant ortho sexuals anywhere;
- 6.- in context and in line with proper church discipline regarding same-sex

abominations, as taught by the example in 1 Corinthians 5:4-5, excommunicating them from the churches/synagogues;

7.- if one is in political leadership, petition raising their taxes for the privilege of their ortho sexual sins. Get them in the pockets where it hurts the most if they want marriage equality and gay-affirming adoption that badly, which should help lower the national debt.

8.- not inviting them on family vacations and family reunions and other family-oriented events or church events. Protect the children from same-sex behaviour.

9.- have nightly warfare prayers with family and friends who are fellow believers according to Ephesians 6:10-18 to apprehend and incarcerate all sex offenders and all spirits not from God, to pray for President Trump, President Putin, their families, JAG and the White Hats, and our Godly leaders according to 1 Timothy 2:1-2, and protect our families from filth and scum. If your children join in, they will learn warfare prayers as well.

The last thing I want is for any family to be broken up, because I hate that more than anything. So does God. But although the ell gee bee tee kew people need to be treated with love and compassion and respect and understanding, their sins are egregious sins and they need to be repented of.

We can love the sinner and hate the sin, but that doesn't mean loving the sinner and loving the sin.

I have no idea, but I can't stop laughing!! Excellent question, I almost don't want to look it up 🤔😬🙏❤️🇺🇸

look at California and all the whites living on the streets all done by anti-America white hating black supremacist. for who? China and the deep state. who is taken all the businesses and homes and land from the American westerners who is benefiting from our downfall. and who are they giving these businesses and homes and land to. not American patriot's anti-America haters in their eyes they have taken massive parts and now own these sections of America there not America anymore. they have made Americans hate these areas so much many are saying take it that area is full of Americas worst filth but they aren't realizing that was the plan all

Again I Will Say This

And Every Country [Tribe] on the planet should be a free Nation putting it's Own People Frist

But We need to respect all Nations the organic tribes and their native lands Trickery So we barter with them and gave them trinket's.

Modern "Israel" is a Khazarian Mafia

Bolshevik state, run by Rothschild.

Surprise surprise.

Rothschild wanted his own country, to be sovereign, and get away with all the crimes.

The Nazis were controlled by Rothschild, too.

The Holocaust was orchestrated to instigate Jews to leave Europe, and migrate to Israel, where they would be "free".

the Israelites are the deep state they are the core of the corrupt system. that has been barking out orders for decades they are illuminati. part of spiritual mystery babalon

Those bastard children of Satan are not Israelites. They are Israelis, Khazarians, Babylonians, haters of GOD, haters of JESUS, haters of Christians, haters of true Israelites who love GOD. When are you white hats going to move against all the black supremacist there clearly loyal to the deep state and China, and are benefiting from all the harm they are causing to America they are part of the anti-America anarchist groups, or are working with them , all they do is create division and hate and divide how many Americans have to be beat down in the streets by them cities burned or looted before people realize they are working with the deep state and china there not tools being manipulated cause everyone by now realizes the news is out and has been out that people are working really hard to destroy this nation and over throw it , and yet they are still looting rioting and burning hard to over throw this nation ,I have literally watched them on the news say they are going to take everything from whites whoopy goldbug laughed about it is one of them all

I here is white nazi racist being punished good, but now it's time you go against all the black supremacist programming and start punishing them to cause they are benefiting from every city they burn down and job they take or destroy by hollering racism they like Labron James al Sharpton work for China or other anti America nations and have been for a long time they hate America and want to overthrow it to and have sold out America for money or fame or control or power how many athletes of all races bent the knee for our national anthem that wasn't a protest that was an attack on America a weakening of it and they even went leaps and jumps forward and started pushing for the American people to take the death job , they are anti America working to overthrow this nation just like the movie stars from the end side working for anti America hating people and have mass brain washed the masses like the Israelites have to make the people think if you punish them for a crime then you're a racists perfect weapon the deep state has made and Israel to a anti america anti anything other than them alpha violent attack dogs you think they are superior to every other race just like the nazies , the Israelites not all of them thank God but some a lot there right in the middle of the deep state which is sad cause I am a very devoted Christian and have loved the nation of Israel before I found this all out that there Masad ran the pedo sex slave rings and that there nation has benefited been built from the mass murder of American kids when I found out Israel was intentional harming and profiting from the misery of not only American children but children from all over the world , it shook me cause I to was brain washed to think they were holy people chosen ones untouchable but I was wrong they have made themselves seem untouchable claiming to be Gods people Well let me tell you this Gods people aren't pedos or sex slavers God hates people like these who claim to be his and profit from evil and say it is Gods there not under Gods protection , Gods people are the circumcised in heart jews the Christians the christ likeminded followers of Jesus Christ the messiah .

“When are you white hats going to move against all the black supremacist there clearly loyal to the deep state and China”

When are YOU going to move against them?

Not to change the subject. But seems as though the 7 euthanized horses on derby day may have been a satanic sacrifice. Q clock reference of the queens burial and king Charles Coronation 6month 6 weeks 6day 666. Going back to those drones on derby day And Moscow attack it takes massive programming to do those little tricks. Not knowing if it happened that way just a coincidence right.

The bad guys are into numbers weather you think it's fun and games or not. The christian school shooter shot 6 people, children all 6 years old, all adults in their 60s. You think she asked their age before she shot them?

Joe Biden said he would pass certain legislation if it took him 6 months, 6 days or 6 hours, His words not mine.

Why are all these numbers lining up, coincidence right along with what people are saying, you mock what you don't care to understand.

Good point. They are desperate to perform their satanic rituals and anything like this I would automatically assume was part of their fookery. Symbolism, rituals, gematria = their obsession. They be loopy & evil. I think we are well past coincidences 😊

They did say they were only taking higher level targets to Guam. Doesn't sound like Lew is high enough on the food chain.

Off topic.. but really is it? It's all intertwined.. Update from NCI..

“The legacy media has been depriving Canadians of balanced information and truth about the destructive government response to COVID-19 for three years.

Government funded media like CBC and others have enforced the government line on everything from the effectiveness of lockdowns to the safety of the injections, some of which have already been pulled from the market.

On Monday, NCI Administrator and former leader of the opposition in Newfoundland and Labrador, **Ches Crosbie issued a challenge to media:**

“For over 15 days of widely advertised public hearings, government funded media, with one or two exceptions on the part of brave reporters and producers, has failed to report even one testimony to indisputable facts. An example is testimony from emergency planning experts such as Lt. Col. David Redman. This expert showed that governments chose to ignore their own pandemic plans which warned of the enormous health damage which would be caused by lockdowns, and that lockdowns could not prevent viral spread.”

This is the kind of censorship we are up against, folks.

That’s why we need your help. **Through your support we are funding the tools we need to broadcast the hearings ourselves and get the message to Canadians,** with or without the media.

Mr. Crosbie later remarked in the press statement: *“the most damaged victims of government recklessness are a generation of our children. By ignoring indisputable facts, the media is betraying our children.”* “

Hi, Michael.

Great to hear of these justice activities at GTMO and en-route to Guam.

From your website, it seems that GTMO etc are quite slow in processing these criminals, with just 2-3/week reported, but presumably there are more Tribunals going on than just those reported here(?)

When you are next in touch with those that brief you, could you ask them about the numbers of tribunals happening weekly or monthly etc. Maybe they do not want to give names etc but numbers would be of great interest.

And if they start talking, maybe try and get numbers executed/lifers etc:)

Who is: Ke Huy Quan, also known as Jonathan Ke Quan who just showcased in P6 current uploaded video.

Sniff-sniff, Quan CCP?

Would wager one of my testicles as yes.

Nah – have three of them, blessed with a spare, barmaids nickname me: Tres Heavos, could wager only one.

John, allow me to play Jan Hunsinger. It should be Huevos, w/c is Hispanic for eggs. Btw, Nothing wrong with carrying a spare huevo. Blessings, 🙏🙏 from The REAL Delavic.

I checked spelling, that's what I came up with.

Barmaid into body piercing, she wants to pierce me twice in separating the three that causes me to walk on a kilter.

Sometimes I kilter left, often kilter to the right depending on their position, no equal balance, they float.

Doctor said: "predominant right side kilter is because you're right handed, practice being ambidextrous it might help".

No piercing for me, have enough problems walking through metal detector via my hip replacement.

Wife likes the idea of being pierced, she hates when my balls are twisted, also said: "can hang Christmas ornaments on them".

My balls are made of brass, and when clanging together – it plays Stormy Weather and lightning shoots out of my ass.

Just read His Fraudulency is planning a trip to Papua, New Guinea later this month. Maybe your military friends could arrange a stop in Guam for him on the way there to try a cell on for size with the rest of his friends at Camp Blaz?

If you're referring to JB, what in heaven's name is his reason to go to Papua NG? Papua is where HRC contracted her fatal disease known as Kuru according to sources. As if he dose not have enough issues health or otherwise. Blessings 🙏🙏 from The REAL Delavic

The Judge will not release docs showing that Dem Tech Billionaire Reid Hoffman is behind the Jean Carroll smear case. Reid shares a 30 yr friendship with German, NZ(Arden)& US Billionaire Peter Thiel. They were the "PayPal Mafia" who financed FB. Thiel was the largest funder of MAGA. Now, according to a Vanity Fair article he is boycotting ALL Republicans(including DeSantis) because he doesn't like the conservative agenda. His boyfriend just "jumped" from a Miami high rise after crashing Thiel and his husband's NY party, infuriating the husband. Meanwhile, Thiel's last bf is ensconced at spy tech biz Palantir. How convenient. Thiel is in the Vulture Capital biz with unlimited funds (like Buffet). This message is brought to you by Bud Light and Big Mike courtesy of Disney (satire?).

How does this affect the jury verdict? They weren't part of any deal. Oh, wait. Wait..I forgot. Everyone is conspiring with everyone else. So these jurors, from the day of their birth, were programmed to find Trump liable. Should have seen that.

It is a Kangaroo court, a Communist show trial. With the Civil Government out of action, the Military Continuity of Government underway, it is just meaningless noise, with no Constitutional authority at all. Resident Biden is a perfect example of its castration.

Civil suits are not regulated under the Constitution. The only mention is that a trial can be held if the suit exceeds \$25

FYI: My post is anchored onto 17 votes for many, many hours now. 17 is Q. It seems there is agreement on my post from those higher up in the Q/Q+ position!

Right! All these people are so corrupt. Reid is a fraud, they are all placed in these roles and expected to do their part. All bought and paid for, controlled puppets. The entire system is corrupt and this entire fiasco just shows how much it stinks.

We are all so aware of the corruption, they cannot fool us anymore, despite their best efforts.

I sure hope this is true. Michael if there is anyway I can witness the executions live let me know. Matter of fact, if they need an executioner then sign me up! The only good traitor is a dead one!

You're not mentally unstable, that's for sure. Are you in a place where there are no doorknobs on the inside?

Whether Obama is gone, we just don't know for sure..different takes on this. SgAnon said few mths ago he'll be the last to be captured, to showcase to the world..his depravities (sometin like that). Christian point of view: Imo, if he's still alive & if the 'storm' or the 'take down' doesn't happen soon – that may mean he might be the prophesied lawless one (AC). That means he can't be captured until his work is done, & Christ will come to destroy his kingdom.. I'll rely on God concerning the things to come; I myself have not been walking worthily of His calling; I better 'gird my mind for action, keep sober in spirit..;1 Pet 1:13; 2 Pet 1:10

Interesting conundrum has arisen over Janet Yellen who, as we know from this site, is hiding out in Ukraine. In the last few days Yellen has been burning up the airwaves and the Internet in meetings with the Federal Reserve, Biden, and numerous members of Congress. Among those members of Congress are some certified White Hats; Matt Gaetz, Lauren Boehbert, Marjorie Green, Tom Cotton, Ted Cruz, James Comer, and more. All of them have tweeted and/or put out statements on Yellen's most recent testimony. But how can they not notice that, A) Yellen is not actually there, or B) She is there but it's not really her, or C) All of those White Hat members of Congress are covering for her at some synthetic hearing arrangement which includes lots and lots of other people who may or may not be in on it all.

Rep. Gaetz: “You’re not Janet Yellen. You’re some Deep State clone. I can smell the farts from here.”

Sen. Cotton: “Mr. President, I request that the chair instruct whoever cut the cheese to take that mess outside.”

Ms. Yellen: “Can I take my shoes off? My feet are killing me.”

So now it’s time to **choose your favorite deception**. How is Janet Yellen making very public appearances despite being out of the country?

Be creative. Think outside the detention cell.

Be careful loosely throwing around: ‘Italian Space Lasers’, not a good idea.

Vito and Carmine will get upset, it’s no telling in what they’ll do. They’re unstoppable once they get a hair brain notion in their heads. Often read about their escapades in newspaper, referencing: police seeking witnesses.

Question: Why wasn’t NYC [Columbus Circle] Christopher Columbus statue ever touched? Answer: Vito and Carmine.

No earlobes, flat feet, missing molars, no genitalia, uncontrollable flatulence. I think that’s all of the clues.

Remember I posted about a company —Tencent Cloud— If they have 3 minutes of video and 100 spoken sentences—they can create Deepfakes of an individual. Now think this is for public just how much more do you think the Black Hats have to be put on display. Remember when Biden

came out to speak and his hand went through the mic—sloppy work and you can bet that wont happen again. Then there is that old stand by — The Clone—

Why don't the white hats arrest these Deep State criminals all at once? This one-a-week arrest procedure won't make any difference.

I know, so many missed opportunities when lots of these folks gathered in one place and they did nothing. The recent crowning of Charles, you had a whole church full of these criminals and nothing. Yeah once every so many weeks will take decades.

Especially his side whore, who was grinning like the cat that ate the canary after getting crowned. Diana should have been crowned queen, NOT THAT VILE CREATURE !! SHE DESTROYED TWO MARRIAGES TO HAVE HIM AND HURT ALL OF THEIR KIDS TO GET TO THIS POINT!

I suppose they could be arresting them en mass, but just not releasing it via MB. I can't wait for the total ahah moment when we know that we know that we know, that this is all 100%. I believe, but I could sure enjoy seeing the nail prints in His hand. .

These people don't deserve any mercy or regrets. Just take them down forever and eliminate them because they have destroyed America and the whole world.

Let's make him live in the pig pen and eat pig feed and raise beautiful swine with gina haspel, the big brain joo prodigy! They could figure the shit outta any pig pen!

So much to clean up! Indeed, Pres. or CIC (now) Trump has said , "the swamp is deep and filthy!". This is why it is taking so long for this alleged movie to end. Many are so impatient for all these things to end. So to everyone a simple reminder..."Everything comes to you at the right moment. Be patient." 🕊

I know I know ...be patient. I still feel like the girl from Willy Wonka "But I WANT IT NOOOOOWWWWWW" LOL

We are going to have to be. The house is filthy and can't be cleaned up in one day.Civil order has to be kept as best as possible. Look at it now even these once beautiful cities. Many more are being picked up.People get upset at the lessor targets,which are just as important because they are the worker bees.Lew the jew was one. Many of them operate under the radar.It is those arrested and talking providing that info. They have a clone,a cheap model,the clone does not have the knowledge of a sewer. rat like lew the jew. Look at where he was arrested,a cheap dive strip joint. I would say your promise of immunity ends when one of the special forces people pistol whips your frigging head. These people do not play any games at all. On of the DS women had a thigh holster and pistol under her dress,"don't touch that pistol!" Really we ought to grateful and thankful that somebody is doing something about it to save our republic.Risking their very lives for it.Some sit and complain it is not fast enough enough to suit them.

I agree with you....we should all be grateful they are doing the work they are doing. We have lost several of our White Hats along the way also. We need to be constantly praying for them!!

Personally I don't think they're letting us know about every single arrest they make, just the ones they want us to know, and "The White Hats", don't mind putting out there for the deep state as well. 🤔🙄

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning sixteen thousand US dollars a month by working on the connection, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website... <http://www.Payathome7.com>

IT'S BECAUSE I HAVE IT. I PLAY THAT GAME WITH MY GRANDKIDS AND TELL THEM I HAVE THEIR NOSES. LOL!

so many filthy jews are getting executed we should erect a Pig Monument to commemorate the lives of so many joos who were totally committed to proving there is a limit on their treachery.

It's not that obvious. I'm not convinced yet, and it sounds like our boy lew wasnt convinced either. What makes this so obvious?

There were two articles on this site mind you.I read them a few times of course.They went poof! You can't find them and no reason is offered.Nor will one be I am sure. No other site reported it except for what was reported here. Dark Outpost was one. The arrests number one, were way to easy. It was reported right here that Obama sold out Mike,Chose two bullets in the head. she was given lethal injection. both died as cowards. anyone who tells you they are dead,that is what they will say.

Funny also to say, about the only one who died like a man was W.No last shave,no final meal,no struggle,no profanity."come on,just do what you have to do."

Read it again.....he cursed and use every profanity he knew....then he told them to do what you have to do. He was totally belligerent and obnoxious!!

I read that also, but a search isn't bringing it up. Do you have the old link?

yea, but similar minions believed hussein shitstain would save them before the beautiful blindfolded lady had her way with them!!!!

True enough. That could be happening. They could be using body doubles and CGI and/or masks. Also though, when JAG thought they had the real ones, it's possible that they had clones instead. Back then, they didn't even believe in clones so maybe they killed the clones instead of the real deals. We don't know...

BHO death not obvious at all. He may very well have simply been arrested, or, my gut feel – he's gone into the deepest levels of hiding and will therefore be one of the last demons to be captured.

Based on Mark Taylor's prophecy that the country will in fact see him, 'mumbling and stuttering,' during his tribunal, I would venture that he's still alive. Another concept is that he was captured long ago and already tried and put to death, but the alliance is holding off on reporting it here, for some reason.

One thing is for sure – he represents a level of nasty evil in this epic chapter of world history that so begs for justice to be served, that it will absolutely eclipse Adolph Hitler and possibly Joseph Stalin. I say possibly Stalin, since Stalin killed so very many – 20 million estimates.. Dear God this has been a horrific world for some.. Thank you God for protecting your own children, but thank you also even if you cause some of us, your children, to be allowed to suffer and even die if you will. Tough words. Words are cheap. Prayer is not. Divine protection/divine empowerment/divine timing/divine creative inspiration on the righteous military and Donald J. Trump.

Hussein O was obsessed with his own magnificence, could not possible stay out of the limelight. Like most homosexuals and pedophiles, he had to push his sick abominations in our faces, show off his queer fullback 'wife', gloat over his child trafficking out of our White House, sneer at the many Americans so easily deceived. He and Big Mike are dead, gone to Hell.

You have to admit, Hussein Shitstain was obsessed with michael obama squatting over his chizzle like Gay J

Because he keeps showing up in public and doing things where lots of ordinary people can see him.

It's not obvious at all. There have been no reports of his execution other than a bunch of "I heard..."!! I believe he and that creepy guy he is married to are very much alive and spreading their demonic crap all over our country.

If Bammy was dead, he would not be still reported as being alive by RRN, he would not be invoked by the deep state traitors when they faced execution, Hunter would not have spilled the beans on him being the center of all the nefariousness with his buddy Biden, and he and Michelle would not have thrown a huge birthday bash with adrenochrome as the main treat — not the food, not the cake, not the drinks, not the fancy horse dovers — A-D-R-E-N-O-C-H-R-O-M-E. And Nancy was there, too.

If these stories are true, how is it that the military is being sent to the border to essentially act as a welcome wagon for the hundreds of thousands invaders crossing the border when Title 42 expires in a couple of days? This treason on part of the military if true. Michael please explain how the quote Good Guys in military can allow this to happen? If the Good Guys really exist there comes a time when you say enough is enough and stand up and say we are putting an end to this now. If they refuse to do so, then probably don't exist and these stories are fiction.

..for all those who panic regard open border...if GESARA will in the "place"...(this or next month)... those millions illegals will have to return back home to receive compensation they did not get one penny from new – US Constitutional Republic...

Curious how that plays out.

Busses back home I guess will be offered but any criminals that manifest a crime, aren't getting anything but prison and deportation.

I see the busses that drop them off still out there. I haven't seen but a very few coming into Los Angeles staying with an english speaking hispanic family. Some go back to Mexico or El Salvador, etc.

There's no jobs for those who can't speak english, so they get other hispanics to take them in if they know or find someone. Hispanics love to sponsor a migrant and take them to work landscaping or making taco's together.

I heard hispanics were largely moving to Montana where they set up jobs for them.

I think they want many of them into USA and sit in prisons until they agree to go back to where they came from, but also want to sort them out for who USA wants to keep because Trump plans to build new cities, he needs workers.

The hispanics already living here, speaking english and working, mostly got vaccinated a lot, so IDK how that plays out.

Our Military is divided, and the good guys are spread too thin.

The game is not simple like white hats and black hats. It's created for sorting out who works for what at the top. The top of the white hats isn't disclosed who it all is. I can guess they make deals with the worser top criminals in power on earth regularly in the regime changes.

Oh, your glorious military knows full well the magnitude of the west's demographic dilemma. Unless your country allows illegals, you will not have a military. That is why no one with power is going to actuate a plan to bring this invasion to its terminal ending.

Vy, lidé v USA, to musíte udělat – což bohužel znamená, že se neudělá NIC. Lidé v USA jsou příliš lhostejní, samolibí a psychicky měkčí, než aby čelili utlačovatelům. A svět to ví.

Připravte se na legie kořenů, muslimů z MENA a Afričanů, kteří přijdou, aby podpořili sílu rozmanitosti vašich dcer a manželek.
