Rozdělení armády Spojených států White Hat zmařilo pokus Deep State ochromit americkou rozvodnou síť a způsobit masový chaos během Memorial Day Weekend, uvedly zdroje z kanceláře generála Erica M. Smitha pro Real Raw News.

Před svátkem obdržela generálova kancelář „věrohodné informace“, že Deep State plánuje mnohostranný útok proti dvěma synchronním sítím země, východnímu a západnímu propojení, které společně napájejí desítky milionů domácností. Východní propojení sahá od střední Kanady k pobřeží Atlantiku, na jih na Floridu a zpět k úpatí Skalistých hor. Western Interconnection se táhne od západní Kanady na jih do Baja v Kalifornii a zasahuje na východ přes Skalnaté hory do velkých plání. Texas, který má nezávislé přenosové linky odpojené od národní sítě, nebyl zahrnut do plánu útoku.

Podle našeho zdroje dorazil informátor CIA 19. května do Camp Pendleton s hrozným varováním a řekl, že zločinecký Bidenův režim uvedl do pohybu složitou misi, aby naboural síť a uvrhl zemi do zmatku. Údajně měl digitální dokumenty, schválené ředitelem CIA Williamem Burnsem, popisující metody a motivy Deep State pro to, aby chtěly uvrhnout USA do temnoty.

Ve 21:00 EST, 26. května, by Deep State virus aktivoval, řekl informátor.

Do 10. května najala CIA „zahraniční aktéry“, aby obsluhovali „vzdálená narušovací centra“ v Coloradu a Georgii s hardwarem nezbytným k doručení viru do sálových počítačů American Electric Power a dalších velkých elektrických společností. Dokumenty uvádějí, že osoby najaté k obsluze intruzních center patřily mezi nejzkušenější světové odborníky na kybernetickou bezpečnost.

Virus by systematicky kolaboval síť od pobřeží k pobřeží a inženýři energetických společností, jejichž úkolem je sledovat spolehlivost přenosu energie, by nebyli schopni virus zmírnit nebo okamžitě

vyčistit. Dokumenty CIA předpovídaly 48 hodin tmy, po kterých se virus „samohosní“ a poskytovatelé přenosu problém vyřeší a postupně obnoví službu.

Do té doby CIA vypočítala, že ze země bude bouřlivá troska.

Kdyby zemi zasáhla temnota, povstalci z FEMA, lupiči a ano, násilníci by se rozzuřili po celé zemi a podněcovali by občanskou neposlušnost a chaos. Měli drancovat domy a podniky a bezohledně střílet na jakýkoli odpor. Mezitím federálové začlenění do skupin národních milicí podněcovali členy, aby se chopili zbraní, a řekli svým jednotkám, že Deep State přebírá vládu.

Z repliky Oválné pracovny by Biden obvinil z krize čínské sabotéry a slíbil Američanům, že jeho administrativa dělá vše pro to, aby obnovila moc a pořádek.

Jak národ upadal do šílenství, Biden řekl světu, že přívrženci MAGA vraždí zákonodárce demokratů – ve stylu pochodní a vidlí – od Kalifornie po New York. Vypustil by ministerstvo spravedlnosti na vlastence, které k akci přiměli vládní informátoři vydávající se za vlastence.

Ještě horší je, že hodnocení CIA se zdálo více zaujaté provokací vlastenců a „testováním odhodlání Američanů“ než řešením katastrofálních vedlejších škod a ztrát na životech spojených s jejich „cvičením“. Odlety letadel po celé zemi by se zastavily a letadla za letu by závodila o přistání nebo odklonění, než selhaly letištní záložní generátory a přistávací dráhy potemněly. Šance na významný incident byly vysoké. Na zemi by mohly selhat železniční výhybky, což by zvýšilo pravděpodobnost kolizí a vykolejení. Počet potenciálních kataklyzmat je nekonečný.

Po dvou dnech temnoty by režim jako kouzlem obnovil moc a zatleskal si za rychlé vyřešení neodvratitelného výpadku. Biden by odvolal příběh čínských sabotérů a omluvil se Si Ťin-pchingovi za

neodpustitelné chyby. Místo toho by z výpadku obvinil Vladimira Putina a vyzval by k navýšení finančních prostředků pro Ukrajinu.

Výše zmíněný scénář by se mohl odehrát, kdyby se White Hats nepřimluvili.

Náš zdroj řekl, že generál Smith povolil strašidlo na základně, protože v minulosti dodal věrohodné tipy. FBI a CIA „5th Columnists“ se ukázaly jako nápomocné při napomáhání válce Bílých klobouků proti Deep State.

Informátor však nevěděl, kde v Coloradu a Georgii zřídil Deep State centra pro narušení. Řekl generálu Smithovi, že se pokusí zjistit lokace, a generál shromáždil nevýslovný počet Bílých klobouků k akci a nařídil jim, aby požádali o veškerou dlužnou laskavost v naději, že zjistí, kde se nacházejí zařízení pro kybernetickou infiltraci Deep State.

Na vyřešení dilematu měli necelý týden.

Generál Smith zhodnotil situaci prezidenta Trumpa a zeptal se, zda je čas spustit EBS, které se White hats zmocnily v březnu 2022 během útoku na pevnost Mount Weather FEMA. Trump řekl generálovi, aby se zdržel EBS, zatímco on také přemítal nad hrozící krizí a vyzval k „obrovské laskavosti, kterou mi lidé dluží“. Spuštění EBS příliš brzy, řekl Trump, by mohlo podnítit patrioty k tomu, aby se chopili zbraní, což je čin, který by Deep State poskytl praktický důvod k opravdové odvetě proti patriotickým Američanům.

Během následujících dvou dnů zasáhli US Army Rangers, Special Forces a Delta Force slepé uličky v Augustě ve státě Georgia a Colorado Springs v Coloradu. Jednali na spropitné, prolomili dva sklady, ale našli je prázdné, bez počítačů a připojení k internetu.

Náš zdroj řekl, že White Hats zaútočili na několik dalších prázdných struktur a ztráceli naději, když prezident Trump zatelefonoval generálu Smithovi s tipy, které byly věrohodné. Prezident Trump

neprozradil identitu svého zdroje a řekl, že bunkry Deep State se nacházejí poblíž Puebla v Coloradu a Atén ve státě Georgia. Měl dokonce GPS souřadnice.

Speciální jednotky se okamžitě vydaly do Colorada, zatímco Delta odjela do Gruzie.

V Pueblu si speciální jednotky prohlédly opravnu automobilů s cedulí „do odvolání zavřeno“ visící nad dveřmi kanceláře. Dvoje arkýřové dveře byly zavřené a parkoviště bylo prázdné. Z dálky zaskleli budovu a oknem viděli počítače na dvou stolech, ale žádní lidé a žádné nástroje endemické pro opravnu vozidel.

Zatímco speciální jednotky monitorovaly obchod v Pueblu, Delta Force v Aténách viděla něco, co mělo být prádelnou. Ale v interiéru bylo místo praček a sušiček několik počítačových terminálů a stolků na skládání prádla.

"Nebylo pochyb, že jsme našli správná místa," řekl náš zdroj. „Pak přišlo rozhodnutí buď je zavřít na místě, nebo počkat do 23., aby se zjistilo, kdo se objeví. "Gen. Smith se rozhodl počkat; chtěl chytit a identifikovat zločince – nebo je zabít. Věděl, že budeme hrát těsně."

V 18:00 EST, 26. května, bílá dodávka Ford Econoline vjela na parkoviště u automobilového obchodu Pueblo. Tři muži nerozlišitelného původu, z nichž každý si sbalil samopal Heckler & Koch MP5, vystoupili z vozidla a šli ke vchodu. Olověný terč zápolil s kroužkem na klíče, když ho kulka zasáhla mezi oči. Padl mrtvý. Další kolo vyřadilo druhého pachatele a zbyl jen jeden padouch. Zvedl pušku a naslepo vystřelil do vzduchu, vyprázdnil zásobník, pak se rozběhl k dodávce. Šest speciálních jednotek povstalo ze stínů a pokořily ho.

Použili ho jako štít k otevření dveří pro případ, že by uvnitř byly nástražné pasti. Když vkročili dovnitř, pronikavý pach benzínu útočil na jejich nosní dírky. Žádné pasti. Ale na stěnách byly přilepeny zipové pytle naplněné plynem, údajně proto, aby to místo zapálilo

poté, co případní kyberteroristé dokončili svou práci. Speciální jednotky zabavily počítače; naložili svého vězně a mrtvoly do neoznačených vozidel zaparkovaných o pár bloků dál.

Delta Force se setkala s podobným scénářem v Gruzii. Tentokrát se však nestřílelo. Žlutý Hummer se čtyřmi cestujícími zaparkoval za prádelnou. Sotva otevřeli dveře, operátoři Deltly je vytáhli z vozidla a zneschopnili je. Poté, co vězňům dali roubík a zavázali zipy, odstranili hardware z 'prádelny'.

Prezident Trump okamžitě dostal hodnocení, řekl náš zdroj.

„Díky statečným mužům a prezidentu Trumpovi byla katastrofa odvrácena. Chceme ředitele CIA Burnse, ale opustil rezervaci. Nedostal jsem šitrep na výsledky vězňů. Amerika by si měla vydechnout,“ řekl náš zdroj.

With actions as the above, to take out the Grid this together with allowing millions of unvetted immigrants into the country, shutting down the Keystone pipeline, draining our strategic oil reserves, framing President Trump, putting undue pressure on Russia with sanctions, supporting a criminal government in Ukraine producing bio weapons and protecting human traffic and pedos bringing us closer to WW3, its apparent the Deep State wants us dead. We are in so much danger now because the Deep Stater's knows they must continue to destroy us or they will face Tribunals. Therefore time is of the essence to get them incarcerated or finished off before they do more damage.

Screw the tribunals and the incarceration , hunt the Deep State lowlifes and their confederates down and KILL THEM on sight. We are at WAR , at war you kill the ENEMY , YOU DO NOT SERVE THE ENEMY arrest warrants , WTF!

Former FBI Director James Comey Says The Quiet Part Out Loud – Stunning Admission About Trump

They're talking about the clone comey or the body double.

Everyone knows, including the Deep state and the fbi, that the real comey was executed (guillotine) a few years ago. The guillotine was the late james comey's idea when he was fbi director and he had homeless people beheaded.

That's funny I said the same exact thing and got 16 not no likes 16 thumbs down what the fuck is going on is it because my name is Mike Huntsucker...

The " problem " with the take-down is Trump , he is slow playing and fucking his supporters , Patriots , America First , American Nationalists , Jan.6TH Victims and the White Hat partition of the US Military , WAKE UP PEOPLE , WAKE THE FUCK UP! Trump is a DECEIVER , Trump is a LIAR. Trump is a zionist satanist jew.

Thanks for this, Michael, and I really enjoyed talking to you on the air last week! (I was the one who said the DeSantis campaign was about primarying Trump, if they could convince enough people DeSantis is a younger version of him.) Anyway, hope you'll do more AND that you can at some point reveal a little more about your background and how you got into doing this. That's news I'd love to hear!

Thanks again for all you do!!

Spy vs Spy. It's all in "Mad" Magazine. Available now at your local convenience store. All foolishness aside. When are we going to recognize Guam over Israel? Yet to read anything like the Treason in the Talmud or Protocol of Zion, come out of Guam. How about you?

This story is almost certainly disinformation. It contains information that could be used to help identify the whistleblower: that he is CIA, that he had access to the plans, and that he was at Camp Pendleton on May 19. You never just give up info on your intelligence sources.

Either this is disinfo, or the White Hats are incredibly stupid.

I'll go with the latter! A plan planned for decades and they are TOTALLY surprised at each move of the cabal! Let's see.. power.. necessary....water... necessary, food... necessary, military... necessary, control of agencies... necessary, control of corporations...necessary, control of media.... Extremely necessary.... ALL CORRUPTED AND POISONED!! Tell me what the "white hats control"??!!?? They control the truthers and all of us with hopium! That's it!!

Probably the reason for all of the reports of Congress persons receiving satellite phones. I believe that was about the same time. We expected some thing might take place , God bless the white hats. 🙏❤️🇺🇸

Throne: means leadership. At every level! government, education, economics, family and religion in the 3rd dimension. 2 thrones: holy and unholy! One represents evil and the other good! One represents truth and one represents a lie. One is connected to life and the other to death! Remember the words of satan (the rebellious one), and I quote " I will raise my throne on side of the Almighty " You see people ; Lucifer wanted to be able to create and be worshiped as his creator. Well; can't and never will happen! So when one can't create then one can only manipulate, deceive and lie. What throne is set up in your home, in your local government . in your educational systems, in your health care, in your state government , in your national government and in your church??? We SOW and we REAP ! What we reap in all these areas shows whose throne is up and running and who man is WORSHIPPIING !!!!

Kharzarians / Ukrainians control the Biden clone. Kharzarians have declared themselves Jews since 100 AD, but they're actually Lucifer-Satan's non-human renegade angels ALIAS Jew [billions].

Yes, programmed with, DJT as the programmer. We The People started the CGI, Clone/Double business to keep the faithful followers of The Dems in check and expose the DS hardcore minions. In

summary, The worldwide DS has capitulated to DJT with DECLAS as leverage and is working for him. Meanwhile, don't worry, hope and pray without ceasing and most of all trust God. He is the best promise keeper there is. Blessings 🙏🙏 from The REAL Delavic.

I think white hat military activity is really starting to ratchet up. If you follow Monkey Werx on Youtube, he's been documenting the geographical mapping flights that have been occurring for the past 3 months. He's been doing this for over 6 years and said he's never seen this level of activity particularly this time of year. Now over 8,000 flights and it continues. They are mapping all major cities and also some rural areas. In the last 6 weeks, similar activities have started in Canada and Australia. If the devolution "big reveal" is going to happen soon, this is what we'd expect the military to be doing when they are doing detailed mission planning.

Yes. I watch monkey werx. He's good. Keeps you updated on what's going on in the sky! Great Patriot!!

If folks begin to see evidence of these occurrences it would be far more convincing to the average individual. Confronting evil of this magnitude is necessary. It cannot continue like this if the people are expected to keep faith in the white hats. Just one man's opinion.

I actually saw a headline from Alex Jones a few weeks back claiming there was a plan to knock out the US power grid. I don't follow Jones, but this does support the story.

Jones is a traitor. I don't like the fact that he got punished for his free speech, but he is a traitor.

He's fine, he appeared on a livestream discussion with all the other Joint Chiefs like two weeks ago

youtube.com/live/eYa4e_m5wVM?feature=share

Sounds like another hollywood movie, but this one is a text-movie which only lacks any evidence at all!

Nice to read but that's about it!

Brought to you by your criminal jackal resident Joe Biden. Stay true to form Joe, stay true to form. (you're easy to figure out)

The jackal has many many supporters. Local and state police (don't follow their oaths) and local and state politicians. The power of free speech has been suppressed because very stupid Americans allow businesses to force citizens to remain silent or lose their jobs. The Supreme Court traitors supported this attack on our Constitution. The American people MUST stop sitting around and start protesting together.

whether you believe it or not you are all in mystical Babylon you are associated with the King James Bible it is man made from the tree of knowledge of good and evil aka flesh mind worship. No one was permitted to edit it or agree to it they will be removed from the LAMBS BOOK OF LIFE

I'll believe all of this when the mainstream media starts reporting it too.

When the truth overwhelms legacy media,s ability to continue lying and denying the truth, then I will know for certain that it's all true.

Until then, I just can't believe it all.

EXACTLY – but this site DOES say this is ALL Satire and for entertainment purposes ONLY! I don't know what peoples Major Malfunction is that they can't understand that??!!

This is satire with some truth to make it real. Was General Berger satire when he got hurt? That was not funny.

@TreasonJoey — You hold tight to “all satire” because it suits your inability to critically think, ain’t that right, COMMID KID? Otherwise, you and your COMRADS would sue RRN for every copper cent. Yakety-yak, don’t come back.

Time to take your head out of the sand. The mainstream media no longer has real journalists nor reports real news. They are owned by the Gov and they say what they are scripted to say by the government. Wake up!!!

@Billie Kozloff — You’re demoralized by fake news media ... no hope to think for yourself by critically thinking that should have occurred by age 8. In other words, you’re a COMMIE KID. Yakity-yak, don’t come back.

Research Operation Mockingbird. Learn to think for yourself. Stop being a victim of the mainsteam media!!

We must shoot the Rockefellers on sight. It is more than justified. Or pay their security to do it and give them medals. Start with the seven of them that control \$17 Trillion. That would cool their jets. LOL.

President Trump will see to it that they face a tribunal court and then a firing squad or a hangman’s noose for treason.

We are not murderers nor a mindless savage mob.

Pull yourself together and stop talking trash.

Robert James sounds like a shill or possible government agent. Don’t fall for his trap. Protest PEACEFULLY, those promoting violence are the ENEMY!!!

The only “foreigners” I am aware of that have done something similar in the past are Israelis with their Stuxnet virus. Well, at least they’re no longer working pro bono on us, and had to be “hired”.

En excellent intervention. New info from the prisoners will emerge and new candidates to get the noose around the neck will occupy GITMO for a short time very soon. Bravo 🙌 Bravo 🙌 Bravo 🙌

Did you see the part where the tranny doctor said that the fake female body parts worked like the real deal? In what world when it's all plastic surgery?

For most it doesn't, that's the point. They have so many problems and most regret it. Some have said it's like having a permanent anal fistula. It's unhealthy and causes many other problems. There may be some success stories but I've never heard of ANY. I saw a number of friends go through transitioning and it's barbaric. Every single one was full of tears, depression, drama, slitting of wrists or overdose on pills – suicide is rife. The biggest problem is your spirit no longer recognizes you and cannot protect you so you become just like an entity, a parasite energy body feeding off emotion. Same with trannies too – if you take on an identity other than your original one at birth. That may explain the high emotion and drama in this demographic.

It really is satanic and the people pushing this are basically cult worshipers.

I am all for free choice but if you are being brainwashed to permanently alter your body that will regret later on, then someone ought to try and help you to understand the risks and permanency.

The female psychiatrist was fascinating sharing the origin of all this cult theory. This is so typical of science, I really hope people are starting to see how the world really is mostly full of bull and these so called experts are nothing but dumb puppets, basing everything on falsehoods to serve an agenda that is not for the benefit of the people. Just like the climate change cult – all by design to have people accept globalist control. Yet even some of the scientific community is fooled because there is climate variability just not the

way they are spinning it to suit their narrative. They have been caught out telling lies many times but the cultists get the MSM coverage. Crazy world.

I apologize for the dashed names because they will be flagged and will go to “awaiting approval” again, and that is very annoying. This same doctor, Bowers, is not only a “gender-affirming” surgeon but is also an OB-GYN that delivered babies before switching specialties; he is also a transsexual who never has his junk removed. But America’s Youngest Transgender Kid had his junk removed by him, and had a vaginoplasty done by him, because his mother wanted a daughter instead of a son. Which is sad, because she could have tried again for another daughter, Dr. Bowers even admitted that kids who start puberty blockers early like J-a-r-r-i-n, and then hormones, lose their sexual growth and libido, which is why J-a-s-z, now a 22-year-old adult biomale, has never had an orgasm. Which is sad.

This same Dr. Bowers who did his sex-change surgeries is part of a group of doctors that have written that the age requirements for taking pubertal drug and hormone replacement Therapy (HRT) be removed for kids transitioning FtM or MtF. Further, these doctors belong to an online group that fetishizes rape, sterilizing kids, murder and paedophilia of kids.

For \$70,000.00 a shot, these doctors, therapists and counselors are making money hand over fist. But teenagers and adults who detransition from their new sex are abandoned and rejected not only

by the doctors and therapists by the SDC who helped them become transsexual in the first place. This is a betrayal, because their doctors don't care about helping these kids detransition, they just want to get paid for transitioning them. It's criminal.

Every procedure that America's #1 mascot for transsexual teens undergoes to have that neo-vagina costs some serious cash — at least 3 surgeries for him. And he has to dilate that open wound daily for the rest of his life, or it will seal up and then he cannot have sex with a male, now that he is a female. He cannot have kids, and he cannot enjoy sex, and he has no libido, because the puberty blockers and HRT regimens stopped his pubertal development and stunted his growth.

And worse yet, he cannot detransition right now because he is the family cash cow, and his mother is the one steering this ship. She started the TransKids Purple Rainbow Foundation (TKPRF) before the TV show started, meaning his mom has been coaching and transitioning her kid since the age of 2. Age 2 — social transitioning; age 6-7, interviews with 20/20 and 60 Minutes; puberty blockers at 11; hormone therapy at 12; and sex-change surgeries at 16-18. He is the youngest-ever kid that changed sexes in America.

And his dad is going along with it.

www.transkidspurplerrainbow.org/about-us/

And she is happily cashing the checks that her possible Munchausen's by Proxy Syndrome (MBPS) is generating. I'm no doctor, but what his mother did to him is flat out wrong, even criminal.

She could have gotten pregnant again, or adopted another daughter, but she made up this cock-and-bull story about her two-year-old saying "when is the goo fairy coming to change my penis into a vagina?" and turned her son into a daughter.

No toddler talks like that, and no two-year-old has that extensive of a vocabulary, even his grandma Jacky said so. The mother is steering this ship because she wants to be the hero mom of a transsexual

teenager. And her son is furious with her for ruining his life, but he cannot express it because she is so controlling. And she is getting paid while the doctors and the therapists are making bank.

Excellent work Michael!

When I read your articles, I can visualize the scenarios. That's a telltale sign of great writing. ♥🙏🇺🇸

I wrote "***w a i t i n g f o r a p p r o v a l n o m a t t e r w h a t I w r i t e***" and it is WFA! What the heck? something needs fixing

Precisely. Interestingly, this is the only statement from you that Michael Baxter has ever shown. Perhaps, Kitty, you just got his attention this time.

@Kitty — Use another handler email address to test ... someone might be using your current email without your knowledge. ALWAYS close out your email addresses at end of day.

yes maybe you are. You seem more aware and sensitive from when you first came here. And people gaining these two attributes are very much of "the plan" imho.

I liked this article a lot, but it makes me wonder if there is a plan to all this. It really is starting to look like just QRF style warfare to me. When in the military we had what they call a Quick Reactionary Force "QRF".

The only problem with this is you are reacting to the enemies fighting and not being proactive in your battles. When you fight like this you have to be right and win 100% of the time and the enemy only has to get it right once to hurt you badly.

They got them this time but the next time they might get us since we are only reacting to their plans and not implementing our own, and that would mean we don't have a good plan.

Anyways it just scares me since only a few people are in on any plan they might have and they are not using the full force of the American people to stop the insanity.

If the people knew there were people on their side they would try and help rather than being the bait for the people fighting.

God Bless and good night....

You have no clue what could be going on. They would be utterly moronic to let that out.

We are in a full blown 5th generation war (5GW). The key parts are psyops and cyber warfare and the white hats are winning big. It's first about controlling the narrative. Leftist propaganda media no longer controls it. The white hats are systematically exposing the criminals and corruption in the DS including the uniparty politicians and leftist propaganda media. Because of the principles of operational security (opsec) and military deception (mildec), if the white are executing properly, we'll never know what they are doing.

Last May, this vid was an epic troll by the white hats and it scared the sh** out of the DS: <https://www.youtube.com/watch?v=VA4e0NqyYMw>

Soon after this was released, we started to see the corruption of the three letter agencies exposed and that continues now.

As the end of vid nears, there are scenes of burning TVs indicating the destruction of leftist propaganda media and several scenes of Special Ops guys sneaking around at night. The pace picks up and ends with massive peaceful street demonstrations. I believe we are nearing the end now.

Here is a good interpretation of the vid that is loaded with symbolism and metaphors: <https://slagfa.substack.com/>

See the 2nd article

I believe there is much going on behind the scenes that we are not privy to. you never tell your enemy what you are doing ahead of time.

@Snoppy – The ENEMY openly operates from the patch of dirt known as Kharzar until its name-change UKRAINE, but the ENEMY has been on Earth since Adam and Eve. The ENEMY has functioned in the open since 100 AD ... Lucifer-Satan and his billions of renegade non-human angels who chose the alias name Jew before Jesus' birth and who murdered Jesus.

The fake Jew operates by INSIDER INFORMATION from the days of serving Father God Jesus in the Heavens. The non-human alias Jew mission were SERVANTS to Father and to HIS "offspring humans" that Father imaged HIMSELF upon; hence, obedient humans. The SERVANTS were supposed to monitor Earth and humans, but ENVY, JEALOUSY, AND COVETOUSNESS made them evil. Humans and Earth are Father God's prize possessions and gifts to son JESUS, whom the non-human renegade angels alias Jew, HATE.

The renegade angels demanded Father God to "reverse the servitude order" from angels to humans. Father said, NO, and the angels caused an insurrection and murdered ... the same behaviors in the Heavens as on Earth. They commit SEVEN evil behaviors that Father PROFILED in Proverbs 6:16-19 and warns HIS "beloved humans" not to "imitate" or be cast into Hell along with the non-human renegade angels alias Jew.

Read the Holy Bible, the "user manual" for humans' protection against non-human renegade angels, alias Jew. Do not read alias Jew's MASORETIC Bible or any "paraphrased" bible as most Christians do!

IMPORTANT: Father God named ISAAC a HEBREW, and later gave

JACOB a surname ISRAEL ... JACOB ISRAEL's 3rd son LEVI the priestly clan among Tribe of Israelites procreated such men as MOSES, and JOHN the Baptist. Moreover, Jacob's 4th son JUDAH, the Royal clan among Israelite Tribe that Father God procreated from King David to JESUS ... Mary was of the PRIESTLY clan whereas Joseph was of the ROYAL clan that the Holy Spirit brought Mary to birth JESUS. Father God Jesus is the AUTHOR of the Holy Bible, whereas obedient HUMAN MEN were the SCRIBES.

Non-human Lucifer-Satan and his billions of jealous, envious, covetous non-human renegade angels alias Jew declare in books, newspapers, conference speeches, and letters to communist leaders for 100 years they've come to "genocide humans and destroy Earth" declaring they've spent 5,920 years with 80 years remaining to fulfill their agenda to Lucifer-Satan.

OBEDIENT HUMANS must WAKE UP, and fight back harder as Father God Jesus commands!

Wa State loses in court for access to review ballots in 2020 election.. King Co. attorneys assisted by Perkins Coe Harvard Grad ...Heath Hyatt following in Marc Alias footsteps to thwart election transparency lawsuits nationwide...WEICU lawsuit... See how courts are totally corrupt and WE the People are cockblocked at every turn to uncover the deep seated corruption and fraud inherent with Mail in Only Voting and Machines and illegals getting driver's licenses which register them to vote.. and you wonder why our city is a Marxist hellhole... rot from top to bottom..

So sad, but we must keep protesting and trying to expose these criminals. VOTE FOR CONSTITUTIONAL LOVING POLITICIANS. RESEARCH THEIR RECORDS AND VOTE!!

People should know, and or experiment in craft of cast iron dutch oven cooking via open fire pit.

Recommend stockpiling multiple bags of charcoal, refilling 20lbs propane tanks may not be an option.

BTW: Revolutionary War unsung heroes were dutch oven cooks feeding troops.

that's what I have for my backup but also luckily I have a gas oven that is powered by two large gas canisters that last a year or more. I am grateful that I am able to prepare in the event of trouble. Just wish I had a completely off grid house... after the RV I sure will have!! Dutch ovens are the best! Can even bake bread in them.

I like to watch on YouTube channels about how third world people cook their food. I have learned a lot about cooking over an open fire and more than one way to start a fire without gasoline or propane. Did you know you can use plastics as a substitute gasoline source? It is all so interesting to me. I especially love the middle eastern nomadic lifestyle.

Yeah ol'e school ways of self-sufficiency, though my wife doesn't like utilizing scrub board and wash tub.

I put tub on Webber Kettle grill for her. Said, "stop complaining, you're not at the stream using a rock like in a third world country, be grateful".

On serious note, see "Cowboy Kent Rollins" videos on YT as Oklahoma Rancher having Studebaker chuckwagon. His video Sparkling Potatoes [taters] will intrigue.

See, Lehman's Hardware videos, and shop online, which caters to the Amish [off-grid lifestyle].

A Big sigh of relief! Those SOBs trying to blame us for their sick actions to make Brandon look good? Hopefully that never happens.

Damn good work by the nations best ! Thank You SOF !! Bet we can find more connections to the web of Black Hats with this event starting more good leads. I had two thoughts shocking my dusty brain. # 1 we should arm all primary patriot groups with weapons superior to our Black Hat controlled or headed groups. # 2 we must continue to execute traitors at as fast a rate as possible. If DS starts major incident then , if majority of traitors have already been dealt with in an appropriate manner. Patriot groups that are not up to SOF standards will be much more able to defend themselves. Of course , I want swift tribunals when possible , however justice must be swift , justice not swift is Justice Denied . Bee efficient ! >At 6:00 p.m. EST, May 26, a white Ford Econoline van pulled into the parking lot at the Pueblo automotive shop. Three men of undistinguishable origin, each packing a Heckler & Koch MP5 submachine gun, exited the vehicle and walked to the entrance.

pueblo is in a desert. there are no suburbs. the town is compact and DENSELY populated. check google maps if you don't believe me. so we are to believe that at 6pm on a friday evening, 3 men openly carrying "submachine guns" got out of a van, in broad daylight, in the middle of a densely populated urban center, were then engaged in a fire fight with special forces, and the corpses of 2 were carried away to another vehicle parked some distance away, and NO ONE saw it, NOT ONE single bystander made a cellphone video, NO ONE posted a peep about it on social media? does that sound credible to YOU? REALLY???

and youn's think the normies are gullible for believing what CNN tells them. SMDH.

maybe more of you true believers should demand that michael provide some tiny bread crumb of evidence. i'd like to believe, as much as any of you. but this is an especially tough one to swallow.

Really...dessert? You never lived here. Did the article mention the street name or location specifically??? Use your brain to think deeper..

Just a reminder, Lucky

Dessert: crème brûlée, panna cotta, gâteau chocolat, strawberry jello with slivered almonds.

Desert: a hot sandy terrain that will burn your bare feet if you are closely examining dehydrated cow skulls and blowing tumbleweeds.

Dessert with 2-SS because dessert is always on your mind after a good restaurant meal.

Desert with 1-S since you can't take the heat and want to get the hell out of there.

Shhh. You're spoiling what makes these stories so magical. Ignore reality and just believe

Duality's a curse, psyop is successful, you have been duped into using your brain but you don't know what else to do. Confusing huh? Sure, you could try running towards more of the brainwashing brought to you by the cabal, that will fix everything, right? 😊

I get it, it's frustrating but it's especially frustrating to be locked into using the very tools we need to be deprogrammed from. You are running towards the psyop not away from it. Sit with it, don't think about it. Hint stop thinking!!

Been saying this about all these mythical happenings! We live in a society of voyeurs that film and post everything on numerous SM sites from popping zits to dancing at home to hunting videos to traffic stops, but NO ONE CAN SEEM TO VIDEO ANY OF THIS! Think

not! It's worse than CNN and its stooges! They are ALL IN ON IT TOGETHER! Could not be keep quiet from the masses unless they all were a part of "the Plan"!

Maybe they'll take a picture and post it next time to make you happy. Why would Michael make this up and possibly get sued if it were false? There's a breadcrumb for you.
