Zdá se, že neexistuje žádný limit pro izraelskou bestialitu vůči Palestincům a stejně tak neexistuje žádná hranice pro to, do jaké míry tuto brutalitu umožnily postoje zaujaté po sobě jdoucími vládami USA a národními médii. Ve skutečnosti, sebedefinovaný židovský stát, který ironicky prohlašuje, že je demokracií, je možná hlavním porušovatelem lidských práv na celém světě kvůli své oficiálně tolerované genocidě namířené proti palestinskému lidu a bombardování a zabíjení sousedních Syřanů a Libanonů bez poskytnout jakékoli přesvědčivé důkazy, že je jimi ohrožován.

To, že apartheid Izrael je v podstatě zločineckým státem, který bezstarostně zabíjí a okrádá původní obyvatele regionu Středního východu, by většina pozorovatelů mohla docela dobře přijmout jako v podstatě pravdivou. Ale i přes to všechno se občas objeví příběh, který je tak šokující a znepokojující, že je těžké uvažovat, proč se zbytek světa nepovstal a nepožadoval ukončení izraelských zvěrstev.

Jedním z takových příběhů je nedávná vražda dvouletého chlapce Mohammada al-Tamimiho izraelskými vojáky. Bohužel, těžce ozbrojení Izraelci nelegálně okupující Západní břeh Jordánu a zabíjející palestinské děti nejsou vzácností. Celých 27 dětí utrpělo tento osud za posledních šest měsíců, včetně některých dětí zabitých izraelským bombardováním a raketami v Gaze. A příběhy jsou často stejné, přičemž izraelská vláda tvrdí, že existovaly „teroristické hrozby“, často záměrně vykonstruované provokace, které se rychle rozvinou ve střelnice s neozbrojenými Palestinci jako cíli.

V tomto případě byl Mohammad al-Tamini se svým otcem Haytam al-Tamimi a právě byl připoután na zadním sedadle rodinného auta, aby se vydal na krátký výlet za strýcem do nedaleké vesnice na oslavu tetiných narozenin. Al-Tamimiové žijí ve vesnici Nabi Saleh na západním břehu Jordánu, která se nachází dvanáct mil severozápadně od Ramalláhu, který je hlavním městem toho, jaké fragmenty země si Palestinci dokázali uchovat jako symbol své národní identity. Izraelci *de facto* jsou okupanty téměř celého Západního břehu a mají vojenské základny rozesté po celém regionu, aby chránily ozbrojené a nelegální židovské osadníky, kteří neustále obtěžují zbývající Palestince a ničí jejich úrodu, aby je donutili emigrovat. Zbývající Palestinci ve svých vesnicích a městech jsou neustále v obležení a jsou vystaveni kontrolním stanovištím, svévolnému zatýkání a dokonce vraždám z rukou izraelských obranných sil. Jeden pozorovatel poznamenává, že zbývající arabské „komunity jsou ve skutečnosti palestinské enklávy, které jsou věznicemi“ s těžce ozbrojenými 18letými izraelskými branci,

kteří mohou šílet, jak uznají za vhodné. A když je zabit Palestinec, izraelští vojáci dobře vědí, že nebudou žádným způsobem potrestáni. Spočítala to izraelská mírová skupina mezi lety 2017 a 2021 čelil voják, který zavraždil civilistu, pouze 0,87% pravděpodobnost, že bude vyšetřován a obžalován. V těch letech bylo takových obvinění jen 11 a tresty nakonec byly facky přes zápěstí.

1. června<sup>se</sup> Mohammad stal obětí skupiny izraelských vojáků, kteří později tvrdili, že pronásledovali auto, ze kterého se údajně střílelo na nedalekou ilegální židovskou osadu Neveh Tzuf. Problém s příběhem je, že nikdo neslyšel žádné výstřely, dokud izraelští vojáci nezablokovali vchod do vesnice, než dorazili do centra Nabi Saleh ve svých džípech a nezačali střílet na všechny strany. Poté se na několik hodin usadili, aby trochu potrápili místní obyvatele tím, že je bili a dokonce na ně stříleli zblízka. Haytam Tamimi a jeho syn Muhammad byli mezi pěti Palestinci zraněnými během náletu. Mohammad, sedící v jejich vozidle, byl střelen do hlavy a jeho otec byl zraněn do ramene, zřejmě střelbou od ostřelovače. Mohammad byl převezen do nemocnice a čtyři dny tam setrval, než v pondělí 5. června<sup>zemřel</sup>. Jeho tělo bylo vráceno do jeho vesnice k pohřbu, který se konal následující den, ale ani tehdy se Izraelci rozhodli nezasahovat do tragického obřadu. Před pohřbem a během pohřbu izraelská armáda obklíčila vesnici a později odpoledne, když byli truchlící shromážděni v domě prarodičů al-Tamimi, vstoupili do něj potřetí \_od chvíle, kdy byl zastřelen Mohammad, bili a stříleli vesničany a zranili šest lidí. Jeden muž utrpěl střelnou ránu do pánve, přičemž kulka vnikla do jeho střev. Žena byla zasažena pažbou pušky do obličeje, zatímco další truchlící byl zasažen do obličeje ocelovou kulkou potaženou gumou.

Je ironií, že ve stejný den, kdy Mohamed zemřel, americký ministr zahraničí Antony Blinken promluvil k Americkému izraelskému výboru pro veřejné záležitosti (AIPAC) na jeho výročním politickém summitu ve Washingtonu. AIPAC, jak lze pozorovat, existuje, aby prosazoval izraelské zájmy, což by mělo podléhat registraci podle

zákona o registraci zahraničních agentů (FARA), ale nikdo v Bílém domě nejeví zájem o prosazení tohoto konkrétního zákona nebo jakékoli jiné existující legislativy týkající se tajné jaderné arzenály, když je do toho zapojen Izrael. Posledním prezidentem, který se pokusil zaregistrovat předchůdkyni organizace AIPAC, Americkou sionistickou radu, byl John F. Kennedy a zvážit, co se s ním možná v důsledku toho stalo.

Blinken je sám Žid a zapřisáhlý sionista v administrativě zaplavené Židy a sionisty, včetně prezidenta Joea Bidena, katolíka v supermarketu, který se nazývá sionistou a účinně přísahá věrnost židovskému státu. Blinken opravdu není moc dobrý v obviňování Izraele z čehokoli, a když se účastní tvrdého židovského shromáždění, jako je Summit AIPAC, je plně nabitý energií, zatímco dává publiku dobrý pocit z jeho lásky k Izraeli. Nadchl „jak se americko-izraelské partnerství „dotýká každého aspektu našich životů, od bezpečnosti po podnikání, od energetiky po veřejné zdraví. A hloubce a šíři tohoto partnerství mezi našimi vládami odpovídá pouze síla vazeb mezi našimi národy. Toto partnerství mezi Spojenými státy a Izraelem je nepostradatelné.

Blinken se rozhodl neuznat, že „nepostradatelné vazby“ mezi USA a židovským státem lze přičíst rozsáhlé korupci amerického politického systému Izraelem a jeho lobby za dosažení takového postavení. A Blinken se nevyhnutelně ujistil, že jeho přátelé v AIPAC pochopili, že Bidenova administrativa vidí „vinu“ za nepokoje na Blízkém východě stejně jako vláda premiéra Benjamina Netanjahua: Írán a palestinští „teroristé“ jsou z velké části na vině a Izrael je věčnou obětí.

Vzpomněl si jak „Během posledních několika let jsme byli svědky rostoucí vlny strašlivého násilí, které tragicky a nesmyslně vyústilo ve ztráty života mnoha civilistů na obou stranách. Toto násilí musí skončit; jeho pachatelé musí čelit stejné spravedlnosti podle zákona. Nedávné teroristické činy – včetně téměř 1000 raketových útoků na Izrael během pouhých tří dnů, z nichž některé byly zaměřeny na Jeruzalém – ukazují každodenní hrozbu, pod kterou jsou Izraelci

nucení žít. Osudná událost na hranici s Egyptem, která měla za následek smrt tří izraelských vojáků, je další tragickou připomínkou těchto každodenních nebezpečí.

Blinken nejevil zájem o mrtvé palestinské děti ani o vraždu palestinsko-americké novinářky Shireen Abu Akleh izraelskými vojáky v květnu 2022. Je nadšenější, když říká AIPAC, kolik peněz z amerického ministerstva financí a dalších dobrot proudí do bohatý Izrael od amerických daňových poplatníků, popisující, jak „Teď musíme začít od toho. Americko-izraelský vztah je podepsán závazkem Spojených států k bezpečnosti Izraele. [Můj důraz] ***Tento závazek je nesmlouvavý; je to železné. Jsme – každý rok poskytujeme Izraeli zahraniční vojenské financování ve výši 3,3 miliardy dolarů. Kromě toho Izrael dostává 500 milionů dolarů na financování protiraketové obrany. Další desítky milionů za nové protidrony a technologie proti tunelování. To je v souladu s memorandem o porozumění z roku 2016, které vyjednala Obamova-Bidenova administrativa – a je to více než kdykoli předtím v historii našeho vztahu. Poskytujeme také další finanční prostředky ve výši 1 miliardy dolarů na doplnění zásob pro izraelskou Iron Dome, systém protiraketové obrany, který jsme společně vyvinuli a který zachránil nespočet životů.*** To vše – to vše bylo zajištěno v partnerství s naším Kongresem s podporou obou stran. Rozšiřujeme také naše společná vojenská cvičení, která zlepšují bezproblémovou spolupráci našich sil. V letošním roce máme naplánováno více společných cvičení než kdykoli v naší historii. Provádíme také společný výzkum a vývoj pokročilých vojenských schopností, pracujeme společně na špičkových obranných systémech, včetně nového izraelského železného paprsku zaměřeného na laser. Tato silná podpora je i nadále kritická pro ***udržení kvalitativního vojenského náskoku Izraele, posílení jeho schopnosti bránit se a prosazovat naše národní zájmy. Amerika je bezpečnější, když je silný Izrael .***“

Je zajímavé, jak Blinken uzavírá svůj argument podporující házení bušlů peněz do Izraele na základě toho, že slouží americkému „národnímu zájmu“ a činí nás „bezpečnějšími“, což je naprostá lež, podobná tomu, co se propaguje k vysvětlení, proč jsme v Ukrajině. Možná by administrativa mohla uvažovat o některých nových tématech, protože lži jsou stále absurdnější a deficitní výdaje ve výši bilionů dolarů dosáhly bodu, odkud není návratu. Blinken také lže, když se pokouší vzkřísit totálně mrtvé dvoustátní řešení Izraele a Palestiny, když říká: „Izrael byl založen – naše partnerství bylo vybudováno – na demokratických hodnotách, které zahrnují rovný přístup všech lidí k jejich právům. A řešení dvou států je zásadní pro zachování identity Izraele jako židovského a demokratického státu.“ Blinken by se možná měl jednoho dne reinkarnovat jako Palestinec, který právě přišel o živobytí a domov pro židovského osadníka se „rovným přístupem“ a který každý den zažívá izraelské organizované rostoucí státní násilí, které je namířeno proti němu. To může poskytnout jiný pohled. A je zajímavé poznamenat, že hrozba Blinkenovu pomyslnému dvoustátnímu řešení je také koncipována tak, že přichází spíše od Palestinců než od Izraele. Ve svém projevu k AIPAC odsoudil „jakékoli kroky podniknuté jakoukoli stranou, které podkopávají vyhlídky na dvoustátní řešení. To zahrnuje teroristické činy, platby teroristům ve vězení, násilí proti civilistům, podněcování k násilí. Vezměte na vědomí, že bombardování a střílení dětí není zahrnuto, což je izraelská specialita.

A mimochodem, pane Blinkene, Izrael nebyl založen na „demokratických hodnotách“. Zapojila se do masivního programu etnických čistek, který definoval její vytvoření – Nakba pro Palestince, která zabila tisíce a vyhnala nejméně 650 000 civilistů z jejich domovů. Prvních 19 let existence Izraele byli jeho arabští „občané“ ovládnuti stanným právem a od té doby jsou Palestinci právně diskriminováni, přičemž židovská nadřazenost a práva slouží jako definující charakteristiky státu.

Je zajímavé, že na rozdíl od Blinkena a Bidena se zdá, že alespoň jeden americký senátor má svědomí ohledně mrtvých lidí a je překvapivě dost demokrat! Senátor Chris Van Hollen z Marylandu, člen senátního výboru pro zahraniční vztahy, vyzývá administrativu Joea Bidena, aby „veřejně zveřejnila svá zjištění“ o zastřelení Shireen Abu Akleh. Van Hollen se domnívá, že zpráva, kterou sestavil americký bezpečnostní koordinátor pro Izrael a Palestinskou samosprávu krátce po této skutečnosti, poskytuje důležité informace o „vedení jednotky Izraelských obranných sil (IDF) zapojené do této operace, jakož i dalších jednotek IDF operujících na Západním břehu“. Řekl: „Pevně věřím, že jeho veřejné zveřejnění je životně důležité pro zajištění transparentnosti a odpovědnosti při zastřelení americké občanky a novinářky Shireen Abu Akleh a pro zamezení budoucích neoprávněných úmrtí, kterým lze předejít – cíle, které bychom měli všichni podporovat.

Van Hollen zjevně nebyl informován o skutečnosti, že Izrael má v Bílém domě schválenou licenci k zabíjení Američanů a téměř kohokoli jiného kvůli svému „vyvolenému“ statusu. Měl by zjistit, co se stalo se smrtí izraelského armádního buldozeru Rachel Corrie v roce 2003 a se 34 námořníky zavražděnými a dalších 172 zraněných při izraelském útoku na USS Liberty 8. června 1967. Když *Liberty* bojovala o to, aby <sup>zůstala</sup> prezident Lyndon Johnson nařídil utajování, které *de facto vedlo do Washingtonu* přijímání rozkazů z Tel Avivu a placení každoročního tributu Izraeli, jak podrobně nastínil Blinken ve svém projevu AIPAC. Tak, tady to máte. Na jedné straně máme militarizovaný etno-náboženský stát, který vládne potlačované menšině terorem a zabíjením, které je hýčkáno republikánskou i demokratickou administrativou USA kvůli židovské moci a ještě více kvůli korupci, kterou lze získat penězi a vědáním. jak toho využít k politickému prospěchu.

Zabití dvouletého malého chlapce, který seděl v autě se svým otcem, je pouze nejnovějším z izraelských válečných zločinů a zločinů za lidská práva, ale je to obzvlášť ohavné a nikdo v Bílém domě nebo na ministerstvu zahraničí si netroufá říct, že je to squat.

Vraždy v Palestině a fantazijní popírání izraelské viny za cokoli ze strany Blinkena a Bidena i Donalda Trumpa, když byl v úřadu, mluví samy za sebe. Kdo skutečně vládne Spojeným státům? Jaká monstra jsme se stali pod kontrolou neokonů/sionistů? Zvoní zvon, který zvoní, k zániku nás jako národa? Zeptejte se na všechny ty věci hned teď, protože až se Bidenova válka proti antisemitismu skutečně rozjede na plné obrátky, budete pravděpodobně čelit vězení jen za to, že se odvážili položit tyto otázky.

Meanwhile, RFK Jr. thinks Israelis don't intentionally kill Palestinian children, & that Arab dissidents are better off in Israel than in any Arab country. (Question of Israel and Roger Waters starts at 35:25.)

Politics of the possible, best alternative, yadda, yadda, yadda. This guy really makes it hard to put any effort into him. If he's recognized how wrong he was about Russiagate, could he possibly imagine he's beset by groupthink on Israel?

@Rabbi Shlomo

Can you prove this?

The Second Civil War in the U.S. (very near) will see AIPAC, the ADL, SPLC, ANTIFA, etc all eliminated, as well as the Mossad Operatives inside the supposed U.S. Government that has gone rogue under the Talmudic Zionists who have committed genocides, holodomors, and outright murder via assassinations!. We won't have to worry about going into Is-Ra-Hell to mop-up; the Iranians, Syrians, and the Greater Arab World will do this for us post the Iranian nukes flying at hypersonic speeds.

I'm not an 'anti-semite' but rather, an 'anti-Talmudic anti-Zionist' who sees Is-Ra-Hell as a global threat to non-Zionist Jews everywhere!

The actions of the Zionists could be the end of world Jewry as we know it...

And- that may not be a bad thing!

Christians are God's Chosen People thru the Blood of Christ, that eliminated the 'Laws and Ordinances' including the Khazarian Precepts!

**What kind of monsters have we become under neocon/Zionist control?**

Is the bell that is tolling ringing for the demise of us as a nation? Ask about all those things now, because when Biden's War on Antisemitism really goes into high gear one will likely be facing a jail sentence just for daring to pose those questions.

Well, we're certainly *exceptional* monsters. Bullying nations, impoverishing them, and even destroying countries which get in our way. We're so darned "exceptional" that all of these activities are evidence of the perfection of Truly Democratic Government.

Regarding a "jail sentence" for asking questions about Holy Israel, this could happen. The Apartheid state is the purest possible form of Nazism, and as such all of its behavior must be put beyond question.

Take that dead 2-year-old – he could have been carrying a grenade or handgun to be used for murdering a soldier of The Most Moral Army In The World. In the past armed babies have been a problem:

FORT BENNING, Ga., Jan. 12 {1971} —Former Pfc. Paul D. Meadlo testified today at the court martial of First Lieut. William L. Calley Jr. that he had shot some babies in their mothers' arms at Mylai because he was afraid the babies might be carrying concealed grenades.

Mr. Meadlo testified yesterday that he and Lieutenant Calley killed as many as 140 South Vietnamese, mostly women and children, during an American attack on the hamlet March 16, 1968.

"Were you afraid the babies might attack you?" the Army prosecutor, Capt. Aubrey M. Daniel 3d, asked today.

"Yes," Mr. Meadlo replied. "Any baby might have been loaded with grenades that the mother could have thrown."

Saint Golda Meir has remarked about the vile nature of the filthy "Palestinians":

“We can forgive the Arabs for killing our children. We cannot forgive them for forcing us to kill their children.

The Zionist-Nazis represent the highest form of Mankind’s Social Evolution. Unmentioned in all those stories about their shootings and bombings of Lesser Humans is the hidden lingering grief. Be assured that those Highly Moral snipers spent the following days weeping about being forced to execute the cute little sub-human creature. How could it be otherwise – they have declared themselves to be the Favorites of an Almighty God.

I predict that the Apartheid state will be fully rehabilitated in the future. At the present time the First Nazis are being recast as rational, peace-loving, and perfectly normal Humans who were only reacting to unbelievable provocations. Consider the case of the Beloved Führer:

### **Hitler aligned himself with Christianity**

<https://www.dispatch.com/story/opinion/editorials/2007/03/20/hitler-aligned-himself-with-christianity/23656423007/>

In 1941, Hitler told Gen. Gerhart Engel, “I am now as before a Catholic and will always remain so.”

Hitler wrote in Mein Kampf: “I am convinced that I am acting as the agent of our Creator. By fighting off the Jews, I am doing the Lord’s work.” In 1938, he quoted those same words in a Reichstag speech.

If Germany had won WW2, Good Christian Adolf Hitler would be a Saint by now. Small wonder that his new labeling in 2023 has reached a point that “Adolf Hitler was no Adolf Hitler”.

Yes, the Old Nazis are almost fully rehabilitated. The New Nazis of Ukraine are well along that path. How much longer till the Zionist Nazis – The Most Beloved Of God – become living Deities? If Joe “I Am A Zionist” Biden gets his way, not long at all.

Enough with the tiresome Nazi comparisons. Whatever Nazis were, they were not the Eternal Bad Guys they are painted out to be, just because they targeted the "sacred" Jews. In fact, not even that was completely true, as there was some cooperation of Nazis with early Zionism, helping Jews to migrate to Palestine. And some Jewish bankers financed Nazis, too.

If I had to choose just one as History's most murderous regime, the early Communists (many of which were Jews) would have to take the prize, not the German Nazis. (And not just in Russia, Communism wrecked large parts of Asia, too). The second one (or perhaps even the first?) would be the post-1945 U.S., with its murderous policy of "democracy and anal sex über alles".

As long as the “jewish state” exists there cannot be peace in the world. The very existance of the entity “israel” in occupied Palestine, *generates* emnity amongst its nieghbours. It cannot be otherwise!

By the same token, the “ironclad” support granted to that entity by a hegemonic USA ensures that there will never be peace in the world.

BOTH must be destroyed one way or another. Begining with the USA (or at least its “ironclad” supporting of the entity), because it is that support that keeps the entity secure.

It’s my hope that the good people of America get to work on dismantling the USA forthwith, thereby providing for themselves oportunities to create safe, secure, peace-loving and free communities in which to raise their children, and thereby cutting the middle east free to deal with the entity as it sees fit.

And the rest of us need to hold “Jewish Power” to account for lies, corruption and trechery that underpins that power within and throughout all westen nations.

The time’s getting late!

With best wishes for a brighter future,  
Kali.

Machine-gunning Palestinian children has been found to be a useful way of dealing with the “demographic problem”, i.e. too many *goyim*, diluting and contaminating what is supposed to be a Jewish state. It’s not murder or anything, you understand, because the *goyim* are not really human, as any rabbi can explain to you.

In reality there are so many children killed by racism that one more is not news.

But let's remember that the rat Tony Blair explained in the UN forum why the whites killed so many children, dijo : "It is better to kill them when they are children than to face them armed when they are men."

The curious thing about the case is that this cowardly argument was accepted as good and was even applauded.

There is the play, “My Name Is Rachel Corrie”, based on the writings of Rachel Corrie, the young American student/activist who was brutally murdered by Jews while protesting the illegal demolition of a Palestinian home. Her writing is nuanced, insightful, frightening and heartbreaking.

Make it your habit: every time you hear someone say “Hitler”, immediately reply with “Hitler was no Hitler.” Do the same whenever you hear “Nazi”. Calmly say “The German National Socialists were certainly NOT Nazis”. When you get the puzzled look and the question “What do you mean?”, just mention that these names have taken on new meanings, contrafactual, not historical meanings. No need for emotion. Rattle off a list of 20th and 21st century politicians who have been called “Hitler”.

It's my hope that the good people of America get to work on dismantling the USA forthwith

The bulk in the US vote to ensure there will be continuity of the same gov't that is the most evil on the planet. The same is true of the 'west' generally. The figurehead per office doesn't matter since everything is rigged before, during and after the elections and only goes to show that the bulk of the 'west's' population are stupid. The voters are complicit in all the crimes done in their name.

The saying 'We are all Palestinians now' exists, meaning some realize that the west's people are destined to no better fate than what Israel is meeting out now. Clearly, there's a split happening between the 'west' and the rest of the world. As that evolves, the filth in control of the west won't give up their perks but will just concentrate on their own captive populations. The average US and European resident will every day become more like the Palestinians are now.

Taxes will go up as wages are pushed down. Price inflation will add an additional dimension to purposely engineered poverty. Free speech, the 2nd Amendment and all human rights are slowly being eviscerated by legal sophistry. This is what continuity of gov't looks like on the ground and is what people are actually voting for.

Absolutely wrong. So very wrong. The snack bar is the thing that's growing, demographically, economically, geopolitically. And now the Sunni and Shiite powers are refusing the traditional division that allowed the west to conquer. Now all the Arab and Persian nations look to make closer ties to the East, to Russia and China. This will drain the pus from the zit as Uncle Shmuel loses his ability to protect his little brat of a client state. All the rich Jews in the US and England won't be able to do a thing to stop it. And soon enough, they will be so worried about their own skins, they'll toss the apartheid state right under the bus! May the will of God allow me to see the day!

The Ukraine war demonstrates that rockets and missiles are the future direction of mass murder sponsored by the various mafia's of the world. As the technology leaks out, smaller states like Iran are producing hypersonic missiles with the reach to strike Israel.

Russia should hit 'The City of London' for Great Britain's efforts in continuing the Ukraine war. Iran should use their latest missile technology to take out the Knesset while it's in session and blow up the entire temple complex so there's nothing left but a hole in the ground. The idiocy of religion also needs to take a hit.

The scheduled meeting of the BRICS+ is too juicy a target for the 'west' not to attack all the heads of the various mafias in attendance. As these gangsters jet in, their planes are also targets. Maybe missile technology will dilute the security mechanisms these world leading murderer's and criminals currently enjoy.

Just yesterday I watched an old 2006 documentary on archeology in which the “con” side consisted of several Jewish archeologists and one Jewish professor of geology. I was aghast at the lying audacity of these Jews who, in the first place, assumed the role of deciding for locals in a foreign country what they could do and not do. It may seem marginal, but documenting the rhetorical devices used by lying or overstepping Jews would be helpful in general and hilarious in the particulars.

For example, when a Jew is faced with a question where he cannot fire back with the usualchutzpah, he’ll slowly repeat the question once, or maybe even twice—“So, you’re asking me . . .,” with his eyes darting left and right as he tries to come up with an answer. Rattling off self-evident points, such as we have to consider a, b, and c . . . not to mention x, y, and z, before answering according to Jewish purposes, also seems characteristic of their lying.

The point is to not get diverted by their rhetorical devices by telling them to shut their lying mouths and call wanton murder of innocent children by its right name and not obscure it with something else, such as “the right to exist.”

Mars specifically stated that the Zionist controlled U\$\$A and the rest of the “Five Eyes”, taking orders from City of London, would engender a war in Ukraine.

A little different take from the author's: Blaming Jews is blaming termites for being termites.....who exactly has permitted this series of atrocities?

The Bible speaks of a seared conscience in 1 Timothy 4:2. The conscience is the God-given moral consciousness within each of us (Romans 2:15). If the conscience is “seared”—literally “cauterized”—then it has been rendered insensitive. Such a conscience does not work properly; it's as if “spiritual scar tissue” has dulled the sense of right and wrong. Just as the hide of an animal scarred with a branding iron becomes numb to further pain, so the heart of an individual with a seared conscience is desensitized to moral pangs.

Paul identifies those who have a seared conscience in 1 Timothy 4:1–2: “The Spirit clearly says that in later times some will abandon the faith and follow deceiving spirits and things taught by demons. Such teachings come through hypocritical liars, whose consciences have been seared as with a hot iron.” In this passage, we learn three things about false teachers who lead others into apostasy: 1) they are mouthpieces for evil spirits, since they promulgate “things taught by demons”; 2) they are hypocritical liars, since they wear a mask of holiness but are full of falsehood; and 3) they are unscrupulous, since their consciences have been cauterized. This explains much. How can false teachers lie with no shame and spread deception with no compunction? Because they have seared consciences. They are past feeling that lying is wrong. —

<https://www.gotquestions.org/seared-conscience.html>

This is further explained by the wholesale searing of conscience in Churchianity – “Characteristic of baby Christians is their lack of formation of biblical principles. They do not see the value in what the Word of God can do in their lives. The reason for this is they have not acquired a taste for what the Word can do for

them. They do not believe in the operational value or what forming these principles can do for them. They would rather live by their biases about life. This becomes operation bootstraps, a life lived by constricted human viewpoint. Divine viewpoint remains obscure and remote to how they live. There is a biblical belief shut-down. Their belief system is something other than what God has to say; it is what they prefer to believe.” – copied from just one of the articles listed here –

<https://crushlimbrow.blogspot.com/search?q=Maturity&updated-max=2022-06-07T12:52:00-07:00&max-results=20&by-date=false&m=1> – what must be said here is that God’s church has been corrupted and turned into Churchianity.....which is a FALSE Christianity!

The fundamental problem lies in the corruption of Western Civilization by its church which has literally been turned into an agent of Satan.

Prove me wrong!

Saudi Arabia has taken a complex approach to the recognition of Israel by several Arab countries in the Abraham Accords. @Rabbi Shlomo

You're joke is grim. But you're point is well taken. In fact, it hits the bullseye.

Speaking of hitting the bullseyes. Here's a quote of some length from the always exemplarily useful Douglas Reed:

[https://www.unz.com/book/douglas\\_reed\\_the-controversy-of-zion/](https://www.unz.com/book/douglas_reed_the-controversy-of-zion/)

## Chapter 19 • The World Revolution

For the sake of orderly sequence this narrative has been carried through to Napoleon's Sanhedrin; the answers given by it closed the third, and opened the fourth period in the story of Zion, which began with the public renunciation of separate-nationhood and ended, ninety years later, with the public re-affirmation of separate-nationhood in its extremest form.

Before it continues into that fourth phase, the narrative now must move back twenty years to the start of the world-revolution, and consider what part, if any, was played by "the Jews" in that.

The 19th Century\*, in the West, differed from the preceding eighteen centuries of the Christian era there in the emergence of two movements with a converging aim, which by the century's end dominated all its affairs.

The one movement, Zionism, aimed at reassembling a dispersed nation in a territory promised to it by the Jewish god; the second movement, Communism, aimed at the destruction of separate nationhood as such.

Thus these two movements appeared at first sight to be fixedly opposed to each other, for the one made nationalism its religion, even its god, and the other declared war to the death on nationalism. This antagonism was only apparent, and in truth the two movements ran on parallel tracks, not head on towards a collision on the same line. For the god who promised land to the nation to be gathered-in also promised to set it "above all people that are upon the face of the earth" and to destroy all other nations "with a mighty destruction until they be destroyed." The world-revolution, which pursued the second of these aims, thus fulfilled the condition set for the first of them; either by accident or by design, it too was doing the will of Jehovah.

That being so, the historian's task is to find out, if he can, what relationship existed between the organizers of Zionism and those of the world-revolution. If there was none, and the parallelism of purpose was coincidental, then history was evidently having a little joke with the West. If relationship can be shown, the pattern of the last 170 years prefigures the shape of coming events; in that case the world-revolution has been the handmaiden of Zion.

\*Of course, the 19th century involved a lot more than just the emergence of Zionism and Communism. So to that, in a follow-up comment, I shall turn.

‘That commitment is non-negotiable; it is ironclad. That is in keeping with the 2016 memorandum of understanding negotiated by the Obama-Biden administration.’ — Secretary Blinken

As was just made clear this month in the debt ceiling deal, the current Congress cannot obligate future Congresses.

The deal contains targets for the next ten years of spending. But only this year’s and next year’s spending actually have a modicum of enforceability.

Yet an MoU from 2016 guaranteeing Israel \$38 billion over ten years is treated as non-negotiable:

‘The total value of the new MOU, which covers FY2019-FY2028, is \$38 billion (\$3.8 billion per year). It will succeed the current \$30 billion MOU signed in 2007, which will expire at the end of FY2018.’

<https://obamawhitehouse.archives.gov/the-press-office/2016/09/14/fact-sheet-memorandum-understanding-reached-israel>

Legally, this is laughable. It might as well be scribbled in lipstick on a cocktail napkin from a gentlemen’s club.

But every president and every member of Clowngress salutes when it’s run up the flagpole.

Seems like we need a superseding “Law to Remedy the Distress of the People and the Nation.” Otherwise, the next MOU will guarantee Israel north of \$5 billion a year. *Count on it.*

If “Biden’s war on anti-Semitism” is as tyrannical as it appears we will have the right to kill every Jew and every politician supporting it. . yes we do have the right to kill tyrannical government. Of course the Jewish terrorists will continue with their brazen “no, YOU are the terrorists” just like they do to the Palestinians in their own country. 8 billion goyim. 20 million Jews! Let’s get this war started! I like our odds! Let’s get united and tell the Jews they can either cease and desist or be scrubbed from the earth for good.

Meanwhile, RFK Jr. thinks Israelis don't intentionally kill Palestinian children, & that Arab dissidents are better off in Israel than in any Arab country.

Marxist-Zionist ZOG and its millions Zoglodyte supporters and useful idiots are descending on a daily basis into ever lower depths of depravity and and insanity. Just look at any major American city to see the sickness and corruption, and how the “Jews” (Synagogue of Satan) have brought us cultural enrichment and prosperity, straight from sadomasochist Hollywood, moneychanger Wall Street (home of Jamie Dimon and the Epstein cabal) — <https://www.msn.com/en-us/money/companies/jpmorgan-prepared-to-pay-290-million-in-settlement-with-jeffrey-epstein-victims/ar-AA1cqR9k> — and the Chicago headquarters of the gang-banger “Machine.”

Then you've got the child-raping rabbis of Israel, perfecting their Satanic bris techniques on “Arab dissidents” in the dungeons of Tel Aviv.

The Judeofascist “engine of history” and its Marxist-Zionist accomplices and useful idiots are quite the spectacle to behold — just as is Satan.

But trembling RFK Jr is going to show them, right after he's done arresting them for murdering his Catholic father and uncle because Satanists can't stand Christendom or its last fumes?

He's right on vaxx's and the pharmaceutical industry, but not much else. And he's definitely wrong on “Jews,” which is exactly what you'd expect from an appeaser of Judeofascists — currently seeing to the butchering of Ukrainian Zogldoytes who fell for the promise of 30 pieces of Uncle Shlomo's silver.

One would have expected the advent of the “Nazis” of the Azov batallion in Ukraine to open a few eyes about the uses of wardrobe, slogans and tattoos in the theater of zio-globalism.

What are the blinkens, zelenskys, and other operatives of the global elite doing using (and defending) the costume clowns impersonating “nazis” in Ukraine? How come they are not shocked into a seizure of PTS, even second-hand PTS, by the resurgence of well, nazi ideology, no?

How come a mere question about the Holocaust narrative can ruin the life of a questioner in the US, and have him thrown in prison in Europe (Ursula Haverbeck in her 90s), how come any display of National Socialist insignia/symbols is punished by law in the West, yet they are completely acceptable in Ukraine, that wonderful democracy which the US and Western Europe are generously funding? Confusing...

What were the same actors doing impersonating devout communists/trotskyites in the US (eg. the Kristols) before a quick change into “neoconservatives” at the opportune moment?

Having turned “nazi” into the epitome of evil in the minds of all their deplorables, having destroyed the life of any dissenter or historian (e.g., David Irving) who exposed the lie of the caricature of the 3rd Reich, “Hitler’s war” and the lie of the sacred number of 6 million, they are now confident enough to not worry about inconsistencies.

Aside from Communism and Zionism, the 19th century (often referred to as *The Forgotten Century*) also brought with it a number of other things (some of which, of course, got started long before). Here's a short list.

**The Industrial Revolution**

**The Population Explosion**

**The Communications Revolution**

**The Rise of the Middle Class and Death of the Aristocracy**

**The Spread of Enlightenment Values** (ideological conformity)

**Romanticism** (a sharp break with all previous periods of cultural history)

Without going into any of them here, and whatever our interpretations of them may be, it's enough to say that, taken together, they created a situation of extreme complexity and unendurable incoherence. And this complexity and incoherence was made worse by the general response – oversimplification and a corresponding overconformity. A lethal combination. That is to say, a *maladaptive* combination.

The point is this: Only the middle class had a living cultural tradition in the kind of social organization necessary to control and exploit industrialism.

And only **Supremacy Inc.** (Zionism) had a living cultural tradition in the kind of social organization necessary to control and exploit the white middle class.

The emerging white middle class and their captains of industry provided both Zionism and Communism, ie; **Supremacy Inc.** with the perfect cover to advance their cause – in the shadows, of course. Put bluntly, Supremacy Inc. played the white middle class like a fiddle.

However, there's a snake in this garden too. Because, though Supremacy Inc. was masterful in the past and up until the recent present at acquiring power through its template of infiltration, exploitation, subversion, betrayal, destruction and death; it is not at all competent in the present, nor will it be in the future, at the kind of social management needed to sustain that power, in any civilization. Let alone one more complex and unpredictable than ever before. Not because I say so. But because they have no interest in it. Obviously!

In short, Supremacy Inc.'s fiddle is out of tune. And like anything that's been out of tune for too long, when you tune it up again, it goes out of tune as soon as you start playing. And when it comes to playing, well, unfortunately for Supremacy Inc. they've long since exhausted their intelligence in exploiting the West, and have now suffered a severe dumbing down (witness the Neocons and Biden's administration).

As a result, not only are they out of tune, they're not even playing the right notes. They're not even in sync with themselves. And they're certainly not playing in time with the rest of the world. In other words, their bad performance is, as bad performances tend to do, attracting attention to itself. A lot of attention, and from all over.

Put bluntly, Supremacy Inc.'s behavior is becoming increasingly, and dangerously, maladaptive. Thereby making them the only real *existential threat* in the world today. Indeed, the growing sense of this very unpleasant fact is the real cause of our current malaise.

Supremacy Inc. is finally coming to the end of itself. Will it take the rest of us with it?

That, arguably, is one of the most important questions in the world today.

I have heard from the mouths of jews themselves that they consider the unfertilized eggs inside the wombs of arab women as terrorists because of their potential to become live invaders in their god given jewish utopia. Israeli Rabbis have sanctioned the targeting and murder of young palestinian women as a legitimate war strategy due to the “hostile threat” their wombs present to erez israel. As anyone can see, the IDF deliberately targets arab children, boys and especially girls, for liquidation in an effort to destroy palestinians capacity to reproduce. Several years ago, an israeli tank fired into the apartment of a prominent and well known palestinian doctor, killing his 4 young daughters and his teenage niece.....

The IDF claimed it was a mistake while quietly celebrating the impunity of this war crime and crime against humanity....

Is there any limit to discrimination against the Jews? People say Jews are biased, they aren't, they see the reality, the way the goyum only pretend to love and obey Jews. @Rabbi Shlomo

While this blatant murder of a two-year-old is just one of many examples of Israeli atrocities, it has been going on for decades. The state of Israel should have been conquered by the United States after the Israeli attack on the Liberty on June 8, 1967, and treated as a belligerent all those Israelis found guilty of involvement should have been executed. Johnson, McNamara, and everyone involved in the United States should have been put on trial and executed. This would have gone a long way in solving the current Deep State problem. But all that was done was piss and moan, as is currently the situation. The fact that Zionist Jews in this country control all of the power centers in this country could easily be fixed by confiscating all the wealth of the Zionist-supporting Jews. This could have been done decades ago. But this was not done because the insouciant Gentiles did not make it happen.

If you do not like this solution, come up with a better one.

It took MAJOR courage, intellect and due diligence to write "*The Real Anthony Fauci*" and release it at the height of The Scamdemic. For that alone, RFK deserves VERY serious consideration, especially taking into account that Zion Inc. now resorts to outright lying to slander the guy.

It's bloody difficult to get to the truth these days, let alone the truth about a politician, but RFK's book was a masterpiece. RFK has already shown more courage standing up to Shlomoscum than Trump did over his entire political career.

Supremacy Inc. thought by now they would have complete censorship control over the internet, Academia, corporate BIG's and government PIG's (People In Government). They thought that Trump's MAGA populist movement was over once they impeached him, used fake ballots to install a criminal they control, rounded a few hundred J6 patriots and install a Zionist cabinet while declaring whites "whites supremacists and domestic terrorists, the greatest threat facing the US.

If that wasn't enough, how about two years of masking, social distancing, forced clot shots, BLM – burn loot murder and rape + snatch n' grab 24/7/365 with impunity.

@JoaoAlfaiate

| Money has given the USA the most corrupt political system on the planet.

Exactly so.

The SCOTUS has passed down egregious decisions that abridge the First Amendment and show contempt for the concept of representative democracy. Buckley v. Valeo, 424 U.S. 1976 and exacerbated by continuing stupid SCOTUS decisions First National Bank of Boston v. Bellotti, Citizens United v. Federal Election Commission, and McCutcheon v. Federal Election Commission.

These decisions have codified that money is free speech, thereby giving entities of wealth and power total influence in elections.

About time the Jews start paying up for their crimes against America, Germany, Ukraine, Russia, Jewkraine, South African Whites, etc. Why are the Jews an exception? Pay up, kikes.

If RFK Jr. thinks “Israelis don’t intentionally kill Palestinian children and Arabs are better off in Israel than any Arab country” and is unable to assess how “27 children have suffered that fate in the past six months, including some children being killed by Israeli bombing and rockets in Gaza”, he’s no better than illegitimate Joe “The Big Guy” Biden who turned US into a rainbow negro nation and the laughing joke of the world.

If he’s unable to see the CIA who murdered his father RFK, JFK and and JFK Jr. as a wing of Mossad, then he’s next in line.

@Realist

On an American website like this, it is common to see Americans posting up about how they are victims, helpless victims of Jewish/City of London etc etc nefarious dealings against which they have no defence.

The truth of the matter is that Americans are for a great part dissolute and depraved, without any effective morals, and love the things that Jews have offered to them. Drink is I'm told a major killer in USA, other drugs highly placed, STDs rampant, obesity, stupidity, sexual perversions NAMBLA etc ... USA is a corrupted moral sinkhole.

One lady told me during my stay there that "God will destroy America because we are so wicked", the only one to say anything like that in approx 6 years. She was affluent, from an old established Dixie family, and went back over the history from 1920's depravity. She was absolutely convinced this was USA's future.

This is not a popular message in America, however. Someone else is always to blame.

@Kali

Thanks Kali for those heart felt words of wisdom.

When you own all major publishing, media, academia,  
corporate, banking and government lobbying house's, control  
who gets sanctioned and who gets bombed and who goes to jail  
and who is free, the fat chance of any pushback is extremely  
small, that doesn't mean a pushback is coming, it just means the  
odds are against you.

It's now a matter of getting organized to fight and die standing  
up or die a deserving death kneeling to these despicable  
parasites, what do we have to lose?

No problem. There are 6 million Jews in Israel. If Israel didn't exist, where else do you think they'd be?

‘I challenge anyone to name a single benefit the existence of Israel as a nation as given the American people. I certainly can't think of one.’

It's been morally humbling. Thanks to our association with Israel, we can no longer assert our ethical superiority over the other nations of the earth.

Remember: humility is a virtue.

Now what on earth did the Palestinians do to have such a fate visited upon their land?

This is the problem with all these schemes involving the Jews and Israel. What did the frigging Palestinians do?

If anyone’s to blame (other than the Jews themselves), it’s us, for nurturing them, sponsoring them, creating this massive Petri Dish for that culture to grow beyond all reason — so let’s take responsibility for it.

...don’t offload it on some third party too small and impotent to prevent us.

It would be wise if the world dropped the big one on the cancer before everyone becomes a Palestinian. Once again, Americans are on the wrong side of history. You’d think they’d get tired of playing the fools, but not them.

One wonders what collective epitome of human virtue you have the privilege to claim membership in?

...or perhaps it’s just you personally that are so good in so many ways?

In any case, I’ll point out to you that the US is a big country. Some of the failings you mention are present in most of the places in it; few sport all of them.
