Poznámka: Tento článek je založen na poznámkách poskytnutých autorem v odpovědi Dr. Gregu Johnsonovi na 2023 Counter-Currents Spring Retreat. Není pochyb o tom, zda žijeme v imperiálním řádu. Je jen otázka, čím je to impérium. Vždy budete žít podle nějakých imperiálních ideálů. Je otázkou, pod jakými ideály se nacházíte.

Julius Evola tvrdil, že v tradičním světě „[St]át měl transcendentní význam a účel, které nebyly horší než ty, které si pro sebe na Západě prohlašovala katolická církev jako projev a cestu do „světa“. výše.“

Je lákavé říci, že taková představa v moderním světě vybledla, že žijeme v čistě technokratickém, racionálním systému. Přesto to není pravda. Objevila se nová víra, která legitimizuje náš politický a společenský řád. Možná to nepřišlo „shora“, ale vidíme stejný vzorec metafyzického ideálu ospravedlňující síly, jaký viděl Julius Evola. Jonathan Bowden tvrdil, že ve věku subverze jsou tradiční myšlenky v podstatě „převrácené“ a vidíme to dnes. Struktura imperiálního řádu existuje – jen dnešní náboženský ideál přichází *zdola* .

Paul Gottfried tvrdil – a já s ním souhlasím – že antifašismus je příběhem o stvoření moderního Západu. Ponechte stranou nejasnou definici toho, co vlastně „fašismus“ je – není nutné ji definovat. Máme příběh o stvoření, který

povstal z popela druhé světové války. Organizace spojených národů, mezinárodní politické instituce a mnohé poválečné ústavy jsou výslovně založeny na myšlence vyhnout se příčinám, které podle našich vládců vedly ke druhé světové válce.

Mezi tyto příčiny patří nejen fašismus nebo národní socialismus, ale i rasová identita, vlastenectví a tradiční religiozita. Jsou to všechno věci, které byly kdysi považovány za pilíře národa nebo společnosti – „silní bohové“ RR Rena. Skutečným smyslem druhé světové války však bylo, že to byla válka proti nám samým. To by bylo jistě překvapením pro ty, kteří tehdy bojovali. Dnes je však zřejmé, že boj proti nacionálnímu socialismu nebyl ve skutečnosti o boji s Německem, ale o boji s vnitřním rasismem, který leží ve všech bílých lidech. Každá vláda na Západě tedy neustále hledá rasismus a etnocentrismus mezi svými vlastními lidmi, a to i v národech takzvaných vítězů. Dnes existuje krvežíznivost proti „nacistům“, která je mnohem silnější než ta, která existovala mezi veterány, kteří skutečně bojovali proti nacistům. Tato ideologie se jen prohlubuje a stává se extrémnější a silnější. Můžeme to nazvat antifašismus, probuzení nebo intersekcionalita. Je jasné, že se stává skutečným náboženstvím, ne jen něčím *jako* náboženstvím. Mimochodem, šťastný měsíc hrdosti všem, kteří to čtou. Myslím, že v našem novém liturgickém kalendáři máme více svátků pro mučedníky (Matthew Shepherd, George Floyd, Martin Luther King a další) a posvátné skupiny, než měla církve ve středověku.

Když mluvíme o „říši“, nemáme na mysli pouze stát ovládající více etnických skupin. Máme na mysli řád, který si nárokuje autoritu na základě božské nebo morální ideje. To je to, co dnes vládne Západu. Mýtus o stvoření, který vyrostl z druhé světové války, je základem celé naší civilizace. Je to základ našich státních hranic. Definuje konečné dobro a konečné zlo. Říká nám, co je svaté. Je vám dovoleno vysmívat se Bohu, jak chcete, ale určité skupiny a historické události jsou nepochybné a budete uvrženi do vězení za jejich rouhání. Seznam posvátných se dokonce rozšiřuje – někteří v Kanadě jej chtějí učinit nezákonným popírat, že školy zabíjely děti amerických Indiánů, i když pro tak dramatické tvrzení existuje jen málo důkazů. Samozřejmě, kdy někdy záleželo na důkazech proti náboženskému dogmatu?

Nepochybně o tom, že žijete v teokracii. Stačí říct určité jméno, použít určitý symbol nebo vyslovit určité slovo, pokud jste součástí špatné skupiny. Všimněte si hysterie, která z toho plyne. Zdá se, že z toho vyplývá, že takové rouhání by mohlo magicky způsobit vzkříšení démonické víry nebo přinejmenším způsobit vážné emocionální poškození určitých skupin.

Nesmějte se – takovéto premisy jsou nyní běžné v médiích a dokonce i v zákonech. Je to náboženské myšlení – a když slyšíme, jak média trvají na tom, že „černé ženy jsou kouzelné“, nebo je slyšíme připisovat tvrzení o zázracích na místě, kde zemřel George Floyd, vidíme, že náš údajně „vědecký“ systém má prostor pro nadpřirozeno.

Nové krédo se stává vnitřně konzistentnějším a rozsáhlejším a získává větší institucionální podporu. Nyní má dokonce svůj vlastní symbol, v průsečíku nebo vlajce hrdosti. Tato vlajka je prostě anti-bílá, a proto přidala černé a hnědé pruhy zdánlivě pro nic jiného, než pro chválu koalice proti bílým. Za svého času v Evropě jsem viděl, jak ten císařský prapor vítězně vlál z vládních budov do barů, od kostelů k památkám. Nenechte se mýlit – tato vlajka znamená pro mnoho bílých lidí, zvláště pro luxusní bílé, více než jejich údajné národní vlajky. Je to transparent, který není jen světovým řádem vedeným z Washingtonu, DC, ale armádou dobře financovaných nevládních organizací a mezinárodních organizací, které provádějí Velkou náhradu.

Dr. Greg Johnson se poměrně často zmiňoval o důležitosti národní suverenity. Ale stejně tak bychom se mohli odvolávat na spletnost církevního práva. Na Západě není země, která by byla stále suverénní. Etnické identity a dokonce i národní státy neprokázaly žádnou překážku tomu, aby imperiální krédo převzalo moc v každém západním národu. Režim, který vládne z Potomacu, využívá intersekcionalitu k ospravedlnění intervence po celém světě a vestfálský systém suverénních států nyní prakticky neexistuje. V akademické sféře, médiích a dokonce i v oborech, jako je medicína, je nalezení nových způsobů, jak ulovit démonickou přítomnost „rasismu“, nejlepší způsob, jak získat moc a postavení v imperiálním systému.

Nedávno jsem mluvil s nizozemským nacionalistou, který řekl, že zatímco každý přivezený uprchlík poskytuje peníze a práci řadě levicových aktivistů, neexistuje žádný nacionalistický ekvivalent. Ideologie, která nám vládne, není jen pro parádu. Je to politické schéma, které legitimizuje vládu a poskytuje sociální a finanční výhody svým stoupencům. Překračuje hranice a země. Je to víra současného císařského řádu. Je vysloveně protibílá.

Než budeme moci mluvit o čemkoli, co se týká suverenity, musíme se vypořádat s tímto aparátem – říkejme mu imperiální aparát. Musíme nahradit jeden císařský řád jiným.

Nezávislost a suverenita samy o sobě, bez popření imperiální víry, nic nedělají. Itálie má nacionalistickou vládu, a přesto mají nevládní organizace větší moc. Ve skutečnosti v podstatě stejná třída manažerů vládne každé západní zemi. Možná, v nejlepším případě, když zamícháte nějaké hranice

kolem sebe, možná dokážete odhodit pár překážek tomu, co se děje. Z tohoto důvodu bych podpořil vlámský nacionalismus. Ale není pravda, že decentralizace je ze své podstaty užitečná.

Jaký byl velký populistický triumf? Brexit. Co se stalo po Brexitu?

Mimoevropská imigrace dramaticky vzrostla. Brexit byla naprostá katastrofa. Výměna britského lidu pokračuje za konzervativní vlády, která vládne více než deset let.

Podívejte se na některá z nejvýznamnějších separatistických hnutí na Západě, jako je Skotsko nebo Katalánsko. Chtějí opustit to, co zbylo z jejich unitárních národních států, aby mohli přivést další neevropské migranty. Netřeba dodávat, že nechtějí opustit Evropskou unii.

Existuje vůbec skutečná touha odtrhnout se od takových celonárodních institucí? Francie, jedna z mála zemí, které by mohly být zcela nezávislé mimo EU, je zpět v táboře EU. Marine Le Penová opustila svůj odpor vůči Bruselu z politických důvodů. Jakékoli řeči o odchodu Nizozemska už dávno vybledly. Pokud něco, EU se rozšíří .

Musíme si klást složité otázky o tom, co etnonacionalismus skutečně znamená. V jeho „Jeden bílý stát nebo mnoho?“ prohlášení na Counter-Currents Spring Retreat, Greg Johnson odkazoval na „starý špatný nacionalismus“, který vyvolal vnitroeuropejské konflikty uvnitř naší rasy. Existují však určité otázky, které se netýkají dobrého a špatného, ale nás a jich:

- Komu patří Alsasko-Lotrinsko?
- Mělo by Německo získat zpět pozemky, které byly zbaveny a předány Polsku?
- Má Maďarsko právo pomstít ničivou Trianonskou smlouvu?
- Měly by se Vlámko zmocnit Bruselu?
- A co Severní Irsko – mají protestanti, přivedení Angličany, aby podkopali tradiční odpor v Ulsteru, právo zůstat? Koneckonců jsou tam po staletí.

Pokud jste etnonacionalista, který nemá vyhraněné mínění o tom, kdo má právo na určitá území, nejste moc etnonacionalista. Kromě toho, kde končí secesionismus? Měla by být Northumbrie nezávislá na Anglii? Cornwall ? Wales ? Vlast, která dokáže zabránit největším separatistickým hnutím na svých územích, bude nejúspěšnější a nejmocnější – a pokud nechcete, aby tato vlast byla vaše, nejste moc nacionalisté.

Měli bychom mít jasné oči v naší současné situaci a být připraveni vést bílé, ne je následovat.

Bílí, všichni běloši, dostávají bílou identitu, ať se jim to líbí nebo ne. Jsme napadáni jako běloši a naše národní identita je stále více druhořadá vůči této rasové identitě, dokonce i vůči našim takzvaným národním vůdcům. Bílá identita je morálním základem poválečného uspořádání, byť negativního. Přesto by reakce mohla vytvořit pozitivní bílou identitu.

Už to tušíme. Když se procházíte po Evropě, všechny nádherné sochy jsou v podstatě ruiny, pozůstatky starší, větší doby. V mnoha amerických městech máme stejný pocit. Většina toho, co je nyní postaveno, nemá žádnou cenu, protože je *navrženo* tak, aby nemělo žádnou cenu a demoralizovalo. Systém káže závislost a oběti, ale jsou tací, kteří takové opovržením hodné úplatky odmítnou. Říkáme si nacionalisté, ale z kterékoli země pocházíme, máme mezi sebou více společného než s mnoha našimi takzvanými krajany. Je tak nerozumné nazývat se v reakci bílými nacionalisty?

Člověk, který se sexuálně mrzačí v reakci na mediální kampaně, je vzorem demokratického imperiálního občana. Takový člověk nemá žádnou zemi, ale je v každé zemi. Musíme překonat ideologii, která se skrývá za médii, a nemůžeme to udělat apelem na etnickou solidaritu imperiálních občanů. Oni to nesdílejí. Místo toho se musíme vzájemně sjednotit na základě pozitivní bílé identity, kterou již máme. Jako odpověď na negativní univerzální ideál nabízíme jeden pozitivní.

Z amerického pohledu je cokoli jiného než základní bílá identita nesmysl. Občas se někteří budou hádat o různých etnických rozdílech mezi bílými, ale to je směšné. Amerika byla kdysi anglickou zemí, ale dnes je hlavní americkou identitou *bílá*. Když se rasově sousedící Hispánci asimilují s americkým mainstreamem, začnou si říkat *bílí*. Navzdory staletí ve Spojených státech a nároku na některé z nejvýraznějších částí „americké“ kultury mají černoši stále svou vlastní identitu a hluboké propojení se symboly a historií historického amerického národa.

Bílá identita je hnací silou americké politiky a klíčem k americké identitě. Jde jen o to udělat z toho pozitivní charakteristiku místo negativní. Na tom záleží všem, Američanům nebo ne, protože je to síla Globalistického amerického impéria, která udržuje poválečný řád. Pokud rasa dokáže porušit nebo zvrátit tento řád, každý nacionalista by to měl podporovat. Každý evropský nacionalista, i když je etnonacionalista, má tedy zájem o bílou identitu.

Je snadné mluvit o pozitivní bílé identitě, ale nebude to tak snadné. Nedělám si iluze o tom, jak to bude těžké. Každý, kdo to čte, se však již o problematiku zajímá. Proč? Odpověď je jednoduchá. Pokud nedokážeme překonat protibělošskou rasovou nenávisť, každý politický triumf v každé západní zemi

bude dočasný. Nemůžeme počítat s tím, že nám pomohou „konzervativní“ vlády, které nejsou rasově uvědomělé. Jen se zeptejte polské vlády, která je odhodlána držet Jareda Taylora mimo Evropu .

Konzervatismus nestačí. Musíme mít konečný cíl. Tam, kde nám druhá strana dává úpadek a potupu jako morální přikázání, kážeme vzestup. Zatímco oni nám nabízejí zaměstnání, my nabízíme osvobození. Musíme vytvořit novou suverénní autoritu – shora, řízenou shora. A bude to muset být skutečná univerzální tradice – historiografie, metapolitika, Identitářský světový názor, který integruje teoretické, pragmatické a politické prvky našeho boje.

Bílá identita se nevynořuje z teorie, nikoli z předkládání identity a zpětného působení, ale z okolností, kterým nyní čelíme. Moc nás na této půdě konfrontuje a je přirozené, že tímto způsobem reaguje více lidí. Moc nám také bezděčně dává naše voliče. Běloši všech ekonomických tříd jsou vysídlováni nebo jim je bráněno v postupu na socioekonomickém žebříčku. Chytří, ambiciózní, mladí běloši jsou ti, kteří jsou zasaženi nejvíce, a to je tradičně toho, koho chcete jako revoluční třídu.

Budeme muset lidi požádat, aby hodně vydrželi. „Měkká tyranie“ Západu se stává stále „tvrdší“, zjevnou a autoritářskou. Mnoho západních zemí otevřeně omezuje projev nebo brání mírové politické organizaci. Musíme našim lidem nabídnout něco, co si zaslouží oběti. To bude úplný obrat současného společenského, politického a kulturního řádu, kde jsou ti nejlepší a nejchytřejší v naší společnosti vycvičeni, aby vládli rozbité mase spotřebitelů. Místo toho slibujeme, že použijeme sílu, která bude směřována k tomu, aby v našich lidech bylo to nejlepší. Za ruiny nestojí za to bojovat, i když budete vládnout v pekle. Za bílou vlast *stojí* za to bojovat – a pokud je to nutné, stojí za to obětovat pro ni všechno.

Klíčové je, že jako bílí potřebujeme vlast . Pokud toho dosáhneme, není důvod opouštět sen o znovusjednocení všech bílých populací jako náš ideál. Komunisté měli beztřídní společnost – máme Západní impérium, politický řád, který udrží naše lidi v bezpečí, podpoří jejich vzestupný rozvoj, odemkne jejich plný potenciál a zajistí, že už nikdy nebudou nuceni takto žít.

Tohle je jeden boj. Směřujeme k tomu, abychom se stali jedním lidem, pokud jím již nejsme. To je jediná věc, která může ospravedlnit to, co se stalo za poslední století a vše, čím nyní procházíme. Nejsem ochoten tvrdit, že kterákoli strana vyhrála první nebo druhou světovou válku, nebo že tyto války

byly něčím jiným než dvěma tragickými občanskými válkami, kde se naši lidé navzájem vraždili, místo aby se soustředili na jediného nepřítele, na kterém kdy záleželo.

Západ funguje nejlépe v době jednoty, od Řeků bojujících s Peršany až po křížové výpravy. To je náš osud. Musíme poskytnout vizi tohoto osudu tak hlubokou, že můžeme požádat naše lidi, aby pro to obětovali všechno.

Toto je ideál: impérium, které bylo a bude, impérium, které přichází shora a je řízeno shora. Říkám, že naši lidé mají svaté poslání a zaslouží si skutečný stát, který je ochrání. To je jediná věc, o kterou si myslím, že stojí za to usilovat, trpět a umírat. Doufám, že se ke mně přidáte.

How will this happen, exactly? I used to love AmRen, but then I realized it was the same 10 guys commenting over and over, without solutions. Join you to do what exactly?

There is not a lot of useful information or detail in solutions. I prefer Brother Nathaniel at RealJewNews for practical and measured steps that are concrete, rational, and well thought out.

Most of what G. Hood marks as important are not to me. In fact, I believe his whole approach is wrong, focusing exclusively on external factors.

The real solutions are what needs to be changed within individuals, because that is the only “Reality”, your Consciousness, that changes to adapt, but paradoxically does not change.

Perhaps there are no political solutions because the “problems” themselves are not, in their essential nature, political at all. What if the problematical condition our Condition is in is entirely Biological in its origins and in its processes and in its outcomes?

Despite various make-believe contrary conceits, everybody here is in-fact actually still living-and-breathing entirely within the Free Wild LivingLoving Arrangement of Earth and Sky. Nobody actually lives-and-breathes in any stupefying “economy” or in any “power”-maddened political construct or in any mind-bending philosophical abstraction or in any pie-bye-‘n’-bye-when-you-DIE religioified belief-system....and dead-certainly not in any silicon-based electro-mechanical simulacrum where the “guaranteed” prize is that the lucky winners will “not-die”....forever.

We are all actually living-and-breathing, though, in a LivingLoving Arrangement afflicted with an outbreak of the Planet-wasting “civilization” disease. Its symptoms do include all of the delusional dead-ends mentioned above, and many others besides. Perhaps this indicates a need for The Medicine specific to the disease’s process, rather than just more “patent” panaceas cooked-up by “self”-sickened domesticated Humans who haven’t a clue what is actually ailing them.

At-least that is The Way it looks to us surviving Free Wild Peoples here in Indian Country. That’s how come we’re so happy to be part of The Medicine....and not spreaders of the “self” sickness that is such a big part of the disease process. Who with any sense would want to be that, anyhow?

Mr. Hood is interesting, and he is obviously striving mightily to energize people. But he is awfully vague on “the only enemy that ever mattered.” Twenty-six hundred words and this reader still is wondering who Mr. Hood is talking about. Is the enemy a “polity”? An “ideology”? Less heat and more light, please, Mr. Hood.

Empire don't have to be defined by boundaries, you can have empires of influence with a population if the people are far flung, look how jews all pull together to exert an influence and power far in excess of their numbers.

The recent boycott of Anheuser-Busch in response to their excoriation of whiteness is an example of a possible new Empire of power.

For too long corporations have used and abused the very people that made them powerful in the first place jettisoning the workforce when it was profitable to do so, dodging their tax liability and building up the capabilities of foreign nations but the Anheuser-Busch episode has shown a new way to bring these traitors to heel.

There is now a network in which angry like minded people can expose these corporations wrongdoings and pool this anger into action on the pecuniary front, we can ruin these bastards, especially the ones who have left their homeland and people in poverty for cheaper inputs.

Use your purchasing power people in a new empire of the grass roots!

I genetically cluster with English/North-Dutch but I'd say I am more English. I was born in America but I see continental Europeans and their descendants as more foreign than the Welsh, Scottish and the Irish. The Alsace-Lorraine etc.. issue I don't care about. Cornwall and Yorkshire separation ? Don't make me laugh it is not happening.

Brexit a disaster ? Clean up your own backyard first as America is less 'white' than the UK and America is not a real country it is just a business. America is just a slab of land of economic opportunity with different competing groups with different agendas fighting each other. 'White nationalism' in America ? Don't make me laugh it is not going to work.

It seems like what you're arguing for is the vaunted "civic nationalism" of Lincoln's Americana, except a WHITE civic nationalism. Technically, it was for a long period of time.

I suppose its downfall came from its evolutionary elements rejecting the whole project in their necessary and unavoidable antagonistic-creative intercourse with the recalcitrant element. They believed they were keeping the baby, but they threw out the baby, most of the bath water, then kept a little of the bathwater. The irredeemable flaw in liberalism. It only leads to nihilism and/or subjugation by some organized power capable of having a belief and keeping that belief to itself.

Liberalism relies on vestigial values. "Just be good to each other, live and let live. Be reasonable." By what standard? We are seeing how reasonability slips to extremes. Today's basic "human dignity" – see Washington Square Park's clothing optional lesbian pride fountain festival, families welcome – is comprised of yesterday's straw man arguments that yesterday's liberalism could not even countenance.

If liberalism can't articulate a philosophy, it has no right to make any arguments. So, if you want to evolve society's beliefs, you have to find within its philosophy room to argue for whatever change you're proposing.

20th century liberalism drew from the subconscious nihilism of liberalism, the acknowledgment that reality takes, and true freedom would require the magical liberation from reality itself. Therefore, all tradition, all structure, all norms are oppressive, just as reality is. But social norms are easier to tear down. Liberals thought they were liberating, but they liberated first, without the philosophy to justify it. And now here we are.

I'm no fan of how arbitrary skin color tests would work, but clearly our ancestral identity and its culture are almost already evaporated. White civic nationalism would have to teach, revere and be built out of Anglo-Saxon political and religious norms. Some small room for Scotch or German wrinkles. Harsh impositions on Latin or East European cultures,

Irish. Real tests that they prove themselves to be accepted. Not tests, but a cultural intolerance for their familial and moral norms. Dancing and alcoholism.

And here we hit the snag. Because this is chiefly what sunk white America even more than ideological trends. People wanted to get drunk and have sex.

I've been to what's left of white America. From Colorado to rural PA. You can't get people to just say no to the ganja, and it's taking over entire communities. There are no young whites untouched by it. Then the mushrooms, a little LSD just to find out. Meth.

I'll honor these people by admitting that I can't think of an ethnic group other than Anglo whites that resisted something like marijuana so well – which has no outward physical harms, and its psychic damage is slow and insidious, very abstract, but whose troublesome moral characteristics are perfectly obvious to religions that care about personal moral integrity. There was a long, noble effort to fight this stuff.

Still, comfort, conformity, cowardice, generally speaking the lack of integrity and weakness of women, all conspired and it's over now.

We had quite a strong white civic nationalism in America. Buttoned up Mennonites, Unitarians and Quakers created the anti-imperialist, anti-war argument. Not stoned hippies. Boomers ruined themselves psychically with weed, it shows, and the silents fought hard as hell to save a substantial portion of Gen X and early millennials from being wrecked too quickly, drawn into that poison before even making it through pubescence. There's no such resistance anymore. No breathing room to give young people half a chance to develop and know the world before bringing the poison into their lives.

If we take the generation that's aged 30 and below, and remove everyone older, that's a country that's already dead. And the people who are 30-40 lost their chance to fix it demographically about 8 years ago.

It's over.

I don't care one iota for the white race if they're out there all stoned and strung out. If the women run wild in a world without sense or integrity.

It's already over. This can't be saved. Whether it should have been or not. Some other new thing, perhaps in 5000 years, will have to try again.

Low birth rates, sexual depravity, immigration from nonwhite countries, hedonism, loss of work ethic, loss of anchoring values, forever wars, de-industrialization with loss of skilled labor, rise of nonwhites countries catching up to nonwhites, disunity (e.g. red vs. blue America), all LORDED over by the Jewish master race. Jews are cannot afford losing their grip on white societies where they thrive and rule, because they have nowhere else to go. Who, other than white, worship a Jewish God, gargle Jewish memes day and night, and believe that Jews are the chosen race? China and India will never allow such parasites to invade their body. Jews use blacks as their mercenary army against whites but they despise blacks, and will therefore bot relocate to Africa. Israel is too small and the parasite needs a non Jewish host. Jews hold white balls in their hands and at the smallest sign of disobedience and rebellion will squeeze those balls and crush them if necessary. Whites are a slave race with Jewish masters, and they simply will not be allowed to break their yoke. Asia is about to surpass the white countries, other areas of the world are catching up, and white supremacy is in its last legs, and their anemia will grow as Jews feed on the lite blood left on white bodies, until the Jews themselves die off once their host turns into a carcass.

| 'White nationalism' in America ? Don't make me laugh it is not going to work.

Big WN, no. Little wn, yes.

Americans never do anything whole anyway. It's always partly this and partly that.

Small white nationalism is where a group of people get together and create a small clutch of tiny houses, get it zoned only for them, and essentially make a fort of it. You'll hear of lots of crime in the big city but there's no murder rates listed for small, semi-rural modular homes or even apartments.

The average white anywhere is in two states: If his life is working out for him he has no concern about his extended racial family and never will. If he gets downsized, sick, made redundant or has a deep shock in his awareness — he becomes very race aware **and** discovers how totally alone he is.

It's why I hope one day people will talk less about Strong Gods and just name ONE we can use.

What is a 'white' neighborhood ? The Irish, Germans, Slavics and southern Europeans all in one neighborhood ? That is not going to work. That might work with a bunch NorthWest Europeans but Americans can't be considered NorthWest Europeans anymore. I identify as English not 'white' even though I am American on a legal technicality.

‘White people’ don’t exist as I am English-American not ‘white’. ‘Whites’ are a slave race ?

America has the highest Jewish population at 1.8%. The second highest is Canada at 1.1%, then comes France (0.74%), Uruguay (0.51%), and Australia (0.49%). The UK is 7th highest at 0.45%. We can expect Jewish influence in these countries to be roughly proportional to their share of the population.

Englishmen are not enslaved to the Jews rather the Rishi Sunak situation arose because social class is very important in England; the phenomenon is not a “Jewish conspiracy”.

Good news. According to the Census Bureau the non-Hispanic white (alone) (as in reported “White” as their only entry in the race part) grew by 5,941,874 from 2020 to 2022.

According to the American Community Survey, in 2022, the percentage of the US pop which is non-Hispanic white (alone) is 58.9%.

<https://www.census.gov/quickfacts/fact/table/US/RHI825222#RHI825221>

| What is a 'white' neighborhood ?

Quick answer — the wife and I married in the late 1980s and lived awhile in a set of rentals put together by a second-generation Serbian American. Her and I are mostly German, but also in the residence were Hungarians, Italians, Poles and a small majority of what Americans insist on calling “Scotch-Irish.”

We all knew each other and an attack on one would have been... well, we were a bit clannish.

There were modest stresses and strains in the 13-plus years we were there. Mostly there was a sense of something odd going on. Italian boys marrying Hungarian gals produced some fine looking specimens and made me curious how distinct ethnic groups formed in old Europe (likely the same way.) From the immigration shutdown of the 1920s on this was more or less normal.

As of. say, 1955, the USA worked. It is my firm belief that it worked only because the Europeans of America were confident and equal among themselves. When this was declared racist and ordered to shut down, the lunacy began. I think we will see it end quickly and possibly violently.

Sorry. Right wing esoterics is the epitome of homosexuality. Aesthetics will never replace substance, and defense of the folk will never be an opportunity for conservative elite homosexual Latins or Meds to argue for a completely shallow, aesthetics based right-utopia.

Sorry, but your anecdotal personal experience is worthless. 1955 America was before the 1965 Chains Immigration Act and America still had a 'WASP' ruling class back then. Americans decided to jettison the WASP ruling class and replace it with a corrupt pseudo-meritocracy so America is now fragmenting and in terminal decline. The Jews were perhaps only one of the groups, along with Catholics, who engineered WASP decline.

America is a failed state and you cannot save it as it is destined to decline like the Roman empire. Americans are so incompetent at governing that I identify as English/British, now, instead of American.

The last legitimate English monarch was Richard the III but he is a controversial figure and even Shakespeare portrayed him unfairly : "My Kingdom for a horse !" or whatnot. Most of the modern English ruling classes are elevated peasants. I come from a legit Anglo-Norman (like Mr. Darcy from Pride and Prejudice) line and my Pendragon family literally wrote the book on the landed gentry of the UK but no one follows it , anymore.

All the problems you see are caused by the elevated peasant tinker nobility : the settled warehouse tinkers, peasants and blockheaded warrior classes have replaced the true aristocracy as leaders of the people; and you wonder why the West is in the current situation it is ?

The peasants simply cheated and poisoned their way to the top : Donald Drumpf (Trump) is obviously an elevated genetic oatmeal and turnip peasant.

Scandinavia has went with NATO.

Australia is woke.

New Zealand is woke.

Canada is woke.

Some South American countries could be a possibility.

Young whites should get skills in demand in modern countries (health care, engineering, computers, mechanics, plumbers, electricians, hvac, welders refrigeration.....stuff that any nation would like to have more workers be able to do). Those that do might be able to emigrate out if their position in the West becomes unbearable.

The cabal wants young white women to have non-white husbands, and young white men to have non-white wives/no wives on their way to making a world-wide racially-mixed state, ruled over by the top 1% replete with all the WEF stuff you have heard about (15 minute cities, cars-for-wealthy, public transportation for the majority, eat bugs for protein, lifelong debt, rent that takes 60% or more of your income, vaxx-passes, restricted movement). Again?

Seriously – it's too late to do so in AngloMurica.

The Masonic-Zionists, Jewish-Diaspora, and their OpenBorder Advocates won; and now Murica are becoming a Hispanic Majority Spanish-English Bilingual Nation-State.

The OpenBorders may even merge Murica into a Hemispheric Union of Sorts – an Idea which should be embraced as Murica become a Hispanic Majority.

As a Hemispheric Union – there would be less of a need to strongarm OPEC/GCC (since the PetroUSD would be obsolete in Asia by then); and the OpenBorders Advocates will drive away Europeans and possibly trigger a disbandment of the remaining NATO Alliance.

The Non-Masonic/Non-Catholic/Non-Jewish/Non-Zionist WASPs and East Asians have a chance of Seceding if they organize now; but there you go – if the Author is thinking about a Whites Only State which include the aforementioned Groups, it's not going to happen.

Another reason Author's Fantasy is not going to happen? Native Americans and First Nations.

Outside of Seceding, returning to Europe and driving out Non-European Ethnic sounds like the other Option. Again – not probable, since Libtard Politicians weren't thinking ahead.

Maybe the author should study a little better the true history and not the falsified one.

First – he could tell us where and when the white race (and European civilization and culture) originated. Were the ancestors of the current Western Europeans (and Americans), the nomads who came to Europe from the Russian steppes, white?

Second – ‘should Germany get back the territories that now belong to Poland’? Perhaps the real question would be – should Germany return the territories they were stealing from the natives of Europe for centuries?

‘Should Hungary get the territories lost by the Treaty of Trianon’? Should the Hungarians return the territories they occupied after immigration from Asia? They were still a minority in those territories until the 19th century.

‘Greeks fighting off the Persians’? This is probably a joke. Greeks made up one half of the Persian army (about 20 thousand) and in the fight against Alexander the Great and his Serbian units, about 18,000 Greeks died and the other 2,000 ended up in Macedonian mines. The Greeks were not in the Roman combat units (why?) and did not give an emperor. The author could instead answer – how it is that the Serbs made up the elite Roman units and provided the dozens of the Roman emperors.

‘Crusaders’? I better not say anything (at least for now) about it.

The real solutions are what needs to be changed within individuals, because that is the only “Reality”, your Consciousness, that changes to adapt, but paradoxically does not change.

That approach seems to turn materialism on its head..

Brother Nathaniel, while seeing a return to God as central, is quite materialist in his approach: on the Jews, on the money question and on race. He certainly wouldn't endorse any more migration from the Third World and would likely support mass deportations.

In my opinion, either European based nations are taken back in toto, or there is nothing. They wouldn't permit the establishment of “White” ethno-states from the nations they already control. They've got the (serious) guns. That “problem” is the first to solve, not dreaming away about some Utopian colony.

Simplistic view, Priss. Somewhat true in the fall of the Western Empire.

What is now Turkey, was, as you know, mainly Greek-speaking and Roman-identified until the Turk invasions.

The Romanians (who still, of course, use a language descended from Latin), southern slavs, Bulgars, nascent Rus, and connections with Scandinavia and points further west (consider the Varangian Guard) made a solid foundation for the Eastern Roman Empire for many centuries.

The worst thing to happen to the empire was the Norman sack of Constantinople and the short-lived Norman dynasty. That weakened them against the Seljuk Turks.

Really, though the Norman leaders may have still have had a little Scandinavian ancestry, they were Germanic barbarians, the common soldiers and knights certainly were.

It is obsolete already in reality. Jew control of the information sources, education system and every institution combined with bought and paid for politicians destroyed self government long ago. This is not self government. This is just how conditioned brainwashed rats live. Now we have a country where Whites are about to be the minority which totally eliminates the possibility of democracy. Soon they won't even need to cheat.

It's tempting to say such a notion has faded in the modern world, that we live in a purely technocratic, rational system. Yet that is not true. A new faith has emerged that legitimizes our political and social order. It may not have come from "above," but we see the same pattern of a metaphysical ideal justifying power that Julius Evola saw. Jonathan Bowden argued that, in an age of subversion, traditional ideas are basically "inverted," and we see that today. The structure of an imperial order exists – it's just that today's religious ideal comes from below.

If by "below" you mean Judeofascism, you are absolutely correct. They use ((Marxism)) (aka Golemism) to create the illusion that they're rational and technocratic, but in practice they're Zionist Judeofascists, aka "Jewish" Supremacists.

Joe "I am a Zionist" Biden staffs most of the top jobs in his government with Judeofascists. Trump's top people were Judeofascists or "Christian" Zionists (is it possible to be a Christian and worship Christ killers and their Israeli den of thieves and nest of vipers headquarters? Only if you're a Judas class "Christian"). Even Hitler adopted the "all or nothing" Judeofascist mentality.

These people are all pigs and whores formatted in or by the "Jewish Century" wars and revolutions.

<https://rense.com/general87/century.htm>

Of course, the average person doesn't like to think of themselves as a kike-formatted pig or whore, and yet that's exactly what they are.

Only Christian Logos can save you from the kike. When applied correctly, the kike will go extinct. Until applied correctly, kike tyranny will reign (or is it rein, because that's exactly who's steering us towards our demise).

.The average white anywhere is in two states: If his life is working out for him he has no concern about his extended racial family and never will. If he gets downsized, sick, made redundant or has a deep shock in his awareness — he becomes very race aware and discovers how totally alone he is.

Not one commenter (and assuredly not the author) spoke of the Racial Faith of undivided Christendom as the 'glue' and 'yeast' that can (and will, Deo Volente) restore Christendom.

Probably because you're all godless pagans, no doubt (lol)

But there are at least three things needed to restore Christendom, before any serious rebuilding can occur. Oh, you can deny it, denigrate it, or loathe it, but you cannot avoid it.

1) Restoration of true Catholic worship, continent wide, brooking no dissent. Yes, that would probably mean mass executions of heretics, but, as an Augustinian/catholic, the predestination of the godly over the ungodly mandates that. (You see, the cowards among you, already hate the idea!)

"Europe is the faith, and the faith is Europe...I say again, renewing the terms, The Church is Europe: and Europe is The Church." -Hilaire Belloc, A.D. 1920.

As Justin Martyr (d. A.D. 165) so clearly said, 'Christ is our King, and Christianity is our race which you knew once as Israel.'

"Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes in name, the spirit of the ancient Pharisee survives unaltered." – The Pharisees, Louis Finklestein, p. xxi

Therefore, "Fundamentally, Judaism is anti-Christian!"

– The London Jewish World, 1923 (Issue 337)

2) Establish an Explicitly White racial consciousness that immediately EXCLUDES the non-White (and the JEW) and restores the vision of White Adamic Mankind as the SOLE exemplar of YHWH God's beneficence. Or, Replace with the word 'Christian' from the following, wherever 'Jew' is written, and you pretty much have it. (Don't blame me, a JEW wrote this!)

“The Jews have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth. This is the historic destiny of the Jews...”.

Harry Watson, A Program for the Jews and an Answer to All Anti-Semites (New York Committee for the Preservation of the Jews, 1939), pp. 99-100

How to achieve that? Start with the mind. Mandatory memorization and recitation daily....

“What we as whites must do is reassert our identity and our solidarity, and we must do so in explicitly racial terms through the articulation of a racial consciousness as whites.”- Sam Francis

Secession is not just an idea, IT IS A DIVINE COMMAND.

“Come out from among her, and BE YE SEPARATE!” [II Cor. 6:17] Why?

THE JEW PROJECTS THEIR OWN INNATE DEPRAVITY AND SINFULNESS ONTO THE RACE OF CHRISTENDOM, BECAUSE THE SHAME OF DEICIDE HAS DRIVEN THEM INSANE, THESE LAST 2000 YEARS.

3) Repudiate all usury, Jews in banking, finance, law, medicine, etc. Restore the Justinian Code.

“The Bible reaches that there can and will be a progressive manifestation of peace in history, but only as a product of covenantal faithfulness in Church government, family government, and civil government. God’s people today have almost universally assumed that peace in the third covenantal institution- civil government- is possible only on the ‘neutral’ legal terms set forth by GOD’S ENEMIES... Thus, to defend God’s covenantal standards in the first two realms, Christians must now seek long-term victory in the third: civil government.... [this book] is a sustained attack on... this familiar compromise.’

“Problem: knowing what failed to work before is not the same as knowing what strategy will lead to victory in the future.”

“Rushdoony is correct: ‘To limit salvation to man’s soul and not to his body, his society, and his every aspect and relationship, is to deny its Biblical meaning.’ ”

“Man thinks that he is disobeying God on his own account, in his own authority, but in fact, man must serve only one master. Ethically, he subordinates himself to Satan when he refuses to obey God...” -Dr. Gary North, Christian Economist, “Political Polytheism.”

“Ye (Jews) are of your father, the Devil, and the deeds of YOUR FATHER (Satan) YE WILL DO.” – John 8:44 – JESUS CHRIST

They all need to go. BY ANY MEANS NECESSARY. That’s what Trump said. That’s what Commies said. I’m just putting the two sentences together....

“JEWS will not Replace us.” – Charlottesville, 2017.

The West works best at a time of unity, from the Greeks fighting off the Persians to the Crusades.

Persians were/are 'white', the world's proto-Aryans.

One more example of why "white" is a non-starter.

The image is, I guess, of Roman men and women.

That is the ancient culture that is the common heritage of European peoples.

It was deliberately displaced by Hebrews who rebelled against the Roman Empire.

They lost militarily, but not culturally: eventually, Graeco-Roman culture was subverted in their favor, as Marcus Eli Ravage reminds us:

How Jews conquered the Gentiles with christianity:

"We made you the willing and unconscious bearers of our mission to the whole world; to the barbarous races of the earth, to the countless unborn generations without fully understanding what we were doing to you.

You became the agents at large of our racial tradition carrying our gospels to the unexplored ends of the earth.

Our tribal customs have become the core of your moral code, our tribal laws have furnished the basic groundwork of all your august constitutions and legal systems; our legends and *our folk tales are the sacred lore which you croon to your infants.**

Our poets have filled your hymnals and your prayer books; our national history has become an indispensable part of the learning of your pastors and priests and scholars.

Our kings, our statesmen, our prophets, our warriors are your heroes; our little ancient country is your holy land; our national literature is your holy bible.

What our people thought and taught have become inextricably woven into your very speech and tradition until no one among you can be called educated who is not familiar with our racial heritage.

Jewish artisans and jewish fishermen are your teachers and your saints with countless statues carved in their image and innumerable cathedrals raised to their memories. A jewish maiden is your ideal of motherhood and womanhood.

A jewish rebel prophet is the central figure in your religious worship.

We have pulled down your idols, cast aside your racial inheritance, and substituted for them our god and our traditions.

No conquest in history can even remotely compare with this clean sweep of our conquest over you. "

Commissary to the Gentiles: A Jew Answers Anti-Semitism: Is the basis of Christian Culture Jewish and are Christian Anti-Semites Hypocrites?

Can you refute this?

The Counter-Currents author wants to march to war against an adversary he cannot name, under a banner that has no identity — it's "white" — the white flag of surrender to invisibility.

Regarding this passage:

Despite centuries in the United States and a claim to some of the most distinctive parts of "American" culture, blacks still have their own identity and a deep disconnect with the symbols and history of the historic American nation.

What IS this "American" culture?

Did the participants at the Counter-Currents retreat DEFINE or celebrate prime examples of "American" culture?

Tikvah has announced a conference in October in New York to consider:
The Rising Generation: Will Our Children Defend America, Israel, and Jewish Civilization?

<https://www.jewishleadershipconference.org>

Is "Jewish" Civilization distinct from "America" — American Civilization?

In "America," which civilization prevails?

In other words, Jews appear to claim that Jews "still have their own identity and a deep disconnect with the symbols and history of the historic American nation."

Should *Counter-Currents* disenfranchise and regard Jews as dismissively as it appears to dismiss Blacks?

imho, it would be far more productive to strenuously critique CRT **but also** to research the hell out of the cultural and civilizational histories and contributions of the diverse "Black" civilizations — Egyptian, Ghanaian, Kenyan, Tanzanian, etc., and to make common cause with all of these cultural contributions to "American" culture.

* regarding “folk tales” — here, Ravage oversteps:

Ethnic groups — German, Italian, Irish, French, etc. have distinct folk tales:

Italo Calvino’s Italian Folktales https://www.amazon.com/Italian-Folktales-Italo-Calvino-2001/dp/B00DIL0QLG/ref=monarch_sidesheet

comes to mind;

and given the large percentage of German-origin Americans

https://www.worldoftales.com/German_folktales.html#gsc.tab=0

and also of English-origin

American, https://www.worldoftales.com/English_folktales.html#gsc.tab=0

their folktales deserve their proportionate share of the “American” cultural spotlight.

I strongly contend that their place in “American” should be preserved (**not** Disney-fied) and propagated among ethnic groups by their respective ‘elders’ and culture-bearers.

@Poupon Marx

can the ultimate, indefinite survival of human beings involve the separation of and isolation of whites, indeed other groups as well, separated and indeed isolated in their parts of the planet as well, just as permanently, minus contact with any other 'race'?

what would be the overall global product of that? would it be sufficient for human expansion enough for human survival? would it produce all and whatever the biological responses and expansion needed that eliminates chance of extinction ultimately and naturally, that appears to be produced every day, in the process of living...some such chances which no doubt existed before we evolved and never passed away, have existed right along with us and even 'improved'.. i.e have become more deadly to us by now...not to mention others that have come into being since, some passed away while others still here also and more to come, to evolve, to produce their own unique challenges to human survival...a survival that might only be met by some specific or several human mutation/biological responses... out the product of the sheer magnitude of heterosexual individual mixing along the way by all multi ethnic mixture as yet not conceived, but will be along the way?

and such challenges to human survival as a collective, a species are only on the biological side. they are going to come from all sides of life.

it's impossible to convey the extent to which I longed for ethnic separation and isolation along the lines above until the issue of human evolution began to separate room between the natural and the religion. even now that idea that whites could be separated to go live by themselves forever reads seriously juicy but alas it won't sell soon or ultimate as there is no logic to it.

human evolution is clear, what we are and what is essential for our chances of going on indefinitely...what that contains, the behaviour needed from us just to produce the conditions that gives us the chances of beating nature, of extending it actually relative to our own chances as a species in the conditions that produced us...out of which we came, etc, etc etc.

it has been no fun for a long time living with white people on planet Earth. Things have improved admittedly but the intractable systematic evil that has been collective white people, their extractive, exploitative, murderous routine company relentlessly fighting on to the very end, maxxng out itself. this time and onwards white weaponry on all sides is challenge to human existence. Now there are also colored weapons...as well as the human biological from the reverse.

it seems clear that current stage human issues have little to do with racial approaches save to clear race as it is discussed here for the wrong-headed, pointless nonsense it is

Western Civilization was built on Greco-Roman tradition, Christianity and primarily in Europe.....meaning White culture. Leave out any one of those factors and it's finished.....which includes indoor plumbing!

To add to your truths about racism and diversity – Diversity + Proximity = WAR

Racism is nothing more, and nothing less, than the defense of one's own people. It has nothing to do with skin color, hate, or any of the other globalist lies. To be anti-racist, to smugly declare that "you don't see color", is to literally and materially accede to the conquest and destruction of your self, your family, and your nation.

The Chinese have seen through the lies. The Russians have seen through the lies. Far too few Americans have, and that is why America is a broken, demoralized nation that literally doesn't even know who or what it is. A nation can no more be an idea, or a piece of paper, or a claimed opinion, than a bird or a herd of cows can be. And both history and the observation of current events makes it perfectly clear that the nation that rejects racism and/or embraces equality and inclusivity will not survive.

The idolization of Russians always makes me uneasy as well.

I was on a beach in Thailand, on a island called Koh Chang.

There was a large group of Russian men and their hard looking females running the Thai wait staff to death.

A one point, a large Russian man, covered in tattoos, open hand slapped a young Thai boy who was bringing the loud group rice, fried seafood and lots of beer. I don't know what his perceived infraction was.

It was so shocking and anti social, I jumped up. The Thai snack stand owner ran out and rushed his son back to the kitchen area. I thought the Russians would leave, but they became more aggressive and drunk.

They ruined the beach for everyone that day. Most people left just to escape the violent vibe they were sending out.

No matter what other commenters write here, and on other sites.....I sadly believe you are correct about Russians and their similar natures to American blacks. Seeing Russia as a white refuge is dangerous folly.

Should Northern Ireland be partitioned?

Does Israel have a right to exist?

These are all really foolish questions which stem from the reluctance to face the ultimate geo-political fact, 'Might makes right' or 'All political power comes the barrel of a gun'.

Issues of nationalism and territorial integrity will go on and on and who knows how they will end up. I don't think the Uighurs or the Tibetans will ever develop the wherewithal and resources to expel the Chinese—nor will anyone help them; the Taiwanese have so far endured. Israel can only exist with massive foreign aid and intervention yet the flames of Arab nationalism and Jihad glow bright. I agree 200%. And no Christian church anywhere near the mainstream of Christianity of any branch or denomination is going to touch white identity. They are too busy recruiting and catering to non-whites, and engaging in a phony, one-way interfaith dialog with Jews to serve whites. Most white Christians would rather go halfway around the world to build houses for non-whites who only like them as long as they are of service, than to drive across town to patch a roof on the home of a white who needs help. For the most part, the Christian church has deserted its flock.
