Jack Smith, zvláštní žalobce Deep State, který vede hon na čarodějnice proti prezidentu Donaldu J. Trumpovi, učinil v pátek ráno bezohledné prohlášení: „Najděte mi Trumpova příznivce a já vás

shledám zločinem“, čímž naznačil, že pokud bude mít dostatek by mohl odhalit nebo vyrobit obvinění na každého člověka, který volil Trumpa.

White Hats z US Army Cyber Command zaslechli hanebnou poznámku při sledování komunikace v Smithově kanceláři i mimo ni. Jeden zdroj řekl Real Raw News, že Smith zřídka používá své kancelářské telefony a pravděpodobně povolává spojence, aby zorganizovali nezákonné politické pronásledování prezidenta Trumpa. Smith v té době údajně mluvil se starostkou DC Muriel Bowserovou.

Smith navázal stejně urážlivým prohlášením: „Průměrný Trumpův příznivec pravděpodobně spáchá tři těžké zločiny denně.

Jeho prohlášení jsou symbolem toho, jak se Deep State dívá na Trumpovy fanoušky a ukazují jeho pohrdání Trumpem a kýmkoli, kdo přijímá Trumpovy hodnoty „Udělejte Ameriku znovu skvělou“. Je to plnokrevník z Deep State, který sloužil jako asistent okresního prokurátora na ministerstvu nespravedlnosti. Má blízko k Merricku Garlandovi. V letech 2010-2015 Smith pracoval pro nyní uvězněného Erica Holdera. A Smithova manželka, Katy Chevigny, je velkým dolarovým dárcem Bidena a filmařkou, která produkovala zářivý film o Michelle Obamové a pracovala na filmu proti Citizens United s názvem „Dark Money“.

Smith nemá v těle nezaujatou kost; nezná význam slova „neustrannost“.

Jeho lexikon také podporuje jedno z nejdůležitějších Trumpových varování, že on, Trump, je pouze překážkou stojící mezi Deep State a konzervativními patrioty a že jeho nepřítomnost by urychlila vášnivé převzetí společnosti Deep State.

"Toto je jediný dialog, který jsme od Smitha zachytili, a vypovídá o tom, kde stojí, ne jako by to bylo nějaké tajemství." Kluci jako Smith, v jejich myšlení nejsou žádné nuance. Prostě nenávidí hodnoty, na

kterých byly USA založeny. Slyšíme to štěbetání přes stratosféru Deep State. Myslím, že je prostě zlý," řekl náš zdroj.

Na závěr řekl, že Bowser, také aktivum Deep State, neučinil žádné usvědčující komentáře ke krátkému hovoru. Jen se chichotala Smithově ošklivosti vůči všemu Trumpovi.

We're getting closer everyday. The noose is getting tighter.

Whose next to make an ass out of themselves?

Can't wait for their next puppet to crawl up to the podium, they need those attention seekers dreaming of all that power.

Clearly we see a mentally unstable projectionist spewing propaganda, sorta like how we had to listen so many other wackjobs.

WE WILL ALL BE SEEING THAT FREAK AT GITMO SOON THEY WILL HANG HIM LIKE ALL HIS BUDDIES

A ranting fanatic of bad Intent.

Will be hung by his own Tongue, so to speak' pun intended.

God's Speed to him.

I too don't know why you keep checking this site, unless you are here to spy and report to your demon masters.

I have never heard of this demon JackAss, he can G.F. himself, if anything he is the real criminal. This moron does not realize that loving your country and the Constitution does not make you a criminal. I hope Jag looks into this POS. This moron bidding for the D.S. does not realize that he is just another useful idiot to be dispose when he is no longer needed.

Most Liberals are dangerous, thats why they deflect it onto somebody else to create an escape clause.

I wonder what exactly those 3 felonies we are accused of committing that Smith was alluding to. If it's loving America, supporting Trump and the Constitution, then I proudly plead guilty as charged. F you, Comrade Smith!

Like the deep state cares about him? Another wasted life who can't see they are to be rid of – a dime a dozen. Deep state will not rescue them as they haven't any of the others. They can't see their dumb choice or maybe they are hypnotized by obummer – they all seem too stupid.

Michael, I wager these two communists have stolen their surnames, just as the other communist federal and state employees have done for at least 100 years. I wish someone would investigate and report their DNA identities ... a true strip-search ... from the bottom-up and top-down ... leave nothing to ponder.

I see that Ancestry has sold their database to Deep State ... damned communist TRAITORS!

This is why I would never use this Ancestry, never trusted them, I suspected a long time ago of they selling out their database. The same way I have never given my saliva for any covid testing, its good to be a step ahead of these vile people.

It's sad that our military have their hands tied to what's was an oath. I'm sure there are many things in play—although we hate it that the traitors get to walk around living the great life of money and power and yet we suffer at a great lost over the ( wait and see ) BS just to prove a point..People have given up for so long due to cowards and people NOT upholding there oath of office including our military..Not sure how many more years and generations we have to wait and see..PRAY

DJT yesterday: “Stop calling them Deep State, that’s too easy on them, they are Communists!!!“ I agree and from now on, call them what they are, Communist!!

And all the young kids graduating high school had no clue that socialism was communism. The college kids, too. I saw so many Bernie Sanders stickers on cars of these young & ignorant, indoctrinated young & dumb clubbers.

Jack Smith looks like and speaks like a Demon. It is sickening to hear unbridled hatred at nothing but the all powerful and transforming love of almighty God. Satan has lost this assault against God ,( of course he has ,) and we, the children of God, are still standing to reap the last mighty harvest of souls to join us in Paradise very soon! Death to Smith soon if he does not repent and come to the Lord!!!!!!

Father Jesus said He created “evil humans” and “non-human evil angels” to economically punish His “beloved offspring” whenever disobedient to Him.

I wager Smith and Chevigny are among the group of “non-human evil angels” who chose the alias Jew ... the SLAVES Father “gave” to the Hebrews for Millennia ... the vermin angels USURPED Isaac’s name HEBREW and son Jacob’s name ISRAEL to thieve their inheritances. They HATE humans, especially JESUS. They additionally HATE White Family / HEBREWS who are Father Jesus’ Army. The sole reason alias Jew divides six human Families apart to “genocide” and “destroy Earth.” They’ve declared for the past 100 years of having spent 5,920 years toward their 6,000-year agenda to Lucifer-Satan and are giddy of reaching that goal in 80 years.

**NEVER FORGET, NEVER FORGIVE, JUST FIGHT BACK HARDER AGAINST EVIL!**

I believe that everyone that has been paid and who works for the Deep State should be banished from our society, ... they are Traitors.

They Hate Us .. Patriots!

They should be in FEMA camps, or on prison barges!

He sounds like a big intellect whose “education” is built on science not speculation and indoctrination from Harvard or some shit.

@HeathNob — Smith an INTELLECT? Hahahaha-a-a-a! An education of SCIENCE from HARVARD?! Hahahaha-a-a-a. Surely you jest! I shall laugh myself to sleep tonight on your comedy! Hahahaha ... thank you!

Michael

You might take a look at u- tube and look up the name Barbara O'Neill. She is a middle aged tall Australian woman which teaches people to heal using natural resource's. Lots of good information for anyone.

These people are Destructionists. Getting their jollies by bullying and tearing down. They hate and destroy. They must LEAVE the U.S. if they really don't like it.

@Johnny T — “Destructionists”? hahaha-a-a! I LOVE IT ... I'm going to borrow it, too! You guys have a great sense of humor tonight, bless you!

So tired of these 2 bit Traitors calling We The People criminals . Pay back is a bitch

Amen, Amen, Amen!

As Jesus commanded, EVERYTHING YOU SAY, AND DO, SHALL COME BACK TO YOU. The communists shall wish they were never born when Americans rise up together to SPLAY and SLAY!

So you are thinking you have the truth and proof you need to say that MB is just making up these stories and all of us who believe them are insane rabid Trumpists?? I think most of us will determine who are what we believe without help from you who didn't believe in the first place.

This was a reply to Roger-Deswans!! I gather MB deleted what he had to say. It was rather a nasty post about Michael Baxter. I just didn't want anyone to think I said that to Michael.

Shalom, Brothers and Sisters in Yeshua! The Lord will not be mocked, and His righteous Judgement is coming soon to the Evil Deep State. Blessings, Peace and Safety to our commander and Chief, President Donald J. Trump. All things hidden in the darkness will be manifest in the LIGHT, and none shall escape says, The Lord Adonai B'Shem, Yeshua. "Baruch haba B'Shem Adonai". Isaiah 5:20

If AMG-news is correct, POTUS Trump is scheduled for Inauguration on MONDAY, JULY 10, 2023 and THE FIGHT IS ON! YEE-HA-A-W, Father Jesus is leading TRUMP!

Wouldn't that be nice! I may believe it after I see it – ON EVERY NETWORK. With swift & matching action, per the "First Day" list DJT has been announcing publicly at his many rallies. Waiting 'til Jan. 20, 2025 is really a very long time. Meanwhile, pardon me if I don't hold my breath.

You're the insane one. You unquestionably believe anyone who denigrates RRN yet lack the critical thinking skills to make a determination on your own. Just because you suffer from cognitive dissonance due to your brainwashing. You should sue your sibling parents for bringing you into the world with such a feeble mind.

I'm curious, is this schmuck jack smith is on the red lists or the blurbs lists? He's mentally deranged along with his wife/husband on this....

If Jack Smith hates us, it means we are over the target. Too bad his wife is ugly and he looks like he stepped on a rake.

Sally Ann, Yes, another meaning could be "pure bred" which applies to blood lines, usually of animals. Perhaps you read my comment as being critical of Michael? He has my respect and gratitude for his dedication and contributions to this website. I look forward to all his posts, and it is obvious he is a good man with integrity.

Thoroughbred horses are fast and elegant, not at all like the deep state slimy parasites whose stories Michael shares.

Last I heard is that there are so many laws and regulations on the books that completely innocent people probably commit 3 felonies/crimes a day unbeknownst to them. An example was given that if you walk your dog within 10 yards of federal property, this is a crime. (The distance I may not have correct). There's 20's of thousands of ridiculous laws on the books. So if they want to get you, they will.

Correct! In the 1980s, 3 MILLION laws were reported ... it would be interesting to know the actual count in 2023 that COMMUNISTS legislated!

You're talking about the Executive Branch and the three letter Agency's that believe they have power over Constitutional Law to write & rewrite Law to suit their purpose & "hidden agendas" that will

coincide with future illegal rules they plan to write and call Law to entrap & ensnare We The People, especially “white people, Christians & Caucasians.

Unless these Laws were Allocated by Congress, written into Constitutional Law, then they're ineligible – and just words to create fear and to profiteer with. Challenging them in the public eye is a given, then sue to your hearts delight in Court when they lose, but “make it vividly personal”.

I bet a nickel Jack Smith is the real Hunter Biden. He looks like a duck, writes like a Duck, Duck Face damaged by chemicals, with a little plastic surgery Yep it's the Duck.

I don't see Hunter Biden in that face at all. They don't have anywhere close to the same nose. This evil POS is Jack Smith....he is not Hunter Biden who happens to have been executed at GITMO almost 2 years ago.

i am a trump supporter and i have never once committed a felony. i have never been arrested for anything! i think i may have had a couple of traffic tickets, but, wow, how boring my life really is!!! i live a quiet life. i am disabled, have no transportation and thus do not get out much. i do good for others as much as i can. so, screw what this dude thinks!! he is DEAD WRONG!! most of trumps supporters, in fact i would wager that all of us just value our rights and our country and want to be left alone by the gov't to live our lives to the fullest, raise our families as we see fit and be happy and healthy! we want what is rightfully ours! we ask for nothing more!

For them ,you break one of there color of law rules is a felony in there mind. Them violating your rights under color of law is a crime under US code. Title 18 usc 242.

@Johnny — The American Founders, my ancestry, and their procreators, my ancestry, issued these words: DISOBEY unconstitutional laws, and DISOBEY the authors of those unconstitutional laws. Therefore, I, and one-third of the lawful American White population, OBEY our ancestors' instructions to DISOBEY CRIMINALS in whatever they say and do!

Did you read that Jack Smith? I AM TALKING TO YOU, FOREIGN COMMUNIST CRIMINAL! GET OFF MY LAND AND TAKE YOUR FRENCH WENCH WITH YOU!

@Cid — “Terri” is drawing a comparison to alias Jack Smith ... though it's doubtful he'll read it ... Military have probably dropped him at GITMO by this hour.

I'm 65, and I would love to have this POS Smith step in my backyard and teach him real justice. What an a\$\$hole!

Who is the true enemy of the people. I guess Smith has a problem with the words, “We the People.”

@Rikki — Correct, Rothschilds et al. installed COWARD criminals who hire BRAZEN criminals from all nations of the world. Gee, such busy ants these destructive cultures who jockey for position believing themselves more worthy to “possess” America without a mindful thought of the American Founders progeny citizens who built the sovereign nation that used to be a civilized society until the installment of criminals post 1776!

Rothschilds et al. cannot save aliens. The Founders' Immigration Act is straight forward that the MONROE ACT supported. NO installation of non-White people, NO installation of Jew, Catholic, Muslim religions because all groups are known ANARCHISTS since

antiquity. Likewise, NO installment of immigration by any White Tribes and Clans without the Founders' progeny votes and invitations of specific immigrants. Progeny obeyed the Founders/ancestors advice: Do not vote and invite immigration because if you do, you shall surely lose your nation! Therefore, the destruction of America is solely on the heads of ALIENS.

Father Jesus has long last answered Americans' prayers saying, "I SHALL COMPEL [force] ALL ALIENS SIMULTANEOUSLY OUT OF MY FAVORED NATION AMERICA FOR THEIR UNWORTHY INTENTIONS." Thank you, Father Jesus, for your justice. We love you, too!

Every tangible and intangible advantage ALIENS schemed from Americans remains in/on America ... ALIENS leave with the clothes on their backs just as ALIENS entered America ... YOUR FATHERLANDS AWAIT YOU WITH OPEN ARMS!

If they're Not home to accept it and collect it, they'll miss out on all that NESARA & GESARA.

Shhhhhh, that just means – more for us!

@Leslie — If Military collects verbiage from a "bucket of sewage" then Intel it is and worthy of the hangman's rope.

Trump supporters are brave heroes willing to peacefully fight to take our country back from evil corrupt demonic beings in the government.

Jack smith does not realize it until it's too late. He will certainly end up in either GITMO, Camp Blaz Guam, Tiera del Fuego, Tulie Greenland, Diego Garcia, or on Navy ship. I hope the latter is where he ends up.

Yeah towards a slime ball parasite licking piece of shit like you still waiting for you to come on down to Detroit so I can teach you some manners bitchboy

@SaveUSA et al. — My requests to POTUS Trump continue: Air drop communists onto radio-active Bikini Island ... when their organs begin to fall out of their torso, they'll feed themselves to the sea life.

Listen up all your awakened Constitutional scholars and expert researchers. You have been told this many times but apparently it hasn't sunk into your raisin-sized brains. The First Amendment forbids the government from interfering with the speech of American citizens. Even people who don't like Donald Trump are protected. These "quotes" obtained from Smith, apparently in violation of the Fourth Amendment protections against searches and seizures without a warrant, is not illegal. Not actionable. Not a crime. Not forbidden no matter what his job is.

The First Amendment protects the farrago of lies and misinformation published here and by all your alternate news source heroes. Hence, the writers are allowed to publish stories that defame public figures, elected officials, and private citizens (within limits — See the RRN NY Jewish School story via the Wayback Machine) under the guise of commentary, opinion, entertainment, or fundraising. No government agency or official can demand that MB take down anything published here, or stop publishing stories that are clearly and unambiguously lies and misinformation.

So the only way Jack Smith is going to GITMO or anywhere else is in your dreams and fevered imaginations. The Founders specifically forbid the military from arresting, trying, and punishing American citizens. That was one of the factors that precipitated the rebellion against Great Britain.

Now about your lodestone, the Insurrection Act. Mark Meadows has said in numerous forums that a declaration was drafted but Trump never signed it. It was taken off his desk by staff and discarded. They did that a lot when Trump was planning to do something stupid. The document would be slipped out of the huge pile papers and debris on his desk and he never missed it. Meadows was and is one of Trump's fiercest defenders, so his word is credible.

Truth and facts will do nothing to influence your deep-held beliefs, I know. Deploy all the well-worn excuses, explanations, rumors, alternative "news," intergalactic messages, prophecies, and whatever you have in reply. Even if Smith actually said this, no one can slap his hand or hang him, for that matter.

Smith is going to gitmo because of politicized prosecutorial bias, and because of egregious abuse of the Constitution, not because of anything he said nor any opinion he aired. This only evidences the criminality it doesn't stand as criminality.

The military has no prosecutorial authority over American citizens. You could look it up.

You must have hit your head bad when you fell out of bed this morning. Wake up and smell the coffee. Insurrection, Treason and Sedition. No Statute of Limitations on Treason or Murder. Checkmate. You will be prosecuted.

The 14 amendment which was never ratified correctly by the several States makes you a citizen of the corporations. So you are not sovereign and have no rights.

You like the rest of us live under the fringed flag which have no country no constitution.

So let talk about your fucking rights. Ask your local police officers.

For your pea sized brain we have not been under the constitution for over a century and a half. After the civil war The Republican form of government became De facto as a corporation. Thats why the lefty's are pushing to remove the 1st,2nd, 4th, and anything else.

That does not set there one world government ideology. As for as our beloved constitution it standing in the grave waiting to be covered over.

Thank you CIA for your intel report for us here. We know your propaganda is your favorite thing so thanks for the propaganda from a corrupt but well-meaning FED. Too bad for you but I witnessed the signing of the insurrection act. I've have preserved the video if I'd known I'd never see it again. However I remember every word that was spoken & watched it be signed along with Trumps concerned comments about giving up power & trusting the plan. So I, at the very least, KNOW for a fact that you're lying & are therefore a fraud. Nice try but you posted it in the wrong place so I could see it & replace your lie with the truth.

Last edited 15 hours ago by SeanW

You absolutely did not see the signing because it never happened. And if you were there you are part of the Federal Government and a defacto traitor. I'm not CIA but I've driven past it.

So tell us the names of everyone who was there, what was said. Very convenient that you deleted the video. I could have guessed that. Time of day, who took the document after he signed it. Was the WH photographer there? Trump had the guy around everything he did so there should be photos. What was the document number? It should be registered in the document inventory unless Trump stuffed it in the toilet.

Bottom line – Mark Meadows says you're full of it and I agree with him.

The real DOJ just might have him hanged for his despicable actions.

@Roger DeSwans — Hundreds of thousands of egotistical “raisin-sized brained” “elites” thought as you do, and were summarily EXECUTED by MILITARY under the following statutes:

18 U.S. Code § 2381 – Treason

18 U.S. Code § 2382 – Misprision of Treason

18 U.S. Code § 2383 – Rebellion or Insurrection

18 U.S. Code § 2384 – Seditious Conspiracy

18 U.S. Code § 2385 – Advocating Overthrow of Government  
Crimes Against Humanity.
