Vyšetřovatelé JAG amerického námořnictva zatkli bývalého generálního prokurátora Erica Holdera na základě obvinění z vlastizrady v pátek večer, když on a nejmenovaný mužský společník opustili bistro poblíž Prospect Park v Brooklynu ve státě New York, uvedly zdroje JAG pro Real Raw News.

Náš zdroj uvedl, že obvinění pocházejí z Holderova zapojení do operace Fast & Furious, skandálu s chůzí zbraní, kterým ATF nezákonně dovolilo obchodníkům se zbraněmi prodávat střelné zbraně kupujícím slámy – jakýkoli nákup, při kterém agent souhlasí s nákupem zboží nebo služeb. někdo, kdo často není schopen nebo ochoten koupit zboží nebo službu sám, a agent převede zboží nebo služby na tuto osobu poté, co je zakoupí – údajně proto, aby sledoval zbraně mexickým kartelům. ATF však ztratila přehled o zbraních, z nichž mnohé si našly cestu zpět do USA a do rukou zločinců. Zbraně by později byly spojeny s domácími a mezinárodními vraždami.

Holder se stal prvním sedícím členem kabinetu Spojených států, který byl držen v pohrdání Kongresem. Generální inspektor ministerstva spravedlnosti za Obamy ho ale odmítl stíhat a v roce 2012 ho zbavil obvinění.

"Unikl Obamově spravedlnosti, ale nehodlal uniknout vojenské spravedlnosti." Neexistuje žádná promlčecí lhůta pro zradu," řekl náš zdroj.

Holder, 72, byl označen jako „cíl příležitosti“, což znamená zatčení, když je to možné, ale bez plýtvání nadměrnými zdroji.

Náš zdroj řekl, že viceadmirál Darse E. Crandall probíral hromadu nevyřešených obvinění, když viděl Holderovo jméno na papírech, které jeho předchůdce, admirál John G. Hannink, připravil v roce 2018. Zběžné vyšetřování odhalilo, že Holder je stále prominentní člen a finanční mecenáš Demokratické strany sdílel rezidenci v Bronxu s 55letým mužem.

Holder je ženatý s porodníkem Sharon Malone; mají tři děti.

"Je docela dobře známo, že mnoho z těchto chlapů má sňatky z rozumu, pro optiku, jestli mi rozumíte." Naše informace ukázaly, že spolu nežili a že Holder svou ženu už dva roky ani neviděl. Byl spoutaný s chlápkem," řekl náš zdroj.

28. června přijeli vyšetřovatelé JAG do NYC, aby ověřili zpravodajské informace. Jak se očekávalo, Holder a jeho milenka byli živí a zdraví a dováděli ve městě – zdálo se, že jsou nerozluční, což představovalo problém.

"Pokud je to možné, chceme, aby byly cíle izolované, aby bylo zatčení provedeno tiše, bez svědků a pozornosti veřejnosti." Holder a jeho muž chodili všude společně. Nesoudím. Dospělí si mohou dělat, co chtějí, ale Bible říká, že muži by spolu ležet neměli. Je to Adam a Eva, ne Adam a Steve, ale to je vedle. Vyšetřovatelé je sledovali dva dny a museli zavolat," řekl náš zdroj.

Zavolali do kanceláře viceadministrátora Crandalla, řekli, že nemohou izolovat Holdera, a zeptali se, zda by také měli zadržet jeho manželku. Admirál, řekl náš zdroj, neochotně souhlasil a rozhodl se zatknout a vypořádat se s následkem.

30. června vyšetřovatelé zadrželi dvojici před Pasta Louise Café na severozápadě Brooklynu. Holder a jeho přítel čekali na UBER, když je vyšetřovatelé uvedli na zadní sedadlo neoznačeného SUV.

Nejmenovaný přítel chtěl vysvětlení a Holder požadoval telefonát Obamovi, aby „vyřešil věci“.

Na závěr náš zdroj řekl, že společnost JAG může vznést další obvinění proti Holderovi na základě nepřímých důkazů, že v letech 2009-2012 povolil útoky dronů na americké civilisty.

This Holder creep, along with Obama, came up with the cages for the illegal kids (and for which the media unjustly criticized Pres Trump). Holder and Obama also were the ones that started flying illegals into our country under cover of darkness at taxpayer expense. Biden is simply fulfilling Obama's third term. The drooling idiot in the White House does as he is told.

Birds of a feather flock together as the saying goes. Have a safe and blessed 4th to my fellow patriots. Hope and pray that we blow more birthday candles for our nation. Blessings 🙏🙏 from The REAL Delavic.

Deepstate is really mad about this arrest. They will likely make some form of retaliation if he is executed. Holder's untouchable image must be preserved as well as the deepstate's image of all power and invincibility to faithful rank and file.

Just my opinion, but I believe tolerance was one of the reasons for the destruction of Sodom & Gomorrah.

There is plenty of free real estate in those cities. Send them all there and let them fend for themselves.

LOL!! No free real estate in Sodom & Gomorrah. Those cities were blown away by the mighty hand of God. There isn't even a wall standing to mark where they were.

There are plenty of pure-grade sulfur balls that prove the inhabitants were burned alive in that firestorm. British and American explorers have examined the sulfur balls and they were prove to be 93% or better, which is part of what killed the sodomites in those cities. Regular 43% sulfur won't cut it.

This is great news, finally this SOB will have to face accountability for treason. He is delusional if he think Obango barry has any real power. Next!

This is awesome news! I wondered if he would get picked up soon. He is one of the worst traitors.

I do notice a lot of times right after it is stated here how someone gets arrested you see them in the news directly after. He was supposedly arrested on June 30th, posted to this site on July 2nd same day he was on CBS. Of-course he wasn't there in person only via video.

Holder was just on CBS on July 2nd saying Biden shouldn't pardon Trump unless Trump changes his ways.

I think what he meant by changing his ways is to never run for office again, and donate to Democrat policies only.

It almost sounded like if a convicted evil person shows remorse or says "I'm sorry" he should be pardoned, maybe setting it up for himself to be pardoned.

I figure Biden can't pardon Trump since Trump has done nothing wrong that needs a pardon, unless he farted and then he should just pardon himself.

The Deep-State had to react to this article announcing Holder's arrest.

It was obviously CGI representing Holder, talking to Margaret Brennan on Face the Nation 7-2-23.

The CGI graphics were struggling a bit, especially on the 'fluttering' dark suitcoat sleeves. Notice that the Face the Nation reporter's sleeves were not fluttering at all, nor anybody else. Once again, the Deep-State immediately reacting to RRN articles.

<https://news.yahoo.com/face-nation-holder-drake-gorman-165533815.html>

Thank you for pointing this out. What else could they have done but CGI on such short notice after Holder's arrest?

MD, it takes a well trained eye to notice the difference and apparently you are endowed with one. Sadly, the normies are still blind or simply refuse to believe. These are the ones that as someone posits, will end up in the asylum when the truth is made public. This site has a few doubting Thomas' or Didymus' per The Holy Bible. Blessings 🙏🙏 from The REAL Delavic.

Fluttering suitcoat and blue line around him especially his head. His image is clearly separate from the background.

WHY ARE THERE SO MANY FA-G-G-OT DEVIANTS IN ALL THESE PARTIES & IN THE JEW-SA GOVERNMENT. IT'S LIKE THEY WERE GOING FOR THE WORST OF THE WORST – SATAN WORSHIPPING PEEDOFILES, CHILD TRAFFICKERS OF WHICH

NGRBOY OBAMA IS 1 WITH BILL & KILLERY ANOTHER. TIME TO BURN THE WITCHES ALL AT THE STAKE & MAKE SURE U CUT THE HEADS OFF OF THESE VAMPIRES TO MAKE SURE.

Gosh! You sound angry! I cannot imagine why!? Just because of all the corruption and evil? We should be used to it by now! (Sarcasm)

The Bushs, Clintons, Obama, Biden, Podesta, Zuckerberg, Degenerous are all Rockefeller. That is why they all hated Trump so much he threatened to disrupt their decades long grift and criminality. They are a satanic, communist, jew family. Homosexuality, incest, pedophilia, bestiality, necrophilia, sex with demons are all elements of Black magic sex rituals. All practioners engage in it.

They are not Jews. Real Jews do not engage in such evil. Khazarians do. They are the 'Jews' Jesus calls out in Revelation 2: and 3:9. Not the real Jews, because Jesus Himself was a real Jew. Don't get it confused.

THERE SHOULD BE MILLIONS OF PEOPLE LISTED AS TRAITORS JUST IN THE CLINTON & OBAMA & BIDEN REGIMES ALONE!!!

The STL Post has an AP story today on teens and guns. It says teen gangs steal guns from homes, gun stores or TRAINS. In the Clinton years, my friend studied teens in juvenile detention (pre cell phones). The kids said they were alerted by beepers to go to train sites. The trains would stop and the kids unloaded the guns. She spoke of her findings to college audiences and the Feds approached her and said that if she continued with these talks, they couldn't protect her. In another note, the Deep State seems to be appropriating Q/Patriot verbiage. SNL had top star Keenan Thompson tell the audience "stay frosty" and new DreamWorks movie this weekend is "Ruby Gillman, Teenage KRAKEN". Even the Mo Botanical Garden(STL) is using " And We Know" theme music in its tv ad. And finally, Tom and

Rita Hanks claimed their Greek citizenship (No US extradition). It seems the Obamas are conveniently also holed up in Greece for a reason.

LIKE JAMES COMEY GUILLITINED HOMELESS VETERANS & HOMELESS DRUG ADDICTS....COMEY WENT THE SAME SICK WAY HIS VICTIMS DID. GOOD CALL.!!!

Comey was a “Sack of S..t!” SOS. I read what he did with FEMA and was so disgusted! A young boy at the time witnessed his father being guillotined. He had snuck in somehow! Talk about trauma!

JC may have started the business of selling body parts in barrels that currently command \$77,000 per barrel. Explains why none of the missing were ever found. Blessings from The REAL Delavic

IMAGINE WAITING ON A FA-GG-OT CRACKHEAD TRANNY LOVER & TRAITOR & HATER OF AMERICA & PROBABLY A ROTHSCHILD OR ROCKERFELLER PUPPET BOY BEING ABLE TO DO ANYTHING ABOUT IT. SHOULS HAVE LET HOLDER CALL BARRY SOETERO – TRACE THE CALL & ARREST THAT FAG TRAITOR MASS MURDERER.!@!!

The White Hats know where Barrack and Michael are at all times. They think they are really intelligent to go to Greece where they think they are safe. Michael can spew his vicious hatred from there all he wants. However, the Obama demons will get caught and they will face a military tribunal and the ultimate punishment for their treason. I can't wait to hear how Obama sobbed like the coward he is and Michael spews his filth all over the place. That will be a day to remember and read about over and over and over.

These little soy boy ghouls thought they were all that and a bag of chips. I am thrilled Holder will never be free on this earth plane again. Did anyone notice that when the rumors of JFK Jr being alive

started, this demon changed his banner on Twitter to JFK Sr's grave site? Guess he was trying to intimidate. 😂

YEAH AND??? THE EARTH IS NOT A FKN GLOBE GENIUS. THEY KNEW THAT HUNDREDS OF YEARS AGO.

No faggot YOU grew up and joined the Slavery, Child-Molester, Flat-Earth party that endorsed Obama.

DISGUSTING. THAT JUST PROVES HE SUPPORTS THE DEVILS THAT KILLED THAT GREAT MAN!!

No wonder President Trump fought so hard to drain the swamp. And on that same Twitter page he calls the SCOTUS ruling of Roe. a 'monstrosity.' Shame on him. And his wife is a baby doctor too? Anybody married to an obstetrician that cares for pregnant women properly (without pushing abortion, that is) should be proud. That statement just makes him look bad. But then he is a crazycrat Obamaite.

I'm making \$90 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning sixteen thousand US dollars a month by working on the connection, that was truly astounding for me, she prescribed for me to attempt it simply. Everybody must try this job now by just using this website... <http://www.Payathome7.com>

I wish Michael could / would block him. I would never follow someone with such low morals as to use someone else's website to promote their own business.

Ignore him he is nothing more than a trouble-making troll, that's all. At least he got rid of Cyrus.

All I can say is ABOUT TIME! I have been asking for years, when he would be accountable.

GOOD IT'S BEEN A LONG TIME COMING HE SHOULD HAVE HANGED YEARS AGO—GOOD JOB NOW GO GET THE REST OF THEM

I would think he should of been arrested a long time ago, But he was a Puppet doing a good job I guess this is why he wasn't,

How many people think there's not going to be an election?

I wonder how many people do think there is going to be one?

I Don't think there is going to be one, the Courts will Put Trump back in when we know he Never Left.

The courts have no jurisdiction. The DC Corporation they operate under is gone, defunct, bankrupt. DC is a foreign territory within the US.

The Military under continuation of government (COG) will constitutionally return Trump at the correct time to the position he won in 2020, with the greatest landslide victory in history.

I pray for that day....in the meantime.....a lot of demons are being executed in several different spots around the world.

I wish more sources would report to Michael so he can get the word out that proves something is happening. But the military is so crazy super-strict so as not to damage its operations.

MD, consider these things. (1) According to Sebastian Gorka a former adviser to DJT, DJT does not have to be in The House to perform his presidential duties. (2) CUE has aid thus; military is the only way. According to well sourced truthers, the military will officially declare ML

and will call for an election with DJT coming out the winner.

Blessings 🙏🙏 from the REAL Delavic.

The thing that always made me want to bash them in their treasonous faces was how pompous and "above all of us" they behaved. Holder won't be standing on the gallows with a smug face

telling his executioners that Obama will avenge his death....he will probably be sobbing like the coward he is. Obama will behave the same way.

So, is this old news, repurposed for 2023? I remember reading that Holder had already been tried and sentenced to life. What's up?

And right on que.... that fuckers or some facsimile of him is on Face the Nation about 13 or 14 hours ago.

Yes he was on the show yesterday. When are people going to finally realize nothing on this site is true, it's all fiction? No concrete proof of anything alleged is ever given. In a way it's funny that he writes this elaborate story about Eric Holder being arrested and Holder shows up on TV the next day. Feel sorry for people who believe anything on this is real.

The Deep-State had to react to this article announcing Holder's arrest.

It was obviously CGI representing Holder.

The CGI graphics were struggling a bit, especially on the 'fluttering' dark suitcoat sleeves. Notice that the Face the Nation reporter's sleeves were not fluttering at all, nor anybody else. Once again, the Deep-State immediately reacting to RRN articles.

Your crappy Wal-Mart tv is what's producing the flutter. On a high-def set there is no "fluttering." You see what you want to see, not what's there

Here is another video of Holder from six months ago with Margaret Brennan wearing same coat, same tie, same shirt. If CGI, this video is a better done CGI since the coat sleeves are not fluttering.

https://www.youtube.com/watch?v=Coz1I5f_YO0

People have long-since realized how stupid you people are. Now you can watch us kill another of your friends and swear "it cain't be RiEEEEEEEEEEAL!!

It is.

And neither you nor your homosexual/traitor/slavery-child molester party friends are gonna stop what's ALREADY here.

Thanks Michael, we hope you're on the mend. Are there updates of criminals on the GITMO detention list? Just asking `cause AMG-news report Barry Soetoro-Obama and Eric Holder as dead. It's tough for Americans to weed through DISinformation, MISinformation and not find Truth. It would be better that Military deputizes American citizens to SPLAY and SLAY "all aliens, fake citizens, and communists" throughout America to get the nation back than Military's current "plan of action." Just saying....

Tis we, who are your Firedogs...thank you for this excellent summary. RRN and it's faithful readers give me hope that White Hats are actually "dispatching" the bad guys. Thank you Michael Baxter

and Firedog.

We're getting closer to Barack that lying POS, who's not even an American citizen playing up to his blackness to get elected for two damn terms. His execution MUST BE MADE PUBLIC.

Tucker started on Obama's marriage last week, on one of his Twitter shows. They're circling the wagons for sure.

Thank you everyone that continues to take out the trash ! Holder thought he was above the law with his relationship with Barack shielding him. He didn't realize that puppets like Barack really do not hold any lasting power. Only The Eternal Sovereign and those He Designated in The Chain of Command , have any real power. I hope Holder enjoys his stay in Guam or Gitmo. I'm sure it'll probably end in a swinging time he won't soon forget ! Stay Frosty , hang loose , you're all doing God's Work & protecting Innocents !

Nick , NavyBlueSmoke , LST-1195

We're all at the stage in this movie where we only need to read hanging articles.

" the Bible says men shouldn't lay". the bible has been so edited and contrived that maybe 1% of its information is original. Not defending Holden bec he has a male pal but I disregard ANYTHING the bible says as far as how mankind should conduct themselves. That said, I'm elated to see Holden was arrested as he is traitor to our country and a traitor to mankind. He needs to be taken off planet.

@Kent — Avoid reading the MASORETIC Holy Bible by the non-human renegade angel alias Jew who were SLAVES to the Hebrews for centuries.

Instead, read the Septuagint that ancient Greeks preserved old Hebrew text that continues as Greek's sole Holy Bible today. There is an English translation that adheres to the preservation of ancient Hebrew and Greek texts.

The Holy Bible was authored by Father Jesus and scribed by righteous men as a USER MANUAL for His “beloved offspring” against His “evil humans and evil angels” that HE uses to economically punish HIS “beloved offspring” whenever we are disobedient to Him.

Don't give up, just pray and repent daily. We are loved and blessed by our forgiving Father Jesus!

Last edited 10 hours ago by FireDog

Now if you'd only make sure you've got the right guy. Start by spelling his Name correctly. See what I mean?

Hey, bible scholar, don't you think God is powerful enough to preserve his Word? So, you disregard the 10 Commandments as well? You might be a serial killer for all we know.

Exactly what I was thinking. God would never allow his true inspired word to be destroyed. This is just another way Satan wants to get to everyone and make them believe his lies. God is all powerful....much more than their god Satan and all of the evil bastard democrats put together. Read your Bibles folks and listen to the Creator.

Hi . Full moon it looks like . I hope to shed some moon lite on jb pigsters big ass.. as always god bless us all amen be the change for the better world and universe amen    
  happy new 1776 again...

Do you have an update on the condition of the former guy (forgot his name) from whom General Eric M. Smith took over? He was worked over by the black hats who kidnapped him. I hope he is back up to snuff by now?

Go report to your puppet masters that this POS was arrested and will be held accountable for his treason.

I think America would greatly rejoice if Jane Fonda....the traitor...was arrested finally and taken to GITMO!! She is evil personified. I still think Tyler Perry is a traitor for aiding and abetting our enemies by providing the demons with a fake white house and a way to escape capture. If that isn't treason, what is?

Hanoi Jane was executed according to AMG-news. Go to their website, type "execution list" in the search box, open the most recent news article, scroll down the webpage, and search for Fonda among the chart of hundreds of communists' names executed for Treason.

I have seen that list.....most of Hollywood is on it. I don't take every list as the solid truth. I would love to read MB's account of the arrest of Jane Fonda and especially Tyler Perry!!

Ah, the censor's hammer has come down. Comments gone. Maybe it's time to assume a new secret identity

No, they got clipped because I kept disrupting the extensive, bizarre fantasy that is your day-to-day existence. You are gullible fools being exploited by someone willing to constantly lie to you in order to take your money. The Bible has a word for it – Amorality

hey Buzz, what was it like to be so high and look upon earth?

Well, hard to describe something that never happened. Adults do things for odd reasons. But all I can say is upon my return here I knew the left was going queer.

How did you get to be an actor with one role, that being an astro-mut?

Suck on baal's nob is how you get that job. And so it is with these mason fucks.

(nob = notes/bonds of USTreasurys. Bonds = bondage)

Last edited 12 hours ago by Julie

Hmm ... so, (1) purchasing “bonds / debts” to increase one’s wealth, (2) defrauding taxpayers by fake aeronautic technology, (3) disobeying Father Jesus’ commandment against homosexuality, and (4) disobeying Father Jesus’ commandment against sacrificing humans by idol worship to Lucifer-Satan.

What is your meaning to cite these particular evil behaviors? Did Eric Holder and Barry Soetoro-Obama commit these behaviors either separately or together?

What happened???? As “The Gamble” & JAG might say — You got to know when to Holder & know when to Folder !!!

Obama is gay too, he took it in the ass from big Mike in our White House for 8 years and laughing at us the whole time.

That is something that I can’t abide. Some reports out there say these assholes have already been dealt with and possibly dead but I’d like to see justice for them or at least hear if they have already.

“Some reports out there say these assholes have already been dealt with and possibly dead but I’d like to see justice for them or at least hear if they have already.”

READ THAT AGAIN SLOWLY,,,

The Black Lord’s neutralization cannot be reported for reasons of National Security, If made public, Snowflakes and Blacks would make the aftermath of George Floyd’s death look like the Macy’s

Thanksgiving Day Parade. The level of chaos, rioting, and destruction would be monumental.

This is an extremely sensitive situation that will probably not be reported for decades after we are all dead and gone.

EXECUTE both fudge packers....ASAP !

Then .. inform main stream media...

No one will ever miss them!

I believe the MSM knows all about the arrests and executions. They are all DS complicit and will only report what they are told to report. It would be chaos if the lying dog media were to suddenly report the truth. The truth has a way of sneaking out when you least expect it. I think waiting patiently for that day is well worth it.

So with 5.1 million encounters of illegal immigrants since January 2021 and at least 1.2 million known illegal immigrant “gotaways,” that’s a confirmed minimum of 6.3 million illegal immigrants entering the U.S. since Biden took office with the promise to “build back better.”

For added context to such a number, Biden has allowed a greater quantity of illegal immigrants into the United States than the number of people who live in each of the following 33 states (and two territories):

Alabama, population 5,024,279.

Alaska, population 733,391.

Arkansas, population 3,011,524.

Colorado, population 5,773,714.

Connecticut, population 3,605,944.

Delaware, population 989,948.

District of Columbia, population 689,545.

Hawaii, population 1,455,271.

Idaho, population 1,839,106.

Iowa, population 3,190,369.

Kansas, population 2,937,880.
Kentucky, population 4,505,836.
Louisiana, population 4,657,757.
Maine, population 1,362,359.
Maryland, population 6,177,224.
Minnesota, population 5,706,494.
Mississippi, population 2,961,279.
Missouri, population 6,154,913.
Montana, population 1,084,225.
Nebraska, population 1,961,504.
Nevada, population 3,104,614.
New Hampshire, population 1,377,529.
New Mexico, population 2,117,522.
North Dakota, population 779,094.
Oklahoma, population 3,959,353.
Oregon, population 4,237,256.
Puerto Rico, population 3,285,874.
Rhode Island, population 1,097,379.
South Carolina, population 5,118,425.
South Dakota, population 886,667.
Utah, population 3,271,616.
Vermont, population 643,077.
West Virginia, population 1,793,716.
Wisconsin, population 5,893,718.
Wyoming, population 576,851.

And you got these population totals from where? Havent seen any census taken since the last one in 2020, just curious. Thanks.

That wretched faggot traitor cocksucking spic arming patriot killing barely recognizable primate is gonna get his ass fucking alright! And now we have toxic vapors emanating from the bowels of chicongo. In equipoise, the flash floods were quite appropriate! Welldone dousing the DStards' expected temper tantrum!

Aholes come in all colors, shapes and sizes. Lay off the bigotry.

we used to refer to him as “Cup Holder.” he did a lot of bad things to this country. thank heavens, true justice is finally being meted out.
