White Hats v neděli zatklí majora americké armády a velitele seržanta, kteří slíbili věrnost Josephu Bidenovi a instruovali své podřízené, jak vést městskou válku proti občanům dodržujícím zákony, řekl zdroj z kanceláře generála Erica M. Smithe Real Raw News. .

Uniformu zneuctili major David Dunbar a CSM Nema Mobarakzadeh, štábní důstojník a vyšší poddůstojník 10. horské divize ve Fort Drum.

Náš zdroj nevedl podrobnosti o skutečných zatčeních, ale řekl, že k nim došlo mimo stanici, po setmění, 30. července.

Čestné prohlášení JAG přezkoumané Real Raw News uvádí, že Dunbar a Mobarakzadeh naverbovali 250 vojáků 10. horské divize do „soukromé armády“, jejímž úkolem bylo potlačit občanské povstání, pokud Joseph Biden vyhraje prezidentské volby v roce 2024, a podrobně popisuje jejich hanebný plán zaútočit na Trumpovy příznivce. ' domů a zabavit jejich zbraně u hlavně. Podle přísěžného prohlášení Dunbar a Mobarakzadeh rekrutovali dobrovolníky a prováděli městská válečná cvičení za zády velitele posádky plukovníka Matthewa R. Myera.

Náš zdroj řekl, že White Hats v současné době nemají žádné důkazy, které by Myera obviňovaly. Neví ani, zda JAG vznesl obvinění proti 250 vojákům, kteří se účastnili prohlídek dům od domu a cvičení zabavení.

Dunbar a Mobarakzadeh, dodal, narukovali pouze vojáky, kteří prohlásili, že volby v roce 2020 byly spravedlivé a legitimní, že Donald J. Trump způsobil 6. leden a zaslouží si uvěznění a že Bidenova administrativa je zákonným řídicím orgánem Spojených států. Vojáci také slíbili věrnost Josephu Bidenovi místo „...vlajce Spojených států amerických a republice, kterou představuje...“

Dunbar a Mobarakzadeh nějakým způsobem financovali pronájem nemovitosti, 20akrový vyklizený pozemek asi 15 mil západně od Drumu, na kterém postavili „město z překližky“, aby simulovali útoky na americké občany. Vojáci byli vyučováni v prolomení dveří, nastavení výbušnin a zabíjení Trumpových příznivců. Jejich mimoškolní školení také zahrnovalo lekce o tom, „kde zastřelit Trumpova příznivce pro maximální efekt“, řekl náš zdroj.

„Bylo jim řečeno, že lidé, kteří podporují Trumpa, mají taktické vybavení, jako je neprůstřelná vesty, a aby stříleli do hlavy, nikoli do středu hmoty. Dělalí nácvik živé palby na falešné cíle,“ řekl.

Zajímavé je, že vojáci nepoužívali vojenské zbraně; používali osobní zbraně a střelivo zakoupené od různých prodejců střelných zbraní v severní části státu New York a improvizované výbušniny, jako jsou Molotovovy koktejly a hřebíkové bomby.

„Trénink se točil kolem jedinečné nenávisti k prezidentu Trumpovi,“ řekl náš zdroj.

Poté, co byli Dunbar a Mobarakzadeh zatčeni, White Hats zbourali překližkové město a našli mosaz – vojenský slang pro vyhozenou nábojnici – roztroušenou po celé oblasti.

Zeptali jsme se našeho zdroje, jak Dunbar a Mobarakzadeh plánovali vést válku s pouhými 250 vojáky v silně pravicově orientovaném New Yorku.

"To je otázka za milion." Může jich být více; tyto sekty se mohou tvořit v jiných zařízeních. Právě teď víme o těch 250."

250, dodal, zahrnovalo všechny poddůstojnické hodnosti od vojáků až po prvního seržanta.

Na závěr jsme se znovu zeptali našeho zdroje, proč White Hats nezatkli všechny zúčastněné, protože jejich činy byly zrádné a porušovaly Jednotný kodex vojenské spravedlnosti a americkou ústavu.

„Podívejte, probíhá vyšetřování. Mohu vám říci, že musíme vyloučit psychologickou manipulaci nebo chemický nátlak. To je vše, co teď můžu říct.“

Před publikováním tohoto článku si společnost Real Raw News vyžádala komentáře od Fort Drum a policejního oddělení města Watertown. Mluvčí Drum's Public Affairs Office řekl, že Dunbar a

Mobarakzadeh byli na „nouzové dovolené“ a mluvčí Watertown PD řekl, že PD nemá žádné informace o výcvikovém zařízení mimo stanoviště.

Nikdy jsem nepozoroval, že by velící seržant odcházel zrádně na jih. Tito chlapíci mají tradičně typ mozkového procesoru typu „mysl, armáda, jeden“ a tito chlapíci jsou armádní a absolutní, pane armádo. Většina těchto seržantů pracuje v praporech nebo brigádách a v běžných armádních hodnostech jsou k vidění jen zřídka, ale jsou spíše temperamentní, ale jeden takový typ nechce naštvat, ale po otočení z 'Nam se mi to taky povedlo. Jmenoval se, velitel seržant major Nutt....

Another solution idea—Texas and any state that would join them start drilling for oil and or gas—tell the FED to pound sand again !!!! Open up refineries with state support and protection from FEDS —Independently sell products and refine for other countries like

they were. Certain refiners— could refine what would be classified as dirty oil—FEDS be damned !!! If FED property let the state go in and take it and give protection to drillers. States like Texas or Florida have the power and smaller states could join and create a power source and save this country—

The South will rise again and save the country—All we need are Govenor's with a big set and say enough is enough—you can't trust elections to be honest so take control !!!! Can you imagine the businesses that would flood your states—

God willing at least one or two recruits are white hat infiltrators who gathered excellent Intel and will be testifying at those tribunals.

God help us!

If soldiers knew they pledged alliance to DS and / or were targeting citizens simply because they were Trump supporters , they must be found treasonous ! Penalty for treason is to push up beautiful flowers Up from their deep mass grave , forevermore. Please dispose of trash in most efficient manner. Thank You Honorable White Hats .
Nick , NavyBlueSmoke , LST-1195

Agreed!! If your willing to turn a gun on fellow Americans because they don't support the FJB regime then that is treason.

I pray that any recruiting for the black hats do the right thing and turn in any evidence that they try to attack innocent citizens and protect the constitution. PRAISE GOD!!! GOD WINS!!! 🙏❤️💪🇺🇸🌍

Solution—for Texas/Abbott—tell the FEDS to go and pound sand—put the wall up on private property and tell NY /Mayor and other Yankees to share cost of wall and you will stop shipping illegals to NY—threaten other states and make them contribute too—it will be cheaper for them to help out then to keep getting more illegals—If FEDS come in then kick their collective asses with all your NG and

police/Sheriffs etc. They threaten to cut off funds then say ok—who has the biggest stick—Texas economy is thriving, how about the FED Govt—tell them to go to Ukraine and get their asses kicked—

lol the fed gave texas 40 billion in 2021. get rekt abbott and fix your damn electrical grid

WE ALL WANT TEXAS TO STOP THE FLOW OF ILLEGALS COMING IN FROM TEXAS...what is your problem with that?

Everyone in this country needs to tell the fed to pound sand, whats wrong with that?

WE all need to stick together, Whats wrong with that...AND whoever thinks Ukraine need their help, let them go there and get their asses kicked...no problem with that.

don't be a jackass—he didn't think that at all!!! thought you were against —you need to get off the sauce when you post—

The time is coming where God will break this country with His wrath. Or He will restore Sodom and Gomorrah

Someone is already trying to break Texas with its wrath with 106 to 109° every single day for the last 6 weeks with no clouds or rain. I don't watch mainstream media, so I have no idea what kind of explanation the meteorologists are trying to give for us breaking even the 1980s record and probably an all-time history record of Texas. I feel so sorry for all of the livestock, wildlife including birds, strays, and pets of unspeakably cruel owners who are keeping their animals outside right now. Michael, what are your thoughts on the heat in DFW? We live very close to each other. It is reminding me of the exact reverse of the unprecedented ice storm we had. Two extremes, two record breakers, and two times since the election. If this is foul play, I cannot imagine that Trump and the White Hats would allow this heatwave to happen for this long of a period.

The latest term being used I've heard, is "Global boiling". We don't watch MSM either, so I have wondered if the odd and record breaking temps and other conditions over the last few years have been influenced by manipulation of our weather in general.

We are at war with these anti America commies, its a silence war. First it starts with censoring then forcing dangerous jobs against our will and taking our liberties piece by piece. For years these commies have been attacking our 2nd Amendment a right to defend our selves. These commies disregards our Constitution while destroying our country's history and bringing in the the third world so we can be like the third world living in poverty.

O-Barry once said many years ago he wanted to Transform America and many of us who were awake knew what he meant by it and still millions of sheeples voted for this clown. As for the news media they are not our friends, for decades they have been lying to us and covering up for treasonous people. Its time that the average joe wakes up.

Get ready a new virus is coming so says the WH0, ironically just in time for the 2024 election, can any say vote by mail? I guess the first one worked so well they are going to do it again. Which is no surprise to me and the first one was no surprise either.

Last edited 1 day ago by Just Me

Yes, a certain large Left Coast city which I will not name here, even years ago. I figured out they were cheating when they sent me a notice my conservative-leaning mail-in ballot had been "invalidated."

Election fraud has been empowered with mail-ins and digital machines, but it has actually been going on for many decades. Wherever there's an incentive to cheat, it'll happen.

Last edited 1 day ago by truth is stubborn

Yeah, Washington state has been voting by mail for at least a decade...Oregon has too, and they have had their elections rigged ever since...no Republican has had the Governors seat ever since.

Voting by mail was meant for the Military over seas. Now its being used for to steal elections with the help of those useful idiots who works for the Post offices.

It would not have mattered who anyone voted for. Obama was selected and his opponent was McCain. They had us trapped.

This is why this movement is so powerful. It really IS God's plan and only through Divine intervention have we been saved. Thank you everyone who have been the eyes, ears, hands, and feet on the ground for God's plan.

You didn't get saved. Trump is about to go to jail. That must be God's plan!

All is being expose, those sheepels who were asleep can see for themselves where the democrats commies are taking this country. And those who did not like Trump back in 2016 can now see he was much better for the country than this senile old Trojan Horse old joe.

Back in 2004 when Bush vs. Kerry were both running, I did not vote I sense both were not good for the country and I was right. The same with Obama and McCain I did not care for either one of them and did not vote.

Thank god you all know better. I'm thankful 43% more gop voters died than dem voters died once the vaccine was available. Good job gop!

If secret service and corrupt cops stand idle while children are being escorted into the Obama rape and death chambers we ha e to also conclude many of these so called trusted men and women with guns are just psychopaths too. Just my opinion considering how many have zero qualms raping a child.

Not as psychopaths but as accessories before the fact; meaning whatever they do to punish the catamite lover, they're going to do to the LEOs and Secret Service agents protecting this sicko and covering everything up.

All of them are probably COVID Shot addicts. Medical experts have revealed that the real purpose of the COVID Shot is to inflict an irreversible slow motion lobotomy as the spike proteins penetrate the blood brain barrier and form clots in the capillaries of the brain and destroy the surrounding brain cells. The brain has very limited recuperative abilities and can not regenerate brain cells. These soldiers are irredeemable and should receive the death penalty.

Jason Miller saying he didn't want to be part of the "conspiracy shit beamed down from the mothership" is the funniest part of trump being indicted.

Obango was not indicted for leaving behind 4 Americans in Benghazi after they beg for help. Left them fighting on a rooftop for 13 hours and ignore their pleas and so much more treason of 8 long years. I trust God will judge this POS of a girly man.

The only reason they are after Trump is because he stands for America and the citizens! He is not part of these Hood Rats who have sold out the country.

Last edited 1 day ago by Just Me

Oh no...He wasn't indicted! I guess the GOP didn't have enough to indict after 800 hundred interviews. Too bad! lol

Meanwhile 8 Trump officials have been convicted lol!

Donate more to Trump. The billionaire needs legal bills paid! lololol

Yes convicted of made up bullshit, but old hair sniffer and his crack head son get a free pass.

Awww...maybe someone should indict Biden for those misdeeds. Until then, I guess he didn't commit any crimes

Yes perhaps dead but those actors taking their place are still causing chaos and destroying our country. They too need to be arrested and charge with crimes against the Constitution and the citizens of our country.

Yet n0body is arresting or impeaching Dems, just the guy who tweeted his way through crimes. I wonder why

What gets me is the hubris of these people. They obviously didn't think someone would warn the White Hats. Everything was out in the open. The local cops and sheriffs were either bought off or lied to. I can't get over how little caution they used. They obviously thought they had protection. And look what happened to them! They are going to die for their stupidity and pride.

This one hits close to home. I was born and raised in Northern NY one mile outside of Fort Drum in a little town of Black River. Great place to grow up if you like fishing, hunting, trapping, camping all outdoor activities, something the younger gen isn't into as much any more.

As for the article I think the soldiers should be reprimanded. They are people who just wanted to kill easy innocent people. Dishonorable discharge at the very least.

Being ex-military I would have been kicked out if they had ever asked me to train to kill Americans in their own homes, for that matter anybody in their own homes.

People in their own homes with their families are not a threat to anyone.

The soldiers wanted to be killers and nothing more. There is no Honor in killing innocent people in their own homes with their families and then robbing them. Never saw that line in my Oath.

I do believe that they are doing this in a lot of places through out the US. I would put money on it if they check out the State of Michigan where Gretchen Whitmer is out of, they will find more small places

for training the soldiers for the Deep State.

Anyways good article but sad to know that our American military is willing to start shooting their own people no questions asked. They should ask the soldgiers to kill their own familie members first to prove they believe in their boss Biden.

If they planned and trained to kill innocent American Citizens they deserve nothing other than the death penalty. Such actions are treason against these United States, the People, and our Constitution making them an Enemy of the Republic. One answer, and a permanent one: hanging by the neck until dead for every single one involved.

This is exactly what FEMA wants to do to us under Biden and Criswell.

Mobarakzadeh is definitely a Persian name from the extreme Islamic Republic of Iran.

Just another proof that the muslim extremists are working hard to destroy America from within, just like they always said, that's their main goal.

To destroy America from within.

That's what Lincoln and MacArthur warned us against. The enemy within.

More good news!

Thanks Michael. You and your Real Raw News updates are the highlight of my days.

How sad for you.

All of this is fake and most certainly not news. It's made up nonsense designed to trick morons into sending this guy some money. There is not one shred of proof of ANY of these stories being real. Not one.

Show and tell us all that they are not real, instead of belly aching all the time. Michael would have been arrested by now, if these "stories" were not real. Reality is ALWAYS stranger than fiction.

How the fuck do you get off by watching the greatest country in the world being destroyed? You must be one of these fucks..I would love to witness your judgement day...drink as much ice water as you can now.. just a little advice

You get off watching our country being destroy by these evil people, I doubt you are a an American unless you are bought and paid for.

At first it seemed like it could be satire but if it were not true some of these important people could have already taken legal action to sue for defamation. Michael Baxter once published a letter he got from Gates' lawyer but the article stayed up and I never saw anything else from anyone. That's odd considering this is an information war and even their lawyers will probably be going down with them.

You can't sue people for liable or defamation unless you can show monetary or career damages.

None of these moronic made up stories qualify for that.

They're dopey comic book made up nonsense, and have no harmed or injured in any way the monsters he writes about so you can't sue.

I bet you cling on to everything NBC ABC CBS CNN or any other bullshit propaganda news outlet says. That's moronic Following there bullshit may get you killed. Wait until they start their euthanasia program to help reduce the population. To get to their green house goals for 2030.

Why, how can you believe any of this nonsense? The military is as corrupt as rest of the US government. Covid was a US Military led operation to gain control over America and slaughter millions of Americans. The military time and again has failed to support and defend the Constitution as in their oath they on joining against all enemies. Joe Biden runs a massive money laundering operation with his son the White House yet they indict Trump and the military does nothing. These stories are untrue because no actual proof of any of it is ever given. No one is coming to save you, just pain and suffering that is coming that people will have never experienced before.

He is still a trillion times better for this country than the child diddling, child showering, child stroking, child sniffing, Joe.

How so? Did killing 43% more GOP than Dem voters after the vaccine was available make him better?

He pushed the jab (which you hate), the economy was tanking, fired nearly every person he hired (he hires only the best!), and he only built 47 new miles of wall which Mexico didn't pay for...AND HILLARY DIDN'T GET LOCKED UP.

the corruption is deeply entrenched, 8,000 plus stay-behind O Obamanazis...

President Trump's achievements are legendary and will be even more so when all is known.

When taking on an entrenched criminal network of falsely "authorized" enemies of the state supported by "TV"

it is not possible to undo all of that (including you and your treachery) criminal filth in four years while under constant personal attack.

May you reap ALL that You deserve you misrepresentative lying troll.

Last edited 1 day ago by whateverfloatsyourboat

Which achievements were legendary?

Was it the 47 new miles of wall? Was it when said wall fell over? Was it when he wouldn't let a ship dock because it would increase the covid count in America? Was it when he didn't lock up HRC? Was it legendary when Mexico didn't pay for the wall?

Trump is a better man than what you will ever be. Obango was no model citizen, this POS committed treason from day one. First thing he did was to apologize to our enemies for America. That alone was a red flag that the useful idiots overlooked including you.

You "love" any opportunity to mis-represent what is easily recognizable and understandable to others.
You are a lying shill.

Everyone knows that the system of injustice under the current (and deeply-entrenched) Nazi regime indicts HEROS of the People whom they have not been able to undermine with all of the rest of their criminal abuses of the privilege they currently employ.

Severe Corruption of the Government is "Why" snot-balls like you are able to spread your slime in service to their Lies.

You are ALL ("Oliver, Hank, Jim et al) People of the LIE!

Last edited 1 day ago by whateverfloatsyourboat

Yeah I understand your concern. The media shows the Q movement as a military thing, that they are organizing to save us but that was never true. The end game after all the pro/military propaganda was martial law, Trump supporters in camps, and the ds would destroy earth as we know it.

That's why no matter what your religion, PRAY 🙏. Only God can reach the people who have the power to do something.

you sure hate freedoms and art.

your the most fattest and dumbest and gayest stupid fucker on earth.

go support north korea wacko.

im not your friend or buddy. go to hades

As if they didn't censor enough? Plus Justin and Sophie are getting divorced. GOOD FOR HER!

No loooooong prison sentences....we do not want to feed them forever. This is war and treason is still punishable to the ultimate.

Oh but my taxes would pay to feed him. He's got plenty of money you rubes send him for his "PAC" (aka legal bill fund) so he can pay to feed himself

These guys were just "brownshirts" to their Rockefeller masters and when they were no longer useful, they'd be terminated too. I wonder how much they were paid off to go against their sworn oaths to our constitution...total traitors! Another item; CSM Nema Mobarakzadeh is of Iranian ancestry and might be a double agent, perhaps...

Incest is illegal totally in every state except for the states of Rhode Island and New Jersey where they are still not allowed to marry each other but can still legally have relations.

Good Work. We hope and pray JAG and the White Hat military have their heads in the game regarding California. We have had our water reserves drained to cause droughts, energy weapons used to start fires causing lost lives and countless damage, they are still pushing a dangerous vaccine, and Brown's Governor's Reorganization Plan No. 2 of 2012 calls for the removal and elimination of extraordinary numbers of dead livestock". p.108. They have also placed in the California Constitution Article 3 section 3.5 makes it illegal for agencies of California to declare a statute unconstitutional or refuse to enforce it for that reason.

"Sec. 3.5. An administrative agency, including an administrative agency created by the Constitution or an initiative statute, has no power: (a) To declare a statute unenforceable, or refuse to enforce a statute, on the basis of it being unconstitutional unless an appellate court has made a determination that such statute is unconstitutional; (b) To declare a statute unconstitutional; (c) To declare a statute unenforceable, or to refuse to enforce a statute on the basis that federal law or federal regulations prohibit the enforcement of such statute unless an appellate court has made a determination that the enforcement of such statute is prohibited by federal law or federal regulations. [New section adopted June 6, 1978.]"

"The soldiers also pledged allegiance to Joseph Biden..."

Rhetorical question:

If Dunbar and Mobar and these 250 soldiers knew beyond doubt that they were actually and literally pledging to lay down their lives to preserve and perpetuate an agenda of evil, including rigged elections, gov't corruption on all levels, and also: human trafficking and slavery, mass genocide of humanity and Satanic live cannibalism of children by the elites would they still do it?

It certainly makes you wonder doesn't it. Unless the idea of such power over other people has blinded them, I would think they wouldn't!! Of course, I would guess these are weak minded individuals who think they would really be doing a great thing for their dog pResident. Joe Biden is basically an animal hooked on the blood of tortured children. His day is coming.

I agree. I think he's hooked on adrenochrome. Could explain the possible 'misdiagnosis' of dementia? On a side note...anyone else see they detained Dr. Ronny Jackson in Texas??

I'm glad the girl lived through all of that mess! The police seemed to have two modes. Either they were not there or they were totally incoherent in rage mode. Hmm 😞. I wonder if this kind of thing is helping to destroy their public image? There really needs to be a change in the way we train our police officers. A big change. Protect and serve immediately comes to mind. Mutual trust is virtually unheard of in this day and time. Gone are the heroes on the street corners who would help you when you needed it. It's as if that never existed. I remember when they would come on the children's television shows and talk to them about safety in public places and such. We as kids looked up to them as our friends. That left a long time ago.

I like that, too. I was taught to respect LEOs and call on them for help and I have; they were so nice and helpful to me, I did not grow up learning to attack them like Antifa or BLM or these crazycrat politicians like Lying Biden, Heels Up Harris or brosband-hitching Omar all do.

The man with the wife and three kids who got yelled at by a lawman trying to save somebody's life?

He calls it his "candy." Have you seen the video of Briben in a crowd at some function and this lil boy goes up to him and discreetly puts something in his hand. Joe looks down at it and it was a small vial of

blood. COME ON' MAN!!!!

There not retarded, they knew. Or,as I suspect this is another BS story 🙄. I wish at least 10% of what is on this parody site was true.

There are muslim terrorist camps upstate NY as well.

Please tell Gen Smith to clear them out as well... They also train with live ammo.

FEMA camps are a place for whom ever is in power will use them for their enemy, Its a rotating thing I believe. The winner of war is the writer of history. Lets be on the right side of history

Jimbo got blocked again? You must be using a VPN to have different emails and accounts. However, we still know its you.

Can you blame the Middle East for hating our guts? Bush blew up the Twin Towers and blamed them and then brought them an endless war to fight. Why are we mad at them? They didn't do what we accused them of doing! We have given them a lot more hell than they have given us in return. I hate what the Bushes did both to the world and our government. Before GW Bush our Congressmen and Senators listened to us and actually tried to help us. After? Not at all. They were passing bills that would prohibit us from growing a family garden! That bill did become law and it can be used against us in the future should they so desire to do so. The Supreme Court could get rid of it if they still exist by the time they use it. I truly hate what the Bushes did to the entire world. JEB! is coaching DeSantis for his presidential run. What does that tell you about DeSantis? He is just another Deep State dumbass. If they try to "install" him as the Primary leader over President Trump we need to know what is going on and be prepared for it. What if (and I don't believe they will be able to do it) they are able to keep President Trump from running? What do we do then?

Jeb, I suspect is a sex offender, I wish I could prove it. Something just bothers me about it. If true, he needs a tribunal. If not true, I stand corrected.

Simply done. As a RN I injected saline solution to my patients with them believing it was for covid. I did so because I believe in saving humanity.

Many would have appreciated that not to lose their jobs with mandates. I have mixed feelings, but at least YOU didn't directly harm anyone. 🙏❤️🇺🇸

How did you get away with it? Don't they check supplies against records showing usage?

All they would have to do is empty the bottle of poison in the trash can with a syringe and use the saline in its place. Or they could pour it down the sink drain. I don't think it would be too hard to pull off.

In the case of this poison, I applaud you!! It would have been really bad for you if those demons had caught you. You saved a lot of lives, so I consider you very brave.

Thank you. A friend got just the first one and think she got a saline shot too. Bless you brave and inventive lady, saving lives, walking the line. When all is said and done people will be listening to your story.

I don't know what to Believe anymore, these stories are Getting so stupid anymore, that it's very hard to believe 1/2 of it, the stories seem to be not believable, a good story makes a good story when there's pictures involved and video, this is just like any of the news sources writing a story and they want you to believe it, you have the Q coding but you don't think they can figure it out too, but yet you have no pictures when they could just say it's fake so why can you people just put pictures and videos on there which makes no sense, what's the difference between telling everybody who's dead and

who's not or who's hung and who's shot? It's the same story line, I mean the website gives you guys away in the first place, so why can't you just put pictures and videos up what's the difference, I mean the plan's are over whatever you guys got done so how could they stop you from doing it? All this stuff has been done months ago every time it's on here this is what we were told, I guess it's just too hard for you guys to have a video grew.

No, its just an entity that grew up watching cartoons believing that Scooby Doo was real

Even what you see in the media over at Mox and MSDNC with video is CGI generated, not all videos and pictures are real. You must be in your early 20s or else no fool would asks for something so rediculas. If there was video, the entire world would see it, if it would get into the hands of the people were trying to eradicate, they would quickly eradicate the good guys. This is being done undercover, so that the people that are not awake dont panic.

Don't expect the news media to give you any truth! The Deep State Hood Rats will use clones and actors to accomplish their dirty deeds against the citizens of this country. You are a fool if you think the news media is honest. I do not care what they report, half truth and mostly lies. They covered up for Obango, Hildabeast and most of these traitors.

Reminds me of the flag presentation at my dad's funeral. They changed the wording from a great nation to president Joseph Biden. We were so upset that the soldiers had to word it that way.

That's incredibly disturbing. I'm sorry for the loss of your father too. 'May he have received his real honors on the other side. 🙏

Oh no, I'm sorry. I didn't know they did that. This man is no better than Hitler to dishonor your dad like that.

IS THIS WHAT THEY SAID TO YOU?

“On behalf of the President of the United States, [the United States Army, the United States Marine Corps, the United States Navy or the United States Air Force] and a grateful nation, please accept this flag as a symbol of our appreciation for your loved one’s honorable and faithful service.”

download .militaryonesource. mil/ 12038/ MOS/ Brochures /MFH-FlagPresentationProtocol- Brochure.pdf

OR DID THEY SAY THIS?

“As a representative of the United States Army (Air Force/Navy/Marine Corps/Coast Guard), it is my high privilege to present you this flag. Let it be a symbol of the grateful appreciation this nation feels for the distinguished service rendered to our country and our flag by your loved one.”

I have trouble too, Call him the other paedodent, that’s what he is. That’s why he and paedo Joe get along so well even when they aren’t getting along. Denis McDonough and Hunter Biden admitted Paedo Soetero pulls all the strings.

You mean buttfucker. There, I fixed it for you. I actually should say buttfuckee, as he is definitely a bottom.

i no longer call anyone president anymore. maybe a few remaining good dead ones. Abraham Lincoln, George Washington and some other one.

Stop besmirching Abraham Lincoln. He freed the slaves and made it possible for people of color to live freely. Any president doing that should be honored.

Are you saying the holocaust was not real? Who is the Great One? Some of you people get waaaaay off subject and say ridiculous crap!!

Glad to hear they are weeding out the traitors in the military. Keep on keepin' on. God Bless our White Hats.

I bet that is only 1% of them. What about the 400K Chinese 20 year old men who Byedan and O'bummer allowed over the cartel run border about a month ago? They were shipped to Panama and a 100 buses drove them to the Mexico/US open border. Pray warrior. Pray. George Sorrows paid for it? or CCP? Shakin' hands with Byedan the trader.

Soros definitely paid for it, we are all awaiting news of his tribunal now.

These people seem to have no sense of respect for the Constitution, Americans, Godly morality, nor right from wrong. The level of depravity of Deep State Democrats seems almost unfathomable. Literally, in the wrong at every turn. Good job, fellas.... We are so glad you are doing such a good job of rounding up the 'gone crazies'.

Yup yup yup if Hunter or Joe did bad we should investigate. Immediately!

But any investigation into Trump, well thats gotta be the deep state.

Bottom line is if the “The level of depravity” is so ingrained in the deep state (or democrats) should there be any investigations? At any level?

As my great grandmother used to say whats good for the goose is good for the gander.

So I see you are here to speak for the DS. Try not to trip on your way out!!

I'm not worried about the fake indictments. I believe the Navy will keep our President safe. The “Justice Dept.” Has gotten so ridiculous, I suspect this is the good guys allowing the bad guys to expose themselves.

Hope the White Hats have their eyes on AG Dana Dyke Nessel, as she is on a roll in Michigan. Matthew DePerno, who was endorsed by President Donald Trump, and lost to AG Democrat Nessel & former Republican, state Rep, Daire Rendon, have been charged with undue possession of a voting machine & conspiracy. The dyke, Nessel, has a bad habit of targeting & persecuting her political enemies. Last month, Nessel announced felony charges against 16 other Republicans who signed & submitted a certificate “falsely” claiming that Trump won Michigan's 16 electoral votes. Quite frankly, we are sick of this degenerate, filthy liar. She must really miss BIG GRETCH, the other bitch.

She is dead, and if the dyke bitch doesn't watch out, she could be next on the tribunal list.

aha Finally found it – I read recently about Ridge Runner annual training in West Virginia near Ft Dawson but is all of it year round legit?? There are pics where the participants are plain-clothes and not patches, id, or uniforms. Whole towns are used with areas marked off for certain activity but the range is 500,000 acres. Police, town officials and roleplayers-actors are included. They are

practicing civilian detention etc in the US and the list of previous participants and the focus raised red flags for me despite the detailed explaining- or maybe because of it..

The article even provides an excuse for the Boston incident when their detained target turned out to be an innocent bystander case of mistaken identity SUPPOSEDLY "negative attention in April after Army Green Berets and members of the Federal Bureau of Investigation (FBI) accidentally detained an innocent civilian in a botched raid in a Boston hotel."

Your article reminded me that I had mentally flagged it for further investigation.

All 250 soldiers involved need to be arrested and then figure out how they were lead into it, they violated their oath of enlistment and are guilty of treason against the American people, no forgiveness

Excellent work white hats! Thank you!!!

The deep state is called the DEEP state for a good reason, this shows how corrupt they are, turning us against each other due to beliefs. Pure evil.

These militia groups are important to find because they can take on a life of their own even with their commanders gone. It's that cult mentality that makes them blind and that makes them extremely dangerous.

Michael .Please keep up the good work.. And Promise to stay healthy.. It is good to know that some is watching for all of us.. Thanks so much for all your patience with us..

Professor and Doctor of Medicine Sucharit Bhakdi conducted research that proves that Trump's COVID Shot damages the small capillaries in the brain, overrides the blood-brain barrier and leads to massive personality changes. Psychiatrist and Doctor Peter Breggin states that there are disturbing parallels to the effects of a lobotomy.

It wasn't Trump's vax, he was just as clueless as the rest of us, it would be more appropriate to call it Bill Gates' vax, Anthony Fauci's vax, or the cables vax even. A lot of things were done nearly blindly, but it seems that Trump and the white hats have their eyes wide open now, in fact most of us do now. If you took the vax then you can blame yourself, Bill Gates, Fauci, Pfizer, Moderna, the DoD, DARPA, most of Washington DC,...

Trump brought out the vax early so the dark Pharma could not have time to ready all the batches they were going to. Trump saved lives.

Additionally, they were not able to get Draconian laws passed in time ~because they were rushed~ which would have "legally required" the shots. This would have led to conservative Americans being arrested & FEMA death camps would have been the result. Millions of our lives have been saved.

Everything mentioned about Trump is true! And most definitely this shot does not carry Trumps name on it, it was the deep states depop jab, Sure he told you to get vaxxed. does not mean a jab. He said bleach which most people have no clue of what Chlorine Dioxide Solution is. CDS is a water purification element which kills parasites and eliminates toxins. That is why "they" made it seem harmful, they did not want it used because it would help, just like ivermectin.

Ivermectin is a dewormer used in mammals/livestock. Guess what, we fall into that category, Hydroxychloroquine, also a simple fix that is made from citrus fruits and tonic water. All simple, effective and cheap. This was Trumps vax that they said was no good, but there

are many testimonies out there that ivermectin saved lives as well as the other 2 natural protocols. How did the jab work out? Gratefully, not as good as they had planned for us and Trump helped to screw up their depop plans.

Was He ? “Whenever the people **need a hero** we shall **supply him.**”

Do you have a link to this talk by Dr. Bhakdi? I have heard him speak, but not of the mental/psychological effects. Mind-blowing (no pun intended).

(Disagree calling it Trump’s shot.)

These shots appear to have lowered IQ by at least 20 points. Those given shots were given RFID chips. These can be used to telepathically in some manner induce thoughts. There are numerous patents for psychological warfare like this.

I also disagree with calling them Trump’s shots. Trump wanted HCQ & Ivermectin to be given instead. Bill & Melinda Gates had already disabled, maimed, & killed many people with various previous ‘vaccines’ in other countries in Africa. All done without any sort of medical degree. Dr. Fauci, ‘The Science,’ had in fact never had a single human patient during his entire child~trafficking & beagle~torturing career.

Remember AZT? Fauci concocted that vax and it was given to children years ago.. 😞 research it ✓

You mean “The Fauci ouchie”? Trump is not a doctor nor a scientist, remember hydrochloroquine and ivermectin, how Trump suggested they were the answer to COVID, how haters poked fun and called

him names for even suggesting a wholesome answer to the COVID plan-demic. Yep I remember.

xactly! The response from the coronAmorons that begged to be jabbed took the jabb and literally became the internet of things. ALL so called disease(s) origin come from parasitical growth/overgrowth in the body. The things that actually worked were from natural protocols. CDS – water-purification, ivermectin – mammal dewormer (kills parasites) ie we are mammals and hydroxychloroquine – citrus fruit and tonic water that contains quinine which is easily made. Cheap simple and effective protocols. Cancer' precursor is Candida Albicans which has been weaponized/gmo-ed to overgrow the intestinal tract and go to all parts of the body. Sugar feeds Candida, a yeast, Corn syrup made from gmo corn is the perfect fuel because the carbon cell from corn is "identical" to our carbon cells. Do you see why its all one big circle jerk when the true parasites in big AG, big Pharma etc... all working together. Reminds me of the 3 stooges skit when they were exterminators. They would knock on the door and ask the potential customer if they had pests they wanted removed. They said no, so they seeded the household with mice, ants roaches. Then the stooges would go back a little later and they would have work. This is exactly what happened in real life. Elite stooges of satan picked up on this.

It doesn't matter that trump called himself the father of the vaccine and told his supporters to take " his beautiful vaccine" .

They still won't believe it.

They only believe trumpty when it's things they agree with like him locking Hillary up or building the wall ..

Basically you're dealing with the lowest of low IQ here mostly.

You've done some good research, amigo. But you should know that the shot developed by Tr*mp contained Vitamins, C, D, B12 as well as HCQ. An immunity booster and cure, not a vaccine. What you are

describing is the clot shot patented in 2015 and developed over 5 years to sufficient quantities in order to end/control 75-90% of the total population. It had to be stored at sub-zero temps to keep the graphene oxide nanos from assimilating. So, two different shots. Tr*mp's shot forced the D33p St4te's hand to release early thereby spoiling their plans of gen0cide. Another piece of the puzzle for you.

Thank you MB for writing this article of information, only what we need to know, thank to the white hats. Trust the plan. Trust the military. GOD WINS.

WWG1WGA. NCSWC.

WOW Just WOW. But it doesn't surprise me.

 Thank-you to the greatest military in the world ~ the United States Military.

 Thank-you for protecting
"We the People" from all enemies, both foreign & domestic.

They have already lost the battle and moved their last move.
Their resources are also depleted.

Now, it's time to clean house.

The court cases will serve to expose everything and are run by the White Hats.

Have no fear. Don't get caught up in its mongering.

We're in a for a bumpy ride for sure, but that almost always comes with great changes. We are in a time of SHIFT.

Go get some popcorn, do the best you can to relax and watch the show.

I know that it's for a reason, but I'd like to point out that many of the stories in these articles happened well before the dates given. So, when you read them, please, keep this in mind.

Vyjádřete obavy, že existuje mnoho PRAVÝCH malitických skupin, které, jak doufám, nebudou nějakým obráceným způsobem ovlivněny řádnými legálními kroky proti těmto Trumpovým nenávistníkům.
