Sbor soudce generálního admirála amerického námořnictva bude příští měsíc společně soudit 165 vojáků Fort Drum v Camp Blaz za přijímání úplatků výměnou za nemístnou loajalitu a přísahu na podporu a obranu podvodného prezidenta namísto ústavy

Spojených států. Oficiální obvinění zahrnují zanedbání povinnosti, napomáhání nepříteli, spiknutí za účelem spáchání povstání, spiknutí za účelem bratrovraždy a zradu.

Pokud budou společně shledáni vinnými ze zrady, budou skutečně oběšeni.

Společnost JAG zvolila současnou cestu, protože náhlý příchod 165 nepřátelských bojovníků vytvořil logistickou noční můru a protože zkoušení 165 vojáků, specialistů a seržantů jednotlivě by zabralo věčnost a spotřebovalo by prostor cely potřebný pro „brzy přijíždějící VIP“, zdroj z Campu. Blaz řekl Real Raw News.

Blazovo zadržovací středisko má 360 obyvatelných cel, ponuré kamenné boxy s postelemi z ocelového pletiva a modernizovaný blok cel s některými vymoženostmi s minimální ostrahou, bílými límečky, federální věznicí – rychlá lékařská péče, centrální klimatizace, chutnější jídla. , robustní knihovna a žádné vodní stravování. V obou případech zůstávají vězni segregováni.

„Žádné společné stravování. Žádné společné cvičení. Žádné společné sprchy. Nechceme, aby se tihle slizové spikli k nepokojům. Hezčí cely rezervujeme pro vězně, kteří s největší pravděpodobností spolupracují, víte, kluzké lasičky, které by křičely bolestí, kdyby si píchly palec u nohy. Právě teď jsme blízko maximální obsazenosti,“ řekl náš zdroj.

Ačkoli Blaz, který White Hats zabavili začátkem tohoto roku, prošel podstatnou rekonstrukcí, personál nebyl připraven ubytovat v krátké době dalších 165 lidí. Kromě vojáků odpadlíků jsou mezi Blazovými současnými hosty zdravotníci milující očkování a mnoho ze 175 nejmenovaných vězňů, kteří dorazili lodí v květnu.

"Kdybych zavolal výstřely, vzali bychom ty nemocné, pedo a zrádce 10 mil a všechny je hodili přes palubu." Sledujte, jak se plácají ve vodě,“ řekl náš zdroj.

Dodal, že admirál Crandall se rozhodl ukrýt zrádné vojáky u Blaz.

"Vzhledem k tomu, že všichni čelí stejným obviněním a budou společně souzeni, to je to, co admirál chtěl," řekl.

Podrobně popsal hodnosti vojáků: 56 PFC, 90 Spec-4, 15 E-5, 3 E-6 a neukázněná E-7, jejíž neúnavné požadavky na rozhovor se svým velícím důstojníkem nebo Lloydem Austinem nutí personál zvažovat, zda zabít. a roubit ho, dokud se nebude konat soud a vynese verdikt.

Všichni zadržovaní kromě jednoho zůstanou ve svých celách, až kontradmirál Jonathan T. Stephens bude předsedat případu, který jistě prověří jeho schopnosti. Jeho prokurátorské zkušenosti u vojenských soudů se omezují na případ JAG vs. Zucker, za což získal odsouzení, ale nikoli rozsudek smrti, ve který doufal.

Zmocněná osoba bude sedět vedle obhájce jmenovaného JAG a bude mít příležitost zpochybnit důkazy a vznést příslušné námítky.

"Nevejde se nám 165 obžalovaných u soudu - byl by to shluk***," řekl náš zdroj. "Škoda, že nemáme 165 šibenic, abychom je mohli oběsit současně," řekl náš zdroj.

Ringmasteri vojáků – major Dunbar a CSM Mobarakzadeh – budou souzeni individuálně v termín, který ještě nebude určen.

Like to know what's happening at Tierra Del Fargo, aka Hollywood Roach Motel.

Recently seeing random YouTube shorts of George Clooney, Brad Pitt, John Travolta, Sylvester Stallone, Will Smith and Bruce Willis and others.

Subliminal messaging?

You can't make this stuff up—You know how they do interviews on the beach and ask questions—I just saw this video and 3 girls that go to UCLA and asked them what ocean was on the East coast of the US—none could answer the question—now I only post this because of how they picked these young men to serve in military as black hats—it is hard to believe the ignorance of people today especially the young one's—

All the Power of the Holy Spirit go to the White hat operators and Q team. I pray for the destruction of the new World order and the rising of the golden age of Q

It's strange I search Google maps for Camp Blatz on Guam gets no results on the map. I have to go look up the town it's in and see it's in North tip of Guam. The base is there but there is no marker or address pin for the base. it appears Google doesn't want you to know anything about the place.

Fema mobs on the ground taking what they choose treating the population how they choose. Local police ALL IN takin the money and defending the Democrat way at all costs (The Cable bill needs paid ya know! Just follwin orders so I can get muh munny)

Fema is able to pretend they have something to offer, but they really don't give a shit. People show up, and get abused or quickly exit as they are treated like cattle that needs to be probed. Same thing with CPS. I used to think they were ignorant only to find out later it was some of them ignorant and hidden horrific evil with ignorant ones in the mix. HOW is it they can hide their evil from coworkers. People allowed themselves to take orders for the paycheck and didn't worry about it further. It's like a wife that doesn't know where her husband is getting the money she just wanted to marry into.

Reading all this brings two thoughts to mind. Number one, you are addicted to fantasy violence as much as the most rabid porn consumer. You would spend every waking moment reading it if MB could churn out enough.

Number two, you pray and profess belief in God like the most fanatic Bible Belt preacher, but you pray for the torture and death of other humans. Which leads me to believe that God washes out his ears when your fetid prayers reach him.

Wow...you act like you don't spend all of your time here making snide hateful comments. You seem to have a lust for violence yourself. Before you start condemning others for wanting to see all these traitors taken out, sweep up your own back yard. I guess we won't be seeing you here anymore since we are all rejoicing over these "innocent" traitors deaths. We aren't rejoicing....we know this is the only way to rid this country of demons.

Super sad that my comment pointing out how silly and ridiculous this story is gets the “waiting for approval” treatment.

Echo-chambers are bad on any side.

A post of mine likewise.

I don't whine and cry about it like you Deep-State shills and agents do.

So everyone who knows these stories are ultra stupid and no even close to being true are “deep State shills and agents”?

Thanks for proving how stupid and crazy you clowns are on this site, traitor.

Why haven't they put us in FEMA camps yet? I have been hearing about these camps for 15 years and I haven't seen one.

You must have been asleep.

Reason is they have been getting their arses kicked by the White Hat Alliance, with Trump as the figurehead. Most of the underground bases have been wiped out and destroyed. Up above, the Alliance has wiped them out in this Gateway Area, so that we just have the minions running around, still following their old orders and making others do the same.

All the Adrenochromers have either been poisoned by tainted doses or they cannot get hold of any, and that is just as good as the killer dose.

Here is one of those FEMA Camps, floating on the water.

Well, it is not floating any more.

If you wanted to know more about FEMA camps, why not take a look at the RRN summary?

realrawnews.com.

com/fema-mandate/

Or you could spend some time looking yourself through the Internet (you lazy dog).

geopoliticalmonitor.

com/us-fema-camps-emergency-intervention-020/

If you see no evil, take your hands away from your eyes.

Yet, no one has ever been to a FEMA camp...My question remains unanswered.

Calling someone a lazy dog and posting links without specific evidence doesn't help either.

Like, Oh look – there's a boat that sank. I guess you can't go to that FEMA camp now!

I agree, these people were going to have a mass execution using guillotines on Patriots and Constitutional abiding Americans. Every FEMA Camp is next to a railway route a la Auschwitz. The Satanic Cabal that has hidden itself disguised as Jews, they think nothing of mass death so they should be treated accordingly. Not all Enemy Combatants have to get a trial. Military Law is tough and there is a reason for it, look who they're dealing with.

Hey, fair suck of the sav, mate!

Michael Baxter is a Hero of the People. He has single-handedly brought the epic saga of the legendary White Hats vs the machiavellian genocidal Black Hats to the world!

And in case you haven't noticed, FireDog has a *Galactically oversized butt* – so there's every chance we might be dealing with a **CLONE!!!**

It all my fault.. for pointing out what a disrespectful piece of shit he is

Taking them out to sea might be the quickest- When will the round up of Capstone FEMA players occur?

IMHO, Austin may be working for the White Hats to expose treasonous US Military, and Austin is ferreting them out.

Quite possible that many we think are black hats are covertly following a script, possibly replacement actors themselves, bringing the bad guys out in the open, far from their hidey holes.

IMO, and it's quite possible, you two are literally babbling nonsense to each other.

If you have the evidence, hang them high, take lots of pictures, then feed them to the sharks. Please find out who used DEW on Santa Rosa, CA, Paradise CA, and now on Maui. Please find them, stop them, HANG THEM!

Lot's of satanics on farms out there. Migrant vineyards means human trafficking. It was the only way they could afford to stay in the USA. IDK what the evil was in Paradise, CA. I never went through there and for a long time it sounded like DEW created injustice happened. Now IDK.

Lahaina, Maui just burnt out. I'm sure was full of evil. Evil people go someplace like Hawaii to feel good. Including evil doctors. Many don't know they are evil or know and haven't figured it out enough how evil they are. I wondered before why it can't be made more clear to them. I found out listening to videos a lot of them just realized the ruler of this planet would give them a good life if they just do the evil and join that side because it was in power.

I used to hear if you kill one demon 7 more come to take it's place. Now it sounds like the more demons you kill the better it is.

I see evil people working the system at jails, mental hospitals, board and cares, and doctor's so evil they are mind boggling. Some doctor's consider themselves triage experts and sending hopeless

people onto the next life. I wondered why the military doesn't have an 'evil person found' phone number for this crap. People that worked for the system wound up evil to support a mill where they just follow orders. They assist murder doctors and don't generally know it. They believe in science and they got the worst of 'don't give a shit doctors' not the science.

For 60 years everyone has been taught that you are not responsible for the choices you make. That is a lie! It is obvious the indoctrination has been very effective on getting people to make excuses and blame others rather than own up to the choices they make.

"That poor young boy from the inner city, he is a victim. You should not hold him responsible for his choices." What is wrong with you people?

You are going to be held responsible for every choice you made when you face your creator.

Learn what you should have learned in the government propaganda schools and realize you have no excuses. You can justify all you want, but you are still going to be held responsible for every choice you made.

Those scum had the opportunity to find out what was the right choice before making it.

They made their choice for the money. Judas did the same thing. He was not given a free pass.

@Jack — Correct. Jesus commanded, "Everything you say, and do, shall come back to you." Judgment Day will be painful for two-thirds of humanity.

There were 250 arrested, yet only 165 sent to camp Blaz. Wondering how they determined who would not be tried with the group and where are they now ??? 🙏❤️🇺🇸

@Rebecca Tracy — After the 250 Military arrests, 85 recruits talked, whereas 165 still won't talk.

Can we assume that most of these 165 to be prosecuted were recruited out of Democrat crime-filled inner cities? This might explain their willingness to attack and murder Trump supporters. Seems to be a systemic problem already.

I would think that when they built the gallows, they would have built them with the ability to hang at least half a dozen at once. Afterall, they are well aware of the number of indictments out there. That number is way too high to have gallows with just one rope.

6 at a time..... have a good look at the real White House back yard, not Bidens play-house?

@Dave — After POTUS Trump's inauguration, Military raided the CIA's headquarters and several offices in the nation — seizing evidence and destroying CIA's drug manufacturing centers — arrests were made and no doubt Military hasn't yet finished with CIA until they're extinct.

I see there are still a lot of uneducated stupid people here. Everyone makes their own choices. Just because they made choices without knowing if their choices were right or wrong does not change the fact they made the choice. They could vetted the information before making the choice.

All of us will be judged in the final judgement and there will be no excuses then.

Learn to be responsible for the choices you make. You have no excuses. If you are not sure you know everything before making the choice research know what the correct choice. The fact that you have the freedom to do that means you are without excuse.

Those scum made a choice and are responsible for that choices. Stop with your garbage about giving them a break.

I severed so you stupid fucks could act this stupid if that is what you want to do.

@Jack — correct. NEVER give communists a pass — they must be eradicated upon their first action to subvert regardless of the event.

You believing these made-up nonsense stories proves YOU are the uneducated stupid person here, ace.

CNN is also fake news. Just like these stories are aimed at patriots, CNN aims their made up stories to liberals.

Learn.

Well, go find out the truth (first hand) and get back to us, eh?

I give you the truth every time I'm here.

Ready?

The republic fell.

They stole the election from Trump and will soon jail him on fake crimes.

There are no white hats, the entire military are traitorous filth doing the bidding of the oligarchy that controls this dead republic.

How's that? It's called reality.

You assume things. What I am talking about is the difference between people making excuses instead of owning their choices.

People here are making all kinds of excuses and thinking people with no education or poor education deserve a break on the choices they make.

You say these articles are fake yet you can't prove it. You probably think the stuff on MSM are true, yet you can't prove that either.

So, LineGreenYeti(fake name because you are a coward), Why are you here idiot?

If you don't like what I say don't read what I post. I will say what I want to say and you can react however you want to react. I served. Did you?

So FUCK OFF RetireIT!

United States with well over 300,000,000 people....mmmm seems to me 165 is not a lot when you consider the over 2,000,000 Biden has opened the boarder for.

That admin opened up the border deliberately in the name of democracy to unwanted ex cons from other countries. The devil always comes as an angel of light. It's interesting they think there's a place to go start over and get a great life after what they did, being their excess taker thinking is how they got locked up to begin with.

Just curious how the White Hats receive their pay. I believe all the military gets paid by the Department of Defense. I really want this to be true but I don't understand how they get paid or are funded. Without pay for the soldiers and funding for the facilities, there is no way the White Hats would last or for that matter exist. Also, it is the Judge"Advocate" Generals Corp.

Perhaps you should be asking, how do the black hats get their pay???

Since DJT has invoked his Presidential powers on the insurrection act, the government has been run by the military.....

@Bob — Correct. ALL federal agencies situation in Washington, DC were SHUT DOWN and are occupied by US Military.

Hi stupid! Learn what a "bot" is and stop using it because it's a term you don't understand.

I've already told you, like RRN, CNN is also made-up nonsense.

I'm an actual educated conservative Trump supporter. You and the people who believe this garbage are no better than CNN sheep.

lol, I don't know where you get your info but they are definitely not shut down. I work with them daily (when they actually are open and not closed to a million federal holidays).

Worthless fiat money!! When the time comes to cash in that money, the WHs will be waiting..

Besides the Cabal never gives anyone anything they cannot take back when it suits them..

@Gary — Legislation determined the Pentagon oversees wages. Military, veterans, and social security are the only current payouts since the Reserve was shut down — that's what is being reported anyway.

Reported where? You said the federal agencies are shut down yet approved payouts? WTF?

But the gallows will take too long..... if found guilty, just like them all up, shackled together and fire away! Traitors are traitors. Period.

These 163 gang of thugs are equivalent to the SS, or "Shutzzstaffel"; fanatical goons that serve Mr. money and power, plus traffick and abuse children...

I think the public is ready for tribunals and the appropriate sentences being carried out, lets put Rettig at the top of the list, make it the first public execution.

Retig's crimes must be made public immediately. Considering the attention the Biden's are getting for their financial crimes, it seems insane that Retig stealing \$40 billion of taxpayer money is kept secret. If the public knew about this, there would be pitchforks and torches taking over DC the next day. Keeping this from the public is a crime.

Sever the inoculated arms from the soldiers and stack them next to Biden's beach house in Delaware.

Lord, in executing the ones who have chosen evil, keep us from becoming as cruel and evil as they are. As angry as I am, especially after Maui, we need to humanely send these to G-d who knows all.

How do we get control of that DEW...Use it on Biden's Delaware mansion and his mansion across the street from his mansion 🤔

You already suggested this Col. Kurtz. Why don't you be the first to start sawing off kids' arms? Let us know how that works out.

We are on a very long reincarnated journey provided by God. Being an Earthling once, twice or more is just one small segment of our trip. We could have seen the flood or wandered for 40 years, Now,.... we clean our own house! For those 165 young traitors this trip is over for them, may God have mercy on their Soles. Remember, these 165 were protecting the Cabal and the Evil Elite..... and what they have done too God's little children.....

This life is more than just a read through. You only have one time to make your choice, then reap the benefits or consequences of that choice.

Good day, Nobodi ...Do some research on your brains Pinel gland or 3rd eye ...it holds the key to your past lives. God has said in the Bible this generation will remember their lives so the evil will not be repeated.

I don't wish for God to have mercy on their soles or their souls. However, if I had to choose between the two, then let God have mercy on their soles since I really have no beef with their shoes.

These were hired mercenary soldiers, falsely inducted under the auspices of the Communist Cabal Army, for the purpose of killing innocent patriotic American conservatives, a Treasonous crime. You've got to police your own, to be of one accord. Across the board, in whatever agency or force, wherever they are, the bad apples gotta go~ elsewhere. Take no prisoners. No mercy. Be done with them,

every single one. It would be good to have the EBS & the MSMedia tell the truth now, so that those whose hearts & minds can be turned back, have a chance. These are intentionally deluded people, though many do seem to carry the proclivity to sell their souls, & would do anything for the almighty dollar~ no matter how disloyal or immoral the action required of them. People ain't been in their right minds for awhile now, what with the shots containing Luciferase, & all the media propaganda Obama allowed. Putting people into this position straight from college is like getting proselytized into the Cabal or Masons. However, once turned evil, very hard to turn back.

Hang them ASAP and bring in the next batch. The SeaBees are going to be busy making and maintaining gallows. Thanks Mr B! Keep em comin brother.

I wish they could catch and execute every American, military and civilian, who has committed similar crimes. I bet that number is in the tens of thousands, if not more. Like Antifa and BLM for instance.

I think that not having real history & a true civics class in high school is coming home to roost. Service~members Oaths are to the Constitution. Period. Reason being, to protect We The People & America against corrupt government & foreign powers overreach. Israel is having American politicians sign a loyalty pledge to Israel? Excuse me? These men seem to have chosen money over morals, & political persuasion over good sense, & quite serious Oaths, in their desperate ignorance. The Constitution does mention enemies, foreign & domestic. This has been a real winnowing process, between captured, complicit, corrupt cabal propagandized people, ~~ & good, patriotic Americans with actual horse~sense.

Hello : Article to see : Hawaiï, Lahaina destroyed by directed energy weapon, Edward Hendrie, Great Mountain. I think this happens by Moï's Bourla.

Also, listen to Michael Jaco's presentation about this fire and previous ones, including info on 9/11. Found on BeforeItsNews. Horrific at times, but important to know what is, and has been happening all over.

Oath is to the Constitution, not to a President or a Party, or anything else. This is a fine point that can mean life or death for anyone sworn to serve. Be they civilian or military.

We who came here first, fleeing from Hitler, Mussolini, Stalin; We lost all our family left behind. Those of us who came here first, took our oath and became Citizens, a very great honor. Those generations of us born to the first immigrants, stand in their shoes, and echo in our hearts, "I pledge allegiance to the flag, of the United States of America, and to the REPUBLIC for which it stands, one nation, indivisible, with Liberty and JUSTICE for all.

Starting to think RRN is away to put deep states to pasture

EMERGENCY

From Hawaii and it's just not there

It is a toss-up as whether it's a White Hat op to empty the tunnels beneath many Hollywood types' homes in Lahaina, Maui ~~ or ~~ a Deep State op to try to turn Maui into a Cabal stronghold, with 15 minute cities & only electric vehicles allowed. Absolutely no one is saying China.

Myself leaning on first synopsis, obliterating labyrinths. 15 minutes cities, how about super max Alcatraz.

Seems like White Hats didn't take into consideration volcanic fistulas aka, veins, could say, vent holes. No different as fire emerging out of Sanitary and Storm sewers in California.

Hawaii, one gigantic substratum Lava Rock BBQ, harnessing and dispersing heat, in actuality a Blast Furnace.

My take, White Hats overzealous in spicing pasta sauce, too much Red Pepper.

All know, accomplished cooks screw-up meals just before plating by over spicing [the extra pinch], that's why there's a spice racks on tables or counters.

LoL.

On topic of onions, when making sausages and peppers, use white onions, not Vidalia sweet onions, common amongst non Italians. Also roast the peppers first, removing skin.

Mix-up the bell peppers, green, red and yellow.

Don't use supermarket sausage that's loaded with nitrates and sinew, go to Italian specialty store. Pick up quality balsamic vinegar when there.

Panini bread or Ciabatta is key with glass of vino while wearing guinea tee, doesn't get any better than that.

Bon appetit.

So what exactly is a 15 minute city? Let's see if you can explain it
xi sent them to root out the ccp sleeper cells so they don't go back to china and lead a counter coup

I agree, but it has a bad effect on our loyal troops... Somehow using a firing squad has caused deep anguish in loyal soldiers. Perhaps I need not understand, only know that the hanging rope does not cause mental/emotional conflicts for these, our hard-working sons. There will be many who are honorably judged worthy of death. We cannot choose gas chambers, if we have honor, integrity and faith.

Just bring in a few old timers [retirees] from Roy DeMeo's crew, the Gemini Method is the way to go.

In the zombies defense, they thought the extra 5,000 a month, was for letting the generals and their friends, have their way with them.

Welp, They are Regular Army,,, Isn't being Buggered by The Officers considered a "Perk"??

I'm going to email my nephew who works at camp blaze to ask what he can share

To everyone who is worried about security don't worry he obviously won't say anything he isn't allowed to he is very careful to follow procedures he was raised right

I spoke to him briefly and he just said he couldn't talk now they were watching "anchor man" but he is safe. I don't know what that means or if it's code or something

Lol your nephew will probably be disappointed to learn his uncle is actually dumb enough to believe this shit

Sweetie, don't pull an emotional string to someone who is doing his best to do his duty. Step aside, pray for him with all your heart, and let him get on with the task ahead of him.

"He was raised right"

Yet he's being asked to break the law. Good parenting!

I can only hope that the end of this belligerent government will end sooner than election illusion 2024. So many young woke folks who have no clue of what's going on. Get caught up in this satanic crap and fall prey to their bidding. Clueless to what may happen to them if they play the game.

Some food for thought.

What about the parents, grandparents, family and relatives of these soldiers, who may be taken at the prime time of their lives.

Is there no one among them praying for their souls? Are they all the product of godless families? If they should all be executed, what ramifications will this cause, not only to them, but it will quickly get out to the rest of the world? What has been hidden for too long will finally come out. But at what cost?

I seriously question the morality of a joint trial. This sort of thing has been done in communist countries. Justice is not about convenience, but accuracy. "Blessed are those who hunger and thirst for justice, they shall be satisfied." (Matthew 5:6)

God will bless those who have His authority and anointing and who honestly seek His help with the necessary tools and assistance to do what is right even if the numbers should be overwhelming.

The end never justifies the means.

What about the parents etc.? They should have thought about where their actions would take them. This is 100% self inflicted! We do not punish criminals for their crime! Society merely has a code of consequences for criminal activity.

Is there no one praying for their souls? How about the souls who have lost their lives because of these traitors? Is no one praying for them?

Morality of a joint trial? Morality of treason? Morality of bribery? The whole lot have betrayed their oath, their fellow citizens, and their country. They are a major part of the collapse of America!

Every single one of these traitors knew what they were doing and made bad choices with serious consequences! Criminals eventually get caught. In this case, they just caught a whole bunch at once!

You have to remember these are mostly young naive men recruited right out of high school and basically brainwashed. I don't agree with a one size fits all trial. Bad move in my opinion.

No one has actually lost their lives due to the 165. It was stopped beforehand unlike most of the other deep state atrocities. This needs to be ACCURATE, like Paul said.

My concerns with this approach is we become like the very people we are fighting against. It's a very fine line between us and what Hitler did when you start down this path. NOT GOOD!

I don't believe for a second that they weren't each interviewed individually, giving each of them an opportunity to realize 'the error of their ways' and to divulge information, names, etc. They made their choice.

Nope no easy out, what do you say to a caring parent or grandparent?

Does this kid (I thought we care about kids, where is the cut off? 16, 17, 18?) What if they are disabled? Does that mean we have a different age?

"They should have thought about where their actions would take them."

So when are parents legally absolved about loving their kids?

My only sympathy for these young PFC's, many of them came from hard, ignorant backgrounds and were brainwashed.

But they were being trained and paid to kill fellow Americans who happened to be Trump supporters, so they knew what they were doing.

This is treason which has very strict consequences.

As a former soldier in 73-75 Germany, I experienced strong leadership from hard ass NCO's, Vietnam combat vets, lifers who were just trying to get their 20 years in – and they didn't put up with any bullshit. We were all smart ass 19-21 year old kids but I remember that discipline to this day. The best life experience ever for me.

They are high school graduates....they are old enough to know right from wrong no matter who raised them. They know murder just for the sake of murdering people who disagree with the DS agenda is wrong. They were promised compensation for agreeing to murder us....Trump supporters....they signed a contract with the devil. No, they are not poor innocent little victims who want their Mama. You need to stop and take a good look at what they were training to do. The military can have a joint tribunal and they can also put you on trial even if you are 5K miles away. This is not normal times we are living in. Stop trying to justify allowing these trained killers to go free.

Nope go on record where does it end 19+ 20+ 21+ high school or college graduate? Where does it end?

Who the Fuck is doing That Chloe?? Just WHO the fuck is—what did you say “justify allowing these trained killers to go free”. Who?

Everyone hoping for mercy for these brainwashed teen-agers is expecting life behind bars for the LEAST culpable of them.

The question is about a one-size-fits-all scenario. That’s the entire issue at stake here and we don’t need the mob mentalities.

We cannot allow any of them to go free; trained murderers with a taste for killing. Who will they prey upon next, your little daughter? I’ve heard ridiculous excuses for Jack the Ripper, but HE GOT AWAY, rescued by rich family. How many more murders, tortures, cruelties did he commit? Like Hunter Biden, everything he did was hushed up by his royal family... (Remember the crest painted on the side of his carriage?) For each murderer who goes free, 10 innocent will suffer. Decide now, what do you want! The Murderers or the innocents.

I’m not abdicating letting them off I just disagree with the one size fits all trial approach. It’s a slippery slope they are going down and I don’t agree with it.

These men are deep in the clutches of enemy combatant cabal loyalists. Nuremberg 2.0 has precedence with doing en masse trials for similar Crimes against Humanity, God & Country. The best they can hope for is being placed in FEMA camps with some serious schooling. How's that been going with y'all speaking with your friends & family members? Getting thru to anybody? These people have gone off the deep end psychologically speaking... & this is far beyond mere political loyalty. They were being prepped to act as domestic terrorists, plain & simple. Their Oaths were NEVER to support & defend the President nor his political party. They were to Uphold & Defend the Constitution. Our protection against corrupt governmental & political agents. They will sadly deserve whatever they get, whatever it is. Prayers for wisdom & smart, decisive action.

You seem to have forgotten all the verses where God destroys thousands at one time. You also do not seem to understand there have been many trials with multiple people at one time in the civil and criminal courts in America. A trial is a trial, if it is one or thousands at one time. How is that immoral?

Thanks, Jack. A voice of sanity. Someone has said it is the "top 1%" of the Elite and another 1% doing their bidding for money. That is an horrific lot of people, but they cannot be allowed to continue. They have become savage, evil, must be pruned from humanity, for their own choices.

"We fired our cannon till the barrel melted down
So we grabbed an alligator and we fought another round
We filled his head with cannonballs and powered his behind
And when we touched the powder off the gator lost his mind

We fired our guns and the British kept a-comin'
There wasn't nigh as many as there was a while ago
We fired once more and they began to runnin'
On down the Mississippi to the Gulf of Mexico

Yeah they ran through the briars and they ran through the brambles
And they ran through the bushes where a rabbit couldn't go
They ran so fast that the hounds couldn't catch 'em
On down the Mississippi to the Gulf of Mexico”

Johnny Horton.

So really all they are saying is they need to expand operations by maybe taking over a fema concentration camp meant for the taxpayers that rebelled when the covid strangulation became to much.

I agree. Isolating them within a FEMA camp is a real possibility. Then MOVE ON with bigger fish to fry. Deal with their traitorous arses now or later, whichever is more expedient.

I have read that it costs \$160,000 per year per prisoner to keep them in air-conditioned rooms, with exercise machines and basketball and outdoor games. They destroy the souls of all of the guards who try to protect us from them, and many of those are cut, murdered, or their hearts destroyed by the evil of such prisoners. It's not worth it. It's not working. In Singapore one receives 4 lashes, and an automatic withdrawal of \$5,000 from their bank account. A sharp lesson and deterrent! No more drain on the people, no risk to any decent guards. Prisons have been sub-contracted to the most evil people on the planet. Horrifying excesses destroy those who deserved only one year, but who were destroyed and corrupted during that time. Clyde of Bonnie & Clyde spent 1 year in prison and began his revenge, gunning down the innocent, vowing never to return to prison. “Qui Custodiet des Custodiet?” Who will guard the guardsmen? We destroy the honorable guardsmen, exposing them to creatures of demonic evil. This sub-contracted Prison has the highest rate of innocent people in history, because the Contractors give a significant bribe to the judges. THE ENTIRE DEMONIC SYSTEM MUST BE DONE AWAY WITH.

more countries are joining the brics, lol.

anybody who joins china are fools.

the gold wont be enough to hold the whole world.

both plans of either side suck.

Place a hundred and sixty five erected poles with shackles In one long row. Tie the guilty detainees to the Pole. Blindfold. Arrange for 165 military marine soldiers standing in line with Rear Admiral Jonathan T. Stephens give direct order to firing squad – direct bullets to detainees heads.

That's too quick, I say bring out the tree shredder and exhaust the scraps into a hog wallow....

Have you not read, CD, that the Soldiers shooting in firing squads developed acute mental and emotional distress? Some were unable to continue, and took medical discharges. I'm with you, but there must be a way that doesn't destroy the best we have. If I understand correctly, they are trained to fight the enemy, but were in conflict shooting people who were tied up or shackled, who were on our OWN side, however traitorous. I don't think I would feel that way, but THEY DO.

8 February 1587, Mary Queen of Scots was beheaded by a completely evil executioner. She was certainly a threat to Queen Elizabeth, and had been caught conspiring for her overthrow... but the Executioners were professional torturers and brutal men... He made several chops before he severed her neck, and her little dog annoyed him by barking, so he chopped him into bits. It was reported to Queen Elizabeth that it was a horribly failed execution, bereft of honor.

So what do we do now? Those who are condemned by their own actions at Gitmo, Blaz, and coming Nuremberg 2 MUST be executed!! Or we invite another "Operation Paperclip" where evil

people put NAZIs in charge of NASA, Pentagon, our best science labs, and the pivots of power. Those executed so far include ones that threatened the children, even of the Pilots, bringing them to prison. They are altogether evil, and some of them possessed. I'd be very careful who is anywhere near them when they are executed, and those multiple demons released.

I'd be grateful for one ArcAngel, on duty here, slaying the unjust, but not-one has appeared. Desperately needed elsewhere, I must believe, so it is up to us. Would you volunteer? To save one loyal serviceman, I would go.

An interesting position. In fact these individuals sold their country for cash which is the first sign of a traitor. They knowingly accepted the role to protect Brandon.

The question remains, did they truly believe BIDEN was/is the truly elected president in a fair election. That is to say were they hand selected for gullibility and manipulated so that they were not fully aware of being a traitor to our nation.

Did their education indoctrinate them to follow a story line that was corrupted? In the VA hospitals they display a photo of Biden as our Pee resident. What picture hangs in those schools? Politically what do they teach?

Is a one year sentence with re-education or probation with re-education a better way of saving good young men?

KNOWINGLY is the key word here and it does apply. Some may have knowingly accepted the role, while others only understood a good deal coming from a poor environment. Some may have seen money to feed their families, or cover medical treatments needed by a loved one.

Most of these are young men... you know the kind that have yet to grow common sense.

We have doctors and nurse (idiots) who actually bought into the Plandemic and Clot shot scam. They thought they were doing the BEST thing (idiots). They believed in the medical Charade and training of these last 150 plus years. The AMA, CDC, and FDA among others are the holy grail of truth!!!

And then when have those doctors and nurses that were there for the money; patient be damned! KNOWLINGLY!!

Certainly both groups should have their license revoked for not practicing good analytical skills.

You may hate them all; but some may not be worthy of your hate.

You have a very clear way of thinking Thanks

Dr John this is not addressed to you I have seen enough of your posts to know a great man by the way you communicate

In 2019 I had a mass growing on the side of my face.

My dentist was having a fit over it and I let it grow to 3 inches dia and 1.25 inches protruding outward..

they wanted me to go to a local doctor and have it checked out 50 miles away.

I waited a little longer and went to one of the biggest hospitals in my state U of M.

150 miles away

They did a ultra sound and a biopsy and wanted so many expensive tests.

lock down started the next day. two weeks later lab results Cancer need to get you in fast. Could not get a clear dialoged going with all of the panic doing on.

mean while the mass rapidly expanded by 400 percent volume.

I found a simple remedy that cost about \$2.70 for 6 weeks treatment.

Made up my own protocol that was changed very radically with each treatment. And then after 6 more weeks went Back to U of M for a follow up.

Interesting and bewildered when they measured the Mass it shrunk down 30 percent from the first ultrasound = 100 then to 400 and down to 70.

quite a change they then wanted to do a operation with no test or would go ahead and do the tests or could just do the biopsy at least lets us do another ultrasound or just wait and see what happens and come back in months .

I just stayed Home and Watch it Melt away.

And went back to my doctor and he said Hum it's Gone Did you go to U of M?

Would you be able to share the remedy with us? I have a family member which I'm treating with alternative protocols for erly stage prostate cancer. I'm an Internist and have treated a few people with alternative protocols with success I would greatly appreciate info as to where to go this protocol.Thank you.

Went in for grammar edits, was halted and Red Lined, referencing "posting comments to quickly, so down". What's up with that?, whereas inadvertently made double post, also there's no complete erase feature.

Recently posted comment referencing male companion that was awaiting approval, then went into the abyss.

Yes it is found in the Fonts people use

Problem I found and forget to do Today Again

and also word count knocks us out

If copying and pasting post.

need to first put in word processer and select all.

and change font to Times New Roman.

'Courier New' font is best in writing legalese. Abbreviate the word: Illinois and see the difference between Times Roman.

Courier New provides space and a half between words, myself utilize #12 size font on documents.

Oh dear! Indian Bloodroot, it is processed as a black gooey stuff. My friend healed her husband's facial cancer (Doctors failed to cut it out, too near his eye) but after several applications, it crusted over, and fell out, leaving new pink skin. I've written to her for the name, but it has bloodroot in it. Hope to come back with more info.

still won't post

To my Brothers and Sisters Here

Very Short

Part of it is in the bible

Spirit of the wood?

and the other part is in the military survival manual.

this is not the one I used. It was an older than this one

FM 21-76 US ARMY SURVIVAL MANUAL

This is the Best Way I have Discovered.

I have drawn out the vax from my arms i received over 50 year's ago.

stopped skin lesions and skin -cancer-bug bites

Grown new nerve's and blood vessels

cayenne pepper -baking soda no aluminum

petroleum jelly -extra virgin olive oil

mix and match these surface application.

and more just go slow and watch your body recover.

don't forget toe nail fungus greased your toes and feet.

and grow new skin within hours

just do it once and wait for your body to catch up.

friend had one third of his nose gone with cancer.

no medical treatment .

I chew him out and gave him petroleum jelly and baking soda no

aluminum. use it as sun screen and use hat covering

bleeding stopped in to days starting healing over and 6 months new

nose. just do these thing sproicately

My body likes this treatment

yours might be different

cayenne pepper -baking soda no aluminum

one of the above or both

with one of the below or both

petroleum jelly -extra virgin olive oil

if using petroleum jelly and you want to lower its viscosity

and make it cheaper to use

heat it up and cut it with the olive oil.

then when warm add the solid ingredients to it.

so many ways to do it.

sprinkle the cayenne pepper -baking soda no aluminum

on your skin and apply the oils and rub in.

cayenne pepper will be hot and can burn the first time you use it but

after many times using it you will never notice it?

remember a short exposer to your self the first-time.

Blistex Medicated lip ointment is close to the same mode of treatment.

Have nodules on my lungs, encountered ailment in mid 2012.

Been ingesting apricot & apple seeds, nodules have shrunk via chest X-rays. Ingest peach & cherry seeds too, not over doing it, simple moderation.

Smash apple seeds, place under tongue, do it often. Adage: "an apple a day".

This is a very Important resource also

CURE

Or Treat

Eukaryotic parasites of medical importance include **protozoan, arthropod, and helminthic parasites, including nematodes, cestodes, trematodes, and acanthocephalans**. Eukaryotes are now divided into five monophyletic lineages called supergroups, of which four include human parasites: SAR, Excavata, Amoebozoa, and Opisthokonta.0 The subgroups Fornicata, Parabasalia, and Euglenozoa include primitive eukaryotes and many parasites with limited metabolic abilities. These organisms have complex cell shapes and structures, often including a depression on the surface of the cell. Fornicata lack mitochondria but have flagella.

These traitors have NO remorse, NO regret! They are NOT interested in reforming their lives or undoing the evil they have done! Betraying your country is not the same as stealing an apple or a loaf of bread to feed your starving kids! Because of what these criminals have done, businesses are closing, people are losing their homes, people are suffering! They are the ones who deserve your sympathy!

WE ARE IN WAR~TIME, & ANY ACTION MILITARY DEEMS APPROPRIATE & NECESSARY AT THIS TIME IS ACCEPTABLE. THESE MEN ACTED AS TRAITORS. GOD FORGIVE THEIR SOULS. THEY WERE STUPID.

Their Oaths are TO THE CONSTITUTION. Oaths are NOT to the President, fake president, resident, politicians, political party, nor Israel.

You are completely missing the fact that everyone has free will and can make choices. They are responsible for their choices. How or why they made their choice is irrelevant. Their circumstance, their education, their upbringing, the manipulation done to mislead them is irrelevant. They made a choice without making sure they were making the right choice. Try using your stupid logic with God and see how far you get.

Marine Corps Camp Blaz gearing up for serious action?

Guam in the Mariana Islands, a US Territory, is to become apparently the most heavily defended, most important island on Earth. State of the art missile systems, including long range Aegis will protect the island. Allegedly, the upgrades are to defend from a hostile China. But Guam, far to the East of the Phillipines, is nowhere near the sphere of influence of China, and likely of no use to China. Are the JAG Courts on Guam and high ranking prisoners on Guam the real reason for the defense upgrades?

Andersen AFB to the north, Guam Naval Base to the south, and Camp Blaz Marine Base mid-Guam all seem to have multiple JAG (Judge Advocate General Corps) criminal courts conducting international treason trials.

To je úžasné. Představoval bych si, že přísná bezpečnostní opatření mají spíše nakopat Black Hatovi zadek, když se LA čas od času pokusí o jeho „nebo jinak“. Pamatuji si, že když bylo GITMO napadeno, DJT řekl, že má plán na zvýšenou bezpečnost. To by mohla být velká část plánu. Víím, že to jsou nebezpečné časy, ve kterých žijeme, ale nemůžu se dočkat, co bude dál.
