Sbor generálního advokáta soudce námořnictva Spojených států amerických a Úřad vojenských komisí ve čtvrtek vstoupily na neprobádané území tím, že současně obvinily, usvědčily a odsoudily k smrti 10 lékařů ze státu Washington za zabití z nedbalosti, zapojení do hromadného zanedbání lékařské péče, které mělo za následek těžké zranění nebo smrt, a zrada proti Spojeným státům americkým, informoval Real Raw News pobočnick Camp Blaz.

Jak bylo oznámeno tento měsíc, White Hats v rámci amerického vojenského aparátu zatkli 100 lékařů, kteří tvrdili, že jejich dodržování drakonických protokolů a osobní ambice ohrožují životy pacientů. V dlouhém příssežném prohlášení JAG tvrdila, že obvinění

nadávali a zlehčovali pacienty, kteří váhali s vakcínou, a vyhrožovali, že je zařadí na „lékařské černé listiny“, pokud nebudou splňovat pokyny CDC. Před obžalobou vyšetřovatelé JAG vydávající se za pacienty navštívili kliniky milující vakcínu ve 12 státech, kde byli také verbálně obtěžováni a odepřena jim léčba za to, že odmítli ukázat očkovací papíry nebo dostávali v ordinaci popichování. Většina ze 100 praktikovala ve státě Washington, Kalifornii, Illinois, New Yorku a Connecticutu.

Jakmile byli d'ábelští lékaři dopadeni, byli převezeni do „příjmových center“ a vyslychání vyšetřovateli JAG. Ani jeden nevyjádřil lítost nad ohrožením života pacientů; místo toho hrdě hájili své činy a recitovali to, co vypadalo jako nacvičená mantra: „Dodržoval jsem protokoly COVID-19 a pokyny CDC.“

Náš zdroj uvedl, že hromadné zadržování způsobilo značný problém, protože společnost JAG neměla čas ani prostředky na to, aby individuálně soudila 100 lékařů obviněných z téměř identických zločinů. Jedinými praktickými možnostmi, dodal, bylo společně stíhat těch 100 nebo rozdělit stádo do zvládnutelných skupin na základě síly důkazů. Čtvrteční jednání v Camp Blaz vidělo 10 ze 100 a obhájce jmenovaný JAG se postavil proti kontradmirálu Johnathonu Stephensovi.

Stephens v dubnu zahájil trestní stíhání případu JAG proti zástupci ředitele CDC pro globální zdraví Howardu Zuckerovi. Je také naplánováno, že bude společně stíhat 165 vojáků Fort Drum, kteří se spikli, aby vedli válku s Trumpovými příznivci.

„Máme tolik nevyřízených a přicházejících obvinění; Společné tribunály jsou, víte, pro efektivitu. Jinak budeme vést soudní spory dlouho poté, co se všichni proměníme v prach,“ řekl náš zdroj.

Na otázku, zda JAG zvažuje důsledky společného osvobozujícího rozsudku, který by teoreticky osvobodil stovky zločinců, kteří by mohli znovu způsobit zmatek mezi občany, odpověděl: „Děláme to s

pevnými případy. Zločinci FEMA z Maui budou společně souzeni, stejně jako to udělali lékaři, a všichni míří na popraviště.“

Dodal, že čtvrtěční úspěch v Camp Blaz ukázal, že JAG dokáže odsoudit více zločinců najednou.

Admirál Stephens zahájil tribunál představením (na ZOOM) 40leté ženy ze Seattlu, která v červnu 2021 přivedla svého nemocného 14letého syna k jejich rodinnému lékaři, identifikovanému jako obžalovaný #6. Chlapec dostal zánět spojivek. a jeho matka chtěla antibiotické oční kapky k léčbě tohoto onemocnění. Obžalovaný č. 6 tvrdil, že konjunktivitida neboli „Covid Eye“ je nepublikovaným příznakem koronaviru a zeptal se, zda byli oba očkováni. Když matka odpověděla „ne“ a řekla, že chce další důkaz, že vakcíny jsou bezpečné a účinné, obžalovaný č. 6 propukl v tyranský vztek a požadoval, aby se nechali otestovat na místě nebo opustili prostory, přestože matka a syn měli masky. Smířili se s nerozumným mandátem a technik jim násilně utřel nos. Když rychlé testy na antigen ukázaly negativní výsledek, Obžalovaný č. 6 uložil další požadavek — okamžité očkování. Odmítli a byli vyhozeni z kanceláře.

"A co jsi v tu chvíli dělal?" zeptal se admirál Stephens na obrazovce nyní 16letého chlapce.

"Matka mě odvezla do centra urgentní péče, asi 15 minut odtud," odpověděl chlapec.

"A vy jste se tam léčil?" zeptal se admirál.

"Ne, pane." Ani oni by mě neošetřili," řekl chlapec.

"Opravdu? Dostali jste s matkou důvod?" zeptal se admirál.

"Ano, pane." Protože jsme byli neočkovaní a nechtěli jsme se nechat očkovat. Stejně jako předtím —“

"— Bylo nám řečeno, že naše jména jsou uvedena na seznamu," vložila se matka, "a půjdeme na CDC a státní zdravotní oddělení."

"Takže, co říkáš - za 15 minut, které trvalo jízda z bodu A do bodu B, se tvoje jména dostala na univerzální seznam zlobivých," řekl admirál.

"Nevím o univerzálním, pane, a nikdy jsme ten seznam neviděli, ale jsem si docela jistý, že úřad řekl, že je celostátní," řekl chlapec.

"Náhodou ten seznam mám," řekl admirál Stephens.

Položil hromadu sešitých papírů na stůl vedle panelistů, tří důstojníků námořní pěchoty, kteří měli určit osud lékařů. Deset obžalovaných sedělo spoutaných vedle sebe u tří obdélníkových stolů přitlačených k sobě, aby tvořily jedinou desku stolu. Na jednom konci seděl kapitán námořnictva, kterému viceadmirál Darse E. Crandall svěřil skličující úkol obhajovat obviněné, a pomáhali mu tři koncipienti, kteří si mezi sebou šeptali a prohazovali hromady papírů.

Když admirál Stephens zaměřil pozornost panelu na černou listinu, obrana vyzvala k okamžitému zrušení všech obvinění, protože soukromí lékaři, na rozdíl od nemocnic vyhovujících Medicare, mají volnost odmítnout léčbu pacientům.

"Žádost zamítnuta," řekl admirál Stephens bez obalu. "Obrana si je vědoma, že nejde jen o případ odmítnutí služby, ale o široké spiknutí s cílem odmítnout službu pacientům, kteří váhali s očkováním."

"Nemusím to sedět," vyhrkl obžalovaný #6.

„Ovládejte svého klienta. Pokud chce mluvit, může se postavit dnes,“ odsekl admirál.

Admirál Stephens znovu oslovil svědky, jejich zmatené tváře stále volaly ZOOM. "Omlouváme se za výpadek." Uznáváte, že dnes v soudní síni byli lékaři, kteří odmítli léčbu?"

Mladý muž ukázal na obžalovaného č. 6 a obžalovaného č. 10. Jeho matka to potvrdila.

"Seznam před vámi, černá listina, má 750 jmen, všichni obyvatelé okresů King and Pierce." Seznam byl uchováván v reálném čase a elektronicky sdílen s více než stovkou kanceláří a klinik. Obžalovaní měli přístup k seznamu a mohli jej doplňovat. Odmítněte službu, pokud nejste očkovaní nebo souhlasíte s očkováním. JAG to považuje za matoucí, protože ze všech deseti obžalovaných není ani jeden očkovaný. Víme to, protože jsme jim odebrali krev, vyhodnotili ji na protilátky proti Covidu, které by byly přítomny, kdyby byli očkovaní. Nyní byste mohli namítnout, že možná v jednom, dvou nebo dokonce třech případech se protilátky rozptýlily, ale ne v deseti případech – to je statistická nemožnost. Navíc nás čeká 90 dalších, kteří čekají na soud, a ti také nejsou očkovaní," vysvětlil admirál.

Kapitán námořnictva protestoval, protože JAG nařídil admirálovi Stephensovi, aby omezil důkazy na obžalované přítomné u soudu. Admirál Stephens námitce vyhověl a požádal panel, aby jeho poslední prohlášení ignoroval. Ale ohnivý kapitán námořnictva pokračoval v namítání a řekl, že admirál, právník bez lékařských znalostí, nemůže autoritativně komentovat záležitosti virologie a imunologie.

Poté, co admirál Stephens propustil současné svědky, zavolal na místo velitele námořnictva Brenta Denningse, virologa z americké námořní nemocnice Guam, který papouškoval admirálovo hodnocení v lékařské mluvě.

"Veliteli Denningsi, vyhodnotil jste osobně krevní obraz obžalovaných?" zeptal se admirál Stephens.

"Udělal jsem, pane," odpověděl velitel.

"A k jakému závěru jsi dospěl?" zeptal se admirál.

"Žádný z obžalovaných nebyl očkován," řekl velitel.

"Má obhajoba nějaké otázky pro tohoto znalce?" zeptal se admirál Stephens.

"Žádné otázky," řekl kapitán námořnictva.

"Svědék je omluven," řekl admirál a obrátil se k panelu. „To vyvolává otázku, kterou nemůžeme ignorovat: Proč tito lékaři trvali na tom, aby byli pacienti očkovaní, když nebyli? Vidíme pouze tři možnosti: Věděli, že COVID je benigní, věděli, že vakcíny jsou nebezpečné, nebo obojí,“ řekl admirál.

Během následujících tří hodin admirál uspořádal hovory ZOOM se šesti dalšími svědky, z nichž každý hledal léčbu mírných onemocnění u jednoho nebo více obžalovaných a jejichž svědectví odráželo svědectví matky a syna. Obžalované označili za zhoubné predátory, kteří zneužívali své autoritativní postavení, které si sami vnímali, k oklamání pacientů. Jedna svědkyně uvedla, že její lékař, obžalovaný č. 4, měl pěnu u úst, aby jí dostal jehlu do paže.

"Tito svědci jsou ti šťastlivci, měli štěstí, že měli dost rozumu na to, aby napadli velkou medicínu a odmítli injekci," řekl porotě admirál Stephens. "Někteří lidé, které bychom rádi slyšeli, tu dnes nemohou být." Nemohou tu být, protože jsou mrtví. Jsou mrtví, protože je obžalovaní šikanovali, aby se nechali napálit, a také to udělali."

Ukázal fotografii bezvládné ženy na vozíku převážené do zadní části sanitky a ukázal obrázek muže středního věku, který náhle zemřel při sledování baseballového zápasu.

„Byli to pacienti obžalovaných #1 a #2. Žádná komorbidita. Žádné velké zdravotní problémy před očkováním. Oba náhle zemřeli na infarkt do 7 dnů po výstřelu. Víme o 65 pacientech, kteří náhle zemřeli, a všichni byli pacienti obžalovaných,“ řekl admirál vážně.

„Tito pacienti měli svobodnou vůli. Obžalovaní nedrželi pistoli u hlavy,“ vložil se do toho kapitán námořnictva.

"V tom nejpřísnějším smyslu, ano, ano." Porušili svou Hippokratovu přísahu, že neublíží, porušili mlčenlivost mezi lékařem a pacientem při široce rozšiřujícím stavu vakcíny prostřednictvím černé listiny a zajistili, že pokud pacient z jakéhokoli důvodu nechce tu zatracenou injekci, bude muset tento pacient cestovat daleko. a široký, aby vůbec našel nějaké lékařské ošetření. Sledovali linii CDC, ale nebyli očkovaní a každý z nich dostal od HHS a FDA výjimku z odpovědnosti, velmi podobnou výjimkám uděleným Big Pharma," řekl admirál Stephens.

Kopie výjimek rozeslal porotě.

"Stručně řečeno, obžalovaní jsou neškodní a imunní vůči soudním sporům z vedlejších účinků vakcíny," řekl. „Ne, obžalovaní nejsou vojáci; nejsou to vládní úředníci, zvolení nebo jmenovaní, ale měli vliv, silný vliv, na své pacienty. To, co tu máme, není nic jiného než masové zanedbání lékařské péče, zabití z nedbalosti, spiknutí a zrada," dokončil admirál.

Obhajoba neměla žádné platné vyvrácení a panel požadoval čas – pět a půl hodiny – na to, aby dospěl k rozhodnutí. Po vrácení rozsudku o vině a doporučení maximálního přípustného trestu jim admirál Stephens poděkoval za jejich službu a propustil je ze služby.

Okamžitě nenaplánoval data poprav, ale řekl, že oběšení začnou do týdne.

Off topic of these evil AHs but I'd like know what ever happened to Eric Holder...anyone?

Or am I bonkers..sure that I read where the WHs picked him up awhile back?

I wish we can see a video in the courtroom, and from the TV screens with the people that are being charged with their faces blacked out, but we can see the judge so it fills are cautiousness, this would be awesome just to see a little bit, I know they say it's going to be on TV so we can watch, and it's already happened more likely, but would put a lot of things to rest, for us Patriots, because if we showed it to anybody else, they would just say it's from a movie get it, lol 😂😂

A 1985 super superbowl shuffle TikTok video should be made for those son of a Bitches . named the covid 19 hangman shuffle.

Dancing in the Hospital when all these people where supposed to be dying. It was more like I don't care who I kill with the vaccine.. as long as they got the money

do you have the names of the doctors that practiced in Pierce County or Seattle?

so that their existence can be confirmed

The preferred weapon of the Deep State is "Fire Bombing" via LASER weapons from both space sattelites and 747 aircraft... May all of these be rapidly found and destroyed by the Space Command.

A hidden news Bite: Every nation except RUSSIA is now a corporation, and this is why Russia is the butt of evil accusations. Russia is still fighting for survival and is now owner to gold backed currency and is vastly more wealthy than the US Inc. The US Inc, Canada, Mexico have not signed on to the new currency revaluation so their currencies are worthless paper.

Trump is in the process of ending the US Inc. and arresting for execution almost all world politicians, ultra wealthy, crime syndicates and other evil people worldwide.. Trump is Commmander in Chief of 209 nation Militaries.

The end of world war III will come soon.

♥That's great news. My husband is in the funeral business. And there are so many of all ages dying. And many of the dead love ones ARE blamed the shots. hang them all.

We NEED these hangings to be a public event for all to see! Make them a public example to any and all who would betray the Constitution!

Before getting a license to practice medicine each and every doctor takes the OATH TO DO NO HARM, the hippocratic Oath. Therefore every single physician, doctor, nurse, practitioner who deliberately stuck a substance

into the body's of people knowingly or worse unknowingly, and without first

explaining to each individual that the vaccine is a experimental drug and that nobody actually knows what the short and long term effects are.

Giving that person a decision to go forward or reject the use of the vaccine.

Furthermore any Company, public or private, governmental or in a position to Safeguard the welfare of its employees, forcing a employee to TAKE A EXPERIMENTAL DRUG or lose their

employment. Is in fact a Violation of Human Rights. Also to censor a person from being able to speak, read, or show a religious symbol on their own person is also a violation of human rights. Religious beliefs are completely off limits to any Governmental organization or agency, and includes employers of any kind whatsoever.

The fact that the people's government, Did in fact Go to great lengths to enforce a experimental drug into the bodies of millions of people claiming it to be SAFE and EFFECTIVE when in fact it has been proven beyond any shadow of doubt not to be. Makes Them Guilty of Human Rights Violations for each and every single one of the people who became victims of a experimental drug. The most horrific criminal act ever to be perpetrated on man kind. (The ENTIRE WORLD has been made to be the subjects of a deliberate attack on humanity).

That is so true and I pray that each and every one of them will pay for what they have done. Some of the worst of the worst will be hung at GITMO or Guam, etc. There are thousands of Drs. and nurses involved in these crimes against humanity that will get away with it....at least they will here, but they will face God one day. Now they are going to hit us all with another round of the same old crap....with a new and enhanced version of their poison shots. There will be lots more who will line up for the new vaccine and lose their lives as well. There is no way to reason with them. I have family who have taken the shots because they have health conditions and didn't want to get covid....most of them did anyway as we know how effective those vaccines really are. I have a feeling it's almost over for them if they do get the newest version.

Many more need ro be investgated. My Primary care wont even see unless you take a useless, hydrogel, nanonite pcr test....I refuse I just go to urgent care.

Urgent care is less controlled than, hospitals, but they can also use the clot shots. (((

Remember when Comey lost his head? Thought it was a joke. Barry and Big Mike were married. Hillary and Bill ate pizza together. George said it was a plane. Then 911. All deception for those that eyes to see.

If only these stories were true, I wish this guy would stop with the BS. You people are clinging to false hope. But, fight these tyrants with every ounce of your well being. Only we the people can stop this tyranny!!!!!!

Every human has the right to believe what they want. It's ok if you don't believe this site.  The beautiful thing is we have free will.♥

And now "doctor dearest" you are on our lists. It is called a SHIT-LIST. You are highly regarded with contempt, distaste, distrust and you no longer exist for us. You lousy bastards.

Michael I just want to thank you again for your continued commitment to give us such valuable information. Also hope you are feeling better and getting all well! May God bless you eternally. You are the hope for the future and the light shining on all the good being done begging the scenes

Please people in creation of light: Left the medical field. Husband died of melanoma in 2019. He was a satanist. My son suffered from PTSD. I resigned from my RN hospital designation because of jab and mask requirements. The satanic abuse is REAL. I have no shame. People please listen: My 30 year old son is disabled from the torture. I have witnessed acts that have permanently traumatized me also. Let's get real My husband raped animals,, my self and son. This world is no longer a world. Done and spoken .

Steph, There will be healing for you when god pours his glory out on the earth. There will be REAL churches the way He wanted with healings & miracles. No more denominations. Hang in there. If you can take a trip you can go to Church International in Alabama.

If I were Steph I would trust no churches. I would pray in Jesus's name for guidance

Knowing My path will be shown the closer my heart comes to alignment With Jesus'

will and purpose for my life.

No one needs a church to have a private council with and protection through Jesus

Only God can give the healing of what Steph and her son have endured. Only God knows what they have endured and all that they need to reassure that S-tan can Never Again oppress their spirits. In Jesus' name the dark occult is forever rebuked.

Hi Carolyn, thank you for your kindness... however, if only you knew the truth of history, you would know that the organized "Churches" are mostly controlled narratives of an ancient crime syndicate called the Khazarian Mafia. The KZ was established on Earth before the flood of Noah. They are half breeds from evil angelic breeding experiments, and they HATE humanity. They have authored all WARS in history as a human population control... now they use even more deadly technology called "medicine" where people line up to be poisoned..

From my studies of ancient history...

Truth.. (((((

True. I've read that John D Rockefeller created or "introduced" modern day medicine. There was natural medicine before his evil keester infiltrated and sought money over actual healing of people's illnesses. Sick people I tell ya!

Dear loving Father God we ask you to heal this family of the hurts and traumas inflicted upon them and the horrible evil they endured.

In Jesus' name.

Your “god” is either powerless to do anything or doesn’t give a shit! If he doesn’t give a shit it explains what we see world wide. If he loved and cared for his people as claimed these abuses would not be happening! Tell your platitudes to the hundreds of thousands of kids abducted and sex trafficked every year that “god” is with them, as they are being raped and broken! Tell the hundreds of thousands of kids tortured to death for their adrenaline to make adrenochrome that “God” loves them and cares for them! Tell your platitudes to the hundreds of thousands of woman who get raped every year! Tell your platitudes to the many thousands of kids who starve to death every day that god will “never leave them or forsake them”. Your platitudes are empty and hollow! Where was your “god” to protect the people of Maui? Your “god” is impotent to do do anything to help people! Religion has never ever done anything to make the world a better place! it has done much harm! It only gives warm fuzzies to people who don’t want to know the truth and only want to live in the illusion of their social club. I saw a brilliant and true bumper sticker a few weeks ago, “Religion, because thinking is hard.” There isn’t a single “christian” who really wants to know what their Bible says, why is says it, or what the source material for it is! They don’t want to know the truth, they want to be told over and over that what they believe is true, whether it is or not. To tell little kids that unless they believe something or perform some rite that “god” is going to burn them in hell for eternity is child abuse and repugnant!

You have every right to your atheism but perhaps it would be more respectful, if rather than hating on a God that many of us see very differently than you do, you could describe the virtues of being an atheist in definitive terms.

If the scornful attitude you personify here is meant to shine by comparison, you have still fallen short of the mark.

You are clearly all about things of this earth and have it all backward. The battle of good vs. evil is happening every day. God’s children may die at the hands of evil, but he receives them in love for eternity,

and eternity is all that matters. We will pray for your soul.

There is scientific discussion among astronomers who have seen two new remote planets. The planets are TOI 007d and TOI007c. These planets will be the new home for the current 3D individuals who will not be progressing into the next 4D realm that is quickly approaching. The 3D planets are experiencing wars, famines, and economic disasters. Those individuals will be mind-wiped and placed into new vessels (bodies) to relearn life's lessons all over again. Perhaps those who were service-to-self, the self-centered, the greedy, the dispassionate will be rechanneled. That decision is made by a higher authority.

Your history and sins are written in the Book. I once ignored an old man who was hungry and asking for money. I was busy getting to my next appointment and quickly became upset that I didn't help him. He may have been an angel in disguise testing my compassion. The unvaccinated who were seeking medical aid from physicians were themselves disguised angels confronting healers controlled by full-bellied institutions.

Steph, you are special to God. This is not a wishful platitude to make you feel good. There is a reason (which I do not know) why this is the path you and your son are on in your lives, and God will help you walk along it. I pray every day for you as I keep repeating, because it was laid on my heart to do so. I pray to lessen your burden by sharing it, as I also know pain. Saying more would be superfluous.

Im praying for all who have been affected by this evil pharmakeia. This is not what our Creator designed for us, But satan has deceived the whole world, even the elect if possible. I once lived next to a woman that was a "vice president" for Bristol Meyers Squibb. Her boyfriend of English descent mentioned that she held 2 million in stock for that company. He also used to work there. We lived at the Jersey shore. I lost everything to Super Storm Sandy. I evacuated and they stayed. Not a drop of water in their house, my rental had 18 in. within a 1000 feet from the Atlantic. So how does that

happen/work? 25 feet away from the entrance of my rental He told me that this (is a business based on death aka pharmakeia) and everyone will die eventually, why not use that as a means to create income? is what it came across as. Totally sick

My doctor asked me about getting vaccinated for my upcoming appointment and I told her that I would not be taking any vaccines. I said those vaccines were put out by Luciferians for a depopulation agenda. I then said anyone pushing those vaccines will be in a lot of trouble. She then told me that she is only doing what she is told to do. Gee, where have we heard that before? Nazi Germany, that's where! I heard from another girl that my doctor even posts on her Facebook page, to get vaccinated. So either my doctor is a super idiot or she is part of the Luciferian brotherhood. Time for a new doctor.

They are 100% microchipped several times over, I heard in med school and other science graduate schools they originally had thoughts they wanted to be in on it with the system, they thought science was getting so advance but the competitor part of them thinks success is degrees and financial benefits. You can sign in to be the predator or become the prey, they way the world was set up but now some predators gotta go and good riddance. But they aren't even human if they ever were at birth. In wartime it's always been legal to triage people to death to get rid of burden people and kill all prisoners. This time the predators are the burden. Yay! It's legal to end burdensome doctors and scientists.

I ran into a Muslim doc doing the same, no vaccine himself, just the wife and children he claimed got vaccinated and were fine he bragged. All I did was pick up a patient to take him home and they hounded for any phone number they could get out of his contacts for contact tracing purposes on the list. The contact tracers from the hospital in Santa Monica, CA were extremely phone aggressive

calling me over a dozen times about one patient's contacts. They were searching to create COVID cases out of homeless people because they won't be missed and paid a lot of \$ on COVID deaths.

Rarely do doctors have time to ring my phone, actually never but he insisted a phone me at home conversation nearly an hour trying to talk me into a vaccination and said if anything bad happened to me from the vaccine I was refusing, "it's up to god" (to protect me on a bad vaccine). The doc really didn't care even about his own wife and children unless he knew they got a saline injection. He said "My wife and kids got the vaccine and they are fine, didn't say 'I got the vaccine and I'm fine'. I took it as a dead giveaway he was conning me.

I was relieved eventually when they backed down the nasal swab to the cheek swab it was to begin with. Then when delivering things to institutions or visiting, I would say "How come I can't just spit in a cup?" all the time. I never complied but it was nice to have a place to argue that. Turned out they all agreed with me (not the bosses and owners of places) but scared of losing their jobs was the only reason they put the pressure on anymore. They all felt the cheek swab had to be safe but all understood the logic of nothing more would be in the cheek that can't be spit into a cup. It had nanobot graphene also but they weren't using microscopes, just taking orders at work.

The patient I picked up to transport told his doc he would come back for a vaccine in two weeks but he never did because his friends and I were able to warn him. I saw other patients turned away for no vaccine but at least they had a choice to leave. One of the local doctor's was chasing homeless addicts up in the mountains with tranquilizer shots in his hand and would say "Hey, you need this!" One guy took it and passed out. It was all doctor's were mostly on the same page and down with the kill off.

In prison or mental hospitals or group homes they didn't let them have a choice because usually the Phillipinos and Asians, Blacks, etc that run those places in Los Angeles, came out of the hurricane a few years ago, or otherwise want to avoid slums, HUD, want to drive a new car, etc, were very controlling to hysterical demanding and deceptive.

Supervisors and doctors and so many workers didn't give a care, flat out lying their asses off, think the vaccine is helping sometimes, any threat they could think of, this did bring out the proof of greed and arrogance people had but they won't hang them for that.

They only hang for specific crimes and treason. I think they should hang them for not being human if they lost their soul, and call out what is greed eons ago with greed charges.

Someone must know who has a soul and who has a dark soul or if they even have one anymore. It's supposed to be humans or human friendly living on earth not who is trying to predator or who is AI or cyborg taking orders from predators that aren't human who need to live on fresh live human blood, etc.... All war and these new fires, is set up to kill the parents and get at their children....They brainwash people against each other tweaking conflict of interest in religions to cause war.

Just like people followed the science (vaccines, swabs, etc) to hurt other's and knew it, there's people that followed a negative part in religion like Jews that think all non Jew is Goyim that should be killed. They have been doing just that.

just the fake jews. Not jews at all but satans spawn. Khazarians....Lots of good jews out there.

Only Israelites/Hebrews are good. Others... pond scum! Jesus was an Israelite, but a Jew... Sodomite. Hittite, etc! There is a huge distinction! Why do you think us running Israel.....non Hebrews... khasarians!

The default condition of man is to do evil continuously. There is NONE who seeks after God – no not one!

The only way to deal with this level of mass killing is to conduct mass trials and deal with the executions publicly. These medical staff need a clear and very public message given to them that abuse of the public will not be tolerated. Ever.

They are attempting to stay clear of civil war.
By releasing the Great Awakening.

At some point full M Law will be required.

The World is under Natural Law.
And Crimes Against Humanity = Death Penalty.

The Laws of War was rewritten in 2015 previous to Trump.

All Government and Maritime courts should have stood down 2 Nov 1999.

It's all in plain site I am not making this up.

All the detail is on the internet.
Also published on USAFCC on Telegram if one looks.

Yes the key here is public executions held at the prime time hour on all channels and across all net. A public example needs to be mad of those who would commit treason against the Constitution to in which many swore an oath to defend!

DONT YOU JUST LOVE IT WHEN YOU SEE THE TRASH GET
TAKEN DOWN AND NOW THEY WILL HANG LIKE THE SCUM
THEY ARE.

So I left the nursing field recently. Never took the jab. Patients dropping from DVT and strokes. I couldn't take it. Most are full code. Sick of CPR. Full code and vaxed. Most are on an anticoagulant. Now

I face foreclosure plus shedding from my patients. I try to sleep at night but I keep seeing suffering. I choose to lose my home because I will not be one of them.

God bless and I hope things will get better for you. At least you have values and are true to yourself.

I recently found out that Blue Cross Anthem was paying Drs in my state for the amount of patients they were giving the covid vaccine to. The more vaccinated patients, the more money he would receive. He was not happy that my husband I refused to be jabbed and lied to me about what it contained. He had no reasonable explanation for why we needed a vaccine for something we already had natural immunity to. I'm so glad we stood strong against him on this.

I did. And I died every time you all thought I would: two weeks, then two months, then two years, etc...

How did you learn about this? Would love to have the info. I'm in Illinois and am sure it went on here.

The insurance companies are beyond wealthy. They are bankrolling covid. In Michigan I got a letter from my "NOSY" insurance company to make sure and get the jab.

I got a single jab in August of 2020 and had a heart attack in January 2021. I was one who bent to company pressure to get the shot so I didn't have to wear that damned mask. In hind sight I should have just told them to fire me. I don't know how much damage that shit did to me... Every day God gives me is a gift.

A golfing buddy of mine had taken the shot along with his wife and son two years ago. She suffered a stroke, his son suffered a heart attack, he himself has been in a prolonged state of ill health, and now I find out his grandson has had a stroke. His wife worked for the VA, and for her to retain her position she had to take the injection.

They all trusted what the govt had recommended – through the CDC and FDA – to get injected and now this tragedy that has beset the family. Found out recently that my old golfing buddy, after carefully watching over his semi comatose wife, had to move her to a terminal hospice center so they could administer to her as he was no longer able to do so himself. This hit close to home, and it should be a lesson to all to not comply with govt mandates about the shots and those masks. This is a major con job on the American people.

I am so sorry to hear of this. The CDC is a private, for-profit corporation, just as US, Inc. has been. All has been a masquerade of government & authority, same as the non-elected WHO & WEF, UN & NATO... all running agendas antithetical to health, freedom, & Constitutional Law.

RFK, Jr. also researched & learned they are a vaccine company as they hold patents for vaccines. At the very least, that is a conflict of interest. IMO, it is murder & crimes against humanity which warrants the death penalty.

My dad despite me begging him not to take it, did because his doctor told him he needed to. 2 1/2 yrs later, got turbo lung cancer. Given 6 months to live, lasted 2 weeks. I never got to see him before he passed.

So sorry for your loss. There are thousands more this happened to as well. That is why these demonic physicians deserve to hang.

I wish JAG would come visit in my small town of Southern Indiana about 20 minutes from the Harrisonson, Ohio area. Dr. Suzanna Martini off of I-74, she's still pushing face masks & jabs to patients. She has had several medical lawsuits against her & she almost killed my mom who had pneumonia in 1/4 of her lower lung that she had spread to both lungs in 8 days & was going to send her home to die. She told my mom, she didn't know what she was talking about & that she was the doctor that knew everything. I had my mom transferred

to a different hospital & the doctor there had to put my mom on an induced coma to save her life or she would be dead come morning. This Suzanne is a know it all & rolls her eyes when you talk to her about a home remedy or holistic medicine. She's a joke! I highly doubt she got the job, but has tried to force it on other patients.

So...nobody is actually suing the Dr? Just another fake ass story like every other sob story when a medical story is written lmao

There should be a forum somewhere that everyone can add the name and location of any person that pushed the jab on them or their unsuspecting loved one's. Places of employment, bosses names, schools, celebrities, sports figures, teachers – literally any and ALL sources. NO ONE SHOULD GET A PASS.

It should be more than a list. Anyone claiming these accusations against a doctor should file an affidavit And be willing to testify in order that we take care not to turn this into some sort of grudge fest For unrelated grievances.

It would be just as evil to falsely accuse A person in any capacity only only to assuage ne's frustration.

I'm glad you're seeing lawyer and advocate are not the same as attorney. The UNITED STATES is not the same as the United States of America. Are JAG also BAR members? I hope not.

I've got my first check for a total of 13 thousand USD. I am so energized, this is whenever I first really acquired something. I will work much harder now and I can hardly hang tight for the following week's installment. Go to the Home tab for more detail. I highly recommend everyone to apply just by using this website.. **Payathome7.com**

A male person whom I have known for decades recieved his first shot Sept. 2021 job contingent and second shot Oct 2021. Just after Thanksgiving 2021 he had a stroke alone in his bedroom it wasn't till morning his shared resident friend found him incapacitated,911was

called. This person has been hospitalized, since then having a second stroke in care. Transferred to a rehabilitation facility he has been diagnosed with syphilis. This coming November two years of constant care and the syphilis diagnoses has him deeply angered for now they have started HIV drug experiments. He feels helpless and depression has set in. He wants to sue those who unnecessarily destroyed his health, gameful employment, and stripped of his property and independence. I am so moved to tears about this person I know. Others just out right died. This article and the facts revealed has justice written all over it. Thank-you so much for posting!

MMS, Ivermectin, and a heavy metals detox – done slowly over time. He'll be brand new in a year.

This just in, National Guard at entrance of Queens Midtown Tunnel again, on the Queens side, no intel on Brooklyn Battery tunnel.

Previously both tunnels work in tandem, myself rolled through those checkpoints before.

Currently at Whitestone Bridge, Bronx side NYS vehicles [snow removal dump trucks] all over the place, in appearance they might shut it down. Other bridge crossings unknown.

Military helicopter activity been seen.

Buddy crossed Whitstone from Putnam County doing Queens stop then took tunnel into NYC. He's exiting Manhattan today via Broadway, Inwood section, not crossing Henry Hudson Bridge, having heightened vibe.

Have nothing on Penn & Grand Central Station, the Guard usually ramps-up there too.

Biggest telltale sign something is brewing is when Cops, EMT, and meter maids are packing gas masks on utility belt. Didn't hear or seen anything on that, not out-n about today.

Who knows, can't answer that, my 1970's magic 8-ball has a crack, it doesn't work well anymore.

The tribunals have been going on for some time. It's just now that it's been made public in the last few months. Hopefully the next 3 months will expose even more to increase the awareness of such actions among the public. The chaos is ramping up because "they" are being removed permanently from our planet. Never to incarnate anywhere ever again. Good riddance lol!

I changed doctors after she went covid-crazy, and it was too bad because I rather liked her and found her otherwise excellent.

Great to hear that these doctors are being held accountable but meanwhile you can still walk into any pharmacy and get the COVID vaccine. Why hasn't the military stopped it by now? How many more people are going to be injured or killed? A hundred doctors is just a drop in the bucket unfortunately.

And that is not even counting nurses and other healthcare personnel who were authorized/licensed to give injections of medications. The list will be very, very, very, very long.

Those who gave the shots, the each had a choice between three. As 65 died suddenly among ten doctors, there were plenty of clear evidences that one of these shots killed right away. I do not know for certain, yet was the saline shot marked clearly as such? Some nurses ONLY gave saline, & were usually fired, therefore THEY KNEW what they were doing, or not doing. THEY KNEW people died from the shots, yet gave them anyway. Further, as per Nuremberg, it was clearly outlined, & subsequently followed for decades thereafter, that FULLY~INFORMED CONSENT IS REQUIRED. This was NEVER DONE HERE ANYWHERE. As Obama said, you are the safety-testing trials.

This was never a qualifying Emergency requiring Emergency Measures. There were other effective (much more effective) medications readily available, & inexpensive to use, such as Ivermectin & HCQ. Instead, these were smeared & vilified & ignored. Many doctors & hospitals refused to prescribe them, when they could have cleared up early CVD within three or four days. These were all choices to put forward a kill-shot NWO Agenda, for profit, with many bribes & incentives given to medical people & hospitals. These monsters all chose to go along with a depopulation genocide, for profit, or to save their own careers, at the expense of other innocent & uninformed people. Once people started dying, these kill~shots should have been stopped immediately. These doctors ALL KNEW NOT TO TAKE THE SHOTS. They were warned, yet NEVER WARNED THEIR PATIENTS.

Emergencies don't mean we lose our rights. The DS cabal has been using emergencies to control the people & move them along in their eugenics program as they work to kill off 95% of humanity.

After the great cv lie, I would expect every sane person to see every politician and "medical professional" for what they are: pathological liars who can't be trusted for anything.

Now wait a minute, There were tons of nurses who stood up against the injections and ultimately lost their jobs. I honor those nurses who stood up for what they believed in.

They probably had a significant other, and were not going to lose everything they have. Hats off to them, and those that worked through this bs

THE GOOD ONES ALL LEFT OR WERE FIRED. Those who went along with it, to keep the house over their spouse's head, or in order to not lose everything, are just as complicit in these kill~shot deaths. They are not to be commended for anything. There was no medical emergency. Thousands of dancing doctors & nurses videos on social

media reveal the truth. They had nothing better to do. No one was dying until doctors put people on ventilators, refused even basic care of patients & their comfort, gave them deadly Remdesivir, as per Dr. Fauci mandate to hospitals, & otherwise engaged in medical malpractice & gross neglect. The only real life-threatening concerns have followed the kill-shots.

Not true. Not every nurse or military medical professional got the clot shot. Many just drug their heels and played the waiting game. Fortunately, they were able to wait out the shot until it was deemed not necessary and voided death.

You are correct.

If the public ever catches on to The Truth, these Good People™ had better make it very clear they aren't the same as the liars.

Not true. Not every nurse or military medical professional got the clot shot. Many just drug their heels and played the waiting game. Fortunately, they were able to wait out the shot until it was deemed not necessary and voided death.

Not every nurse or military medical professional got the clot shot. Many just drug their heels and played the waiting game. Fortunately, they were able to wait out the shot and voided death.

People who can sit on the hands and say nothing through all of this is worthless anyway, regardless of profession.

Can somebody please validate at least some small part of this post? Like evidence of even "one" missing/presumed arrested doctor of the 100 discussed somewhere in print online? All you posters go on and on, like everything written here is gospel truth. I mean we all want it to be true, maybe a little too much, that we quietly ignore necessary validation. Same goes for all these "political porn" articles. Man, I want them to be true.

FACT because the only place they happened was in MB's ass where he pulled them out of. 🤔🚫💩

Two years ago my GP berated me because I wouldn't get jabbed. He was pissed, and was yelling at me. The following year he said nothing about the jab during my annual check-up. Earlier this year 2023, he retired. Evidently he had enough.

Or he realized he could make more money being an annoying-DF troll turd on some social media sites.

As a rule, these people never apologize, nor admit they were wrong. They simply go quiet about it. They don't speak up as they should. I've encountered two men who claimed they 'forgot' whether they took the shots or not, only to find out when pressed, that they each took four shots. There is something really wrong with these people's inner moral compass.

I just recently found this site, and I find the articles very interesting, and hope they are all true, but how can I be sure? Where did the informationn come from? Is there any proof that they are true? Like all people who are furious at the path the country is on, I want the whole White Hat story is true, but I have been fooled before by deep state lies, and don't want to be fooled ever again.

Well there is only one anonymous source for every story so surmise what you may . All news sources demand two or three sources to corroborate the story . No pictures or video either .

No evidence for anything the New York Times says either, BTW. Remember when they told us that Kyle Rittenhousa was an evil Hwhite Supreme (Tm) and that the Jewish, pedophile criminals he shot were black people? I remember it. Did you ask for evidence then too?

Amen, all lies from MSM.. ABC actually printed a long story about what real raw news prints is a lie. MSM IS RUNNING SCARED. They, ABC are tracking the real truth.

GOOD THEY SHOULD HAVE HANGED THE NEXT DAY NOW ON TO THE NEXT 90 LET'S GET THIS SHOW ON THE ROAD HANG ALL 100 THEN GO GET MORE OF THEM BECAUSE I KNOW THERE ARE MORE OUT THERE—I WAS LUCKY MY DOCTOR ASKED ME IF I GOT THE VACCINE I SAID NO I DON'T WANT THAT OR ANY TESTS AND HE SAID OK AND THAT WAS THAT MY DOCTOR DIDN'T PUSH ME EITHER HE ASKED ME IF I HAD THE FLU SHOT I SAID NO I'M NOT GETTING IT N HE SAID ALRIGHT I HAVE BEEN TO HIM EVERY 2 MONTHS HE NEVER ASKED ME AGAIN ABOUT NONE OF IT—THANK GOD

My large family has good family doctors too, asking and never insisting, agreeing experimental untested was very risky, even quietly helping them get Ivermectin and Hydroxychloroquine after my recommendation that they needed to, in lieu of the dreaded JABs, ClotShots, Boosters.

I say hang one at a time and let them watch, mage them watch with eyes takes open, every execution

While I agree with you Bob, it will take hundreds of years to get rid of them at this rate, we need to eliminate them by the hundred several times a day.

Our Dr. told my hubby that with all the allergies he had to various medications that he should avoid the so-called vax. When I told him (the Dr.) that have absolutely no trust in Rockefeller medicine or drugs, that I prefer naturopathic medicine and Ayurvedic over Rockefeller anyday, he agreed that “western medicine leaves a lot to be desired, but I work for a westerm medicine corp (Peace Health)”. Think we'll keep him.

This is retribution for so much misery from medical criminals. I met one of those types in a parking lot outside a market and I wasn't masked of course, I laughed and said I have natural immunity, to which she replied " There is no such thing as natural immunity. "

Thy claim it is a "tryout" to ensure everything is working correctly "in the event of a big national disaster or attack."

(What kind of an attack are they expecting? The Russians, Chinese or perhaps aliens?!?)

We've already been invaded by 25 million illegals, an invasion force is already here!).

*Rumor mill news

If you have weak bones and are told to take Calcium to create stronger bones. Well that is only half the story bones are a reservoir for Calcium and Phosphorus. If the body needs these components it

is taken from your bones. Being low in Phosphorus can lead to weak bones, not just calcium.

If your Phosphorus is low something else in the body may be going on. It could be your kidneys OR it could be you are low on vitamin D, an easy fix. I would suggest taking vitamin D before getting your kidneys removed and replaced... it seems so much easier and less expensive as well as less painful.

Osteoporosis is the fancy word for weak bones.

It's all common sense if you follow the path of how the body works. Take out the big, monosyllabic, fancy words and anyone could figure this out.

Remember to take K2 with organic non gmo Vitamin D. Also, we are massively magnesium deficient. The human body does not produce Vitamin C... this is a must also.

Good job, Military! FINALLY, finally, some accountability in action on doctors, pharma and governmental agencies who violate even God's law against murder. IF Law is broken by some who then get by doing it, and mis-applied to those who abide by the law, then there is no law or order. Mankind must have rules, otherwise, it is chaos. Accountability to those laws, those oaths of even medical office, keeps life in a society. Keep these trials and executions coming against this group of people who are now facing a repeat attempt with a variant. Lives are counting on you!

It's beyond sad to witness these fully indoctrinated people get caught up in the lies they have been taught to believe. Highly educated and at one time must have truly wanted to help others by healing. You could say it's the difference between educated and street smart. When did they lose the sense of critical thinking? Was it seeking grades from their professors or searching for more money? With the many years of universities then giving away their time as interns should have filtered out the weak that were there for the money and

focus on their original goals but somehow they became compromised and lost their sense of direction. I commend the military tribunals. Quick justice to remove these doctors from society in large numbers. I would enjoy seeing these articles on national news to get the word out to the border-line doctors to keep them honest. Doesn't look like that will happen.

Controlled by fear.

WRONG!

They are not indoctrinated because they did not vaccinate themselves, and, most probably, their families.

They are not "highly educated", because if they were they would use their knowledge and common sense.

They did not "want to help people" because they could not avoid information on the side effects of these, so-called "vaccines". It was all over the internet.

They forgot the Hippocratic oath they gave: "DO NOT HARM"!

BUT!!

They got big money for each of us who "vaccinated" and died: \$49000.

Now, think, who they are: the highly educated doctors OR murderers using their diplomas?!!

In my 70+ years I have found there is a vast difference between intelligent people and smart people. These doctors are intelligent but not so smart. However, the elephant in the room, at least in Washington State where I live, is not the doctors per se, but the governmental leaders who ordered this travesty of justice in the first place. The governor Jay Inslee and his toady Attorney General Bobby Ferguson are the real perpetrators of this in Washington and should also be held accountable. Hopefully they will get their own turn to stand before a tribunal.

Totally agree, I live in WA and those two and their lackeys absolutely need to be arrested, tribunaled, convicted and executed, sooner rather than later!

Wow. According to you 12 years of listening to professors views, reading through one sided books of medicine and doing what they are told so they can graduate makes them neither indoctrinated nor educated. They were educated enough to realize the job was not something they wanted. I do believe they lost their sense of direction or were compromised.

Thanks for reading.

With 100 out of 100 unjabbed, my bet is that *they were warned* not to take it.

“they lost their sense of direction or were compromised”??!!

O! Sorry!!! We have to understand them! Poor doctors!!

I DO NOT CARE! Their sense and reasons to be compromised are their problems.

WE, THE PEOPLE, do not have to pay our lives for their problems. But this has happened! The dead people paid for their “lost sense of direction.

My son is a doctor and truly believes he is doing the right thing. Of course, he believes the earth is a globe, Biden got 80 million votes, orange man bad, and 911 was done by terrorists.

Congratulation.

You have your son a doctor.

However, he did not learn how to analyze information.

So, I would not have him as my family doctor.

Some in the field have estimated the total per “Covid Death” to be in the ballpark of \$300,000.

The only Question they can not answer is why they didn't that the Jabado and Booster's.

Game over.

Complying with evil made them evil. Forcing the experimental shots on their patients, when they didn't take the vaccine, is the oath of a hypocrite!

I hope this sends a message to doctors and they stop complying with the murderous orders! They need to look around at all the destruction they caused.

This isn't about indoctrination; those doctors were PAID every time a patient got the jab. This was about murderous homicide, which is why those 100 doctors will be executed. You don't execute people for simply being indoctrinated; otherwise, you'd have to hang most of America's citizens.

What keeps going through my mind is that doctors have and will continue to believe killing and maiming is ok as long they are paid well and as long as the cdc and fda say it is ok as per their study!! Further, I know every one of them thought to themselves all will be ok as I cannot be sued as per the HHS! It's all about \$\$, right!?! That's like being in the investment business, selling something totally bogus, promising results, while at the same time not being held liable for damages as you make a huge commission on a very esoteric product with no secondary market! It's all relative! You would be in fined, put in jail, and barred for life!!

A doctor not doing due diligence on the death jabs, not saying anything, and making the shots "optional" (patient's call) or mandatory without full disclosure is on parity with seditious treason! You are still being paid to kill when it's your ethical and moral duty to inform either way. THEY ARE ALL GUILTY, except the few you can count on your hands and feet! Drag a few out of their offices, hang from the door of their Mercedes like the Clintons do, and they will all sh-t their pants and confess! Let the the survivors get some closure with this! Some mysterious "trial" (fake) at Disneyland with no

names in some fantasy “court” offers no closure. I hope this is occurring, but doing behind the scenes does nothing. They will just find another doctor to fill his or her shoes for the love of \$\$\$! Shouldn't this be for the benefit of the American people?! It's time for the white hats to come out of the closet and inform Americans we are in a war and Americans are potential casualties! The excuse has been the Cabal will do something terrible to the people! Well, it's been done over and over while we the people get to find out the “truth” from a few pesky and profiteering “truthers” who are guessing about what's going on just as doctors are guessing the vax doesn't kill or maim! No sh-t! I think they truly underestimate the resolve of Americans, even as spoiled and fat as we are! How many more kids have to die before it's enough and the white hat cabal tells parents to stay close to your kids, we are in a war, they love kids, and be vigilant! Not a damn peep.... Pitiful!! I think I know the answer... these fairy tales are like bedtime stories People like to read hoping to find some semblance of truth and to see some light at the end of the tunnel, and I find myself there as well!! The only light seen will be when they tell the damn truth. Most will Americans resent being kept in the dark, but at least share we are at war! I know I am angry already! Screw the asleep... they should be the casualties... not the awakened! I didn't say tell us the particulars of the plan. Please just tell ALL THAT WE ARE IN THE LINE OF FIRE! There will be riots either way, there will be Soros paid killers/looters, and there will be loss of innocent life, but far less if they are aware of danger! At least give us a chance with a heads up! White hats have a plan; give us a plan to protect ourselves! It's not that hard or revealing! It's the least you can do!

Nothing is going to happen because it was written on the internet. Patriots must take action!!! Get started, Bob!

We are that plan, to inform the misinformed. Do it on social media, do it in person, do it on a soapbox, just do it.

I scrawled in chalk all over the walking trail DO NOT TAKE THE VACCINE SHOTS. THEY KILL. Many days of this, & one do-gooder lefty took pains to smudge it out every day I did it.

I wrote out information sheets regarding the dangers of the shots, etc., & spoke with my neighbors. I have been on social media every day for three years straight. I have researched & studied, & liked & shared, & done all I knew to do in the face of great censorship. Get a huge sign made & post it from a local bridge.

Don't worry about it, that person will most certainly get in line to take more jabs, now you need to write, Stay 20 feet or more away from vaccinated people, avoid them like the plague. Because they are the spreaders of the spike proteins that spread the disease. Shop for stuff the second the doors open, and be quick about it. Stay the heck away from people you don't know.

All of the actions being taken now to effect a new plandemic response is further cause to expedite these cases ! We may need to observe the legal rights of the perps but must not ever give an inch to the agenda these Luciferians are aligned with ! Some perps may think they're blameless due to the corrupt sickness industry shielding them however they are all guilty in Creator God's Eyes ! I now remember an anonymous survey taken in the 1970's that showed at least 50% of the " health professionals " reported regular use of drugs on very restricted list of narcotics. I am sure that the percentage is far higher addiction rate now. There is no logical reason to assume these employees of the sickness industry are not fully compromised drug addicted idol worshippers ; fully in the grip of Lucifer & his demons. These heathens whom harm innocents while foolishly believing they'll be held harmless THEY are not Above The Law , not exempt from The Eleventh Commandment " Thou Shall NOT Get Away With It ! " String 'em up And requisition two brand new Guillotine's along with NavyBlueSmoke , just in case production & efficiency , must be raised to a new level !
