Za to, že si ustřelil ústa, byl Trump označen za zločince. Stíhání zahájené proti němu vyvrcholilo zatčením v Georgii: To je pronásledování. Trump je podřízen zákonu vlády, nikoli právnímu státu

Jinak je Donald Trump obdivuhodný a rozkošný; jeho hrnek vystřelil kus politického umění na věky.

Že je Donald Trump politickým mučedníkem, je neoddiskutovatelné. Byla to základní pravda již v lednu 2021, kdy jsem poprvé vyslovil M-slovo. Touto příležitostí bylo prezidentovo druhé obžaloba, která

byla ve Sněmovně schválena improvizovaně, bez řádného soudního řízení.

To, že pronásledování Trumpa je jeho čestným odznakem, jakýmsi vyznamenáním, bylo v některých nepravděpodobných oblastech podporováno. Jednotlivci, kteří si říkají Blacks For Trump, říkají totéž. Trump je teď bratr: Označí tě za zločince za to, že ti ustřelil hubu, a zamluví tě do nechvalně proslulé věznice Fulton County Jail v Atlantě ; to znamená, že si s vámi systém zahrává, říkají . Jste jedním z nás.

Bratři, kteří takto mluví, cítí hlubokou nespravedlnost, která přichází s institucionální hnilobou.

Stíhání zahájené proti Trumpovi vyvrcholilo zatčením v Georgii: To je pronásledování. Trump je podřízen zákonu vlády, nikoli právnímu státu.

Nyní, když byl Trump umučen – modlíme se za bývalého prezidenta a vzdáváme hold za jeho odhodlání a odolnost tváří v tvář nefalšovanému zlu. Pro Stálý stát, demokraté a republikáni, chtějí, aby Trump odešel navždy – i horší. Tam! Já to řekl. Je to pravda. Hlava DC hydry odepřela Robertu F. Kennedymu Jr. bezpečnostní detaily; a kdyby mohli, zavraždili by Donalda Trumpa. Udělali by ti totéž, kdyby ti na tom záleželo.

V jejich mírných, chabých reakcích na mučednickou smrt Donalda Trumpa; republikáni zůstávají odporní.

Neokonzervatismus znovu mainstreamován

Nehledě na obdiv k Trumpovi – jeho selhání jako prezidenta jsou nenapravitelná. Normalizoval „dokonce oživil neokonzervatismus„, povzbudil jeho představitele k návratu tím, že dbal na svou dceru a najal tolik z nich. Nikki Haley a John Bolton jsou příklady. Poslouchal také jejich politické rady:

„Často se říká, že Trumpova administrativa je ‚izolacionistická‘,“ napsal historik Andrew J. Bacevich v UK Spectator. Nepravdivé. „Ve skutečnosti jsme nyní svědky dramatické eskalace militarizace

zahraniční politiky USA na Blízkém východě, v Africe a Afghánistánu. Nebylo to oznámeno, ale děje se to a mnoho z toho bez ... jakékoli debaty v Kongresu nebo médiích.

To, že Trumpova zahraniční politika je daleko lepší než ta osmi republikánských prasečích prezidentských nadějí, nic moc neříká. Je to horší než u RFK., Jr. A zahraniční politika je nyní určujícím problémem, ať to udělá nebo zemře.

Šik Deep State, který byl neovladatelný, vyrostl pod Trumpem. Christopher Wray byl kandidátem na ředitele FBI prezidenta Donalda Trumpa. A co víc, Wray řekl prezidentovi a národu, kde leží jeho čistá loajalita. Wray řekl, že byl více než nakloněn svému zkorumpovanému předchůdci Jamesi Comeyu. O bývalém řediteli FBI Robertu Muellerovi Wray také tryskal . Naznačil Trumpovi, že se rád přebrodí zpět do stejných bažinatých znečištěných vod – Trump mu to dovolil .

45. prezident promarnil mandát, který dostal. Trump nedokázal zabránit konsolidaci – a zločinům proti lidskosti – kartelu Covid, očkovacím pasům, protiústavnímu uzamčení, decimaci amerických malých podniků a zkáze způsobené létem černo-bílého vzteku, který zůstal nepotrestán . pod jeho dohledem.

Slíbená zed' ustoupila „vícevrstvé technologii“; k pouhému „rozmístění dalšího personálu“ a ke slibu „lepšího „prověřování potenciálních imigrantů, uprchlíků a dalších zahraničních návštěvníků“, když Deplorables chtěli, aby kriminální vetřelci byli uvězněni a vyhnáni ze země.

Trump také zahájil škodlivou show T & A o zrádných lidech. Zamiřte na CNN nebo ABC, pokud máte zájem poměřit se s typickými oslavenci najatými Donaldem Trumpem během jeho prezidentství. Na progresivních sítích Fake News lze pozorovat ženské flotsam a jetsam – bývalý Trumpův personál – vystupují pro kameru a syčí jako kobry proti prezidentovi, který je pošetile najal pro jejich majetek.

Trump Deplorables slíbil, že najme ty nejlepší. Místo toho nám dal rotující nepřetržitou přehlídku T & A, včetně své malé dcery.

Stále neznám Shia od Shinola

Pro Ivanku Trump bombardoval Sýrii. Pro jejího psího manžela schválil nálože lodí s vízy H-1B a pomoc Saúдови při bombardování hladovějícího Jemenu. Stejně jako jeho předchůdci, kteří neznali šíity od Shinoly, byla Trumpova Amerika zapojena do zástupné sunnitsko-šíitské náboženské války, což byl také konečný cíl Rijádu; na straně sunnitů, kteří křesťanům ani Američanům nedají suchý velbloudí hrb a z jejichž medres pocházejí naši zabijáci.

Šíité jsou regionálně zastoupeni klidnějšími, ušlechtlejšími Íránci a syrskými Alawity. Trump zavraždil uniformovaného představitele suverénního šíitského státu. Qassim Soleimani, íránský generálmajor, byl ekvivalentem našeho velitele speciálních operací. My Američané bychom netolerovali, kdyby Íránci označili velitele amerických speciálních operací, generála Bryana P. Fentona, za teroristu.

Spravedlivá zahraniční politika je taková, která se vyhýbá místním šarvátkám a umožňuje regionálním mocnostem, aby se objevily a dospěly k opatřením výhodným pro místní obyvatele. Běda, existuje mnoho důkazů, že když se jemenské, saúdské, syrské, íránské, izraelské a ruské zájmy pokoušejí o regionální suverenitu a diplomacii; Strýček Sam je nahradí, aby je rozdělil.

Celkově vzato, Jared i Ivanka, přezdívaná Jarvanka, dychtivě pracovali v *Davosu (Davos before Deplorables)*. *Ti dva se motali ke všem hlavním funkcím, nevkusně vyhazovali první dámu loktem a při každé příležitosti ji podrážděli, audienci u papeže nevyjímaje.*

Na rozkaz Jarvanky – a pobídnutý svým vlastním strašlivým úsudkem – začal Trump střílet a hádat se s architekty MAGA, z nichž všichni nemohli vystát duo z *Davosu*. Ivanka vypařila vynikajícího Johna Kellyho, který Jarvanku držel mimo Oválnou pracovnu.

Stejně jako se Trumpova dcera zbavila ministryně vnitřní bezpečnosti Kirstjen Nielsenové, tvrdé ledové princezny, která

fakticky zavedla a spravovala politiku nulové tolerance na hranici a nikdy neustoupila kvůli odloučení rodiny.

Ivanka pak se svým domácím chlapcem zahájila Goldman-Sachs West-Wing matriarchát (Jared je androgynní, jistě její submisivní). Neokonzervativkyně Dina Powel, bývalá poradkyně Ivanky, se brzy dostala do Trumpovy Národní bezpečnostní rady. Byla pozůstatkem z Goldman Sachs a rekrutem Ivanky. Sympatický demokrat Gary Cohn, Trumpův hlavní ekonomický poradce, byl bývalým prezidentem a provozním ředitelem Goldman Sachs. Tito „Demokrati Kushner-Cohn“ vyhnali Stephena Bannona ze Západního křídla.

Ivanka a průvod bimbo se ukázal jako jeden z „nejneřešitelnějších Donaldových problémů“. „To, co Ivanka chtěla, Ivanka dostala,“ na úkor agendy MAGA. Ať už to Deplorables přiznají, nebo ne, dva newyorští liberálové, nepotistický přívěsek Trumpovy administrativy, byli katastrofou pro plán, který prezident Trump slíbil a pro který Deplorables hlasovali.

A nebudu ani zabíhat do tiskových mluvčích, kteří ozdobili Donaldovo pódium, počínaje klopýtnutím Sarah Huckabee, poslušnou, zbytečnou, věčně se omlouvající za jakýkoli popud America First. Víte jen, že Kimberly G-String (která dělá Madonnu přirozeně) se rovnou vrhne do role Trumpovy tiskové tajemnice . (Více o Kimberly Guilfoyle v „Is Political Participation Predicated On Views About Holocaust ?“, 14. listopadu 2019) Pokud to není milenec Dona Jr., pak to bude další takové zjevení. Někdo jako Trumpova advokátka Alina Habba-Habba . Je to, co Trump jmenuje a bude i nadále jmenovat, protože mu chybí prostředky a vůle hodnotit a ocenit inteligenci.

Kniha Trumpova revoluce vašeho publicisty , vydaná 29. června 2016, povzbudila „ Donaldovo kreativní ničení. V knize „ Trumpova revoluce, Donaldova kreativní destrukce dekonstruována “ byl Trump oslavován jako

„Politický Samson, který hrozil, že se na jeho patrony zřítí doupe nepravosti, ... zakořeněná punditokracie, samozvaná, bezvýznamná inteligence, mastní politici, uhlazená média, velké peníze: Co si jen vzpomenete; Trump s tím házel a házel.“

Tím, že se Trump stal ohniskem abecední polévky agentur a agentů Impéria zla – DOJ, FBI, CIA, DNI , DA – Trump pro všechny dále odhalil hnilobné vnitřnosti Stálého státu.

Ve stejné knize váš sloupkař doporučil, že pokud se Trump musí vrhnout do čela své administrativy – ať si vybere ženy jako Michelle Malkin, Ann Coulter a Heather Mc Donald , které dokážou rozumně doručit, jsou bojovnice s bojem, ne tak docela. napadnout oko. A nebude se chovat jako Delilah, která se stala holičem.

Bohužel, muži s křehkým egem nemají rádi ženy chytřejší než oni sami.

Jinak je Donald Trump obdivuhodný a rozkošný; jeho hrnek je kus politického umění, jeden na věky.

Trump is a “*wheeler-dealer*” who has dealt with jews all of his life. He knows their machinations, schemes, and scams from top to bottom.

It appears that he is giving jews whatever they want, which does not paint a pretty picture for the rest of the world, but there may be another motive in play here...

As Trump knows “*the art of the deal*”, he is actually exposing nefarious jewish practices to the rest of the world by moving the U S embassy to Jerusalem, along with encouraging other countries to do the same.

Many people are unaware that diplomats and their staffs operate with diplomatic immunity, which confers a certain degree of immunity from the host country’s laws while allowing them to observe the host country’s actions.

Foreign diplomats and their staffs will be able to conduct the same kind of clandestine operations within israel that israel presently performs throughout the world.

Trump was not giving israel “*everything*” for “*nothing*”. The other shoe was supposed to drop—until the 2020 election was “*stolen*” from Trump and his supporters. The jews NEVER want to “*complete “their end of the deal*”, always looking for ways to “*get out of it*” and “*screw the goyim*” out of “*their end of the deal*”..

They were temporarily successful by throwing the 2020 election. However, if Trump wins in 2024, all bets are off.

Trump should answer all of your criticisms and apologize for his mistakes. He should take Sara Palin as running mate and promise Yogaswami at Justice. Trump aint much but he's all we got.

Better yet – Trump should retire. For his own good and because he simply will not be allowed to be President. It seems he has chosen to ride or die. For that I admire him.

The Potomac Regime will have to be taken down from the outside. Putin and Xi are working on it.

A trenchant analysis, as always, from ilana. Pretty much sums up the situation.

I intend to vote for Bobby in the primaries and hope for the best. I think it's unlikely he wins the Dems' nomination, but who knows. Let's say he does. Next paragraph.

In the event that Trump or DeSantis is nominated, and facing RFKjr, I'll watch the debates, read the news and keep score, a truly Undecided Voter. Like ilana, I trust Bobby more on foreign policy, which has all of a sudden become paramount (it shouldn't have, but the Ukrainiacs have made it so). Doug MacGregor seems to like Bobby more than the others

But I'll give everyone the benefit of the doubt. If.

Wither DeSantis? Is he done? He probably should fold his tent, go back to Florida and solidify his record as America's foremost Unwoke governor. He'd probably earn a lot of political capital right now, if he'd quit the race, endorse Trump and work tirelessly on his behalf. Then in 2028....but what am I saying? Will there still be a country in 2028?

Nonetheless, I don't think we'll be so lucky as to see a Donald versus Bobby election. America seems too doomed to be so fortunate. More likely, it'll be Michelle versus Nimrata in 2024. And the angels sing....

Trump is definitely the best we had in my 5 decades . No way any sane white person can dispute this . For that matter he was the best President blacks ever had .

His faults and things he did that throughly disappointed us have been beaten to death at this point.

For the first time in my life wages were actually gaining . Just as soon as he left the establishment wiped out the few gains we made in Trumps 4 years . They did it because they wanted to let us know , fuck you YT , how dare you elect someone who is not a member of our club . Some here think he's part of the establishment. This isn't possible . No way in hell would the uni-party put him through this shit if he was one of them . And please don't remind me about Trump bringing on establishment neocon Bolton . I was shocked when he announced he came on board . WTF 45?

Anyway . I caught a good video from Razorfist the other day talking about how bad the fake charges levied against Trump are backfiring . As he said , they've taken a billionaire and turned him into an outlaw hero . What do Americans love ? Outlaws ! He referenced Jesse James and Doc Holiday for comparison. I 100% agree .

I'm not saying it will get Trump elected again . I kind of figure they've been planning steal number 2 since January of 21. Every time they throw new shit at Trump his poll numbers rise . You'd think they would have learned from the GOP after they nailed Billy on the BJ. Billy's numbers went up. Interesting to see how this will play out. I am expecting knee grow /commie rioting next year . Just to remind us , just vote for Joe again and it will all go away , just like it did last time .

| However, if Trump wins in 2024, all bets are off.

Casino Trump, while certainly a victim of the *Fascist Zio-American Oligarchs*, IS ONE OF THEM. **He will never FIGHT for the American People**. He showed that in his HISTORY of ALL HIS CORRUPT LIFE, as a (friend of MOSSAD's **Shadow Gov't**, of Epstein, Maxwell, & Barak – that ruled America for 30 years, after their Assassination of the Kennedys). His so called 'administration' was a pathetic service to the Power Elite.

Ourselves Alone! We must Restore our Republic, that was destroyed in the November 22, 1963 Coup D'état. No one else, no other Nation, will do it for us.

Once again the Jew-regime is helping Trump suck all the air out of the room,

There is certainly a lot **not** to like about Trump. The list of his failures, particularly when it comes to Javanka, is certainly all on him. What backroom deal had to be made with Republican Inc. in order to ensure they didn't block his nomination is unknown. Priebus was known to be meeting with never-Trumpers on a regular basis, and it was he who was involved in the original appointments. Of course, that doesn't cover the other horrendous choices.

That said, I do think Trump is smarter than people give him credit for being. It's his gasbag act that attracts his most strident supporters, while at the same time driving his opponents nuts. Was/is this martyrdom intentional? Were his bad choices, other than Javanka, intentional? As anarchyst, in comment #1 suggests, things were not for nothing. In all of his purportedly Israeli pandering, smartypants Bibi kept welching, leaving Trump to note that they really don't want peace. Now it's out there for all to see. The Saudis signed on to the Abraham Accords, but have been stiffed a couple of times, leaving an opening for China to get the reconciliation with Iran. How does that help Israel? As for getting along with Russia, it's hard to see how that line holds any water when he wanted to buy Greenland. What purpose could there be in that, other than turning it into a massive launchpad for US missiles aimed a Russia?

At the end of the day, Showman Trump, hated by both Democrat Inc and Republican Inc., appears to be a danger to the entire money laundering system. That alone has to be some sort of accomplishment.

Admiration for Trump the Man notwithstanding—his failures as a president are irremediable. He normalized, even revived, neoconservatism, emboldening its representatives to make a comeback, by heeding his daughter and hiring so many of them. Nikki Haley and John Bolton are examples.

And how did they repay him? As the scorpion repays the frog.

“Why did you bite me?” asks the frog of the scorpion riding on his back. “Now we’re both going to drown!”

“Oi, not me!” replies the frog. “I’ll live on in Zion and in Mammon!”

These ((neocons)) have the exact same mentality: Mammon and Zion is all that matters to them: loot and a gold plated, iron dome hideout. Which is why they need to be stripped of their loot and sent to hell, so they can never do treason again.

My appreciation and great respect to you for pulling The Rose Tree out of your memory banks, to perfectly make your point. Proud disclosure: I am an admirer of Yeats; an owner of Helen Vendler's book on Yeats. Anecdote: I know a naturalized Chinese-American who is quite familiar with the poetry of Yeats; now THAT'S what I call assimilation.

I agree that November 22, 1963 was the major turning-point. But I believe that it became not just a tipping point, but a point of no return. I feel it is extraordinarily unlikely that there will emerge a path back.

Ilana – Lets not overdo it. Trump is a loudmouth blowhard, which is his true crime. He is being given the Nixon Treatment. What Nixon did was illegal, but not why he was prosecuted. Nixon's true crime was ticking off people in Congress. This is Trumps 'crime' also.

Re the famous mugshot of Trump at top of this article, people notice that what Trump did is adopt the 'Kubrick stare', what director Stanley Kubrick used in his films to suggest the character is deranged or psychopathic, the look of staring directly at the camera, but head tilted down ... in photo just below:

Clockwork Orange, Malcolm McDowell

The Shining, Jack Nicholson

Full Metal Jacket, Vincent D'Onofrio

Georgia Jail, Donald Trump

Thanks again Ms. Mercer; the truth is so enlightening. But let's be fair. As an outsider, President Trump had to trust established politicians and could not have known how extreme the control and corruption in federal politics is. But we should all be grateful for the "Exterminator" for forcing the bugs to crawl out of their disguises and reveal their true identities and motives. RFK Jr is totally cool, and there is no one on this planet that can question his integrity. But his priority of saving the Democrat Party is an impossible task; they have lost it completely. President Trump is Maximus, but with a thousand sticks of the knife. But they are only flesh wounds because he has won the support of the MAGA movement; the sleeping giant that was awakened by the devious and soulless D.C. elites. America is going rogue, with or without President Trump. But people should understand, if a now experienced President Trump gets back in office, he will be serving a lot of Sushi.

He normalized, even revived, neoconservatism, emboldening its representatives to make a comeback, by heeding his daughter and hiring so many of them. Nikki Haley and John Bolton are examples. He heeded their policy advice too:

Left intractable, Deep State chic grew under Trump.

The 45th president squandered the mandate he was given. Trump failed to prevent the consolidation—and the crimes against humanity—of a Covid Cartel, the vaccine passports, the unconstitutional lockdowns, the decimation of American small business and the destruction brought by the summer of black-on-white rage, which went unpunished under his watch.

Exactly so and that is why I say this is all a charade... Trump is a minion.

Great article, full of truth and wit.

Little Alex wasn't deranged. He was empowered. Kubrick stare, sure... but his gaze was mocking and defiant. He was, as the kids say, living his best life.

Not even in the same ballpark as Private Pyle or Jack Torrance, who were systematically broken to serve a malign purpose.

His faculties were absolutely clear until the State started putting the lid locks on his eyes and tormenting him with his beloved Ludwig Van. THAT'S when he broke, when the State had rendered him sexless and cowering. He only got the stare back once he was freed of the derangement.

In which case, there's hope for Trump yet.

Trump is David provoking Goliath and then tossing his slingshot aside instead of using it.

Goliath then goes on a rampage, smashing Trump — and anyone else he thinks supported Trump.

Do we really need more of this???

Us accelerationists do.

More, please.

The critical paragraphs was longer than the sympathy paragraphs. But I get the point. His warts are there for all of us to see.

Trump said he is going to be different this time because he now has a Phd in Washington politics and politicians.

But did he need a Phd not to appoint Bolton? Kindergarten would have sufficed.

Did he need a Phd not to lie about Syria and bomb it?

Did he need a Phd not to assassinate Solemani? What he needed there was the most primitive sense of morality. Even the CIA hides their assassinations. Hypocrisy at least is the tribute that vice pays to virtue. Trump bragged about it. What that makes him scares me.

Patrick Byrne wrote a book, and said that Trump was too soft – too nice on a personal level with those around him, and just look at what was around him!!!

If he behaves the same way when he gets in office, it may be that they are setting him up to start WWIII.

Food for thought...

President Trump is being prosecuted for (supposed) “crimes and misdemeanors” while he was president.

ALL of these lawsuits must be tossed out and declared invalid.

The only way to prosecute a president for “crimes and misdemeanors” committed while he is in office is with impeachment.

NONE OF THESE PRESENT LAWSUITS ARE
CONSTITUTIONALLY VALID.

Trump also ushered in a damaging T & A show of treacherous distaff. Head on over to CNN or ABC if you are interested in taking the measure of the typical celebutantes hired by Donald Trump during his presidency. On the progressive Fake News networks one can observe the female flotsam and jetsam— former Trump personnel— perform for the camera, hissing like cobras against the president who foolishly hired them for their ass-ets.

I really like paragraphs like this. Thank you Ilana Mercer.

Being himself a convicted rapist he projected that onto Mexicans.

A typical liar and demagogue who scapegoats and demonizes the weak and defenseless and innocent (e.g. Mexicans) while sucking up to the powerful (e.g. Jews).

The reason Mexicans have invaded the US is because Americans want them here as cheap and compliant laborers, or for jobs very few American born natives will do.

He deflected anger from the slavers who bring slaves into the country to the slaves who were brought here by the slavers.

Americans being the dumb morons they are fell for it as they always do, driven by base emotions like hatred.

That so many Americans see Trump as their savior proves their idiocy.

On the other hand, because Trump is such a vicious and obvious moron, he is the best hope for bringing down the American empire. He should be the favorite candidate of all those who want America to self destruct and split apart.

@36 ulster

While Tail Gunner Annie makes a number of 100 percent truthful and excellent, critical points. In fact, although I voted for Trump twice, I have never been under any false illusions about the guy being some kind of Saintly Savior who appeared out of nowhere to save America from these diabolically evil Communists on the left and within the RINO fake right.

But, every time I see or hear these truthful critics of Trump run down their gripes and the lists of betrayals he was guilty of committing – never do any of these critics ever provide the name of someone who would be a trustworthy alternative.

I think that is because, right now, there just isn't a trustworthy alternative.

I mean, consider just what sort of sleazy hypocrite Coulter has revealed herself to be – by endorsing Meatball Ron DeSantis. This is the same confused woman who has, on numerous occasions, bitterly complained about the sickening subservience of every politician of both parties to the crap hole State of Israel and who put the interests of that foreign nation ahead of the interests of Americans – but, then she turns around and endorses Ron DeShabezgoy who twice flew all the way over to Israel to sign two pieces of UN-Constitutional legislation that abolishes the First Amendment rights to free speech for every resident, including Coulter, of his state of Florida – so as to kiss the asses of his jewish billionaire campaign donors?

As soon as Tail Gunner Annie decided to join the never-Trumpers, I have stopped wasting my time reading any of her columns. She is willing to hitch her wagon to a dangerous jewish toe kisser who is willing to shred the Bill of Rights with the tip of

his governor's pen to please the jewish Bolshevik Communists who hate free speech; imagine what this treasonous rat would do if he had control of the President's pen?

And, that is a sad testament to the current state of this jewish corrupted nation.

I agree. But, and this is a big BUT. Trump, for all of his stupendous number of faults – refused to let the jews goad him into starting any NEW wars. He did wimp out in his lame efforts to extract our troops from the conflicts that his predecessors had let the neocons embroil them into, and that wimpy behavior deserves to be heavily criticized. But, he does seem to grasp how mentally insane and irresponsibly reckless these war mongering neocons are and clearly is not the kind of blood thirsty war pig that the jews would prefer to sit in the Oval Office.

I think DeSantis is that kind of blood thirsty war pig. He often reminds me of that cocaine snorting slab of armadillo excrement who used to live in Crawford, Texas by the way DeSantis likes to 'talk overly tough' and strut around acting 'as if he is Super Macho'. Remember his insulting remark that Putin was just a tin horn dictator and a full time gas station attendant? That is not the way intelligent leaders carry on with the leaders of other first world caliber nations, and especially one like Russia that has over 5,000 nukes that can incinerate our asses if presented with sufficient amount of provocation. You treat those kinds of leaders with respect, diplomacy and courtesy. Which is precisely what Putin has been asking for and not receiving. Respect for his perfectly legitimate national security concerns.

So, you are right that Trump is addicted to kissing jewish ass and what makes this addiction so humiliating for him specifically, is that he keeps doing it at the same time they are taking a Semitic bullwhip to his hind parts and trying to destroy his life and put him in prison for the rest of his life for daring to expose how they stole the 2020 election. Watching this spectacle is incredibly nauseating. And, if he winds up winning in 2024 – I do

not expect that the guy will change very much. The blacks that the jews have recruited to prosecute him and the jews who are giving those blacks their marching orders will not leave any lasting impression on the brain of the Orange Moron.

He'll spend his 2nd term sucking up to both of those groups just like he did in his first term.

Pffft.

The US is already self-destructing and splitting apart.

The US is filled with libbies/commies who are perfectly happy destroying people who simply don't agree with them. And they will not stop until they destroy every conservative, jail every conservative, and impoverish every conservative.

There is simply no way that about 1/2 of the people in the US are going to continue to put up with being treated like pariahs in their own country by the non-westerners taking over. Non-westerners are the illegal invaders, blacks, muslims, hispanics – people who are much more tribal and simply don't believe in western legal principles.

On top of all of this, there is the alphabet mafia, a tiny group that is successfully destroying white culture along with all of the other non-westerners.

As these tribal groups get more and more power, the US will continue to deteriorate into a 3rd world s-hole, with constant violence between all of the competing groups. None of these groups believe in anything but power for themselves.

If Trump or people who are similar to him in political outlook don't start gaining much more power, the US is finished.

Trump can help “finish off ” (if indeed your prognosis is true) the US faster by adding fuel to the tribal fire you are talking about.

Westerners came here as invaders, from Western Europe, and overwhelmed the natives, as pirates and thieves bent on exterminating natives. Nothing legal about Western piracy and theft of land and resources.

The blacks didn't come here as invaders, they were brought as slaves, and today Hispanics play a similar role as modern slave labor.

The Muslim population in US is tiny compared to Western Europe, it is the Hispanics along with Asiatics that will rise in numbers.

It is already too late to turn the tide. All Trump can do is to exacerbate racial tensions and add fuel to the fire. I don't see what he can do that will turn the clock back by many decades.

Whites will probably end up like native Americans in a few hundred years, or less, unless they can somehow expel or murder all nonwhites which could be very problematic.

How do you see Trump restoring an overwhelming white majority?
