Můj osobní příběh je dlouhý a matoucí, nad kterým se pravidelně osobně zamýšlím. Pokud to skončí v historickém zájmu, pravděpodobně na to budou muset přijít lidé, kteří nejsou mnou, z mých soukromých spisů po mé smrti. Ale ať už jsou detaily jakékoli, jak SPLC, tak ADL, stejně jako pravděpodobně všechna mainstreamová média, mě označili za „nejvlivnějšího antisemitu 21. století“. Je to titul, na který jsem velmi hrdý.

Ačkoli mě jako zdroj uvádí jen málo lidí, zůstávám nejčtenějším anglicky píšícím novinářem na světě, i když jsem byl vystaven nejhorší cenzuře ze všech v historii. Spouště lidem se líbí moje materiály o ženách a moje geopolitická analýza. Ale nakonec je vše, co píšu, v první řadě filtrováno přes antisemitismus.

Definice "antisemitismu"

„Antisemitismus“ je pro Židy záměrně obtížně definovatelný. Jsou schopni zatemnit definici, protože vytvořili situaci, kdy i žádost o vysvětlení, co tento termín znamená, je považována za antisemitskou. Termín se stal tak mocným a tak poškozujícím pověst každého, kdo se jím pomazal, že se nikdo neodváží ani po špičkách. Jakmile se objeví náznak, že se ADL nebo jiné židovské skupiny

chystají uvalit pošpinění, lidé se vzdávají. Nebo tomu tak alespoň bylo předtím, než Kanye West loni výrazně zatlačil proti tomuto židovskému systému.

Nyní jsme svědky jakési podpory Kanye Westa proti Židům v podobě pokusů Elona Muska potlačit agendu židovské cenzury, která jeho společnost stojí miliardy dolarů. Oficiálně byl ADL označen za „antisemitu“, protože si myslí (nebo alespoň tvrdí), že Twitter by měl povolit všechny formy legálního projevu.

Naznačený význam „antisemitismu“ je, že „bezdůvodně nenávidíte Židy“. „Pracovní definice antisemitismu“, kterou vytvořila International Holocaust Remembrance Alliance (IHRA) a kterou nyní používá několik institucí – včetně vlád Ron DeSantis a Greg Abbott – definuje chování, které tvoří „výrazy“ proti -Semitismus, ale nesnaží se zabývat tím, co antisemitismus vlastně je, jednoduše ho označuje jako „určitý dojem“. Z toho opět vyplývá, že jde o slepou nenávist bez důvodu.

THE FULL TEXT OF THE IHRA WORKING DEFINITION:

On 26 May 2016, the IHRA Plenary decided to adopt the following non-legally binding working definition of Antisemitism:

Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.

To guide IHRA in its work, the following examples may serve as illustrations: Manifestations might include the targeting of the state of Israel, conceived as a Jewish collectivity. However, criticism of Israel similar to that leveled against any other country cannot be regarded as antisemitic. Antisemitism frequently charges Jews with conspiring to harm humanity, and it is often used to blame Jews for “why things go wrong.” It is expressed in speech, writing, visual forms and action, and employs sinister stereotypes and negative character traits.

Contemporary examples of antisemitism in public life, the media, schools, the workplace, and in the religious sphere could, taking into account the overall context, include, but are not limited to:

- Calling for, aiding, or justifying the killing or harming of Jews in the name of a radical ideology or an extremist view of religion.
- Making mendacious, dehumanizing, demonizing, or stereotypical allegations about Jews as such or the power of Jews as collective — such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other societal institutions.
- Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, or even for acts committed by non-Jews.

- Denying the fact, scope, mechanisms (e.g. gas chambers) or intentionality of the genocide of the Jewish people at the hands of National Socialist Germany and its supporters and accomplices during World War II (the Holocaust).
- Accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust.
- Accusing Jewish citizens of being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interests of their own nations.
- Denying the Jewish people their right to self-determination, e.g., by claiming that the existence of a state of Israel is a racist endeavor.
- Applying double standards by requiring of it a behavior not expected or demanded of any other democratic nation.
- Using the symbols and images associated with classic antisemitism (e.g., claims of Jews killing Jesus or blood libel) to characterize Israel or Israelis.
- Drawing comparisons of contemporary Israeli policy to that of the Nazis.
- Holding Jews collectively responsible for actions of the state of Israel.

Antisemitic acts are criminal when they are so defined by law (for example, denial of the Holocaust or distribution of antisemitic materials in some countries).

Criminal acts are antisemitic when the targets of attacks, whether they are people or property – such as buildings, schools, places of worship and cemeteries – are selected because they are, or are perceived to be, Jewish or linked to Jews.

Antisemitic discrimination is the denial to Jews of opportunities or services available to others and is illegal in many countries.

Aby bylo jasno: mezi názorem a chováním je rozdíl. Zdá se, že „antisemitismus“ odkazuje na názor nebo postoj, ale tato definice popisuje chování, o kterém Židé tvrdí, že pramení z postoje, o kterém, opět, tvrdí, že existuje bez důvodu (nebo kvůli nějakému vágnímu „zlu“). Tento koncept dává smysl v židovském světonázoru, kde pohlížejí na Nežidy jako na zvířata, která jsou náchylná k iracionálnímu a „zlému“ chování. Pro nežida nám však zbývá otázka, proč by lidé vůbec byli proti Židům (většina lidí nevěří, že „někteří lidé jsou zlí“).

Je zřejmé, že při pohledu na výše uvedený seznam „projevů antisemitismu“ můžete vidět spoustu různých důvodů nesouvisejících se „slepou nenávistí“, proč by se lidé do těchto „projevů antisemitismu“ zapojovali. Nejnaléhavějším příkladem je holocaust, kde jej můžete „popírat“ jednoduše proto, že vás důkazy nepřesvědčily. Mnoho dalších věcí na seznamu jsou prostě vjemy, které se mohou vyvinout z mnoha důvodů, které nesouvisejí s agendou „nenávist“. Myslím, že se všichni shodneme, že „volání po smrti Židů“ je nevhodné, ale vše ostatní na tomto seznamu je něco, co by mohlo být zcela legitimní.

Vzhledem k mému postavení světového antisemity číslo jedna a zkušenostem, které jsem získal, když jsem držel tento titul, jsem v docela dobré pozici, abych pochopil, co Židé vlastně myslí, když někoho označí za antisemitu. Podle mých zkušeností je „antisemita“ „každý, kdo kritizuje jednotlivé Židy nebo skupiny Židů“. To není v rozporu s definicí IHRA, která z velké části pouze uvádí populární kritiku Židů.

Platná kritika židovského chování je rámována jako „nenávist“ prostřednictvím použití popletené terminologie

Neexistuje žádný dobrý důvod, proč by se lidem mělo bránit v kritice Židů. Je spravedlivé říci, že „ne všichni Židé“ budou zahrnuti do kritiky. Když se však podíváme na organizace jako ADL nebo SPLC a jejich analogové skupiny v Evropě, stejně jako na další organizace, jako je American Civil Liberties Union (ACLU) nebo Human Rights Watch (HRW) – organizace, které nejsou výslovně židovské, ale

kteře jsou řizeny Źidy a ztělesňují Źidovské hodnoty – existuje program, kteřy lze přesně popsat pouze jako „Źidovský program“. Jedná se o politickou a sociální agendu, kteřá by měla být předmětem stejné kritiky jako jakákoli jiná politická nebo sociální agenda. Źidovské náboženství, kteřé je pravděpodobně kořenem této Źidovské agendy, by také mělo být otevřeno kritice.

Můžeme zde udělat spoustu srovnání. Křesťané jsou jistě skupinou s určitým programem a v západní společnosti je všeobecně přijímáno jako férová hra kritizovat křesťanskou podporu za omezování potratů, přístupu k pornografii a dalších věcí, kteřé křesťané obhajují v důsledku svých náboženských názorů. Nikdy jsme neviděli člověka, kteřý by byl veřejně obviněn z „nenávisť ke křesťanům“ nebo prosazování „antichristismu“, protože obhajuje liberální zákony o potratech. (I když v některých ohledech by bylo platné tvrdit, že někdo, kdo je pro potraty, je zásadně proti Kristu, jako křesťan se domnívám, že na toto téma musí existovat svobodná diskuse.)

Existuje mnoho důvodů, proč jsou lidé k Źidům kritičtí, a všechny tyto důvody se týkají Źidovského chování a prosazování této Źidovské agendy. Toto chování je zdokumentováno a není založeno na „konspirační teorii“, jak budou tvrdit Źidé. (Existují například velmi dobré důvody domnívat se, že nacisté nepoužívali falešné plynové komory ve sprchách.) Ale podle mého odhadu je chování, pro kteřé jsou Źidy nejvíce opovrhováno, chování, ke kterému se otevřeně přiznávají a často se jím chlubí.

Funguje zde fascinující dynamika: Źidé odsuzují antisemitismus jako zlo, a přesto nikdy přímo nevysvětlují, co je to „antisemitismus“. Mezitím mlčky přiznávají, že pokud jste proti jejich chování a agendě, jste antisemita. Když tedy Źidé říkají „musíme vymýtit antisemitismus“, ve skutečnosti tím říkají „musíme potlačit opozici vůči Źidovskému chování a programům, z nichž nejurážlivější z nich otevřeně přiznáváme a chlubíme se jimi“. Pro mnoho Američanů a lidí na celém světě to znamená, že aby se vyhnuli „antisemitství“, musí drasticky změnit své nejposvátnější přesvědčení, aby přizpůsobili své hodnoty hodnotám Źidů.

Nedávným příkladem, který nelze přeformulovat, je židovská podpora Roe v. Wade. Židé opakovaně oznamovali, že „potrat je židovská hodnota“, čímž přímo sdělovali, že každý křesťan, který věří, že potrat je morálně špatný, je antisemita.

‘Abortion access is a Jewish value’: Reaction to Supreme Court overturning Roe v. Wade

Here’s what the Jewish community is saying about the end to a constitutionally protected right to abortion

Dlouhodobějším příkladem tohoto fenoménu je židovské tvrzení, že jakákoli opozice vůči izraelské politice je antisemitská. Proto každý, kdo je proti porušování lidských práv ze strany izraelského státu, je

antisemita.

Opět si myslím, že je správné tvrdit, že každý, kdo podporuje potraty, je antikrist, ale nikdo není ničen za to, že je antikrist. Existují také potenciální argumenty, které by mohly podporovat židovské právo na vysídlení a masové vraždění Palestinců. Ale nikdo nemá zničený život za podporu potratů nebo za podporu vraždění Palestinců.

A to nás přivádí k závěru: důvodem číslo jedna, proč jsou lidé proti Židům, je to, že jakýkoli veřejný odpor vůči Židům vede ke zničení vašeho života. To znamená: pokusy o „vyražení“ antisemitismu jsou klíčovou příčinou antisemitismu v moderním světě.

Elon tím naprosto uhodil hřebíček na hlavičku.

The ADL, because they are so aggressive in their demands to ban social media accounts for even minor infractions, are ironically the biggest generators of anti-Semitism on this platform!

— Elon Musk (@elonmusk) [September 4, 2023](#)

Jak bylo vysvětleno výše, neexistuje způsob, jak popřít, že Židé jako celek mají agendu a zapojují se do různých způsobů chování, aby tuto agendu prosadili. Když se podíváme na ADL a různé další židovské skupiny určené k prosazování židovské agendy, vidíme, že tito Židé podporují:

- Masová nebílá imigrace do bílých zemí
- Potraty a feminismus v širším měřítku
- Homosexualita a trans agenda, včetně dětské homosexuality a dětských transmisí
- „Občanská práva“ pro černochoy, která nyní zahrnují legalizaci černošského zločinu
- Posílání obrovských částek amerických dolarů daňových poplatníků na vedení různých válek, které jsou považovány za užitečné pro zájmy Židů.

A nejdůležitější:

Umlčení jakéhokoli pokusu kritizovat tyto programy nebo identifikovat tyto programy jako zásadně židovské.

Je to poslední věc, která lidi trápí víc než cokoli jiného.

Většina lidí souhlasí s konceptem, že Židé mají agendu, a mohou přijmout, že Židé budou pracovat na prosazení této agendy. Ale lidé věří, myslím správně, že oni jako lidské bytosti mají právo vyjadřovat své vlastní názory, i když tyto názory nejsou v souladu s židovskou agendou.

Vrstvy matoucí cenzury

ADL podporuje cenzuru čehokoli, co maří židovskou agendu.

Rozsah jejich cenzurní agendy je sám o sobě způsobem, kterým je židovská agenda zamlžována.

Nejviditelnějším příkladem je, že ADL požadovala, aby Elon Musk cenzuroval účet „Libs of TikTok“, který provozuje židovská žena, která podporuje Izrael. Je prostě proti trans agendě, stejně jako proti dalším „krajně levicovým“ agendám, které většina Židů podporuje. Pravděpodobně by také podpořila zákaz kritiky Izraele.

Ben Shapiro nedávno zveřejnil klip typu „kontrola poškození“ o bitvě mezi Elonem a ADL, ve kterém říká, že ADL není židovská organizace, ale spíše demokratická partyzánská organizace.

. [@elonmusk](#) is now at war with the Anti-Defamation League, a progressive interest group that proclaims it is speaking in the name of Jewish causes. And like a lot of these progressive interest groups, they are interested in removing advertising revenue from sources where they... pic.twitter.com/ZdLdfvJEdf

— Ben Shapiro (@benshapiro) [September 6, 2023](#)

Překvapivě říká, že ADL to „někdy udělá správně“. Toto je pravděpodobně odkaz na podporu ADL pro Izrael. Jak jsem nedávno zdokumentoval, ADL podporuje politiky pro Izrael, které jsou totožné s těmi, které označuje jako „nacismus“, když Američané podporují tyto politiky pro Ameriku.

Podpora tvrdé rasové politiky v Izraeli ze strany ADL dokazuje, že ve skutečnosti nejde o „levicovou“ organizaci. Skuteční levičáci jsou proti anexi Palestiny. ADL je přesně to, co si říká: je to židovská organizace, která prosazuje židovskou agendu.

Je zřejmé, že Židé nejsou absolutní monolit. Existují Židé, kteří jsou proti nucené homosexualitě a masové imigraci, a přesto podporují Izrael. Existují dokonce Židé, kteří se zdají být proti většině aspektů židovské agendy a mají tendenci se mnou ve většině věcí souhlasit. Glenn Greenwald je příkladem Žida, se kterým většinou souhlasím (je však také homosexuál, který argumentuje ve prospěch různých forem „práv homosexuálů“, takže nejsme 100% na stejné vlně) . Židé mají právo argumentovat čím chtějí. Mají právo nesouhlasit mezi sebou a nesouhlasit s nežidy. Mají právo propagovat svou mytologii holocaustu a obhajovat hromadné vyvražďování Palestinců. Co nemají, je právo umlčet každého, kdo s nimi nesouhlasí. Máme právo pozorovat Židy, komentovat jejich chování a postavit se proti jejich agendě, aniž bychom byli umlčeni. Dokonce bych zašel tak daleko, že bych tvrdil, že Židé mají právo tvrdit, že každý, kdo se staví proti čemukoli, co dělají, je poháněn „slepou nenávistí“, kterou zastávají bez jakéhokoli důvodu. Pokud je to jejich přesvědčení, mají právo to vyjádřit. Nemají však právo organizovat, převážně polotajným nebo alespoň diskrétním způsobem, vydírat, vyhrožovat a obtěžovat každého, kdo s nimi nesouhlasí.

Různá chování ADL, která jsou brána ve jménu umlčení kritiky Židů a jejich agendy, jsou prakticky všechna na hranici nezákonnosti a jejich historie ukazuje, že se zapojili do chování, včetně různých forem špionáže, které jsou jednoznačně nezákonné. . Důvodem, proč jsou schopni uniknout tomuto zločinnému chování, je opět to, že dokážou umlčet kritiku.

Had jakoby spolkně ocas. Had zlikviduje všechny známky svého ocasu tím, že ho spolkně.

Ano, jsem antisemita

Nemá smysl pokoušet se tvrdit, že nejste „antisemita“, a neexistuje způsob, jak se postavit židovské agendě a zároveň se tomuto označení vyhnout. Je to proto, že samotný štítek je navržen tak, aby poskvřnil každého, kdo se staví proti židovské agendě. To je jediný důvod, proč tento termín existuje – je to způsob, jak Židé chránit svou agendu zničením každého, kdo ji zpochybňuje.

Aby tato civilizace přežila, musíme být schopni kritizovat Židy. Můžeme říci „Nenávidím Židy“, ale nemůžeme s nimi smlouvat o právu postavit se proti jejich agendě. Nikdy nebudou souhlasit s tím, že jakýkoli nežid má právo je kritizovat, protože ani nevěří, že jsme lidé.

Vůdce ADL, Jonathan Greenblatt, se nesnaží zastírat skutečnost, že věří, že je lepší než ostatní lidé kvůli svému židovství, že má právo ovládat jiné lidi, protože je Žid. Zatímco Židé si udržují ochranu po celá desetiletí, z velké části díky mytologii kolem údajného holocaustu, Greenblatt je dokonalou postavou, jak tyto ochrany zničit svou čirou arogancí.

Když lidé začnou chápat, jak se na ně Židé dívají, budou mít Židé velmi těžké udržet si vliv na veřejnou diskusi. Když ztratí kontrolu, ztratí schopnost umlčet kritiku, přehrada se protrhne a mnoho lidí bude velmi nešťastných, když zjistí, jak Židé využívali svou moc za posledních asi 70 let.

The ADL chapters are run by very wealthy Jew businessmen. A local analysis of the organization's backers in the Midwest (Kansas City, Chicago, Nashville etc) or other regions would expose just how powerful a tool of capitalists they are. Just how Jewish they also Cohencidentally happen to be.

Benjamin Shapiro really is trying-hard with the save there. ADL is a Jewish Supremacy.

There is no good reason why people should be prevented from criticizing the Jews. It is fair enough to say that “not all Jews” are going to be included in the criticism.

But the fact remains, despite Jews being immune to claims of “anti-semitism” and there being lots of Jewish celebrities and intellectuals who are outspoken on all kinds of other issues, every major Jewish organisation is pro-Zionism, pro-Israel. How can that be without the support of the bulk of Jews both secular and otherwise? How come we hardly ever see major Jewish figures exposing and campaigning against Israel? Who would be able to call them racist? And judging from everything else these people say they hold dear to their hearts, they are universalists who should see the suffering of the Palestinians as a crime they are uniquely able to agitate against from within the community which allows it.

When Goldstone wrote his report on the Gaza “war” in 2009 (Selected because he was Jewish! Because of course we need a Jew to write the report for it to be “impartial”. Amazing, nobody of any other third party ethnicity on Earth could be trusted to be “impartial”!) he did his best for the tribe and made absurd false equivalency with Israeli warplanes bombing whole apartment buildings and a couple of low yield rockets etc. But even this, the best he could do short of somehow turning up and saying all the extensive video footage of Israeli war crimes was somehow fake, wasn't enough.

Goldstone was initially uninvited to his own grandson's Bar Mitzvah supposedly for fear of others causing a scene.

<https://www.theguardian.com/world/2010/apr/30/richard-goldstone-south-africa-jews>

Eventually they realised how bad it looked and relented. But again, why are these radicals not shamed or shunned themselves? Why are they able to cause trouble for the likes of Goldstone? Is it because in actuality their views aren't so extremist among Jews at all.

Legally, this makes a big difference.

So far, all we've seen from ADL cheerleaders is something like "Elon will lose, 'cuz Jew hate DID increase at twatter after he took over the helm," but if everything Elon said can be proven in court, the ADL is in for the ride of their lives.

Without naming the ADL, he said something similar last year:

"Twitter has had a massive drop in revenue, due to activist groups pressuring advertisers, even though **nothing has changed with content moderation and we did everything we could to appease the activists,**" he said in a tweet. "Extremely messed up! They're trying to destroy free speech in America."

Solid piece. One of Anglin's best.

There is no point in attempting to argue that you are not an "anti-Semite," and there is no way to oppose the Jewish agenda while also attempting to avoid that label.

Disagree.

Admitting you're an anti-Semite is to play into their hands. At the same time, wasting energy trying to prove you're NOT an anti-Semite is a fool's errand.

Jews can think whatever they want, but they'll never speak for me. Brush off their label like a bug on your sleeve and stay strong. Almost everything they call "anti-Semitic" can be proven by facts. If they don't want to hear them, they've already lost the argument.

Love that truth as you would your own child and you'll never be fazed by them.

| Glenn Greenwald is an example of a Jew who I agree with most of the time

Greenwald also supported the Iraq war. He claims it's because he somehow, as an adult with supposedly progressive left-wing politics, he believed the claims that, when you think about it, this was all to *help* Iraq.

More likely he was a Zionist with a small z and had an atavistic fear and hatred of people like Saddam Hussein. But was appalled at how big of a cluster fuck the war became and the realisation that the neocons were too dangerous to be allowed to exist.

What would be surprising to see, now that Musk has raised the question openly, is whether any politician will come out in favor of the First Amendment, which, presumably, they are sworn to protect.

My guess is that most will attempt to lay low, not wanting to call attention to their own spineless slug behavior. But some enterprising Jewish journalist is probably going to push them over the cliff, by asking, “Why are you still using Twitter, which is owned by an antisemite?”

Perhaps the question could be brought up at the next Republican debate. Find out just how low Nimarata can grovel, and whether the rest will accuse Musk of the J-crime?

Other than Viv, who might actually support open speech, the remainder would no doubt pull out their small caps, and roundly condemn Elon.

This is demonstrably a scientific issue, of paramount importance to the survival of the human species; and most probably an example of an impending, incipient human speciation

obligate slave-makers like *P. breviceps* always have slaves that comprise even over 90% of the work force. They can successfully raid large colonies, sometimes several in sequence on a raiding day, and thus they have more slaves and larger slaves than facultative slave-makers. Their efficiency during raids is associated with special adaptations like enlarged glands and sharp sickle-shaped mandibles (Figure 4). Glandular secretions released during raids serve to pacify or turn workers from target colonies against each other, reducing aggression towards the slave-makers. Workers that do offer resistance to the slave-makers are readily immobilized with a quick piercing of the head or body with the mandibles. Although the modified mandibles of obligate slave-makers are effective weapons, they also make the slave-makers inept nurses and foragers, and incapable of managing their colony tasks without slaves. Indeed, *P. breviceps* cannot survive on its own even if plenty of food is available. This ant must have slaves to survive, and mature colonies must obtain a minimum of about 6000 slaves per season per colony to maintain a high proportion of slaves (Savolainen & Deslippe 1996).

Indigenous Palestinian people are Semites, and have always been.

I've no idea who these other punters pretending to be Semites are. Phoenician Sadducees?

Seems to me the actual "anti-Semites" are those European and European-descended people, many of whom were born in Palestine, who spend their time stealing land and water (not to mention bombing) the actual owners of the lands they stole in 1947-48.

I have been labeled by both the SPLC and the ADL, as well as probably all mainstream media outlets, as “the most influential anti-Semite of the 21st century.” It’s a title I am very proud of.

As I’ve repeatedly pointed out, “antisemite” might as well be decoded as “anti-Satanist” or “anti-sociopath.” In a Satanic and sociopathic, Marxist-Zionist infested and overthrown nation, that’s going to make you public enemy number one (at least from the perspective of the totally corrupt, depraved and mentally unhinged political classes and propaganda class).

Although few people cite me as a source, I remain the single most widely-read English-language journalist in the world, even after having suffered the worst censorship of anyone in history. A lot of people like my materials about women, and my geopolitical analysis. But ultimately, all of what I write is first and foremost filtered through anti-Semitism.

Yes, spiritual anti-Satanism is a powerful animating force and inspiring Northstar. Were this nation not so firmly in the grip of ZOG war fever, Mammon worship, and the Satanic cult of death and gore, you might be recognized as a top tier public intellectual.

Ben Shapiro recently published a “damage control” type clip about the battle between Elon and the ADL, in which he says that the ADL is not a Jewish organization but rather a Democrat partisan organization.

And so are most ((neocons)) now, having ventured into the GOP to sell the “War on terror and Islamofascism,” and having brought a massive disaster upon the country, gone wailing back into the welcoming arms of Satanic Dems.

((Shapiro)) is a neocon, too, simply trying to salvage what he can for the Satanists on the American right.

But this is what Satanists do: break things, ruin things, corrupt everything they touch. They're why America has fallen so far, so fast.

It's really only because we've badly lost wars to the "Islamofascists" thanks to Putin and Christian Russia, and thanks to the toughness and resilience of Iran, and thanks to the utter and innate incompetence and arrogance of Satanism itself.

The Satanists, like ((Shapiro)), are scrambling to salvage what they can, but at the same time they can't fight their pathological drive to wreck, wreck, wreck. And so it's a losing battle.

And so the world churns, grinding down the Satanists to again be with their father, the Devil, which always was their destiny and their fate. All of their plans, schemes, treachery and atrocities were for not, as the coffin door slowly slams shut on their evil, cutting them off from God, decency, honor, nobility, humanity and civilization forever.

They should have listened to Christ, but their stiff necks would not bend, and so Moses had to remove their heads.

“The ADL is a protection racket and it’s been exposed by other Jewish groups that we’ll play clips of later. They want antisemitism and persecution of Jews, duh, because then they get more money. Musk and Twitter banned Baby Boomer retired professor Kevin MacDonald.

Did the ADL and Jonathan Greenblatt force Musk and Twitter to ban professor Kevin MacDonald?

Kevin MacDonald:

The role of Jewish activism in the transformative changes that have occurred in the West in recent decades continues to be controversial.

Here I respond to several issues putatively related to Jewish influence, particularly the “default hypothesis” that Jewish IQ and urban residency explain Jewish influence and the role of the Jewish community in enacting the 1965 immigration law in the United States; other issues include Jewish ethnocentrism and intermarriage and whether diaspora Jews are hypocritical in their attitudes on immigration to Israel versus the United States.

The post-World War II era saw the emergence of a new, substantially Jewish elite in America that exerted influence on a wide range of issues that formed a virtual consensus among Jewish activists and the organized Jewish community, including immigration, civil rights, and the secularization of American culture.

Jewish activism in the pro-immigration movement involved: intellectual movements denying the importance of race in human affairs; establishing, staffing, and funding anti-restrictionist organizations; recruiting prominent non-Jews to anti-restrictionist organizations; rejecting the ethnic status quo as a goal because of fear of a relatively homogeneous white majority; leadership in Congress and the executive branch.

ADL Jew Goon Jonathan Greenblatt Spews More Crud About So-Called “Tropes.”

JEWS ORGANIZED GLOBALLY(JOG) and the ADL have screeched like snout-twitching rats once too often about this or that TROPE.

The European Christian ancestral core of the USA must use the TROPE — A — DOPE STRATEGY to wear down and tire out JEWS ORGANIZED GLOBALLY(JOG) and the ADL.

The European Christian ancestral core of the USA will block and absorb the vicious attacks from JEWS ORGANIZED GLOBALLY(JOG) and the ADL and then when the evil and demonic nation-wrecking Jew rodents get tired, the Historic American Nation will rhetorically blast the Jew slobs.

THE USA IS A CHRISTIAN NATION

THE USA IS A EUROPEAN CHRISTIAN NATION

THE USA IS A BRITISH PROTESTANT SETTLER NATION

THE ADL AND JEWS ORGANIZED GLOBALLY(JOG) CAN GO TO HELL!

Because the answer is “Yes!” regarding seeking donations, hence JG’s refusal to answer the question.

JG instead went on the attack, implying that Sorkin, despite being Jewish, is somehow an anti-Semite just for asking a basic conflict-of-interest question!

THE PROPAGANDA WAR OF JEW AGGRESSION

JEWS ORGANIZED GLOBALLY(JOG) and the ADL are using mass censorship and anti-White propaganda to attack and destroy all European Christian nations such as the USA, England, Ireland, France, Canada, Australia, Italy, Spain, Germany and many, many others.

The ADL is a puppet front for JEWS ORGANIZED GLOBALLY(JOG).

The anti-White and anti-Christian ADL is pushing for mass censorship to block free speech and open discussion of many topics.

The JEW/WASP Ruling Class of the American Empire has ramped up the censorship and de-platforming on the internet because they got a glimpse of the power of the European Christian ancestral core of the USA and they didn't like it.

The Jew-controlled ruling classes in all European Christian nations are trying to corral and sequester all the electronic propaganda — and print and public gatherings — in order to prevent the core ethnic populations from putting a stop to mass legal immigration and mass illegal immigration and other anti-White nonsense.

Trump and DeSantis and the other rancid slob in the Republican Party are doing nothing about censorship on the internet because they want the range of opinions to be narrowed to safe confines that don't upset the donors and the other special interests that have bought and paid for the rancid Republican Party.

The ADL must be crushed. But it is Jew donors and JEWS ORGANIZED GLOBALLY(JOG) and other anti-White elements like the Rupert Murdoch mob that funds the ADL; they are the power and loot behind the ADL.

It is clear that Google, Facebook, Twitter, Comcast, Viacom, Disney, the Murdoch mob and other propaganda outlets must be destroyed. If you don't have the balls to say or write that then stop play-acting at indignation with pissant bullshit about the annoying Jew Greenblatt twats at the ADL.

The Jew-controlled Comcast corporation has made moves to further their propaganda stranglehold on European Christian nations. The Murdoch mob and the Comcast corporation put out blatantly anti-White, anti-Christian propaganda slop and the donor-controlled politician whores in the Republican Party say nothing.

JEWS ORGANIZED GLOBALLY(JOG) Has Declared War On European Christendom and the European Christian people wherever they are on the globe.

The Propaganda Power Of JEWS ORGANIZED GLOBALLY(JOG) Must Be Obliterated.

This is also the m.o. of Conservatism Inc—nearly 100% kosher behind the white, preppy, and tassel-loafer facade. The ADL would go out of business if a poll were taken proving there's nearly zero anti-Semitism in America and that 99% of non-Jews virtually never, not ever, spend time thinking in terms of Jews vs. non-Jews. But, oy vey, dahlingk, where's the money in that?

Same with the preppy fruitcakes at Conservatism Inc. Their free ride, the success of Republican fundraising, not to mention the viewership of Fox News, depend on *losing* every battle with the left so that fear-mongering keeps the donations and ad revenues rolling in. The hell with America.

There is no point in attempting to argue that you are not an “anti-Semite,” and there is no way to oppose the Jewish agenda while also attempting to avoid that label. This is because the label itself is designed to taint anyone who opposes the Jewish agenda. That is the only reason the term exists – it is a way for Jews to protect their agenda by destroying anyone who questions it.

“Anti-Semite !”

?

Anti-Termite !!!

I oppose proactively hateful ethno-supremacist **Jews** behaving as termites gnawing often latently but ever unceasingly in instinctive concert at the cultural structure of white Christian society as (((they))) have been doing since arriving en masse in the United States circa 1880 pursuing (((their))) apparent goal to eradicate all people of European descent.

According to the investigation, between January and March 2015, Kolomoisky, as the ultimate beneficiary of Privatbank, developed a plan to take control of the bank's funds for the purpose of further financing his offshore-controlled company and increasing his own stake in the bank's capital.

In pursuit of this plan, the bank was artificially obligated to pay over 9.2 billion hryvnias to the offshore-controlled company under the pretext of buying back its own bonds at an inflated value, as explained by NABU (National Anti-Corruption Bureau of Ukraine).

Subsequently, a portion of the amount, over 446 million hryvnias, was transferred to the accounts of three related legal entities for the purpose of legalization under the pretense of securities trading transactions. Later, the funds were transferred to the accounts of two additional entities. Ultimately, the funds were transferred to the personal account of the ultimate beneficiary of Privatbank. Kolomoisky later contributed these funds to the authorized capital of Privatbank in accordance with the requirements of the National Bank of Ukraine.

In addition to Kolomoisky, the investigation also involves five managers of Privatbank, which was nationalized in 2016.

On Saturday, a court in Kiev ordered the detention of Kolomoisky, one of the wealthiest Ukrainian businessmen, for two months. Earlier on the same day, the Security Service of Ukraine (SBU) announced that Kolomoisky had been informed of suspicion of committing crimes related to fraud and the legalization of assets acquired as a result of criminal activity.

The SBU believes that from 2013 to 2020, Kolomoisky moved more than half a billion hryvnias (equivalent to over 12 million USD) abroad using banks under his control.

Kolomoisky supported the current Ukrainian President, Volodymyr Zelensky, in the 2019 presidential elections in Ukraine. On Saturday, following the oligarch's arrest, the president stated that Ukraine would be a country with "different rules" in the future and that there would certainly be no leniency for those "who plundered Ukraine and placed themselves above the law and all rules."

The ADL knowingly included phone threats made by an Israeli Jew to ramp up the ADL's bogus fraudulent phoney baloney so-called "hate crimes" statistics in order to clam rake more loot from the rancid politician whores in the US Congress.

The crooked crook Jew liars at the ADL might have been aware of some goddamn monkey business and funny business being conducted by the electronics goons in Israeli Intelligence involving the phone threats made by the Israeli Jew puke, but it seems that the DEEP STATE of the American Empire was aiding and abetting the use of global electronics to coordinate the shakedown racket extortion efforts of the Jew-controlled ADL.

Israeli electronics goons have their grubby fingers and rat paws all over the electronics of the American Empire and they covered up that Israeli Jew kid making threatening phone calls to Jew outfits in the USA.

... if everything Elon said can be proven in court, the ADL is in for the ride of their lives.

The notion that (((the court system))) is a venue where truth or justice is welcome is chimerical. Law and jurisprudence have meaning in a society only when those with the authority to apply the law and the law's sanctions recognize that obedience to law must have primacy over their own ideas and desires.

That boat sailed when Christian principles ceased to be acknowledged as the basis of all law. Diversity—a term that means “acknowledgment of Jewish overlordship”—is now acclaimed “our greatest strength.” Moreover, like the ADL, the boat's captain and crew are all Jews, and the only law that Jews recognize as immutable is self-interest.

Of course, as Anglin writes, it is wrong to say or assume that all Jews are alike. Indeed, if I were to think about the matter for a few days, I am sure that I could come up with a dozen or so exceptions among the world's millions of Jews.

It's inaccurate to call it "anti-semitism" as the judaists do, who pretend the Tribe is a race. They are hateful tribalists with a developed strategy of hiding behind the Negrids, who are also tribalists but for completely different reasons. The hatred of the Tribe for the Other is self-taught and historical; the fearful hatred of the Negrids for the Other is ingrained and truly racial.

Forget calling it "anti-semitism"! This plays into the Tribe's hands, who play the victim and whine about persecution when it's really their neighbors just perceiving that the Tribe is a cabal, a mafia, a conspiracy, and a collection of genocidal maniacs who really do hate YOU and will arrange to kill you slowly or quickly if only they can skulk away without getting caught in their crimes such as usury.

For their history after the death of Jehoshua and as the power now behind the criminal NATO proxy war against Russia, see:

The notion of antisemitism is pre-modern blasphemy law. It fosters group cohesion with pretexts for primitive Jew rituals of mobbing and shunning. With stereotyped identities built on Bronze Age genocide myths, neurotic Jews bond in mass hysteria by attacking a demonized other.

On the atavistic repetition compulsion of a fucked-up culture kosher nostra mobsters like Greenblatt built a lucrative extortion racket. But once you get done applying the hate speech threshold tests to Ur-kike Greenblatt's wounded feewings, they dissipate like a fat Jew's gefilte fart.

1. Severity
2. Intent;
3. Content,

Holocaust dogma is a crooked Jew mobster making wartime supply disruptions all about him to make money. Zionism is an ideology for exterminating indigenous peoples.

I for one am tired of this muh free speech argument. A bunch of anti -American, excuse me anti -white Jews have zero rights to condemn the race that brought us and them , everything .

Including the lap top Greenblatt uses daily to trash white people .

Blacks have done the exact same thing for years , Sharpton and Jessie Jackson anyone ? We're supposed to celebrate these clowns and Greenblatt . Why? Because they've extorted millions from white America . This is a cause for celebration? I suppose if you're a race traitor white man or woman it is .

Intimidation is not protected under the 1a . The ADL and other Jew organizations are professional intimidators . Resistance is futile . They're the Borg , but worse . At least the Borg didn't want you dead , they just wanted your genetics to improve the collective .

Anglin shouldn't be censored . I haven't seen him calling for Jew replacement. I haven't read anything of his that would be considered threatening. So hey AA , stop with the argument of free speech . They're not Americans and they never will be , therefore they have no protection under our laws. I don't give a damn if they were born here or not.

They're scared of Anglin , hell they're scared of this entire web site as they know the truth is spoken here . We all might disagree on how to accomplish our goals but at the end of the day we all want the same thing . That is a place where one can earn a living , raise their kids in a safe environment and be left the fuck alone . Is that too much to ask ? I suppose it is .

It's said that J*ws run into trouble every 80 years or so. They seem to have learned nothing after being booted from 109, er, bars... "for no reason at all."

They base much on, and grift much moolah from, an alleged holocaust they won't let be examined.

Israel is 75. Its violence, lies, and hubris are finally, but inexorably, catching up with it. Like Rome did sicarii (who'd provoked it) at Masada.

Too many Good Jews have acted like Good Germans, letting their Fourth Reich run amok.

First came Ye. Now comes Elon. Goyim are waking up, budlighting Israel.

Read the comments that follow Nosferatu Greenblatt's screeds. Millions who've been silent are speaking out about a certain rogue state whose invaders say Y@hweh chose them...just like Odin chose Aryans.

The world is tired of Israel's violence and hasbara excuses.

The ADL reminds me of the Church of Scientology. I'm led to believe each is a front for an occult group. Manson himself flirted with Scientology and was "audited" in prison. The infamous Process Church was a direct off-shoot of Scientology. And Hubbard's occult roots are well-documented. Some researchers have even suggested a link between the Process Church and the Son of Sam killings. Manson was also associated with the Process after he got out of prison and even wrote an essay for one of their publications. But it is unlikely that he was ever an actual member. These are serious people. When Manson started talking too openly about the Process, two still unidentified Process members flew to the West Coast from New York for a meeting. While it is not known what was said, Manson never spoke about the Process again. These organizations always seem to attract sociopaths and they all have occult origins. Nothing would surprise me about the ADL and this Greenblatt.

Having some experience with the legal system, I'll say that it's a mixed bag, but not the "sailed ship" you seem to think it is.

We can come up with a lot of recent examples of bad rulings, I agree. Those are highly politicized, highly publicized cases.

But often these cases are brought to the public's attention BECAUSE they want to demoralize citizens into thinking they don't stand a chance in the courts. Even so, Rittenhouse was exonerated and the Waukesha car-rammer got the book thrown at him. Notice how the media still piles on Kyle and tends to ignore the real lunatic in spite of the court rulings.

If you throw your hands up and despair of it all, they've already won.

The reason they are able to get away with this criminal behavior is, again, because they are able to silence criticism.

True, of course.

But not only that: Jews are able to get away with criminal behavior because they can financially and by other means force very many non-Jewish media outlets to propagate strictly Jewish lies and other forms of vilification of non-Jews.

Jews like Greenblatt-ADL are able to force public libraries in the USA to purchase and spotlight fiction (for example).

Based on reviewing hundreds of works of pop fiction, I have to conclude that Jews force authors to include some form of demonization of Nazis, Germans, and sundry other non-Jews, or else that author can forget about a listing on NYTimes, or a review, or any other kind of access to the broad public.

Recently, I started reading *House at the End of the World* (c 2023) by Dean Koontz.

In the first pages of the story, still building up to whatever very terrible thing happened to main character Katie that drove her to seek such complete isolation, Koontz writes about a previous owner of the house:

“For another thing, in 1945, Joe Smith was in the contingent that liberated the prisoners in Dachau. What this farm boy from upstate New York saw there haunted him for the rest of his life and it drove him to live apart from most of his fellow human beings. Thirty boxcars filled with decomposing corpses. A “skinning room” where freshly murdered prisoners were carefully peeled to provide “quality lampshades.” A decompression chamber in which experiments regarding the effects of high altitude caused subjects to go insane and made their lungs explode. All had been done in the name of the people, in what the authorities insisted was a pursuit of a more just society. There can never be too much justice in Utopia.

She [Katie] has thought of this place as the house at the end of the world, her world. ”

I want to think that Koontz wrote that paragraph in the outrageous fashion he did as a way to highlight its total disconnect from reality. A “skinning room”? Really, Koontz?

The “boxcars filled with rotting corpses” — will Koontz explain that Allied bombers slaughtered German soldiers and piled their “rotting corpses” in boxcars?

But I’m not so sure that Koontz was not convinced that he was recording reality, with mention of the “decompression chamber.” Even a die-hard WWII Truther acknowledges that Germans performed decompression experiments.

But how did Joe Smith come to the conclusion that the experiments caused people to “go insane?”

Why are people like Koontz and dozens of others like him still encouraged, maybe even coerced, to write this bilge — in order to rake in fortunes or even just to realize fruits of their talents and labors?

But this scenario offers additional pressure points for those who oppose the ADL-Jewish agenda: form campaigns to spotlight the lies Koontz and others like him publish.

Protest against policies of public libraries that spend a ton of money of Koontz's "hate speech."

Sue the library system.

Sue Koontz for defamation.

Use Greenblatt's own strategy: on Squak Box he said,

"I don't believe in cancel culture. I believe in counsel culture. If someone makes a mistake, FIX IT. . . ."

Every pop-culture author — Baldacci, Childs, Koontz, Picoult, Demille, Hannah, Brad Thor, etc. — get them into Counseling.

Require that they fact-check their "fictional" narratives, aware that distorting the history of a people destroys them.

Then sue the bejeezus out of them.

Nowadays, everyone over fifteen years of age has had “some experience with the legal system.” As I am soon to be eighty, I am willing to bet that I have had rather more of it than you have had.

One need not be eighty or even fifty, however, to recognize that your cited exceptions to the rule reveal more about your own Pollyannaism and your confusion of “observation” with “despair” than they reveal about what has been happening in plain sight. Put otherwise, the fact that you can’t see that (((they))) have indeed “already won” leaves me to wonder whether you know what game was being played or what its stakes were.

I direct readers' attention to the commentary section of an article hosted on this site called "The Demolition of the World Trade Center (The Devil's Trick)" by Mark H. Gaffney for a fine example of Hasbara disinformation clowns in action. It's got everything, from thinly disguised Jew contempt for the benighted goyim, to elated paroxysms of glee at the horrific fireball deaths of thousands of hapless goys (reminiscent of the celebrations of everyone's favorite "Dancing Israelis"), to deep-cover Jew psy-operative narrative architects-cum-intelligence honey pot website hosts dutifully managing the conversation with a mission to elide, distract, discredit, demoralize, deceive and corrupt any line of argumentation that varies sufficiently from the consensus-enforced, Mossad-dictated story of what happened on that fateful day. They are afraid the goyim will find out what they did. They sweated right through their yarmulkes and shook so hard with neurotic Jew rage they "dustified" and ingloriously "progressively collapsed" into their own footprints. It was glorious, it was hilarious, but most of all it was unsettlingly telling. The Jew went mask-off in that commentary thread. Can't stand the author but i have to give him this one: this piece articulates very smoothly what is happening with this small ethnic group.

They monopolize many things and it's not wrong to say it if it's true.

But I think one of the weirdest things about these people is their confiscation of the Term “Anti-Semitism”; their very own Word for Only their ethnic group – What other Race or Ethnic group has such a powerful word that holds such power over others?

They are not the only “Semites” (and most Ashkenazi are not at all), YET THEY TOOK THE WORD OVER just like they took the word “holocaust” over to refer ONLY TO THEMSELVES.

By doing that they give the words more power for their own tribe – Special words for only their people. When we hear the word Racist we don't automatically think of any particular race – but Anti-Semite means it is only directed at Jewish people – If you call hate towards Palestinians Anti-Semitism people would think you were confused.

About 600 years B.C., the Hebrew King Josiah made political moves to ensure his little ethnic group could compete with Zoroastrians and other prominent “one-god” proponents in that corner of the world; and with that, Yawheh suddenly goes international instead of being the tribal god of the Hebrews. But they couldn't let go and declared themselves Yahweh's Chosen Ones to secure their place at the table.

The POWER OF WORDS is the secret to Power over the world – this little group figured this out early and play word and mind games ever since. People are more scared by words than by actual material weapons.

One thing that Christian Jew-haters never explain is why they follow a Jewish religion. Pagans in Europe who detest the influence that the rabbinical Jesus cult has had over their culture have a valid point; Palestinians have a genuine gripe as well. Surely if you are opposed to Judaic influence, you would reject a Judaism-adjacent religion completely.

“Admitting you’re an anti-Semite is to play into their hands. At the same time, wasting energy trying to prove you’re NOT an anti-Semite is a fool’s errand.”

Very well put.

Am personally fascinated by the phenomenon of people engaging on this Orwellian “Newspeak” term/label of “Anti-Semitism” at all, whether to disproof or accept or whatever is pure wasted energy and means engaging exactly on the playground/terms the opponent prepared for you to loose every time.

When did you start beating your wife...?

And amazing how well it has worked and still does, the ADL and other ethnocentric lobbying groups of the jewish community simply inventing and since then throwing around an entirely artificial and out of context label constantly and the whole world engages in millions of hours/articles arguing...

And of course fascinatingly none of the other ethnic groups of the world ever getting the idea of creating an equal term for their own group...

Only Sem got that patent it seems, what is wrong with Ham and Yaphet?

(<https://en.wikipedia.org/wiki/Shem>)

“Anti-Semitism” is an extremely successfull “Anti-Yaphetic” and “Anti-Hamitic” canard.

That's a ludicrous mindset, for several reasons. They can be defeated with all available weapons, all available weapons are valid for combat, and the optimal stratagem will employ all available weapons as they are appropriately suited.

In addition, the intellect is not the spirit. The intellect is the spirit's bitch for figuring out how to accomplish what the spirit wills.

Worse yet, intellect is below their primary operating level, which in fact IS spirit, so resorting to only intellect and nothing lower, while ignoring actual spirit which is the only thing higher, is beyond doomed. It's beyond doomed to the extent that it is logical to assume that you are a Jewish shill.

At some point, people will realize that the more accurate descriptor is “Fake Jews”.

Jew is an intentionally shifty word. It didn't exist prior to the seventeen hundreds or so. Etymologically it's descended from words that should be related to people in the Bible, Judaeans, Judahites, and other forms of those two words, meaning people either belonging to the tribe of Judah, or living in the land of the tribe of Judah, primarily of the tribes of Levi and Benjamin since the rest of the tribes were lost by that point.

The word Jew also did not exist in ANY Bible prior to the 1800s. It was edited in to many translations in place of Judaeans, Judahite, and the like.

You will find that there are enough Khazars and Italians under the banner of “Jew” that they shifted the meaning to be conditionally religious, being themselves proselytes of the religion practiced by the Pharisees, which had been corrupted by Babylonian mysticism (Mithraicism and possibly others) during the Judaeans' involuntary stay in Babylon.

So you have a large majority of people under the name of “Jew” who are not descended from Israel (the person), the Ashkenazim and Sephardim, and even a lot of the Mizrahim. They have separated the word from any genetic bloodline in order to extend it to themselves. However, they still apply it to their own genealogies when they become Atheist, Agnostic, Humanist, etc. You then have a word that has inarguably has lost any necessary connection to either blood or tradition. So, at best, Jew is a culture.

Better, it's a culture that didn't exist until the Crusades. The Talmuds that they hold as authoritative ABOVE the Tanakh were not codified until the late eighth century AD at the earliest possible argument, but better evidenced around 1000-1100 AD. "Judaeo-Christian" my ass, they're limpeting onto the dominant religion and then behaving as if they created it. The Greeks and Romans had MUCH more to do with shaping Christian tradition than a bunch of Fake Jews.

Jews are self-selected. Self-chosen. Self-identified as Jews. Most of them aren't even Shemitic. People say "satanism" but it's really Luciferianism, ergo such expressions as "enlightenment" per The Enlightenment. The Jews aren't the only ones in it either, they're just the most prominent current cultural skinsuit.

That's how evil works. Since it's a sort of absence in a skinsuit of presence, it's core is empty and the shreds of wasted flesh around that core claim that they are uncreated (self-created), and subconsciously try to eliminate themselves and anything else they can lay hands on. It's "self-created" but really self judging and self-destroying. Basic confusion of power with authority, authority is the ability to create, where power is power as long as it can destroy, and the more it can destroy the more powerful it is.

That is interesting, Kolomoisky being Zelensky's main patron and coethnic (as Haxo says, not 'Ukrainian'; then again, who is? 'Ukrainian' means Russian, Ruthenian, Galician, Hungarian, Rumanian, etc. but not Jewish).

As for killing conscripts off, the main targets seem to be ethnic Russians and ethnic Hungarians.

Superficially, it looks like a deflection move, since Zelensky is well-known to have behaved just like his patron, siphoning off much aid money.

Perhaps wishful thinking, but this may be a sign of a move in the direction of a *coup d'etat* against Zelensky and his many co-ethnic *oblast* governors (I read that each of them has Israeli right-of return).

OTOH, the level of repression there seems insane, so a takeover by the actual people who live there may not be possible.

The treatment of the Hungarian population by the Zelensky regime (send the men to the front so they are wiped out) clearly affects Victor Orban's thinking.

Meanwhile, jewish men of any age were always free to leave, and all, except those in the Kholomoisky/Zelensky control structure, did leave by late spring last year.

Safe bet he'd choose the latter.

We both agree that something like that should never happen in the first place, that a church shouldn't be forced into such a situation, but that's an all-too-frequent occurrence, pops. So while you push and shove the world around to embrace your faith, some of us are trying to do what we can to make sure your house of worship isn't bullied by a government that should mind its own business.

Everyone on the Right is outraged over doctors performing sex change surgery, including penis and breast removal and the hospitals that promote it, in a futile attempt to change biology. Yet these same red-pilled people never consider the original genital mutilation performed on the penises of male children. It is verboten to mention it. Since most American males had it done to them before they even left the hospital, they and the mothers, who've probably never had sex with an intact man, have the barbarism done to their sons, usually under pressure from nurses and doctors who do the evil deed for the money. As regards your criticism of The Tribe, you are in very good company.

According to the historian Will Durant, the French intellectual Voltaire was the greatest and most influential philosopher of the eighteenth century. His writings had a significant influence on our own Founding Fathers and especially on their Bill of Rights.

From Wikipedia:

Judaism

“According to Orthodox rabbi Joseph Telushkin, the most significant Enlightenment hostility against Judaism was found in Voltaire;[155] 30 of the 118 articles in his Dictionnaire philosophique dealt with Jews or Judaism, describing them in consistently negative ways.[156][157] For example, in Voltaire’s A Philosophical Dictionary, he wrote of Jews: “In short, we find in them only an ignorant and barbarous people, who have long united the most sordid avarice with the most detestable superstition and the most invincible hatred for every people by whom they are tolerated and enriched.”[158] Telushkin states that Voltaire did not limit his attack to aspects of Judaism that Christianity used as a foundation, repeatedly making it clear that he despised Jews.[155]”

OUCH!

H.L. Mencken, probably the preeminent American social critic of the twentieth century was similarly disposed:

“The Jews could be put down very plausibly as the most unpleasant race ever heard of. As commonly encountered, they lack many of the qualities that mark the civilized man: courage, dignity, incorruptibility, ease, confidence. They have vanity

without pride, voluptuousness without taste, and learning without wisdom. Their fortitude, such as it is, is wasted upon puerile objects, and their charity is mainly a form of display.”

OUCH redux!

Then bang, in the middle of the book appeared a totally unrelated snippet of baaad and murderous Nazis who did all these deed for no reason at all.

Threw the book down in disgust. I had contemplated writing to the author but never did.

I wonder if these authors are aware that is nonsense is included in their books?

Me, a shill of the Tribe? The accuser is misinformed, surely. As for the thing at issue: Is it workable to kill or use force against the Tribe as a group or individuals in it?

Chancellor Hitler at the end of his life (according to sources at Deutsches Kolleg) realized that Germany had been defeated by an erroneous idea or wicked mind (a spirit or Geist in German) and nothing else. Hence, it is not workable to kill the Tribe, though we do not think the NSDAP is rightly accused of genocide or attempting genocide.

As for the morality of murder or violence against persons except in imminent self-defense, the teaching of all faiths is clear with the exception of the Talmudic Mendacity, which clearly advocates genocide and assassination. It is a criminal conspiracy that can and should be prosecuted to the fullest extent of the law in all countries. Prayer against them can only help.

Speaking of Germans who dissent from the accepted narrative, has anyone heard what has become of Germar Rudolf? He was living here in the US but a year or so ago I had heard that Germany had a warrant for his arrest because of some things he was alleged to have said. Have heard nothing about it since.

In today's America, and in many other parts of the world, **the process is the punishment. Selective prosecution** is a major problem in this country. BLM and Antifa types who have committed crimes are ignored while innocents who defend themselves (but are of the wrong political persuasion) are charged with crimes.

Being charged with a crime, the indictment, the arraignment and trial are all a part of the punishment. Even if the case is dismissed, the damage, the difficult days, the threat of fines, incarceration and legal bills, and the uncertainty of what comes next are all punishments.

Observe those who were arrested after the January 6, 2020 demonstrations—those who were purposely let in to the capitol and then arrested, days, weeks, and months after the event.

Those who are presently incarcerated for the January 6, demonstrations are "*special cases*"—"*political prisoners*" who have been identified by their political enemies and prison staff and have been selected for "*special treatment*".

Even if their cases are dismissed, the damage has already been done. The time served, the harassment and brutality can never be "*taken back*".

This also extends to the likes of **Kyle Rittenhouse**, who is clearly observed on video defending his own life against rioters, who was "*put through the legal wringer*"—once again, the process being the punishment. Thankfully, he was acquitted by a competently-run legal system (in his case).

The Memphis couple who were charged with "*brandishing weapons*" against the BLM and Antifa criminals who broke down a barrier and were trespassing on private property is but another example of selective prosecution. They were indicted on

“*weapons charges*” for merely defending themselves.

My third and final example of this is the “**Satilla Three**” who are languishing in prison for defending their lives and neighborhood against **Ahmad Arbery**, a career criminal who was “casing” construction sites for materials and tools that he could steal. In this case, the “*powers that be*” went “prosecutor shopping” when the initial prosecutor refused to indict. It took “*three tries*” before they found a prosecutor who would indict.

It turns out that Arbery had “*doubled back*” and threatened the man with the shotgun, pulling on it causing it to fire. You see, Arbery had felt “disrespected”, and in his feral, simian way had to confront the man who had “disrespected” him. Arbery could have run off in any direction, but chose to confront the man with the shotgun. This was a clear case of self-defense, having been video taped as well. The trial was a fiasco, with a weak, incompetent judge, civil-rights hustlers and Arbery family members in the courtroom threatening riots if the “*correct*” verdict was not rendered. Requests for a change of venue and a sequestered jury were denied. Evidence showing Arbery’s previous criminal activity in the Satilla Shores neighborhood was also suppressed. It would seem that, with all of the legal and procedural misconduct, these three men should have good grounds for a successful appeal.

Once again, **the process is the punishment**...something democRATs have been using to their advantage.

And of course fascinatingly none of the other ethnic groups of the world ever getting the idea of creating an equal term for their own group...

This is exactly what I was trying to say in my long drawn out way. This is what the essence of what they are doing is: these people are word masters and they use words against others to maintain a very Powerful base in which to operate from – and that particular word has somehow been hijacked for their own ethnic group only – even when there are other Semitic groups out there (probably more legitimate ones too).

Archive dot org already has section “Anti-Gentilism”. Coinage of this term might probably be attributed to British Baroness Lady Jane Birdwood

The Longest Hatred: An Examination of Anti-Gentilism

<https://archive.org/details/the-longest-hatred-an-examination-of-anti-gentilism-lady-jane-birdwood-1991>

“Against the clear wishes of the indigenous British people and in a manner which can only be described as treasonable, an estimated 10 million racially unassimilable aliens have been brought into our already overcrowded island. The incomers include: West Indians, Africans, Indians, Pakistanis, Bangladeshis, Iranians, Vietnamese, Tamils, Philipinos, Arabs, Egyptians, Indonesians, Malaysians, South and Central Americans, Chinese, Greek and Turkish Cypriots, etc., not to mention vast numbers of ‘nearly-Whites’ from southern Europe.

.....

Britain has been selected by the Bankers to be their first victim nation in the context of the Common Market and other developing World Government structures. To ensure that the planned destruction of our nation is total and permanent the Bankers have determined that our unique Anglo-Saxon-Celtic people must be obliterated as a distinct ethnic group by means of forced race mixing with hordes of Blacks, Browns and Yellows who are being deliberately brought into our country for this purpose.”

The same year that book was published one wily Shlomo made a movie “The Longest Hatred” (1992)

<https://www.imdb.com/title/tt0229537/>

Another Shlomo also wrote a book “The Longest Hatred” (1994)

And our brave Baroness remains relatively unknown

There is another term “loxism” but it is hardly used.

| One thing that Christian Jew-haters never explain is why they follow a Jewish religion.

Christians don't hate.

It's not hateful for a Christian of Euro descent to express reality by saying "I know the Jew hates me for being a descendant of "Christendom" as Europe was called for over a millennium."

| ...the rabbinical Jesus...

We in the West need to gain a more accurate grasp of the dynamics of our history.

Rabbinical Judaism was founded by Hillel a few hundred years before Jesus walked the earth as man. Rabbinical Judaism is Jew usurers' rejection of Mosaic Law and thus the Torah which Christians call "The Old Testament". All of this can be learned right here at *The Unz Review* by reading featured author **Michael Hudson** and unparalleled comment-maker **Mefobills**.

So the Jew since before Jesus has engaged in the ethnic self-worship of Rabbinical Judaism, an oral tradition eventually recorded in writing as the Talmud which is diametrically opposed to the Torah Jesus referenced and reinforced.

Jesus came to void Rabbinical Judaism with it's licensing of Jew-usury infliction upon the gentiles/goyim and to reimpose Mosaic Law of the Torah mandating debt clean slates every seven years for debts incurred to cover living expenses (as opposed to business loans) as he announced at Luke 4:16-30.

Now please help me with some history: isn't it true that for a thousand years everybody in Europe was Catholic?

Having been taught that and assuming it's true, the biggest problem white people have today is the result of their betrayal of the beliefs, values and culture of hundreds of generations of their ancestors via the Judaizing heresy that was Protestantism (past tense because it's dying out) plus the paganism as mentioned which now seems to be more in vogue.

Whitey betraying his ancestors is almost as disgusting as the diabolical behavior of the Jew, and exactly what the Jew has strived relentlessly to get whitey to do since Europe first embraced The Church founded by Jesus.

This statement is exactly the logic the diabolical Jew has promoted to those of Euro descent over the many centuries of the Christian Era:

| Surely if you are opposed to Judaic influence, you would reject a Judaism-adjacent religion completely.

Well, the idea that censorship is the primary cause of antisemitism is beyond absurd. Antisemitism has existed for as long as there have been Jews, and they've only been overtly censoring the US media in the last few years.

So, it's a little surprising that AA and Musk would say such a ridiculous thing.

But then, why has there always been antisemitism? For a full rundown see <http://www.antisemitism101.com/>

Roman historian Tacitus weighted in, and this seems as good a short answer as any:

all their other customs, which are at once perverse and disgusting, owe their strength to their very badness. The most degraded out of other races, scorning their national beliefs, brought to them their contributions and presents. This augmented the wealth of the Jews, as also did the fact, that among themselves they are inflexibly honest and ever ready to shew compassion, though they regard the rest of mankind with all the hatred of enemies.

An up-to-date reason for antisemitism is that they're planning to kill or enslave all non-Jews and they announce this to the world as is documented in this vid of 20+ rabbis doing exactly that ...

So Jesus Christ followed a “Jewish religion” while denouncing the Pharisees as “You are of your father, the devil” as well as overthrowing the Pharisaic money changers in the Temple as they were a “den of thieves” as well as being crucified by the Jewish Sanhedrin (using the Romans as proxies) as well as denouncing them for letting animals die because they couldn’t rescue them on “the Sabbath” and not getting all political... Oh, and the Jewish “religion” “holy book” called the Talmud in its tractate Gitten 57a claims Christ is “burning in Hell for eternity in His own excrement”.... Right! to say Christianity is a “Jewish religion” is like saying $2+2=5$. And didn’t Christ also say in Revelation 2:9 and 3:9 that “those who say they are Jews and are not, but are of the synagogue of Satan”? Not church, buddy, synagogue! I really don’t think believers in Christ go to synagogues... But go ahead and keep deceiving yourself....

Admitting you're an anti-Semite is to play into their hands. At the same time, wasting energy trying to prove you're NOT an anti-Semite is a fool's errand.

You are exactly right. Let's not participate in this Jewish word puzzle. It's rigged. 'Anti-Semitism' (now repackaged as 'antisemitism') deliberately begins its rhetorical mission as a kosher smoke screen which is designed to *shame and disarm* its adversaries.

But Antisemitism is really quite simple to understand. It springs from well-deserved *moral outrage*.

Our moral outrage.

Anti-Jewish sentiment emerges from the *negative impact* that organized Jewry has and continues to have on so much of the human race. That's it in a nutshell. Nothing more.

Anti-Jewishness is therefore entirely reasonable, rational, understandable, broad, and growing.—As it should be!

Shady Jewish history explains why Jews cling to the misleading and arcane term 'anti-Semitism'. It's one of their favorite (and most devious) tricks since it helps terminate the any uncomfortable discussion (for Jews) and it justifies (Jewish) censorship.

Fact: Jews don't wish to face their critics on a level playing field. Instead, they work to *evade* any discussion of their collective misconduct as well as its often toxic/lethal impact on the rest of humanity. But Jews have much to answer for. So they concocted a dishonest term which (presently) shields them.

Th dishonest slur 'antisemitism' enables Jews to turn the tables on their accusers by impugning their motives. Translation: 'YOU (antisemite) are an evil, intolerant, and mentally-disturbed bigot! You do not deserve to be heard!'

The tendentious and devious term ('antisemitism') effectively lays blame on those of us dare to criticize Jewish malfeasance. So don't play along with their linguistic canards. Reject 'antisemitism'. The term itself is an assault on YOU.

We critics are merely outraged by *organized Jewish wrongdoing*.

So stay focused on the issues: Jewish warmongering, Jewish subversion, Jewish political manipulation, Jewish hypocrisy, Israeli criminality, as well as Zionist racism and Israeli parasitism. There's a lot here to explore. So keep the heat where it belongs: on the Jews.

Therefore, it's time we entirely deconstructed and tossed aside the toxic Jewish phrase 'antisemitism'.

I'm not 'antisemitic'. I am *anti-Jewish* and for a multitude of very good reasons. And you should be, too! So spread the good news.

The Zionists, the Israel Firsters scream “Anti-Semitism!” at any and all criticisms of Jewish groups and Israel. It is a crutch Jews and Jewish supporters use to avoid responding to every criticism of Israel with any rational, fact based answer. The time is long overdue to kick that crutch out from under the Jewish Lobby. Before any honest discussion re Israel the Jewish Lobby must not be allowed to avoid honest discussion related to issues that interest the Jewish Lobby. Make the Israel Lobby defend it opinions and actions. Like everyone else.

Morgan Stanley Created 2015 Hunter Biden Dossier Highlighting “Fraudulent” Looking Schemes And “Suspicious” Transactions by Tyler Durden

<https://www.zerohedge.com/political/morgan-stanley-created-2015-hunter-biden-dossier-highlighting-fraudulent-looking-schemes>

Whistleblowers at Morgan Stanley raised the alarm over what they thought looked like “fraudulent” schemes and “suspicious” transactions all the way back in 2015, eventually escalating his concerns to the US Securities and Exchange Commission (SEC) just a few days before Donald Trump won the presidency in 2016, according to documents obtained by Just the News.

“Due diligence on involved parties reveals less than clean records,” one Morgan Stanley investment bank compliance presentation from May of 2015 states.

The bank even created a dossier about Hunter Biden’s history, including his expulsion from the US Navy, his association with Ukrainian energy giant Buisma, and photos of the Bidens.

In a May 8, 2015 presentation deck titled “Overview of Wakpamni Series 2014 Bonds Potentially Suspicious Structure & Transactions,” the bank warned that some activities – such as the Native American tribal bond scheme, required the bank to take compliance action.

Your analysis on the legal issues sounds sensible.

I looked on the web for legal limits to the 1st Amendment's freedom of speech. It said speech is protected except where it "is directed to inciting or producing *imminent* lawless action *and* is *likely* to incite or produce such action."

Clear and Present Danger Test

<https://mtsu.edu/first-amendment/article/898/clear-and-present-danger-test>

This means that even such a blunt statement as "I hate the ADL" is protected speech. And certainly by any common sense analysis that would qualify as "hate" speech. A childhood maxim says, "Sticks and stones may break my bones, but names will never hurt me".

The Constitution does not guarantee anyone the right to avoid having their feelings hurt. It certainly intends to guarantee people the right to have factual, logical discussions of matters of public importance. If a discussion forum wants to impose specific politeness criteria on its discussion, which may produce more fruitful discussions, it has that right. But the federal government has no right to impose politeness criteria on our speech; it is not a "hurt feelings" police.

And government officials certainly have no right to censor the truth to cover up their own lies. e.g. The grotesque persecution of Julian Assange.

One suggestion I would offer Anglin is to replace instances of "the Jews" with "the Jewish mafia". The case for this is in recent comment #103 here.

Censorship is just part of the Jewish behaviour. Saying that it this or that trait or detail that causes anti-semitism is equivalent to saying “they hate us for our freedoms”. Rejection of Jews is caused by the whole package. Here are a few top-of-mind suggestions for your list of Jews whose predominant law is something other than self-interest.

—Philip Weiss, founder and editor of mondoweiss.net, and all Jews on his staff

—any Jews on staff and volunteering for musalaha.org, focused on reconciliation between Israelis and Palestinians.

—Felix Mendelssohn

—Bernard N. Nathanson (in his post-NARAL days)

—Two Jews who might not recommend each other: Ron Unz and the anonymous commenter aka Mevashir

—In addition, I can think of five other Jews who are definitely *mensch* whom I've known personally, and one not-mensch-at-all Jew I've known personally.

I can't think of any US Jewish politician who belongs on the *mensch* list, but then I don't know everything about every Jewish elected official at the state, local or even federal level.

Nobody's list will be comprehensive, as it is unlikely one person could be aware of all public Jewish figures expired and extant who could be called *mensch*, and certainly impossible for one individual to know all the unsung private Jewish individuals who could be.

Andrew Anglin's article is a substantively impoverished, painfully tedious, hideously discursive display of Anglin's narcissism and delusion of self-importance.

His article's wee substance reduces to this:

Jews deserve our contempt, or worse, because Jews believe that non-Jews are not human and deserve to be controlled and used, without pity, by Jews, who are entitled to control the world.

That thesis is true for many Jews, but far from all. So, Anglin's article suffers also the flaw of over-inclusion.

More important: The Jewish problem has been blazingly apparent for many decades, if not centuries. So, Anglin's article parallels an announcement that some mushrooms are deadly poisonous.

Worse: At the time of my writing this comment, Anglin's article had spurred 99 comments that, to varying degrees, suffer one or more of the flaws that render Anglin's article contemptible dross.

For efficiency's sake, Ron Unz ought to have suspended reader-commenting and polled readers with the question "Are you an Anglinian antisemite, too?" Then I could have noted the number of those answering the affirmative and retired earlier to enjoy Glenn Gould's brilliant performance of JS Bach's "The Art of Fugue," <https://www.youtube.com/watch?v=GnXHnEz94os>

By way of encouragement, could you please remind us of a few more US judicial wins, like the case of Kyle Rittenhouse? Kyle, a young and assertive idealist, reminds me of the case of Nick Sandmann, the former Covington Catholic High School student in the viral still shot facing off with the Black Hebrew Israelite who had been harassing him. Sandmann successfully sued CNN for defamation, and is involved in defamation legal action against other news outlets.

Sandmann is encouraging Rittenhouse to sue for defamation as well. Like Pierre de Craon, I've seen enough nonsense in my lifetime to leave me pretty disillusioned with the justice system, but I don't want to throw a wet blanket on the fire in the generations coming up. We hear a fair amount on Unz about the need for people trained and organized to exercise their second amendment rights, and the need for retributive lawfare.

Rittenhouse and Sandmann give us hope for the future, and we their elders should encourage and support them. "Your young men shall see visions, and your old men shall dream dreams."

| Rabbinical Judaism was founded by Hillel a few hundred years before Jesus walked the earth as man.

Incorrect. A few decades earlier, and dead when Jesus was about ten by Christian reckoning. Also,

| Rabbinical Judaism was founded

may well be incorrect (as in, it may have been later).

English-language versions of the N.T. that have Jesus addressed as 'Rabbi' are also incorrect on that point, since Rabbinical Judaism as such did not exist or barely existed, Use of 'Rabbi' in English-language translation is a reflection of Judaeising heresies.

| the Torah which Christians call "The Old Testament".

For some reason, many Jews like to spread this idea. I would guess that those who do so are Talmudists and do it to deflect attention from the Talmud.

The Torah only corresponds to the first five books of the Christian O.T.

The Hebrew version of the O.T. as a whole is called the Tanakh.

I would add that the Septuagint (basis of the O.T. used by Christians) was assembled in Greek in the third century B.C. The Tanakh was much later, no earlier than the late fifth century A.D., possibly even later.

Great points. As for the resurgence of flagrant paganism, how about “Celtic Women” stomping around to pagan chanting like they were possessed while the cameras zoom in on the sweaty performers’ in sexy dresses looking one another up and down with desire in their eyes? If it’s cultural, it’s pagan through and through. Jewish audiences and kosher public TV can’t seem to get enough of Celtic paganism, correctly understanding it as a demonstration of their power to destroy what little there’s left of Christianity in Ireland.

Hitler did kick the Rothschild Banks out of Germany and arrested Louis Nathaniel, Baron de Rothschild in March 1938 at the airport at Aspern. Of course, Hitler and Germany paid the price for kicking the Rothschild Banks out of Germany.

It was totally destroyed and is now a Jewish colony and still occupied by the US, the Jewish Attack Dog.

I have a friend who is a 30 year old paralegal. She works for a 70 old New York Jew lawyer.

He began pursuing her even though he is married for 20 years (second marriage). My friend tried many ways to stop him from pursuing her. Firm email. He would act ok for a few days and then would say things like: Do you want me to fuck you? ...when she was asking a work question. It made her feel nauseated. He would alternate between complimenting her and then insulting her below the belt: I think you've gained weight. Where is your husband if you have two kids? (Her husband died at sea on a fishing trip and she has to work) Could you be any stupider? You look like something the cat dragged in.

He is 70 years old, nebbish and covered in age spots.

She reached out to me for advice and I said immediately: This is sexual harassment..hostile work environment and quid pro quo. She is an actual victim of sexual harassment. We get her a good lawyer.

The minute he finds out she has a lawyer – he fires her. Retaliation. She told her lawyer there was nothing to worry about – she had a very good work history there. This only enhances her case.

Discovery commences and she gets an awkward phone call from the lawyer. This cretin has notarized statements – back dated- detailing her absenteeism, stealing and disruptive work practices. None of it is true. *There are even documents with her signature forged showing she “acknowledged” her write ups. All fake.

The lawyer finally believes her, after I call him, and tell him all of this is fake. Sort of believes us. He cannot believe someone would be so scheming. We need a new lawyer. We get one.

A few days later, she gets a knock on her at 7AM. Process Server. Now, this Jew is suing her for civil theft and embezzlement. He viciously attacked someone who he attacked for no reason, other than he wanted to use her as a sex object and she refused.

There are not groundswells of hatred toward Cambodians, Chilean and Indonesian peoples. The reason why people hate Jews is because they behave in such a way that triggers repulsion and hatred.

You know, I asked her: Did the guy even offer you a big bonus or something? And she said: No. He even made up pay for office coffee and nickels and dimes us at every turn.

Unbelievable.

Christianity is a thousand years older than the people and the tradition that call themselves Jews. They will of course try to infiltrate, insurrect, and take over whatever has been successful. Like freemasons telling you that Plato believed in democracy and concocted a plan to create perfect eternal democracy... by concentrating power in secret.

No, really. Check out Manly P. Hall's "Secret Teachings of All Ages". Top tier freemason, picture looks more like a reptile than I thought a human being could. The obvious contradictions as they lead you along their chain of "history" and "initiation" to "enlightenment", such as supposedly trying to achieve democracy via cultic tyranny, are the easiest way I know of to spot Luciferians.

Enlightenment, Communism, Freemasons, Jews. Most all of the same methods, most all of the same goals, most all of the same people.

The ADL is a scam and a front for the Jewish Mafia.

The ADL has nothing to do with religion, the way Christians understand religion.

The ADL is all about protecting and promoting Jewish power—and subjugating all non-Jews to the Jewish will.

UNDERSTANDING THE JEWISH RELIGION:

Rabbinic Judaism is based on the Jewish Talmud, which in writing states: Jews should hate all non-Jews, especially Christians.

Rabbis do not have a moral leg to stand on.

Rabbis only exist to support Jewish power and control for their own selfish benefit—the ADL is simply an extension of this naked power grab.

and so will come the words

For there will be great distress on the earth, and terrible wrath shall afflict this people. Luke 21:23

How many of us if we were dispersed to the four winds of heaven after the destruction of a Temple, AD 70 and then with an earthquake 363 AD would have the courage to live among foreign peoples and take over their culture?

Ah, Christianity all God ever wanted from us was to be the example that they never were. Thats it.

And where did we go wrong? Prophecy of the future where we made some truly dreadful mistakes by interpreting Old Testament prophecies wrong. That Ezekiel 37 regarding the Valley of Dry Bones would come to be a nations rebirth circa 1948 is a grievous error of huge proportions. Verse 14 which is taken to be an analogy for 1948 is in fact a literal event which already was fulfilled partially and has as of yet a future fulfillment and we can know this how? Simple the verse before it about graves and being taken out of it is a literal event that began with Christ Jesus first and foremost and will have it true fulfillment at His return.

“Then you, my people, will know that I am the Lord, when I open your graves and bring you up from them. 14 I will put my Spirit in you and you will live, and I will settle you in your own land. Then you will know that I the Lord have spoken, and I have done it, declares the Lord.”

Here is a prime example of jewish “lawfare” gone amok...

I can remember when jewish organizations that touted “*separation of church and state*” pushed their agenda to the extreme—instituting lawsuits against municipalities who chose to allow Christian-based Christmas displays on public property. The lawsuits were numerous, from big-city displays to small towns—public displays of Christianity were outlawed. Jewish groups were aggressive in using “*lawfare*” to remove Christianity from the public square.

It’s turned full-circle.

Christian Christmas displays are still prohibited on public property while jewish menorahs are cropping up all over the place. Hell, even the White House proudly publicly displayed a large jewish menorah, without a squawk from the “(*jewish-run*) *separation of church and state*” crowd.

Jews no longer couch their hatred of Christianity in legal terms, but are overtly brash and confident in their hatred of Christianity. While we are at it, let’s close down their most repulsive buildings, the American taxpayer-funded “*Holocaustianity*™ *temples*” (actually jewish freak shows) and deport their acolytes who are perpetuating their prayers, damning and blaming all gentiles who did not “just do something”. The “*piles of shoes*” and “*clothing*”, “*eyeglasses*” and other materials mean nothing as they are merely “*Hollywood- props*” meant to evoke a response from gullible visitors to these “*jewish freak shows*”. You see, “*jewish suffering*” is unlike any other and as such, must be memorialized by erecting these American taxpayer-funded “*jewish freak shows*”.

“*Holocaustianity*™ temples” have no place anywhere in the world as they are totally based on fraud and deception—two

prime jewish traits.

Taxpayer funding of these “*jewish freak shows*” adds insult to injury and should be prohibited as their existence constitutes promotion of one religion over another—expressly forbidden by the First Amendment to the Constitution.

As a further insult, some states are mandating the brainwashing of vulnerable children by mandating public school student visits to these “*Holocaustianity™ temples*”—“*jewish freak shows*”. It would appear that requiring schoolchildren to attend “*Holocaustianity™ temples*” violates the constitutional “*separation of church and state*”.

A good example of this treasonous behavior is that of Florida governor **DeSantis** who signed two bills, one outlawing criticism of israel and the other mandating that school children be required to attend services at “*Holocaustianity™ temples*” while he was in israel.

While we are at it, let’s prohibit anyone with “*dual citizenship*” from holding any American government position, either elected or appointed. Dual citizenship should be recognized as an undesirable trait of one who has dual loyalties and cannot be trusted.

It is long overdue for ((them)) to be kicked out of country 110...
