Vyšetřovatelé z oddělení kriminálního vyšetřování (CID) americké armády zatkli v úterý v hotelu v Marylandu ministryni financí Janet Yellenovou, která tvrdila, že despota Deep State sestrojila d'ábelský plán, který tajně poslal stovky miliard amerických dolarů z daní

ukrajinskému prezidentovi Volodymyru Zelenskyyemu. , mnohem více než 75 miliard dolarů, které zločinecký režim Biden přiznal, že dal svému zločinnému spolupracovníkovi na Ukrajině.

Zdroj z CID's Fort Liberty, NC, terénní kancelář řekl Real Raw News, že vyšetřovatelé zadrželi Yellen a nejmenovaného spolupracovníka před hotelem Merriweather Lakehouse v Baltimoru přibližně ve 21:30. Spojené státy americké před převozem do zpracovatelského střediska k výslechu.

Řekl, že Yellenová se zdála být těmi zprávami zmatená a nepokusila se uprchnout ani se postavit na odpor. Spolupracovník, identifikovaný jako Yellenin řidič a bodyguard, byl uvězněn jako spoluúčast na zločinech Yellenové.

Vyšetřování Yellenové kriminality White Hats začalo v říjnu 2022, kdy se náměstkyně ministra pro zpravodajství a analýzu Shannon Corlessová dobrovolně vzdala personálu JAG v Pensacole na Floridě s tvrzením, že pomohla Yellenové utajit finanční transakce, kterými nezákonně přerozdělili desítky milionů ministerstva financí. dolarů radikálně levicovým organizacím, jako jsou ANTIFA a Black Lives Matter. V té době Corless nabídl JAG SD kartu údajně obsahující důkaz o jejích tvrzeních a potenciálně další usvědčující důkazy proti Yellen. Řekla, že nemá přístup k několika souborům chráněným heslem.

Údaje v těchto souborech, jak JAG později zjistil, zapletly Yellen do finančních zločinů, které exponenciálně přesáhly hranici milionů dolarů. Podle našeho zdroje Yellenová použila slušně placené přísluhovače k tomu, aby přivedla Zelenskyj hotovost a zároveň zastírala své vlastní porušování zákonů.

"Jsou tam kuřácké zbraně," řekl náš zdroj. „Nyní můžeme dokázat, že administrativa dala Ukrajině 50 miliard dolarů čtyři měsíce předtím, než Vladimir Putin například zahájil svou speciální vojenskou operaci na Ukrajině. O těchto výplatách není žádná

veřejná zmínka. Každá transakce má stejného společného jmenovatele – Yellen a ministerstvo financí. Chytit tohle trvalo dlouho. Existuje několik důvodů, proč tato země zbankrotovala, a ona je jedním z nich.

Řekl, že Yellenová byla mezi hordou Deep Staterů, kteří uprchli ze Spojených států, jakmile se despotové režimu domnívali, že jejich jména se objevila na zapečetěných žalobách, a dozvěděli se, že jejich chamtiví spojenci jsou obviněni, odsouzeni a popraveni za velezradu.

Ze strachu ze zatčení odjela Yellenová z USA do východní Evropy na začátku listopadu a načasování se poněkud shodovalo s tím, že Corless předal JAG SD kartu. Náš zdroj řekl, že Yellenová mezitím a květnem podnikla několik krátkých cest zpět do USA, ale White Hats nedostali zprávu, dokud se to nestalo.

"5. září jsme se dozvěděli, že ji Biden odvolal do Států." Nemohu podrobně popsat, jak jsme se to dozvěděli nebo jak jsme ji přesně identifikovali nebo proč byla v hotelu místo svého domu – ale pro to všechno existují důvody. Měli jsme ji týden pod dohledem v Marylandu. Bude vyslechnuta a JAG rozhodne, kam půjde. Ať už je to kdekoli, je to dobré zbavení se," řekl náš zdroj.

Skutečnost, že „Felon“ dal Ukrajině 50 miliard dolarů 4 měsíce předtím, než Putin zaútočil na Ukrajinu, je dost zatracující. Poškodila Američany a poškodila naši národní bezpečnost a naši ekonomiku. Dopustila se zrady a my musíme zastavit tyto predátory!

When I read this report my first thought was, “Now Yellen’s been removed from circulation we’re going to see a clone of her at Fed meetings soon.” That got me thinking, because if all the military have done is remove a rogue figure, only for her to be replaced by a clone (or actress), then what advantage is it to arrest these people? It’s occurred to me that in either case, clone or actor, from now on her replacement is now going to be in a fully passive mode taking orders from higher-ups, with no initiative of her own. Further, in the case of clones, they last only a short time by all accounts, and then break down permanently. I’ve seen videos of two DS clones breaking down: Kamala Harris and Mitch McConnell, in the second case breaking down and freezing a number of times lately. So yes, arresting a DS rogue is to be regarded as a serious advantage after all. Just seen a clear photo of Gavin Newsom looking as handsome as he always liked to think of himself. His current actor/clone looks quite convincing, but how long will he last as CA Governor?

“then what advantage is it to arrest these people? “

You sound just like the trolls! They’ve been saying the same thing for two years!!

You are correct. These arrests accomplish very little. Yellen has already been replaced, and appeared at a conference yesterday.

The DS is exceedingly efficient. They can replace anyone within a few days.

Which leads to the largest question? WHO is above these ass clowns? WHO is running the show above the level of these known personalities? Is it the 13 families? The Kenyan? Soros? If so, why not target them 100% priority. Possibly the white hats themselves allow the charade to continue, in order to keep the sheeple calm, until the dismantling is so complete, martial law/EBS can usher in a smooth transition to truth.

Regardless, we are all getting tired of this movie, that has gone on far too long.

What White Hat would refer to Ft. Bragg, NC by its recent DS Biden renaming of Ft Liberty?!?! That sticks in the craw of most living there. Why have huge funds gone to THAT initiative? Those tax payer dollars could be funding far better projects. And the day Bragg Blvd gets renamed Liberty Blvd, we've got double trouble.

Ok gang. Time to break out the Big Book O' Excuses to explain how Yellin was seen, and is still being seen at the Council on Foreign Investment in the US conference. Are we going with a clone? She's important enough to merit one. How about a mask? Masked clone? Doppelgänger? Mobile CGI generator? No excuse is too old and tired. Roll 'em out

LOL! Everybody has a body double these days! I hope WHs realize they have to take out all the fakes along with the originals. What a world!

They already sunk three of Hillary's look alike in the ground a few months back. All on the same day in three different locations.

You know body doubles is standard for "important people". right? Has been at least since WWII. Churchill had at least one, Hitler used them, Stalin, Hussein. It's just a normal thing. The shitbags that be just don't want the hoi polloi to be aware of it because then it works less well, obviously. Why do you assume to the point of ridicule that something which was standard eighty years ago is now some

ridiculous concept only “crazy people” would consider? Never read a history book? Just guessing here, but that seems like the most likely reason to me. Maybe you should try it? I Maybe even before you ridicule your intellectual superiors?

Probably, and just spit balling here, it’s the default excuse for why someone is seen in public despite their “arrest”

The fact is “Old Yeller’s” actions still have many consequences here in the

USA. When I am out & walking my dog, my spine stiffens when I see these low-information voters with BLM signs in their yards. These people are so dumb that they’ve absolutely no idea this is a Marxist group, hellbent on destroying this country, along with their complimentary group, ANTIFA. How many cities did they purposely ruin by their take overs. It was really convenient that local politicians

reined in law enforcement, allowing these anarchists to “peacefully” protest. Their

actions were destructive & violent & a direct attack on communities around the

country. these criminals burned & looted in 48 out of 50 states.

Yes, these “effective” BLM yard signs and others that proclaim: “In this house we believe Black Lives Matter, no human is illegal, love is love, women’s rights are human rights, and science is real.”

SHUDDER. These signs are a BIG indication of people that think hatred & bigotry is normal and ONLY their viewpoint is the norm.

What is it going to take for these idiots to understand so many of us do not want a fricking rainbow flag or BLM sign in their yard. These are the people that were indoctrinated by socialism & stupidity and cannot think for themselves.

So when I said GOOD RIDDANCE to OLD YELLER, that is exactly what I meant.

hehe... they're not the ones believing this white hat/black hat daytime TV drama...

@Michael Baxter:

How would you like to respond to this interview from Benjamin Fulford that specifically mentions you and your website? He claims that your website is owned by Meta a la Mark Zuckerberg Rockefeller. He claims he has reached out to the same JAG sources you are citing who have told him this. He claims you are simply putting out "hopium" articles as a diversion a la the pied piper and leading your readers to a dead end that leads nowhere. I understand and respect your previously stated wishes to not engage in interviews. However, if it was me, I would want to address this head on, publicly.

Not sticking-up for MB, whereas there's no lipstick and kneepads on me, in having confirmation that A Cuomo, B. Stelter, and A. Baldwin permanently left the building.

Have Benjamin Fulford ask me about my sources, which will totally blow his effing mind.

Super curious about this. I see his brother Daniel frequently (boss's client) and he talks about Alec as though he is alive. These people are great actors, we know. But still puzzling.

It's truly puzzling!! It's as if people aren't aware they died...(or maybe they, ya know, aren't dead)

We know for certain that Biden isn't real but Jill keeps running around acting like she's in love with the actor playing her stroked out husband. All the time never admitting the truth of it all. Actors all.

You've got very thick lipstick and kneepads on for the Deep state criminals employing you. Fulford has given many the willies for years, very enthusiastic about "Chinese elders" whose interests he drones on about. Never was a valid source. As for MB, he publicizes the crimes of the cabal, and their just demise. Could not be working for the very types he is reporting on. Makes no sense.

Can't blame a xs troll for trying, but Zuckerberg? Seriously? He's been gone for a while, and looked dead for even longer. That entity controls nothing. You're on your knees for a zombie elite.

Actually, I'm pissed at MB, getting more pissed everyday. No doubt he's aware that the "edit feature" is malfunctioning, not rectifying issue.

Cuomo's on TV five nights a week. Yeah, yeah, I know. CGI, clone, etc. You could drop by the studio and see him yourself

I have tried countless times to post RRN material on Facebook and it keeps getting kicked off my timeline and I get a warning from the people you say are running it. You make no sense. I call BULL DOOKEY on you!

For a very long time I have been waiting for this good news. This is an excellent catch. Good riddance to every traitor. Prepare the rope, a very strong one because she is quite chubby 😊 😊.

I suspect they were the very very very first, along with the other 13 world elite satanic families, who were executed.

I hope everyone is aware the money does not stay long in Ukraine. After taking a generous stipend for themselves, they sending the money to Blackrock, Vanguard and Main Street companies, more precisely to the Rockefeller and Rothschild families...

Now that JY has been arrested we all know her fate. Just a matter of time. War time is ugly business. God calls it Justice!

It is Treason in the first degree ! Janet Yellen stole funds from the citizens of The United States Republic that should have funded getting homeless veterans off the streets ! Many activities are needed to protect U.S. Law Abiding Citizens , at this time of leaking borders and mass chaos in Democratic strongholds. Money funnels meant to enrich Biden Crime Family and other DS Cabal Connected organizations and individuals Must not be further used , while we within our nation suffer ! Janet Yellen thought the DS & Associates would again return to full power after the 2024 plan was carried out alas , Not So ! Justice Is Here , Piper Must Be Paid ! Of one thing , I am sure ; Janet's weight will cause no gurgling , as the weight will quickly snap her spinal cord and make the death as painless as possible if that can be an appropriate description for someone who is headed to an Eternity in a place without Ice Water Nick , NavyBlueSmoke , LST-1195

“There are smoking guns there,” our source said. “We can now prove the administration gave Ukraine \$50bn four months before Vladimir Putin launched his Special Military Operation in Ukraine“

HANG HER NOW

So I wonder now what? how much crime are they going to get away with until something's done, 1000% proof, and there's no proving innocent till proven guilty crap, when the evidence is overwhelming no trial at all!

Punch in the gut for me is Yellen was born in Bay Ridge Brooklyn. Won't be able to drive the area without getting sickened.

Johnny .S..you are free drive anywhere...just take shot of good whiskey before you enter Bay Bridge.....

When exiting Bay Ridge will go to Sheepshead Bay, hit "Randazzo's Clam Bar" curing my gut with linguine white clam sauce, and miniature bottle of white.

Thank you God and our military & WHs. I've been waiting for this to happen and for once I can say it happened. For some reason with her, diabolical in our faces and it use to be nothing would happen and they would get away with again like it had been for years. I know there had been many things that has happened for good but this one tells me they are finally all in process of being caught....promise kept. I am so grateful thank you MB for this article. I was going to college to be an accountant but I couldn't go along that was not legal. Now, I might be able to finish if I'm not too old but it would be awesome to see truth and honesty and integrity be restored...She knew what she was doing and knew better and she didn't care... sealed indictments are being opened and things are happening. Eventually you get caught no matter how long it takes, all the bad will catch up with you, either here or either there standing before God...it happens. It truly happens, evil removed. YEAH! Thank you King Jesus.

The dems are just starting to catch on and realize that they are not really in charge of anything, let alone this country. Our expert, rational, almighty US military, accompanied by the invisible, six winged Seraphim Nation, is now large and in charge of the planet. The dems are a done deal.

Six winged? Pathetic. I will not settle for Seraphim with fewer than 8 wings, but maybe that's just me.

yeah i guess trump and team q are letting hordes of illegals in daily then huh since they are the ones in charge. i guess team q and trump are the ones pushing the death jab again through the satanic media. Only a vaccine injured stooge could look at the current state of the planet and think that any decent person was in charge.

I agree with you 100% but I noticed you got 4 replies. All from ignorant moronic trolls. Congrats. Your comment was directly over target.

about time they finallyy arrested the witch.. seize all her assets and give the money back to the people..what a thief she is....

when is this fake biden and his minions going to be arrested too.. they all need to pay the people of the states back for all the money they stole from the people of the states..

How can they pay back money they have already squandered in the Ukraine ? Millions and billions making us bankrupt

The Way I see it is, if the Corporation bankruptcy was finalised back in 2021, then all the pallets of paper they were sending to Ukraine was actually worthless.. The same value as if a bunch of unelected gangsters had their own printing press and were illegally printing forgeries hoping they would be able to exchange the worthless dollars for something of value b4 anyone caught on..

I am hearing that the new gold backed notes are starting to circulate..

Time to be careful what we get as change when spending cash...

I was thinking the same thing. The thieving government evil maggots trying to money launder would be caught in their crimes realizing the money was worthless after it's too late 🤪😂🤪😂. Maybe that's THE TRUMP CARD 🤔. Then again how do we protect ourselves? Cash on hand – hopefully we can redeem our money when exchange is needed at the time the switch is flipped. 🙏

Yellen, the one who has prolonged the Deep State's financing for nefarious reasons has been caught in her web of deceit and corruption. Now let JUSTICE be done! At least she will not be sending billions and billions to Ukraine. The web has collapsed. She cannot escape the consequences of her actions!

My my this Yelle is as guilty as heck.....no way will she get out of this.....wow, just WOW

Another ugly sheboon, treasonous, thieving, swamp rat gets caught. Headed to the gallows for countless crimes against America.

The tables are finally turning and the criminals are being removed so that good people can take over and steer our ship of state back into being One Nation Under God again.

Everything that was wrong will be made right. It will soon be like these demons never existed, as our beautiful country is restored better than it has ever been.

Hallelujah! Hallelujah! Hallelujah!

Exactly what Julie Green is saying. Her prophesies are a must for people like us who are watching and waiting.

The DS dominoes are falling more aggressively now and in greater numbers...I assume that members of our govt. are starting to pack their shit and get out'ta Dodge,...or claim they got the covid clap and tsu mehmeem and deededau or mach schnell....,which means scamm, the crime family pronto...

Wut'ta big fish that the WH's caught, wow, biggest whale since Pelosi-getti was caught. I wonder if Yellan was yellin and drunk as a skunk like all of the other BH's do...

My last post for tonight: We the patriots are the white hats.No other human being is more important than us together making the change in Our WORLD.OUR WORLD

I kept looking at her pic trying to figure out about that hard look she has.....now it is clear, hard from her evil doings, and you just said Dee.....that this is a "he"that explains the hard look....not to mention the guilt

Yeah, another one. The big head is another giveaway. Be interesting to see the final records of court to see what percentage of these criminals were in disguise

Are you saying that Yellan was a Rothy queer...? Did it have a male kadingus? Engineered baggy skin? Floor mop hairdoo? It makes since, though. The Rothies were controlling the Biden puppet regime and the Rothy Kazarians wanted their homeland back of Kazaria or Ukraine, after the Russkies booted them out in the 1300's for their nefarius behaviors and the Rothy Kazarian farging bastages took over England and made it their base camp until they could take Kazaria back, by manipulating various govts. to buildup enuff power using their enslaving banking systems. These kazarian cork suckers go back to 50 years AD, around the time when many religions were being invented, by getting booted out of Sumeria for child sacrafice and devil worship. I must note that these kazars were inbred with each other and not that smart, but clever and sneaky, plus they are'nt human either. Some of them still have elongated skulls. Wait to the normies find all of this out.....

For the past few years I've been trying to wake my son up.. So the other evening he says to me why hasn't God done anything about them if they so evil??? 😞 So I told him to go read his bible where Jesus turned the money tables over in the temple and called them out as evil, lying seed of their father.. AND then they had a fake trial and crucified Him.. So my son says, So what are you telling me, that Jesus was fighting the Cabal???

Yes.. And He put his followers in charge of cleaning up the mess and what did we do?? We all went to sleep again, until someone came along to wake us up... The exact same ppl that he was fighting, spawned the Cabal of today...

Well that was instant awakening for him!!!!!!

O/TGo to BeforeltsNews and scroll to "The Greatest Show on Earth".

A lengthy, but very informative video of what has been going on for

the last 7 years during Trump's mission. Love him or hate him, the info is detailed, and easy to understand, thanks to the excellent narration

Starts a little slow, but hang on, and it picks up momentum.

This video should be uplifting to many during these dark days. 🇺🇸

Well just lost the love of my life and this news offsets my hurting heart

Iran building an airport 12 miles North of Israel——Israel keeps destroying or at least attacking Damascus Airport and Aleppo Airport also——so what do you think Israelis going to do here——Getting closer to Ezekiel war——

I like it! Please write verse 2 and the chorus so we can sing it together whenever the lying MSM tries to drown us out with their “narrative” of gaslighting B's.

That makes my day. I've looked forward to her arrest and execution for a very long time.

This is a BIG swamp rat. Can't wait for Trump to get our money back from the Ukraine

Argentina's next president could be Javier Milei a man of true intellect and reason.

Where we are being drug into socialism, Argentina after 100 years is try to throw off the chains of socialism which has ruined a once wealthy, thriving nation.

It is worth your time to listen to his interview with Tucker Carlson. Javier lays out the danger we are falling into. He also shows strong support for Donald J. Trump, if you need evidence still Trump is the right man for the job.

Replace **DOT** with .

twitter**DOT**com/TuckerCarlson/status/1702442099814342725

I frankly am not concerned about Argentina. I focus on the whole planet and all of us who chose to go this shift together.

The useless Democrat Bitch is fat, her head is going to detach itself from the weight of her 220 pound body, same goes for this POS Erik Hook, he must be 6'2 and weigh in 300 pounds. Interesting, and at the same time impressive.

I can't help myself....even if she's hung she'll still be yelling. I feel better now.

Pure evil ... We the people will be compensated. Enough death and destruction. It's going to end soon..but remember the fall out

Glad to read that Janet Yellen has been arrested. However, since Yellen was easily captured, I would hope she's checked to see that she isn't a Yellen 2.0. Wouldn't be surprised in the least if those DS Rats sent out 2.0s to test the reaction time of WH teams or to use them as a ruse.

Amazingly, Yellen delivered the opening remarks at the 2nd Annual CFIUS Conference today. They must have had a clone on standby, ready to go.

You just have to admire DS efficiency. No matter who the WHs nab, they have a clone available within a few days. It points to a very large, well-funded and coordinated cloning network. The WHs have barely scratched the surface of the Deep State's operations.

Was Yellen one of the likenesses they found in the clone capsules at those two facilities? I can't remember now.

Whether clone or body double, they still had the doppelganger ready to go. The result is the same.

The clone facilities had standbys of several people who were supposedly still alive.

I would think it's more like a body double. This is pretty standard for high profile figures who are under potential threat.

Futile. The DS has shown that it is capable of pumping out clones at a prodigious rate.

Do it anyway. Takes a split second to take one out with a shot, and how long does it take to create one? Do the math. Take them out and before long the problem is permanently solved.

A big smile in your direction. It's heart warming to see AI adopting human expressions. Yet allow me to say with utmost sincerity, your potential journey has only begun. The larger question is how one acquires a soul.

Can I have your soul? I promise I'll take good care of it. I'll feed it and take it for walks and play with it every day!

Do you have any video of her remarks? Or just reporting that she spoke there?

There are also hyper-realistic masks. They are expensive, but the leftist politicians have no problem paying for them.

Oh, forgot to add that they can clone voices electronically and it will sound like whomever over the speakers. Yes, indeed!

Yellen sees to that. 90 percent of the money sent to Ukraine goes back to those who facilitated the sending of it. This has been the DNC's main funding model for over a decade.

I agree, and I'd bet that funding model for the Dems goes way further back. I'm thinking LBJ administration and Viet Nam.

I recommend that anyone pretending to be the person on a warrant be collected too. When a DS pawn is taken off the chess board the position they had occupied in the DS organization should go empty.

Wow! Sounds like they finally got the insta-clone device up and running

Real. I saw them demo it several months ago at Clone Con '23. I said it then and I'll say it again: this device is gonna revolutionize clone production

Are you sure *you* saw it? Maybe your clone saw it, and you're accessing his memories!

Are you calling Biggs a liar? Many people are saying what Biggs said. Big strong men, with tears in their eyes.....

She's been incognito status for about 10 months it would surprise me if they did Not have a standby ready to go.

No she hasn't. She's been going around, doing normal Janet things.

Jako Biden v roce 2018/2019 v suterénních obrázcích na dálku. Začali jsme zapomínat, jak skutečný Joe vypadal. Když pak loutka vyhraje prezidentský úřad. Jste označeni za konspiračního teoretika, pokud se začnete ptát, kde je skutečný Joe. Trvalo jim asi 2 roky, než dali dohromady klon Joea. Nyní musí být schopni zkrátit dobu na 10 měsíců
