Zločinec Mark A. Milley byl degradován do hodnosti vojína a dostal nečestné propuštění, než mu v pátek ráno navlékli přes hlavu smyčku. Jeho medaile a stuhy, z nichž mnohé byly nezasloužené a oceněné, byly zrušeny.

Stejně jako všem zadrženým GITMO, kteří měli oběsit, byla Milleymu nabídnuta poslední snídaně, kterou odmítl. Řekl, že jeho úspěchy jako vlasteneckého důstojníka naplnily jeho žaludek a duši dostatečnou obživou na celý život. Požádal však o holicí strojek, aby si oholil strniště.

V 10:00 ho tři poslanci doprovodili z lékařského oddělení, kde měl před popravou lékařskou prohlídku, na šibenici, kde stál admirál Crandall mezi skupinou důstojníků stojících za příslušnou pobočku ozbrojených sil a nejmenovaný civilista oblečený v modrý oblek s červenou kravatou.

Admirál zůstal zticha, dokud Milley nedosáhla na lano.

„Poté, co jste byl shledán vinným ze zrady, zadrženo Marku Milleyi, byl jste odsouzen k smrti, která má být urychleně vykonána. Máme kaplana, chcete-li Last Rites. Máte právo podat konečné prohlášení,“ řekl admirál.

„Něco řeknu: nikdy se nezřeknu prezidenta Bidena, jediného vrchního velitele. Sloužil jsem jemu a tomuto národu se ctí, vyznamenáním a hrdostí. To, co se tu teď děje, co se děje, je zvrácená nespravedlnost. Nemůžete rozhodovat o tom, co je a co není ústavní, a vaše klokaní soudy zraňují tuto zemi. Nebojím se smrti; Nikdy jsem se toho nebál, což jsem znovu a znovu dokazoval. Tohle je vražda, jasná a jednoduchá. Kdybyste měli koule, kdokoli z vás, čelil byste mi ve smrtelném boji – z ruky do ruky, nožem nebo puškou. Ale jsi zbabělec, všichni zbabělci, a až přijde tvůj čas, zemřeš jako zbabělec,“ řekla Milley.

Když oběšenec začal dávat Milleymu pytel přes hlavu, Milley protestovala: "Ne, chci, aby ses mi, Del, podíval do očí."

"Vaše volba," řekl admirál.

Než Milley klesl, vyhrkl překvapivou větu: "Ukrajina je budoucnost."

Byl prohlášen za mrtvého v 11:03, 13. října.

Vážený pane Michaeli Baxtere....pokud se vás mohu zeptat...kdo je naše armáda al-SiSi???? ..nebo lépe řečeno máme jeden ????? a jak dlouho bude tato šílená show pokračovat????

Tohle musíte milovat!!! Viděl jsem satelitní fotografie a hádejte co – – ta nemocnice, která byla vyhozena do povětří a zabila 500 lidí – – to musí být muslimský zázrak – – stále tam je – – nedělám si legraci – – bomba spadla na parkoviště a v nemocnici z větší části nedotčeni ——Nyní z toho plyne ponaučení ——nevěřte a nevěřte ničemu, co vidíte nebo slyšíte, protože někde v tom všem je skryta pravda a oni ji použijí k tomu, aby vás oklamali výhodou——Nastavte své emoce na stranu, to je to, co používají——stačí se podívat na naše vysoké školy a všechnu tu hloupost, kterou předvádějí domnělí chytří lidé——Největší válečníci jsou ti, kteří ovládají své emoce !!!!

Velmi silné izraelské nálety, které zasáhly nemocnici Al Qud, v níž žije přes 8 000 Palestinců, jen něco málo přes 24 hodin poté, co izraelské nálety zasáhly arabskou nemocnici al-Ahli, zabily přes 500 nevinných.

I find it hard to believe that with ALL the SHIT GOING ON ,THERE IS NO NEW INFORMATION on WHITE HATS STATEMENTS OR ANYTHING.

You mean, with all the stuff the fake media says is going on?

After 2 years of them preaching the covid lie, and you believe a single word of theirs?

The longer the picture of the convicted stays on the lead page the more you learn to hate the image. Maybe the delays are psychological war fare. I am now ready to personally hang him! Well, I was ready before, but even more so now!

Back to drumming my fingers all day and night; as my life solely revolves around the VERY next article. Sigh, ho hum.

Dr John, That is EXACTLY how I feel. Thanks for expressing it. It made me smile.

YOU CHILD TRAFFICKING DOCTORS & CPS ARE BEING REPORTED TO THE SHERIFF, & THE REAL GOVERNMENT ABOUT TAKING CHILDREN AWAY FROM THEIR PARENTS & EITHER KILLING THEM & HARVESTING THEIR ORGANS OR SELLING THEM AS CHILD SEX SLAVES. YOU, THE COURTS, THE CPS, THE JUDGE & EVERYONE INVOLVED IN THIS SPECIFIC CASE WILL BE SENT TO GITMO FOR MILITARY TRIBUNALS. IN CASE YOU HAVEN'T HEARD THERE WERE OVER 200 "PEOPLE" ARRESTED IN A SIMILAR CASE RECENTLY.

THEY WILL HAVE NOOSES FIT FOR ALL OF YOU AT GITMO UNLESS YOU TURN THAT 4 YEAR OLD LITTLE CHILD BACK TO HER PARENTS IMMEDIATELY.

PS- I HOPE YOU ALL HANG ANYWAY. CHILD TRAFFICKERS ARE THE LOWEST FORM OF SCUM ON THIS PLANET. 650-498-6313 WHEN IS SOMEONE GOING TO STOP THE CPS, JUDGES & HOSPITALS & DOCTORS FROM KIDNAPPING CHILDREN?

WITH ALL THE CRAP HAPPENING IN THE WORLD ABSOLUTELY NO NEWS AS USUAL FROM THIS PAGE? 4 DAYS OF NOTHING? R U FKN KIDDING ME??? WHAT HAPPENED TO ALL THE MILITARY TRIBUNALS HAPPENING FOR THE LAST 2 YEARS WE ALWAYS HEAR ABOUT? NOTHING? SILENCE?

+ Article 4 of the constitution concerns the state

+Section 1:mandates that all states will honor the laws off all other states;

As part of its emergency regulations, a State may establish special or emergency courts for cases involving unprivileged belligerents or other persons suspected of

committing offenses related to the non-international armed conflict.

Such courts must be regularly constituted and afford all the judicial guarantees that are recognized as indispensable by civilized peoples.⁸⁴ Such courts may distinguish based on nationality.⁸⁵ The procedures of such courts may deviate from those applicable during ordinary

Proclamation of martial law was the only provision in case of disturbances endangering the security of

the state. It would have entailed handing over all powers to the military authority and suspending

private and public liberties.

=====

Government and Parliament considered this step too extreme. Hence they devised a new contingency,

the so-called 'state of emergency,'

The government in turn gave authority to regulate movements of persons and goods, assign places of

residence, create forbidden zones, order searches, ban meetings, control the press, dissolve associations, collect reparations for willful damage and for aid given to the rebels, suspend or transfer

civil servants, deprive elected representatives of their seats, postpone by-elections, and delegate certain

civil powers to the military.

("No country which relies on the law of the land to regulate the lives of its citizens can afford to see

that law flouted by its own government, even in an insurgency situation. In other words everything

done by a government and its agents in combating insurgency must be legal. But this does not mean

that the government must work within exactly the same set of laws during an insurgency as existed

beforehand, because it is a function of a government when necessary. It does not mean that the law

must be administered in exactly the same way during an uprising as it was in more peaceful times, because once again a government has the power to modify the way in which the law is administered if necessary, for the well being of the people, although the exercise of such power is usually – and rightly – subject to considerable constitutional restraint.”).

Robert covers a lot of ground, but that does not mean is is not of value. It actually should be READ by more people taking the time to thing about the implications of what is being said.

This is real, annotated and referenced documentation that talks about the rights of citizens and the rights of the military and military law.

Robert has said all of this before and has not separated it in to separate posts for the various topics, but in fairness if you separate it, would it fulfill is mission. I think not.

READ his post like your FREEDOM depends on it. Because it does.

I agree completely with you Dr. John!

If freedom from the State is going to be achieved, THIS is the way it must be done. Mr. Boensch has a great legal mind and it is a shame that public places such as this one are cluttered with garbage heckling commentary by cretins.

I hope Mr. Boensch will attempt to keep us informed of progress he makes in dealing with Michigan. It is too bad for us that we haven't been taught the procedures of the law, and are dumbed down to the point of asininity when seeing one of us go into the courtroom for the benefit of all of us.
Bravo, Mr. Boensch!

Judy Note on What We Think We Know:

The difference between animals and humans: animals would never allow the dumbest one in the pack to lead the pack.

This week Supreme Court Judge Clarence Thomas was said to be making an announcement about POTUS's decision on the Brunson Case, which charged that Biden, Harris and certain members of Congress committed treason by failing to investigate 350 formal complaints of 2020 Election Fraud. If ruled in Brunson's favor that did, in fact, happen, it would dissolve the Biden Administration and all of Congress.

I hope it's a favorable decision. This could spell out "the end" for Biden the illegitimate president.

History Lesson for Today

Keep in mind what all historians refuse to speak to is after King George was allowed to take controls with his 1783 Definitive Treaty of Peace was the chosen Rule of Law by all 13 Colonies. This too would change everything, not just control over the monetary system. **The Common law for America as entitled 'Colonial Law, by Reinsch', he sums up what the Thirteen Colonies considered to be the final bases for all law in America or ever to be in America...** "the colonies were so impressed with the idea of an overruling law of nature that the laws of God and so-called natural laws were regarded as the true laws, and all temporal legislation was considered to be binding only in so far as it was an expression of this natural law" Yes, back then there were some moral white hats. James Wilson, the foremost lawyer at the Constitutional Convention, a signer of the Declaration of Independence, and a man who was appointed to the Supreme Court in 1789 and was well familiar with this legal principal stated above called Natural Law and stated; "Parliament may, unquestionably, be controlled by natural or revealed law, proceeding from divine authority".

However, due to the Treaty We the People got the King's Rule of Law form. He and the King's men overruled this with their man-made Laws of the Sea, Maritime, and Admiralty Law.

One of your best post, except the signature.

You are not “our very own Commander,” that would be considered commander of all states. You are self proclaimed over one state and need to clarify in a clear, brief manner, that others can understand why and how you make such a claim with links to documents submitted to the state and their recognition of receipt and concurrence.

As far as I know the state has not recognized your documents and their lack of response is your authority to accept the position of commander; that is not good enough.

I agree your state and many other along with the Federal government are corrupt and we need to do something, challenge them, but without a way to get them to accept your authority and submit to your decisions there is no difference, no change in power or criminal behavior. You to them are a China doll, a commander on paper only.

I am for example the head of our household... as long as my wife lets me!

Not trying to be negative or mean, but you need to demonstrate why others should follow your lead in simple and clear terms that they can get behind. Messages like the above post are much better and get the point across. “Our very own commander,” for me sets a negative tone since you were not chosen by us to lead or speak for us.

I know you mean well and maybe I am overreacting to what you meant. Maybe you did not mean an attempt to claim authority over us as I interpreted. That does not sound like you.

Mr. Boensch, I applaud your effort, and if I were still living in Michigan, I would attempt to assist you in any way I could.

I saw one too at 5 am the other day. Like it was meant just for me 😊

I hope that they drained those anal pus bags under his eyes. You have to be mindful of pollution.

Judy Note: it is my personal opinion that:

Tier 4b (Us, the Internet Group)will be notified of our currency exchange and ZIM redemption appointments right after Biden left office – which could easily happen this week.

Biden would likely soon gone as a result of 459 criminal indictments set to be filed against him and his associates. On Tues. 17 Oct. a 634 page report was released that showed Biden and his associates may have committed 140 business crimes, 191 sex crimes, and 128 drug crimes. The 634-page report on Hunter Biden’s laptop.

I Really hope it’s true but I didn’t hear anything about Biden being indicted yesterday October 17th.

Did you?

Strike hears all sorts of things.

The thing is, no one else does.

They should never give out dates since they are never met and never pan out at all. People have been saying stuff like that for years now. Heck, only one hanging this whole week and that is supposed to slow down the Deep State. The guy retired like most of the other people supposedly arrested and hanged on this site.

They don't even know he is missing at this point.

Why Pedo-joe was EXECUTED some years ago, How many times are they going to EXECUTE this asshole/ Indict an EXECUTED ASSHOLE, LoL

I pray finally Joe Biden sees justice. At this point the most irritating people are those who still think he will never pay for his crimes.

Which makes sense that a speaker is in [PAUSE].
Kamala is not eligible. So that leaves us with the military?

Congress can elect someone... anyone to Speaker of the House and to President of the United States that is a natural born American citizen; when the Vice President is not capable of accepting the role.

Trump is a good example and that would leave him in line to accept the Presidency if Congress did not do it right away.

By the way we, the White Hats, own Congress. If Congress is corrupt then you are correct the military could temporarily take over, until legal elections could be held.

LoL Israel owns the US CONGRESS, the American tax payers paid for the ownership but Jews own it, The TRUSTED RIGHTEOUS US MILITARY SHOULD FINALLY TAKE OUT AND TAKE DOWN THE US CONGRESS and THE EXECUTIVE BRANCHES, ALTHOUGH THIS SHOULD HAVE BEEN DONE SOMETIME AGO, OR IS THIS A BIG SECRET TOO?

Just when you think it's over, God almighty sends you a miracle.

He may have just saved Ford. We're going to stop building the F Truck series and outsource car manufacturing!

Thank God and I thought nuclear war was our biggest worry.

But seriously... who the F gives a F about the F truck series at this time other than Elon?

The whole world.

The F series is the number one selling vehicle in the world. Elon is at the top of the list as for auto driving and electric cars and trucks. So it would make perfect sence for him to buy a pre-established car company here in the US, if he bought Ford.

With him at the helm when Biden outsources all of American jobs to China for electric vehicles we will at least have one company left in America that produces some of them right here at home. If Elon actually bought Ford, which I haven't heard or read yet.

BACK to CHINA, it was in a SECRET E.O, that TRUMP signed and left for his PROTEGE Pedo- joe Biden to take care of

Not the real Elon.. he's been gone a long time ago.. last I heard he was supposed to buy GMC.. I just watched the strike on with Ford.. they walked out.. no deals..

That would make more sense than anything else. I noticed that Putin 2.0 recently complimented Elon Musk for his business savvy and it tipped me off too. Thank you for mentioning this because it's not often factored into happenings on this site for some odd reason

If Elon is an AI then maybe he can or already has figured out the solutions to our global problems before we blow everything up.

The thing with AI is it is like military equipment, you don't hear about it till after it is already in use. AI has been around and now the governments of the world can no longer keep it a secret. We the people are just starting to hear just how much they are using it on us.

True. I did a big project in 2009 and the results were compared to AI which had compiled the same results.

Well one thing is for sure—If war does break out and Iran is involved in it—they will cease to exist —It is reported with pictures Israel is taking possession of their 7th submarine from Germany and their weapons systems can hit every part of Iran-It will encompass new rocket systems and new few cells along with much more—just a heads up—

Israel is Khazarian mafia scum and they deserve to be destroyed. Give Palestine back their land. Hang bibi in public.

Give Palestine back their land—better reduce that post—I think you mean Palestinians—tell me when did they ever own that property or when was that a nation—

ok Linda—tell this ignorant soul the facts—you are so adamant give me the facts—with all the intel out there surely it should be at your finger tips—teach me o great one—you want to hate and be bitter so surely you have facts to support your bitterness—

Good riddance to savage animals.

Arabs are a bestial, sub-human, homoerectus species that has not evolved to the level of being able to assimilate into a civilized society.

CONCLUSION: They are too dangerous to live with.

Last edited 13 hours ago by Kay Mitchell

yes, they want to dump their islamic scum on our neighborhoods, just like Afgans, Iraquis and now Palestinians.. We don't want them Either!@! just like their neighbors Egypt and Jordan.. SHUT THE FUCKING DOOR!! NO ROOM AT THE INN!!!! NO more 3rd world illiterate useless PARASITES sucking off American's Big TIT!

As far as I know, it is people from South America invading the US, not people from Iraq, Afghanistan, Palestine, and Egypt.

Also, I know that it was Americans from the USA who invaded Iraq, and Afganistan, ignited the revolution in Egypt, and declared so-called "Democracy". How about Europe? Who was bombing Yugoslavia? The USA. Who ignited the Orange Revolution in Ukraine? The USA. Who ignited the Rose Revolution in Tbilisi, Georgia? The USA.

Do you want more? Open a history book and read.

just like Tucker said.. we invade and then we get "invaded".. by the refugees of all the neo con wars. We are getting invaded by Refugees from Middle East and Africa.. i see them everyday. they live a carefree life.. they shop and go the parks during the day with their 5 or 6 kids each getting food stamps. They are parasites on American taxpayers. They do not belong in AMerica. We are not some globalist free for all bonanza for 3rd world invaders. It makes me sick when i go to the park and there are foreigners who don't speak English with hijabs on... acting like they OWN the place... SETTLERS.. NOT immigrants or refugees.. COLONIZERS is what they are!!! They do not BELONG in this HEMISPHERE!!!

The US is controlled by the same Khazarian cabal syndicate that controls the rest of the world. They have created and started every single war that we've ever fought in. They use the US military to fight their wars. Every war has been for their own personal gain, while at the expense of the people and at the expense of our soldiers who have lost their lives and suffered – while thinking they were defending our country from an enemy that never really existed. These people are truly evil.

We have been taking down and exposing all of this for the people to see over the past 3-1/2 years, which is why they call this the great awakening. We are exposing all them and they can no longer hide.

The rope would be too good for these people.

You do not have to explain to me who is behind all this horror. I know it.

You explain it to the people in the Middle East and everywhere where US soldiers were settled: to Japanese people when US soldiers raped their girls, Vientam people, Egyptians, people of Siria, people of Afghanistan, and so on and on.

And you are parasite CUNT, you will BURN in HELL, YOU CAN COUNT ON IT!

Dave Kelly is one of the head Neanderthals around here. Runners up are KillEmAll, nice handle, and C22, who will melt down unless he's complimented.

I have the feeling that any woman who's with you, paid or otherwise, feels like she's burning in hell the minute she's in your presence.

Really??? "sub-human, that has not evolved to the level of being able to assimilate into a civilized society"?

When Arabs invented numbers, al-gebra, and so on America did not even exist.

When Abu Simbel (Avicenna) was writing his tractates on medicine, his research in medicine, and his recipes, Europe was dying from different sicknesses because of dirty streets, dirty hands, and all consequences of anti-sanitary.

So, please, be careful with your words.

I actually agree with her. Sub-humans, aka savages, do things like behead babies, rape and kill women and immolate people. Those inventions were long ago, and others have invented things since.

You shouldn't be telling others how or what to think. We are all entitled to our opinions.

Last edited 2 hours ago by Gina

Right. So, I have my opinion. And if you have noticed, I do not ignite people to kill anybody or call some nations half-humans. Before saying something like that you better read some history books.

Trying to silence someone's thought because it's uncomfortable to you is not okay. Everyone is entitled to their own opinion and if you don't like it, ignore the comment. Besides, who made you the fact checker?

Censorship is dangerous and it's part of the reason why our society is so messed up right now.

Nope, Iran has more than Israel knows.. Its going to be called.. "Israels mistake".. a oops.. buckle up, cuz it's coming here ✓

Ukrainian President **Volodymyr Zelensky** said that the more weapons from the West arrive in his country, the **more lives will be saved**, commenting that "it is cheaper for other countries to **support Ukraine** now than to increase the risks of World War III."

These statements were retorted by the deputy chairman of the Russian Security Council, **Dmitry Medvedev**, who wrote on his Telegram account that "**the dog of Kiev is still barking**" and is trying to demonstrate its "fighting ability". "What's that? The contradictory twilight of **a drug-soaked mind**? A delusion of insecurity? Pressure from benefactors? A general persistent paranoia? All of this together," he said.

In addition, the former Russian president called Zelensky's statements "a hysterical manifesto of the Kiev regime to consolidate the **Nazi elite**, keep the morale of the troops high and obtain new support from their sponsors."

And he assured that it requires "the **massive destruction** of personnel and military equipment used by the Nazi regime in the counteroffensive", "the total defeat of the enemy and the definitive overthrow of the Nazi regime in Kiev", in addition to "the carrying out of **acts of retaliation** against key figures of the Nazi regime".

If this doesn't happen "they won't calm down, the drug delusions could become a reality," he continued, adding that in this way the conflict "could drag on for a long time," which is "not good" for his country.

Military forces of potential participants in the conflict in the Middle East

Israel

170,000 soldiers, 360,000 reservists, potentially another 40,000 of them may be called to report; 300 tanks, 600 fighter planes;

USA

More than 30,000 soldiers; more than 100 aircraft at the base in Qatar, and on each of the aircraft carriers about 90 more aircraft, helicopters and drones;

Hamas

15,000 soldiers with the possibility of mobilizing about 50,000 more; they don't have tanks, except maybe trophy ones, as far as aviation is concerned, only small drones are known to have it;

Islamic Jihad

8,000-9,000 fighters; they don't have heavy equipment, except maybe trophy equipment, they don't have airplanes, only small drones

Hezbollah

100,000 fighters, more than 100,000 "surface-to-surface" missiles, in terms of aviation, the situation is the same as with Hamas and "Islamic Jihad"

Iran

610,000 soldiers, plus one million and three hundred thousand reservists; 2,000 tanks, more than 500 planes.

Must. Is Satan's throne. BUT, the real reason is that demonic forces "the real rulers" are coming to invade and destroy the earth. It is the coming war of the worlds, the war of the demons.

If Israel goes so will the rest of the world. Have you ever thought of talking to a mental health professional?

These cell they are all referring to are ENTIRELY FUNDED and FACILITATED by the PARASITE USER TERRORIST STATE OF ISRAEL, USA , ENGLAND and numerous Deep State entities, THIS IS FACT PEOPLE, ALL of this information has been revealed so WAKE THE FUCK UP, KNOW YOUR REAL ENEMY.

Yes we've seen only some them protesting in the streets this week in support of the Palestinians.

We can't let our guard down or they'll be murdering us in our homes too.

Just what the Cabal wants. Fewer of us to resist them.

All this war and death would not be happening if The Deep State had not succeeded in their Coup d'etat of the 2020 election and the duly elected President: Donald J. Trump.

How much further down this road must we go before he is Rightfully reinstated Into the Oval Office?

As Commander-In-Chief he CANNOT; he MUST NOT allow The Cabal to imprison him

Instead I pray he will call on all his powers as CIC:

God the military and the people to shield him.

TRUMP the DECEIVER and LIAR allowed the cheat and rip-off of the 2020 ELECTION TO HAPPEN, HE LET PEDO-JOE and the zionist satanist degenerate parasite jews to take over the EXECUTIVE BRANCH OF THE UNITED STATES GOVERNMENT, THE KIKES ALREADY HAD TAKEN OVER THE LEGISLATIVE BRANCH DECADES BEFORE THIS IS FACT, WAKE UP PEOPLE , WAKE UP AMERICANS DO NOT LET TRUMP AND THE KIKES TAKE THE EXECUTIVE BRANCH OVER AGAIN.

That's just an excuse they make to keep people fooled.

Like I said before Donny has strong ties with the black nobility, I tried to post links to the information, but it didn't get approval.

I guess Baxter doesn't want people to decide if the information bares consideration.

If Trump were for real he would have stopped the illegitimate congress from taking power, instead he just use stall tactics like the carrot on the stick to keep his supporters complacent.

Trump speaks of 2024 and the trumpsters have no problem what so ever that the fraud machine is still in place and the congress is illegitimate.

As you can see his stall tactics works quite well.

Trump has strong ties with the black nobility. I tried to post the source I had showing him with the different members, but it did not get approval. I guess Baxter didn't want people to see it.

The Jesuits want civil war in USA to consolidate their power, and wish to polarize the population as much as possible, that is why they allowed the election of Donald Trump.

They are promoting Trump as the savior to right wing alternative population. It was easy for the Jesuits to convince the Rothschilds to promote hate of Trump through the Rothschild controlled mass media. Then it was even easier for the Jesuits to convince most of the alternative population that Trump must be the good guy if the media hate him so much.

Don't look for Donny to do anything ... he won't. You forget the fraud machine is still in place as the people who are behind the election fraud. Not to mention the congress still being illegitimate. If Donny prevails in 2024 with the fraud machine still in place it will mean the deep state allowed it.

The good news is the black nobility plan will fail and the planet will be liberated.

How do you know it is fake? Can you prove it?

I'm not surprised trumpsters won't believe it, they will have to learn the hard way.

Here is a snip from an op-ed ... is this fake news from newsandview? This is dated from 5 years ago.

snip:

Lets recap some things we already know about Trump's deceit to date:

- **Trump has bombed Syria twice** – both times in a mad rush before any “gassings” evidence was ever made available, yet real evidence did eventually prove that both gassing events never happened

- **Trump expelled Russian diplomats** – based upon the totally bogus UK Skripal case and again in a rush with no tangible evidence whatsoever having been presented
- **Trump is back pedaling on the TPP** – and now claims he is looking at enacting the Trans Pacific Partnership as part of a potential upcoming trade war with China
- **Trump states he is ready to ignore due process in taking guns** – as a knee-jerk reaction to the blatant Parkland shooting false flag. He initially claims it would be for the mentally ill, but remember that pretty much anything can be classified as mental illness today (at least 1 in 6 Americans are on psychiatric drugs)
- **Trump blocked attempts at non-Obamacare insurance coverage** – even though Idaho made the bold step to try to make it available
- **Trump has surrounded himself with hard core Zionists and Neocons** – He's taken mass amounts of money from the likes of arch-Zionist Sheldon Adelson. He's a long time family buddy of arch-Zionist Bibi Netanyahu who could be indicted in Israel at any minute on corruption charges. He's appointed arch-Neo-Con John Bolton as the National Security Advisor. And his Zionist son-in-law and daughter ("Javanka"), in a blatant display of nepotism, have been given official seats in his cabinet
- **Trump has announced Jerusalem as the capital of Israel** – helping fulfill a Zionist-Rothschild-Luciferian wet dream – so much so that Sheldon Adelson will help pay for the new US embassy there
- **Trump, his cabinet, and the Q psy-op are now all making clear threats on Iran** – a pure Zionist play that has nothing to do with MAGA end

But don't worry, their plan will fail and the planet will be liberated despite them fooling people .

If Trump turns out to be controlled opposition he will be arrested along with the others by the resistance force.

Well, I wonder what else is going on with the White Hats. Now that Milley is dead the Military should be coming back to normal. Right?

Long way to go. 40% of the military were black hats and the clean out started in earnest last October. Fortunately, most of the experienced war fighters are white hats. The black hats have a huge number of desk jockeys.

I think the cleanup and removal of the known black hats started early in trumps presidency and is probably continuing to this day as they find the embedded deep state shills. Obama removed a large number of top officers that were loyal to the constitution and he replaced them with deep staters.

Officers can not get demoted to a an enlisted pay grade. If an officer gets demoted for bad conduct, the worst pay grade deduction would be to a 2nd lieutenant.

But the story isn't as much fun without the demotion. In RRN World the rules don't matter.

By Congress? – try the Deep State Democrats & RINO's. Yes, JAG can do that. You don't know jack.

I do not believe that a general who is tried and found to be a TRAITOR and then sentenced to hang can't be demoted below 2nd Lt.

Well who was the last general tried for treason ? I doubt there was a law on the books about chain of demotion .

It is disappointing when someone who puts israel and Ukraine before the US isn't put in a position of power.

It doesn't matter since the congress is illegitimate.

The Biden Crime Family will have to pay the Big guys a lion’s share of all ill-gotten gains.

Q Clearance Patriot

My fellow Americans, over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light. On POTUS’ order, we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Pedesta (actionable 11.4) confirmation (to the public) of what is

occurring will then be revealed and will not be openly accepted. Public riots are being organized in serious numbers in effect to prevent the arrest and capture of more senior public officials. On POTUS' order, a state of temporary military control will be actioned and special ops carried out. False leaks have been made to retain several within the confines of the United States to prevent extradition and special operator necessity. Rest assured, the safety and well-being of every man, woman, and child of this country is being exhausted in full. However, the atmosphere within the country will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast. We will be initiating the Emergency Broadcast System (EMS) during this time in effort to provide a direct message (avoiding the fake news) to all citizens. Organizations and/or people that wish to do us harm during this time will be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct there operations (at home and abroad).

We are so ready for this and prepared for the worst.

” The best is yet to come”

WWG1 WGA 

Strike do you ever get tired of people telling you the same old “big things are gonna happen in the next few days” bullshit day after day after day? Will you even notice when November 3-4 passes and the promised EBS does not happen for the millionth time, or will you already have forgotten it was supposed to happen by then?

Thank you, Strike 17. I find your communication both uplifting and fortifying in the midst of confusion and unfamiliarity that we have never experienced. We will get through this. God Always Wins.

So someone with a Q clearance is allowed to design and build atomic weapons. It does not grant access to the intelligence community. The highest clearance available is Yankee White, reserved for people with direct, frequent access to the president and who participate in his briefings. So Q started out in error and remains so.

“The highest clearance available is Yankee White...”

that was for the old rubric. the new woke highest clearance is “Islam Machaev Brown”

Please keep up.

That’s obviously not true as the president does not have clearance or access to all programs even though that is/should be completely illegal.

The President is the top authority for determining what is classified, at what level, and who can see it. No one has a higher authority to deny him the right to see any government document or be read into any program he wants. The President decides what he wants to know, and the responsible agency briefs him. The Presidential Daily Brief, his morning news briefing, contains highly secret information from sources and methods that only a handful of people have access to. The PDB copies are numbered and after the briefing the documents are collected and destroyed.

Now, all this said, your favorite website may spin a tale about Super Top-Secret secrets which only a shadowy group of generals know about. Kind of like double-secret probation in Animal House. Made up BS.

Online, you can find an amazing amount of info on classification including the construction standards for Secure Compartmented Information Facilities, types of required alarm systems and guard staffing, locks and security systems. If you have time you can fill out the 36-page security clearance application – It's a fill-in PDF document. All ya' got to do is look.

And you know this because,.....???

And, You can prove this because,.....???

Or are you talking disinformation, misinformation or shilling your sh*t again?

It's public information on the US Department of Energy website and numerous other official and non-official websites. You're not much of an Internet sleuth

It says 4 hours.

That's the one part of it that is provable and I'm sure of. Everything after that is just jib, jab.

Yes and meanwhile Obomba's trojan horse ISIS army, young adult males with children & fentanyl for sale to help pay for the trip over the FREE border crossing into the once good ole USA. The Dumbest & most evil president ever was able to destroy our America. And we know he's a faker. Twelve years of destruction. They only required 16. 🙄🌵

Buckle up—This is the Big one Elizabeth—A Black Flag flies over the Imam Reza Mosque—1st time in history—this is where all major announcements are done— It is a call to war—(Iran)—for the uninitiated Iran is Persia in the bible—

They have raised it before, when Sulumami was killed. They had been preparing since then

No where but no where can I find that—all sources are saying this is a first outside of Muharram—Red flag for payback (vengeance) but not Black—

Saw it in a video on YouTube after he was killed. The owner of the video (cannot remember his name) was an ex Shia Muslim living and studying in USA. He showed a video of it saying that it's very serious as being the first time this black flag being raised. He left Islam shortly after it. May be some people here can remember his channel name. I have been blocked by UT so cannot access it.

Some how I posted and it got lost or old age—But I looked everywhere and your info can't be found—He had a red flag at best which means violence and or retribution—It has been raised I believe but that was in Muharram—So this is the first BLACK FLAG—now you can interpret it how you like—

Hi Surf Nazare. This is true, always like you words. Finally, figured out how to comment on RRN... now I can tell you. Always very true & good words. Thank you 🌹

Let me tell you, it'll be your death if Israel doesn't take care of them. Bibi and the Israelis know more than you ever will, coward.

A Jew is anyone whose mother is Jewish or who's had an Orthodox conversion. Israel is the only democracy in the Middle East and wasn't taken over by anyone. Jesus was a Jew because Judean means a region. What passage does it say who will inherit the land since we're already there – a big one – and the word Jew" originates from the word Yehuda in the Old Testament. You could have looked this up yourself at any time instead of posting and making a fool out of yourself. I used to teach special ed, so maybe that's why I have the patience for comments like yours.

Unfortunately all jews look down on goy! It is a fact! They consider us useless eaters!

Jews refer to anyone other than a jew as goy or goyim. During a court proceeding I attended, the jewish judge actually cracked a joke to one of the jew lawyers in the case about the opposing counsel who was "goyem". We also attended a jew wedding and the host apologized to us for the rabbi being insensitive to some of the guests by referring to "goy" in his speech. I find jews for the most part to be intolerant of others, wanting to control and herd others and they seem to have the belief that they are somehow special or the "chosen ones." In contrast, we are all the same in Christianity. No one is better than anyone else and no one is "special".

This is an enlightening interview with Rabbi Abraham Finkelstein of New York City. He'll tell you what the jews think of goy. rumble.com/v2g2na6-the-michelle-moore-show-april-4-2023.html

Why do you think it's true when it's patently false? For those who are interested in the truth, blood is life and Jews are prohibited from drinking blood, which is why we salt our kosher meat to remove the blood.

They're the chosen ones for Satan, they don't like to admit it, but they will if they have you by the nuts and theres nothing you can do about it.

In all fairness, I'd like to say that all religions are bad. They were all created by man, not God, and they were all created with the intention of keeping humanity divided. I believe that our real connection to God is a spiritual one, not a religious one. And, we should be careful about not allowing a middleman such as a priest or rabbi to interfere thereby diminishing our own powers to connect with our Creator.

With that said, we all know that the Jews are silently running our world. They are in government, media, health, banking, education. The majority of these Jews in high up positions are Zionist or Khazarian Jews, also known as the fake Jews because they're not true Jews. They are satanists hiding behind the cover of the Jewish religion. Their handbook is the evil satanic Talmud.

These people (in combination with the CIA) created words and labels such as anti-semite and racist. This was intentional. They did this as a way of immediately shutting down and deflecting attention away from themselves and thereby ostracizing any person who scrutinized, criticized or questioned them about their activities. These people are satanic and do blood sacrifices. They were kicked out of numerous countries hundreds, if not thousands of years ago because of this. They were told to pick a religion and convert and to stop their evil ways. In order to stay, they chose Judaism, but they secretly continued their satanic practices until today, while under the protective cover of the Jewish religion.

While the real Jews are not satanists, the Jewish religion appears to teach bigotry and is derogatory towards Christians and other non-Jews. When Jews are taught that the goyim (Christians) are cattle and that every Jew deserves 1,000 goy slaves, you need to question what you're being taught. I also know from Jewish friends that Jews are allow to cheat and lie to "goyim" and other non-Jews. These teachings create division and hate.

This is why I say all religion is bad and it all needs to be dissolved, along with all the religious brainwashing. It's always been about the division. Those in power always knew that "United You Stand, Divided You Fall."

Um, but he'd just one person and doesn't speak for us all, but only a bigot think one of us does.

The day will come when people who fling terms such as anti-semite, jew hater and bigot at others, will no longer be able to get away with it. These terms were always used by the Jews to shut down an opposing thought or discussion and to prevent any kind of transparency. By labeling a person in this way, it was a form of social shunning and thought/mind control. But, it will no longer be tolerated by the people as they all awaken to the fact that Jews created this "anti-semite" labeling for a very strategic purpose.

Do you think we can't read your jew books? Do you think we don't know what's in the talmud and Kabbalah? Only now you stinking ass jews are going to be the goyim. 👍👍👍

Its all you need to know for the time being.

I'm a Christian who had a very close relationship with a Jewish man and he never made me feel like I was ever less than anyone or anything. I have never met a Khazarian Jew but from what I understand they are not really Jewish in lineage or belief. They follow Lucifer I believe. The devils counterfeit. Just like the antichrist is another counterfeit of the Messiah. I believe Noah Yuval Herrari is the devil's antichrist.

Exactly Rose Marie. We're taught to be welcoming and are not even allowed to ask a convert if he converted because we were strangers in a strange land, Egypt, unless, of course, someone is a danger to us like Hamas.

(Watch this get downvoted. The people on this site have become pathetically ignorant, putting it mildly and take offense at anything.)

Call them what they are Zionists – fake jooz and Satanists, the Godless follow them blindly because they are stupid & naive to reality.

Not all Jews. When Jesus Christ was born, lived, taught, was crucified, and after 3 days He rose again, many witnesses, and he arose to be with God. 50 days past (Pentecost), the old Covenant was fulfilled in Christ & the New Covenant in Acts 2, when His church was established.

Many Jews and gentiles rejected Christ, but some Jews and Gentiles received his word to be saved according to Peter in Acts 2.

The gospel was offered to the Jews first, and then to the Gentiles. Finally, everyone could be Gods chosen people.

Jews and Gentiles dispersed to all parts of the world. Even though Gods people were called Israelites in the Old Testament, Israel was not created until 18th century.

Today we have many evil people ruling the areas of conflict. Their rulers hate America. They Hate Jesus, and thus still hates Gentiles.

I believe The so called Israel is the head of the snake that needs to be shown to the world who they really are.

NOTE: I said the rulers, not all Jews everywhere. The Zionists & such needs to be taken down. Palestine heads of government and those practicing evil Talmud, praying many of both area conflicts will accept Christ as their Lord & savior & Muslims will come to know the only one & true God.

The United States needs to get out of Ukraine and Israel & fight the infiltration of planted enemies in our own country.

This is my opinion & it does not have to be everyone else's.

It's a public site, so you can't keep me out. I'm answering the comments as they come. I don't mind being a snark and think I'm pretty damned funny. I think that you don't like the comments coming from a Jew. Have you ever listened to or heard of Ben Shapiro? If you think he's condescending, then it must be you.

Last edited 22 hours ago by Tzippo

I don't care who you are or think you are. No one class or race or ethnicity or whatever is better than any other.

Snobs are snobs.

Agreed. You told me I wasn't welcome earlier today, which makes you the snob,

Shapiro plays the same game as the rest of them with his quick wit.

Ya ever thought that Izreal created Hamas to spy on the Palestinians? Then use their bad Actors for red Flags so Izreal can grift again?

Hamas and the top leadership in Israel are all controlled by the same people – the Khazarian mafia.

Ben Shapiro , yeah the game show host who is now threatening all non-jews to support the parasite user terrorist human/child sacrificing state of Israel or there will be nuclear war and holocaust, yeah that ben shapiro, FUCK that kike.

Just reread the special ed comment and can see where you'd think that. I'd apologize if I was sorry, but I'm not. Anywho, I have work to do and will try and be back later. Tootles.

Last edited 22 hours ago by Tzippo

Israel created and funds Hamas now a verified TRUTH and FACT, and now you run Tzippo . LoL thats a satansit degenerate lowlife jew for you Folks.

You think like Hamas. You have no idea what precipitated it and blame the other side. What a gal!

Actually Jewish ethnicity , or rather racial identity, is inherited from the father. Patrilineal. Otherwise king David would not be considered Jewish. Nor Joseph's sons and progeny. And so on. This " you inherit the religion from your mother" stuff is man-made and false, and doesn't comport with biological reality as delineated in the Bible.

Actually, tell me where you heard this because I know the opposite to be true. What you're talking about is Islam.

Last edited 22 hours ago by Tzippo

Christ is referred to as the son of David, not Mary! Patriarchy is right out of the Bible.

I don't believe he was. I believe what you mean is the House of David because Jesus came well after King David. There's a site called Chabad.org. You can check there and get back to me if you find something else, but on this I am positive, and it is generally known and accepted,

I know that the Mother teaches the children about their faith, right? She performs the Sabbath ritual in the home? Every Friday evening. The faith is taught and handed down by the mother.

Correct: everything from the Talmud is inverted from Christianity. Whereas the father is to lead the home as he submits to Christ, the Jews do the opposite.

In Judaism both parents and sexes have a role to play based on intrinsic characteristics, and it is Jews, not Jews.

Just like Eve handed down the worship of Satan's Snake & Staff in Eden...

And Sarah demanded Abraham hearken unto her to bed Hagar, & bless the world with Ishmael's Islam... Got it. Those women sure can teach religion!

Last edited 15 hours ago by Theophile

One hundred percent correct, Rose Mary. I believe that's one of the reasons why the children take the faith of the mother, and not the father in Judaism. That and because she carries the child for nine months, so she has a connection with him that the father cannot possibly have. On the flip side, though, intermarriage is prohibited in Judaism.

Hey, Tzi how are you on literature? Read Kafka? Read Joseph Heller, Philip Roth and Herman Wouk?

How about scholars the Jewish people have some good scholars? Martin Van Creveld the modern war theory person, and he's great at logistics, tactics, and strategy in war (I have 4 books by him). Have you heard of *The Origins and History of Consciousness*: by Erich Neumann, interesting book, he's a Jewish scholar with lots to say about Female/Male roles in civilization. There are a couple Jewish scholars I read on mystical things, but I lost those books. Plus there was an excellent literature critic I use to follow.

What do you know about the Artist Solons in Paris and Vienna in the 1870's – 1890's, as those were run by Jewish women who set examples of painting themselves up like loose women to compete for leading artists and intellectuals at that time (freedom of sex started here, not the 1960's). Sigmund Freud came out of the Vienna Solons and some say his "neurotic" patients were merely traditional Jewish girls who couldn't paint themselves up like the Solon ladies to compete for the smartest bachelors. Many say that Feminist ideas started in those Solons.

I'm thrilled, but there is no need to stereotype us. I know many Jewish women, who are far from neurotic, especially those born and raised in the Chabad community. They're some of the kindest, most non-judgmental people I've ever met.

I didn't suggest that those women were neurotic, Freud did. I suggested they were Traditional, and caught between the old rules for women, and their hypergamy desire to get the attention of the top intellectual and artist guys in Vienna.

The new rules to compete, and all women compete for the highest status males, were to use makeup and flirt like a very loose woman. Think "Sex in the City" back then.

The Solon leading women were trying to get rid of Traditional mores, and they led by example.

You do understand Hypergamy don't you, as all women, not lesbo, desire the attention of the top 5% of all men in status.

A long question. Kafka, yes – didn't know he was also an Ashkenazi Jew, Roth, no. Wouk yes, Marjorie Morningstar, but a long time ago. Love a lot of the Yiddish writers, esp. Shalom Alechim and the Tevye Stories and Isaac Bashevis Singer. I also love satire like any self-respecting snark would, Zadie Smith in White Teeth, Junot Diaz in the Brief, Wondrous Life of Oscar Wao, Mark Twain, many of his quotes but esp Huck Finn, and of course Mike Royko. You?

Last edited 10 hours ago by Tzippo

I wasn't judging any of those writers, including Kafka, as I read most of those in my youth. My older sister mentored me on reading, my mom said, even as an infant. I was reading comics by 3, and full novel/adventure stories by 6, and before 12 I had read many classics. I read Clemens, and liked his books early on, but would not have liked him personally, as he died a very bitter old man.

What I liked in Kafka was his pointing out the Uncanny, and not his Nihilistic/Absurdist turn, and only through that uncanny twist could you see humor in his writing.

So... This is why the Jews in the quarter where Paul's parents lived, didn't care about Timothy being circumcised; Until Paul made him a proselyte to Christianity(Acts 16:3), since his father was a Greek, and his mother an obvious slouch that they didn't really consider a Jewess... Got it.

Everything you jooz know is backward's (back words), you were caught up in the rhetoric. Islam has Nothing to do with any of this.

Un, well, they waged a war on us recently and have attacked others, so the opposite would be true.

No. Hardly. It's old testament, right there. You don't know what I'm talking about and you call yourself a jew??

I am a Jew because my mother was Jewish, and Paul wasn't in the Old Testament but the New. Acts is in the New Testament, so I'd have no reason to read it. is that what you're talking about?

The mother teaches the children about the Jewish faith. The blood is passed through the male. The knowledge is passed down through the female. The Mother performs the Sabbath's meal and she teaches them about their heritage. It takes TWO people to properly raise a child. Quit trying to destroy the woman's part.

Judaism is a religion or a belief system, same as Catholicism. It is not a gene, chromosome or dna strand so it cannot be passed through the blood. This is a falsehood pushed by a segment of society who want you to believe that. People need to start thinking critically and stop listening to such ridiculous nonsense.

That's not completely true. The priestly tribe, the Kohanim, is passed down through the Y-chromosome, which was proven on a segment of 60-Minutes years ago. There are black Jews in Uganda, who claimed to be Kohanim, or descendants of Moses' brother Aaron, and it turns out they were. You can google it, if you don't believe me because I just did. People, however, can convert in, which makes it both genetic and non-genetic.

The father also teaches the children, Rose Mary, but I appreciate your comment. There's a site called Chabad.org that is a treasure trove of information. I appreciate you and your comments.

Not destroying the women's part. Correcting the myth tzippo said that a person is a Jew if their mother is. That's false nonsense.

It is easy enough to check out and completely true. Why you keep posting otherwise is beyond me, but I guess you have your reasons.

You prove it just by your own snarky comments. Not one of your replies has a positive mark. Which says everything. MAGA. GODWINS

MAGA is the fifth degree and highest rank in the church of Satan. You people really need to WTFU.

LOL,.....This must be one of their latest dirty tricks to rewrite history and attack white people. Make America Great Again means "MAGA" to us.

Um, I don't know if you've noticed, but most Jews are white, though we come in all colors, shapes and sizes.

I don't care if anyone thinks I'm snarky and have admitted it myself. I don't like anti-Semitism, and there have been many untrue comments about the Jews and Israel. If you want to think I'm snarky by calling them out, then so be it. I've asked for proof of something and have gotten no answer but downvotes in return. Referring to Israel as Israhell or Ukraine as Jewcraine doesn't deserve much more, or all of us as Kazarians, but if you want to offer a suggestion as to how I could have done better, then let me know.

I don't know what you mean by true Jews, but the Twelve Tribes of Israel are Jewish, the key word here being Israel. Ten tribes got lost, so only the descendants of two tribes know who they are, the Kohanim and the Levites. The former are descendants of Moses' brother, Aaron, and the other of Jacob and Leah's third son Levi. Had to look it up because I always thought something else. You can often tell by the last name. Last names beginning with K or C, Cohen, Kohin, Korey.... are Kohanim, and there's a genetic marker on the Y-chromosome passed down from father to son. Levites often have last names beginning with the letter L, Levin, Levine, and ha Levi, the Levi. Thank you for asking and for not being rude, or dare I say snarky.

Hello? I asked for proof about the jerk's comment about who will inherit Israel, even though we're already, you know, there. I agree that I can be snarky. Also, if G-d wins, and we are his chosen people, then we win, right? Your comment was rude, by the way, and untoward.

Last edited 10 hours ago by Tzippo

See, tzippy?... Everyone is finally on to your bullshit.
Keep punching that time-clock though... gotta make dem shekels.

First off, no one around here is being paid to my understanding. Second, shekel is an anti-Semitic trope, and to write something like that makes you pretty pathetic. Third, I don't know what bullshit you're talking about, so name one thing I wrote that is bullshit. I doubt I'll get an answer from anyone, just a bunch of downvotes, but I don't care because I may reach someone here with half a brain.

That aside, the tone and clientele of this site has changed drastically, and it is too damned bad.

People are finally learning the truth about you piece of shit parasitic fucking jews.

"Democracy" lately has become a code-word for DS-Cabal run counties. The Ukraine has been pushed as a fantastic, wonderful "democracy" so many time by the MSM.

It wasn't taken over by Khazars because the Rothschilds created modern Israel from the start to be run by their Khazar people. Look up this people as Tzi/Dizzi won't ... historic truth... Roths designed and gave money and influence to start modern Israel.

Within the next couple years, Bibi and his Khazar helpers will be removed for good. Better within the next few months, the Mossad satellites that feed the West the MSM news will be replaced by an Alliance system.

The Mossad and several other Israeli intel operations pay many, many thousands of Jewish people (even HS students and old people) supplementary incomes to push their talking points. The old Israel talking points are stale, and people are sick of starting "foreverwars" for the Khazar's benefit. You can't admit the Khazar created and run modern Israel because you'd lose your side income.

NO MORE FOREVERWARS FOR ISRAEL WARMOGER!

You call historic facts "tripe," That is a moron move. it is a fact easily checked, but stupid, arrogant people refuse to look at the obvious Truth simply because it doesn't fit their biased Narrative.

Again: modern Israel was a Rothschild project to create a center for all their people to project power from. Are your people from Eastern Europe?

When half the wars on Earth are fought by one country, I want my country to stay away from those "defensive" warmongers.

All ISRAEL-FIRST PEOPLE NEED to go to Israel to help in person.

Any war we fought is defensive because we want peace, so there's no reason why we'd attack. The Mossad pays no one, and that is a lie. I know many Jewish people having grown up in a Jewish home and as a member of the community, and I have never heard of anyone being paid by the Mossad, which is so ridiculous it's laughable. We are not only helping ourselves but people around the world, Sorry if you're unable to see that.

I have been hearing about Benjamin Netanyahu for decades and only in the last two days have I EVER heard of him being a Khazarian Jew. If that were so he sure would not have stood up for the Messianic Jewish community when he came back to the Prime Minister's office in Israel. I find this information terribly convenient for antisemites. I'm not that quick to jump on this particular bandwagon. Proof is necessary for me to believe anything you just said. I'm not saying it's impossible but you can't convince me without proof.

There's tons of proof out there now, all you have to do is look for it.

If he really did that AND the stories about him being associated with the CIA are true maybe it means he was replaced with BN 2.0.

I have an Italian Catholic friend I talked to today about this, and she said that something fishy is going on for a country like Israel with all its intelligence not to have known what was going on. She said the truth will come out... so stay tuned. I doubt that he's Khazarian myself.

Atta girl! I'm so FED UP with all the Jew haters trying to tempt everyone to damn themselves by cursing the Jews. I'm a Christian but I love Israel and the Jewish People. Like you said Jesus is Jewish!

Jesus was a Judahite, not a Jew! The Jews killed him after he drove them out of his father's house.

Ah, no. We don't nail people up. The Romans crucified him, as that was their standard form of punishment when the electric chairs weren't working. Snark, snark, snark. I have no idea what a Judahite is, and if Jesus came from a virgin birth, what was he doing with a father to begin with?

Crucifixion may have been the way of the Romans, but the Jews had the fault on them of setting it up. Therefore, the religious leaders and those that followed them were just as guilty as the ones who drove the nails in His hands. The apostle Peter told the Jews:

"Therefore let all the house of Israel recognize beyond all doubt that God has made Him both Lord and Christ (Messiah, Anointed)—this Jesus whom you crucified." —Acts 2:36

Those were tough times, and Jesus was causing problems. In terms of us setting him up, the Romans acted on their own free will and were cruel to begin with. I mean, they did expel us from our land in 70 A.D.,

Jews do not follow the New Testament, so there's no reason for me to read or believe Acts or anything there. I'm not passing judgement just that it's not our book. There are Christians who will not leave us alone and try to convince us that one is a continuation of the other, but we are happy

with our Torah and don't like being coerced into believing things that just will not work for us. That being said, Acts means nothing to me and is not a reference point, just as the Torah means nothing to you. Otherwise, you wouldn't try and convince me otherwise, right?

You need to take some meds and calm down, and sing Deutschland, Deutschland Uber Alis, one of your faves for sure. Bet it brings a tear to your beady little eyes.

It was a song the Nazis sang. I'm not anti-German, though they aren't my faves due to the Holocaust. Are you saying you think I'm supposed to love everyone, even those who rape, murder and behead us? If that's the case, then you have no sense of self-preservation or maybe no sense to begin with. What a stupid statement. You can downvote me all I want. I'm sticking to my guns.

Last edited 2 hours ago by Tzippo

Have you ever been to Israel? The country is truly magic. There's something for everyone and the fruits and vegetables the best. I don't really like tomatoes, but the tomatoes there were so good, I wanted to pack some in my suitcase but didn't... You got downvoted for that. Like I said, Nimrods all. Sometimes I think what they write is pretty funny and can't help but become a tad sarcastic.

Best You stay in Special Ed. Jews are from Babylon.

Also Aramaic was the common language of the Region, which has No Letter J in the Aramaic language during Yashua's time there.

They "were " all Hebrew. You do make a better patient than a day care worker..

Now, how much time would it have taken you to check that out? Hebrew, Greek and Latin were spoken,

Correct: the letter J as in Jesus was pronounced in THE Western world as Iefus, thus was an Israelite, from the Tribe of Judah; your tribe attempted to hijack humanity thru Cain who killed his brother! TH33 modern jews are actually warmongers!

Jewishness is a religion, same as Catholicism is a religion. It does not refer to a region. There are Canadian jews, American jew, ashkenazi jew, Russian jew, Israeli jews, etc. I find it funny that jews refuse to accept that.

Jesus was Hebrew.

Jesus wasn't a Jew but a Judean when Judea is a region, and the word Jew wasn't introduced into the English language until the 18th Century when it's Biblical? Those little ditties you posted earlier make you sound real bright, though they did make me laugh because they're just not true. Also, the IDF didn't bomb the hospital, so that's a lie. It was a misfired Gazan rocket. It's hard not to be get annoyed considering the remarks you post when they're easy enough to research. I think the problem is you're unable to answer me with facts, so you either get mad and downvote me or refuse to answer any questions.

But you called me despicable and questioned my intelligence. Is that your idea of civility?

I used to teach special ed, so maybe that's why I have the patience for comments like yours.

and mine!

LOL. Yeah. Some of the people around here can be trying when they're not being entertaining and amusing. Wait! I feel some downvotes coming on from none other than KillEmAll, since Aimee is probably still salivating over Mein Kamp for the Wednesday Night Bigot's Book Club she attends online with him, Goober and CD22. I heard they're planning on visiting Joseph Stalin's burial place in Russa. Maybe they'll all go and never come back. I dunno, but it's a thought. Maybe they'll ask me to lead the tour, so I can see that it's done right.

Liked your comment and upvoted it.

Last edited 13 hours ago by Tzippo

You called me despicable earlier, which isn't very nice and now stupid. First off, your earlier post, which I responded to but got erased, was incorrect. Jesus was a Jew and Judea is a region when you conflated the two, which I found pretty funny. Second, the word Jew goes all the way back to the Old Testament and not to the 18th Century as you claimed I think you're upset that I showed you up, so you answer with insults, but whatever.

Last edited 19 hours ago by Tzippo

As usual with jews everything that comes off your forked tongue is a lie.

"Jesus wasn't a Jew but a Judean when Judea is a region, and the word Jew wasn't introduced into the English language until the 18th Century when it's Biblical?"

Those are your words from an earlier post. Why would you contradict yourself?

Jesus was a Hebrew and he told exactly what your kind are and who your father is. Fuck off and DIE JEW !!! 🖐️🖐️🖐️

That's the second or third time you told me to expire and I'm still here. Maybe it's because I'm not in the mood and have things to do. Sorry.

So what did the Romans call the Monotheists living in the area that is now Israel? Not sure sure it much matters at this point. I don't want to see the US get involved in a foreign war no matter what the country. International meddling is the root of most of the political mess. Other stuff like child trafficking transcends national boundaries.

If we don't wipe Hamas out, then they'll come for you next. It's only a matter of time.

Then they can come for us. Here.

If or when this World War makes it over here, it's going to come here regardless, and it probably won't just be hamas, it will be everyone else they've already sent here, backed by global forces. We need to marshall our forces. Which is exactly what they DON'T want us to do.

Last edited 20 hours ago by Sandy Thomas

Tzippo your true humanity is showing. "wipe out Hamas" like exterminating bugs. That's the exact reason "israel" is so hated by so many. Can't live alongside humanity in peace? Then it's extermination time. SAD excuse for being human.

I said wipe them out because they want to wipe us out. Get it? If someone wanted you dead, what would you do?

Fuck you jew, we didn't steal their land and murder their families. Your kind did.

Not True.

Please, do not ignite people with your "sooner or later".

Remember this?

Two atomic bombs were thrown by an American pilot in Japan

Invasion to Vietnam

Korea

Bombing Yugoslavia

Invasion to Livia

Invasion to Afhganistan

This is all about America.

Shall I continue? And this is just from the top of my memory.

But if we surf the history, then we will find much more.

Atomic bombs don't exist and never have. They have been used as a threat to brainwash people into fearfulness and submission. When I was a kid we were told that atomic radiation takes tens of thousands of years to decay and those areas would be uninhabitable. How do you explain that the areas of Japan which were supposedly bombed with nuclear weapons have been completely rebuilt and are fully populated today without anyone suffering from radiation poisoning?

You did not see the pictures of those Japanese cities and burned people after that bombing?

Talk to Japanese people about it.

Obviously, your generation was brainwashed.

You were explained this upside down.

I don't think Putin is that reckless and stupid. He and Trump have a good relationship, so we are not in any danger. Putin is a good man who is doing God's work, rescuing trafficked children and destroying the evil Ukraine gov't. Praise the Lord.

Why would I and why do you have a problem with someone citing facts? Are you afraid of them?

JESUS is your king jew, bow down and worship him and ask for his forgiveness for the evil that lives within you.

She is Jewish mister Bible thumper. So memorize Ezekiel, Isaiah, Daniel and see if you can still make sense of it all since you know everything on Earth. I can't believe all these people picking on Tzippo! You are all a big bunch of bullies. Everyone of you.

We know THE TRUTH about the jews and you are a brainwashed IDIOT. Maybe you should educate yourself and change that.

Thank you, Rose Marie, but they're picking on me because they're bigots. What they don't know is that I find most of them amusing, ignorant but amusing. I only wanted to correct their misconceptions or fight back against anti-Semitism, but they got triggered, sensitive things that they all are.

I do have a legitimate question, Tzippo. How come when someone persecutes a Christian, no one bats any eye? But when someone simply disagrees with a jew, everyone loses their minds?

That's not completely true, but you have to admit that that Christians aren't targeted the way we are as is implied by your baiting question.

You don't know that to be true unless you or someone else has died and come back to tell us. I believe there's something a little different for everyone based on what they did and their belief system when they died. Got to go now, but I'll try and make it back later, so everyone can wait with bated breath. Tootles.

I read the news in the paper Ma'am,About IDF attacking a baptist hospital in gaza. I ain't buying it ma'am. The IDF would not target a hospital. I know who would though,eh? Ukraine pulled the same crap. The IDF is a very capable military force.They do not use human shields as the other side does all the time.What on Earth is Biden doing There? no other nation in the world recognizes him.

If this happened, babe, then it was because Hamas was hiding behind human shields like they always do.

Last edited 22 hours ago by Tzippo

Idf would absolutely target a hospital, they murder innocent people all the time just like they did on 9-11-01 and the U.S.S. LIBERTY.

Actually, I say a lot. You just don't want to listen, which is fine by me.

Bibi is a traitor. He is part of the khazarian swamp that has controlled Israel since the rothchilds took it over.

WHAT? " The word Jew was introduced into the English language in the 18th century??"

The wordS JEW & GENTILES have been around since biblical times. All through the OLD & NEW Testament. 🙏❤️🇺🇸

I have gleaned info that US Airforce soldiers were moved to Jordan (from Germany) weeks before the initial Gaza attack. Just sayin.

Cliff High warned about internet chatter akin to pre-911 several weeks ago too.....

Why is it that very few F-35s and no F-22s were used in Ukraine? I've heard that most USA soldiers are refusing to fight for Israel, and on here that the Ford Carrier Group is hanging back.

Michael Baxter reported on RRN recently about that. They stopped right in the middle of the Mediterranean Sea because they don't recognize Biden as CIC.

If they stopped it's because Iran has missiles that can reach them.

Michael, I've been thinking that it's highly improbable that all these deep stators that have been captured all seem to be playing the same tune. They are fanatical, and will not repent. It's almost like they have received some kind of implant, a chip or something, which is changing their Ability to understand right from wrong. It is almost as if they are controlled by some central AI. The evidence seems to point to some kind of a mentality of these top deep stators that prevents them from repainting. Curious to see what others think about that as nobody seems to have a conscience anymore.

It's almost as if MB is just making these stories up and he can basically recycle them and write the same crap over and over and over, because people keep donating free money to him even when the stories are super repetitive.

It's probably a combo of fear of the other and group think, like the Nazis and the nimrods around here have.

Thanks again, Rose Marie. No, I am not a troll but a flesh and blood woman with a POV. Bless you. :)

Many nazis were also jews. Jews have no problem with killing their own to further their agenda of world dominance and enslaving the goyim. NOT GONNA HAPPEN THOUGH.

As ill-informed as always Some, like Soros, collaborated with the Nazis, but most did not.

Michael, I've been thinking that it's highly improbable that all these deep stators that have been captured all seem to be playing the same tune.

>*pikachu shocked face*

It's a human tendency.

Christians are convinced the Bible is "God's word".

Lefists are convinced "covid" is real.

RRN cheerleaders believe these stories are real.

And you can't convince any of them otherwise.

They have to find out for themselves.

It's called being close minded.

The auto tendency is to downvote, because they can't do anything else.

they trust this retarded plan quite well.... give credit where credit is due

Only one person has repented. Loretta Lynch carried a Bible with her to the gallows and forgave the soldier that was to take her life. For that I say HALLELUJAH!

The headline says it all. The bastards kept Hamas fat & funded just for this moment of slaughter and grifting, to tap into more multi-billions from our US money machine.

As long as they have bankrupted us, it's time to squeeze the last drop of wealth...

until there is nothing left for us to eat here but bugs.

Filthy satanists...

Where did Bibi say this? So you fatten people up like animals just to slaughter them? Makes perfect sense, if you're on hallucinogens, I suppose.

I don't think anyone here is buying your "We're just harmless old golda meir bubis." act anymore, tzippy. Your constant, whiny defense of known shyster khazar jews shows that you are one of them... and maybe punching the timeclock too. Any video evidence I could post (and there is plenty of it) of israelis incriminating themselves would just be flipped off by you & your cohorts. <you ain't got time for that>

From the protests happening around the world, it appears your "Boo-hoo. We're just victims!" act is played out.

I'll make sure to keep some matches in my pocket.

How sad it must be to be an anti-Semite, and why are you keeping matches in your pocket? I could write something mean, but I'll keep that to myself. My mission around here is to fight anti-Semitism, which I'm beginning to see is like teaching a bison to dance, nearly impossible.

Israel was attacked first and the IDF is wiping Hamas out, so it won't happen again. The rocket that landed on a hospital was from Gaza not sent there. I've already covered this and even directed others to a source. Believing that Israel is the aggressor is anti-Semitism when Israel was attacked first and has been repeatedly. Those who say it's a photo op are also anti-Semitic, and anyone who believes this given all the proof to the contrary is anti-Semitic. It's sad that you ignore all the babies that were killed and women who were raped and murdered, and you have the nerve to think you shouldn't be labeled as anti-Semitic. What are you then?

Fuck you and your boo-boo antisemite victim bullshit !!! How many children have you scum fucks kidnapped, raped, tortured and murdered so you could drink their blood in your blood sacrifice rituals? Those are REAL VICTIMS you fucking piece of shit.

Isn't Hamas a jewish entity in the first place? Which is why Biden sent millions to Hamas the other day? They play both sides and profit in White deaths and shekels. Nothing new here.

They're the same. Anti-Zionism is a cover for anti-Semitism since Israel is the only Jewish state in the world and gets criticized heavily for defending herself. #Am Yisroel Chai.; If you don't know what it mean, look it up. Oh, yeah and suck it up too..

I see you still have not read your (very simple) assignment. How can you hope to have a discussion with people when your mind is so closed as to not be willing to read a single sentence ?

Why do you have a 'mission'? The only people that have that are the trolls. Were you given an assignment?

Yep. The only people that have a mission are the trolls? I'm not a troll, but I do have a mission.

If they are sending marines to Israel then I'm thinking not all marines are under WH control.

The soldiers are going to get hurt in the beat up terrain like Palestine, with no idea what they are in for. Hamas is like fighting kamikazes, they don't care about life and death.

2000 soldiers to a foreign country to fight when they could have been used here to protect our own border.

Nebo si uvědomte, že je to jen dezinformace, protože herci, kteří hrají Residenta Bidena, jsou pod kontrolou bílého klobouku. Nevědí ani svému vlastnímu štábu, protože Jill, Psaki, KJP a další jsou zjevně také pod kontrolou bílého klobouku.

Jo, taky si myslím, že je to bs. „Biden“ nemá moc poslat mariňáky kamkoli. Ti kolem něj nosí falešné uniformy.

Myslel bych si, že Izrael rozsype fazole, pokud se mu řekne, že je na cestě pomoc a nikdy se neobjeví. Izrael většinou nechce americké boty na zemi. Nechtějí být odpovědní za americké smrti, protože nemají nejlepší vysvědčení s americkým lidem pro začátek.

Jako každá jiná země na světě je jejich vláda tak zkorumpovaná, jak přicházejí.

Chtějí naši hotovost, stejně jako každá země na světě, která nešíří naše občany, by uvítala malou hotovost, kterou by jim naše vláda poskytla. Naším lidem jako na Maui je nabídnuto 700 dolarů a Ukrajina a Izrael dostávají miliardy.

Naše vláda ráda posílá hotovost do jiných zemí, protože za to dostávají takové pěkné provize, čehož se jim, když utrácejí peníze přímo tady doma, tolik nedostává.

Proč si myslíte, že by Izrael „rozsypal fazole“, když má jednu z nejlepších inteligencí na světě?

Strategické přelévání strategických fazolí. Stejně jako to udělali fbi a comey s msm, stejně jako mnoho jiných, stejně jako to dělají zde.

To je přesně to, v co doufám; Dezinformace! Pochybují, že Biden může nařídít mariňákům kdekoli, protože nemá žádnou skutečnou moc, která by byla viditelná.
