Zaměstnanci generálního advokáta soudce námořnictva Spojených států amerických v Camp Blaz v říjnu popravili přes 250 zločinců z Deep State, řekly zdroje z Guamu Real Raw News.

Jak bylo oznámeno v září, JAG oběsila pět ze 100 lékařů odsouzených za závažné zločiny COVID-19 proti občanům a slíbila, že zbytek pověsí, jakmile to bude možné.

Tyto tresty smrti, řekl náš zdroj, začaly 5. října a skončily 27. října, přičemž JAG držela až 12 oběšení denně. Na tresty dohlížel buď admirál Johnathon Stephens, nebo jeho zástupci, kteří měli nelibost, když slyšeli kdysi vzdorovité sympatizanty Deep State najednou prosit o jejich životy na popravišti a jejich žalostné kvílení volat o milost. Alespoň polovina zdánlivě činila pokání, než padla do záhuby.

"Je úžasné, jak jsou odvážní, dokud neuvidí smyčku." Pravděpodobně jim to připadá surrealistické, dokud to necítí na krku. Teprve pak si uvědomí, alespoň pár, protože spousta z nich nemá problémy nadávat admirála, když balancuje na plošině," řekl náš zdroj.

JAG poslal záběry jejich zániku CDC, NIH a ministerstvu zdravotnictví a sociálních služeb, dodal.

Mrtvých je také 160 ze 165 vojáků Fort Drum, kteří se účastnili bojových bojových her proti kartonu a dřevěným výřezům zdobeným v oděvu MAGA v překližkovém městě poblíž vojenské základny.

Jejich tribunál Camp Blaz se konal 19. září a viděl, jak jejich právní zástupce jmenovaný JAG nabídl svědectví, které frustrovalo admirála Stephense a tříčlennou porotu, která byla vybrána k posouzení podstaty případu. V celé hodinové preambuli trval na tom, že jeho klienti jsou nevinní, protože poslouchali rozkazy důstojníka a vysokého poddůstojníka, a proto nemohli být shledáni vinnými.

"Schybění v rozsudku není zločin." Jsou to mladí muži, někteří s rodinami. Chybovat je lidské," řekl obhájce. "Superior je vyvedl z omylu." To je vysvětlení."

Nedokázal však racionálně vysvětlit, proč mnozí z obviněných dostávali od ministerstva obrany měsíční stipendia ve výši 5 000 dolarů navíc k základnímu platu. Výplaty jednoduše označil za administrativní a účetní chyby, nad nimiž obviněný neměl kontrolu.

Tento argument se rozpadl, když admirál Stephens předvolal na tribunu pět spolupracujících svědků, z nichž každý přiznal, že byli placeni, aby se připojili k „protitrumpovské“ koalici americké armády v rámci přípravy na budoucí totální válku proti prezidentu Trumpovi a jeho příznivcům. Řekli, že přísahali věrnost prezidentu Bidenovi a na jeho příkaz budou zabíjet, ačkoliv neměli ponětí, kdo přesně schválil výplaty.

Obhájce při mnoha příležitostech označil svědky obžaloby za „nespolehlivé oportunisty“ a kvůli množství „nepřímých důkazů“ požádal o urážku.

Senát se nakonec přiklonil na stranu obžaloby a doporučil obžalovaným věšet na krk až do smrti za spáchání vlastizrady a pobuřujícího spiknutí.

V říjnu také proběhly jejich popravu a na ministerstvo zahraničí bylo zasláno video.

Na otázku, co se stalo s pěti vojáky, kteří spolupracovali s JAG, náš zdroj odpověděl: "Přijali dohodu o vině a trestu - 15 let za mřížemi."

Looks like I owe Military Tribunal Dept an apology ! I see the hangings performed in great number , have resolved my doubts about Efficiency ! I assume supervision of procedures has resulted in less gurgling & torture scenes of extended death time. If ever you desire quicker executions , please roll out the two new Guillotine's to sit nearby or in place of The Gallows ..... and watch Nick NavyBlueSmoke reduce the gurgling and extended death times , to an almost instant moment in time ..... where Convicted Traitorous Scum are standing here in one moment and then instantly standing in front of The Judgment Throne of God , the next moment ! I would gladly spend my remaining years helping to clear the deck of traitors ! I wish I knew how to whistle so the convicted scum would hear me whistle as the guillotine slide down the Zero Friction guides ! Since I don't whistle , could I please play a continuous looped recording of Baracks campaign speeches during the last few nights of the perps snooze time ? I again Congratulate JAG & all the White Hats , for an excellent job with hundreds hung in October ! I will nominate you all for The Deming Award for Efficiency ! I was reviewed but did not win , maybe I can push DNC to help get your endorsement , up into the Win Category ..... Nick , NavyBlueSmoke , LST-1195 ,

Wow, so typical. Look at the list and where most of those RINO's are? That's right, libtard places..... It beyond time for the Military to take over the FBI and arrest every FBI member, and make them take a polygraph test to find their loyalites!

And the CIA, and the DOJ and the IRS, too. All are 100% deep state enemies of the USA. All our alphabet agencies are very bad news and 100% commie.

I'm making \$290 an hour working from home. I never imagined that it was honest to goodness yet my closest companion is earning 16,000 US dollars a month by working on the connection, that was truly astounding for me, she prescribed for me to attempt it simply.

Today will be the day Clarence Thomas rules single handedly that the 2020 election is over turned . No government left , only one SC Justice left to rule on everything . Maybe he will get to the Brunson case too . Make it illegal to possess adrenochrome and nominate JFK. Jr to the Supreme Court . All in a days work . Wait and see .

Uh oh , I think he forgot to do it . Isn't that treasonous , for not fulfilling his oath to uphold Justice ?

The US government have done the following:

- Created and released a biological weapon that killed 7+ million people.
- Sent \$200+ billion to fund the only Nazi military on Earth, and they lost.
- Weaponized media and social media to brainwash and censor the public, to cover up their crimes and attack their political opposition.
- Promoted harmful experimental injections to billions of people, that did not prevent transmission or disease, and harshly discriminated against those who questioned the safety or efficacy.
- Funded both sides of the conflict in the Middle East and influenced the slaughter of thousands upon thousands of innocent civilians on both sides.
- Destroyed every fabric of American society, ruined our cities, ruined our culture, ruined our academics, ruined our quality and way of life.

While the GOP and DNC are arguing over which war to fund next, I'm picking out which suit I'm gonna wear to their international military tribunals.

The People have had enough. Justice is all that matters now.

Where is the Rothschild central\_banking ledger for the world?

What is the black-market junction in Europe for adrenochrome, organ harvesting, and biowaste trade?

Who is implicated?

There is a REASON every single warmonger in the US Gov needs Ukraine to win.

When Ukraine loses, so do they and their entire worldwide network.

Doctors had zero empathy for the patients & the soldiers were going to kill innocent people and like the FBI, DOJ they know they are wrong.

Thank you white hat team for your continued strength through these tribunals.

Yeah and the programming continues..... they now have a show on TV, I don't watch it, but I see it advertised as "FBI" with painting the FBI as "GOOD and JUST" ..... just another load of crap but it's trying to keep everyone thinking that the FBI is here to protect us..... I tell you, they put so much time and effort into "painting a picture", it would be easier if they would just actually DO THEIR JOB.....

MB, are these inmates after they're hanged buried in the same location where they were hanged or are they turned over to their families for burial?

Probably cremated, but honestly they had to answer to God for their crimes, these people do not deserve to be turned over to their families. JAG is working overtime to sift through the rubble of humanity.

" They" gave up those rights for what "they" did.  
They Made their OWN Dharma and Karma fulfilled it !  
UNIVERSAL LAW is ABSOLUTE !

MB has stated in the articles that they are stored on ice for now. Maybe to get photos, etc. for Johnny Q Public when the time is right.

Kaiyah Clarke is a independent Facebook fact checkers. And say your story on hanging the 250 is false along with other stories from your site . I'm trying to find away to get her fired for claiming all the stories are false on the real raw new site . Is there any way to get a lawsuit against her and Facebook for censoring your content. Thank you to anyone who has any information on how to do this . I can only hope this plie of    in my opinion gets sued and shut down.          
   

No what are you thinking ? No proof whatsoever except one story citing one anonymous source over and over . No interviews , pictures or eye witnesses for any of this . It's a secret with clones and masked people , I'm sure that would fly in a lawsuit . Do you have proof yourself or just what you read here? No one is getting fired or sued . Why so many of those little pic things ?

Sadly, my eyesight is so bad, even with my glasses I can't read it..... OIY! But thanks for posting.

With Democrat success in the off year elections, it's quite obvious that the election rigging is in full force. Trump isn't going to be relected.

Connecticut judge just shut down an election for ballot stuffing. The woman that did it were city council members.

In one way it seems harsh to execute military personnel for "a lapse in judgement". However, at this stage in the game, the top brass can't afford to have traitors in their midst.

They could have dismantled the whole WH Mission, if these traitors were successful.

Lapse in judgement 🤔 knowingly accepting an assignment with extra pay to carry out orders that are not in line with commanding officers. Sounds like they knew what they were doing and didn't care as long as they got a few bucks. Honestly not realizing if they succeeded then they too would be exterminated once their usefulness was done.

The picture I see is ONE BILLION soldiers from 209 nation-states marched into America with the UNWORTHY INTENTION to murder 100% American nationals, fleece wealth and natural resources before

destroying everything on and below America's soil ... and it is closer than imaginable because the soldiers intend to exact retaliation upon Americans that Deep State mercenaries committed against the 209 nation-states.

All Americans who haven't repented and asked Father God Jesus into their life will perish with no hope of returning to the new Earth to share an eternal life with Father God Jesus.

There is the future I see ....

SO IS GEN. MIKE FLYNN ANOTHER TRAITOR? WAS HE EXECUTED OR OUTRIGHT KILLED. IS HIS BROTHER A DEFINITE TRAITOR. IS THERE A CLONE OF MIKE FLYNN RUNNING AROUND NOW? WAS MIKE FLYNN MURDERED BY THE DEEP STATE? WTF IS GOING ON????

JAG sent footage of their demise to the CDC, NIH, and Department of Health and Human Services. Their executions also took place in October, and a video was sent to the State Department. WE'RE COMING FOR ALL U FKN TRAITORS. THE MORE THE MERRIER. IF IT TAKES 20 YEARS – WE SHOULD NEVER EVER STOP GETTING EVERY 1 OF THESE TRAITORS. FOR \$5,000.00 A FKN MONTH? U HAVE GOT TO BE KIDDING ME.

But dear Ed , nothing ever happens . Show us real proof . Pictures , interviews , secondary sources instead of one story by one anonymous source . Thank you for your understanding and patience

Dear Exile: How 'bout you read about Gen. Eric Smith, that gives you some BIG hints. Thank you for your understanding & patience.

The ones you see after they've been executed are "Clones." They look simaliar, but do look diffrent to my eyes, and can also act differently if you look hard. So in my mind these Executions are happening. Joe Biden isnt even the same, look at Obamas First term Joe Biden was drastically diffrent. Hillary isnt the same, she died in 2012 too around the same time Joe Biden did. Nancy Pelosi, diffrent since she left congress. There are clues look for them. If you see something behind the ear, thats a clue for you right there.

With so many hangings, just wondering what the military does with all those corpses. I read somewhere that they keep them on ice. They're gonna need a bigger freezer....

Nah, America isn't a third world nation ... the executions are recorded by camera for evidence and the bodies are kept cold until Military completes its task.

They give the bodies to Barshember, who will make \$90 an hour playing with the dead bodies and then bragging to this forum of how to play with hanged stiffs and how rich he can get.....

♥Those guys were freaking military. They knew full well what treason is. And they committed it. Scum bags.As far as the doctors, keep going hanging them. My ex works in the cemetery business. Lots and lots of young are dying too. Lots of aggressive cancers among others also. 

My brother in-law, I admit he is much older, however he is very slim and does not have high cholesterol but started having heart problems. About two years ago I warn my sister I begged her not to take any experimental jabs and she laugh at me. She told me I was brainwashed and that I should listen to the new media for real news.

Back then she walked around around wearing two face diapers and took serval of these jabs, her husband too. I suspect his heart problems are related to these jabs and I suspect they took the flu shot too which I do not trust. He had some surgery this week and I hope he is ok.

Hope he is okay, also. So many family members do not do any research & they believe anything that is on tv or radio. She can laugh all she wants. She is the one that is brainwashed. One of my nephews & wife got the jab, along with the 2 daughters. The oldest , 10 years old, spent Christmas in her bedroom, isolating from family due to contracting covid. Ya can't talk to family as they think everyone else is dumb as a box of rocks, except for

themselves. Looking forward to all this bs getting exposed. Some of the ones that believed the government still won't admit they were wrong.

yep, CT LEO's at all levels need a strident lesson in humility that can only be taught by those they think are inferior.

"It's amazing how bold they are until they see the noose."

Physically large men have the same problem respecting smaller statured men. The big men simply need the little men to teach them the all important lesson of humility. Not many big men think the little man is

going to throw an oblique kick at their knees and then take them down to the ground to throw them in a triangle-choke to submit them in front of their friends, hopefully women.

Arrogant big men are bold until they see the little man choking them out.

They freak out too when you rush inside of their range instead of trying to stay outside of their range as they would expect.....

agreed. many big men have glass chins. can't take a clean strike.

that look of defeat on a big man's face after being taken down by a small man...well, nice

In the final scene of the first Matrix movie, we see the numbers 33,911 and 239, before 'System Failure'.

We the American Patriots, were wondering (at least I was) what happened to the other thousands of government traitors operating under fake Joe's orders. Now we know that much more than the criminal few we read about here, have also been hung or shot, etc. Makes my day. Once again, all due respect and gratitude for our wondrous US White Hats, US Special Forces and US Admirals and Generals who die/get maimed for life, for our country and its' citizens. Their place in the Spiritual & Heavenly planets is guaranteed.

There have been executions going on since 2019 and some sources have said earlier than that. RRN is the major source we know of.

Possibly 2017 with child trafficking and the known Deep State before the 2020 steal. Hillary supposedly freaked out when Trump won in 2016 saying, "We will all hang!"

If that were true this site would be absolutely flooded with commentators and   votes.

There are so few subscribers here.

And if you don't count the Many alts, there are about 20, at most, real commenters here.

If RRN was real, truthful news, It would be the Biggest site Anyone has ever seen!

And how would anyone know it was "truthful news"? Whose authority would convince them? The vast majority of people who look at videos or read threads, do not comment. Commenters are a small minority. With the volume of trolls and more subtle underminers here, by design, even fewer people bother. They read the story and leave.

There are many other info sites besides this one. AMG news. Then if you look for "Updated list of arrests & celebrity executions," you will get more info. Its been online for a number of years. RRN being the military website, gives the details after the fact. People need to wake their lazy attitudes up.

If we the people know who is gone, it tips off all the rest of the black hats who are out there. By having few sources of truth it gives the white hats a better chance of apprehending the black hats. We are – after all, At WAR.

AMAZING THAT 160 SOLDIERS WOULD NOT RENOUNCE THEIR CRIMES OUT OF ONLY 165. FK EM. ENJOY HELL U FKN TRAITORS,

I think they thought the "just following orders" approach to defense, would get them off.

Yet they didnt say no to the additional \$5K in their monthly pay. They got what they bought and paid for. Adios Suckers!

I can't thank you enough, for these dates! I have been in a panic about having supplies on hand, for 3 years now. See, I rescue Giant Breed dogs, and have for 28 years.....it's a huge undertaking that I do all by myself, and by the Grace of God..... but it takes lots of dog food to feed all of these big guys and during the Biden administration, dog food prices have doubled, simply doubling my monthly expenses. I'm not willing to compromise feeding them proper food and plenty of it, so I try to order food ONCE a week. But now, with a DATE to work with, I will step up my orders and try to have 2 weeks

worth ON HAND. It's such a blessing to know, and to know I am PREPARED! AGAIN, THANK YOU and GOD BLESS YOU!!!!!!!!!!!!!! I would attach a picture, but this doesn't allow pictures.

AND I THOUGHT SPENDING \$100 EVERY 2 WEEKS FOR MY NEIGHBORHOOD CATS WAS ALOT. I FEED AT LEAST 16 STAY OR WILD CATS – SOME OF WHICH I CAN'T EVEN PET & WILL NOT COME WITHIN AN ARMS LENGTH OF ME. ACTUALLY HAD 1 A\$\$WHOLE ASK ME WHY I FEED ALL THE CATS IN THE NEIGHBORHOOD..... ANSWER – THEY R GOD'S CREATURES JUST LIKE YOU & ME.....A\$\$WHOLE I FELT LIKE SAYING. IGNORANT SELFISH PEOPLE HAVE NO PLACE IN MY FKN LIFE.

Exactly. God Bless you. Feeding the big dogs is over \$100PER DAY, so yes, it's a huge undertaking, and I pay all of their Vet bills. People always asks me WHO PAYS YOU TO DO THIS? I say, nobody, it's just the right thing to do..... The world has become so self serving and the animals end up paying the ultimate price and NOBODY is willing to take on the Saint Bernards, Great Pyrenees, Mastiffs..... lots of folks do rescue, but it's for little dogs..... Anyway, I ordered more food last night..... and I am anxious for this to happen and get it over with. I've been preparing since 9/11, when I sold my home, bought land out in the desert and built this sanctuary with 6 foot walls all around us, to keep the dogs safe. It's an amazing and exciting time, but I just don't see how people will adjust to the NESARA changes. People are so lazy now and nobody does ANYTHING unless you pay them. Nobody ever volunteers, they've all become so fat and lazy, so this will be interesting to see. But most of all, I am just going to be so happy that the children are rescued and can begin their journey to a new, healthy and rehabilitated life.

My Goodness! Hats off to you, Loves. BOTH of you! I LOVE animals, and if my spouse were on board, I could find myself in over my head with strays pretty quickly. God bless you for your BIG and generous hearts. Lucky critters. We have a more measured approach, but all of our pets were “found” wandering pets no one would claim. And they were/are all wonderful!

P.s. Just noticed my identifying gizmo has changed! I liked my YELLOW one better. Please give me back my yellow thingy

How can we donate to help you connie... what city are you around... are there stores you like to buy your food from? Are you on telegram? Sorry for all the questions... people love to help, trying to figure out how....Bless you and smiles your way

You are so kind to offer. I appreciate that more than you know. I live in Arizona, so in addition to the food costs and for a while there was limited availability, I have also been so concerned that we'd all lose power during this transition, and the dogs would get too hot. I have a few acres, it's all WALLED IN WITH IRON GATES to keep the dogs in and the illegals OUT. I also had a huge swimming pool built for them, but most importantly, my home has 2, four ton units on it, plus 16, 36" floor fans, to keep all of the bigs guys and gals COOL on the tile floor. The heat is a killer, so being prepared and having A/C is MANDATORY! LOL But, as I said, just having a timeline to work with, and knowing it will happen in November, gives me so much strength and security knowing that IF/WHEN the power goes out, it's beautiful weather now, and they would still be able to swim. I wish I could post a few pictures for you all to see It's a special place I've created, all for the dogs..... I have 2 accounts on FB, my first one was always in FB jail as I would try to inform folks and educate people on the reality of what is going on, so I opened a second FB account under “Conni Saintlady”. Feel free to

look, you sound like someone who would enjoy the posts. What state are you in Elle?

.

Yes I fed the feral cats and also used friendly traps to take them to the humane society to be spayed and neutered and then brought them back home and continued to feed them.

That's so great of you Spaying and neutering those guys helps solve the problem, GOOD JOB!

I feed 4 fetal cats on my front porch every night. They come like clockwork.

President Trump mentioned many times about having at least 3 weeks of food on hand. You could ask the Lord, Jesus to extend the food for as long as needed, after all you can do. He is mighty to save.

Thank you for rescuing dogs! All of my spoiled dogs over 30 years have been rescues and adopted. I have also rescued hundreds from the street in my lifetime.

That's wonderful. YOu would be shocked at how many dogs are being killed, every day, due to humans and this financial turmoil that we're in. People simply can't even afford to feed their dogs so they turn them into shelters, who take them to the back and euthanize them..... they are all full, out of room and more dogs coming in every day..... it's really a horror for the dogs and cats right now. They are being abandoned everywhere..... God Bless you Angela!

Thanks. It is a never ending battle. I volunteered at shelters for a decade, but it became so depressing. Instead, I pick up any animal in need when I see them. This summer in Texas was brutal for all animals

including livestock and wildlife. Major anxiety worrying about them with record breaking 2 months well over 100 degrees and no rain. We can only do so much.

It is not!!! No one knows the dates!! Gimme a break!! Stop reading Restored Republic!!! Also the Lord told me the blackout would NOT happen in winter!!

Hope youre right Carolyn, I'm not sure a blackout would be a pleasure to endure and I agree with you on Restored Republic, its tops in fear porn and false starts.

When people talk about "blackout" it could mean a few different things. Do they mean just the media blackout with martial law? Where we still have heat, and our lights are on? And no cell phones or means to communicate with family, friends?

Or do they mean everything goes, including heat, no fridge, no way to cook our food? The military knows what they are doing so it will be interesting to see what really happens.

I've no plans on getting into fear, it was pathetic enough to see how people FREAKED OUT during covid, which is exactly what our control freak commies-in-charge wanted. Control & fear go hand-in-hand.

Well, since they will be running the EBS messages, explaining lots of what has been going on, I would assume we would need basic power to run the TV's and get those messages..... But, could be total black outs in the worst areas where they are going in and arresting so many people. You know, Los Angeles, Detroit, Chicago, Minneapolis, New York, Phoenix etc. I know they have been testing the power grid for how the shut downs work out. I assume most of the "black out will

be all media outlets and the EBS will override any regular tv programming". But again, I am just grateful they aren't trying to do it in July, August or September, when it's the hottest time of the year here.

Souhlasím s vaším vnímáním RR. Zapomeňte na data a poznamenejte si události. Jedním z důvodů, proč je nastavení dat neuvážené, je, že jakékoli plánované datum podléhá revizi s ohledem na okolnosti, jak se toto datum blíží. Nejste si jisti, co si o tom myslet, pamatujete si příběh o chlapci, který plakal vlka? Začínám být trochu unavený ze všech těch 'varování'

To je třeba aplikovat na Judy Byingtonovou, která donekonečna opakuje předpovědi, které se mají stát v příštích dvou týdnech. Není divu, že někteří lidé jsou cyničtí. To, co JB říká, se nepochybně stane, ale ne v časové ose, na které ukotvuje své předpovědi. Už si její příspěvky nevyhledávám, jak jsem to dělal nábožensky.

Řekla, že k výpadku a EBS dojde týden po volbách v roce 2020. Byla jsem tak nadšená, ale viděla jsem, že mnoho jejích schůzek přijde a odejde příští rok. To je vše, co mi stačilo, abych ji přestal poslouchat.

Co řidiči kamionů a. Lidé, kteří cestují? Děkujeme za jakékoli informace, které nám k tomu můžete poskytnout 🤔🤔🙌❤️

Prosím, řekněte mi, že těch 5, kteří se stali svědky obžaloby, bylo nečestně propuštěno bez možnosti povýšení a jejich hodnost byla snížena na E0.

S 15 LETY VE VĚZENÍ, KTERÉ SE NEŘÍKÁ. CO SI MYSLEL, ŽE JSOU STÁLE ZAPLACENY VE VĚZENÍ? HAHAHA LEAVENWORTH KANSAS MATKA FKR!

Jsem trochu překvapen, mnohem víc, než že těch 5 nevyužilo nabízené dohody o vině a trestu. Ukazuje myšlení probuzeného vojáka s vymytým mozkiem.

Museli v obhájce strašně věřit. Mám podezření, že průměrné IQ té skupiny bylo dost nízké.
