Základní tábor námořní pěchoty Blaz na Guamu dokončil stavbu věznice s 200 buňkami, ve které budou brzy sídlit „mediální osobnosti“, které oklamaly Američany, aby uvěřili, že Joseph R. Biden legitimně vyhrál prezidentské volby v roce 2020, zjistila společnost Real Raw News.

Představitel JAG sídlící na Guamu řekl RRN, že stavba začala poté, co White Hats v lednu obsadily 4000akrovou instalaci a obsadily ji 2700 vlasteneckými mariňáky a námořníky, kteří odsuzovali Bidenův režim a přísahali bránit ústavu Spojených států. Nazval věznici „surovou“ a „základní“, řekl, že cementová fasáda a ocelové tyče jsou spíše podobné Rikerově ostrovu než Blazově primárnímu ultramodernímu supermaxu.

"Budeme držet prázdné vzduchové hlavice jako Mehdi Hasan, ne Mark DeFriest," řekl náš zdroj.

Hasan je jednou z ultralevicových kotev MSNBC a DeFriest (63) je známý jako Houdini z Floridy, který v letech 1980 až 2017 sedmkrát utekl z vězení.

"A Anderson Cooper není žádný 'Hannibal' Smith," dodal s odkazem na okázalého vůdce fiktivního A-Team.

Zdalo se, že mu nedělá problém vypustit jména budoucích vězňů, stvoření jako Rachel Madow, Jim Acosta, Kaitlan Collins, Chris Wallace, Savannah Guthrie a Arie Melber, stejně jako Joy Behar a Whoopi Goldberg z The View a moderátory talk show Jimmy Kimmel a Oprah Winfrey. Uprostřed spirálovitého monologu také zmínil Arnona Mishkina, ředitele Fox News Decision Desk, který na Election Night 2020 označil Joe Bidena za kritický bojiště v Arizoně.

Na otázku, zda JAG zapečetil obvinění na výše uvedené osoby, trochu ustoupil: "Nemohu oficiálně říci, zda jsou obvinění nebo na koho, ale očekáváme plný sál."

A na otázku, kdy JAG plánuje začít zalidňovat věznici, odpověděl: „Neuvádím data, ale nebudte překvapeni, když Vánoce letos přijdou dříve.“

Podrobněji by se k této otázce nevyjadřoval.

V reakci na dotazy, jak bude JAG financovat zadržování na dobu neurčitou – roční náklady na uvěznění vězně jsou přibližně 30 000 dolarů – uvedl, že mediální osobnosti Deep State budou financovat své vlastní tresty odnětí svobody.

„Ujasněme si to: Nebudou tam pobyty na dobu neurčitou. Je to dočasné ubytování, zatímco čekají na tribunály. Očekáváme vysoký obrat, otočné dveře. Použijeme jejich zabavený majetek, abychom zaplatili jejich výdaje – dopravu, vězení, jídlo atd. Dokážete si představit, jakou práci bychom mohli dělat s Oprahinými penězi? A věřte mi, nebudeme jim dělat pohodlí,“ řekl náš zdroj.

Řekl, že ubytování je svým designem spartánské – žádná klimatizace, nepohodlné postele a přiděl teplé vody.

„Obyvatelé, kteří se brzy narodili, podvedli Ameriku. Nezaslouží si pohodlí ani slušnosti. Kdyby záleželo na mně, dal bych televizi mimo každou buňku a rouru s plnou hlasitostí v OANN a Newsmax 24/7. Nyní by to byl nelidský, krutý a neobvyklý trest, ale zasloužený,“ řekl.

Věznice MSM je jedním ze tří zadržovacích zařízení na základně.

Pokud zde někdo ví o Marku Taylorovi (The Trump Prophecies), Markovi Bůh ukázal, že MSM bude odhaleno a spousta z nich bude postavena před soud a popravena! Řekl, že tyto zkoušky pro MSM způsobí, že Norimberk bude vypadat jako procházka dortem. V době Hitlera a Norimberku byli ti, kdo byli zapojeni do novinových zpráv o takových věcech, zatčeni za lhaní veřejnosti a byli popraveni! 😨😨

Mám pocit, že jakmile bude MSM odstraněno, je to konečně „světlo na konci tunelu“. Po této 3leté noci uvidíme denní světlo. Dle mého názoru skvělá a dlouho očekávaná zpráva. Děkuji WHs a děkuji Michaele za tuto skvělou zprávu! Letošní prázdninová sezóna se rýsuje tak, aby byla úžasná se vší radostí, překvapením a úžasem, které jsme cítili jako děti čekající na naši návštěvu Santa Clause. Hlavně díky Bohu!

This is what I've been wanting for. The media is the greatest enemy of the people, and of the truth, the world has ever seen. Those smug professional liars with the perfect hair, please, keep them in deep freeze if Guam gets too hot. But I have to say though, I have wondered if they weren't a bunch of robots. How can so many people lie so blatantly for so long so consistently.

I copied and pasted this link and nothing came up. Would like to know what this is. 😊

Camp Blaz which Guam aka The Boot & Diego Garcia aka The Foot. The Foot is way worse than The Boot. The Foot allows the government and the military are only allowed on that base and it is completely surrounded by nothing but the Indian Ocean. Can you imagine you a fellow soldier and being court marshal at The Foot? You might as well make funeral arrangements in advance.

That is great cannot wait to see all these people get locked up. They all thank they are above the law.

>cannot wait to see all these people get locked up

IF ONLY we COULD actually SEE  
getting very skeptical of unsubstantiated hearsay  
anyone who isn't, is a not just a sucker, but a threat to freedom  
no different from the suckers who swallow CNN stories w/o evidence  
solely because it's what they WANT to believe

how 'bout it michael?

how 'bout it WHs?

It's only been 60 years...keep trusting the plan sir.

Wait until year 120 bf u actually question things

now I wonder why Biggs seemingly disappeared from this page,  
apparently sucked off to other affairs, duties... in this one, he came on  
first and strong enough to get MB quick putdown keeping that thread  
up and going, while also responding to others in his  
typical simple minded, limited sass... what he says in response to one  
RRN article scarcely differs from what has already been said in  
previous 100 MB reports... boring Biggs, as we all well know, drones  
on... playing Deep State Stooge most Excellently

anyway, Biggs was all over the board for a couple of hours boasting  
how simple it was to keep up, and then vanished for last many hours,  
did he get called off to protect some MSM idiot... we can only hope, is  
he now human shield fending off WH... even his lunatic handlers must  
know he does Deep State no good on this board, did they pull his  
funding, might he be fodder defending his betters, seems Biggs is at  
best Mockingbird flunky, a drop-out

Mockingbird, first word of Q's second drop, first drop being a bit of a rouse, perhaps mocking the Mockingbirds (also in drops 3, 4, 6)  
Mockingbird is C\_A (missing intelligence) control of MSM... which could also be written MS13 (drop 5), M=13 as Q is 17... THUS MSM (13,19,13) is C\_A intellectual (head), agenda, control of the masses

MS13, (13,19,M) is C\_A body control, as in 187 (murder), as in the Seth Rich saga...

but with mass illegal entry now rampant under slowjoe Crooked Creeper, MS13 could well amass to provide mass body control of the masses, mass 187 triggered by C\_A, an 'alien invasion' of a certain sort and worse kind...

parallels/similarities between MSM and MS13 in Deep State world cannot be underestimated

I have long said, elsewhere, Cabal must always own a sense of Control, otherwise far greater chaos may erupt in many ways, as long as MSM appears to be intact/working, Cabal harbors a sense of CONTROL, agenda control, keeping them in check, on rail, working their playbook, similar to Hitler's/Alinsky play, keeping them predictable

saying/suggesting MSM, Mockingbird, is 'last' is a bit of a misnomer, I think deepest study of Q code would confirm/ask... are they end... final... last

well, 'last', 'end', 'final'... they are not exactly all identical... fourth-quarter and final-act are always at 'end' of game or play, but both are analogues to a period of time in which many events occur, my sense of Q code can well understand the taking down and out of MSM to be first/early event at the end not exactly worthy of being called 'final' or even 'last' in a specific sense, only in a general sense, this article of MB as does numerous other current events, like rising alarm over stolen 2020 election points to a specific summation event, "BIRTH of a

NEW NATION”, exceedingly rare, only once in Q, 1052, followed by “NEW WORLD.” which only adds further implications and complications, we also must compare and contrast domestic as opposed to foreign events in the Q code, DOMESTIC is first Q concern, America First, International will follow, but by no means does that mean all Domestic events happen before any international events start, like children being freed in Ukraine only happens after MSM is taken out, we know that’s not true, the sense is better, best, that because America puts itself first, realizing many domestic victories, and so it follows the whole world will benefit soon thereafter, unlike Biggs, we have to learn to walk and chew bubble gum at same time, ya can’t just stand in one place and beat same dead pony to death, over and over again

thanks MB for giving us new word on timing issue, “early” to a large degree replacing concept of “soon”... how long have WH been at it... we know they showed face, internet, 10-28-2017, but at that point they appear as a well oiled machine, less than 10, 2 not military... much Q focus is placed on JFK and his murder, so I would not be surprised that WH began at that time (childhood memory for me) or even before, thus their concept of ‘soon’ is not, our-come-late-to-game concept of ‘soon’, plausibly their start goes back to Fed Rsv up-start and/or even further, any timing before the last of the current WHs die, presumably passing baton on... for them, in that context not known/appreciated by us at all, that is “soon” from their viewpoint, now timing is “early”, Christmas, but was ‘Christmas’ used as the 2023 event, or in figurative sense of a ‘gift-giving’ event. Note, speaker prefaces to MB, “I’m not pinning down dates”, therefore, taking the “Christmas” as literal 23 date may well miss speaker’s true intent, understanding “Christmas” with a more figurative sense, gifting to RRN readers the joy of MSM arrests, “early”, not waiting for Christmas... and “this year” is ambiguous too. In speaker’s mind, the year in question starts as “full house” (time... year,

understood), 24 not 23. When does it “start” question comes. PIN NO DATE, PRESENTS MAY FALL EARLY, IMPLICATION IS PRESENTS MAY NOT, NOT, NOT FALL EARLY, IN YEAR OF FULL HOUSE, 24

we deal with transcribed dialogue, not carefully and circumspectively devised written text, we must work hard to get inside speaker’s thoughts, MB even then warns, us, sternly, “He wouldn’t expound on that question in greater detail”... speaker says PIN NO DATE, MB expounds uncertainty, I say POUND NO DATE, Q says learn our Comms... do not be a “vacuous airhead” like Biggs, do not be a Deep State Mockingbird-want-ta-be, expand your thinking, INDEED, does speaker target Biggs begging him to grow-up, learn new vocabulary, “early”, how it is like and not like “soon”... seek to understand those delivering the message, not leaping to miscarry intent like dead-icated, egotistical, tyrannical PINHEAD

will this prove to be another mystery, like 11.3, first marker, never said to be 2017 or any other year, not even necessarily typical date, November 3rd, maybe rare U.S. usage, but permitted, eleventh of March, or is it reference to U.S law code... other, not a date, use

what Biggs, Turkey, could you not down turkey and keep up on RRN Thanksgiving Day, or did your Deep State handlers call you into to protect MSM stooges, or just defund you for delivering nothing, moving funding to protect MSM.. what next dance do you do on your tiny PINHEAD Biggs... please, amuse yourself, drone on drool face

Apparently he might be celebrating Biggs’ demise too soon.

I'm sorta hoping they make a mad dash outta the Country so they can be hunted down like rabid animals.

It's past time that Oprah exchange her ill-gotten, blood cursed, lavish Maui real estate for more modest real estate & accommodations on Guam. Will be music to my ears when those reports surface. Joy Behar & Whoopi's relocations will be a joy to behold also. I feel a happy dance in my near future.

No AC, how awful, NOT. Just priming them up for their final destination.

Anderson Cooper's name is already on one of the arrested & executed lists.

Pass the popcorn.

Oprah was rounded up years ago. One of the first. with one of her Florida properties all dug up Never heard about her final disposal though. AND Anderson Cooper, another one I heard about long ago, as having been processed. They are rounding up doubles and clones along with originals. I had heard the WH were controlling a lot of the media for quite a while now

Question is? What lump of putrid, acidic, smoldering dog turd is going to substitute for Whoop!e Goldberg? Happy Thanksgiving all y'all! ~The Nak~

Happy Thanksgiving. This article gives me much joy. I sure hope Murdock and Brett Baer will be there for calling AZ in 2020 too soon 🤬  
All those mentioned can't wait. They have lied and deceived us all my life as I tuned into the evening news believing it was my civic duty to know what going on in the world. They lied lied lied. They need to pay pay pay for being traitors & forfeit all their money \$ assets 🤬🤬🤬  
BOOM BOOM BOOM 🙏❤️🇺🇸🇺🇸🇺🇸

This would be nice... But you just told MSM what you will be doing...  
Now they are programming the AI/CGI with endless air-time...

If they did, it was strategic. They didn't come this far to suicide their mission

With this news about MSM, I believe the EBS will be forthcoming. Make sure you stock up on necessary goods. Checked out temps in Guam. The average annual temp is 81 with high humidity. Now it's 83 with 85% humidity. The next 8 days will be in the upper 80s at night and lower 80s during the day. Great sleeping weather....with NO A/C for the detainees. Y E S!!!

Will the DS have clones available in time to fill in for MSM talking heads as they disappear?

Diego Garcia. Part of BIOT. British Indian Ocean Territory.

Interesting place that. Been by it, never ON it. Ahem, according to somewhat reliable sources may well be the landing strip for MH370.

Longshot, unless you consider Poe's Descent Into The Maelstrom beyond the literary grasp of the Deep State..?

DG island is a airforce base, plus it is connected to a underground DUMB. They also launch some SSP missiles to supply their bases outside of the solar system and on various moons of saturn.

It was a British base with yes a DUMB under the sea.  
Rummer to be another GITMO now.

So when nothing happens and none of these people disappear will you guys tell yourselves that they were all just replaced with clones? Or do you suppose you'll have forgotten about this story entirely by next month after MB moves on to some other bullshit?

Are you that much of a moron??

Or is your head still up your @rse???

Wake up and smell the coffee....

This is the digital age – you only need a few programmers – AI/CGI = endless air-time...

They even can ‘morph’ anyone into someone else live on tv and you wouldn’t even know it.

Fair question by Biggs, fair reply by Sparky Sr.

What’s interesting is that the AI of the DS – like every other technology out there – is probably well in advance of that to which we have access.

But I admit I’d enjoy reading about somebody taking an unexpected “long sabbatical.”

It was done LIVE on America’s Got Talent before. A LIVE person on stage morphed into Simon Cowell on the screen behind them !!!!

Roger Stone says Lyndon Johnson killed John F. Kennedy in order to become President in adherence with the military-industrial complex:

“When I asked Nixon point blank...I said to him, So Mr. President let me ask you a question..Who really killed John Kennedy...He stared into his martini, well Dallas.I said I’m sorry sir I don’t understand. He said let me put it to you another way. Lyndon and I both wanted to be President, the difference was, that I wasn’t willing to kill for it...

So, when Robert Kennedy says the CIA did it, he’s not wrong.. When Sam Jean’s daughter says the mob did it, she’s not wrong. Everyone has their own interests but Johnson has his own unique relationship with each.”

“84 hours after JFK’s death Lyndon Johnson and he’s already green-lit the Vietnam War.”

I think there are strong cases to be made that the CIA, the Mossad, the Bush crime family, Johnson, the mob, other Intelligence Agencies, and a secret society all had their hand in eliminating JFK. Who do you think is the most responsible for the death of one of America's most honored Presidents?

Twitter

Pivotal moment in -human- history than meets the eye. No question The Mob was involved. As someone w/more family connections to The Mob than anyone would be proud to admit, their involvement was open secret. In perverse sense, their status was elevated as result. Not only could they take out street level criminals at whim, even US presidents weren't safe. Power doesn't get more seductive than this.

People often talk about deathbed confessions. If you're Italian, and all of my relatives were, midnight snack 'kitchen confessions' are infinitely more reliable and revealing.

Tommy James, Pop recording artist and author remarked; 1962 was "the last normal Summer in American history. After that, \*everything\* changed".

While the mob was involved in some way, their expertise in whacking someone is two to the back of the head or a car bomb. This was carried out with a lot more complicated planning, that involved very powerful people, especially from the puppet masters, the alphabet agencies and Mossad cretins.

One of the first things LBJ did with his new pen was shelve EO11110.

Yeah!!!!!!! Yeah!!!!!!! YEAH!!!!!!! ITS ABOUT TIME THEY WERE PICKED UP AND TAKEN OUT. YEAH!!!!!!! There is a holy God. Thank you for another video.

Mr. Baxter, what about the disposal problem? Using an arbitrary number of one hundred thousand hangings times an assumed average weight of 175 lbs. each extends out to nearly nine tons of rotting flesh. I assume that you do not want good farmland to go for graveyards and I

assume that you don't want to waste good oxygen to cremate. Will they sell to McDonalds? After all, it is said that McDonalds has long since crossed the thin line of Soylent Green.

Throw 'em in the ocean, nobody will miss them, plus the sharks will have a great TG and no cleanup....

Only 200 rooms???? must be expecting a turnover rate based on days not weeks. Happy to see this preliminary list especially Oprah and fudgepacker Vanderbilt; those two net worths could finance the next 2,000. Look forward to Mourning Joe and his bitch.
